Nvidia領導層變化對科技供應鏈影響

- 報告單位：台新投顧
- 報告日期：2026年11月12日

本報告僅供內部使用

輝達董事會啟動接班程序，市場提前為「後黃仁勳」時代定價

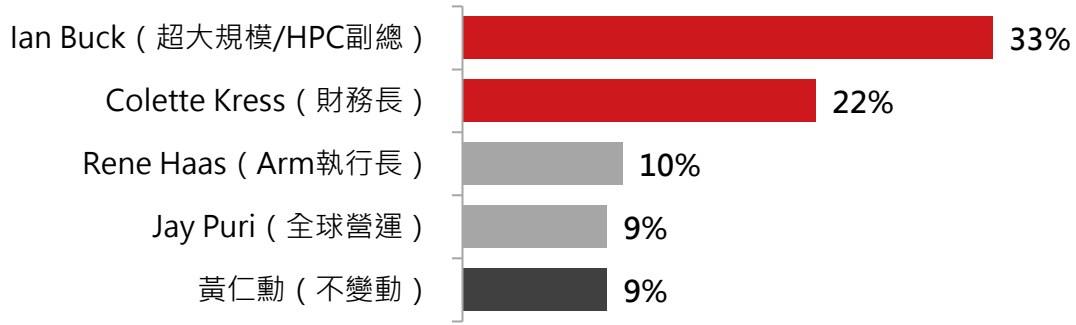
事件時間軸（美東時間）

- **10/29** 紐時披露美方認定Megaspeed前高層黃樂為中國情報人員，黃仁勳被列為接觸目標
- **11/08** 黃仁勳致信員工坦承婚外情；董事會成立獨立委員會調查，仍表態信任
- **11/10** 董事會委任Wachtell Lipton主導調查；股價兩日累計下跌約9.5%
- **11/11 盤中** Baird降評至中立、目標價500→200美元；大摩將輝達移出首選名單
- **11/11 盤後** **紐時再揭與直屬部屬Kimberly Powell私人關係；WSJ稱董事會準備撤換；彭博稱已委外物色新CEO並研議臨時CEO**
- **11/17** FY3Q27財報；法說焦點由營運數字轉向公司治理安排
- **11/18** 眾院三委員會要求黃仁勳出席閉門簡報

Nvidia事件相關關鍵數字

-8.1%	~6,000億	10 / 11
NVDA 11/11盤後跌幅 收159.68美元	本週市值蒸發（美元） 含盤後跌幅	獨立董事席次；過半數 即可「有無理由」解任

預測市場：下任輝達CEO機率（Polymarket）



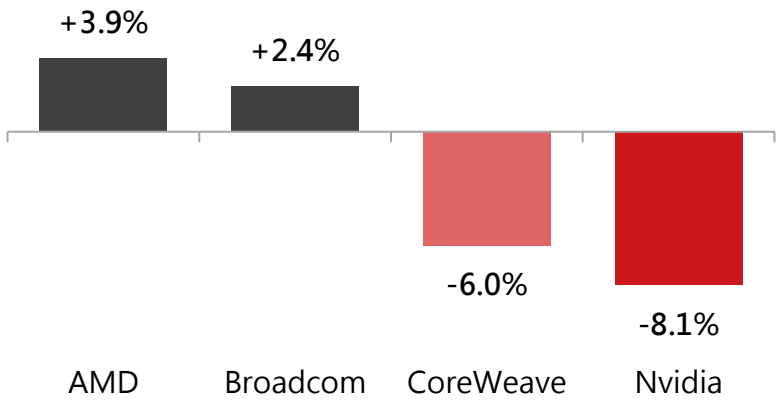
11/12早盤；Kalshi同時點：Buck 36%、Kress 27%、Haas 10%；網傳前蘋果執行長Tim Cook人選屬未證實傳聞

我們的看法 輝達董事會尚未公布黃仁勳去留決議，現任財務長Colette Kress被視為臨時執行長熱門人選，惟市場更關注長期技術路線圖的主導權，Baird則認為外部接班人選可能性較高。考量輝達採高度集中的扁平化管理架構。輝達扁平化管理（約60名高階主管直接向黃仁勳匯報）使權力高度集中，任何更替都意味決策速度下降，估值須反映關鍵人物折價，**股價在調查結論與接班明朗前恐維持區間整理。**

資料來源：Bloomberg、WSJ、NYT、Reuters、CNBC、Polymarket、Kalshi、資料時間2026/11

產業影響：資金在AI晶片內部輪動，晶片訂單多元化趨勢有望加速

11/11 盤後股價反應



11/11費半指數大漲5.66%、AMD漲7.32%；盤後消息一出，資金轉向AMD與博通，CoreWeave盤中大漲24.7%後盤後回吐漲幅

受影響族群評估

相對受益	AMD、博通	AMD Instinct/Helios為最直接替代方案；博通受惠雲端業者加速分散至自研ASIC
相對受益	ASIC供應鏈	Google TPU算力市占於2Q26升至近兩年高點；CSP加速推動算力多元化，台廠ASIC受惠自研晶片需求提升及潛在訂單轉移
中性	台積電	晶圓代工不分設計廠，AI晶片市占重分配不改變先進製程與CoWoS總需求；真正風險為出口管制收緊
中性	HBM記憶體	SK海力士、三星、美光同時供應GPU與ASIC，總需求不隨設計廠更替改變；惟輝達為最大客戶，決策延遲恐影響拉貨節奏
分化	台系ODM	同時承接AMD Helios與Helion者具備較高訂單調整彈性，有望降低單一GPU供應商的營運風險；高度集中輝達平台者承壓
相對受壓	NeoCloud	CoreWeave、Nebius、Nscale兼具輝達股東、供應商與擔保人三重關係；Nvidia若因管理層變動調整投資、採購或融資支持，或衝擊營收成長、資金取得及估值
政策變數	出口管制	共和黨失去國會多數，新國會可能推動更嚴格對中晶片管制；H200對中出貨政策面臨重審

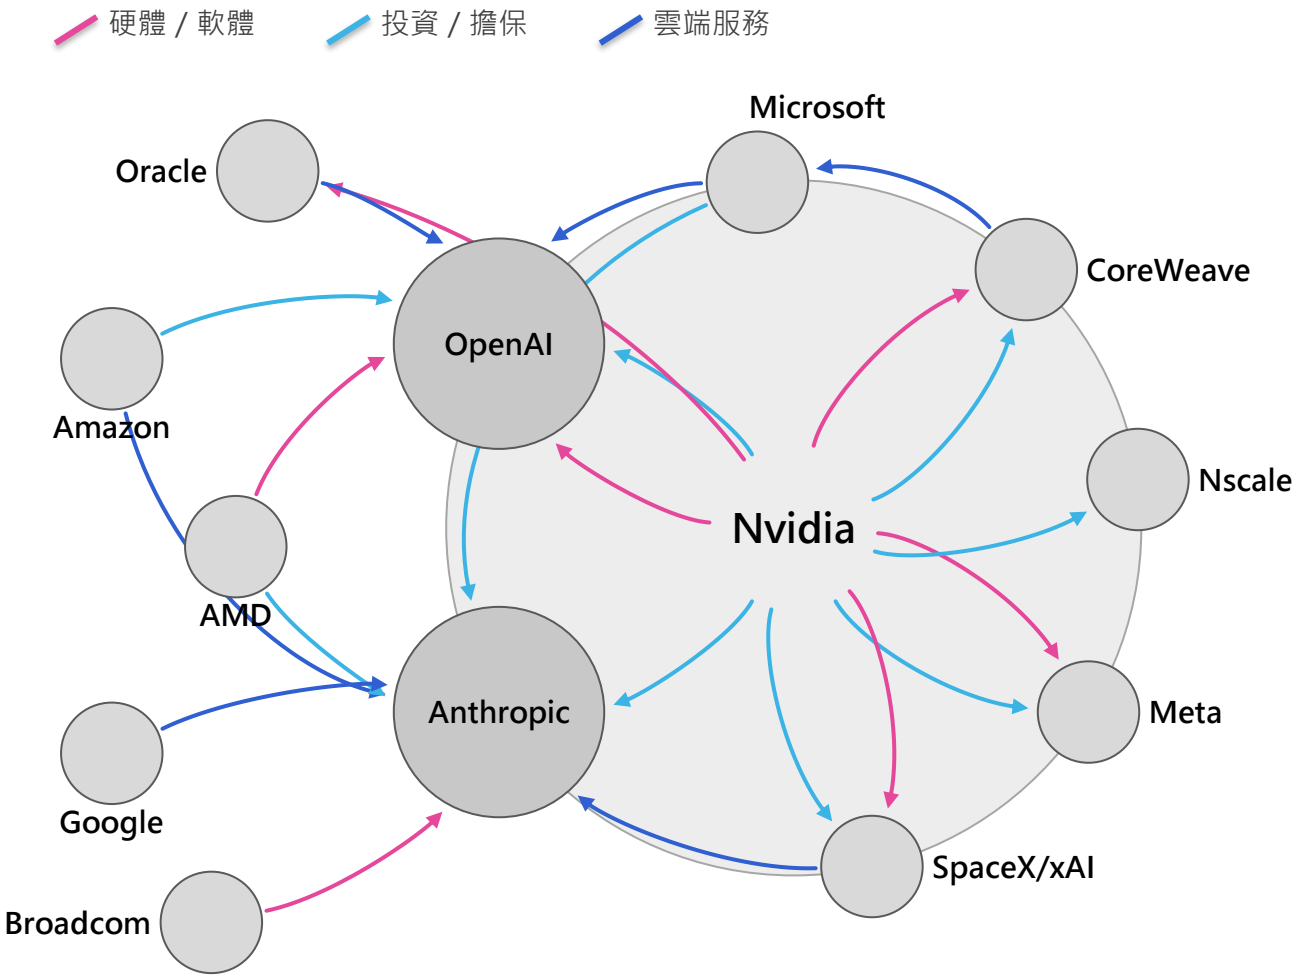
外資觀點彙整

機構	評等 / 動作	核心論點
Baird	降至中立；TP 500→200美元	CEO更替機率升高且外部人選勝算較高；聯邦調查與財務影響量化前，股價最多區間整理
Morgan Stanley	移出首選；維持加碼、TP 300美元不變	黃仁勳的領導對公司策略方向至關重要，短期不確定性將延續
Bernstein	降至中立；TP 400→200美元	「黃仁勳就是輝達」；董事會調查與晶片轉運執法審查不論其去留都將持續
BofA	維持買進；TP 350 不變，移出首選	同步將輝達、美光與科林研發三家半導體大廠移出首選清單，對整體半導體產業短線漲幅與估值波動的調整

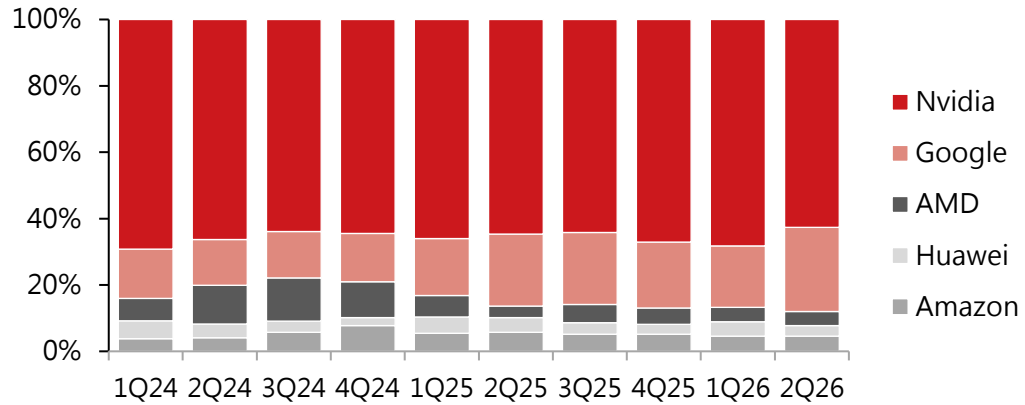
資料來源：Reuters、CNBC、Bloomberg、Business Insider、Bernstein、BofA。資料時間：2026/11

潛在風險：Nvidia融資支持面臨變數，AI算力多元化降低單一供應商風險

AI循環交易網絡



AI晶片算力市占率（%）



輝達份額於2Q26降至兩年低點，Google TPU份額創高，AMD自2024年高點回落；接班不確定性恐加速雲端業者轉向自研ASIC。

Nvidia CEO更替對循環網絡的含義

- **或有負債集中：**輝達對AI雲端夥伴算力回購承諾約$36B，租約與土地擔保合計約$108.5B，多由黃仁勳主導未來可能產生額外支出
- **資本配置或轉趨保守：**若新任CEO重新檢視融資支持，恐推升Neocloud融資成本，影響GPU採購
- **AI投資來源趨於多元：**Google、Amazon及AMD持續擴大AI布局，有望分散Nvidia管理層變動對產業的衝擊

資料來源：Bloomberg，Epoch AI，Nvidia 10-Q，Anthropic S-1，Reuters，台新投顧整理，資料時間2026/11

輝達CEO變動：恐影響自身競爭力，競爭對手有望得利

短期營運穩定

供應鏈架構無重大變化

長線競爭承壓

領導層變動削弱長期優勢

競爭對手受惠

AMD、博通、自研ASIC崛起

AI晶片廠商皆與台灣供應鏈配合

- NVIDIA (輝達)
- AMD / 博通
- 雲端大廠自研 ASIC

台灣AI供應鏈

共同核心製造夥伴

台廠基本面實質影響有限

所有競爭對手均高度依賴台廠代工與零組件，訂單僅在客戶間轉移。

短線股價受市場情緒壓抑

消息面不確定性引發資金觀望，短期股價表現恐面臨震盪整理。

資料來源：台新投顧整理

本夢比改變：市場擔憂AI伺服器規格升級速度會因此放緩，夢想股PE會下修

伺服器規格升級速度下調

迭代週期拉長：領導層變動使激進研發節奏趨緩

規格紅利收斂：新舊世代交替放緩，零組件單價成長受限

夢想股本益比 (PE) 下修

高估值面臨修正：缺乏持續技術突破支撐高本益比

資金回歸基本面：純題材概念股承壓，轉向實質獲利標的

驅動因子	基本面變化	市場評價結果
GPU / 伺服器升級減速	**新規格溢價空間縮小**	**高PE夢想股估值下修**

- 受領導層變動影響，AI 伺服器激進的研發節奏趨緩，規格迭代週期拉長。新舊世代交替放緩，使零組件單價成長與新規格溢價空間雙雙受限。
- 缺乏持續技術突破支撐高本益比，純題材夢想股的 PE 面臨下修壓力。

資料來源：台新投顧整理

台股策略：NV供應鏈短期受情緒衝擊，純AMD/ASIC供應鏈可望受惠

公司名稱	股票代碼	產業類別	2026E NV營收佔比
Gigabyte (技嘉)	2376.TW	ODM 伺服器	55–65%
Quanta (廣達)	2382.TW	ODM 伺服器	50–55%
KYEC (京元電子)	2449.TW	半導體測試	50–55%
AVC (奇鋐)	3017.TW	散熱 / 機殼	45–50%
FII (工業富聯)	601138.SS	ODM 伺服器	45–50%
Unimicron (欣興)	3037.TW	PCB / 載板	30–40%
Auras (雙鴻)	3324.TWO	散熱 / 機殼	30–40%
WinWay (穎崴)	6515.TW	半導體測試	35–40%
Chenbro (勤誠)	8210.TW	散熱 / 機殼	30–35%
EMC (台光電)	2383.TW	PCB / 載板	25–30%
Hon Hai (鴻海)	2317.TW	ODM 伺服器	25–30%
Wistron (緯創)	3231.TW	ODM 伺服器	25–30%
Hon Precision (鴻勁)	7769.TW	半導體測試	20–25%
Inventec (英業達)	2356.TW	ODM 伺服器	20%
Kinsus (景碩)	3189.TW	PCB / 載板	15%

- 與輝達CEO友好廠商，如：CoreWeave、Supermicro、技嘉等，其訂單被調整風險較高。
- AMD供應鏈中，營邦(3693)為其機櫃主要受惠者。
- ASIC供應鏈中，機構件基本上與輝達重複性高，故單純受惠者主要會在設計服務廠商，如創意(3443)、世芯-KY(3661)及聯發科(2454)。

Sales Trader Commentary: Squeezing the Shorts, Fading the Rallies; Navigating TAIEX Chaos Before Heading to the Vice City | GSTW

12 November 2026 | 3:15 PM Taiwan Standard Time

Robert Wang
Goldman Sachs (Asia) L.L.C. Taipei Branch
FICC & Equities

Post the historical open on 11/6/2026, we saw a jaw-dropping 14% climb from day-low last Friday. Finally took a breather (and a big one too) today; admittedly, I was writing a different narrative, but last hour fade in Taiwan has forced me to rewrite this (>1k points drop and picked up market turnover). So, where do we go from here? Check out below for my observation and investor feedback.

Key Investor Feedback and Takeaway

- **Sentiment**. Sentiment is still cautious among foreigners; a lot of HFs faced serious short squeeze from this rally. Yet, many are still reluctant to cover all their short positions given the new short sell restrictions. and hence held on to the pain trades. Interestingly, market still exhaust short sell quota almost every day. Additionally, there is **little conviction for a full-on rally and also low willingness to chase around here** given year-end. Overall, HFs have de-grossed much, one of the most aggressive de-gross per GS prime book data. Key focus will be whether LOs are willing to participate and to what extent will they add back the positions. Only then, we will likely see a more sustainable rally further from here. Bottom line: are we out of the woods? Not yet. Cautious optimism is perhaps the most positive thing I can say for now.
- **Positioning**. Foreigners have net sold for 10 straight sessions, totaling around US$25.4bn. Most outflows are in TSMC but worth noting that we finally saw TSMC net buy for the first time since 2 weeks yesterday. On the other hand, local funds have been good size net buyers to absorb the foreign outflows, mainly from retail's mutual fund subscription. Just regurgitating some of my berg blurbs from the past few days, we still see lots of short interest in crowded long sectors, most in ABF/CCL (i.e. NY Plastics) followed by CPO names; and most smid cap outperformance was driven by short covering. The overly sold names saw little attention and minimum desire to bottom fish (i.e. Delta, Chroma, KYEC). On a brighter note, we also picked up some real money inflows into TSMC this week, but I don't know whether it's enough to turn the tide. The more convicted long right now for foreigners is still ASE in my opinion.
- **Retail**. This is perhaps the most important factor now in Taiwan. Coupled with the sentiment boost from National Stabilization Fund, many retail decided to hold instead of cutting loss and even bought into the dip. For those retail that were facing margin call during this correction, some were eventually saved by the market rally. Cleaner positioning for sure, though perhaps not clean enough to fuel another

10% climb in index. Per my local investor feedback, the smart pundits actually many have missed out on this rally (of course they've also de-grossed much ahead). Margin loan balance and maintenance ratio are two key data that I will follow closely in the coming weeks.

- **Fundamentals**. Fundamentals are still good with most company reporting record high quarterly earnings. Monthly revenue also grew MoM. But stock trading is all about forward looking. People are anticipating AI capex growth to slow down or even plateau in the coming 2 years. Quanta (2382 TT) earnings call yesterday validated this narrative - still high growth in 2027 but unlikely to see another triple-digits rapid growth like 2026. Earnings outlooks probably matter less than positioning and macro backdrop. With that, we will conclude most of our 3Q26 earnings this week with Hon Hai (2317 TT) as the main finale.
- **Liquidity Event**: MSCI just published their quarterly review, and NYPCB (8046 TT) and TUC (6274 TT) will be added into the index, while Lotes (3533 TT), Chailease (5871 TT), Wan Hai (2615 TT), an E-Ink (8069 TT) will be removed. Kinsus (3189 TT) did not get added due to its disposition status. See below and this report for our flows estimate.
- **Risk**. Risk reward level here is not attractive, especially when the rebound came so aggressively. Momentum to sustain the rally is not constructive, so investors should be cautious of more volatility and further unwind (if there's anything to be unwound). Jensen and Nvidia's headlines are certainly not helping, though I did see some funny memes on the social media. Credit is another risk here; neoclouds top line is +ve but let's not forget at what cost are these companies carving those revenue from. Otherwise, market seems to process the macro prints well, with now expecting a rate hike in Dec'26 and Mar'27. Last but not least, cross-strait tension can be a focus next during Trump-Xi meeting at the APEC Summit next week. I know the Taiwanese has been (probably will be) indifferent and just another BAU, but anything assertively negative comment on Taiwan might fret the macro traders, such as Xi's comment just now.
- **My View**. **Not a BEAR so far**. I do not think the market is broken, but I acknowledge the downside risk has risen again and enlarged as I respect the technicals. That said, I am still excited about next week, even though we have fewer fundamental catalysts now. In the US, Nvidia is set to report next week. A lighter book might fare better in today's environment. To end on a fun personal note, GTA VI will finally come out after 13 years of waiting. So if you can't find me on Bloomberg, try looking for me in the Vice City.

You may obtain information about SIPC, including the SIPC brochure, by contacting SIPC (website: http://www.sipc.org/;phone: 202-371-8300). GSI, which is authorised by the Prudential Regulation Authority ("PRA") and regulated by the Financial Conduct Authority ("FCA") and the PRA, has approved this material in connection with its distribution in the United Kingdom. GSI, whose registered office is at Plumtree Court, 25 Shoe Lane, London EC4A 4AU, appears in the FCA's Register (Registration No.: 142888). GSI is registered as a Private Unlimited Company in England and Wales (Company Number: 2263951) and its VAT registration number is GB 447 2649 28. GSI is subject to the FCA and PRA rules and guidance, details of which can be found on the websites of the FCA and PRA at www.fca.org.uk and www.bankofengland.co.uk/pra.The FCA is located at 12 Endeavour Square, London E20 1JN, and the PRA is located at Bank of England, 20 Moorgate, London EC2R 6DA. GSBE is a credit institution incorporated in Germany and, within the Single Supervisory Mechanism established between those Member States of the European Union whose official currency is the Euro, subject to direct prudential supervision by the European Central Bank and in other respects supervised by German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, BaFin) and Deutsche Bundesbank. Unless governing law permits otherwise, you must contact a Goldman Sachs entity in your home jurisdiction if you want to use our services in effecting a transaction in the securities mentioned in this material. This material is not for distribution to retail clients, as that term is defined under The European Union Markets in Financial Instruments Directive(2014/65/EU) (including as implemented in the United Kingdom), and any investments, including derivatives, mentioned in this material will not be made available by us to any such retail client.

Reproduction and Re-Distribution: Without our prior written consent, no part of this material may be (i) copied, photocopied or duplicated in any form by any means or (ii) redistributed. Notwithstanding anything herein to the contrary, and except as required to enable compliance with applicable securities law, you (and each of your employees, representatives and other agents) may disclose to any and all persons the U.S. federal income and state tax treatment and tax structure of the transaction and all materials of any kind (including tax opinions and other tax analyses) that are provided to you relating to such tax treatment and tax structure, without Goldman Sachs imposing any limitation of any kind.

Information Not for Further Dissemination: To the extent this communication contains Goldman Sachs' pricing information, such pricing information is proprietary and/or confidential and is provided solely for the internal use of the intended recipient(s). You are notified that any unauthorized use, dissemination, distribution or copying of this communication or its contents, including pricing information, in whole or in part, is strictly prohibited. Further, unless prohibited by local law, any use, review or acceptance of this information is subject to and manifests your agreement with Goldman Sachs to use such information only in accordance with the terms set forth above. Goldman Sachs has caused its proprietary information to be delivered to you in reliance upon such agreement.

Not a Valuation: Values herein are not customer valuations and should not be used in lieu of a customer valuation statement or account statement. These values may not reflect the value of the positions carried on the books and records of Goldman Sachs or its affiliates and should not be relied upon for the maintenance of your books and records or for any tax, accounting, legal or other purposes. The information provided herein does not supersede any customer statements, confirmations or other similar notifications.

Receipt of Orders: An order sent to Goldman Sachs by email or instant message is not deemed to be received by Goldman Sachs until a Goldman Sachs representative verifies the order details with a phone call to the client or acknowledges receipt of the order via email or instant message to the client. Goldman Sachs does not accept client orders sent via fax or voicemail systems.

Indicative Terms/Pricing Levels: This material may contain indicative terms only, including but not limited to pricing levels. There is no representation that any transaction can or could have been effected at such terms or prices. Proposed terms and conditions are for discussion purposes only. Finalized terms and conditions are subject to further discussion and negotiation.

Special Risk Disclosure related to Exchange-Traded Funds ("ETFs") and Exchange-Traded Notes ("ETNs"): To the extent this communication contains information pertaining to ETFs or ETNs, consider the investment objectives, risks, and charges and expenses of the ETFs and ETNs carefully before investing. Each U.S. Registered ETF and ETN has filed a registration statement (including a prospectus) with the SEC which contains this and other information about the ETF or ETN as applicable. Before you invest in an ETF or ETN, you should obtain and read carefully the prospectus in the registration statement and other documents the issuer has filed with the SEC for more complete information about the product. You may get these documents for free by visiting EDGAR on the SEC website at www.sec.gov. Alternatively, you may obtain a copy of the prospectus for each of the ETFs and ETNs mentioned in these materials by (i)

contacting your Goldman Sachs sales representative, or (ii) sending a request by calling toll-free 1-866-471-2526, or (iii) sending a request by email to Prospectus-ny@ny.email.gs.com, by fax to (212) 902-9316, or by mail to Goldman Sachs, 200 West Street, NY, NY 10282, Attn: Prospectus Department. ETFs are redeemable only in Creation Unit size aggregations and may not be individually redeemed; are redeemable only through Authorized Participants; and are redeemable on an "in-kind" basis. The public trading price of a redeemable lot of the ETFs may be different from its net asset value. These ETFs can trade at a discount or premium to the net asset value. There is always a fundamental risk of declining stock prices, which can cause losses to your investment. Some leveraged and inverse ETFs and ETNs "reset" daily, meaning that they are designed to achieve their stated objectives on a daily basis. They will therefore realize each day a loss or a gain which is a multiple (for leveraged ETFs and ETNs) or the inverse (for inverse ETFs and ETNs) of the performance on that day of their underlying index or benchmark. For this reason, if they are held for a period longer than one day, their performance over such longer periods of time can differ significantly from the stated multiple of the performance (or the inverse of the performance) of their underlying index or benchmark during the same period of time. This effect can be magnified in volatile markets. Prior to entering into a transaction in leveraged or inverse ETFs, you should be aware of the general risks associated with such transactions. You should not enter into leveraged or inverse ETFs transactions unless you understand the nature and extent of your risk exposure. You should also be satisfied that the leveraged or inverse ETFs transaction is appropriate for you in light of your circumstances and financial condition. ETFs and ETNs that are linked to commodity futures do not offer direct exposure to the commodity's spot price, and may perform differently than the spot price for the commodity itself. Performance differential can be magnified if a specific condition persists in the market for a commodity that creates a disparity between near-term future prices and long-term future prices and may lead to unexpected performance results. Other factors, such as roll yield, transaction costs, management fees, and taxes may cause deviation in performance between the spot price of a commodity and commodity futures. You should not assume that an ETF or ETN that is linked to commodity futures will provide an effective hedge because of a negative correlation with equities or other asset classes. You should always be aware of the general risks associated with investing in the commodities market and the futures market before investing in an ETF or ETN that is linked to commodity futures.

Risk Disclosure Regarding futures, options, equity swaps, and other derivatives as well as non-investment-grade securities and ADRs: Please ensure that you have read and understood the current options, futures and security futures disclosure document before entering into any such transactions. Current United States listed options, futures and security futures disclosure documents are available from our sales representatives or at http://www.theocc.com/components/docs/riskstoc.pdf, http://www.goldmansachs.com/disclosures/risk-disclosure-for-futures.pdf and https://www.nfa.futures.org/investors/investor-resources/files/security-futures-disclosure.pdf, respectively. Certain transactions - including those involving futures, options, equity swaps, and other derivatives as well as non-investment-grade securities - give rise to substantial risk and are not available to nor suitable for all investors. If you have any questions about whether you are eligible to enter into these transactions with Goldman Sachs, please contact your sales representative. Foreign-currency-denominated securities are subject to fluctuations in exchange rates that could have an adverse effect on the value or price of, or income derived from, the investment. In addition, investors in securities such as ADRs, the values of which are influenced by foreign currencies, effectively assume currency risk.

Please refer to https://marquee.gs.com/studio/ for price information of corporate equity securities.

Notice to Australian Investors: When this document is disseminated in Australia by Goldman Sachs & Co. LLC ("GSCO"), Goldman Sachs International ("GSI"), Goldman Sachs (Asia) L.L.C. ("GSALLC"), or Goldman Sachs (Singapore) Pte ("GSSP") (collectively the "GS entities"), this document, and any access to it, is intended only for a person that has first satisfied the GS entities that:
▪ the person is a Sophisticated or Professional Investor for the purposes of section 708 of the Corporations Act of Australia; and
▪ the person is a wholesale client for the purpose of section 761G of the Corporations Act of Australia.
To the extent that the GS entities are providing a financial service in Australia, the GS entities are each exempt from the requirement to hold an Australian financial services licence for the financial services they provide in Australia. Each of the GS entities are regulated by a foreign regulator under foreign laws which differ from Australian laws, specifically:
▪ GSCO is regulated by the US Securities and Exchange Commission under US laws;
▪ GSI is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority, under UK laws;
▪ GSALLC is regulated by the Hong Kong Securities and Futures Commission under Hong Kong laws; and
▪ GSSP is regulated by the Monetary Authority of Singapore under Singapore laws.

Notice to Brazilian Investors

Marquee is not meant for the general public in Brazil. The services or products provided by or through Marquee, at any time, may not be offered or sold to the general public in Brazil. You have received a password granting access to Marquee exclusively due to your existing relationship with a GS business located in Brazil. The selection and engagement with any of the offered services or products through Marquee, at any time, will be carried out directly by you. Before acting to implement any chosen service or products, provided by or through Marquee you should consider, at your sole discretion, whether it is suitable for your particular circumstances and, if necessary, seek professional advice. Any steps necessary in order to implement the chosen service or product, including but not limited to remittance of funds, shall be carried out at your discretion. Accordingly, such services and products have not been and will not be publicly issued, placed, distributed, offered or negotiated in the Brazilian capital markets and, as a result, they have not been and will not be registered with the Brazilian Securities and Exchange Commission (Comissão de Valores Mobiliários), nor have they been submitted to the foregoing agency for approval. Documents relating to such services or products, as well as the information contained therein, may

not be supplied to the general public in Brazil, as the offering of such services or products is not a public offering in Brazil, nor used in connection with any offer for subscription or sale of securities to the general public in Brazil.

The offer of any securities mentioned in this message may not be made to the general public in Brazil. Accordingly, any such securities have not been nor will they be registered with the Brazilian Securities and Exchange Commission (Comissão de Valores Mobiliários) nor has any offer been submitted to the foregoing agency for approval. Documents relating to the offer, as well as the information contained therein, may not be supplied to the public in Brazil, as the offer is not a public offering of securities in Brazil. These terms will apply on every access to Marquee.

Notice to Mexican Investors: Information contained herein is not meant for the general public in Mexico. The services or products provided by or through Goldman Sachs Mexico, Casa de Bolsa, S.A. de C.V. (GS Mexico) may not be offered or sold to the general public in Mexico. You have received information herein exclusively due to your existing relationship with a GS Mexico or any other Goldman Sachs business. The selection and engagement with any of the offered services or products through GS Mexico will be carried out directly by you at your own risk. Before acting to implement any chosen service or product provided by or through GS Mexico you should consider, at your sole discretion, whether it is suitable for your particular circumstances and, if necessary, seek professional advice. Information contained herein related to GS Mexico services or products, as well as any other information, shall not be considered as a product coming from research, nor it contains any recommendation to invest, not to invest, hold or sell any security and may not be supplied to the general public in Mexico.

Notice to New Zealand Investors: When this document is disseminated in New Zealand by Goldman Sachs & Co. LLC ("GSCO") , Goldman Sachs International ("GSI"), Goldman Sachs (Asia) L.L.C. ("GSALLC") or Goldman Sachs (Singapore) Pte ("GSSP") (collectively the "GS entities"), this document, and any access to it, is intended only for a person that has first satisfied; the GS entities that the person is someone:
(i) who is an investment business within the meaning of clause 37 of Schedule 1 of the Financial Markets Conduct Act 2013 (New Zealand) (the "FMC Act");
(ii) who meets the investment activity criteria specified in clause 38 of Schedule 1 of the FMC Act;
(iii) who is large within the meaning of clause 39 of Schedule 1 of the FMC Act; or
(iv) is a government agency within the meaning of clause 40 of Schedule 1 of the FMC Act.
No offer to acquire the interests is being made to you in this document. Any offer will only be made in circumstances where disclosure is not required under the Financial Markets Conducts Act 2013 or the Financial Markets Conduct Regulations 2014.

Notice to Swiss Investors: This is marketing material for financial instruments or services. The information contained in this material is for general informational purposes only and does not constitute an offer, solicitation, invitation or recommendation to buy or sell any financial instruments or to provide any investment advice or service of any kind.

Not all services or products can be made available in Taiwan. Any particular offer of securities may not have been and may not be registered with the Securities and Futures Bureau, Financial Supervisory Commission of Taiwan pursuant to relevant securities laws and regulations and may therefore not be capable of being sold or publicly offered in Taiwan. The Goldman Sachs companies involved in any such promotion may not maintain any licenses, authorisations or registrations in Taiwan. Therefore, for such securities, any subscriptions into the securities must be received in a currency foreign to, and to an account offshore, Taiwan. Any issue of such securities will not take effect until a valid subscription is received and accepted in accordance with the offering materials, outside Taiwan.

Notice to Investors in Korea: Marquee is made available in Korea by Goldman Sachs (Asia) L.L.C. Seoul Branch.

Please note that none of Goldman Sachs and its affiliates ("Goldman Sachs"), that provides material and information or enters or will enter into the relevant transactions, maintains any licenses, authorisations or registrations in Thailand nor is any of the material and information contained, or the relevant securities or products specified, herein approved or registered in Thailand. Interests in the relevant securities or products are not being offered or sold and may not be offered or sold in Thailand, except as permitted by the relevant laws and regulations. The attached information is intended to be read by the addressee and has been provided at your request for information purposes only and must not be copied or redistributed to any other person without the prior consent of Goldman Sachs and in no way constitutes an offer, solicitation, advertisement or advice of, or in relation to, the relevant securities or products by Goldman Sachs in Thailand.

The information contained in this document does not constitute, and is not intended to constitute, a public offer of securities in the United Arab Emirates in accordance with the Commercial Companies Law (Federal Law no. 2 of 2015), ESCA Board of Directors' Decision no. (9/r.m.) of 2016, ESCA Chairman Decision no 3/r.m. of 2017 concerning promoting and introducing regulations or otherwise under the laws of the United Arab Emirates. Accordingly, the interests in the securities may not be offered to the public in the UAE (including the Dubai International Financial Centre and the Abu Dhabi Global Market). This document has not been approved by, or filed with the Central Bank of the United Arab Emirates, the Securities and Commodities Authority, the Dubai Financial Services Authority, the Financial Services Regulatory Authority or any other relevant licensing authorities in the United Arab Emirates. If you do not understand the contents of this document, you should consult with a financial advisor. This document is provided to the recipient only and should not be provided to or relied on by any other person.

Inventec (2356.TW): Increasing contribution from AI server putting pressure on margin; Neutral

Inventec reported 3Q26 results on November 10th. 3Q OP was 3/14% below GSe/BBG consensus, while OPM was 1.6% in 3Q26, which was 0.1/0.3ppt lower than our estimates/BBG consensus. GM of 4.2% was lower than our estimates/BBG consensus by 0.2/0.4ppt on change in product mix (servers accounted for 50%+ of total revenue in 3Q26 vs. 46-50% in 2Q26). Total revenue was in line with GSe but 1% higher than consensus.

