STARMINE EARNINGS SURPRISE FORECAST

Looking forward at quarterly performance, we use StarMine's SmartEstimate® from LSEG to determine which companies in the S&P 500 are better poised to beat and miss earnings estimates. The SmartEstimate® is a weighted average of analyst estimates, with more weight given to more recent estimates and more accurate analysts. Our studies have shown that when the SmartEstimate® differs significantly from the consensus (I/B/E/S mean estimate), the Predicted Surprise accurately predicts the direction of earnings surprises or further revisions 70% of the time. When a significant Predicted Surprise for revenue is also present for the period, the accuracy improves to 78%.

StarMine ARM from LSEG is an analyst revisions stock ranking model, designed to predict future changes in analyst sentiment. ARM incorporates more accurate earnings estimates through the SmartEstimate prediction service. ARM region rankings scores companies by region on a scale of 1 to 100 where 100 represents the most bullish sentiment.

Over the next two weeks, 35 S&P 500 companies are expected to report earnings. Of these companies, seven positive surprises and zero negative surprises are expected from S&P 500 companies reporting quarterly results.

IMPORTANT NOTICE

This disclaimer is in addition to and not in replacement of any disclaimer of warranties and liabilities set forth in a written agreement between LSEG and you or the party authorizing your access to the Service ("Contract Disclaimer"). In the event of a conflict or inconsistency between this disclaimer and the Contract Disclaimer the terms of the Contract Disclaimer shall control.

By accessing these materials, you hereby agree to the following:

These research reports and the information contained therein is for your internal use only and redistribution of this information is expressly prohibited. These reports including the information and analysis, any opinion or recommendation is not intended for investment purposes and does not constitute investment advice or an offer, or an invitation to make an offer, to buy or sell any securities or any derivatives related to such securities.

LSEG does not warrant the accuracy of the reports for any particular purpose and expressly disclaims any warranties of merchantability or fitness for a particular purpose; nor does LSEG guarantee the accuracy, validity, timeliness or completeness of any information or data included in these reports for any particular purpose. LSEG is under no obligation to provide you with any current or corrected information. Neither LSEG nor any of its affiliates, directors, officers or employees, will be liable or have any responsibility of any kind for any loss or damage (whether direct, indirect, consequential, or any other damages of any kind even if LSEG was advised of the possibility thereof) that you incur in connection with, relating to or arising out of these materials or the analysis, views, recommendations, opinions or information contained therein, or from any other cause relating to your access to, inability to access, or use of these materials, whether or not the circumstances giving rise to such cause may have been within the control of LSEG.

The information provided in these materials is not intended for distribution to, or use by, any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation or which would subject LSEG or its affiliates to any registration requirement within such jurisdiction or country.

DISCLAIMERS

The service does not constitute a recommendation to buy or sell securities of any kind and LSEG has not undertaken any liability or obligation relating to the purchase or sale of any securities for or by you.

The service is furnished to you on an "as is" basis with all faults and defects contained therein. LSEG does not make any representations or warranties either express or implied, including without limitation, any implied warranty of merchantability or fitness for a particular purpose or use, with respect to any aspect of the service. LSEG does not make any warranties that the service will be uninterrupted, timely, complete, and accurate or error free, or the results to be obtained from use of the service. Use of the service is at your sole risk and LSEG shall not have any responsibility or liability for any errors or omissions in, or resulting from the use of, the services or the software product, any decision made or action taken by you in reliance upon the services, any failures or delays in providing the service, any loss of use thereof, or for any loss, damage, injury or expense caused directly or indirectly by its actions or inactions in connection with this agreement or the production, distribution or redistribution of the service. LSEG will not in any way be liable to you or to any other entity for any indirect, consequential, punitive, special or exemplary damages, including, but not limited to, loss of profits, resulting there from, regardless of cause and regardless of whether or not LSEG was advised of the possibility of such damages.

JURISDICTION

These Terms and Conditions shall be construed and enforced in accordance with the law of the State of New York without giving effect to any choice of law or conflict of law provisions. In no event shall these Terms and Conditions be governed by the United Nations Convention on Contracts for the International Sale of Goods. UCITA, whether enacted in whole or in part by any state or applicable jurisdiction, regardless of how codified shall not apply to these Terms and Conditions and is hereby disclaimed. Any disputes arising under these Terms and Conditions will be brought and heard in the appropriate Federal or state court located in New York County in the State of New York and each of the parties hereby irrevocably consents to the jurisdiction of such courts.

You may not assign these Terms and Conditions nor any rights granted hereunder by sale, change in control or otherwise without LSEG’ prior written consent.