Going into 4Q26, we expect revenue to reach NT$266,950mn (-2% QoQ, +56% YoY), as we expect the solid YoY will be mainly driven by the server business. We expect GM to remain stable at 4.2% (flattish QoQ and -1.0ppt YoY). We continue to expect the company's revenue to expand on increasing contribution from the server business while GM remains under pressure.

Overall, we maintain our Neutral rating on Inventec with a new 12-m TP of NT$56 (from NT$61).

Earnings revision

We revise down our 2026 earnings estimates by 8% to factor in 3Q26 results (we revise up our 2026E revenue estimates by 1%). We revise down 2027/28E earnings estimates by 9%/8% to reflect product mix with higher contribution from the server business (we revise up our 2027/28E revenue estimates by 6/6%). We now expect the GM expansion to be slower due to the higher server business contribution that is margin dilutive, thus revise down GPM by 0.2/0.2/0.2ppt in 2026/27/28E.

Investment thesis and Valuation & Risks

Inventec is an ODM company focusing on the design and manufacturing of PCs, servers, and consumer electronics. While we like Inventec's solid position in the AI server ODM market, we are Neutral rated as we believe valuation already reflects near-term positives. We model Inventec earnings growth in 2026-28E to be driven by the commercial PC demand recovery and AI server ramp-up. We model AI servers to contribute more in 2026-28E. We see P/E valuation as fair at the current level compared to its peers and already reflects the solid growth in 2026-28E. Catalysts for further upside/downside would be its customers' demand on AI servers and general server demand outlook.

Valuation methodology: Our 12m TP of NT$56 is based on 14.2x 2027E P/E, which is the company's average P/E for the past 10 years.

Key upside/downside risks: (1) stronger-/weaker-than-expected PC market recovery; (2) faster-/slower-than-expected AI server ramp-up; and (3) stronger-/weaker-than-expected demand for general servers.

We, Chao Wang, Allen Chang and Al Wang, hereby certify that all of the views expressed in this report accurately reflect our personal views about the subject company or companies and its or their securities. We also certify that no part of our compensation was, is or will be, directly or indirectly, related to the specific recommendations or views expressed in this report.

Unless otherwise stated, the individuals listed on the cover page of this report are analysts in Goldman Sachs' Global Investment Research division.

Contributing Authors: Chao Wang Goldman Sachs (Asia) L.L.C., Taipei Branch, Allen Chang Goldman Sachs (Asia) L.L.C., Al Wang Goldman Sachs (Asia) L.L.C., Taipei Branch.

Unless otherwise stated, the individuals listed in the Contributing Authors disclosure of this report are analysts in Goldman Sachs' Global Investment Research division.

GS Factor Profile

The Goldman Sachs Factor Profile provides investment context for a stock by comparing key attributes to the market (i.e. our universe of rated stocks) and its sector peers. The four key attributes depicted are: Growth, Financial Returns, Multiple (e.g. valuation) and Integrated (a composite of Growth, Financial Returns and Multiple). Growth, Financial Returns and Multiple are calculated by using normalized ranks for specific metrics for each stock. The normalized ranks for the metrics are then averaged and converted into percentiles for the relevant attribute. The precise calculation of each metric may vary depending on the fiscal year, industry and region, but the standard approach is as follows:

Growth is based on a stock's forward-looking sales growth, EBITDA growth and EPS growth (for financial stocks, only EPS and sales growth), with a higher percentile indicating a higher growth company. **Financial Returns** is based on a stock's forward-looking ROE, ROCE and CROCI (for financial stocks, only ROE), with a higher percentile indicating a company with higher financial returns. **Multiple** is based on a stock's forward-looking P/E, P/B, price/dividend (P/D), EV/EBITDA, EV/FCF and EV/Debt Adjusted Cash Flow (DACF) (for financial stocks, only P/E, P/B and P/D), with a higher percentile indicating a stock trading at a higher multiple. The **Integrated** percentile is calculated as the average of the Growth percentile, Financial Returns percentile and (100% - Multiple percentile).

Financial Returns and Multiple use the Goldman Sachs analyst forecasts at the fiscal year-end at least three quarters in the future. Growth uses inputs for the fiscal year at least seven quarters in the future compared with the year at least three quarters in the future (on a per-share basis for all metrics).

For a more detailed description of how we calculate the GS Factor Profile, please contact your GS representative.

M&A Rank

Across our global coverage, we examine stocks using an M&A framework, considering both qualitative factors and quantitative factors (which may vary across sectors and regions) to incorporate the potential that certain companies could be acquired. We then assign a M&A rank as a means of scoring companies under our rated coverage from 1 to 3, with 1 representing high (30%-50%) probability of the company becoming an acquisition target, 2 representing medium (15%-30%) probability and 3 representing low (0%-15%) probability. For companies ranked 1 or 2, in line with our standard departmental guidelines we incorporate an M&A component into our target price. M&A rank of 3 is considered immaterial and therefore does not factor into our price target, and may or may not be discussed in research.

Quantum

Quantum is Goldman Sachs' proprietary database providing access to detailed financial statement histories, forecasts and ratios. It can be used for in-depth analysis of a single company, or to make comparisons between companies in different sectors and markets.

Disclosures

The rating(s) for Inventec is/are relative to the other companies in its/their coverage universe: AVC, AWSC, Airtac International Group, Asus, Auras, Chenbro, Co-Tech Development Corp., Compal, Delta Electronics, E Ink, Elite Material, Fositek, GCE, Gigabyte, HTC Corp., Hiwin Corp., ITEQ Corp, Inventec, Kinsus, Lotes, NYPCB, Pegatron, Quanta, Shengyi Tech, Shennan Circuits, Taiwan Union Technology Corp., Unimicron Technology, Victory Giant, WNC, WUS, Win Semiconductors Corp., Yageo Corp., Zhen Ding Technology Holding

Company-specific regulatory disclosures

The following disclosures relate to relationships between The Goldman Sachs Group, Inc. (with its affiliates, "Goldman Sachs") and companies covered by Goldman Sachs Global Investment Research and referred to in this research.

There are no company-specific disclosures for: Inventec (NT$51.20)

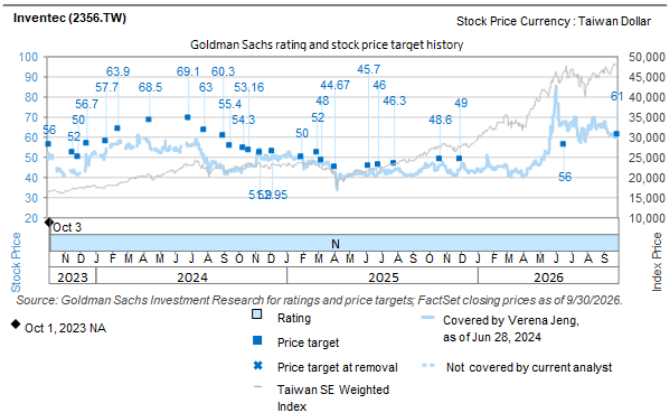
Distribution of ratings/investment banking relationships

Goldman Sachs Investment Research global Equity coverage universe

	Rating Distribution			Investment Banking Relationships		
	Buy	Hold	Sell	Buy	Hold	Sell
Global	50%	34%	16%	65%	58%	43%

As of October 1, 2026, Goldman Sachs Global Investment Research had investment ratings on 3,094 equity securities. Goldman Sachs assigns stocks as Buys and Sells on various regional Investment Lists; stocks not so assigned are deemed Neutral. Such assignments equate to Buy, Hold and Sell for the purposes of the above disclosure required by the FINRA Rules. See 'Ratings, Coverage universe and related definitions' below. The Investment Banking Relationships chart reflects the percentage of subject companies within each rating category for whom Goldman Sachs has provided investment banking services within the previous twelve months.

Price target and rating history chart(s)



The price targets shown should be considered in the context of all prior published Goldman Sachs research, which may or may not have included price targets, as well as developments relating to the company, its industry and financial markets.

Regulatory disclosures

Disclosures required by United States laws and regulations

See company-specific regulatory disclosures above for any of the following disclosures required as to companies referred to in this report: manager or co-manager in a pending transaction; 1% or other ownership; compensation for certain services; types of client relationships; managed/co-managed public offerings in prior periods; directorships; registered market maker. Goldman Sachs trades or may trade as a principal in debt securities (or in related derivatives) of issuers discussed in this report.

The following are additional required disclosures: **Ownership and material conflicts of interest:** Goldman Sachs policy prohibits its analysts, professionals reporting to analysts and members of their households from owning securities of any company in the analyst's area of coverage. **Analyst compensation:** Analysts are paid in part based on the profitability of Goldman Sachs, which includes investment banking revenues. **Analyst as officer or director:** Goldman Sachs policy generally prohibits its analysts, persons reporting to analysts or members of their households from serving as an officer, director or advisor of any company in the analyst's area of coverage. **Non-U.S. Analysts:** Non-U.S. analysts may not be associated persons of Goldman Sachs & Co. LLC and therefore may not be subject to FINRA Rule 2241 or FINRA Rule 2242 restrictions on communications with a subject company, public appearances and trading in securities covered by the analysts.

Additional disclosures required under the laws and regulations of jurisdictions other than the United States

The following disclosures are those required by the jurisdiction indicated, except to the extent already made above pursuant to United States laws and regulations. **Australia:** Goldman Sachs Australia Pty Ltd and its affiliates are not authorised deposit-taking institutions (as that term is defined in the Banking Act 1959 (Cth)) in Australia and do not provide banking services, nor carry on a banking business, in Australia. This research, and any access to it, is intended only for "wholesale clients" within the meaning of the Australian Corporations Act, unless otherwise agreed by Goldman Sachs. In producing research reports, members of Global Investment Research of Goldman Sachs Australia may attend site visits and other meetings hosted by the companies and other entities which are the subject of its research reports. In some instances the costs of such site visits or meetings may be met in part or in whole by the issuers concerned if Goldman Sachs Australia considers it is appropriate and reasonable in the specific circumstances relating to the site visit or meeting. To the extent that the contents of this document contains any financial product advice, it is general advice only and has been prepared by Goldman Sachs without taking into account a client's objectives, financial situation or needs. A client should, before acting on any such advice, consider the appropriateness of the advice having regard to the client's own objectives, financial situation and needs. A copy of certain Goldman Sachs Australia and New Zealand disclosure of interests and a copy of Goldman Sachs' Australian Sell-Side Research Independence Policy Statement are available at: https://www.goldmansachs.com/disclosures/australia-new-zealand/index.html. **Brazil:** Disclosure information in relation to CVM Resolution n. 20 is available at https://www.gs.com/worldwide/brazil/area/gir/index.html. Where applicable, the Brazil-registered analyst primarily responsible for the content of this research report, as defined in Article 20 of CVM Resolution n. 20, is the first author named at the beginning of this report, unless indicated otherwise at the end of the text. **Canada:** This information is being provided to you for information purposes only and is not, and under no circumstances should be construed as, an advertisement, offering or solicitation by Goldman Sachs & Co. LLC for purchasers of securities in Canada to trade in any Canadian security. Goldman Sachs & Co. LLC is not registered as a dealer in any jurisdiction in Canada under applicable Canadian securities laws and generally is not permitted to trade in Canadian securities and may be prohibited from selling certain securities and products in certain jurisdictions in Canada. If you wish to trade in any Canadian securities or other products in Canada please contact Goldman Sachs Canada Inc., an affiliate of The Goldman Sachs Group Inc., or another registered Canadian dealer. **Hong Kong:** Further information on the securities of covered companies referred to in this research may be obtained on request from Goldman Sachs (Asia) L.L.C. **India:** Further information on the subject company or companies referred to in this research may be obtained from Goldman Sachs (India) Securities Private Limited, Research Analyst - SEBI Registration Number INH000001493, 10th Floor, Ascent-Worli, Sudam Kalu Ahire Marg, Worli, Mumbai-400 025, India, Corporate Identity Number U74140MH2006FTC160634, Phone +91 22 6616 9000, Fax +91 22 6616 9001. Goldman Sachs may beneficially own 1% or more of the securities (as such term is defined in clause 2 (h) the Indian Securities Contracts (Regulation) Act, 1956) of the subject company or companies referred to in this research report. Registration granted by SEBI and certification from NISM in no way guarantee performance of the intermediary or provide any assurance of returns to investors. Goldman Sachs (India) Securities Private Limited compliance officer and investor grievance contact details, a copy of the annual compliance audit report and other relevant information and disclosures can be found at this link: https://www.goldmansachs.com/worldwide/india/research-analyst. **Japan:** See below. **Korea:** This research, and any access to it, is intended only for "professional investors" within the meaning of the Financial Services and Capital Markets Act, unless otherwise agreed by Goldman Sachs. Further information on the subject company or companies referred to in this research may be obtained from Goldman Sachs (Asia) L.L.C., Seoul Branch. **New Zealand:** Goldman Sachs New Zealand Limited and its affiliates are neither "registered banks" nor "deposit takers" (as defined in the Reserve Bank of New Zealand Act 1989) in New Zealand. This research, and any access to it, is intended for "wholesale clients" (as defined in the Financial Advisers Act 2008) unless otherwise agreed by Goldman Sachs. A copy of certain Goldman Sachs Australia and New Zealand disclosure of interests is available at: https://www.goldmansachs.com/disclosures/australia-new-zealand/index.html. **Russia:** Research reports distributed in the Russian Federation are not advertising as defined in the Russian legislation, but are information and analysis not having product promotion as their main purpose and do not provide appraisal within the meaning of the Russian legislation on appraisal activity. Research reports do not constitute a personalized investment recommendation as defined in Russian laws and regulations, are not addressed to a specific client, and are prepared without analyzing the financial circumstances, investment profiles or risk profiles of clients. Goldman Sachs assumes no responsibility for any investment decisions that may be taken by a client or any other person based on this research report. **Singapore:** Goldman Sachs (Singapore) Pte. (Company Number: 198602165W), which is regulated by the Monetary Authority of Singapore, accepts legal responsibility for this research, and should be contacted with respect to any matters arising from, or in connection with, this research. **Taiwan:** This material is for reference only and must not be reprinted without permission. Investors should carefully consider their own investment risk. Investment results are the responsibility of the individual investor. **United Kingdom:** Persons who would be categorized as retail clients in the United Kingdom, as such term is defined in the rules of the Financial Conduct Authority, should read this research in conjunction with prior Goldman Sachs research on the covered companies referred to herein and should refer to the risk warnings that have been sent to them by Goldman Sachs International. A copy of these risks warnings, and a glossary of certain financial terms used in this report, are available from Goldman Sachs International on request.

European Union and United Kingdom: Disclosure information in relation to Article 6 (2) of the European Commission Delegated Regulation (EU) (2016/958) supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council (including as that Delegated Regulation is implemented into United Kingdom domestic law and regulation following the United Kingdom's departure from the European Union and the European Economic Area) with regard to regulatory technical standards for the technical arrangements for objective presentation of investment recommendations or other information recommending or suggesting an investment strategy and for disclosure of particular interests or indications of conflicts of interest is available at https://www.gs.com/disclosures/europeanpolicy.html which states the European Policy for Managing Conflicts of Interest in Connection with Investment Research.

Japan: Goldman Sachs Japan Co., Ltd. is a Financial Instrument Dealer registered with the Kanto Financial Bureau under registration number Kinsho 69, and a member of Japan Securities Dealers Association, Financial Futures Association of Japan Type II Financial Instruments Firms Association, and Investment Management Association of Japan. Sales and purchase of equities are subject to commission pre-determined with clients plus consumption tax. See company-specific disclosures as to any applicable disclosures required by Japanese stock exchanges, the Japanese Securities Dealers Association or the Japanese Securities Finance Company.

Ratings, coverage universe and related definitions

Buy (B), Neutral (N), Sell (S) Analysts recommend stocks as Buys or Sells for inclusion on various regional Investment Lists. Being assigned a Buy or Sell on an Investment List is determined by a stock's total return potential relative to its coverage universe. Any stock not assigned as a Buy or a Sell on an Investment List with an active rating (i.e., a stock that is not Rating Suspended, Not Rated, Early-Stage Biotech, Coverage Suspended or Not Covered), is deemed Neutral. Each region manages Regional Conviction Lists, which are selected from Buy rated stocks on the respective region's Investment Lists and represent investment recommendations focused on the size of the total return potential and/or the likelihood of the realization of the return across their respective areas of coverage. The addition or removal of stocks from such Conviction Lists are managed by the Investment Review Committee or other designated committee in each respective region and do not represent a change in the analysts' investment rating for such stocks.

Total return potential represents the upside or downside differential between the current share price and the price target, including all paid or anticipated dividends, expected during the time horizon associated with the price target. Price targets are required for all covered stocks. The total return potential, price target and associated time horizon are stated in each report adding or reiterating an Investment List membership.

Coverage Universe: A list of all stocks in each coverage universe is available by primary analyst, stock and coverage universe at https://www.gs.com/research/hedge.html.

Not Rated (NR). The investment rating, target price and earnings estimates (where relevant) are removed pursuant to Goldman Sachs policy when Goldman Sachs is acting in an advisory capacity in a merger or in a strategic transaction involving this company, when there are legal, regulatory or

policy constraints due to Goldman Sachs' involvement in a transaction, and in certain other circumstances. **Early-Stage Biotech (ES).** An investment rating and a target price are not assigned pursuant to Goldman Sachs policy when this company has neither a drug, treatment or medical device that has passed a Phase II clinical trial nor a license to distribute a post-Phase II drug, treatment or medical device. **Rating Suspended (RS).** Goldman Sachs Research has suspended the investment rating and price target for this stock, because there is not a sufficient fundamental basis for determining an investment rating or target price. The previous investment rating and target price, if any, are no longer in effect for this stock and should not be relied upon. **Coverage Suspended (CS).** Goldman Sachs has suspended coverage of this company. **Not Covered (NC).** Goldman Sachs does not cover this company.

Global product; distributing entities

Goldman Sachs Global Investment Research produces and distributes research products for clients of Goldman Sachs on a global basis. Analysts based in Goldman Sachs offices around the world produce research on industries and companies, and research on macroeconomics, currencies, commodities and portfolio strategy. This research is disseminated in Australia by Goldman Sachs Australia Pty Ltd (ABN 21 006 797 897); in Brazil by Goldman Sachs do Brasil Corretora de Títulos e Valores Mobiliários S.A.; Public Communication Channel Goldman Sachs Brazil: 0800 727 5764 and / or contatogoldmanbrasil@gs.com. Available Weekdays (except holidays), from 9am to 6pm. Canal de Comunicação com o Público Goldman Sachs Brasil: 0800 727 5764 e/ou contatogoldmanbrasil@gs.com. Horário de funcionamento: segunda-feira à sexta-feira (exceto feriados), das 9h às 18h; in Canada by Goldman Sachs & Co. LLC; in Hong Kong by Goldman Sachs (Asia) L.L.C.; in India by Goldman Sachs (India) Securities Private Ltd.; in Japan by Goldman Sachs Japan Co., Ltd.; in the Republic of Korea by Goldman Sachs (Asia) L.L.C., Seoul Branch; in New Zealand by Goldman Sachs New Zealand Limited; in Russia by OOO Goldman Sachs; in Singapore by Goldman Sachs (Singapore) Pte. (Company Number: 198602165W); and in the United States of America by Goldman Sachs & Co. LLC. Goldman Sachs International has approved this research in connection with its distribution in the United Kingdom.

Goldman Sachs International ("GSI"), authorised by the Prudential Regulation Authority ("PRA") and regulated by the Financial Conduct Authority ("FCA") and the PRA, has approved this research in connection with its distribution in the United Kingdom.

European Economic Area: Goldman Sachs Bank Europe SE ("GSBE") is a credit institution incorporated in Germany and, within the Single Supervisory Mechanism, subject to direct prudential supervision by the European Central Bank and in other respects supervised by German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, BaFin) and Deutsche Bundesbank and disseminates research within the European Economic Area.

General disclosures

This research is for our clients only. Other than disclosures relating to Goldman Sachs, this research is based on current public information that we consider reliable, but we do not represent it is accurate or complete, and it should not be relied on as such. The information, opinions, estimates and forecasts contained herein are as of the date hereof and are subject to change without prior notification. We seek to update our research as appropriate, but various regulations may prevent us from doing so. Other than certain industry reports published on a periodic basis, the large majority of reports are published at irregular intervals as appropriate in the analyst's judgment.

Goldman Sachs conducts a global full-service, integrated investment banking, investment management, and brokerage business. We have investment banking and other business relationships with a substantial percentage of the companies covered by Global Investment Research. Goldman Sachs & Co. LLC, the United States broker dealer, is a member of SIPC (https://www.sipc.org).

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients and principal trading desks that reflect opinions that are contrary to the opinions expressed in this research. Our asset management area, principal trading desks and investing businesses may make investment decisions that are inconsistent with the recommendations or views expressed in this research.

The analysts named in this report may have from time to time discussed with our clients, including Goldman Sachs salespersons and traders, or may discuss in this report, trading strategies that reference catalysts or events that may have a near-term impact on the market price of the equity securities discussed in this report, which impact may be directionally counter to the analyst's published price target expectations for such stocks. Any such trading strategies are distinct from and do not affect the analyst's fundamental equity rating for such stocks, which rating reflects a stock's return potential relative to its coverage universe as described herein.

We and our affiliates, officers, directors, and employees will from time to time have long or short positions in, act as principal in, make a market or act as liquidity provider in, and buy or sell, any securities, derivatives, or other financial instruments referred to in this research (including any financial instruments issued by the companies referred to herein), unless otherwise prohibited by regulation or Goldman Sachs policy.

The views attributed to third party presenters at Goldman Sachs arranged conferences, including individuals from other parts of Goldman Sachs, do not necessarily reflect those of Global Investment Research and are not an official view of Goldman Sachs.

Any third party referenced herein, including any salespeople, traders and other professionals or members of their household, may have positions in the products mentioned that are inconsistent with the views expressed by analysts named in this report.

This research is not an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Clients should consider whether any advice or recommendation in this research is suitable for their particular circumstances and, if appropriate, seek professional advice, including tax advice. The price and value of investments referred to in this research and the income from them may fluctuate. Past performance is not a guide to future performance, future returns are not guaranteed, and a loss of original capital may occur. Fluctuations in exchange rates could have adverse effects on the value or price of, or income derived from, certain investments.

Certain transactions, including those involving futures, options, and other derivatives, give rise to substantial risk and are not suitable for all investors. Investors should review current options and futures disclosure documents which are available from Goldman Sachs sales representatives or at https://www.theocc.com/about/publications/character-risks.jsp and https://www.goldmansachs.com/disclosures/cftc_fcm_disclosures. Transaction costs may be significant in option strategies calling for multiple purchase and sales of options such as spreads. Supporting documentation will be supplied upon request.

Differing Levels of Service provided by Global Investment Research: The level and types of services provided to you by Goldman Sachs Global Investment Research may vary as compared to that provided to internal and other external clients of GS, depending on various factors including your individual preferences as to the frequency and manner of receiving communication, your risk profile and investment focus and perspective (e.g., marketwide, sector specific, long term, short term), the size and scope of your overall client relationship with GS, and legal and regulatory constraints. As an example, certain clients may request to receive notifications when research on specific securities is published, and certain clients may request that specific data underlying analysts' fundamental analysis available on our internal client websites be delivered to them electronically through data feeds or otherwise. No change to an analyst's fundamental research views (e.g., ratings, price targets, or material changes to earnings estimates for equity securities), will be communicated to any client prior to inclusion of such information in a research report broadly disseminated through electronic publication to our internal client websites or through other means, as necessary, to all clients who are entitled to receive such reports.

All research reports are disseminated and available to all clients simultaneously through electronic publication to our internal client websites. Not all research content is redistributed to our clients or available to third-party aggregators, nor is Goldman Sachs responsible for the redistribution of our research by third party aggregators. PCB 鑽針

大量 (3167 TT)

維持評等

買進(Buy)

多點開花，半導體強勁展望

- **高階出貨比重提升，4Q26 上修預估**
- **TM4 受終端客戶指定，背鑽市占持續提升**
- **半導體 B/B ratio 逾 2，明年爆發成長**

3Q26 獲利符合預期，4Q26 上修預估：大量 3Q26 營收 36.71 億元(QoQ+28.4%)，毛利率 50.2%(QoQ+6.0ppts)，EPS 9.94 元，獲利符合我們預期，主要受惠高階機台出貨比重提升。1~3Q26 高階 CCD 機種已出貨 1,189 台，出貨結構中高階機種占 72%，其中 TM 占 12%；目前尚未完全納入 TM4 開始出貨後的貢獻，3Q26 僅認列約 5 台。展望 4Q26，在 TM4 開始貢獻營收、外包 50 台產能開出，以及半導體業務營收及出貨量跳增下，我們預估 4Q26 營收 44.12 億元(QoQ+20.2%)，毛利率 54.8%(QoQ+4.7ppts)，EPS 13.59 元，較前次預估上修。

2027 年訂單能見度高，產品組合持續轉佳：展望 2027 年，高階機台已確認訂單達到 2026 年已出貨量的一半，並且洽談中的訂單更多；2H27 自有產能將額外擴增 100 台至 500 台，增加生產高階機台的空間，標準型機台則由外包產能支應。我們預估 2027 年高階機種(含 TM)出貨量占比將達 70%，其中 TM 出貨占比 7%，反應背鑽：TM 拉貨比重達到 5~4：1，帶動毛利率進一步上升至 2027/2028 年的 55.1%/56.0%。

半導體接單轉強，4Q26 起營收放量： 本次公司針對半導體業務給出更多指引，預期 4Q26 將是大量先進智能營收及出貨量大幅成長的起點。目前 B/B ratio 已達 2 以上，主要受 OSAT 廠加大投資驅動，1~3Q26 OSAT 客戶占機台比重已達 91%。且公司與美系 Tier 1 客戶合作開發 CPO OE die 一體化設備，已與客戶洽談導入時程，ASP 約為一般 on wafer 設備的 3~4 倍。我們預期半導體的成長動能將不亞於 PCB 部門。

終端客戶已開始要求板廠採用大量 TM4，且中/德系同業無法達到終端客戶要求的殘銅精度。我們認為，隨 PCB 規格持續升級，大量將透過 TM4 在背鑽領域持續提升市占率；加上 1.6T 光模組持續帶動 CCD 成型機需求，以及半導體業務放量，大量整體營運多點開花。我們上修 2026/2027/2028 年調整後 EPS 至 32.51/90.92/126.29 元；以 2027 年調整後 EPS 及 22 倍本益比推估，目標價維持 2,000 元，建議買進。

風險因子：TM 拉貨不如預期、同業競爭加劇。

AI 機櫃放量與 AI 代理驅動 2027 年的成長

- **3Q26 營收創新高，但高單價機櫃稀釋毛利率**
- **AI/通用伺服器雙成長帶動 2027 年伺服器營收佔比衝高**
- **積極推動高單價零組件轉向寄售模式以優化獲利結構**

結論：

廣達 3Q26 營收 1.1155 兆元(QoQ+7.6%，YoY+125.2%)，營收與毛利金額再創歷史新高。毛利率 4.75%(QoQ-0.27ppts，YoY-2.10ppts)，EPS 7.08 元。毛利率走低主要因為筆電材料成本上揚、出貨規模下滑，以及高單價 AI 伺服器比重拉高稀釋毛利率百分比。展望 4Q26 及 2027 年，新世代 GPU 伺服器機櫃陸續放量，加上 AI 代理帶動通用型伺服器需求同步強勁，公司預期 2027 年整體伺服器營收佔比將達 85%~90%，其中 AI 伺服器佔比可望超過八成。雖然高單價零組件佔比放大將使毛利率百分比持續收斂，但公司將透過爭取更多寄售模式（Consignment）與嚴控費用率，維持營業利益率穩定並持續擴大營業利益絕對金額。

3Q26 財報概況：

1. 營收 1.1155 兆元(QoQ+7.6%，YoY+125.2%)，再創歷史新高。
2. 營業毛利 530.2 億元(QoQ+1.8%，YoY+56.3%)，毛利率 4.75%(QoQ-0.27ppts，YoY-2.10ppts)。
3. 營業費用 208.2 億元，其中研發費用單季增加 30.8 億元(主要為 AI 伺服器新品開發)；營業利益 322.0 億元(QoQ-6.0%，YoY+75.3%)，營業利益率 2.89%(QoQ-0.41ppts，YoY-0.82ppts)。
4. 業外淨收入 26.8 億元(含淨匯兌收益 39.0 億元、淨利息費用 22.9 億元)。
5. 稅後歸屬母公司淨利 284.2 億元(QoQ-0.8%，YoY+73.0%)，淨利率 2.55%(QoQ-0.21ppts，YoY-0.77ppts)；受發行 GDR 稀釋股數影響，EPS 由上一季的 7.43 元降至 7.08 元。

1~3Q26 財報概況：

1. 營收 2.9614 兆元(YoY+99.4%)。
2. 營業毛利 1,438.0 億元(YoY+33.2%)，毛利率 4.86%(YoY-2.41ppts)。
3. 營業費用 543.3 億元；營業利益 894.72 億元(YoY+41.2%)，營業利益率 3.02%(YoY-1.25ppts)。
4. 稅後歸屬母公司淨利 782.66 億元(YoY+48.3%)，EPS 20.03 元，去年同期為 13.70 元。

營運概況：

1. 營收結構：前九月伺服器佔整體營收已穩定突破 80%，其中 AI 伺服器佔整體伺服器比重介於 75%~80%。
2. 筆電業務：3Q26 筆電出貨 960 萬台(QoQ-17%，YoY-24%)，主因 2H26 消費市場需求疲弱及記憶體等材料成本上揚。

3. 資產負債表與營運資金：3Q26 底應收帳款 9,318 億元(QoQ+21.7%)、存貨 8,561 億元(QoQ+8.3%)，主因新世代 GPU 機櫃將於 4Q26 小批量出貨而提前備料；受惠管理效率提升，現金周轉天數較去年同期大幅縮短逾兩週。

4. 資本效率：近四季股東權益報酬率首度達到 40%，投入資本回報率穩健維持在 20%以上。

營運展望：

1. 4Q26 展望：AI 伺服器受惠新產品機櫃單價大幅提升，營收維持強勁成長，但處於新舊產品轉換期，總出貨櫃數將較 3Q26 略減；通用型伺服器出貨維持強勁成長。筆電出貨預估將呈雙位數季減，全年筆電出貨預估年減 15%~20%。整體 4Q26 毛利率預期較 3Q26 略為下滑，營業利益率則以維持與 3Q26 持平為目標。

2. 2027 年展望：AI 伺服器與通用型伺服器皆維持雙位數年增率，伺服器總營收佔比將攀升至 85%~90%，其中 AI 伺服器佔比可望達 80%以上(全年貢獻總營收約 60%~65%為 2026 年水準，2027 年進一步放大)。筆電出貨預計隨產業呈 yoy 減高個位數至 10%以內，對總營收貢獻將首度降至個位數百分比。

3. 擴產進度與資本支出：撤銷友達華亞廠收購案，轉向海外據點加大投資，2028 年全球產能規劃不變。2026 年底 AI 產能較 2025 年底倍增目標可如期達成；3Q26 資本支出 128 億元，前九月累計 346 億元，美國加州與泰國廠佔總支出約 80%。預估 2027 年資本支出介於 400 億~450 億元，主要投入電力升級與高階冷卻測試設施(因新世代機櫃測試時間更長、耗電量大增)。

Q&A：

• Q1：CSP 客戶資本支出與訂單能見度是否受期中選舉或基建監管影響？若客戶遞延拉貨，庫存風險如何控管？

A：目前未見客戶調整明年訂單，主要 CSP 財報亦未縮減資本支出，AI 需求依然強勁。公司採接單生產(Build-to-Order)模式，因建廠與電力審批需 18~36 個月，客戶皆提供 12~24 個月的產能預留承諾，雙方互信與約束力高。在 Buy and Sell 模式下，客戶最終會買走在庫貨品，若發生短期遞延，相關利息與倉租費用亦由客戶承擔，庫存風險可控。

• Q2：3Q26 AI 伺服器出貨量略減的原因？何時會看到出貨量大幅放量？

A：3Q26 AI 伺服器營收仍是成長的，出貨櫃數略減純粹是新舊產品世代轉換(GB200/GB300 轉向 VR200)的時序問題，以及公司同時身為 First Source 與 Second Source 的拉貨節奏差異，並非特定產品需求轉弱。新世代平台將於 4Q26 開始小批量出貨，並逐步放量。

• Q3：新世代 AI 機櫃單價大幅提升對毛利率的影響？寄售模式(Consignment)的推進進度？

A：新世代機櫃(如 VR200 相較 GB300)的 ASP 幾乎翻倍，在 Buy and Sell 模式下，高單價關鍵零組件放大分母，必然稀釋毛利率百分比，因此公司呼籲市場關注「營業利益絕對金額的成長率優於營業費用成長率」。為緩解高單價對營運資金與毛利率的壓力，公司正積極與客戶洽談將最昂貴的零組件(如 GPU 及記憶體)轉為寄售模式，目前已有部分專案談成，預期 2027 年寄售比例將進一步提升，但現階段仍以 Buy and Sell 為主。

• Q4：明年 AI 伺服器中，非 NVIDIA(ASIC 與 AMD)的成長機會與佔比？

A：2026 年非 GPU(ASIC)佔 AI 伺服器營收仍小於 10%(接近高個位數)，2027 年將成長至雙位數佔比，且非 NVIDIA 解決方案明年將有雙位數的強勁成長。AMD 方面今年已有出貨，明年亦會持續出貨，各家 CSP 皆會採用作為多元解決方案之一，但整體主流仍以 NVIDIA GPU 方案(逐步過渡至 VR200 及 VR Ultra)為主。

• Q5：通用型伺服器 2H26 轉強並優於預期的原因？明年成長動能與架構分布？

A：主要受惠市場對 AI 代理(AI Agent)的需求爆發，帶動資料處理與一般運算伺服器的配套需求，與 AI 伺服器形成相輔相成的「雙子星」效應。預計 2027 年通用型伺服器無論在出貨量或營收上皆可維持雙位數成長；目前 x86 與 CSP 自研 ARM CPU 架構的需求皆同步增加，兩者毛利表現差異不大。

• Q6：供應鏈是否有長短料問題？明年記憶體價格對筆電的影響？

A：近期 AI 伺服器並未看到因明顯缺料導致出貨延遲的現象。至於筆電與消費性產品，明年記憶體價格預期維持高檔，若價格未回落，將持續對終端需求與獲利造成壓力，因此公司對 2027 年筆電出貨維持保守看法。

在手訂單逾 2,800 億元，2027 年營運成長可期

- **3Q26 營收年增 44.5%，智慧工廠成長動能強勁**
- **高毛利軟體服務占比提升，持續優化獲利結構**
- **半導體與 Physical AI 需求成長，Kontron 綜效逐步顯現**

3Q26 營收年增 44.5%，智慧工廠與廠務成長強勁：樺漢 3Q26 營收 485.8 億元(YoY +44.5%、QoQ +0.4%)，毛利率 19.5%，營益率 6.1%，EPS 7.81 元。三大事業群中，工業物聯網營收占 44%(YoY +30%)，受惠海外重點客戶及亞洲市場需求成長；智慧軟體與方案占 11%(YoY -10%)，受缺料影響；智慧工廠與廠務占 45%(YoY +91%)，受惠半導體先進製程及先進封裝需求。區域方面，美洲占 26%(YoY +71%)、中國占 10.1%(YoY +75%)，成長較為強勁。毛利率年減主要受智慧工廠營收占比提升及高毛利產品缺料影響，相關缺料影響營收約 24 億元，預期 4Q26 逐步改善。公司維持全年展望不變，獲利結構上半年佔 45%、下半年佔 55%。

在手訂單突破 2,800 億元，2027 年營運維持高成長：樺漢目前在手訂單超過 2,800 億元，B/B Ratio 1.3~1.35。智慧工廠與廠務受惠半導體擴廠及先進封裝需求，其中 CoWoS 相關業務毛利率超過 20%，帶動智慧工廠毛利率由過去 9%~10%提升至 13.2%；工業物聯網則受惠海外客戶及 Edge AI 需求成長。公司持續推動 Physical AI 商業化，規劃五年內將 25%的工程師投入相關研發，應用涵蓋智慧製造、能源基建、智慧交通及自主機器人等領域，展望 2027 年，管理層預期營收、毛利及淨利皆維持高成長。

Kontron 整合深化，軟體服務占比提升帶動獲利結構改善：樺漢對 Kontron 持股提升至 49.4%，預期未來三年整合可創造至少 4,000 萬歐元的利潤，相關綜效自 2027 年起逐步反映。Kontron70%營收來自歐洲，北美占比 10%~12%，未來將結合樺漢供應鏈及通路資源拓展北美與亞太市場。此外，公司持續推動 ESaaS 軟硬整合模式，目前智慧軟體與方案毛利率約 42%，長期目標 2031 年軟體及服務營收占比提升至約 24.5%，2030 年 ROE 達 20%以上。隨 Kontron 整合及高毛利軟體業務成長，中長期獲利結構有望持續改善。我們預估樺漢 2026/2027 年 EPS 分別為 27.81/30.62 元，給予「買進」評等，目標價 429 元(2027 年 EPSx14 倍)。 **風險因子:**記憶體及關鍵零件漲價。

新藥　　調降評等

藥華藥 (6446 TT)　增加持股(Overweight)

ET 與注射筆效益將逐步顯現，挹注中長期成長動能

- **3Q26 營收維持高速成長，然費用率高於預期**
- **ET 開始貢獻營收，既有銷售基礎有利加速滲透**
- **營收規模擴大將帶動費用率改善，竹北廠有望於 2027 年投產**

3Q26 費用率較市場預期高，然營業利益率仍站穩 40%：藥華藥 3Q26 營收 77.6 億元(QoQ+13%、YoY+99%)，受惠美國及日本市場 Ropeg 銷量持續成長、注射筆 7 月於美國上市及 CMS 調整挹注。毛利率 96.8%，較去年同期提升 5.2 個百分點，主要受惠美國和日本高毛利市場營收占比提升、美國 5 月調升藥價及匯率助益。營業利益率 40.3%，營業費用率 56.5%高於市場預期 47.7%，因認列約 4.7 億元員工認購庫藏股費用的非經常性因素影響，若排除此因素，費用率約 50.4%。受惠投資抵減，有效稅率約 10%，單季 EPS 達 7.08 元、YoY+97%。

ET 開始貢獻營收，既有銷售基礎有利加速滲透：Ropeg 之 ET 適應症已取得美國、日本、台灣和中國藥證，並自 9 月開始貢獻營收；美國及日本 ET 患者人數分別約 17 萬及 6.3 萬人，潛在市場規模高於美國 PV 的 16.3 萬人。相較 PV 上市初期，目前醫療團隊及社區醫院對 Ropeg 已有較高熟悉度，既有銷售基礎有利新品適應症導入，預期 ET 市場滲透及營收爬坡速度可望快於 PV 上市初期。此外，Ropeg 注射筆已於 7 月在美國上市並開始貢獻營收，初步醫病回饋良好，可望透過提升使用便利性，進一步改善用藥依從性及推升 Ropeg 市場滲透率。

營收規模擴大將帶動費用率改善，竹北廠有望於 2027 年投產：公司持續擴充全球商業化及研發團隊，使短期費用投入仍較高，惟伴隨 PV 及 ET 雙適應症帶動營收規模放大，公司預期 2027 年整體費用率有望朝 40%邁進，規模經濟效益可望逐步顯現；稅率方面，隨投資抵減額度逐步用罄，預期有效稅率將朝 20%的正常水準靠近。產能方面，竹北新廠目前持續進行內部工程及設備驗證準備，有望於 2027 年正式投產，波多黎各廠亦持續推進設備採購及法規申請，為後續全球市場拓展及新品放量預作產能準備。

評價：我們看好在既有 PV 銷售持續成長、ET 逐步放量及注射筆帶動下，2027 年營收將有望維持高速成長。然而考量短期缺少重大利多事件激勵，因此將本益比略下調至 35 倍，以 2027 年預估 EPS 計算，目標價 1,520 元，調降評等至增加持股。

風險因子：AOP 仲裁、ET 市場滲透速度、費用控管。

重點摘要

➢3Q26 獲利略低於投研部預估

公司 3Q26 營收 105.72 億元，YoY+9.7%，營收略低於投研部預估之 106.8 億元，主要係因成衣營收低於投研部預期所致，毛利率 31.18%，優於投研部預期，主要受惠高毛利率新產品及新客戶占比提升，且匯率亦有所助益(約影響毛利率 0.62 個百分點)，費用率因業績獎金提列較高而推升至 10.49%，營益率 20.69%，低於投研部預估之 21.24%，稅後 EPS 6.36 元，低於投研部預估之 6.57 元。

➢4Q26 展望正向，略為上修 4Q26 獲利預估

10/2026 營收 34 億元，YoY+10.7%，符合投研部預期，本次法說會管理層表示對 4Q26 營運維持 TITAS 2026 釋出之看法不變，4Q26 營收可望為年內高峰，上修 4Q26 營收預估至 105.99 億元，YoY+14.4%，毛利率因原料成本負面影響趨緩，公司高毛利率新產品及新客戶占比持續提升，毛利率同步上修至 31.05%，YoY+0.86ppt.，預估稅後淨利 17.25 億元，YoY+9%，稅後 EPS 上修至 6.29 元。目前訂單能見度維持 6 個月，展望正向，期中選舉民主黨勝選預期對關稅壁壘政策可望有所趨緩，且美伊戰爭亦可望有所緩解，市場不確定因素減少亦有利於整體經濟消費動能，印尼廠一期、二期目前維持穩定獲利且產能滿載，投研部上修 2026 年營收預估至 408.77 億元，YoY+7.6%，毛利率因新產品、新客戶營收占比持續提升，略為上修至 31.09%，YoY+2.45ppt.，稅後 EPS 上修至 24.99 元。

➢2027 年營運成長可期，評價處歷史區間低緣且殖利率逾 5%

公司目前始承接 04/2027 訂單，觀察美國總體經濟動能強勁，消費者支出可望維持韌性，惟考量公司現有廠區產能趨於滿載，目前僅以原有產能小規模擴充為主，投研部以過去幾年公司中性成長均值預估 2027 年營收 431.95 億元，YoY+5.7%，毛利率因 4Q27 印尼新廠投產而略為承壓，預估 2027 年毛利率 30.62%，YoY-0.47ppt.，營益率預估 20.74%，YoY+0.01ppt.，稅後 EPS 預估由 26.19 元略為上修至 26.31 元，投研部以現金股利配發率 74.63%預估，現金股利殖利率可望達 5.35%，且依未來四季合計稅後 EPS 估算目前評價仍處過往歷史區間低緣位置，長期投資價值浮現，投研部維持評價 PER 16X 並以未來四季稅後 EPS 估算目標價，目標價由 396 元上修至 416 元(4Q26~3Q27F PE 16X)，維持買進投資建議。

儒鴻為國內成衣廠龍頭

儒鴻成立於 1977 年，生產各式針織布及成衣，從染整、織布、定型、成衣，擁有垂直整合生產供應鏈，並切入機能性服飾市場，2025 年針織布營收 127.7 億元，YoY-2.3%，營收占比 33.61%，成衣營收 252.2 億元，YoY+6.2%，比重占 66.39%；營收區域別來看，2025 年美洲營收占比 50.87%，YoY+4.5%，亞洲營收占比 35.19%，YoY+2.6%，歐洲營收占比 10.29%，YoY+10.2%，中東營收占比 2.49%，YoY-17.5%，紐澳營收占比 0.85%。YoY+16.2%，非洲營收占比 0.31%。YoY-64.7%。

3Q26 獲利略低於投研部預估

公司 3Q26 營收 105.72 億元，QoQ+4.8%，YoY+9.7%，營收略低於投研部預估之 106.8 億元，主要係因成衣營收低於投研部預期所致，針織布營收則優於投研部預期，毛利率 31.18%，QoQ+1.17ppt.，YoY+2.52ppt.，優於投研部預估之 30.76%，主要受惠高毛利率新產品及新客戶占比提升，且匯率亦有所助益(約影響毛利率 0.62 個百分點)，費用率因業績獎金提列較高而推升至 10.49%，高於投研部預估之 9.53%，營益率 20.69%，QoQ+1.51ppt.，YoY+1.59ppt.，低於投研部預估之 21.24%，業外則有匯兌收入認列 1,327 萬元，稅後淨利 17.44 億元，QoQ+12.3%，YoY+5.6%，稅後 EPS 6.36 元，低於投研部預估之 6.57 元。

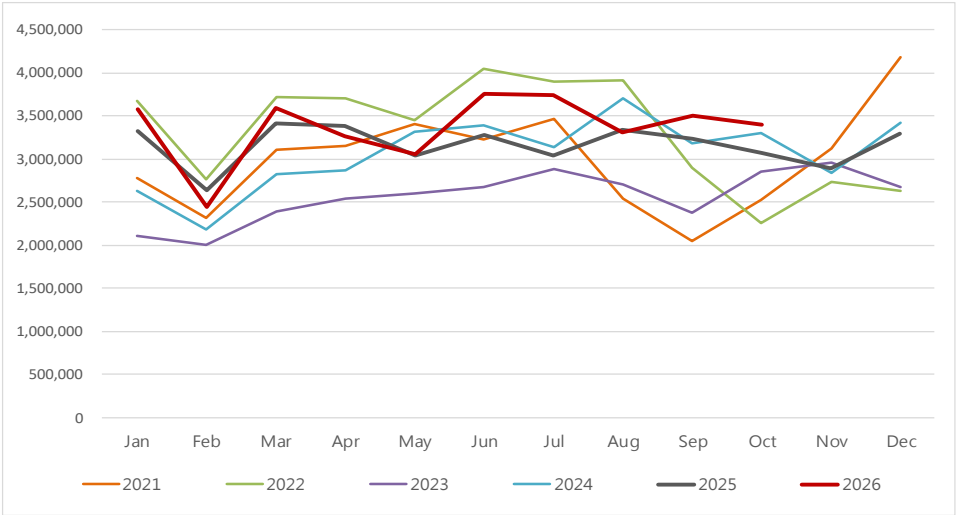
4Q26 展望正向，略為上修 4Q26 獲利預估

10/2026 營收 34 億元，MoM-3.1%，YoY+10.7%，YTD+5.9%，占投研部原預估 4Q26 營收達成率 33.4%，符合投研部預期，公司過去 10 月單月營收占 4Q26 營收占比區間介於 29.5%~34.2%，本次法說會管理層表示對 4Q26 營運維持台北紡織展(TITAS 2026)釋出之看法不變，以訂單來看，若出貨船期順利，則 4Q26 營收可望為年內高峰，基此，投研部上修 4Q26 營收預估至 105.99 億元，QoQ+0.3%，YoY+14.4%，毛利率因原料成本負面影響趨緩，公司高毛利率新產品及新客戶占比持續提升，毛利率亦同步上修至 31.05%，QoQ-0.14ppt.，YoY+0.86ppt.，並同步上修營益率至 20.33%，QoQ-0.36ppt.，YoY+1.17ppt.，預估稅後淨利 17.25 億元，QoQ-1.1%，YoY+9%，稅後 EPS 由 5.84 元略為上修至 6.29 元。

展望 2026 年，訂單能見度維持 2 個季度，訂單展望維持正向，公司表示目前訂單尚未因美國期中選舉結果出爐後而有所變動，然期中選舉民主黨勝選預期對關稅壁壘政策可望有所趨緩，且美伊戰爭亦可望有所緩解，市場不確定因素減少亦有利於整體經濟消費動能，印尼廠一期、二期目前維持穩定獲利且產能滿載，目前協力廠外發比重維持 27%~28%，因 4Q26 營收及獲利略為上修，投研部亦同步上修 2026 年營收預估至 408.77 億元，YoY+7.6%，毛利率部份，因高毛利率新產品、新客戶營收占比可望持續提升，且匯率環境相較於 2025 年亦較為友善，略為上修 31.09%，YoY+2.45ppt.，營益率則由 20.62%上修至 20.73%，YoY+2.06ppt.，並預估稅後淨利 68.56 億元，YoY+24.3%，稅後 EPS 由 24.77 元上修至 24.99 元。

圖 1：公司歷年月營收趨勢 單位：千元



資料來源：國票投顧彙製

2027 年營運可望維持成長，目前評價處歷史區間低緣且殖利率逾 5%

展望 2027 年，目前已開始承接 04/2027 訂單，雖訂單能見度未達 2027 年底，且客戶端 2027 年預示單仍洽談中，然觀察美國就業環境仍穩健，初領及續領失業救濟金人數仍處歷史低檔，總體經濟動能強勁，消費者支出可望維持韌性，且 2026 年營運受戰爭、通膨影響較為劇烈，研判 2027 年可望較為淡化，惟考量公司現有廠區產能趨於滿載，印尼三期實際貢獻營收時點落於 4Q27~1Q28，目前僅以原有產能小規模擴充產能為主，若市況優於預期則以外發協力廠因應，2027 年外發比重大致上介於 27%~35%區間，基此，投研部以過去幾年公司中性成長均值預估 2027 年營收 431.95 億元，YoY+5.7%，主要為產品報價提升之貢獻，並預估毛利率因 4Q27 印尼新廠投

產而略為承壓，預估 2027 年毛利率 30.62%，YoY-0.47ppt.，營益率預估 20.74%，YoY+0.01ppt.，稅後 EPS 預估由 26.19 元略為上修至 26.31 元，公司表示未來可望維持高股利配發率，投研部以 2026 年現金股利配發率 74.63%預估，現金股利殖利率可望達 5.35%，且依未來四季合計稅後 EPS 估算目前評價 PER 13.4X，仍處過往歷史區間低緣位置，長期投資價值浮現，投研部維持評價 PER 16X 並以未來四季稅後 EPS 估算目標價，目標價由 396 元上修至 416 元(4Q26~3Q27F PE 16X)，維持買進投資建議。

附註說明

溫室氣體與水資源企業資訊來源為永續報告書及公開資訊觀測站，
企業資料於每年6/30及9/30申報截止，CMoney蒐集整理數據於每年8月及10月更新最新資料。
依循GRI國際準則，企業揭露溫室氣體與水資源等資料應揭露至少3至5年，因此最新年度永續報告書應有3至5年數據，表格數據以最新年度公告數據呈現。
舉例. 去年A公司公告2020、2019年溫室氣體資料，今年只公告2021年資料，視為今年沒有公告2020、2019歷史資料，於表格中只會呈現2021年資料。

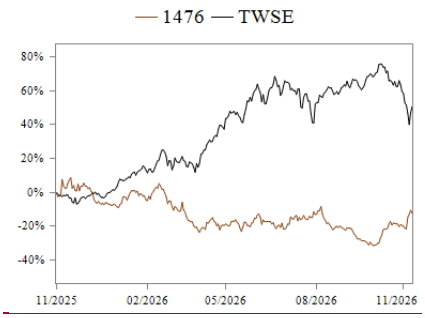
股價相對大盤走勢



營運穩定成長，長期展望正向。

投資建議：預估儒鴻 2026 年營收為 408.71 億元，YoY+7.59%，稅後 EPS 24.79 元。2027 年預期在產能稼動維持高檔及客戶訂單穩定下，營收成長至 424.43 億元，YoY+3.84%，稅後 EPS 25.52 元。考量：(1)3Q26 毛利率如預期的順利回升，預期未來幾個季度的毛利率可維持現有水準。(2)持續投入自動化設備更新提高生產效率，並擴建新產能因應客戶需求，印尼新廠預計 4Q27 投產，推動長線的成長動能。綜上所述，對儒鴻的投資建議為 Trading Buy，目標價 385 元(2027 年 PER 15.5X)。

預估 4Q26 營收維持成長，稅後 EPS 6.09 元：儒鴻 3Q26 營收維持高檔為 105.72 億元，YoY+9.74%，QoQ+4.82%，毛利率亦受惠客戶新產品出貨增加，產品組合優化及匯率相對友善等因素，順利提升至 31.18%，稅後 EPS 為 6.36 元，符合預期。預期 4Q26 由於成衣價格上漲且客戶新品訂單持續出貨，可推動儒鴻營收維持成長，預估儒鴻 4Q26 營收為 105.93 億元，YoY+14.34%，QoQ+0.20%，毛利率 31.23%，稅後 EPS 6.09 元。

美國期中選舉結束，市場不確定因素消除，儒鴻訂單能見度維持六個月左右：美國期中選舉在民主黨獲勝的結果下，可預期極端的關稅政策不會再發生，不確定性因素逐漸消除，不過目前也沒看到品牌端有追加訂單的動作出現，預期未來幾個月的訂單及終端銷售會處於正常的水準。目前儒鴻的訂單能見度維持在六個月左右，市場庫存也在相對健康水準，整體市況穩定。

儒鴻持續投入自動化設備更新提高生產效率，並擴建新產能因應客戶需求，印尼新廠預計 4Q27 投產：儒鴻持續擴增新產能及自動化設備更新以因應客戶需求，除了在台灣、越南二地的生產設備持續更新外，印尼廠新產能也計劃在 4Q27 產能投產。目前印尼廠的產能利用率維持滿載水準，印尼廠的生產需求未來的成長空間仍大，預期等印尼廠三期投產後，可為儒鴻帶來下一段成長的動能。

儒鴻的 ESG：

儒鴻 2016 年即制定溫室氣體盤查管理程序，並依循「儒鴻企業環安衛及能源政策」設置溫室氣體盤查推行委員會，由董事長室擔任主任委員，推動廠區溫室氣體盤查，並以 2017 年作為公司溫室氣體盤查的基準年，推動溫室氣體減量。此外，致力於用水回收，除了在製程蒸氣冷凝回收使用外，更引進新技術改善廢水回收。

公司簡介：

儒鴻為台灣主要紡織業者，具染整、織布、成衣上下游一貫生產能力，主要產品為各式成衣，並生產機能布料應用在各類運動休閒服飾上。國際各知名服飾品牌及通路商如 NIKE、UA、LULULEMON 、TARGET、COSTCO 皆為儒鴻的客戶。

預估 4Q26 營收維持成長，稅後 EPS 6.09 元：

儒鴻 3Q26 營收維持高檔為 105.72 億元，YoY+9.74%，QoQ+4.82%，毛利率亦受惠客戶新產品出貨增加，產品組合優化及匯率相對友善等因素，順利提升至 31.18%，稅後 EPS 為 6.36 元，符合預期。

預期 4Q26 由於成衣價格上漲且客戶新品訂單持續出貨，可推動儒鴻營收維持成長，預估儒鴻 4Q26 營收為 105.93 億元，YoY+14.34%，QoQ+0.20%，毛利率 31.23%，稅後 EPS 6.09 元。

美國期中選舉結束，市場不確定因素消除，儒鴻訂單能見度維持六個月左右：

美國期中選舉在民主黨獲勝的結果下，可預期極端的關稅政策不會再發生，不確定性因素逐漸消除，不過目前也沒看到品牌端有追加訂單的動作出現，預期未來幾個月的訂單及終端銷售會處於正常的水準。目前儒鴻的訂單能見度維持在六個月左右，市場庫存也在相對健康水準，整體市況穩定。

儒鴻持續投入自動化設備更新提高生產效率，並擴建新產能因應客戶需求，印尼新廠預計 4Q27 投產：

儒鴻持續擴增新產能及自動化設備更新以因應客戶需求，除了在台灣、越南二地的生產設備持續更新外，印尼廠新產能也計劃在 4Q27 產能投產。目前印尼廠的產能利用率維持滿載水準，印尼廠的生產需求未來的成長空間仍大，預期等印尼廠三期投產後，可為儒鴻帶來下一段成長的動能。

投資建議：

預估儒鴻 2026 年營收為 408.71 億元，YoY+7.59%，稅後 EPS 24.79 元。2027 年預期在產能稼動維持高檔及客戶訂單穩定下，營收成長至 424.43 億元，YoY+3.84%，稅後 EPS 25.52 元。考量：(1)3Q26 毛利率如預期的順利回升，預期未來幾個季度的毛利率可維持現有水準。(2)持續投入自動化設備更新提高生產效率，並擴建新產能因應客戶需求，印尼新廠預計 4Q27 投產，推動長線的成長動能。綜上所述，對儒鴻的投資建議為 Trading Buy，目標價 385 元(2027 年 PER 15.5X)。

【投資評等說明】

評等	定義
強力買進(Strong Buy)	首次評等潛在上漲空間≥35%
買進(Buy)	15%≤首次評等潛在上漲空間<35%
區間操作(Trading Buy)	5%≤首次評等潛在上漲空間<15%
中立(Neutral)	無法由基本面給予投資評等 預期近期股價將處於盤整 建議降低持股

【投資評等調整機制】

投資評等係「首次」給予特定個股投資評等時，其前一日收盤價相較 3 個月目標價之潛在上漲空間計算而得。個股投資評等分為四個等級，定義如上。爾後的投資評等係依循「首次評等」，直到停止推薦。

「強力買進」、「買進」及「區間操作」均有 upside 目標價。差別僅在於，首次評等時潛在報酬率不同。「中立」則無目標價。

一旦我們給予特定個股「強力買進」、「買進」或「區間操作」之投資評等，就是責任的開始，爾後將透過各式研究報告作定期性、持續性追蹤基本面及股價變化，直到停止推薦。

停止推薦情境：

1. 達目標價。
2. 雖未達原訂目標價，但檢視基本面、訊息面、籌碼面等多方訊息，研判股價上漲空間已然有限，將適時出具降評報告。
3. 推薦後股價不漲反跌，亦將出具降評報告。

【免責聲明】

本研究報告僅提供予特定人之客戶作為參考資料「非經同意不得轉載」。我們並不確保此資訊的完整性與正確性，投資人應了解，報告中有關未來預測之陳述可能不會實現，因而不應被依賴。而且此報告並非根據特定投資目的或依預定對象之財務狀況所撰寫出來的，因此，此研究報告的目的，既非對投資人於買賣證券、選擇權、期貨或其他證券相關之衍生性商品提供詢價服務，亦非作為進行交易的要約。投資人應注意到相關證券之價值及收益，可能會有無預警地上升或下降，產生投資回報金額可能比原始投資來得少的情形。

中砂 (1560 TT)

以砂為鏡，可以升良率

永豐觀點

以銅為鏡，可以正衣冠；以砂為鏡，可以升良率。

投資評價與建議

目標價調升至 1,000 元：(1) 3Q26 ABU 獲利改善優於預期，帶動公司平均毛利率升至 42.2%(+2.2pts QoQ)且具延續力，(2) 產能建置加速，推動 2027 年獲利提升，(3) 購置三峽廠，打開 DBU 擴產瓶頸。目標價隨 2028 年 EPS 調整，由 860 元(33x 2028 EPSF)上修至 1,000 元(32x 2028 EPSF)。

ESG 評析

中砂企業永續評鑑整體為 A 等，於 SASB 產業永續議題與跨產業五大永續面向平均得分分別為 A 等與 A 等。

SinoPac Securities (SinoPac) is a foreign broker-dealer unregistered in the USA. SinoPac research is prepared by SinoPac Securities Investment Service, whose analysts are not registered in the USA. SinoPac research is distributed in the USA pursuant to Rule 15a-6 of the Securities Exchange Act of 1934 solely by Auerbach Grayson & Company, an SEC registered and FINRA-member broker-dealer.

營運現況與分析

中砂為先進製程鑽石碟第一把交椅：中砂成立於 1953 年，2005 年上市，目前資本額約 14.6 億元，早期業務專注於傳統砂輪，後取得鑽石碟技術專利授權，並因應晶圓代工廠客戶在地化策略，切入半導體領域。中砂主要有三大事業部，砂輪事業部、鑽石事業部、晶圓事業部。3Q26 營收組成為 ABU(含砂輪子公司如鴻記、KTC、MKS、MGT) 23%、DBU 32%、SBU 45%。中砂總部位於新北市鶯歌區，砂輪、鑽石相關產品主要在鶯歌、樹林、湖口廠生產，而再生/測試晶圓主要在新竹竹北、竹南廠生產，另在日本有 1 座廠房、泰國有 2 座廠房，另已在三峽新採購 1 座廠房。客戶涵蓋半導體/記憶體製造商如台積電、美光、聯電、意法半導體、英特爾，以及載板廠欣興等。

3Q26 毛利率優於預期：中砂第三季稅後 EPS 3.91 元(+12.8%QoQ，+79.8%YoY)，優於我們預期的 3.78 元，主因毛利率 42.2%季增約 2.2 個百分點高於預期，係來自(1) 鑽石事業部營收占比及自身毛利率改善，係受到客戶惠先進製程出貨比重增加，帶動高接產品放大，(2) ABU 產品組合改善，來自鑽石砂輪營收占比由 40%提升至約 50%。

加速擴產並改善獲利：我們認為 4Q26 的毛利率仍有提升空間，係考量(1) 先進製程及 HBM 對鑽石碟產品用量增加，且公司產能由 3Q26 6.5 萬顆/月提升至 4Q26 8 萬顆/月(原規劃 7 萬顆/月)，2nm/A14 用鑽石碟出貨量的增加將帶動 DBU 佔比提升及獲利改善，(2) 部分測試晶圓及再生晶圓產品自 4Q26 起對所有客戶漲價約 10%，加上測試晶圓比重回落，可改善獲利率，(3) ABU 7 月漲價的效果可在 4Q26 顯現，加上鑽石砂輪、晶圓倒角砂輪、鑽石鍍膜等高階工具比重提升。另外，研究部認為 2027 年中砂獲利成長動能仍將來自 DBU 的成長，目前公司規劃將鑽石碟產能提升到明年底的 11 萬顆/月(+37.5%YoY)，以因應記憶體和美系 IDM 廠的擴大採用、成熟製程客戶的產能擴增、以及晶圓代工廠先進製程積極擴產，同時預期公司將適時與客戶們共同分擔生產成本的增加；SBU 則透過改造部分產線，並增加表面缺陷檢測設備，來滿足客戶 HBM 對於特殊晶圓的需求。

下一站，半導體用砂輪：由於既有樹林廠難以滿足客戶對鑽石碟中期需求，中砂於今日董事會通過投入不超過 5.4 億新台幣於三峽購置廠房，用於擴增鑽石碟及半導體廠用的鑽石砂輪產能，因應 CoWoS/SoIC/HBM 等先進封裝和晶背供電應用，我們認為有望於 2028 年起貢獻營收並改善 DBU 產品組合，並隨 HPC 產品(及搭配的記憶體)封裝規格提升和製程轉進而成長。

再次上修預估：研究部預估中砂 2026 年全年營收 103.2 億(+26.6%YoY)，毛利率 40.4%，稅後淨利 21.9 億(+61.0%YoY)，EPS 14.60 元(原估 14.47 元)，獲利上調主因 ABU 獲利率改善速度優於預期。2027 年營收 133.6 億(+29.5%YoY)，毛利率 45.4%，稅後淨利 33.2 億(+51.5%YoY)，EPS 22.08 元(原估 20.26 元)。2028 年營收 174.2 億(+30.4%YoY)，毛利率 47.8%，稅後淨利 47.6 億(+43.3%YoY)，EPS 31.65 元(原估 26.05 元)。

Important Disclosures for U.S. Persons
This research report was prepared by SinoPac Securities Corporation (SinoPac), a company authorized to engage in securities activities in Taiwan. SinoPac is not a registered broker-dealer in the United States and, therefore, is not subject to U.S. rules regarding the preparation of research reports and the independence of research analysts. This research report is provided for distribution to "major U.S. institutional investors" in reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act").

Where required, any U.S. recipient of this research report wishing to effect transactions in securities discussed herein may do so through Auerbach Grayson & Company, 20 West 55th Street, New York, NY 10019. Under no circumstances should any recipient of this research report effect any transaction to buy or sell securities or related financial instruments through SinoPac. Auerbach Grayson & Company accepts responsibility for the contents of this research report, subject to the terms set out below, to the extent that it is delivered to a U.S. person other than a major U.S. institutional investor.

The analyst whose name appears in this research report is not registered or qualified as a research analyst with the Financial Industry Regulatory Authority ("FINRA") and may not be an associated person of Auerbach Grayson & Company and, therefore, may not be subject to applicable restrictions under FINRA Rules on communications with a subject company, public appearances and trading securities held by a research analyst account.

Ownership and Material Conflicts of Interest
Auerbach Grayson & Company or its affiliates does not 'beneficially own,' as determined in accordance with Section 13(d) of the Exchange Act, 1% or more of any of the equity securities mentioned in the report. Auerbach Grayson & Company, its affiliates and/or their respective officers, directors or employees may have interests, or long or short positions, and may at any time make purchases or sales as a principal or agent of the securities referred to herein. Auerbach Grayson & Company is not aware of any material conflict of interest as of the date of this publication

Compensation and Investment Banking Activities
Auerbach Grayson & Company or any affiliate has not managed or co-managed a public offering of securities for the subject company in the past 12 months, nor received compensation for investment banking services from the subject company in the past 12 months, neither does it or any affiliate expect to receive, or intends to seek compensation for investment banking services from the subject company in the next 3 months.

SinoPac+ ESG Rating System ranking

SinoPac+ ESG Rating System evaluates corporate sustainability using SASB standards, which focus on financially material issues. Specially designed for listed companies in Taiwan, the rating system contains "Industry-specific" criteria, i.e., material issues within an industry, and "Cross-industry" criteria, which are material issues that cut across the 62 industries in Taiwan, categorized according to SASB's Sustainable Industry Classification System® (SICS®), with reference to other globally recognized sustainability standards.

Rating scale explanation

A+: The company falls in the top 20% of all Taiwan's listed companies in managing and disclosing ESG performance)

A: The company falls in the 21-40% of all Taiwan's listed companies in managing and disclosing ESG performance.

B+: The company falls in the 41-60% of all Taiwan's listed companies in managing and disclosing ESG performance.

B: The company falls in the 61-80% of all Taiwan's listed companies in managing and disclosing ESG performance.

C: The company falls in the 81-100% of all Taiwan's listed companies in managing and disclosing ESG performance.

投資評價與建議

3Q26毛利率表現優於預期，且公司上修資本支出用於擴產，隱含主要業務展望正向，加上公司積極優化產品結構隱含明年營收、獲利均具上修空間；我們給予40倍PE，維持對公司業務之正向看法，並看好毛利率維持成長動能。

重點評論分析

4Q26三大業務營收、獲利持續改善：觀察ABU業務中，預期高階砂輪與ABF鑽石機密模具需求持續成長，DBU業務出貨動能則維持強勁，加上公司規劃針對SBU部分品項漲價約10%，將帶動營收、毛利率改善。我們預估本季營收有望季增5.5%至28.4億元，毛利率44.5%，稅後EPS 4.37元。

上修今年資本支出預算用於擴產與新品開發，隱含營運前景正向：基於DBU、SBU客戶需求強勁，及公司持續優化產品組合，公司上修今年資本支出預算至22.6億元(原16~17億元)，除了先前已規畫SBU 3Q27月產能至43萬片(已宣布)，本次則上修今明年底鑽石碟月產能分別至8、11萬顆(原7萬顆以上/9.5萬顆)，此外將購買土地廠房用於開發先進封裝用之減薄鑽石砂輪新品，以及後續鑽石碟擴產需求。而在2027年展望方面，我們仍維持2027年三大業務均正向成長之看法，其中DBU、SBU成長動能最為強勁，另ABU業務中，公司布局之先進封裝用之減薄砂輪有望於2H27貢獻營收。預估2027年營收年增25.7%至129.7億元，毛利率46%，稅後EPS 21.7元。

投資風險

DBU擴產進度不如預期。

營運概況

3Q26毛利率表現優於預期：3Q26營收季增8.1%至26.9億元，毛利率42.2%，稅後EPS 3.88元，其中毛利率受惠於：(1)台灣工具機客戶需求回溫、ABF鑽石機密模具用量增加，帶動ABU高階產品比重提升，挹注該業務毛利率由2Q26的超過25%提升至3Q26的35%；(2)針對DBU大客戶之2/1.6奈米、先進封裝鑽石碟用量持續增加，使營收規模擴大，我們推估毛利率由2Q26的50~55%提升至55%以上。

4Q26三大業務營收、獲利持續改善：觀察：(1)ABU業務中，預期高階砂輪與ABF鑽石機密模具需求持續成長，至於泰國、日本子公司出貨動能則持平看待，預估營收微幅季增，毛利率則有望持續向上；(2)DBU業務中，出貨動能則維持強勁，因台系大客戶先進製程、封裝需求維持強勁，另美系記憶體、IDM客戶需求呈現逐季成長，加上成熟製程廠商產能利用率持續提升，預估營收仍有雙位數季增；(3)SBU業務中，12吋月產能維持40萬片滿載，但公司計畫針對部分品項價格調漲約10%，加上持續優化產品組合，將帶動營收、毛利率改善。預估本季營收有望季增5.5%至28.4億元，毛利率44.5%，稅後EPS 4.37元。

上修今年資本支出預算用於擴產與新品開發，隱含營運前景正向：基於DBU、SBU客戶需求強勁，及公司持續優化產品組合，公司上修今年資本支出預算至22.6億元(原16~17億元)，除了先前已規畫SBU 3Q27月產能至43萬片(已宣布)，本次則上修今明年底鑽石碟月產能分別至8、11萬顆(原7萬顆以上/9.5萬顆)，此外將購買土地廠房用於開發先進封裝用之減薄鑽石砂輪新品，以及後續鑽石碟擴產需求。而在2027年展望方面，我們仍維持2027年三大業務均正向成長之看法，動能包含：(1)預估DBU主要客戶A16/2、3奈米明年底月產能將由今年底的9~10、15~17分別提升至14~16、19~20萬片，尤其先進製程CMP道數、規格相較於成熟製程提升，將帶動鑽石碟用量、平均單價增加，另美系IDM合作順利(目前公司於18A市占約50%，公司持續推進14A之合作)，加上成熟製程、記憶體客戶擴產挹注；(2)SBU除了有明年額外3萬片之產能挹注，公司針對現有產能也將持續透過產品組合優化等方式改善獲利，且看好2H27美系記憶體特殊晶圓用量將比1H27成長；(3)ABU方面，則基於台灣ABF廠商持續擴產，公司布局之新品先進封裝減薄砂輪有望在2H27於新廠貢獻營收，加上公司將中低毛利率產品搬至泰國、日本子公司生產以此優化成本結構。我們預估2027年營收年增25.7%至129.7億元，毛利率46%，稅後EPS 21.7元。

Price(11/10)：291.5

Target Price：450

26Q3 受惠終端需求強勁，營收達 81.10 億元，QoQ 8.01%，YoY 35.27%；受惠稼動率提升與價格策略帶動毛利走高，單季 EPS 達 3.48 元。10 月營收延續強勁動能，達 28.50 億元，MoM 4.79%，YoY 35.66%，累計前 10 月營收為 248.48 億元，YoY 25.11%。目前整體市場供不應求，訂單能見度已直達 2027 年中。

展望後市，隨公司下半年增聘逾 300 名員工並持續加班生產，26 年底產出量將較年初成長 25%至 30%，預期 26Q4 將打破歐美長假與盤點淡季效應，營運有望優於 26Q3。研究部預估 26Q4 營收為 85.10 億元，QoQ 4.94%，YoY 30.86%；毛利率估為 35.11%，營業利益 12.53 億元，QoQ -13.32%，YoY 297.33%；單季 EPS 為 2.95 元。綜合考量下游客戶需求持續暢旺、公司優先承接高毛利訂單使獲利結構性優化，並已長期佈局機器人與 CPO 商機，研究部預估 26 與 27 年營收為 305.08 億元與 344.40 億元，YoY 25.74%與 12.89%；毛利率為 34.54%與 35.11%；營業利益為 43.63 億元與 58.60 億元，YoY 165.52%與 34.30%；稅後獲利為 36.93 億元與 48.07 億元，YoY 142.05%與 30.15%；預估 26 與 27 年 EPS 分別為 10.44 元與 13.59 元。

評價方面，上銀過去五年本益比主要集中於 20 倍至 40 倍區間。考量公司整體營收與獲利將呈現雙位數之成長上升趨勢，且自動化與傳動產業結構持續復甦上行，研究部以 2027 年預估 EPS 13.59 元作為評價基礎，並給予歷史區間中緣偏上之 33 倍 PER，目標價設定為 450 元，給予買進之投資建議。

- **<u>26Q4 有望淡季不淡，估營收季增 4.94%達 85.10 億</u>**

上銀 10 月營收 28.50，YoY 35.66%，MoM4.79%，累計營收為 248.48 億， YoY25.11%。目前下游需求仍強勁，政體市場處供不應求之態勢，隨 26H2 增聘逾 300 名員工並採加班生產，26 年底產出量較年初成長 25%～30%，預期 26Q4 有望突破歐美長假與盤點淡季效應，營運有望優於 26Q3。

研究部預估，26Q4 營收 85.10 億，QoQ 4.94%，YoY 30.86%；毛利率 35.11%，季減 1.23 個百分點，年增 8.07 個百分點；營業利益 12.53 億，QoQ -13.32%，YoY 297.33%；稅後獲利 10.45 億，QoQ -14.42%，YoY 126.22%；EPS 為 2.95 元。

- **<u>訂單滿載，能見度達 2027 年中</u>**
  <u>估計 2026/2027 年 EPS 為 10.44/13.59 元。</u>

目前下游需求仍呈現供不應求，研磨級滾珠螺桿交期已拉長至 6.5 個月以上，線性滑軌依產品規格亦維持 4～6 個月，整體訂單能見度直達 2027 年中，且 26Q3 合約負債達 1.34 億元（YoY +126%）。

各區域表現方面，亞洲市場受惠中國大陸工具機產業升級，帶動傳動元件需求持續成長，同時台灣與亞洲各國受惠半導體製造需求熱絡，推升機器人、馬達與旋轉轉台等零組件出貨；美國受惠製造業回流、半導體擴產與 AI 資料中心建置潮，帶動強勁設備需求；歐洲雖受車市疲軟影響而整體持平，但軍工與潛在戰後重建需求已逐步浮現。

獲利與產能方面，管理層表示現階段不傾向全面漲價，而採取

營業執照字號:114 金管投顧新字第 013 號

- **長期佈局機器人與 CPO 商機**

  機器人業務佔 26Q3 營收達 12%，其中 EFEM 隨半導體需求熱絡穩健成長，並已超前部署對應 FOPLP 方片規格之移載系統。公司充分發揮垂直整合優勢，自製減速機、螺桿、軸承，並整合關係企業大銀微系統之伺服馬達與驅動器。目前已獲美系人形機器人廠商小批量線性滑軌訂單，美系 AI 物流機器人放量時程則取決於客戶端實測進度。CPO 方面，大銀微已開發出奈米級定位平台，並整合上銀微小型螺桿與線軌，共同搶攻次世代半導體設備商機。

- **結論與建議:**

  26Q3 受惠終端需求強勁，營收達 81.10 億元，QoQ 8.01%，YoY 35.27%；受惠稼動率提升與價格策略帶動毛利走高，單季 EPS 達 3.48 元。10 月營收延續強勁動能，達 28.50 億元，MoM 4.79%，YoY 35.66%，累計前 10 月營收為 248.48 億元，YoY 25.11%。目前整體市場供不應求，訂單能見度已直達 2027 年中。

  展望後市，隨公司下半年增聘逾 300 名員工並持續加班生產，26 年底產出量將較年初成長 25%至 30%，預期 26Q4 將打破歐美長假與盤點淡季效應，營運有望優於 26Q3。研究部預估 26Q4 營收為 85.10 億元，QoQ 4.94%，YoY 30.86%；毛利率估為 35.11%，營業利益 12.53 億元，QoQ -13.32%，YoY 297.33%；單季 EPS 為 2.95 元。

  綜合考量下游客戶需求持續暢旺、公司優先承接高毛利訂單使獲利結構性優化，並已長期佈局機器人與 CPO 商機，研究部預估 26 與 27 年營收為 305.08 億元與 344.40 億元，YoY 25.74%與 12.89%；毛利率為 34.54%與 35.11%；營業利益為 43.63 億元與 58.60 億元，YoY 165.52%與 34.30%；稅後獲利為 36.93 億元與 48.07 億元，YoY 142.05%與 30.15%；預估 26 與 27 年 EPS 分別為 10.44 元與 13.59 元。

  評價方面，上銀過去五年本益比主要集中於 20 倍至 40 倍區間。考量公司整體營收與獲利將呈現雙位數之成長上升趨勢，且自動化與傳動產業結構持續復甦上行，研究部以 2027 年預估 EPS 13.59 元作為評價基礎，並給予歷史區間中緣偏上之 33 倍 PER，目標價設定為 450 元，給予買進之投資建議。

2026 年 11 月 11 日

台積電(2330 TT)投資 OpenAI 及 Anthropic 延續過去參與 Arm(ARM US) IPO 的少數策略股權模式，惟布局由半導體供給生態系進一步延伸至 AI 模型與算力需求端。透過投資 OpenAI 及 Anthropic 各最高 5 億美元，增加對未來算力需求及運算架構演進的掌握，作為先進製程與封裝產能規劃的參考，但不代表取得訂單或控制權。現在台積電的產能和良率優於同業，可是未來美國有可能因環境能耗與安全疑慮對 AI 數據中心及尖端模型祭出強硬監管，並取消稅收補貼，引發市場擔憂科技巨頭放緩 AI 資本支出，間接影響台積電的業績成長動能，因此建議台積電 Trading Buy。

研究員：陳俐妍
ly.c@capital.com.tw

台積電並非首次策略性投資產業鏈公司，惟此次首度將布局延伸至 AI 算力需求端：

台積電於 11/10/2026 召開董事會，分別核准兩項投資案：一是以不超過美金 5 億元設立投資公司，持續進行半導體產業及相關生態系之策略性投資；二是分別以不超過美金 5 億元認購 Anthropic, PBC 普通股及 OpenAI Group PBC 特別股，兩項直接股權投資合計最高 10 億美元。其中，Anthropic 每股認購價格將依該公司未來首次公開發行(IPO)價格而定。值得注意的是，新設投資公司與直接投資兩家 AI 模型業者為兩項獨立的董事會決議，目前並無公開資訊顯示兩者具有直接的資金或架構關聯，整體反映台積電一方面持續布局半導體產業生態系，另一方面首度將直接股權投資延伸至 AI 模型與算力需求形成端。

從歷史脈絡觀察，台積電早在 1990 年代即透過 InveStar 及 VentureTech Alliance(VTA)等創投架構投資全球無晶圓廠(Fabless)及新興科技公司，以及入股 IMS Nanofabrication 約 10%以布局關鍵多重電子束光罩技術。其中，2023 年以不超過 1 億美元參與 Arm IPO 是此次投資最具參考價值的案例，台積電當時並非為取得經營控制權，而是以少數策略股權維持與關鍵 IP 生態系的長期連結。此次對 OpenAI 及 Anthropic 各最高 5 億美元的投資，本質上延續了此種非控制性少數策略股權模式，共同反映台積電並非以大額資本主導標的，而是透過有限資本強化與關鍵生態系夥伴的策略連結。

最大戰略意義：策略股權由半導體供給端進一步延伸至 AI 算力需求端：

過去台積電的策略投資主要集中於晶片設計、半導體 IP 及關鍵設備技術，核心目的在於擴大半導體供給生態系，協助客戶持續開發並製造先進晶片，投資 Arm 即屬於間接支持相關架構設計與製造需求的模式。

相較之下，OpenAI 及 Anthropic 位於 AI 產業鏈的需求形成端，模型能力提升、訓練規模擴大及推論需求增加，最終將帶動 GPU、ASIC、HBM 及資料中心基礎設施的算力需求。因此，投資 2 家模型業者的策略意義並非直接取得晶圓訂單，而是增加台積電接觸及理解未來 AI 算力需求變化的機會，包括訓練(Training)與推論(Inference)需求結構、運算架構演進及資料中心基礎設施需求等，作為長期先進製程及先進封裝產能規劃的參考。

相較台積電 2026 年預估 600 億至 640 億美元的資本支出規模，新設投資公司的 5 億美元資金上限僅約 0.8%；而直接投資兩家模型業者合計最高 10 億美元，相較 2 者各自超過 1,000 億美元的資金規模及高估值亦屬有限。

若與 OpenAI 及 Anthropic 既有主要策略投資者相比，台積電各最高 5 億美

元的投資規模明顯較小。過去 Microsoft(MSFT US)、SoftBank(9984 JP)等業者對 OpenAI 的投資金額達數十億甚至百億美元級別；Amazon(AMZN US)及 Google(GOOL US)對 Anthropic 的累計投資亦達數十億美元。相較之下，台積電此次各 5 億美元的投資，顯然並非以資金主導，取得控制權，董事會席次、主導公司經營為或追求短期財務回報為目的，而是以相對有限的資本建立策略關係。惟實際持股比例仍須視認購價格、股權條件及後續稀釋情況而定，目前亦無資訊顯示台積電因此取得參與模型公司技術決策或運算架構(Compute Roadmap)制定的權利。

對台積電而言，投資 AI 模型業者亦有助於擴大觀察未來算力需求的來源，而非完全依賴單一晶片供應商的產品規劃。無論未來模型業者採用 NVIDIA GPU、AMD GPU、Google TPU、AWS Trainium 或其他自研 ASIC，只要相關晶片及先進封裝採用台積電技術，即可能轉化為台積電的製程與封裝需求，策略價值在於增加對需求端運算架構發展方向的理解。

仍須面對客戶中立性、訂單轉換及股權評價等風險：

這項投資案，仍有幾項風險。首先，台積電必須維持客戶中立性。OpenAI 及 Anthropic 分別與 Microsoft、Google 及 Amazon 等大型雲端業者存在密切合作關係，並涉及 NVIDIA、AMD、Broadcom 及其他 AI 晶片供應鏈。台積電直接投資特定模型業者，可能使部分客戶關注其資訊隔離及資源配置的中立性。此次採取各最高 5 億美元的少數股權投資，且同時投資兩家主要模型業者，有助降低市場對單一選邊的疑慮，但台積電後續仍須維持嚴格的商業資訊保密及客戶中立原則。

其次，股權投資不等於取得訂單或產能承諾。OpenAI 及 Anthropic 並非直接採購晶圓的客戶，其算力需求仍須透過 CSP、GPU 及 ASIC 供應商轉化為台積電的晶圓與先進封裝需求。因此，這筆投資本身並不代表產能長約、保證取貨(Take-or-Pay)承諾或未來訂單保證，實際效益仍取決於 AI 算力需求的持續成長，以及相關晶片供應鏈採用台積電技術的程度。

最後，AI 模型業者目前仍處於高資本投入及快速競爭階段。若未來模型服務競爭加劇、商業化速度低於預期，或雲端業者的 AI 資本支出回報率下降，導致算力投資放緩，均可能影響 OpenAI 及 Anthropic 的估值及後續融資能力，進而帶來台積電股權投資的評價波動風險。

整體而言，台積電此次策略並非改變晶圓代工本業，而是延續過去以少數策略股權連結關鍵產業生態系的做法。若說投資 Arm 主要是鞏固晶片如何被設計與製造的供給生態系，投資 OpenAI 與 Anthropic 則是進一步接觸為何需要更多晶片與算力的需求形成端。對台積電而言，以相對有限的資本投入增加對 AI 產業長期需求變化的理解，其策略意義可能高於單純的財務投資報酬。

11/2026 台積電董事會決議如下：

11/11/2026 台積電召開董事會，會中重要決議如下：

1)核准 3Q26 營業報告書及財務報表，3Q26 合併營收約新台幣 1.49 兆元，稅後純益約新台幣 7,630 億元，稅後 EPS 29.43 元。

2)核准配發 3Q26 每股現金股利 9.0 元。台積電 1Q26 和 2Q26 各分派 7 元，

3Q26 發 9 元，依據台積電股利只升不降，4Q26 至少配發 9 元，也就是 2026 年將配發 32 元以上。

3)核准資本預算約美金 409.27 億元，內容主要包括：1.建置及升級先進製程產能；2.建置及升級先進封裝、成熟及/或特殊製程產能；3.廠房興建及廠務設施工程；4. 2027 年研發資本預算、經常性資本預算及資本化租賃資產預算。

4)核准以不超過美金 5 億元之資金設立一投資公司，以進行半導體產業及相關生態系之策略性投資。

5)核准於不超過美金 5 億元之額度內認購 Anthropic, PBC 普通股股份，每股認購價格將依該公司首次公開發行之價格而定；以及於不超過美金 5 億元之額度內認購 OpenAI Group PBC 特別股股份。

台積電 10/2026 營收 5,868.9 億元，MoM+14.65%，YoY+59.70%：

台積電公告 10/2026 營收 5,868.90 億元，MoM+14.65%，YoY+59.70%，創歷史新高。先前台積電法說會預估 4Q26 營收 523~543 億美元，QoQ+11.94%~+16.22%，中間值+14.08%。在 1 美元兌新台幣 31.8 元基礎上，新台幣營收為 1.66 兆元~1.73 兆元，QoQ+13.43%~+15.56%。以此推估，11/2026 和 12/2026 單月平均營收在 5,381 億元~5,699 億元，MoM-2.89%~-8.31%。

高階製程持續帶動台積電營收成長，台積電預估 4Q26 毛利率將介於 65%-67%，以中間值 66%計算，較 3Q26 下降約 0.4 個百分點。主要是因為 N2 技術的快速爬坡，預期將稀釋毛利率約 3 個百分點，此稀釋將被領先技術的強勁需求與持續的成本改善(含生產力提升)部分抵消。預估 4Q26 稅後 EPS 32.64 元。2026 年 EPS 111.39 元。

儘管消費性(如 PC、智慧型手機)與價格敏感終端市場面臨零組件價格上漲與總體經濟不確定性之挑戰，台積電對 2027 年對此抱持審慎樂觀態度，但受惠於領先先進製程之技術差異化與廣泛客戶基礎，及代理人 AI(Agentic AI)推動 AI 助理普及、開源模型降低使用門檻，進一步刺激 CPU 與網路晶片需求，預估台積電 2027 年稅後 EPS 147.10 元。長期而言，台積電憑藉在先進製程與先進封裝的高市佔率，實質基本面依然強勁。然而，美國選舉後，有可能因環境能耗與安全疑慮對 AI 數據中心及尖端模型祭出強硬監管，並取消稅收補貼，引發市場擔憂科技巨頭放緩 AI 資本支出，間接影響台積電的業績成長動能，因此建議台積電 Trading Buy。

【投資評等說明】

評等	定義
強力買進(Strong Buy)	首次評等潛在上漲空間≥35%
買進(Buy)	15%≤首次評等潛在上漲空間<35%
區間操作(Trading Buy)	5%≤首次評等潛在上漲空間<15%
中立(Neutral)	無法由基本面給予投資評等 預期近期股價將處於盤整 建議降低持股

【投資評等調整機制】

投資評等係「首次」給予特定個股投資評等時，其前一日收盤價相較 3 個月目標價之潛在上漲空間計算而得。個股投資評等分為四個等級，定義如上。爾後的投資評等係依循「首次評等」，直到停止推薦。

「強力買進」、「買進」及「區間操作」均有 upside 目標價。差別僅在於，首次評等時潛在報酬率不同。「中立」則無目標價。

一旦我們給予特定個股「強力買進」、「買進」或「區間操作」之投資評等，就是責任的開始，爾後將透過各式研究報告作定期性、持續性追蹤基本面及股價變化，直到停止推薦。

停止推薦情境：

1. 達目標價。
2. 雖未達原訂目標價，但檢視基本面、訊息面、籌碼面等多方訊息，研判股價上漲空間已然有限，將適時出具降評報告。
3. 推薦後股價不漲反跌，亦將出具降評報告。

【免責聲明】

英業達(2356 TT)　Trading Buy

產能及訂單展望正向，投資建議 Trading Buy

投資建議：我們預估隨零組件的產能逐漸提升，以及商用筆電換機潮和 AI PC 的需求帶動下，2027 年營收將可年增 47.9%，然而近期市場對 AI 基礎建設投資的疑慮升溫，可能限制英業達未來營收上行。綜上所述，我們給予英業達 Trading Buy 的投資建議，目標價 59 元。

10/2026 營收 799.66 億元，YoY+46.02%：英業達 10/2026 營收 799.66 億元，MoM-18.93%，YoY+46.02%，較我們預期的 849.20 億元差異約 5.8%，大致符合預期。

3Q26 營收 2,720.94 億元，QoQ+0.8%：3Q26 營收 2,720.94 億元，QoQ+0.8%，YoY+54.3%；營益率 1.61%；業外淨支出 13.25 億元；歸屬母公司淨利 25.38 億元，稅後 EPS 0.71。EPS 季減主因為業外淨支出。

PC 市場需求疲弱：管理層認為 2026 年為此波循環低點，預估 2027 年全球 PC 市場將呈年增持平至微幅增長，因此可期待 2027 年的 Windows 換機潮以及 AI PC 的需求增長帶動 PC 營收增長。

預估 4Q26 營收 2,840.78 億元，稅後 EPS 0.80 元：我們認為 4Q26 供應端長短料問題尚未顯著改善，且 PC 市場維持疲弱，因此預估 4Q26 營收 2,840.78 億元，QoQ+4.4%；毛利率 4.18%；歸屬母公司淨利 28.75 億元，QoQ+13.3%，稅後 EPS 0.80 元。

預估 2027 年營收 15,179.62 億元，稅後 EPS 4.90 元：我們預期 2027 年零組件供需失衡狀況將好轉，在既有專案不變下，伺服器出貨量將可望年增高個位數，且隨伺服器出貨模式逐漸轉為 L11 乃至 L12，將帶動營收顯著成長，預估 2027 年營收 15,179.62 億元，YoY+47.9%；毛利率 4.09%，YoY-0.3ppts；營益率 1.56%，YoY-0.1ppts，毛利率及營益率衰減主要受產品組合改變所致；歸屬母公司淨利 175.61 億元，稅後 EPS 4.90 元，YoY+49.6%。

註：稅後純益係指本期淨利歸屬於母公司業主；稅後 EPS 以股本 358.75 億元計算。

ESG

環境：公司於 2026 年通過科學基礎減碳目標倡議（SBTi）淨零目標審核，積極推動節能減碳、再生能源使用及資源循環。依公司揭露，2025 年共執行 29 項節能方案，節省約 792 萬度電，廢棄物回收再利用率達 80.3%。此外，公司持續推動綠色產品設計，2025 年取得 861 件產品環保及能效認證，並透過導入回收材料、降低包裝塑膠使用量及研發伺服器液冷技術，降低產品生命週期之環境衝擊。

社會：公司重視員工權益、人才培育及職業安全衛生，持續推動多元共融與友善職場。2025 年員工平均教育訓練時數達 97.28 小時，員工參與度調查回收率為 80.9%，並投入約 1,186 萬元於社會參與活動，透過生態保育、志工服務及公益計畫履行企業社會責任。

公司治理：英業達透過董事會及永續發展相關組織推動 ESG 管理，強化誠信經營、資訊透明及供應鏈風險控管。2025 年女性主管占比達 31.6%，供應商稽核結案率達 100%，違反誠信經營受裁罰案件為零件。此外，公司於 2025 年完成 6.25 億美元 ESG 永續連結聯合授信案，將永續績效指標與融資條件連結，資金主要用於擴充 AI 伺服器產能及海外製造布局，兼顧營運成長與永續發展。

公司簡介

英業達（2356 TT）為全球主要電子產品設計製造服務（ODM）廠商之一，核心業務涵蓋個人電腦及企業級運算設備。公司成立於 1975 年，並於 1997 年在台灣證券交易所上市，早期以電子產品代工為主要業務，1988 年進軍筆記型電腦市場，1998 年進一步拓展伺服器領域，逐步建立個人電腦與企業電腦雙事業布局。

個人產品事業主要提供筆記型電腦及桌上型電腦之研發設計與製造服務；企業電腦事業則涵蓋一般伺服器、AI 伺服器、儲存設備、網路交換器及機櫃級解決方案，應用於企業資料中心、雲端資料中心及主機代管中心。公司具備從伺服器主機板至整機櫃之設計與製造能力，並提供 ODM、JDM 及 CM 等多元合作模式，滿足不同客戶的產品開發與生產需求。

在全球製造布局方面，英業達於台灣、中國、墨西哥及捷克等地設有企業電腦製造營運據點，具備接單生產（BTO）及接單客製化（CTO）能力。隨著雲端運算、AI 及資料中心基礎建設需求持續發展，公司積極布局 AI 伺服器、機櫃整合與先進散熱技術，並透過全球產能配置及研發設計能力，強化產品競爭力與供應鏈韌性。

10/2026 營收 799.66 億元，YoY+46.02%：英業達 10/2026 營收 799.66 億元，MoM-18.93%，YoY+46.02%，較我們預期的 849.20 億元差異約 5.8%，大致符合預期。營收月減主因為 PC 市場需求仍未見好轉，且伺服器端受供應鏈長短料問題影響，導致出貨狀況不如預期。

3Q26 營收 2,720.94 億元，QoQ+0.8%：3Q26 營收 2,720.94 億元，QoQ+0.8%，YoY+54.3%；毛利率 4.17%，QoQ-0.07ppts，營收季增部分原因為零組件漲價帶動 ASP 提升，然而受此影響毛利率因此遭稀釋。此外，產品組合的改變亦使毛利率承壓；營業利益 43.73 億元，QoQ-7.8%，YoY+42.6%，營益率

1.61%；業外淨支出 13.25 億元；歸屬母公司淨利 25.38 億元，稅後 EPS 0.71，QoQ-35.1%。EPS 季減主要受業外淨支出所累。

營運規模擴大及長短料問題，營運成本上升：管理層表示 3Q26 利息費用 22.15 億元，較 3Q25 的 14.76 億元大幅增加 7.39 億元。此外，受供應鏈端長短料問題影響導致出貨遞延，以及零組件漲價造成營運壓力增加，3Q26 存貨年增 112.3%至 1,624.59 億元，帶動存貨週轉天數年增 7 天至 46.2 天。目前大部分存貨為原料及零組件，成品庫存占比極低，長料主要為短期積壓，目前沒有存貨跌價損失的風險，4Q26 營運上仍需視上游供給狀況是否好轉。管理層另表示，目前的資金需求主要透過短期及中長期的銀行額度融通，儘管 2027 年營運規模提升帶動資金需求顯著增加，但仍有信心以非股權稀釋的管道進行籌資。

PC 市場需求疲弱：記憶體漲價及 CPU 缺貨等問題導致 2026 年 PC 市場疲弱。受 1H26 提前拉貨效應及零組件漲價的影響，縱然 3Q26 為傳統旺季，英業達 PC 出貨量仍季減高個位數。然而據我們了解，英業達的 PC 出貨以需求彈性較高的商用為主，約佔 PC 總出貨量的 60-70%，因此在 ASP 提高及出貨量衰退的影響下營收仍可實現增長。管理層認為 2026 年為此波循環低點，預估 2027 年全球 PC 市場將呈年增持平至微幅增長，因此可期待 2027 年的 Windows 換機潮以及 AI PC 的需求增長帶動 PC 營收增長。

2027 年智慧裝置展望樂觀：目前在智慧裝置的營運重心為無線通訊模組、AIoT 以及 Edge AI，其中無線通訊模組部分布局 4G、5G 通訊，並規劃未來推進高速有線通訊模組領域。2026 年智慧裝置原物料漲幅極高，然而目前供應鏈端狀況已初見好轉，預估 2027 年漲幅趨緩，出貨量將呈個位數增長。

AI 資料中心全年展望不變：10/2026 美國期中選舉結果引發市場對資料中心建置的疑慮，然而英業達表示已與客戶確認訂單並未出現調整，CSP 需求仍強勁，惟 Neocloud 的通用型伺服器需求受其資金排擠效果影響較大，短期的出貨量可能會有波動。英業達的德州廠主要是供應全美市場，而非僅針對德州，因此受資料中心相關法案影響較小，並將會持續發展全球布局。

伺服器營收將顯著成長：英業達目前伺服器營收仍以 GPU 及 ASIC 系列為主。目前 Nvidia 的 Vera Rubin 將以 L11 及 L12 為主，HGX 系列則主要出 L10 和 L11；AMD 系列則以 L6 的形式出貨；ASIC 部分則是個別專案而定，，整體以 L6 或 L10 出貨。管理層預期 4Q26 伺服器出貨量將持平 3Q26，成長性主要還是受長短料問題壓抑，客戶端需求及產能方面都維持樂觀。我們認為 2027 年英業達 GPU/ASIC 伺服器出貨量將呈高雙位數增長，且將重心由過往的 L6 逐漸轉往 L10 至 L12 的組裝，成為營收的主要成長動能，但也因此預期毛利率/營益率將難以維持 5%/2%的表現。

預估 4Q26 營收 2,840.78 億元，稅後 EPS 0.80 元：我們認為 4Q26 供應端長短料問題尚未顯著改善，且 PC 市場將維持疲弱，因此預估 4Q26 營收 2,840.78 億元，QoQ+4.4%；毛利率 4.18%；營益率 1.67%；歸屬母公司淨利 28.75 億元，QoQ+13.3%，稅後 EPS 0.80 元。

預估 2027 年營收 15,179.62 億元，稅後 EPS 4.90 元：我們預期 2027 年記憶體、CPU、PCB 及被動元件等零組件供需失衡狀況將好轉，在既有專案不變下，伺服器出貨量將可望年增高個位數，且隨伺服器出貨模式逐漸轉為 L11 乃至 L12，將帶動營收顯著成長，預估 2027 年營收 15,179.62 億元，

YoY+47.9%；毛利率 4.09%，YoY-0.3ppts；營業利益 237.32 億元，營益率 1.56%，YoY-0.1ppts，毛利率及營益率衰減主要受產品組合改變所致，然而毛利淨額/營業利益仍可年增 38.6%/35.8%；歸屬母公司淨利 175.61 億元，稅後 EPS 4.90 元，YoY+49.6%。

投資建議：2H26 英業達受限於 PC 市場的疲弱及供應鏈端的長短料問題，營收成長速度放緩。我們預估隨著記憶體、CPU、PCB 及被動元件等零組件的產能逐漸提升，以及在商用筆電換機潮和 AI PC 的需求帶動下，此一情景可望在 2027 年逐漸緩解。此外，英業達已向客戶確認伺服器展望維持正向，既有訂單將不會有變動，CSP 的需求仍舊強勁。惟近期市場對 CSP 巨頭的現金流擔憂上升，未來 Neocloud 及 Enterprise 的需求不確定性較高，且 AI 資料中心的建置亦可能受未來相關法案所限而推遲，可能限制英業達營收上行。綜上所述，我們給予英業達 Trading Buy 的投資建議，目標價 59 元。

【投資評等說明】

評等	定義
強力買進(Strong Buy)	首次評等潛在上漲空間≥35%
買進(Buy)	15%≤首次評等潛在上漲空間<35%
區間操作(Trading Buy)	5%≤首次評等潛在上漲空間<15%
中立(Neutral)	無法由基本面給予投資評等 預期近期股價將處於盤整 建議降低持股

【投資評等調整機制】

投資評等係「首次」給予特定個股投資評等時，其前一日收盤價相較 3 個月目標價之潛在上漲空間計算而得。個股投資評等分為四個等級，定義如上。爾後的投資評等係依循「首次評等」，直到停止推薦。

「強力買進」、「買進」及「區間操作」均有 upside 目標價。差別僅在於，首次評等時潛在報酬率不同。「中立」則無目標價。

一旦我們給予特定個股「強力買進」、「買進」或「區間操作」之投資評等，就是責任的開始，爾後將透過各式研究報告作定期性、持續性追蹤基本面及股價變化，直到停止推薦。

停止推薦情境：

1. 達目標價。
2. 雖未達原訂目標價，但檢視基本面、訊息面、籌碼面等多方訊息，研判股價上漲空間已然有限，將適時出具降評報告。
3. 推薦後股價不漲反跌。

【免責聲明】

Auras Technology (3324.TWO)

3Q26 Missed on Margins; ASIC Ramp to Drive 4Q26E Recovery

CITI'S TAKE

Auras reported 3Q26 net profit of NT$1,080mn (+11% QOQ/+11% YoY), missing Citi/cons forecasts by 13%/22%, primarily on weaker-than-expected margins. 3Q26 GPM came in at 25.6% (-2.8ppts QoQ/-4.1ppts YoY), below Citi/cons forecasts of 28.2%/29.7%. Lower scale of consumer and air cooling business led to unfavorable leverage, while trial production of new liquid cooling products added further cost pressure. Mgmt. has initiated plans to convert part of the idle capacity to liquid cooling. We maintain our view of +20% QoQ revenue growth in 4Q26E, driven by revenue deferred from 3Q26 and mass production of the ASIC projects liquid cooling version, with GPM recovering on a better product mix. At its annual investor conference on Nov 18, we will focus on the ASIC ramp, Vera Rubin and next generation development progress, 2027 growth and margin outlook, and CDU/DIMM cold plate traction. Reiterate Buy.

Auras Technology

Valuation

We value Auras using a PE-based approach, reflecting its accelerating earnings trajectory and rising share in liquid cooling market of AI servers. Our TP of NT$2,000 is based on 20x 2027E EPS, which we believe is justified given the company's expanding server revenue base, deeper engagement with CSP customers, and broader product portfolio across cold plates, CDMs, and CDUs.

Risks

This stock is High Risk based upon our quantitative model, but assigning a High Risk rating is not supported in our view by other qualitative factors such as rapid RVL progress and Thailand expansion, and so a High Risk rating has not been applied. Key downside risks to our investment thesis and target price include: 1) slower adoption of liquid cooling; 2) heightened price competition; 3) lower-than-expected share in liquid cooling components; and 4) emerging alternative cooling technologies.

If you are visually impaired and would like to speak to a Citi representative regarding the details of the graphics in this document, please call USA 1-888-500-5008 (TTY: 711), from outside the US +1-210-677-3788

Appendix A-1

ANALYST CERTIFICATION

The research analysts primarily responsible for the preparation and content of this research report are either (i) designated by "AC" in the author block or (ii) listed in bold alongside content which is attributable to that analyst. If multiple AC analysts are designated in the author block, each analyst is certifying with respect to the entire research report other than (a) content attributable to another AC certifying analyst listed in bold alongside the content and (b) views expressed solely with respect to a specific issuer which are attributable to another AC certifying analyst identified in the price charts or rating history tables for that issuer shown below. Each of these analysts certify, with respect to the sections of the report for which they are responsible: (1) that the views expressed therein accurately reflect their personal views about each issuer and security referenced and were prepared in an independent manner, including with respect to Citigroup Global Markets Inc. and its affiliates; and (2) no part of the research analyst's compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by that research analyst in this report.

Citigroup Global Markets Inc. or its affiliates received compensation for products and services other than investment banking services from Auras Technology in the past 12 months.

Citigroup Global Markets Inc. or its affiliates currently has, or had within the past 12 months, the following as clients, and the services provided were non-investment-banking, securities-related: Auras Technology.

Citigroup Global Markets Inc. or its affiliates currently has, or had within the past 12 months, the following as clients, and the services provided were non-investment-banking, non-securities-related: Auras Technology.

Analysts' compensation is determined by Citi Research management and Citigroup's senior management and is based upon activities and services intended to benefit the investor clients of Citigroup Global Markets Inc. and its affiliates (the "Firm"). Compensation is not linked to specific transactions or recommendations. Like all Firm employees, analysts receive compensation that is impacted by overall Firm profitability which includes investment banking, sales and trading, and principal trading revenues. One factor in equity research analyst compensation is arranging corporate access events between institutional clients and the management teams of covered companies. Typically, company management is more likely to participate when the analyst has a positive view of the company.

For financial instruments recommended in the Product in which the Firm is not a market maker, the Firm is a liquidity provider in such financial instruments (and any underlying instruments) and may act as principal in connection with transactions in such instruments. The Firm is a regular issuer of traded financial instruments linked to securities that may have been recommended in the Product. The Firm regularly trades in the securities of the issuer(s) discussed in the Product. The Firm may engage in securities transactions in a manner inconsistent with the Product and, with respect to securities covered by the Product, will buy or sell from customers on a principal basis.

Unless stated otherwise neither the Research Analyst nor any member of their team has viewed the material operations of the Companies for which an investment view has been provided within the past 12 months.

For important disclosures (including copies of historical disclosures) regarding the companies that are the subject of this Citi Research product ("the Product"), please contact Citi Research, 388 Greenwich Street, 6th Floor, New York, NY, 10013, Attention: Legal/Compliance [E6WYB6412478]. In addition, the same important disclosures, with the exception of the Valuation and Risk assessments and historical disclosures, are contained on the Firm's disclosure website at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures. Valuation and Risk assessments can be found in the text of the most recent research note/report regarding the subject company. Pursuant to the Market Abuse Regulation a history of all Citi Research recommendations published during the preceding 12-month period can be accessed via Citi Velocity (https://www.citivelocity.com/cv2) or your standard distribution portal. Historical disclosures (for up to the past three years) will be provided upon request.

Citi Research Equity Ratings Distribution

	12 Month Rating			Catalyst Watch		
Data current as of 01 Oct 2026	**Buy**	**Hold**	**Sell**	**Buy**	**Hold**	**Sell**
Citi Research Global Fundamental Coverage (Neutral=Hold)	61%	32%	7%	36%	48%	16%
% of companies in each rating category that are investment banking clients	39%	43%	30%	42%	38%	36%

Guide to Citi Research Fundamental Research Investment Ratings:
Citi Research stock recommendations include an investment rating and an optional risk rating to highlight high risk stocks.
Risk rating takes into account both price volatility and fundamental criteria. Stocks will either have no risk rating or a High risk rating assigned.
Investment Ratings: Citi Research investment ratings are Buy, Neutral and Sell. Our ratings are a function of analyst expectations of expected total return ("ETR") and risk. ETR is the sum of the forecast price appreciation (or depreciation) plus the dividend yield for a stock within the next 12 months. The target price is based on a 12 month time horizon. The Investment rating definitions are: Buy (1) ETR of 15% or more or 25% or more for High risk stocks; and Sell (3) for negative ETR. Any covered stock not assigned a Buy or a Sell is a Neutral (2). For stocks rated Neutral (2), if an analyst believes that there are insufficient valuation drivers and/or investment catalysts to derive a positive or negative investment view, they may elect with the approval of Citi Research management not to assign a target price and, thus, not derive an ETR. Citi Research may suspend its rating and target price and assign "Rating Suspended" status for regulatory and/or internal policy reasons. Citi Research may also suspend its rating and target price and assign "Under Review" status for other exceptional circumstances (e.g. lack of information critical to the analyst's thesis, trading suspension) affecting the company and/or trading in the company's securities. In both such situations, the rating and target price will show as "—" and "-" respectively in the rating history price chart. Prior to 11 April 2022 Citi Research assigned "Under Review" status to both situations and prior to 11 Nov 2020 only in exceptional circumstances. As soon as practically possible, the analyst will publish a note re-establishing a rating and investment thesis. Investment ratings are determined by the ranges described above at the time of initiation of coverage, a change in investment and/or risk rating, or a change in target price (subject to limited management discretion). At times, the expected total returns may fall outside of these ranges because of market price movements and/or other short-term volatility or trading patterns. Such interim deviations will be permitted but will become subject to review by Research Management. Your decision to buy or sell a security should be based upon your personal investment objectives and should be made only after evaluating the stock's expected performance and risk.

Catalyst Watch/Short Term Views ("STV") Ratings Disclosure:
Catalyst Watch and STV Upside/Downside calls: Citi Research may also include a Catalyst Watch or STV Upside or Downside call to indicate the analyst expects the share price to rise (fall) in absolute terms over a specified period of 30 or 90 days in reaction to one or more specific near-term catalysts or events impacting the company or the market. A Catalyst Watch will be published when Analyst confidence is high that an impact to share price will occur; it will be a STV when confidence level is moderate. A Catalyst Watch or STV Upside/Downside call will automatically expire at the end of the specified 30/90 day period. The Catalyst Watch will also be automatically removed if share price performance (calculated at market close) exceeds 15% against the direction of the call (unless over-ridden by the analyst). The analyst may also remove a Catalyst Watch or STV call prior to the end of the specified period in a published research note. A Catalyst Watch/STV Upside or Downside call may be

different from and does not affect a stock's fundamental equity rating, which reflects a longer-term total absolute return expectation. For purposes of FINRA ratings-distribution-disclosure rules, a Catalyst Watch/STV Upside call corresponds to a buy recommendation and a Catalyst Watch/STV Downside call corresponds to a sell recommendation. Any stock not assigned to a Catalyst Watch Upside, Catalyst Watch Downside, STV Upside, or STV Downside call is considered Catalyst Watch/STV No View. For purposes of FINRA ratings distribution-disclosure rules, we correspond Catalyst Watch/STV No View to Hold in our ratings distribution table for our Catalyst Watch/STV Upside/Downside rating system. However, we reiterate that we do not consider No View to be a recommendation. For all Catalyst Watch/STV Upside/Downside calls, risk exists that the catalyst(s) and associated share-price movement will not materialize as expected.

Privately held companies:
The legal entities through which Citi conducts its business do not permit investment research recommendations, ratings, target prices, or estimates on any privately held companies ("private companies") referenced herein. Citi Research does not utilize a rating system for private companies. Any information on private companies in this report is based on generally available information and, although obtained from sources believed by Citi to be reliable, its accuracy and completeness are not guaranteed. Private companies are generally not subject to reporting obligations, which may result in less publicly available information. The information contained in this report may differ from information a private company may subsequently make public or otherwise share with investors. Continuation of publishing private company reports or private company sections within reports is at Citi's discretion, in accordance with internal policies.

RESEARCH ANALYST AFFILIATIONS / NON-US RESEARCH ANALYST DISCLOSURES
The legal entities employing the authors of this report are listed below (and their regulators are listed further herein). Non-US research analysts who have prepared this report (i.e., all research analysts listed below other than those identified as employed by Citigroup Global Markets Inc.) are not registered/qualified as research analysts with FINRA. Such research analysts may not be associated persons of the member organization (but are employed by an affiliate of the member organization) and therefore may not be subject to the FINRA Rule 2241 restrictions on communications with a subject company, public appearances and trading securities held by a research analyst account.

Citigroup Global Markets Taiwan Securities Company Limited	Michael Hung; Laura (Chia Yi) Chen

OTHER DISCLOSURES

Any price(s) of instruments mentioned in recommendations are as of the prior day's market close on the primary market for the instrument, unless otherwise stated.

The completion and first dissemination of any recommendations made within this research report are as of the Eastern date-time displayed at the top of the Product. If the Product references views of other analysts then please refer to the price chart or rating history table for the date/time of completion and first dissemination with respect to that view.

Regulations in various jurisdictions require that where a recommendation differs from any of the author's previous recommendations concerning the same financial instrument or issuer that has been published during the preceding 12-month period that the change(s) and the date of that previous recommendation are indicated. For fundamental coverage please refer to the price chart or rating change history within this disclosure appendix or the issuer disclosure summary at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

Citi Research has implemented policies for identifying, considering and managing potential conflicts of interest arising as a result of publication or distribution of investment research. A description of these policies can be found at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

The proportion of all Citi Research research recommendations that were the equivalent to "Buy","Hold","Sell" at the end of each quarter over the prior 12 months (with the % of these that had received investment firm services from Citi in the prior 12 months shown in brackets) is as follows; Q2 2026 Buy 33%(63%), Hold 44% (51%), Sell 23% (49%), RV 0.5% (87%): Q1 2026 Buy 33% (63%), Hold 44% (52%), Sell 23% (46%), RV 0.5% (89%); Q4 2025 Buy 33% (63%), Hold 44% (50%), Sell 23% (46%), RV 0.4% (91%); Q3 2025 Buy 33%(61%), Hold 44% (52%), Sell 23% (50%), RV 0.4% (80%). For the purposes of disclosing recommendations other than for equity (whose definitions can be found in the corresponding disclosure sections), "Buy" means a positive directional trade idea; "Sell" means a negative directional trade idea; and "Relative Value" means any trade idea which does not have a clear direction to the investment strategy.

European regulations require a 5 year price history when past performance of a security is referenced. CitiVelocity's Charting Tool (https://www.citivelocity.com/cv2/#go/CHARTING_3_Equities) provides the facility to create customisable price charts including a five year option. This tool can be found in the Data & Analytics section under any of the asset class menus in CitiVelocity (https://www.citivelocity.com/). For further information contact CitiVelocity support (https://www.citivelocity.com/cv2/go/CLIENT_SUPPORT). The source for all referenced prices, unless otherwise stated, is DataCentral, which sources price information from LSEG Data & Analytics. Past performance is not a guarantee or reliable indicator of future results. Forecasts are not a guarantee or reliable indicator of future performance.

Investors should always consider the investment objectives, risks, and charges and expenses of an ETF carefully before investing. The applicable prospectus and key investor information document (as applicable) for an ETF should contain this and other information about such ETF. It is important to read carefully any such prospectus before investing. Clients may obtain prospectuses and key investor information documents for ETFs from the applicable distributor or authorized participant, the exchange upon which an ETF is listed and/or from the applicable website of the applicable ETF issuer. The value of the investments and any accruing income may fall or rise. Any past performance, prediction or forecast is not indicative of future or likely performance. Any information on ETFs contained herein is provided strictly for illustrative purposes and should not be

deemed an offer to sell or a solicitation of an offer to purchase units of any ETF either explicitly or implicitly. The opinions expressed are those of the authors and do not necessarily reflect the views of ETF issuers, any of their agents or their affiliates.

Citigroup Global Markets India Private Limited and/or its affiliates may have, from time to time, actual or beneficial ownership of 1% or more in the debt securities of the subject issuer.

Please be advised that pursuant to Executive Order 13959 as amended (the “Order”), U.S. persons are prohibited from investing in securities of any company determined by the United States Government to be the subject of the Order. This research is not intended to be used or relied upon in any way that could result in a violation of the Order. Investors are encouraged to rely upon their own legal counsel for advice on compliance with the Order and other economic sanctions programs administered and enforced by the Office of Foreign Assets Control of the U.S. Treasury Department.

This communication is directed at persons who are "Eligible Clients" as such term is defined in the Israeli Regulation of Investment Advice, Investment Marketing and Investment Portfolio Management law, 1995 (the "Advisory Law"). Within Israel, this communication is not intended for retail clients and Citi will not make such products or transactions available to retail clients or to non-Eligible Clients. The presenter is not licensed as investment advisor or investment marketer by the Israeli Securities Authority (“ISA”) and this communication does not constitute investment or marketing advice. The information contained herein may relate to matters that are not regulated by the ISA. Any securities which are the subject of this communication may not be offered or sold to any Israeli person except pursuant to a security offering exemption according to the Israeli Securities Law, 1968and the public offering rules provided thereunder.

Citi Research broadly and simultaneously disseminates its research content to the Firm’s institutional and retail clients via the Firm’s proprietary electronic distribution platforms (e.g., Citi Velocity and various Global Wealth platforms). As a convenience, certain, but not all, research content may be distributed through third party aggregators. Clients may receive published research reports by email, on a discretionary basis, and only after such research content has been broadly disseminated. Certain research is made available only to institutional investors to satisfy regulatory requirements. The level and types of services provided by Citi Research analysts to clients may vary depending on various factors such as the client’s individual preferences as to the frequency and manner of receiving communications from analysts, the client’s risk profile and investment focus and perspective (e.g. market-wide, sector specific, long term, short-term etc.), the size and scope of the overall client relationship with the Firm and legal and regulatory constraints.

Pursuant to Comissão de Valores Mobiliários Resolução 20 and ASIC Regulatory Guide 264, Citi is required to disclose whether a Citi related company or business has a commercial relationship with the subject company. Considering that Citi operates multiple businesses in more than 100 countries around the world, it is likely that Citi has a commercial relationship with the subject company.

Securities recommended, offered, or sold by the Firm: (i) are not insured by the Federal Deposit Insurance Corporation; (ii) are not deposits or other obligations of any insured depository institution (including Citibank); and (iii) are subject to investment risks, including the possible loss of the principal amount invested. The Product is for informational purposes only and is not intended as an offer or solicitation for the purchase or sale of a security. Any decision to purchase securities mentioned in the Product must take into account existing public information on such security or any registered prospectus. Although information has been obtained from and is based upon sources that the Firm believes to be reliable, we do not guarantee its accuracy and it may be incomplete and condensed. Note, however, that the Firm has taken all reasonable steps to determine the accuracy and completeness of the disclosures made in the Important Disclosures section of the Product. The Firm's research department has received assistance from the subject company(ies) referred to in this Product including, but not limited to, discussions with management of the subject company(ies). Firm policy prohibits research analysts from sending draft research to subject companies. However, it should be presumed that the author of the Product has had discussions with the subject company to ensure factual accuracy prior to publication. Statements and views concerning ESG (environmental, social, governance) factors are typically based upon public statements made by the affected company or other public news, which the author may not have independently verified. ESG factors are one consideration that investors may choose to examine when making investment decisions. All opinions, projections and estimates constitute the judgment of the author as of the date of the Product and these, plus any other information contained in the Product, are subject to change without notice. Prices and availability of financial instruments also are subject to change without notice. Notwithstanding other departments within the Firm advising the companies discussed in this Product, information obtained in such role is not used in the preparation of the Product. Although Citi Research does not set a predetermined frequency for publication, if the Product is a fundamental equity or credit research report, it is the intention of Citi Research to provide research coverage of the covered issuers, including in response to news affecting the issuer. For non-fundamental research reports, Citi Research may not provide regular updates to the views, recommendations and facts included in the reports. Notwithstanding that Citi Research maintains coverage on, makes recommendations concerning or discusses issuers, Citi Research may be periodically restricted from referencing certain issuers due to legal or policy reasons. Where a component of a published trade idea is subject to a restriction, the trade idea will be removed from any list of open trade ideas included in the Product. Upon the lifting of the restriction, the trade idea will either be re-instated in the open trade ideas list if the analyst continues to support it or it will be officially closed. Citi Research may provide different research products and services to different classes of customers (for example, based upon long-term or short-term investment horizons) that may lead to differing conclusions or recommendations that could impact the price of a security contrary to the recommendations in the alternative research product, provided that each is consistent with the rating system for each respective product.

Investing in non-U.S. securities, including ADRs, may entail certain risks. The securities of non-U.S. issuers may not be registered with, nor be subject to the reporting requirements of the U.S. Securities and Exchange Commission. There may be

limited information available on foreign securities. Foreign companies are generally not subject to uniform audit and reporting standards, practices and requirements comparable to those in the U.S. Securities of some foreign companies may be less liquid and their prices more volatile than securities of comparable U.S. companies. In addition, exchange rate movements may have an adverse effect on the value of an investment in a foreign stock and its corresponding dividend payment for U.S. investors. Net dividends to ADR investors are estimated, using withholding tax rates conventions, deemed accurate, but investors are urged to consult their tax advisor for exact dividend computations. Investors who have received the Product from the Firm may be prohibited in certain states or other jurisdictions from purchasing securities mentioned in the Product from the Firm. Please ask your Financial Consultant for additional details. Citigroup Global Markets Inc. takes responsibility for the Product in the United States. Any orders by US investors resulting from the information contained in the Product may be placed only through Citigroup Global Markets Inc.

The Citigroup legal entity that takes responsibility for the production of the Product is the legal entity which the first named author is employed by.

Financial products and/or services to which the Materialsrelate will only be made available to Professional Clients and MarketCounterparties. Citigroup Global Markets Limited DIFC Branch registered addressis Level 3, Gate District Building 02, Dubai International Financial Centre andcan be contacted on +971 4 509 97 90.

The Product is made available in **United Kingdom** by Citigroup Global Markets Limited, which is authorised by the Prudential Regulation Authority ("PRA") and regulated by the Financial Conduct Authority ("FCA") and the PRA. This material may relate to investments or services of a person outside of the UK or to other matters which are not authorised by the PRA nor regulated by the FCA and the PRA and further details as to where this may be the case are available upon request in respect of this material. Citigroup Centre, Canada Square, Canary Wharf, London, E14 5LB.

The Product is made available in **United States** and **Canada** by Citigroup Global Markets Inc., which is a member of FINRA and registered with the US Securities and Exchange Commission. 388 Greenwich Street, New York, NY 10013.

Unless specified to the contrary, within EU Member States, the Product is made available by Citigroup Global Markets Europe AG ("CGME"), which is regulated by the European Central Bank and the German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht-BaFin).

The Product is not to be construed as providing investment services in any jurisdiction where the provision of such services would not be permitted.
Subject to the nature and contents of the Product, the investments described therein are subject to fluctuations in price and/or value and investors may get back less than originally invested. Certain high-volatility investments can be subject to sudden and large falls in value that could equal or exceed the amount invested.The yield and average life of CMOs (collateralized mortgage obligations) referenced in this Product will fluctuate depending on the actual rate at which mortgage holders prepay the mortgages underlying the CMO and changes in current interest rates. Any government agency backing of the CMO applies only to the face value of the CMO and not to any premium paid. Certain investments contained in the Product may have tax implications for private customers whereby levels and basis of taxation may be subject to change. If in doubt, investors should seek advice from a tax adviser. The Product does not purport to identify the nature of the specific market or other risks associated with a particular transaction. Advice in the Product is general and should not be construed as personal advice given it has been prepared without taking account of the objectives, financial situation or needs of any particular investor. Accordingly, investors should, before acting on the advice, consider the appropriateness of the advice, having regard to their objectives, financial situation and needs. Prior to acquiring any financial product, it is the client's responsibility to obtain the relevant offer document for the product and consider it before making a decision as to whether to purchase the product.

Card Insights. Where this report references Card Insights data, Card Insights consists of selected data from a subset of Citi's proprietary credit card transactions. Such data has undergone rigorous security protocols to keep all customer information confidential and secure; the data is highly aggregated and anonymized so that all unique customer identifiable information is removed from the data prior to receipt by the report's author or distribution to external parties. This data should be considered in the context of other economic indicators and publicly available information. Further, the selected data represents only a subset of Citi's proprietary credit card transactions due to the selection methodology or other limitations and should not be considered as indicative or predictive of the past or future financial performance of Citi or its credit card business.

Merida (9914.TW)

3Q26 Miss on Weaker Core and Larger SBC Loss

CITI'S TAKE

Merida's 3Q26 EPS of NT$0.59 fell 72% y/y, missing our/BBG estimates by 71%/64% each, reflecting weaker core operations and a larger loss from SBC. 3Q sales fell 16% y/y; 11% below our/BBG expectations, while weaker margins at its own-brand subsidiaries drove a 4.6ppt q/q drop in GPM to 15.2%. That, along with a larger than expected deleverage, resulted in op profits dipping 10% y/y to NT$384mn, missing both our/BBG estimates by 41%/37% respectively. Merida recorded a NT$150mn non-op loss, driven mostly by the investment loss from SBC (NT$136mn). We expect a negative share price reaction given the operating miss and weaker SBC contribution. We await more detail on the recovery outlook at the company's Nov 17th results briefing.

More details on SBC — SBC's 9M26 sales declined by a single digit y/y with stable GPM and improving opex. Pre-tax profits rose 40% y/y in 9M26. Yet the higher effective tax rate dragged profitability, leading to a net loss of US$25mn in 9M26. Mgmt expects SBC to launch more new products in 2027E which should further drive the top-line and earnings recovery.

Implications — We expect a negative share price reaction to the results print given the weaker-than-expected core biz and the SBC loss. Mgmt expects FY26 sales to fall 14-15% y/y with 4Q OEM sales seasonally softer than 3Q. New models are due from Jan-27 and mgmt expects low-teens growth y/y for FY27E. We will look for more detail on the drivers of the expected sales recovery at its 3Q26 results briefing next Tuesday, Nov 17.

Merida

Valuation

Our target price for Merida shares of NT$93 is based on a 2H26-1H27E P/E of 15.5x, a 30% discount to its historical average of 22x during pre-Covid years (2014-2019), in view of soft order momentum as a result of slow recovery in bike demand, a volatile margin trend, and low visibility of SBC.

Risks

Downside risks that could mean the Merida shares trade below our target price include: 1) e-bike adoption slower than expected; 2) weaker restocking demand; 3) lukewarm sell-through at SBC; and 4) a weaker macro.

Upside risks that could mean the Merida shares trade above our target price include: 1) e-bike adoption faster than expected; 2) stronger restocking demand; 3) stronger sell-through at SBC; and 4) a strong macro.

Appendix A-1

ANALYST CERTIFICATION

The research analysts primarily responsible for the preparation and content of this research report are either (i) designated by "AC" in the author block or (ii) listed in bold alongside content which is attributable to that analyst. If multiple AC analysts are designated in the author block, each analyst is certifying with respect to the entire research report other than (a) content attributable to another AC certifying analyst listed in bold alongside the content and (b) views expressed solely with respect to a specific issuer which are attributable to another AC certifying analyst identified in the price charts or rating history tables for that issuer shown below. Each of these analysts certify, with respect to the sections of the report for which they are responsible: (1) that the views expressed therein accurately reflect their personal views about each issuer and security referenced and were prepared in an independent manner, including with respect to Citigroup Global Markets Inc. and its affiliates; and (2) no part of the research analyst's compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by that research analyst in this report.

Analysts' compensation is determined by Citi Research management and Citigroup's senior management and is based upon activities and services intended to benefit the investor clients of Citigroup Global Markets Inc. and its affiliates (the "Firm"). Compensation is not linked to specific transactions or recommendations. Like all Firm employees, analysts receive

compensation that is impacted by overall Firm profitability which includes investment banking, sales and trading, and principal trading revenues. One factor in equity research analyst compensation is arranging corporate access events between institutional clients and the management teams of covered companies. Typically, company management is more likely to participate when the analyst has a positive view of the company.

For financial instruments recommended in the Product in which the Firm is not a market maker, the Firm is a liquidity provider in such financial instruments (and any underlying instruments) and may act as principal in connection with transactions in such instruments. The Firm is a regular issuer of traded financial instruments linked to securities that may have been recommended in the Product. The Firm regularly trades in the securities of the issuer(s) discussed in the Product. The Firm may engage in securities transactions in a manner inconsistent with the Product and, with respect to securities covered by the Product, will buy or sell from customers on a principal basis.

Unless stated otherwise neither the Research Analyst nor any member of their team has viewed the material operations of the Companies for which an investment view has been provided within the past 12 months.

For important disclosures (including copies of historical disclosures) regarding the companies that are the subject of this Citi Research product ("the Product"), please contact Citi Research, 388 Greenwich Street, 6th Floor, New York, NY, 10013, Attention: Legal/Compliance [E6WYB6412478]. In addition, the same important disclosures, with the exception of the Valuation and Risk assessments and historical disclosures, are contained on the Firm's disclosure website at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures. Valuation and Risk assessments can be found in the text of the most recent research note/report regarding the subject company. Pursuant to the Market Abuse Regulation a history of all Citi Research recommendations published during the preceding 12-month period can be accessed via Citi Velocity (https://www.citivelocity.com/cv2) or your standard distribution portal. Historical disclosures (for up to the past three years) will be provided upon request.

Citi Research Equity Ratings Distribution

	12 Month Rating			Catalyst Watch		
Data current as of 01 Oct 2026	**Buy**	**Hold**	**Sell**	**Buy**	**Hold**	**Sell**
Citi Research Global Fundamental Coverage (Neutral=Hold)	61%	32%	7%	36%	48%	16%
% of companies in each rating category that are investment banking clients	39%	43%	30%	42%	38%	36%

Guide to Citi Research Fundamental Research Investment Ratings:
Citi Research stock recommendations include an investment rating and an optional risk rating to highlight high risk stocks.
Risk rating takes into account both price volatility and fundamental criteria. Stocks will either have no risk rating or a High risk rating assigned.
Investment Ratings: Citi Research investment ratings are Buy, Neutral and Sell. Our ratings are a function of analyst expectations of expected total return ("ETR") and risk. ETR is the sum of the forecast price appreciation (or depreciation) plus the dividend yield for a stock within the next 12 months. The target price is based on a 12 month time horizon. The Investment rating definitions are: Buy (1) ETR of 15% or more or 25% or more for High risk stocks; and Sell (3) for negative ETR. Any covered stock not assigned a Buy or a Sell is a Neutral (2). For stocks rated Neutral (2), if an analyst believes that there are insufficient valuation drivers and/or investment catalysts to derive a positive or negative investment view, they may elect with the approval of Citi Research management not to assign a target price and, thus, not derive an ETR. Citi Research may suspend its rating and target price and assign “Rating Suspended” status for regulatory and/or internal policy reasons. Citi Research may also suspend its rating and target price and assign "Under Review" status for other exceptional circumstances (e.g. lack of information critical to the analyst's thesis, trading suspension) affecting the company and/or trading in the company's securities. In both such situations, the rating and target price will show as “—“ and “-“ respectively in the rating history price chart. Prior to 11 April 2022 Citi Research assigned “Under Review” status to both situations and prior to 11 Nov 2020 only in exceptional circumstances. As soon as practically possible, the analyst will publish a note re-establishing a rating and investment thesis. Investment ratings are determined by the ranges described above at the time of initiation of coverage, a change in investment and/or risk rating, or a change in target price (subject to limited management discretion). At times, the expected total returns may fall outside of these ranges because of market price movements and/or other short-term volatility or trading patterns. Such interim deviations will be permitted but will become subject to review by Research Management. Your decision to buy or sell a security should be based upon your personal investment objectives and should be made only after evaluating the stock's expected performance and risk.

Catalyst Watch/Short Term Views (“STV”) Ratings Disclosure:
Catalyst Watch and STV Upside/Downside calls: Citi Research may also include a Catalyst Watch or STV Upside or Downside call to indicate the analyst expects the share price to rise (fall) in absolute terms over a specified period of 30 or 90 days in reaction to one or more specific near-term catalysts or events impacting the company or the market. A Catalyst Watch will be published when Analyst confidence is high that an impact to share price will occur; it will be a STV when confidence level is moderate. A Catalyst Watch or STV Upside/Downside call will automatically expire at the end of the specified 30/90 day period. The Catalyst Watch will also be automatically removed if share price performance (calculated at market close) exceeds 15% against the direction of the call (unless over-ridden by the analyst). The analyst may also remove a Catalyst Watch or STV call prior to the end of the specified period in a published research note. A Catalyst Watch/STV Upside or Downside call may be different from and does not affect a stock’s fundamental equity rating, which reflects a longer-term total absolute return expectation. For purposes of FINRA ratings-distribution-disclosure rules, a Catalyst Watch/STV Upside call corresponds to a buy recommendation and a Catalyst Watch/STV Downside call corresponds to a sell recommendation. Any stock not assigned

to a Catalyst Watch Upside, Catalyst Watch Downside, STV Upside, or STV Downside call is considered Catalyst Watch/STV No View. For purposes of FINRA ratings distribution-disclosure rules, we correspond Catalyst Watch/STV No View to Hold in our ratings distribution table for our Catalyst Watch/STV Upside/Downside rating system. However, we reiterate that we do not consider No View to be a recommendation. For all Catalyst Watch/STV Upside/Downside calls, risk exists that the catalyst(s) and associated share-price movement will not materialize as expected.

Privately held companies:

The legal entities through which Citi conducts its business do not permit investment research recommendations, ratings, target prices, or estimates on any privately held companies ("private companies") referenced herein. Citi Research does not utilize a rating system for private companies. Any information on private companies in this report is based on generally available information and, although obtained from sources believed by Citi to be reliable, its accuracy and completeness are not guaranteed. Private companies are generally not subject to reporting obligations, which may result in less publicly available information. The information contained in this report may differ from information a private company may subsequently make public or otherwise share with investors. Continuation of publishing private company reports or private company sections within reports is at Citi's discretion, in accordance with internal policies.

RESEARCH ANALYST AFFILIATIONS / NON-US RESEARCH ANALYST DISCLOSURES

The legal entities employing the authors of this report are listed below (and their regulators are listed further herein). Non-US research analysts who have prepared this report (i.e., all research analysts listed below other than those identified as employed by Citigroup Global Markets Inc.) are not registered/qualified as research analysts with FINRA. Such research analysts may not be associated persons of the member organization (but are employed by an affiliate of the member organization) and therefore may not be subject to the FINRA Rule 2241 restrictions on communications with a subject company, public appearances and trading securities held by a research analyst account.

Citigroup Global Markets Taiwan Securities Company Limited	Angela Hsu

OTHER DISCLOSURES

Any price(s) of instruments mentioned in recommendations are as of the prior day's market close on the primary market for the instrument, unless otherwise stated.

The completion and first dissemination of any recommendations made within this research report are as of the Eastern date-time displayed at the top of the Product. If the Product references views of other analysts then please refer to the price chart or rating history table for the date/time of completion and first dissemination with respect to that view.

Regulations in various jurisdictions require that where a recommendation differs from any of the author's previous recommendations concerning the same financial instrument or issuer that has been published during the preceding 12-month period that the change(s) and the date of that previous recommendation are indicated. For fundamental coverage please refer to the price chart or rating change history within this disclosure appendix or the issuer disclosure summary at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

Citi Research has implemented policies for identifying, considering and managing potential conflicts of interest arising as a result of publication or distribution of investment research. A description of these policies can be found at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

The proportion of all Citi Research research recommendations that were the equivalent to "Buy","Hold","Sell" at the end of each quarter over the prior 12 months (with the % of these that had received investment firm services from Citi in the prior 12 months shown in brackets) is as follows; Q2 2026 Buy 33%(63%), Hold 44% (51%), Sell 23% (49%), RV 0.5% (87%): Q1 2026 Buy 33% (63%), Hold 44% (52%), Sell 23% (46%), RV 0.5% (89%); Q4 2025 Buy 33% (63%), Hold 44% (50%), Sell 23% (46%), RV 0.4% (91%); Q3 2025 Buy 33%(61%), Hold 44% (52%), Sell 23% (50%), RV 0.4% (80%). For the purposes of disclosing recommendations other than for equity (whose definitions can be found in the corresponding disclosure sections), "Buy" means a positive directional trade idea; "Sell" means a negative directional trade idea; and "Relative Value" means any trade idea which does not have a clear direction to the investment strategy.

European regulations require a 5 year price history when past performance of a security is referenced. CitiVelocity's Charting Tool (https://www.citivelocity.com/cv2/#go/CHARTING_3_Equities) provides the facility to create customisable price charts including a five year option. This tool can be found in the Data & Analytics section under any of the asset class menus in CitiVelocity (https://www.citivelocity.com/). For further information contact CitiVelocity support (https://www.citivelocity.com/cv2/go/CLIENT_SUPPORT). The source for all referenced prices, unless otherwise stated, is DataCentral, which sources price information from LSEG Data & Analytics. Past performance is not a guarantee or reliable indicator of future results. Forecasts are not a guarantee or reliable indicator of future performance.

Investors should always consider the investment objectives, risks, and charges and expenses of an ETF carefully before investing. The applicable prospectus and key investor information document (as applicable) for an ETF should contain this and other information about such ETF. It is important to read carefully any such prospectus before investing. Clients may obtain prospectuses and key investor information documents for ETFs from the applicable distributor or authorized participant, the exchange upon which an ETF is listed and/or from the applicable website of the applicable ETF issuer. The value of the investments and any accruing income may fall or rise. Any past performance, prediction or forecast is not indicative of future or likely performance. Any information on ETFs contained herein is provided strictly for illustrative purposes and should not be deemed an offer to sell or a solicitation of an offer to purchase units of any ETF either explicitly or implicitly. The opinions expressed are those of the authors and do not necessarily reflect the views of ETF issuers, any of their agents or their affiliates.

Citigroup Global Markets India Private Limited and/or its affiliates may have, from time to time, actual or beneficial ownership of 1% or more in the debt securities of the subject issuer.

Please be advised that pursuant to Executive Order 13959 as amended (the “Order”), U.S. persons are prohibited from investing in securities of any company determined by the United States Government to be the subject of the Order. This research is not intended to be used or relied upon in any way that could result in a violation of the Order. Investors are encouraged to rely upon their own legal counsel for advice on compliance with the Order and other economic sanctions programs administered and enforced by the Office of Foreign Assets Control of the U.S. Treasury Department.

This communication is directed at persons who are "Eligible Clients" as such term is defined in the Israeli Regulation of Investment Advice, Investment Marketing and Investment Portfolio Management law, 1995 (the "Advisory Law"). Within Israel, this communication is not intended for retail clients and Citi will not make such products or transactions available to retail clients or to non-Eligible Clients. The presenter is not licensed as investment advisor or investment marketer by the Israeli Securities Authority (“ISA”) and this communication does not constitute investment or marketing advice. The information contained herein may relate to matters that are not regulated by the ISA. Any securities which are the subject of this communication may not be offered or sold to any Israeli person except pursuant to a security offering exemption according to the Israeli Securities Law, 1968and the public offering rules provided thereunder.

Citi Research broadly and simultaneously disseminates its research content to the Firm’s institutional and retail clients via the Firm’s proprietary electronic distribution platforms (e.g., Citi Velocity and various Global Wealth platforms). As a convenience, certain, but not all, research content may be distributed through third party aggregators. Clients may receive published research reports by email, on a discretionary basis, and only after such research content has been broadly disseminated. Certain research is made available only to institutional investors to satisfy regulatory requirements. The level and types of services provided by Citi Research analysts to clients may vary depending on various factors such as the client’s individual preferences as to the frequency and manner of receiving communications from analysts, the client’s risk profile and investment focus and perspective (e.g. market-wide, sector specific, long term, short-term etc.), the size and scope of the overall client relationship with the Firm and legal and regulatory constraints.

Pursuant to Comissão de Valores Mobiliários Resolução 20 and ASIC Regulatory Guide 264, Citi is required to disclose whether a Citi related company or business has a commercial relationship with the subject company. Considering that Citi operates multiple businesses in more than 100 countries around the world, it is likely that Citi has a commercial relationship with the subject company.

Securities recommended, offered, or sold by the Firm: (i) are not insured by the Federal Deposit Insurance Corporation; (ii) are not deposits or other obligations of any insured depository institution (including Citibank); and (iii) are subject to investment risks, including the possible loss of the principal amount invested. The Product is for informational purposes only and is not intended as an offer or solicitation for the purchase or sale of a security. Any decision to purchase securities mentioned in the Product must take into account existing public information on such security or any registered prospectus. Although information has been obtained from and is based upon sources that the Firm believes to be reliable, we do not guarantee its accuracy and it may be incomplete and condensed. Note, however, that the Firm has taken all reasonable steps to determine the accuracy and completeness of the disclosures made in the Important Disclosures section of the Product. The Firm's research department has received assistance from the subject company(ies) referred to in this Product including, but not limited to, discussions with management of the subject company(ies). Firm policy prohibits research analysts from sending draft research to subject companies. However, it should be presumed that the author of the Product has had discussions with the subject company to ensure factual accuracy prior to publication. Statements and views concerning ESG (environmental, social, governance) factors are typically based upon public statements made by the affected company or other public news, which the author may not have independently verified. ESG factors are one consideration that investors may choose to examine when making investment decisions. All opinions, projections and estimates constitute the judgment of the author as of the date of the Product and these, plus any other information contained in the Product, are subject to change without notice. Prices and availability of financial instruments also are subject to change without notice. Notwithstanding other departments within the Firm advising the companies discussed in this Product, information obtained in such role is not used in the preparation of the Product. Although Citi Research does not set a predetermined frequency for publication, if the Product is a fundamental equity or credit research report, it is the intention of Citi Research to provide research coverage of the covered issuers, including in response to news affecting the issuer. For non-fundamental research reports, Citi Research may not provide regular updates to the views, recommendations and facts included in the reports. Notwithstanding that Citi Research maintains coverage on, makes recommendations concerning or discusses issuers, Citi Research may be periodically restricted from referencing certain issuers due to legal or policy reasons. Where a component of a published trade idea is subject to a restriction, the trade idea will be removed from any list of open trade ideas included in the Product. Upon the lifting of the restriction, the trade idea will either be re-instated in the open trade ideas list if the analyst continues to support it or it will be officially closed. Citi Research may provide different research products and services to different classes of customers (for example, based upon long-term or short-term investment horizons) that may lead to differing conclusions or recommendations that could impact the price of a security contrary to the recommendations in the alternative research product, provided that each is consistent with the rating system for each respective product.

Investing in non-U.S. securities, including ADRs, may entail certain risks. The securities of non-U.S. issuers may not be registered with, nor be subject to the reporting requirements of the U.S. Securities and Exchange Commission. There may be limited information available on foreign securities. Foreign companies are generally not subject to uniform audit and reporting standards, practices and requirements comparable to those in the U.S. Securities of some foreign companies may be less liquid and their prices more volatile than securities of comparable U.S. companies. In addition, exchange rate movements may have an adverse effect on the value of an investment in a foreign stock and its corresponding dividend payment for U.S.

investors. Net dividends to ADR investors are estimated, using withholding tax rates conventions, deemed accurate, but investors are urged to consult their tax advisor for exact dividend computations. Investors who have received the Product from the Firm may be prohibited in certain states or other jurisdictions from purchasing securities mentioned in the Product from the Firm. Please ask your Financial Consultant for additional details. Citigroup Global Markets Inc. takes responsibility for the Product in the United States. Any orders by US investors resulting from the information contained in the Product may be placed only through Citigroup Global Markets Inc.

The Citigroup legal entity that takes responsibility for the production of the Product is the legal entity which the first named author is employed by.

The Product is not to be construed as providing investment services in any jurisdiction where the provision of such services would not be permitted.
Subject to the nature and contents of the Product, the investments described therein are subject to fluctuations in price and/or value and investors may get back less than originally invested. Certain high-volatility investments can be subject to sudden and large falls in value that could equal or exceed the amount invested.The yield and average life of CMOs (collateralized mortgage obligations) referenced in this Product will fluctuate depending on the actual rate at which mortgage holders prepay the mortgages underlying the CMO and changes in current interest rates. Any government agency backing of the CMO applies only to the face value of the CMO and not to any premium paid. Certain investments contained in the Product may have tax implications for private customers whereby levels and basis of taxation may be subject to change. If in doubt, investors should seek advice from a tax adviser. The Product does not purport to identify the nature of the specific market or other risks associated with a particular transaction. Advice in the Product is general and should not be construed as personal advice given it has been prepared without taking account of the objectives, financial situation or needs of any particular investor. Accordingly, investors should, before acting on the advice, consider the appropriateness of the advice, having regard to their objectives, financial situation and needs. Prior to acquiring any financial product, it is the client's responsibility to obtain the relevant offer document for the product and consider it before making a decision as to whether to purchase the product.

Card Insights. Where this report references Card Insights data, Card Insights consists of selected data from a subset of Citi’s proprietary credit card transactions. Such data has undergone rigorous security protocols to keep all customer information confidential and secure; the data is highly aggregated and anonymized so that all unique customer identifiable information is removed from the data prior to receipt by the report’s author or distribution to external parties. This data should be considered in the context of other economic indicators and publicly available information. Further, the selected data represents only a subset of Citi’s proprietary credit card transactions due to the selection methodology or other limitations and should not be considered as indicative or predictive of the past or future financial performance of Citi or its credit card business.

Citi Research product may source data from dataCentral. dataCentral is a Citi Research proprietary database, which includes the Firm's estimates, data from company reports and feeds from LSEG Data & Analytics. The source for all referenced prices, unless otherwise stated, is DataCentral. Past performance is not a guarantee or reliable indicator of future results. Forecasts are not a guarantee or reliable indicator of future performance. The printed and printable version of the research report may not include all the information <(e.g. certain financial summary information and comparable company data) that is linked to the online version available on the Firm's proprietary electronic distribution platforms.

MPI (6223.TWO)

3Q26 result beat; robust visibility into next year

CITI'S TAKE

MPI reported a solid 3Q26 net profit of NT$1.88bn (up 114% YoY and 23% QoQ) beating ours and Street's estimate by 19%/9%. GM/OPM 61.7%/38.6% was better than expected thanks to better product mix. The company will host analyst meeting on Nov 16; we expect 4Q revenue to see sequentially growth of about 5-10% QoQ with resilient GM. Thanks to its solid order flow from AI chip including GPU, CPU and ASIC, we expect strong YoY growth trend to persist into next year. CPO and equipment should provide more upside into 2028. We maintain our Buy rating

Buy / High Risk

Price (11 Nov 26 15:00)	NT$4,480.00
Target price	NT$7,200.00
Expected share price return	60.7%
Expected dividend yield	0.5%
Expected total return	61.2%
Market Cap	NT$438,956M US$13,322M

laura.cy.chen@citi.com

- **Anticipating another strong year into 2027** — MPI has maintained its current guidance for capacity plan into next year: year end-2026 capacity targets of VPC 2m and MEMS 3.5m, and 2027 MEMS expansion is expected to be at least another 2.5m. However, we see potential upside thanks to robust customer demand and market share gain. CPO insertion 2 is under final evaluation and insertion 3 already starts engineering shipments to more than 5 international customers across foundry, OSAT and fabless segments. The company sees strong growth momentum of probe card into next year and CPO equipment contribution at single digit in 2027 with more upside into 2028.
- We stay constructive on MPI despite recent market concerns regarding AI demand slowing down. The key drivers are continuing to ramp-up at existing AI ASIC customers, incremental contributions from new AI/non-AI ASIC and CPU customers, further MEMS capacity expansion, and potential upside from CPO and microbump probe-card technology.

MPI

Valuation

Our target price for MPI is set at NT$7,200, based on a target PE multiple of 52x applied to our 2027-28E EPS average. We believe our PE target, at the high end of MPI's 3-year forward PE range, is justified given MPI's earnings power remains structurally higher than that in the previous cycles, broadening demand across AI ASIC, additional CPU opportunities and non-AI ASIC wins. We expect MPI to see accelerating earnings growth ahead supported by sustainable sales growth and an improving mix. At our target price, the shares would trade at 2027E/28E P/B of 23x/15x.

Risks

Our quant risk rating system rates the MPI stock as High Risk for its share-price volatility. Key downside risks that could prevent MPI shares from reaching our target price include 1) slowdown in AI ASIC demand; 2) slower-than-expected adoption of MEMS probe cards; 3) intensifying competition from global and regional peers; 4) slow development of the CPO equipment business.

Appendix A-1

ANALYST CERTIFICATION

The research analysts primarily responsible for the preparation and content of this research report are either (i) designated by "AC" in the author block or (ii) listed in bold alongside content which is attributable to that analyst. If multiple AC analysts are designated in the author block, each analyst is certifying with respect to the entire research report other than (a) content attributable to another AC certifying analyst listed in bold alongside the content and (b) views expressed solely with respect to a specific issuer which are attributable to another AC certifying analyst identified in the price charts or rating history tables for that issuer shown below. Each of these analysts certify, with respect to the sections of the report for which they are responsible: (1) that the views expressed therein accurately reflect their personal views about each issuer and security referenced and were prepared in an independent manner, including with respect to Citigroup Global Markets Inc. and its affiliates; and (2) no part of the research analyst's compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by that research analyst in this report.

Analysts' compensation is determined by Citi Research management and Citigroup's senior management and is based upon activities and services intended to benefit the investor clients of Citigroup Global Markets Inc. and its affiliates (the "Firm"). Compensation is not linked to specific transactions or recommendations. Like all Firm employees, analysts receive compensation that is impacted by overall Firm profitability which includes investment banking, sales and trading, and principal trading revenues. One factor in equity research analyst compensation is arranging corporate access events between institutional clients and the management teams of covered companies. Typically, company management is more likely to participate when the analyst has a positive view of the company.

For financial instruments recommended in the Product in which the Firm is not a market maker, the Firm is a liquidity provider in such financial instruments (and any underlying instruments) and may act as principal in connection with transactions in such instruments. The Firm is a regular issuer of traded financial instruments linked to securities that may have been recommended in the Product. The Firm regularly trades in the securities of the issuer(s) discussed in the Product. The Firm may engage in securities transactions in a manner inconsistent with the Product and, with respect to securities covered by the Product, will buy or sell from customers on a principal basis.

Unless stated otherwise neither the Research Analyst nor any member of their team has viewed the material operations of the Companies for which an investment view has been provided within the past 12 months.

For important disclosures (including copies of historical disclosures) regarding the companies that are the subject of this Citi Research product ("the Product"), please contact Citi Research, 388 Greenwich Street, 6th Floor, New York, NY, 10013, Attention: Legal/Compliance [E6WYB6412478]. In addition, the same important disclosures, with the exception of the Valuation and Risk assessments and historical disclosures, are contained on the Firm's disclosure website at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures. Valuation and Risk assessments can be found in the text of the most recent research note/report regarding the subject company. Pursuant to the Market Abuse Regulation a history of all Citi Research recommendations published during the preceding 12-month period can be accessed via Citi Velocity (https://www.citivelocity.com/cv2) or your standard distribution portal. Historical disclosures (for up to the past three years) will be provided upon request.

Citi Research Equity Ratings Distribution

	12 Month Rating			Catalyst Watch		
Data current as of 01 Oct 2026	**Buy**	**Hold**	**Sell**	**Buy**	**Hold**	**Sell**
Citi Research Global Fundamental Coverage (Neutral=Hold)	61%	32%	7%	36%	48%	16%
% of companies in each rating category that are investment banking clients	39%	43%	30%	42%	38%	36%

Guide to Citi Research Fundamental Research Investment Ratings:
Citi Research stock recommendations include an investment rating and an optional risk rating to highlight high risk stocks. **Risk rating** takes into account both price volatility and fundamental criteria. Stocks will either have no risk rating or a High risk rating assigned.
Investment Ratings: Citi Research investment ratings are Buy, Neutral and Sell. Our ratings are a function of analyst expectations of expected total return ("ETR") and risk. ETR is the sum of the forecast price appreciation (or depreciation) plus the dividend yield for a stock within the next 12 months. The target price is based on a 12 month time horizon. The Investment rating definitions are: Buy (1) ETR of 15% or more or 25% or more for High risk stocks; and Sell (3) for negative ETR. Any covered stock not assigned a Buy or a Sell is a Neutral (2). For stocks rated Neutral (2), if an analyst believes that there are insufficient valuation drivers and/or investment catalysts to derive a positive or negative investment view, they may elect with the approval of Citi Research management not to assign a target price and, thus, not derive an ETR. Citi Research may suspend its rating and target price and assign “Rating Suspended” status for regulatory and/or internal policy reasons. Citi Research may also suspend its rating and target price and assign "Under Review" status for other exceptional circumstances (e.g. lack of information critical to the analyst's thesis, trading suspension) affecting the company and/or trading in the company's securities. In both such situations, the rating and target price will show as “—“ and “-“ respectively in the rating history price chart. Prior to 11 April 2022 Citi Research assigned “Under Review” status to both situations and prior to 11 Nov 2020 only in exceptional circumstances. As soon as practically possible, the analyst will publish a note re-establishing a rating and investment thesis. Investment ratings are determined by the ranges described above at the time of initiation of coverage, a change in investment and/or risk rating, or a change in target price (subject to limited management discretion). At times, the expected total returns may fall outside of these ranges because of market price movements and/or other short-term volatility or trading patterns. Such interim deviations will be permitted but will become subject to review by Research Management. Your decision to buy or sell a security should be based upon your personal investment objectives and should be made only after evaluating the stock's expected performance and risk.

Catalyst Watch/Short Term Views (“STV”) Ratings Disclosure:
Catalyst Watch and STV Upside/Downside calls: Citi Research may also include a Catalyst Watch or STV Upside or Downside call to indicate the analyst expects the share price to rise (fall) in absolute terms over a specified period of 30 or 90 days in reaction to one or more specific near-term catalysts or events impacting the company or the market. A Catalyst Watch will be published when Analyst confidence is high that an impact to share price will occur; it will be a STV when confidence level is moderate. A Catalyst Watch or STV Upside/Downside call will automatically expire at the end of the specified 30/90 day period. The Catalyst Watch will also be automatically removed if share price performance (calculated at market close) exceeds 15% against the direction of the call (unless over-ridden by the analyst). The analyst may also remove a Catalyst Watch or STV call prior to the end of the specified period in a published research note. A Catalyst Watch/STV Upside or Downside call may be different from and does not affect a stock’s fundamental equity rating, which reflects a longer-term total absolute return expectation. For purposes of FINRA ratings-distribution-disclosure rules, a Catalyst Watch/STV Upside call corresponds to a buy recommendation and a Catalyst Watch/STV Downside call corresponds to a sell recommendation. Any stock not assigned to a Catalyst Watch Upside, Catalyst Watch Downside, STV Upside, or STV Downside call is considered Catalyst Watch/STV No View. For purposes of FINRA ratings distribution-disclosure rules, we correspond Catalyst Watch/STV No View to Hold in our ratings distribution table for our Catalyst Watch/STV Upside/Downside rating system. However, we reiterate that we do

not consider No View to be a recommendation. For all Catalyst Watch/STV Upside/Downside calls, risk exists that the catalyst(s) and associated share-price movement will not materialize as expected.

Privately held companies:
The legal entities through which Citi conducts its business do not permit investment research recommendations, ratings, target prices, or estimates on any privately held companies ("private companies") referenced herein. Citi Research does not utilize a rating system for private companies. Any information on private companies in this report is based on generally available information and, although obtained from sources believed by Citi to be reliable, its accuracy and completeness are not guaranteed. Private companies are generally not subject to reporting obligations, which may result in less publicly available information. The information contained in this report may differ from information a private company may subsequently make public or otherwise share with investors. Continuation of publishing private company reports or private company sections within reports is at Citi's discretion, in accordance with internal policies.

RESEARCH ANALYST AFFILIATIONS / NON-US RESEARCH ANALYST DISCLOSURES
The legal entities employing the authors of this report are listed below (and their regulators are listed further herein). Non-US research analysts who have prepared this report (i.e., all research analysts listed below other than those identified as employed by Citigroup Global Markets Inc.) are not registered/qualified as research analysts with FINRA. Such research analysts may not be associated persons of the member organization (but are employed by an affiliate of the member organization) and therefore may not be subject to the FINRA Rule 2241 restrictions on communications with a subject company, public appearances and trading securities held by a research analyst account.

Citigroup Global Markets Taiwan Securities Company Limited	Laura (Chia Yi) Chen

OTHER DISCLOSURES

Any price(s) of instruments mentioned in recommendations are as of the prior day's market close on the primary market for the instrument, unless otherwise stated.

The completion and first dissemination of any recommendations made within this research report are as of the Eastern date-time displayed at the top of the Product. If the Product references views of other analysts then please refer to the price chart or rating history table for the date/time of completion and first dissemination with respect to that view.

Regulations in various jurisdictions require that where a recommendation differs from any of the author's previous recommendations concerning the same financial instrument or issuer that has been published during the preceding 12-month period that the change(s) and the date of that previous recommendation are indicated. For fundamental coverage please refer to the price chart or rating change history within this disclosure appendix or the issuer disclosure summary at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

Citi Research has implemented policies for identifying, considering and managing potential conflicts of interest arising as a result of publication or distribution of investment research. A description of these policies can be found at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

The proportion of all Citi Research research recommendations that were the equivalent to "Buy","Hold","Sell" at the end of each quarter over the prior 12 months (with the % of these that had received investment firm services from Citi in the prior 12 months shown in brackets) is as follows; Q2 2026 Buy 33%(63%), Hold 44% (51%), Sell 23% (49%), RV 0.5% (87%): Q1 2026 Buy 33% (63%), Hold 44% (52%), Sell 23% (46%), RV 0.5% (89%); Q4 2025 Buy 33% (63%), Hold 44% (50%), Sell 23% (46%), RV 0.4% (91%); Q3 2025 Buy 33%(61%), Hold 44% (52%), Sell 23% (50%), RV 0.4% (80%). For the purposes of disclosing recommendations other than for equity (whose definitions can be found in the corresponding disclosure sections), "Buy" means a positive directional trade idea; "Sell" means a negative directional trade idea; and "Relative Value" means any trade idea which does not have a clear direction to the investment strategy.

European regulations require a 5 year price history when past performance of a security is referenced. CitiVelocity's Charting Tool (https://www.citivelocity.com/cv2/#go/CHARTING_3_Equities) provides the facility to create customisable price charts including a five year option. This tool can be found in the Data & Analytics section under any of the asset class menus in CitiVelocity (https://www.citivelocity.com/). For further information contact CitiVelocity support (https://www.citivelocity.com/cv2/go/CLIENT_SUPPORT). The source for all referenced prices, unless otherwise stated, is DataCentral, which sources price information from LSEG Data & Analytics. Past performance is not a guarantee or reliable indicator of future results. Forecasts are not a guarantee or reliable indicator of future performance.

Investors should always consider the investment objectives, risks, and charges and expenses of an ETF carefully before investing. The applicable prospectus and key investor information document (as applicable) for an ETF should contain this and other information about such ETF. It is important to read carefully any such prospectus before investing. Clients may obtain prospectuses and key investor information documents for ETFs from the applicable distributor or authorized participant, the exchange upon which an ETF is listed and/or from the applicable website of the applicable ETF issuer. The value of the investments and any accruing income may fall or rise. Any past performance, prediction or forecast is not indicative of future or likely performance. Any information on ETFs contained herein is provided strictly for illustrative purposes and should not be deemed an offer to sell or a solicitation of an offer to purchase units of any ETF either explicitly or implicitly. The opinions expressed are those of the authors and do not necessarily reflect the views of ETF issuers, any of their agents or their affiliates.

Citigroup Global Markets India Private Limited and/or its affiliates may have, from time to time, actual or beneficial ownership of 1% or more in the debt securities of the subject issuer.

Please be advised that pursuant to Executive Order 13959 as amended (the "Order"), U.S. persons are prohibited from investing in securities of any company determined by the United States Government to be the subject of the Order. This research is not intended to be used or relied upon in any way that could result in a violation of the Order. Investors are

encouraged to rely upon their own legal counsel for advice on compliance with the Order and other economic sanctions programs administered and enforced by the Office of Foreign Assets Control of the U.S. Treasury Department.

This communication is directed at persons who are "Eligible Clients" as such term is defined in the Israeli Regulation of Investment Advice, Investment Marketing and Investment Portfolio Management law, 1995 (the "Advisory Law"). Within Israel, this communication is not intended for retail clients and Citi will not make such products or transactions available to retail clients or to non-Eligible Clients. The presenter is not licensed as investment advisor or investment marketer by the Israeli Securities Authority ("ISA") and this communication does not constitute investment or marketing advice. The information contained herein may relate to matters that are not regulated by the ISA. Any securities which are the subject of this communication may not be offered or sold to any Israeli person except pursuant to a security offering exemption according to the Israeli Securities Law, 1968and the public offering rules provided thereunder.

Citi Research broadly and simultaneously disseminates its research content to the Firm's institutional and retail clients via the Firm's proprietary electronic distribution platforms (e.g., Citi Velocity and various Global Wealth platforms). As a convenience, certain, but not all, research content may be distributed through third party aggregators. Clients may receive published research reports by email, on a discretionary basis, and only after such research content has been broadly disseminated. Certain research is made available only to institutional investors to satisfy regulatory requirements. The level and types of services provided by Citi Research analysts to clients may vary depending on various factors such as the client's individual preferences as to the frequency and manner of receiving communications from analysts, the client's risk profile and investment focus and perspective (e.g. market-wide, sector specific, long term, short-term etc.), the size and scope of the overall client relationship with the Firm and legal and regulatory constraints.

Pursuant to Comissão de Valores Mobiliários Resolução 20 and ASIC Regulatory Guide 264, Citi is required to disclose whether a Citi related company or business has a commercial relationship with the subject company. Considering that Citi operates multiple businesses in more than 100 countries around the world, it is likely that Citi has a commercial relationship with the subject company.

Securities recommended, offered, or sold by the Firm: (i) are not insured by the Federal Deposit Insurance Corporation; (ii) are not deposits or other obligations of any insured depository institution (including Citibank); and (iii) are subject to investment risks, including the possible loss of the principal amount invested. The Product is for informational purposes only and is not intended as an offer or solicitation for the purchase or sale of a security. Any decision to purchase securities mentioned in the Product must take into account existing public information on such security or any registered prospectus. Although information has been obtained from and is based upon sources that the Firm believes to be reliable, we do not guarantee its accuracy and it may be incomplete and condensed. Note, however, that the Firm has taken all reasonable steps to determine the accuracy and completeness of the disclosures made in the Important Disclosures section of the Product. The Firm's research department has received assistance from the subject company(ies) referred to in this Product including, but not limited to, discussions with management of the subject company(ies). Firm policy prohibits research analysts from sending draft research to subject companies. However, it should be presumed that the author of the Product has had discussions with the subject company to ensure factual accuracy prior to publication. Statements and views concerning ESG (environmental, social, governance) factors are typically based upon public statements made by the affected company or other public news, which the author may not have independently verified. ESG factors are one consideration that investors may choose to examine when making investment decisions. All opinions, projections and estimates constitute the judgment of the author as of the date of the Product and these, plus any other information contained in the Product, are subject to change without notice. Prices and availability of financial instruments also are subject to change without notice. Notwithstanding other departments within the Firm advising the companies discussed in this Product, information obtained in such role is not used in the preparation of the Product. Although Citi Research does not set a predetermined frequency for publication, if the Product is a fundamental equity or credit research report, it is the intention of Citi Research to provide research coverage of the covered issuers, including in response to news affecting the issuer. For non-fundamental research reports, Citi Research may not provide regular updates to the views, recommendations and facts included in the reports. Notwithstanding that Citi Research maintains coverage on, makes recommendations concerning or discusses issuers, Citi Research may be periodically restricted from referencing certain issuers due to legal or policy reasons. Where a component of a published trade idea is subject to a restriction, the trade idea will be removed from any list of open trade ideas included in the Product. Upon the lifting of the restriction, the trade idea will either be re-instated in the open trade ideas list if the analyst continues to support it or it will be officially closed. Citi Research may provide different research products and services to different classes of customers (for example, based upon long-term or short-term investment horizons) that may lead to differing conclusions or recommendations that could impact the price of a security contrary to the recommendations in the alternative research product, provided that each is consistent with the rating system for each respective product.

Investing in non-U.S. securities, including ADRs, may entail certain risks. The securities of non-U.S. issuers may not be registered with, nor be subject to the reporting requirements of the U.S. Securities and Exchange Commission. There may be limited information available on foreign securities. Foreign companies are generally not subject to uniform audit and reporting standards, practices and requirements comparable to those in the U.S. Securities of some foreign companies may be less liquid and their prices more volatile than securities of comparable U.S. companies. In addition, exchange rate movements may have an adverse effect on the value of an investment in a foreign stock and its corresponding dividend payment for U.S. investors. Net dividends to ADR investors are estimated, using withholding tax rates conventions, deemed accurate, but investors are urged to consult their tax advisor for exact dividend computations. Investors who have received the Product from the Firm may be prohibited in certain states or other jurisdictions from purchasing securities mentioned in the Product from

the Firm. Please ask your Financial Consultant for additional details. Citigroup Global Markets Inc. takes responsibility for the Product in the United States. Any orders by US investors resulting from the information contained in the Product may be placed only through Citigroup Global Markets Inc.

The Citigroup legal entity that takes responsibility for the production of the Product is the legal entity which the first named author is employed by.

The Product is made available in **United Kingdom** by Citigroup Global Markets Limited, which is authorised by the Prudential Regulation Authority ("PRA") and regulated by the Financial Conduct Authority ("FCA") and the PRA. This material may relate to investments or services of a person outside of the UK or to other matters which are not authorised by the PRA nor regulated by the FCA and the PRA and further details as to where this may be the case are available upon request in respect of this material. Citigroup Centre, Canada Square, Canary Wharf, London, E14 5LB.

The Product is made available in **United States** and **Canada** by Citigroup Global Markets Inc., which is a member of FINRA and registered with the US Securities and Exchange Commission. 388 Greenwich Street, New York, NY 10013.

Unless specified to the contrary, within EU Member States, the Product is made available by Citigroup Global Markets Europe AG ("CGME"), which is regulated by the European Central Bank and the German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht-BaFin).

The Product is not to be construed as providing investment services in any jurisdiction where the provision of such services would not be permitted.

Subject to the nature and contents of the Product, the investments described therein are subject to fluctuations in price and/or value and investors may get back less than originally invested. Certain high-volatility investments can be subject to sudden and large falls in value that could equal or exceed the amount invested.The yield and average life of CMOs (collateralized mortgage obligations) referenced in this Product will fluctuate depending on the actual rate at which mortgage holders prepay the mortgages underlying the CMO and changes in current interest rates. Any government agency backing of the CMO applies only to the face value of the CMO and not to any premium paid. Certain investments contained in the Product may have tax implications for private customers whereby levels and basis of taxation may be subject to change. If in doubt, investors should seek advice from a tax adviser. The Product does not purport to identify the nature of the specific market or other risks associated with a particular transaction. Advice in the Product is general and should not be construed as personal advice given it has been prepared without taking account of the objectives, financial situation or needs of any particular investor. Accordingly, investors should, before acting on the advice, consider the appropriateness of the advice, having regard to their objectives, financial situation and needs. Prior to acquiring any financial product, it is the client's responsibility to obtain the relevant offer document for the product and consider it before making a decision as to whether to purchase the product.

Card Insights. Where this report references Card Insights data, Card Insights consists of selected data from a subset of Citi's proprietary credit card transactions. Such data has undergone rigorous security protocols to keep all customer information confidential and secure; the data is highly aggregated and anonymized so that all unique customer identifiable information is removed from the data prior to receipt by the report's author or distribution to external parties. This data should be considered in the context of other economic indicators and publicly available information. Further, the selected data represents only a subset of Citi's proprietary credit card transactions due to the selection methodology or other limitations and should not be considered as indicative or predictive of the past or future financial performance of Citi or its credit card business.

3Q26 OPM miss on rising costs and margin dilution from AI server

CITI'S TAKE

3Q26 GM came in lower than the market's expectation. While 3Q GM dilution impact from AI server is well-expected by the market, OPM currently seems not be as resilient as expected. In the coming quarters, AI/regular server momentum remains robust vs collapsing NB shipments. Though the next-gen AI server is set to ramp and drive its earnings growth, we think the market would at least focus on its OPM profile, which currently seemingly sees lack of support. We remain positive on its 2027 earnings but also share concerns over AI sustainability after the US midterm elections. We lower PE and cut TP to NT$450 (14x 2027E EPS) vs. NT$500 (15x 2027E EPS).

3Q26 margin miss — 3Q26 sales grew 8% with AI and regular servers taking the lead vs declining NB demand. Mgmt. cited declining unit shipments in AI server due to the start of the GPU product transition period. 3Q26 declined 0.3ppt QoQ to 4.8%, in line with Citi forecast but slightly missing consensus (BBG) by 0.2ppt, which mgmt. attributed to rising raw material costs and dilution impact from AI server. Overall, OP didn't see leverage benefit with OPEX ratio rising by 0.1ppt QoQ, likely due to increasing R&D expenses for the upcoming AI projects. Thus, 3Q OPM came 0.2ppt/0.4ppt lower than Citi/consensus forecasts.

4Q26: AI/regular server still the driver — Mgmt. expects AI/regular server sales to grow continuously in 4Q26 with declining unit shipments of AI server. NB shipments is guided to go down double-digit % QoQ. Considering next-gen AI server ramp with lower GM and less scale of NB, the mgmt. expects 4Q26 GM to decline QoQ and target to maintain OPM at similar levels vs 3Q26. Currently, we forecast 4Q26E sales to grow 2% QoQ with GM down 0.3ppt QoQ, considering dilution impact of next-gen AI server and rising raw material cost.

No change in demand after the midterm election — The company sees no change in its order forecasts and remains positive on the long-term AI demand. The company still expects double-digit % YoY growth in AI/regular server sales in 2027 with server sales mix reaching 85-90%. NB shipments is guided to be down HSD% YoY in 2027. 2027 capex is guided at range of NT$40-45bn in 2027.

Earnings/TP cut to factor in GM dilution and AI demand concerns — We adjust our 2026/27/28E earnings forecasts by 0%/-6%/-5% to factor in weak GM profile. We lower PE and cut its TP to NT$450 (14x 2027E EPS) from NT$500 (15x 2027E EPS) to factor in rising concerns over AI sustainability after the US midterm elections.

Earnings Summary

- PE multiple at 12x 2027E EPS

Quanta Computer

Company description

Founded in 1988, Quanta Computer is a Taiwan-based original design manufacturer (ODM) of notebook (NB) PCs and other electronic hardware. It is the world's largest NB ODM in terms of shipments, with major customers including the leading Taiwan, US, and Japanese electronics brands. In addition to notebooks, Quanta is expanding into cloud-related product development, which accounted for 30-35% of total revenues in 2022.

Investment strategy

We rate Quanta at Buy. We expect stabilizing NB shipment, solid server sales growth amid increasing AI-related applications, as well as rising EV component exposure to drive better margins and stronger earnings growth. The company's attractive cash yield should also help support the shares on the downside in case of market volatility.

Valuation

Our target price of NT$450 is based on a 14x PE multiple on 2027E earnings. The target multiple is in line with historical trading average since 2021, mainly to reflect strong earnings growth trajectory brought about by servers/AI servers and EV components. We use a P/E-based methodology as we believe the market will be primarily focused on Quanta's earnings performance given the dynamics of the NB/server industry.

Risks

Downside risks that could prevent the stock from reaching our target price include: 1) slower-than-expected server/AI server demand growth; 2) execution risks relating to margin improvement such as production yield rate following capacity relocation or supply-chain management; and 3) market share loss of key customers.

ANALYST CERTIFICATION

The research analysts primarily responsible for the preparation and content of this research report are either (i) designated by "AC" in the author block or (ii) listed in bold alongside content which is attributable to that analyst. If multiple AC analysts are designated in the author block, each analyst is certifying with respect to the entire research report other than (a) content attributable to another AC certifying analyst listed in bold alongside the content and (b) views expressed solely with respect to a specific issuer which are attributable to another AC certifying analyst identified in the price charts or rating history tables for that issuer shown below. Each of these analysts certify, with respect to the sections of the report for which they are responsible: (1) that the views expressed therein accurately reflect their personal views about each issuer and security referenced and were prepared in an independent manner, including with respect to Citigroup Global

Markets Inc. and its affiliates; and (2) no part of the research analyst's compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by that research analyst in this report.

Rating/target price changes above reflect Eastern Time

Within the past 12 months, Citigroup Global Markets Inc. or its affiliates has acted as manager or co-manager of an offering of securities of Quanta Computer.

Citigroup Global Markets Inc. or its affiliates has received compensation for investment banking services provided within the past 12 months from Quanta Computer.

Citigroup Global Markets Inc. or its affiliates expects to receive or intends to seek, within the next three months, compensation for investment banking services from Quanta Computer.

Citigroup Global Markets Inc. or its affiliates received compensation for products and services other than investment banking services from Quanta Computer in the past 12 months.

Citigroup Global Markets Inc. or its affiliates currently has, or had within the past 12 months, the following as investment banking client(s): Quanta Computer.

Citigroup Global Markets Inc. or its affiliates currently has, or had within the past 12 months, the following as clients, and the services provided were non-investment-banking, securities-related: Quanta Computer.

Citigroup Global Markets Inc. or its affiliates currently has, or had within the past 12 months, the following as clients, and the services provided were non-investment-banking, non-securities-related: Quanta Computer.

Citigroup Global Markets Inc. and/or its affiliates has a significant financial interest in relation to Quanta Computer. (For an explanation of the determination of significant financial interest, please refer to the policy for managing conflicts of interest which can be found at www.citiVelocity.com.)

Analysts' compensation is determined by Citi Research management and Citigroup's senior management and is based upon activities and services intended to benefit the investor clients of Citigroup Global Markets Inc. and its affiliates (the "Firm"). Compensation is not linked to specific transactions or recommendations. Like all Firm employees, analysts receive compensation that is impacted by overall Firm profitability which includes investment banking, sales and trading, and principal trading revenues. One factor in equity research analyst compensation is arranging corporate access events between institutional clients and the management teams of covered companies. Typically, company management is more likely to participate when the analyst has a positive view of the company.

For financial instruments recommended in the Product in which the Firm is not a market maker, the Firm is a liquidity provider in such financial instruments (and any underlying instruments) and may act as principal in connection with transactions in such instruments. The Firm is a regular issuer of traded financial instruments linked to securities that may have been recommended in the Product. The Firm regularly trades in the securities of the issuer(s) discussed in the Product. The Firm may engage in securities transactions in a manner inconsistent with the Product and, with respect to securities covered by the Product, will buy or sell from customers on a principal basis.

Unless stated otherwise neither the Research Analyst nor any member of their team has viewed the material operations of the Companies for which an investment view has been provided within the past 12 months.

For important disclosures (including copies of historical disclosures) regarding the companies that are the subject of this Citi Research product ("the Product"), please contact Citi Research, 388 Greenwich Street, 6th Floor, New York, NY, 10013, Attention: Legal/Compliance [E6WYB6412478]. In addition, the same important disclosures, with the exception of the Valuation and Risk assessments and historical disclosures, are contained on the Firm's disclosure website at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures. Valuation and Risk assessments can be found in the text of the most recent research note/report regarding the subject company. Pursuant to the Market Abuse Regulation a history of all Citi Research recommendations published during the preceding 12-month period can be accessed via Citi Velocity (https://www.citivelocity.com/cv2) or your standard distribution portal. Historical disclosures (for up to the past three years) will be provided upon request.

Citi Research Equity Ratings Distribution

	12 Month Rating			Catalyst Watch		
Data current as of 01 Oct 2026	**Buy**	**Hold**	**Sell**	**Buy**	**Hold**	**Sell**
Citi Research Global Fundamental Coverage (Neutral=Hold)	61%	32%	7%	36%	48%	16%
% of companies in each rating category that are investment banking clients	39%	43%	30%	42%	38%	36%

Guide to Citi Research Fundamental Research Investment Ratings:
Citi Research stock recommendations include an investment rating and an optional risk rating to highlight high risk stocks.
Risk rating takes into account both price volatility and fundamental criteria. Stocks will either have no risk rating or a High risk rating assigned.
Investment Ratings: Citi Research investment ratings are Buy, Neutral and Sell. Our ratings are a function of analyst expectations of expected total return ("ETR") and risk. ETR is the sum of the forecast price appreciation (or depreciation) plus the dividend yield for a stock within the next 12 months. The target price is based on a 12 month time horizon. The Investment rating definitions are: Buy (1) ETR of 15% or more or 25% or more for High risk stocks; and Sell (3) for negative ETR. Any covered stock not assigned a Buy or a Sell is a Neutral (2). For stocks rated Neutral (2), if an analyst believes that there are insufficient valuation drivers and/or investment catalysts to derive a positive or negative investment view, they may elect with the approval of Citi Research management not to assign a target price and, thus, not derive an ETR. Citi Research may suspend its rating and target price and assign "Rating Suspended" status for regulatory and/or internal policy reasons. Citi Research may also suspend its rating and target price and assign "Under Review" status for other exceptional circumstances (e.g. lack of information critical to the analyst's thesis, trading suspension) affecting the company and/or trading in the company's securities. In both such situations, the rating and target price will show as "—" and "-" respectively in the rating history price chart. Prior to 11 April 2022 Citi Research assigned "Under Review" status to both situations and prior to 11 Nov 2020 only in exceptional circumstances. As soon as practically possible, the analyst will publish a note re-establishing a rating and investment thesis. Investment ratings are determined by the ranges described above at the time of initiation of coverage, a change in investment and/or risk rating, or a change in target price (subject to limited management discretion). At times, the expected total returns may fall outside of these ranges because of market price movements and/or other short-term volatility or trading patterns. Such interim deviations will be permitted but will become subject to review by Research Management. Your decision to buy or sell a security should be based upon your personal investment objectives and should be made only after evaluating the stock's expected performance and risk.

Catalyst Watch/Short Term Views ("STV") Ratings Disclosure:
Catalyst Watch and STV Upside/Downside calls: Citi Research may also include a Catalyst Watch or STV Upside or Downside call to indicate the analyst expects the share price to rise (fall) in absolute terms over a specified period of 30 or 90 days in reaction to one or more specific near-term catalysts or events impacting the company or the market. A Catalyst Watch will be published when Analyst confidence is high that an impact to share price will occur; it will be a STV when confidence level is moderate. A Catalyst Watch or STV Upside/Downside call will automatically expire at the end of the specified 30/90 day period. The Catalyst Watch will also be automatically removed if share price performance (calculated at market close) exceeds

15% against the direction of the call (unless over-ridden by the analyst). The analyst may also remove a Catalyst Watch or STV call prior to the end of the specified period in a published research note. A Catalyst Watch/STV Upside or Downside call may be different from and does not affect a stock's fundamental equity rating, which reflects a longer-term total absolute return expectation. For purposes of FINRA ratings-distribution-disclosure rules, a Catalyst Watch/STV Upside call corresponds to a buy recommendation and a Catalyst Watch/STV Downside call corresponds to a sell recommendation. Any stock not assigned to a Catalyst Watch Upside, Catalyst Watch Downside, STV Upside, or STV Downside call is considered Catalyst Watch/STV No View. For purposes of FINRA ratings distribution-disclosure rules, we correspond Catalyst Watch/STV No View to Hold in our ratings distribution table for our Catalyst Watch/STV Upside/Downside rating system. However, we reiterate that we do not consider No View to be a recommendation. For all Catalyst Watch/STV Upside/Downside calls, risk exists that the catalyst(s) and associated share-price movement will not materialize as expected.

Privately held companies:
The legal entities through which Citi conducts its business do not permit investment research recommendations, ratings, target prices, or estimates on any privately held companies ("private companies") referenced herein. Citi Research does not utilize a rating system for private companies. Any information on private companies in this report is based on generally available information and, although obtained from sources believed by Citi to be reliable, its accuracy and completeness are not guaranteed. Private companies are generally not subject to reporting obligations, which may result in less publicly available information. The information contained in this report may differ from information a private company may subsequently make public or otherwise share with investors. Continuation of publishing private company reports or private company sections within reports is at Citi's discretion, in accordance with internal policies.

RESEARCH ANALYST AFFILIATIONS / NON-US RESEARCH ANALYST DISCLOSURES
The legal entities employing the authors of this report are listed below (and their regulators are listed further herein). Non-US research analysts who have prepared this report (i.e., all research analysts listed below other than those identified as employed by Citigroup Global Markets Inc.) are not registered/qualified as research analysts with FINRA. Such research analysts may not be associated persons of the member organization (but are employed by an affiliate of the member organization) and therefore may not be subject to the FINRA Rule 2241 restrictions on communications with a subject company, public appearances and trading securities held by a research analyst account.

Citigroup Global Markets Taiwan Securities Company Limited	Jack Chen; Laura (Chia Yi) Chen; Nicholas Lai

OTHER DISCLOSURES

Any price(s) of instruments mentioned in recommendations are as of the prior day's market close on the primary market for the instrument, unless otherwise stated.

The completion and first dissemination of any recommendations made within this research report are as of the Eastern date-time displayed at the top of the Product. If the Product references views of other analysts then please refer to the price chart or rating history table for the date/time of completion and first dissemination with respect to that view.

Regulations in various jurisdictions require that where a recommendation differs from any of the author's previous recommendations concerning the same financial instrument or issuer that has been published during the preceding 12-month period that the change(s) and the date of that previous recommendation are indicated. For fundamental coverage please refer to the price chart or rating change history within this disclosure appendix or the issuer disclosure summary at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

Citi Research has implemented policies for identifying, considering and managing potential conflicts of interest arising as a result of publication or distribution of investment research. A description of these policies can be found at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

The proportion of all Citi Research research recommendations that were the equivalent to "Buy","Hold","Sell" at the end of each quarter over the prior 12 months (with the % of these that had received investment firm services from Citi in the prior 12 months shown in brackets) is as follows; Q2 2026 Buy 33%(63%), Hold 44% (51%), Sell 23% (49%), RV 0.5% (87%): Q1 2026 Buy 33% (63%), Hold 44% (52%), Sell 23% (46%), RV 0.5% (89%); Q4 2025 Buy 33% (63%), Hold 44% (50%), Sell 23% (46%), RV 0.4% (91%); Q3 2025 Buy 33%(61%), Hold 44% (52%), Sell 23% (50%), RV 0.4% (80%). For the purposes of disclosing recommendations other than for equity (whose definitions can be found in the corresponding disclosure sections), "Buy" means a positive directional trade idea; "Sell" means a negative directional trade idea; and "Relative Value" means any trade idea which does not have a clear direction to the investment strategy.

European regulations require a 5 year price history when past performance of a security is referenced. CitiVelocity's Charting Tool (https://www.citivelocity.com/cv2/#go/CHARTING_3_Equities) provides the facility to create customisable price charts including a five year option. This tool can be found in the Data & Analytics section under any of the asset class menus in CitiVelocity (https://www.citivelocity.com/). For further information contact CitiVelocity support (https://www.citivelocity.com/cv2/go/CLIENT_SUPPORT). The source for all referenced prices, unless otherwise stated, is DataCentral, which sources price information from LSEG Data & Analytics. Past performance is not a guarantee or reliable indicator of future results. Forecasts are not a guarantee or reliable indicator of future performance.

Investors should always consider the investment objectives, risks, and charges and expenses of an ETF carefully before investing. The applicable prospectus and key investor information document (as applicable) for an ETF should contain this and other information about such ETF. It is important to read carefully any such prospectus before investing. Clients may obtain

prospectuses and key investor information documents for ETFs from the applicable distributor or authorized participant, the exchange upon which an ETF is listed and/or from the applicable website of the applicable ETF issuer. The value of the investments and any accruing income may fall or rise. Any past performance, prediction or forecast is not indicative of future or likely performance. Any information on ETFs contained herein is provided strictly for illustrative purposes and should not be deemed an offer to sell or a solicitation of an offer to purchase units of any ETF either explicitly or implicitly. The opinions expressed are those of the authors and do not necessarily reflect the views of ETF issuers, any of their agents or their affiliates.

Citigroup Global Markets India Private Limited and/or its affiliates may have, from time to time, actual or beneficial ownership of 1% or more in the debt securities of the subject issuer.

Please be advised that pursuant to Executive Order 13959 as amended (the “Order”), U.S. persons are prohibited from investing in securities of any company determined by the United States Government to be the subject of the Order. This research is not intended to be used or relied upon in any way that could result in a violation of the Order. Investors are encouraged to rely upon their own legal counsel for advice on compliance with the Order and other economic sanctions programs administered and enforced by the Office of Foreign Assets Control of the U.S. Treasury Department.

This communication is directed at persons who are "Eligible Clients" as such term is defined in the Israeli Regulation of Investment Advice, Investment Marketing and Investment Portfolio Management law, 1995 (the "Advisory Law"). Within Israel, this communication is not intended for retail clients and Citi will not make such products or transactions available to retail clients or to non-Eligible Clients. The presenter is not licensed as investment advisor or investment marketer by the Israeli Securities Authority (“ISA”) and this communication does not constitute investment or marketing advice. The information contained herein may relate to matters that are not regulated by the ISA. Any securities which are the subject of this communication may not be offered or sold to any Israeli person except pursuant to a security offering exemption according to the Israeli Securities Law, 1968and the public offering rules provided thereunder.

Citi Research broadly and simultaneously disseminates its research content to the Firm’s institutional and retail clients via the Firm’s proprietary electronic distribution platforms (e.g., Citi Velocity and various Global Wealth platforms). As a convenience, certain, but not all, research content may be distributed through third party aggregators. Clients may receive published research reports by email, on a discretionary basis, and only after such research content has been broadly disseminated. Certain research is made available only to institutional investors to satisfy regulatory requirements. The level and types of services provided by Citi Research analysts to clients may vary depending on various factors such as the client’s individual preferences as to the frequency and manner of receiving communications from analysts, the client’s risk profile and investment focus and perspective (e.g. market-wide, sector specific, long term, short-term etc.), the size and scope of the overall client relationship with the Firm and legal and regulatory constraints.

Pursuant to Comissão de Valores Mobiliários Resolução 20 and ASIC Regulatory Guide 264, Citi is required to disclose whether a Citi related company or business has a commercial relationship with the subject company. Considering that Citi operates multiple businesses in more than 100 countries around the world, it is likely that Citi has a commercial relationship with the subject company.

Securities recommended, offered, or sold by the Firm: (i) are not insured by the Federal Deposit Insurance Corporation; (ii) are not deposits or other obligations of any insured depository institution (including Citibank); and (iii) are subject to investment risks, including the possible loss of the principal amount invested. The Product is for informational purposes only and is not intended as an offer or solicitation for the purchase or sale of a security. Any decision to purchase securities mentioned in the Product must take into account existing public information on such security or any registered prospectus. Although information has been obtained from and is based upon sources that the Firm believes to be reliable, we do not guarantee its accuracy and it may be incomplete and condensed. Note, however, that the Firm has taken all reasonable steps to determine the accuracy and completeness of the disclosures made in the Important Disclosures section of the Product. The Firm's research department has received assistance from the subject company(ies) referred to in this Product including, but not limited to, discussions with management of the subject company(ies). Firm policy prohibits research analysts from sending draft research to subject companies. However, it should be presumed that the author of the Product has had discussions with the subject company to ensure factual accuracy prior to publication. Statements and views concerning ESG (environmental, social, governance) factors are typically based upon public statements made by the affected company or other public news, which the author may not have independently verified. ESG factors are one consideration that investors may choose to examine when making investment decisions. All opinions, projections and estimates constitute the judgment of the author as of the date of the Product and these, plus any other information contained in the Product, are subject to change without notice. Prices and availability of financial instruments also are subject to change without notice. Notwithstanding other departments within the Firm advising the companies discussed in this Product, information obtained in such role is not used in the preparation of the Product. Although Citi Research does not set a predetermined frequency for publication, if the Product is a fundamental equity or credit research report, it is the intention of Citi Research to provide research coverage of the covered issuers, including in response to news affecting the issuer. For non-fundamental research reports, Citi Research may not provide regular updates to the views, recommendations and facts included in the reports. Notwithstanding that Citi Research maintains coverage on, makes recommendations concerning or discusses issuers, Citi Research may be periodically restricted from referencing certain issuers due to legal or policy reasons. Where a component of a published trade idea is subject to a restriction, the trade idea will be removed from any list of open trade ideas included in the Product. Upon the lifting of the

restriction, the trade idea will either be re-instated in the open trade ideas list if the analyst continues to support it or it will be officially closed. Citi Research may provide different research products and services to different classes of customers (for example, based upon long-term or short-term investment horizons) that may lead to differing conclusions or recommendations that could impact the price of a security contrary to the recommendations in the alternative research product, provided that each is consistent with the rating system for each respective product.

Investing in non-U.S. securities, including ADRs, may entail certain risks. The securities of non-U.S. issuers may not be registered with, nor be subject to the reporting requirements of the U.S. Securities and Exchange Commission. There may be limited information available on foreign securities. Foreign companies are generally not subject to uniform audit and reporting standards, practices and requirements comparable to those in the U.S. Securities of some foreign companies may be less liquid and their prices more volatile than securities of comparable U.S. companies. In addition, exchange rate movements may have an adverse effect on the value of an investment in a foreign stock and its corresponding dividend payment for U.S. investors. Net dividends to ADR investors are estimated, using withholding tax rates conventions, deemed accurate, but investors are urged to consult their tax advisor for exact dividend computations. Investors who have received the Product from the Firm may be prohibited in certain states or other jurisdictions from purchasing securities mentioned in the Product from the Firm. Please ask your Financial Consultant for additional details. Citigroup Global Markets Inc. takes responsibility for the Product in the United States. Any orders by US investors resulting from the information contained in the Product may be placed only through Citigroup Global Markets Inc.

The Citigroup legal entity that takes responsibility for the production of the Product is the legal entity which the first named author is employed by.

The Product is not to be construed as providing investment services in any jurisdiction where the provision of such services would not be permitted.
Subject to the nature and contents of the Product, the investments described therein are subject to fluctuations in price and/or value and investors may get back less than originally invested. Certain high-volatility investments can be subject to sudden and large falls in value that could equal or exceed the amount invested.The yield and average life of CMOs (collateralized mortgage obligations) referenced in this Product will fluctuate depending on the actual rate at which mortgage holders prepay the mortgages underlying the CMO and changes in current interest rates. Any government agency backing of the CMO applies only to the face value of the CMO and not to any premium paid. Certain investments contained in the Product may have tax implications for private customers whereby levels and basis of taxation may be subject to change. If in doubt, investors should seek advice from a tax adviser. The Product does not purport to identify the nature of the specific market or other risks associated with a particular transaction. Advice in the Product is general and should not be construed as personal advice given it has been prepared without taking account of the objectives, financial situation or needs of any particular investor. Accordingly, investors should, before acting on the advice, consider the appropriateness of the advice, having regard to their objectives, financial situation and needs. Prior to acquiring any financial product, it is the client's responsibility to obtain the relevant offer document for the product and consider it before making a decision as to whether to purchase the product.

Card Insights. Where this report references Card Insights data, Card Insights consists of selected data from a subset of Citi's proprietary credit card transactions. Such data has undergone rigorous security protocols to keep all customer information

confidential and secure; the data is highly aggregated and anonymized so that all unique customer identifiable information is removed from the data prior to receipt by the report's author or distribution to external parties. This data should be considered in the context of other economic indicators and publicly available information. Further, the selected data represents only a subset of Citi's proprietary credit card transactions due to the selection methodology or other limitations and should not be considered as indicative or predictive of the past or future financial performance of Citi or its credit card business.

Citi Research product may source data from dataCentral. dataCentral is a Citi Research proprietary database, which includes the Firm's estimates, data from company reports and feeds from LSEG Data & Analytics. The source for all referenced prices, unless otherwise stated, is DataCentral. Past performance is not a guarantee or reliable indicator of future results. Forecasts are not a guarantee or reliable indicator of future performance. The printed and printable version of the research report may not include all the information <(e.g. certain financial summary information and comparable company data) that is linked to the online version available on the Firm's proprietary electronic distribution platforms.
Where included in this report, MSCI sourced information is the exclusive property of Morgan Stanley Capital International Inc. (MSCI). Summary: Merida posted its 3Q26 results on 11 November after market hours. Merida's gross margin came in at 15.2% (vs. 19.8% in 2Q26; 13.7% in 3Q25), lower than our estimate (16.2%) and the consensus (17.3%). Its 3Q26 EPS was TWD1.06, lower than our forecast (TWD1.68) and the consensus estimate (TWD1.65). Merida plans to hold an investor call on 17 November and we will provide an update then.

We have a Buy (1) rating with a 12-month TP of TWD96, based on a target PER of 17x applied on our 1-year-forward EPS forecast. For more information on this company, please refer to our latest flash note, *2Q26 review: mainly dragged by Specialized*, on 14 August.

What's the impact

- **3Q26 results missed.** Merida's 3Q26 revenue of TWD6,098m (-12.1% QoQ, -15.6% YoY) missed our and the Bloomberg consensus estimates by 13.6% and 11.1%, respectively, which we attributed to the discount when destocking the older models. Its gross margin came in at 15.2% (vs. 19.8% in 2Q26; 13.7% in 3Q25), lower than our estimate (16.2%) and the consensus (17.3%), due to less OBM sales and the price discounting for further inventory digestion. Its operating profit of TWD384m (-49.8% QoQ, -9.7% YoY) also missed our and the consensus estimates by 35.2% and 37.3%, respectively. Its operating margin came in at 6.3% (vs. 11.0% in 2Q26; 5.9% in 3Q25), missing our estimate of 8.4% and the consensus of 8.9%. Considering the equity investment loss of TWD150m+, its net profit of TWD176m (-44.8% QoQ, -71.9% YoY) missed our and the consensus by 65.0% and 65.6%. Its 3Q26 EPS was TWD1.06, lower than our forecast (TWD1.68) and the consensus estimate (TWD1.65).

Merida: 3Q26 results vs. Daiwa and the Bloomberg estimates

(TWDm)	Merida 3Q26 results	Daiwa forecast	Difference	Bloomberg consensus	Difference
Revenue	6,098	7,057	-13.6%	6,859	-11.1%
Gross profit	930	1,143	-18.7%	1,186	-21.6%
Operating profit	384	593	-35.2%	613	-37.3%

Margin					
Gross margin	15.2%	16.2%	-1pp	17.3%	-2pp
Operating margin	6.3%	8.4%	-2.1pp	8.9%	-2.6pp
Pre-tax margin	3.8%	9.3%	-5.5pp	10.7%	-6.9pp
Net margin	2.9%	7.1%	-4.2pp	7.4%	-4.6pp

Source: Company, Bloomberg, Daiwa forecasts

- **4Q26 outlook.** We forecast its 4Q26 revenue to decline QoQ as the company will continue to manage its existing models and expects new models in 2027 to bring stronger demand.

What we recommend

We have a Buy (1) rating with a 12-month TP of TWD96, based on a target PER of 17x applied on our 1-year-forward EPS forecast. The stock is currently trading at PERs of 13.3x/10.7x, based on our 2026/27E EPS, vs. its past-5-year one-year-forward PER trading range of 7-33x. Key downside risks: slower-than-expected e-bike penetration in the EU and the US, worse-than-expected demand in an inflationary environment and inventory digestion.

In the interests of timeliness, this document has not been edited.

Japan - Notification items pursuant to Article 37 of the Financial Instruments and Exchange Law

(This Notification is only applicable to where report is distributed by Daiwa Securities Co. Ltd.)

If you decide to enter into a business arrangement with our company based on the information described in this report, we ask you to pay close attention to the following items.

- In addition to the purchase price of a financial instrument, our company will collect a trading commission* for each transaction as agreed beforehand with you. Since commissions may be included in the purchase price or may not be charged for certain transactions, we recommend that you confirm the commission for each transaction. In some cases, our company also may charge a maximum of ¥2 million per year as a standing proxy fee for our deposit of your securities, if you are a non-resident.
- For derivative and margin transactions etc., our company may require collateral or margin requirements in accordance with an agreement made beforehand with you. Ordinarily in such cases, the amount of the transaction will be in excess of the required collateral or margin requirements**.

- There is a risk that you will incur losses on your transactions due to changes in the market price of financial instruments based on fluctuations in interest rates, exchange rates, stock prices, real estate prices, commodity prices, and others. In addition, depending on the content of the transaction, the loss could exceed the amount of the collateral or margin requirements.
- There may be a difference between bid price etc. and ask price etc. of OTC derivatives handled by our company.
- Before engaging in any trading, please thoroughly confirm accounting and tax treatments regarding your trading in financial instruments with such experts as certified public accountants.

* The amount of the trading commission cannot be stated here in advance because it will be determined between our company and you based on current market conditions and the content of each transaction etc.

** The ratio of margin requirements etc. to the amount of the transaction cannot be stated here in advance because it will be determined between our company and you based on current market conditions and the content of each transaction etc.

When making an actual transaction, please be sure to carefully read the materials presented to you prior to the execution of agreement, and to take responsibility for your own decisions regarding the signing of the agreement with our company.

3Q26 review: fundamentals largely on track

- Regular server strength sustaining into 2H26, thanks to agentic AI
- Increasing AI server projects from 4Q26 to boost revenue momentum
- Reaffirming our Buy (1) rating; trimming 12-month TP to TWD2,500

Sheng Cheng
(886) 2 8758 6253
sheng.cheng@daiwacm-cathay.com.tw

Thomas Kim
(886) 2 8758 6249
thomas.kim@daiwacm-cathay.com.tw

What's new: We update our view after 3Q26 results (issued 6 November).

What's the impact: **Fundamentals largely on track.** Rising CPU demand from agentic AI has lifted our 2026 regular server growth target to >50% YoY (vs. 20-30% YoY), making regular servers the key growth driver for Wiwynn and helping it offset the slower-than-expected AMZN ASIC AI server ramp in 3Q26 (ramping from September vs. original July estimate). Looking ahead, we expect the T3 lifecycle to likely peak in 2Q/3Q27, but the rising contribution from both Nvidia and AMD GPU AI servers should offset the slowdown in 2H27. As for the margin trend, we expect regular servers to be at 10% and ASIC AI servers to be at 8%. However, we expect the rising GPU AI server to gradually dilute the blended gross margin as Wiwynn focuses only on L11, while GPU motherboard (L6) and tray level (L10) will be handled by its parent company Wistron (3231 TT, TWD171, Buy [1]). As such, we expect the gross margin for Wiwynn's GPU AI servers to be 2-3%, lower than the 4-5% AI of other ODM peers.

3Q26 results beat expectations. Wiwynn reported 3Q26 net income of TWD23.36bn (EPS: TWD41.46), beating our expectation by 8%. 3Q26 sales (TWD434.62bn; up 56% QoQ and 63% YoY) beat our estimate by 6% and the Bloomberg consensus estimate by 7% on stronger-than-expected regular server shipments. Regular servers accounted for 50-55% of its revenue, down from 60-70% in 2Q26, while AI servers contributed 45-50%. Gross margin declined by 0.4pp QoQ to 8.9%, but still exceeded our 8.2% estimate. Management attributed the sequential margin contraction mainly to lower NRE recognition and rising material costs, as not all memory components used in regular servers are procured under consignment arrangements. However, we believe lower regular server contribution to the product mix was key reason. With better operating leverage, operating margin improved by 0.2pp QoQ to 7.5%. That said, net profit was dragged down by higher interest expense (reaching TWD3bn in 3Q26 vs. TWD2bn in 2Q26) and a higher tax rate of 23.2% (vs. 21.1% in 2Q26).

What we recommend: We lift our 2026-27E EPS by 1-5% to reflect stronger regular server demand but cut 2028E EPS by 3% to reflect higher interest expense assumption. We reaffirm our Buy (1) rating but trim our 12M TP to TWD2,500 (from TWD2,715), based on a target PER of 13x (prior: 18x; within its past-2-year trading range of 9-21x) applied to our 1-year forward diluted EPS, given weaker market sentiment. Key downside risks: weaker-than-expected server demand and CSP capex.

How we differ: Our 2028E EPS is 3% above street estimates due to our higher regular and AI server shipment assumptions.

Company profile

Established in 2012 and listed in 2019, Wiwynn (a subsidiary of Wistron Corp) is a dedicated ODM-direct supplier of servers for hyperscale datacentres, with major customers including Facebook, Microsoft, and Amazon. Aside from hyperscaler customers, the company is expanding its target markets to what it terms "Next Wave" customers, including tier-2 cloud service providers and telecom operators, which could bring growth opportunities related to edge computing and open RAN.

ESG analysis

ESG risks

Risks		Management	Analyst comments
G	Executive/board quality	2	Wiwynn plans to have seven to nine directors on its board who will serve three-year terms in accordance with the Articles of Incorporation in Taiwan. Currently, Wiwynn has 9 board members with five independent directors. The background of independent directors is diversified and their competence includes technology, business management, and law. We deem the diversified background as a positive factor for the company's board quality. Wiwynn held 9 board meetings in 2025 and the average attendance rate was around 99%. The Chairman does not serve concurrently as the President or CEO, which we think is a positive for board and executive management as well as external shareholder interest.
	Capital management	2	Wiwynn declared cash DPS of TWD145 and a stock dividend of TWD20 per share for 2025, representing a total payout ratio of 60.0%. We note that investors favour its high dividend payout ratio policy. However, Wiwynn has been expanding its own manufacturing capacity in Malaysia, Tainan, Mexico and the US, making its business model less asset-light than before. With the server market still in the high growth period and the payout ratio remaining at around 60%, we expect the favourable dividend policy to be sustained going forward.
	Related party & transaction	3	In 2025, revenue from related parties accounted for 0.2% of total revenue, while purchases from related parties were 9.2% of cost of sales. The main purchase counterparty is Wistron (3231 TT; Wiwynn's parent company), with purchases from Wistron accounting for 8.09% of total procurement. While Wiwynn is a professional assembly vendor for data center servers, it still outsources a portion of its production capacity to its parent company, Wistron. At the same time, Wiwynn has expanded its own production bases in Malaysia, Tainan, Mexico and the US, reducing its reliance on Wistron. This business model still causes meaningful transactions with related parties, although the exposure has declined materially. Indeed, we are concerned whether Wistron collects fair manufacturing fees from Wiwynn. As the company states that trading terms of purchase transactions with related parties cannot be compared with third-party vendors due to product specifications, we are not able to assess this concern.
S	Supply chain management	1	Wiwynn focuses on providing various products and system solutions for hyperscale datacentres and cloud infrastructures. There are over 100 suppliers providing key components, electronic materials, and mechanical materials in Wiwynn's supply chain. For the new joiners that target to penetrate into Wiwynn's supply chain, Wiwynn has formed the "Supplier Evaluation Group" to conduct: 1) supplier management and supply capabilities evaluation, 2) technical capability development assessment, and 3) partner quality assurance (these include mainly topics undertaken by RBA, such as no child labour, no conflict minerals, no use of environmentally hazardous substances, etc.). New suppliers are also required to be ISO9001, ISO14001, IECQ QC 080000, and OHSAS 18001 (ISO 45001) qualified. Wiwynn has strong supply chain risk management by conducting audits regularly. Apart from considering the technical skills, quality date, delivery dates and price completeness of suppliers, Wiwynn audits its suppliers to endeavour to protect the environment, ensure safety and health of the environment, and emphasise the importance of human rights, based on Wiwynn's CSR Management System.
S	Data security	2	To serve world-class cloud service providers, Wiwynn has been constantly improving its information security management. Employees are educated on the protection of the product, technology, and information privacy of customers. In response to the global trends in data protection laws that tend to strengthen the security of classified information, Wiwynn has mandated that all assigned PCs have the Windows Bitlocker HDD encryption activated to avoid classified data being accessed without permission. In 2020, it also introduced Multi-Factor Authentication (MFA). Beyond the security measures for hardware, the company controls access to office, labs, and conference room in a robust manner to prevent theft of the hardware.

Note: Management score represents a company's ability to manage/benefit from certain ESG topics. The scores range from 1 to 3, with 1 being the strongest.

Japan - Notification items pursuant to Article 37 of the Financial Instruments and Exchange Law

(This Notification is only applicable to where report is distributed by Daiwa Securities Co. Ltd.)

If you decide to enter into a business arrangement with our company based on the information described in this report, we ask you to pay close attention to the following items.

- In addition to the purchase price of a financial instrument, our company will collect a trading commission* for each transaction as agreed beforehand with you. Since commissions may be included in the purchase price or may not be charged for certain transactions, we recommend that you confirm the commission for each transaction. In some cases, our company also may charge a maximum of ¥2 million per year as a standing proxy fee for our deposit of your securities, if you are a non-resident.
- For derivative and margin transactions etc., our company may require collateral or margin requirements in accordance with an agreement made beforehand with you. Ordinarily in such cases, the amount of the transaction will be in excess of the required collateral or margin requirements**.
- There is a risk that you will incur losses on your transactions due to changes in the market price of financial instruments based on fluctuations in interest rates, exchange rates, stock prices, real estate prices, commodity prices, and others. In addition, depending on the content of the transaction, the loss could exceed the amount of the collateral or margin requirements.
- There may be a difference between bid price etc. and ask price etc. of OTC derivatives handled by our company.
- Before engaging in any trading, please thoroughly confirm accounting and tax treatments regarding your trading in financial instruments with such experts as certified public accountants.

* The amount of the trading commission cannot be stated here in advance because it will be determined between our company and you based on current market conditions and the content of each transaction etc.

** The ratio of margin requirements etc. to the amount of the transaction cannot be stated here in advance because it will be determined between our company and you based on current market conditions and the content of each transaction etc.

When making an actual transaction, please be sure to carefully read the materials presented to you prior to the execution of agreement, and to take responsibility for your own decisions regarding the signing of the agreement with our company.

Al Wang
+886(2)2730-4081 | al.wang@gs.com
Goldman Sachs (Asia) L.L.C., Taipei Branch

AVC reported 3Q26 results on Nov 10th. The core business (OPI) was 9%/5% above our estimates/BBG consensus, with OPM at 28.5%, 2.5/3.7ppts above GSe/BBG consensus. GM of 33.9% was 1.9/0.5ppts above our estimates/BBG consensus, mainly driven by improved product mix and better operational efficiency. Total revenue was in line with GSe but 2% above consensus, while net income was 11%/4% above GSe/consensus.

Going into 4Q26, we expect revenue to reach NT$65,070mn (+10% QoQ, +36% YoY), as we expect the solid YoY growth to continue to be driven by the server business, along with the ramp up of next gen GPU/ASIC servers. We expect GM to expand to 34.4% (+0.5ppts QoQ, +8.0ppts YoY), reflecting an ongoing improvement in product mix. For 2027, we expect revenue to grow 44% YoY, supported by new customer projects, increasing liquid cooling penetration and additional capacity expansion in Vietnam. Management expect to expand liquid cooling capacity by 50% in 2027, and guided capex to be NT$15/17bn in 2026/27, which supports the solid outlook for the liquid cooling business.

Overall, we maintain our Buy rating on AVC with a new 12-month TP of NT$4,820 (from NT$4,736).

3Q26 overview

AVC's 3Q26 revenue was NT$59,089mn, up 20% QoQ and up 52% YoY. GM expanded to 33.9% from 32.6% in 2Q26, while opex was NT$3,155mn, 10% below GSe but 2% above consensus. OP was NT$16,856mn and net income was NT$11,564mn, with EPS at NT$29.32.

Goldman Sachs does and seeks to do business with companies covered in its research reports. As a result, investors should be aware that the firm may have a conflict of interest that could affect the objectivity of this report. Investors should consider this report as only a single factor in making their investment decision. For Reg AC certification and other important disclosures, see the Disclosure Appendix, or go to www.gs.com/research/hedge.html. Analysts employed by non-US affiliates are not registered/qualified as research analysts with FINRA in the U.S.

Source: Company data, Bloomberg, Goldman Sachs Global Investment Research

Earnings revision:

We revise up our 2026 earnings estimates by 6% to factor in 3Q26 results (we revise down our 2026E revenue estimates by 1%). We revise up 2028E earnings estimates by 1% to reflect a better product mix with higher contribution from the server business. We now expect the GM expansion to be faster due to the higher server business contribution, and thus revise up GPM by 1.2/0.3/0.4ppt in 2026/27/28E.

Valuation:

We reiterate our Buy rating on AVC with a new 12m TP of NT$4,820 (from NT$4,736), based on 30.6x 2027E P/E (which is above AVC's historical average +1 STDV. forward trading P/E, reflecting our positive view on AVC on the rising penetration rate of liquid-cooled AI servers), and factor in our latest earnings revision.

Investment thesis and Valuation & Risks

AVC is a global leading supplier of thermal solutions on Server, PC, Telecom and consumer electronics. We expect the company's cooling revenue contributions to grow to 66%/71%/74% in 2026/27/28E, driven by: (1) rising computing power of AI servers driving liquid cooling demand, (2) capacity ramp-up in Vietnam of 3D Vapor Chambers for GPUs and liquid cooling components, and (3) AI PC's launch in 2025, featuring more powerful CPU/ NPU/ Memory. We are Buy rated. Our target price is based on 2027E P/E of 30.6x which is higher than its past 5-yr avg.+1stv. of 11x, reflecting the product mix upgrade toward servers cooling / liquid cooling with stronger earnings growth and better margins, which we believe supports the higher valuation.

We are Buy rated on AVC with a 12m TP of NT$4,820, based on 30.6 2027E P/E, which is

above AVC's historical average +1 STDV. forward trading P/E, reflecting our positive view on AVC on the rising penetration rate of liquid-cooled AI servers.

Key downside risks: (1) slower-than-expected adoption of liquid cooling; (2) lower-than-expected demand for AI servers; (3) fiercer-than-expected competition; and (4) a slower-than-expected recovery in general servers.

Unless otherwise stated, the individuals listed in the Contributing Authors disclosure of this report are analysts in Goldman Sachs' Global Investment Research division.

GS Factor Profile

The Goldman Sachs Factor Profile provides investment context for a stock by comparing key attributes to the market (i.e. our universe of rated stocks) and its sector peers. The four key attributes depicted are: Growth, Financial Returns, Multiple (e.g. valuation) and Integrated (a composite of Growth, Financial Returns and Multiple). Growth, Financial Returns and Multiple are calculated by using normalized ranks for specific metrics for each stock. The normalized ranks for the metrics are then averaged and converted into percentiles for the relevant attribute. The precise calculation of each metric may vary depending on the fiscal year, industry and region, but the standard approach is as follows:

Growth is based on a stock's forward-looking sales growth, EBITDA growth and EPS growth (for financial stocks, only EPS and sales growth), with a higher percentile indicating a higher growth company. **Financial Returns** is based on a stock's forward-looking ROE, ROCE and CROCI (for financial stocks, only ROE), with a higher percentile indicating a company with higher financial returns. **Multiple** is based on a stock's forward-looking P/E, P/B, price/dividend (P/D), EV/EBITDA, EV/FCF and EV/Debt Adjusted Cash Flow (DACF) (for financial stocks, only P/E, P/B and P/D), with a higher percentile indicating a stock trading at a higher multiple. The **Integrated** percentile is calculated as the average of the Growth percentile, Financial Returns percentile and (100% - Multiple percentile).

Financial Returns and Multiple use the Goldman Sachs analyst forecasts at the fiscal year-end at least three quarters in the future. Growth uses inputs for the fiscal year at least seven quarters in the future compared with the year at least three quarters in the future (on a per-share basis for all metrics).

For a more detailed description of how we calculate the GS Factor Profile, please contact your GS representative.

M&A Rank

Across our global coverage, we examine stocks using an M&A framework, considering both qualitative factors and quantitative factors (which may vary across sectors and regions) to incorporate the potential that certain companies could be acquired. We then assign a M&A rank as a means of scoring companies under our rated coverage from 1 to 3, with 1 representing high (30%-50%) probability of the company becoming an acquisition target, 2 representing medium (15%-30%) probability and 3 representing low (0%-15%) probability. For companies ranked 1 or 2, in line with our standard departmental guidelines we incorporate an M&A component into our target price. M&A rank of 3 is considered immaterial and therefore does not factor into our price target, and may or may not be discussed in research.

Quantum

Quantum is Goldman Sachs' proprietary database providing access to detailed financial statement histories, forecasts and ratios. It can be used for in-depth analysis of a single company, or to make comparisons between companies in different sectors and markets.

Disclosures

The rating(s) for AVC is/are relative to the other companies in its/their coverage universe: AVC, AWSC, Airtac International Group, Asus, Auras, Chenbro, Co-Tech Development Corp., Compal, Delta Electronics, E Ink, Elite Material, Fositek, GCE, Gigabyte, HTC Corp., Hiwin Corp., ITEQ Corp, Inventec, Kinsus, Lotes, NYPCB, Pegatron, Quanta, Shengyi Tech, Shennan Circuits, Taiwan Union Technology Corp., Unimicron Technology, Victory Giant, WNC, WUS, Win Semiconductors Corp., Yageo Corp., Zhen Ding Technology Holding

Company-specific regulatory disclosures

The following disclosures relate to relationships between The Goldman Sachs Group, Inc. (with its affiliates, "Goldman Sachs") and companies covered by Goldman Sachs Global Investment Research and referred to in this research.

There are no company-specific disclosures for: AVC (NT$2,790.00)

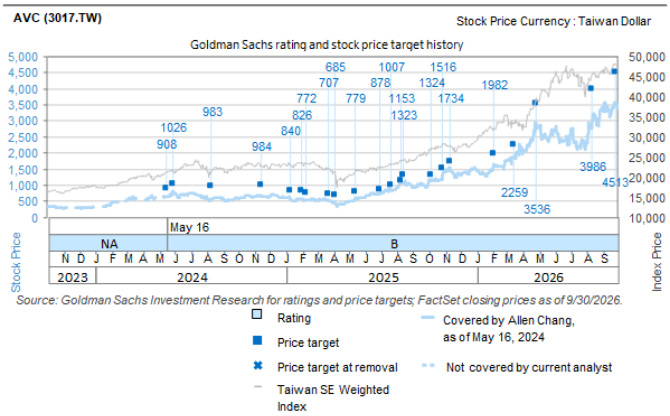
Distribution of ratings/investment banking relationships

Goldman Sachs Investment Research global Equity coverage universe

	Rating Distribution			Investment Banking Relationships		
	Buy	Hold	Sell	Buy	Hold	Sell
Global	50%	34%	16%	65%	58%	43%

As of October 1, 2026, Goldman Sachs Global Investment Research had investment ratings on 3,094 equity securities. Goldman Sachs assigns stocks as Buys and Sells on various regional Investment Lists; stocks not so assigned are deemed Neutral. Such assignments equate to Buy, Hold and Sell for the purposes of the above disclosure required by the FINRA Rules. See 'Ratings, Coverage universe and related definitions' below. The Investment Banking Relationships chart reflects the percentage of subject companies within each rating category for whom Goldman Sachs has provided investment banking services within the previous twelve months.

Price target and rating history chart(s)



The price targets shown should be considered in the context of all prior published Goldman Sachs research, which may or may not have included price targets, as well as developments relating to the company, its industry and financial markets.

Regulatory disclosures

Disclosures required by United States laws and regulations

See company-specific regulatory disclosures above for any of the following disclosures required as to companies referred to in this report: manager or co-manager in a pending transaction; 1% or other ownership; compensation for certain services; types of client relationships; managed/co-managed public offerings in prior periods; directorships; registered market maker. Goldman Sachs trades or may trade as a principal in debt securities (or in related derivatives) of issuers discussed in this report.

The following are additional required disclosures: **Ownership and material conflicts of interest:** Goldman Sachs policy prohibits its analysts, professionals reporting to analysts and members of their households from owning securities of any company in the analyst's area of coverage. **Analyst compensation:** Analysts are paid in part based on the profitability of Goldman Sachs, which includes investment banking revenues. **Analyst as officer or director:** Goldman Sachs policy generally prohibits its analysts, persons reporting to analysts or members of their households from serving as an officer, director or advisor of any company in the analyst's area of coverage. **Non-U.S. Analysts:** Non-U.S. analysts may not be associated persons of Goldman Sachs & Co. LLC and therefore may not be subject to FINRA Rule 2241 or FINRA Rule 2242 restrictions on communications with a subject company, public appearances and trading in securities covered by the analysts.

Additional disclosures required under the laws and regulations of jurisdictions other than the United States

The following disclosures are those required by the jurisdiction indicated, except to the extent already made above pursuant to United States laws and regulations. **Australia:** Goldman Sachs Australia Pty Ltd and its affiliates are not authorised deposit-taking institutions (as that term is defined in the Banking Act 1959 (Cth)) in Australia and do not provide banking services, nor carry on a banking business, in Australia. This research, and any access to it, is intended only for "wholesale clients" within the meaning of the Australian Corporations Act, unless otherwise agreed by Goldman Sachs. In producing research reports, members of Global Investment Research of Goldman Sachs Australia may attend site visits and other meetings hosted by the companies and other entities which are the subject of its research reports. In some instances the costs of such site visits or meetings may be met in part or in whole by the issuers concerned if Goldman Sachs Australia considers it is appropriate and reasonable in the specific circumstances relating to the site visit or meeting. To the extent that the contents of this document contains any financial product advice, it is general advice only and has been prepared by Goldman Sachs without taking into account a client's objectives, financial situation or needs. A client should, before acting on any such advice, consider the appropriateness of the advice having regard to the client's own objectives, financial situation and needs. A copy of certain Goldman Sachs Australia and New Zealand disclosure of interests and a copy of Goldman Sachs' Australian Sell-Side Research Independence Policy Statement are available at: https://www.goldmansachs.com/disclosures/australia-new-zealand/index.html. **Brazil:** Disclosure information in relation to CVM Resolution n. 20 is available at https://www.gs.com/worldwide/brazil/area/gir/index.html. Where applicable, the Brazil-registered analyst primarily responsible for the content of this research report, as defined in Article 20 of CVM Resolution n. 20, is the first author named at the beginning of this report, unless indicated otherwise at the end of the text. **Canada:** This information is being provided to you for information purposes only and is not, and under no circumstances should be construed as, an advertisement, offering or solicitation by Goldman Sachs & Co. LLC for purchasers of securities in Canada to trade in any Canadian security. Goldman Sachs & Co. LLC is not registered as a dealer in any jurisdiction in Canada under applicable Canadian securities laws and generally is not permitted to trade in Canadian securities and may be prohibited from selling certain securities and products in certain jurisdictions in Canada. If you wish to trade in any Canadian securities or other products in Canada please contact Goldman Sachs Canada Inc., an affiliate of The Goldman Sachs Group Inc., or another registered Canadian dealer. **Hong Kong:** Further information on the securities of covered companies referred to in this research may be obtained on request from Goldman Sachs (Asia) L.L.C. **India:** Further information on the subject company or companies referred to in this research may be obtained from Goldman Sachs (India) Securities Private Limited, Research Analyst - SEBI Registration Number INH000001493, 10th Floor, Ascent-Worli, Sudam Kalu Ahire Marg, Worli, Mumbai-400 025, India, Corporate Identity Number U74140MH2006FTC160634, Phone +91 22 6616 9000, Fax +91 22 6616 9001. Goldman Sachs may beneficially own 1% or more of the securities (as such term is defined in clause 2 (h) the Indian Securities Contracts (Regulation) Act, 1956) of the subject company or companies referred to in this research report. Registration granted by SEBI and certification from NISM in no way guarantee performance of the intermediary or provide any assurance of returns to investors. Goldman Sachs (India) Securities Private Limited compliance officer and investor grievance contact details, a copy of the annual compliance audit report and other relevant information and disclosures can be found at this link: https://www.goldmansachs.com/worldwide/india/research-analyst. **Japan:** See below. **Korea:** This research, and any access to it, is intended only for "professional investors" within the meaning of the Financial Services and Capital Markets Act, unless otherwise agreed by Goldman Sachs. Further information on the subject company or companies referred to in this research may be obtained from Goldman Sachs (Asia) L.L.C., Seoul Branch. **New Zealand:** Goldman Sachs New Zealand Limited and its affiliates are neither "registered banks" nor "deposit takers" (as defined in the Reserve Bank of New Zealand Act 1989) in New Zealand. This research, and any access to it, is intended for "wholesale clients" (as defined in the Financial Advisers Act 2008) unless otherwise agreed by Goldman Sachs. A copy of certain Goldman Sachs Australia and New Zealand disclosure of interests is available at: https://www.goldmansachs.com/disclosures/australia-new-zealand/index.html. **Russia:** Research reports distributed in the Russian Federation are not advertising as defined in the Russian legislation, but are information and analysis not having product promotion as their main purpose and do not provide appraisal within the meaning of the Russian legislation on appraisal activity. Research reports do not constitute a personalized investment recommendation as defined in Russian laws and regulations, are not addressed to a specific client, and are prepared without analyzing the financial circumstances, investment profiles or risk profiles of clients. Goldman Sachs assumes no responsibility for any investment decisions that may be taken by a client or any other person based on this research report. **Singapore:** Goldman Sachs (Singapore) Pte. (Company Number: 198602165W), which is regulated by the Monetary Authority of Singapore, accepts legal responsibility for this research, and should be contacted with respect to any matters arising from, or in connection with, this research. **Taiwan:** This material is for reference only and must not be reprinted without permission. Investors should carefully consider their own investment risk. Investment results are the responsibility of the individual investor. **United Kingdom:** Persons who would be categorized as retail clients in the United Kingdom, as such term is defined in the rules of the Financial Conduct Authority, should read this research in conjunction with prior Goldman Sachs research on the covered companies referred to herein and should refer to the risk warnings that have been sent to them by Goldman Sachs International. A copy of these risks warnings, and a glossary of certain financial terms used in this report, are available from Goldman Sachs International on request.

European Union and United Kingdom: Disclosure information in relation to Article 6 (2) of the European Commission Delegated Regulation (EU) (2016/958) supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council (including as that Delegated Regulation is implemented into United Kingdom domestic law and regulation following the United Kingdom's departure from the European Union and the European Economic Area) with regard to regulatory technical standards for the technical arrangements for objective presentation of investment recommendations or other information recommending or suggesting an investment strategy and for disclosure of particular interests or indications of conflicts of interest is available at https://www.gs.com/disclosures/europeanpolicy.html which states the European Policy for Managing Conflicts of Interest in Connection with Investment Research.

Japan: Goldman Sachs Japan Co., Ltd. is a Financial Instrument Dealer registered with the Kanto Financial Bureau under registration number Kinsho 69, and a member of Japan Securities Dealers Association, Financial Futures Association of Japan Type II Financial Instruments Firms Association, and Investment Management Association of Japan. Sales and purchase of equities are subject to commission pre-determined with clients plus consumption tax. See company-specific disclosures as to any applicable disclosures required by Japanese stock exchanges, the Japanese Securities Dealers Association or the Japanese Securities Finance Company.

Ratings, coverage universe and related definitions

Buy (B), Neutral (N), Sell (S) Analysts recommend stocks as Buys or Sells for inclusion on various regional Investment Lists. Being assigned a Buy or Sell on an Investment List is determined by a stock's total return potential relative to its coverage universe. Any stock not assigned as a Buy or a Sell on an Investment List with an active rating (i.e., a stock that is not Rating Suspended, Not Rated, Early-Stage Biotech, Coverage Suspended or Not Covered), is deemed Neutral. Each region manages Regional Conviction Lists, which are selected from Buy rated stocks on the respective region's Investment Lists and represent investment recommendations focused on the size of the total return potential and/or the likelihood of the realization of the return across their respective areas of coverage. The addition or removal of stocks from such Conviction Lists are managed by the Investment Review Committee or other designated committee in each respective region and do not represent a change in the analysts' investment rating for such stocks.

Total return potential represents the upside or downside differential between the current share price and the price target, including all paid or anticipated dividends, expected during the time horizon associated with the price target. Price targets are required for all covered stocks. The total return potential, price target and associated time horizon are stated in each report adding or reiterating an Investment List membership.

Coverage Universe: A list of all stocks in each coverage universe is available by primary analyst, stock and coverage universe at https://www.gs.com/research/hedge.html.

Not Rated (NR). The investment rating, target price and earnings estimates (where relevant) are removed pursuant to Goldman Sachs policy when Goldman Sachs is acting in an advisory capacity in a merger or in a strategic transaction involving this company, when there are legal, regulatory or

policy constraints due to Goldman Sachs' involvement in a transaction, and in certain other circumstances. **Early-Stage Biotech (ES).** An investment rating and a target price are not assigned pursuant to Goldman Sachs policy when this company has neither a drug, treatment or medical device that has passed a Phase II clinical trial nor a license to distribute a post-Phase II drug, treatment or medical device. **Rating Suspended (RS).** Goldman Sachs Research has suspended the investment rating and price target for this stock, because there is not a sufficient fundamental basis for determining an investment rating or target price. The previous investment rating and target price, if any, are no longer in effect for this stock and should not be relied upon. **Coverage Suspended (CS).** Goldman Sachs has suspended coverage of this company. **Not Covered (NC).** Goldman Sachs does not cover this company.

Global product; distributing entities

Goldman Sachs Global Investment Research produces and distributes research products for clients of Goldman Sachs on a global basis. Analysts based in Goldman Sachs offices around the world produce research on industries and companies, and research on macroeconomics, currencies, commodities and portfolio strategy. This research is disseminated in Australia by Goldman Sachs Australia Pty Ltd (ABN 21 006 797 897); in Brazil by Goldman Sachs do Brasil Corretora de Títulos e Valores Mobiliários S.A.; Public Communication Channel Goldman Sachs Brazil: 0800 727 5764 and / or contatogoldmanbrasil@gs.com. Available Weekdays (except holidays), from 9am to 6pm. Canal de Comunicação com o Público Goldman Sachs Brasil: 0800 727 5764 e/ou contatogoldmanbrasil@gs.com. Horário de funcionamento: segunda-feira à sexta-feira (exceto feriados), das 9h às 18h; in Canada by Goldman Sachs & Co. LLC; in Hong Kong by Goldman Sachs (Asia) L.L.C.; in India by Goldman Sachs (India) Securities Private Ltd.; in Japan by Goldman Sachs Japan Co., Ltd.; in the Republic of Korea by Goldman Sachs (Asia) L.L.C., Seoul Branch; in New Zealand by Goldman Sachs New Zealand Limited; in Russia by OOO Goldman Sachs; in Singapore by Goldman Sachs (Singapore) Pte. (Company Number: 198602165W); and in the United States of America by Goldman Sachs & Co. LLC. Goldman Sachs International has approved this research in connection with its distribution in the United Kingdom.

Goldman Sachs International ("GSI"), authorised by the Prudential Regulation Authority ("PRA") and regulated by the Financial Conduct Authority ("FCA") and the PRA, has approved this research in connection with its distribution in the United Kingdom.

European Economic Area: Goldman Sachs Bank Europe SE ("GSBE") is a credit institution incorporated in Germany and, within the Single Supervisory Mechanism, subject to direct prudential supervision by the European Central Bank and in other respects supervised by German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, BaFin) and Deutsche Bundesbank and disseminates research within the European Economic Area.

General disclosures

This research is for our clients only. Other than disclosures relating to Goldman Sachs, this research is based on current public information that we consider reliable, but we do not represent it is accurate or complete, and it should not be relied on as such. The information, opinions, estimates and forecasts contained herein are as of the date hereof and are subject to change without prior notification. We seek to update our research as appropriate, but various regulations may prevent us from doing so. Other than certain industry reports published on a periodic basis, the large majority of reports are published at irregular intervals as appropriate in the analyst's judgment.

Goldman Sachs conducts a global full-service, integrated investment banking, investment management, and brokerage business. We have investment banking and other business relationships with a substantial percentage of the companies covered by Global Investment Research. Goldman Sachs & Co. LLC, the United States broker dealer, is a member of SIPC (https://www.sipc.org).

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients and principal trading desks that reflect opinions that are contrary to the opinions expressed in this research. Our asset management area, principal trading desks and investing businesses may make investment decisions that are inconsistent with the recommendations or views expressed in this research.

The analysts named in this report may have from time to time discussed with our clients, including Goldman Sachs salespersons and traders, or may discuss in this report, trading strategies that reference catalysts or events that may have a near-term impact on the market price of the equity securities discussed in this report, which impact may be directionally counter to the analyst's published price target expectations for such stocks. Any such trading strategies are distinct from and do not affect the analyst's fundamental equity rating for such stocks, which rating reflects a stock's return potential relative to its coverage universe as described herein.

We and our affiliates, officers, directors, and employees will from time to time have long or short positions in, act as principal in, make a market or act as liquidity provider in, and buy or sell, any securities, derivatives, or other financial instruments referred to in this research (including any financial instruments issued by the companies referred to herein), unless otherwise prohibited by regulation or Goldman Sachs policy.

The views attributed to third party presenters at Goldman Sachs arranged conferences, including individuals from other parts of Goldman Sachs, do not necessarily reflect those of Global Investment Research and are not an official view of Goldman Sachs.

Any third party referenced herein, including any salespeople, traders and other professionals or members of their household, may have positions in the products mentioned that are inconsistent with the views expressed by analysts named in this report.

This research is not an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Clients should consider whether any advice or recommendation in this research is suitable for their particular circumstances and, if appropriate, seek professional advice, including tax advice. The price and value of investments referred to in this research and the income from them may fluctuate. Past performance is not a guide to future performance, future returns are not guaranteed, and a loss of original capital may occur. Fluctuations in exchange rates could have adverse effects on the value or price of, or income derived from, certain investments.

Certain transactions, including those involving futures, options, and other derivatives, give rise to substantial risk and are not suitable for all investors. Investors should review current options and futures disclosure documents which are available from Goldman Sachs sales representatives or at https://www.theocc.com/about/publications/character-risks.jsp and https://www.goldmansachs.com/disclosures/cftc_fcm_disclosures. Transaction costs may be significant in option strategies calling for multiple purchase and sales of options such as spreads. Supporting documentation will be supplied upon request.

Differing Levels of Service provided by Global Investment Research: The level and types of services provided to you by Goldman Sachs Global Investment Research may vary as compared to that provided to internal and other external clients of GS, depending on various factors including your individual preferences as to the frequency and manner of receiving communication, your risk profile and investment focus and perspective (e.g., marketwide, sector specific, long term, short term), the size and scope of your overall client relationship with GS, and legal and regulatory constraints. As an example, certain clients may request to receive notifications when research on specific securities is published, and certain clients may request that specific data underlying analysts' fundamental analysis available on our internal client websites be delivered to them electronically through data feeds or otherwise. No change to an analyst's fundamental research views (e.g., ratings, price targets, or material changes to earnings estimates for equity securities), will be communicated to any client prior to inclusion of such information in a research report broadly disseminated through electronic publication to our internal client websites or through other means, as necessary, to all clients who are entitled to receive such reports.

All research reports are disseminated and available to all clients simultaneously through electronic publication to our internal client websites. Not all research content is redistributed to our clients or available to third-party aggregators, nor is Goldman Sachs responsible for the redistribution of our research by third party aggregators. For research, models or other data related to one or more securities, markets or asset classes (including related services) that may be available to you, please contact your GS representative or go to https://research.gs.com.

Disclosure information is also available at https://www.gs.com/research/hedge.html or from Research Compliance, 200 West Street, New York, NY 10282.

Goldman Sachs (Asia) L.L.C.

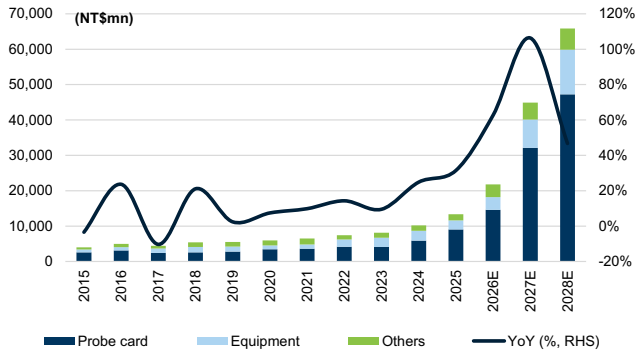
Oct revenues on track: Oct revenues came in at NT$2,232mn, +93% YoY and +9% MoM (vs. 3Q26 revenues +13% QoQ), accounting for 33% of our 4Q26E revenue forecast. Looking into 4Q26, we expect revenue to grow 13% QoQ on continued AI-driven demand for both VPC and MEMS probe cards and initial shipments to the US CPU customer, and we raise our GM assumption to 62.4% (vs. 60.4% previously) to reflect the richer VPC/MEMS mix seen in 3Q26. For 2027, we expect MEMS capacity additions, share gains at the US CPU customer and rising pin count per card to drive growth, with GM expanding further as MEMS mix rises. **3Q26 beat:** Revenue was pre-announced. GM of 61.7% came in above GSe/Bloomberg consensus of 59.8%/59.5%, which we attribute to higher VPC/MEMS shipments for AI-related applications. Together with a lower opex ratio of 23.1% (vs. GSe/cons. of 23.6%/24.1%) on larger revenue scale, operating income grew 26% QoQ, 8.5% / 11.5% ahead of GSe/cons. EPS of NT$19.18 was 8.1% / 11.0% above GSe/cons. With higher GM, we raise our 2026-28E EPS by 5%/3%/1%, and raise our 12m TP to NT$8,600 (implied 53x 2027E P/E vs. 90% NI YoY of 2027-28E on avg.). Maintain Buy.

Exhibit 1: MPI's revenue growth outlook



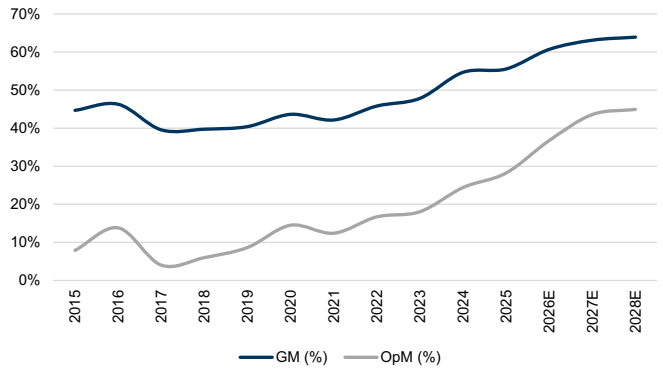
Source: Company data, Goldman Sachs Global Investment Research

MEMS capacity ramp and new customers to drive growth: Our 4Q26E forecast implies average monthly revenue of NT$2,226mn in November-December (flat vs. October). On the margin front, we expect product mix to remain favorable for GM, as VPC/MEMS capacity additions and new customer ramps continue. Longer term, we remain positive on MPI's growth outlook, driven by 1) MEMS and VPC capacity expansion, where we keep our capacity assumption of 2.5mn/8.0mn pins per month for VPC/MEMS by end-2027E, which we see as well supported as multiple AI ASIC

Goldman Sachs does and seeks to do business with companies covered in its research reports. As a result, investors should be aware that the firm may have a conflict of interest that could affect the objectivity of this report. Investors should consider this report as only a single factor in making their investment decision. For Reg AC certification and other important disclosures, see the Disclosure Appendix, or go to www.gs.com/research/hedge.html. Analysts employed by non-US affiliates are not registered/qualified as research analysts with FINRA in the U.S.

and networking programs move into volume; 2) share gains at the US CPU customer, where we see potential for it to become MPI's top revenue contributor in 2027, supported by strong CPU demand from agentic AI; 3) content growth, as pin count per card keeps climbing, further lift by micro-bump probing at some customers; 4) rising PCB insourcing, which should improve both delivery times and margins; and 5) CPO, which should open a new growth avenue for its equipment business across Insertion 2 and 3.

Exhibit 2: MPI's Margin trends



Source: Company data, Goldman Sachs Global Investment Research

Earnings revisions: We incorporate the 3Q26 results into our model and revise our 2026/2027/2028E EPS by +4.8%/+3.2%/+1.2%, as we factor in 1) higher GM, reflecting the 3Q26 results and a richer VPC/MEMS mix, and 2) higher revenue (+0.8%/+1.2%/+1.5% vs. our prior forecasts). Overall, we now model revenue growth of 63%/106%/47% YoY over 2026-28E (vs. 61%/105%/46% previously), with GM expanding to 60.7%/63.1%/63.9% (vs. 59.6%/62.2%/63.7% previously).

Valuation: As a result of our earnings revisions, we raise our 12-month TP to NT$8,600 (from NT$8,500). Our 12-month TP is still based on a target P/E of 40x (1.7x of 3-year average forward P/E) applied to our 2028E EPS, and discounted back to 2027E at 12.4% CoE. Our key assumptions for CoE include: (1) 1.3x beta (sourcing Bloomberg), (2) a 4.25% risk-free rate, and (3) a market risk premium at 6.25% (in line with GS house view). Maintain Buy.

Price Target Risks and Methodology – MPI (6223.TWO)

Valuation: We are Buy rated on MPI. Our 12-month TP of NT$8,600 is based on a target P/E of 40x (1.7x of 3-year average forward P/E) applied to our 2028E EPS, and discounted back to 2027E at 12.4% CoE. Our key assumptions for CoE include: (1) 1.3x beta (sourcing Bloomberg), (2) a 4.25% risk-free rate, and (3) a market risk premium at 6.25% (in line with GS house view).

Key risks to our views: 1) softer AI/HPC demand, 2) slower penetration into new TAM, and 3) intensifying competition.

GS Factor Profile

The Goldman Sachs Factor Profile provides investment context for a stock by comparing key attributes to the market (i.e. our universe of rated stocks) and its sector peers. The four key attributes depicted are: Growth, Financial Returns, Multiple (e.g. valuation) and Integrated (a composite of Growth, Financial Returns and Multiple). Growth, Financial Returns and Multiple are calculated by using normalized ranks for specific metrics for each stock. The normalized ranks for the metrics are then averaged and converted into percentiles for the relevant attribute. The precise calculation of each metric may vary depending on the fiscal year, industry and region, but the standard approach is as follows:

Growth is based on a stock's forward-looking sales growth, EBITDA growth and EPS growth (for financial stocks, only EPS and sales growth), with a higher percentile indicating a higher growth company. **Financial Returns** is based on a stock's forward-looking ROE, ROCE and CROCI (for financial stocks, only ROE), with a higher percentile indicating a company with higher financial returns. **Multiple** is based on a stock's forward-looking P/E, P/B, price/dividend (P/D), EV/EBITDA, EV/FCF and EV/Debt Adjusted Cash Flow (DACF) (for financial stocks, only P/E, P/B and P/D), with a higher percentile indicating a stock trading at a higher multiple. The **Integrated** percentile is calculated as the average of the Growth percentile, Financial Returns percentile and (100% - Multiple percentile).

Financial Returns and Multiple use the Goldman Sachs analyst forecasts at the fiscal year-end at least three quarters in the future. Growth uses inputs for the fiscal year at least seven quarters in the future compared with the year at least three quarters in the future (on a per-share basis for all metrics).

For a more detailed description of how we calculate the GS Factor Profile, please contact your GS representative.

M&A Rank

Across our global coverage, we examine stocks using an M&A framework, considering both qualitative factors and quantitative factors (which may vary across sectors and regions) to incorporate the potential that certain companies could be acquired. We then assign a M&A rank as a means of scoring companies under our rated coverage from 1 to 3, with 1 representing high (30%-50%) probability of the company becoming an acquisition target, 2 representing medium (15%-30%) probability and 3 representing low (0%-15%) probability. For companies ranked 1 or 2, in line with our standard departmental guidelines we incorporate an M&A component into our target price. M&A rank of 3 is considered immaterial and therefore does not factor into our price target, and may or may not be discussed in research.

Quantum

Quantum is Goldman Sachs' proprietary database providing access to detailed financial statement histories, forecasts and ratios. It can be used for in-depth analysis of a single company, or to make comparisons between companies in different sectors and markets.

Regulatory disclosures

Disclosures required by United States laws and regulations

See company-specific regulatory disclosures above for any of the following disclosures required as to companies referred to in this report: manager or co-manager in a pending transaction; 1% or other ownership; compensation for certain services; types of client relationships; managed/co-managed public offerings in prior periods; directorships; registered market maker. Goldman Sachs trades or may trade as a principal in debt securities (or in related derivatives) of issuers discussed in this report.

The following are additional required disclosures: **Ownership and material conflicts of interest:** Goldman Sachs policy prohibits its analysts, professionals reporting to analysts and members of their households from owning securities of any company in the analyst's area of coverage. **Analyst compensation:** Analysts are paid in part based on the profitability of Goldman Sachs, which includes investment banking revenues. **Analyst as officer or director:** Goldman Sachs policy generally prohibits its analysts, persons reporting to analysts or members of their households from serving as an officer, director or advisor of any company in the analyst's area of coverage. **Non-U.S. Analysts:** Non-U.S. analysts may not be associated persons of Goldman Sachs & Co. LLC and therefore may not be subject to FINRA Rule 2241 or FINRA Rule 2242 restrictions on communications with a subject company, public appearances and trading in securities covered by the analysts.

Additional disclosures required under the laws and regulations of jurisdictions other than the United States

The following disclosures are those required by the jurisdiction indicated, except to the extent already made above pursuant to United States laws and regulations. **Australia:** Goldman Sachs Australia Pty Ltd and its affiliates are not authorised deposit-taking institutions (as that term is defined in the Banking Act 1959 (Cth)) in Australia and do not provide banking services, nor carry on a banking business, in Australia. This research, and any access to it, is intended only for "wholesale clients" within the meaning of the Australian Corporations Act, unless otherwise agreed by Goldman Sachs. In producing research reports, members of Global Investment Research of Goldman Sachs Australia may attend site visits and other meetings hosted by the companies and other entities which are the subject of its research reports. In some instances the costs of such site visits or meetings may be met in part or in whole by the issuers concerned if Goldman Sachs Australia considers it is appropriate and reasonable in the specific circumstances relating to the site visit or meeting. To the extent that the contents of this document contains any financial product advice, it is general advice only and has been prepared by Goldman Sachs without taking into account a client's objectives, financial situation or needs. A client should, before acting on any such advice, consider the appropriateness of the advice having regard to the client's own objectives, financial situation and needs. Investment results are the responsibility of the individual investor. **United Kingdom:** Persons who would be categorized as retail clients in the United Kingdom, as such term is defined in the rules of the Financial Conduct Authority, should read this research in conjunction with prior Goldman Sachs research on the covered companies referred to herein and should refer to the risk warnings that have been sent to them by Goldman Sachs International. A copy of these risks warnings, and a glossary of certain financial terms used in this report, are available from Goldman Sachs International on request.

European Union and United Kingdom: Disclosure information in relation to Article 6 (2) of the European Commission Delegated Regulation (EU) (2016/958) supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council (including as that Delegated Regulation is implemented into United Kingdom domestic law and regulation following the United Kingdom's departure from the European Union and the European Economic Area) with regard to regulatory technical standards for the technical arrangements for objective presentation of investment recommendations or other information recommending or suggesting an investment strategy and for disclosure of particular interests or indications of conflicts of interest is available at https://www.gs.com/disclosures/europeanpolicy.html which states the European Policy for Managing Conflicts of Interest in Connection with Investment Research.

Japan: Goldman Sachs Japan Co., Ltd. is a Financial Instrument Dealer registered with the Kanto Financial Bureau under registration number Kinsho 69, and a member of Japan Securities Dealers Association, Financial Futures Association of Japan Type II Financial Instruments Firms Association, and Investment Management Association of Japan. Sales and purchase of equities are subject to commission pre-determined with clients plus consumption tax. See company-specific disclosures as to any applicable disclosures required by Japanese stock exchanges, the Japanese Securities Dealers Association or the Japanese Securities Finance Company.

Ratings, coverage universe and related definitions

Buy (B), Neutral (N), Sell (S) Analysts recommend stocks as Buys or Sells for inclusion on various regional Investment Lists. Being assigned a Buy or Sell on an Investment List is determined by a stock's total return potential relative to its coverage universe. Any stock not assigned as a Buy or a Sell on an Investment List with an active rating (i.e., a stock that is not Rating Suspended, Not Rated, Early-Stage Biotech, Coverage Suspended or Not Covered), is deemed Neutral. Each region manages Regional Conviction Lists, which are selected from Buy rated stocks on the respective region's Investment Lists and represent investment recommendations focused on the size of the total return potential and/or the likelihood of the realization of the return across their respective areas of coverage. The addition or removal of stocks from such Conviction Lists are managed by the Investment Review Committee or other designated committee in each respective region and do not represent a change in the analysts' investment rating for such stocks.

Total return potential represents the upside or downside differential between the current share price and the price target, including all paid or anticipated dividends, expected during the time horizon associated with the price target. Price targets are required for all covered stocks. The total return potential, price target and associated time horizon are stated in each report adding or reiterating an Investment List membership.

Coverage Universe: A list of all stocks in each coverage universe is available by primary analyst, stock and coverage universe at https://www.gs.com/research/hedge.html.

Not Rated (NR). The investment rating, target price and earnings estimates (where relevant) are removed pursuant to Goldman Sachs policy when Goldman Sachs is acting in an advisory capacity in a merger or in a strategic transaction involving this company, when there are legal, regulatory or policy constraints due to Goldman Sachs' involvement in a transaction, and in certain other circumstances. **Early-Stage Biotech (ES).** An investment rating and a target price are not assigned pursuant to Goldman Sachs policy when this company has neither a drug, treatment or medical device that has passed a Phase II clinical trial nor a license to distribute a post-Phase II drug, treatment or medical device. **Rating Suspended (RS).** Goldman Sachs Research has suspended the investment rating and price target for this stock, because there is not a sufficient fundamental basis for determining an investment rating or target price. The previous investment rating and target price, if any, are no longer in effect for this stock and should not be relied upon. **Coverage Suspended (CS).** Goldman Sachs has suspended coverage of this company. **Not Covered (NC).** Goldman Sachs does not cover this company.

Global product; distributing entities

Goldman Sachs Global Investment Research produces and distributes research products for clients of Goldman Sachs on a global basis. Analysts based in Goldman Sachs offices around the world produce research on industries and companies, and research on macroeconomics, currencies, commodities and portfolio strategy. Available Weekdays (except holidays), from 9am to 6pm. Canal de Comunicação com o Público Goldman Sachs Brasil: 0800 727 5764 e/ou contatogoldmanbrasil@gs.com. Horário de funcionamento: segunda-feira à sexta-feira (exceto feriados), das 9h às 18h; in Canada by Goldman Sachs & Co. LLC; in Hong Kong by Goldman Sachs (Asia) L.L.C.; in India by Goldman Sachs (India) Securities Private Ltd.; in Japan by Goldman Sachs Japan Co., Ltd.; in the Republic of Korea by Goldman Sachs (Asia) L.L.C., Seoul Branch; in New Zealand by Goldman Sachs New Zealand Limited; in Russia by OOO Goldman Sachs; in Singapore by Goldman Sachs (Singapore) Pte. (Company Number: 198602165W); and in the United States

of America by Goldman Sachs & Co. LLC. Goldman Sachs International has approved this research in connection with its distribution in the United Kingdom.

Goldman Sachs International ("GSI"), authorised by the Prudential Regulation Authority ("PRA") and regulated by the Financial Conduct Authority ("FCA") and the PRA, has approved this research in connection with its distribution in the United Kingdom.

European Economic Area: Goldman Sachs Bank Europe SE ("GSBE") is a credit institution incorporated in Germany and, within the Single Supervisory Mechanism, subject to direct prudential supervision by the European Central Bank and in other respects supervised by German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, BaFin) and Deutsche Bundesbank and disseminates research within the European Economic Area.

General disclosures

This research is for our clients only. Other than disclosures relating to Goldman Sachs, this research is based on current public information that we consider reliable, but we do not represent it is accurate or complete, and it should not be relied on as such. The information, opinions, estimates and forecasts contained herein are as of the date hereof and are subject to change without prior notification. We seek to update our research as appropriate, but various regulations may prevent us from doing so. Other than certain industry reports published on a periodic basis, the large majority of reports are published at irregular intervals as appropriate in the analyst's judgment.

Goldman Sachs conducts a global full-service, integrated investment banking, investment management, and brokerage business. We have investment banking and other business relationships with a substantial percentage of the companies covered by Global Investment Research. Goldman Sachs & Co. LLC, the United States broker dealer, is a member of SIPC (https://www.sipc.org).

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients and principal trading desks that reflect opinions that are contrary to the opinions expressed in this research. Our asset management area, principal trading desks and investing businesses may make investment decisions that are inconsistent with the recommendations or views expressed in this research.

The analysts named in this report may have from time to time discussed with our clients, including Goldman Sachs salespersons and traders, or may discuss in this report, trading strategies that reference catalysts or events that may have a near-term impact on the market price of the equity securities discussed in this report, which impact may be directionally counter to the analyst's published price target expectations for such stocks. Any such trading strategies are distinct from and do not affect the analyst's fundamental equity rating for such stocks, which rating reflects a stock's return potential relative to its coverage universe as described herein.

We and our affiliates, officers, directors, and employees will from time to time have long or short positions in, act as principal in, make a market or act as liquidity provider in, and buy or sell, any securities, derivatives, or other financial instruments referred to in this research (including any financial instruments issued by the companies referred to herein), unless otherwise prohibited by regulation or Goldman Sachs policy.

The views attributed to third party presenters at Goldman Sachs arranged conferences, including individuals from other parts of Goldman Sachs, do not necessarily reflect those of Global Investment Research and are not an official view of Goldman Sachs.

Any third party referenced herein, including any salespeople, traders and other professionals or members of their household, may have positions in the products mentioned that are inconsistent with the views expressed by analysts named in this report.

This research is not an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Clients should consider whether any advice or recommendation in this research is suitable for their particular circumstances and, if appropriate, seek professional advice, including tax advice. The price and value of investments referred to in this research and the income from them may fluctuate. Past performance is not a guide to future performance, future returns are not guaranteed, and a loss of original capital may occur. Fluctuations in exchange rates could have adverse effects on the value or price of, or income derived from, certain investments.

Certain transactions, including those involving futures, options, and other derivatives, give rise to substantial risk and are not suitable for all investors. Investors should review current options and futures disclosure documents which are available from Goldman Sachs sales representatives or at https://www.theocc.com/about/publications/character-risks.jsp and https://www.goldmansachs.com/disclosures/cftc_fcm_disclosures. Transaction costs may be significant in option strategies calling for multiple purchase and sales of options such as spreads. Supporting documentation will be supplied upon request.

Differing Levels of Service provided by Global Investment Research: The level and types of services provided to you by Goldman Sachs Global Investment Research may vary as compared to that provided to internal and other external clients of GS, depending on various factors including your individual preferences as to the frequency and manner of receiving communication, your risk profile and investment focus and perspective (e.g., marketwide, sector specific, long term, short term), the size and scope of your overall client relationship with GS, and legal and regulatory constraints. As an example, certain clients may request to receive notifications when research on specific securities is published, and certain clients may request that specific data underlying analysts' fundamental analysis available on our internal client websites be delivered to them electronically through data feeds or otherwise. No change to an analyst's fundamental research views (e.g., ratings, price targets, or material changes to earnings estimates for equity securities), will be communicated to any client prior to inclusion of such information in a research report broadly disseminated through electronic publication to our internal client websites or through other means, as necessary, to all clients who are entitled to receive such reports.

All research reports are disseminated and available to all clients simultaneously through electronic publication to our internal client websites. Not all research content is redistributed to our clients or available to third-party aggregators, nor is Goldman Sachs responsible for the redistribution of our research by third party aggregators. For research, models or other data related to one or more securities, markets or asset classes (including related services) that may be available to you, please contact your GS representative or go to https://research.gs.com.

Disclosure information is also available at https://www.gs.com/research/hedge.html or from Research Compliance, 200 West Street, New York, NY 10282.

Giant Manufacturing

3Q26 EPS of NT$0.85 missed on margins

Maintain Rating: UNDERPERFORM | PO: 87.00 TWD | Price: 88.00 TWD

3Q26 EPS of NT$0.85 missed on margins

Giant reported 3Q26 EPS of NT$0.85 (-4% YoY), which missed our estimate of NT$1.16 on margins. The miss was due to higher than expected SG&A expenses as we believe the company continues to invest in marketing to support its new product launches as well as legal fees related to the WRO issues. 3Q26 revenue was +6% YoY to NT$16.3bn, which was in-line with preliminary revenue. 3Q26 gross margin was +2.4pps YoY to 23.9%. OPM was +0.5pps YoY to 3.1%.

Oct revenue was up 2% YoY

Oct revenue was up by 2% YoY. Growth in OB revenue was offset by lower OE contribution. Within OB business, Europe turned to a single digit decline while China achieved double digit growth. US reported steep decline due to weak market demand and negative impact from WRO investigation. We expect revenue growth to remain unexciting in 4Q26 as there should be limited product launches to drive sales during the winter season.

Cut PO to N$87; Maintain Underperform

We cut 2027E EPS by 7% to reflect 3Q26 miss. Based on unchanged 18x 2027E P/E, we cut our PO by 7% to NT$87. We expect end demand to remain under pressure due to macro uncertainty and inflation. We see downside risks to VA consensus EPS growth of 83% YoY to NT$6.1 for 2027E given uncertainty in sales recovery and margins normalization.

Company Sector

Leisure

Company Description

Established in 1972, Giant is the largest global bicycle manufacturer. Giant operates its own brand business (OBM) (68% of revenue) under Giant (mid-to-high-end bikes), Liv (women's), and Momentum (low-end) brand names. Giant's largest OEM customers are Trek (16% of revenue) and Scott (13% of revenue). Giant generated 39% of revenue from Europe, 23% from North America, 12% from China and 26% from Others in 2020. Its production is mainly based in China and Taiwan.

Investment Rationale

We rate Giant shares Underperform. We see high uncertainty in earnings recovery given weak end demand and negative earnings impact from FX/tariff headwinds.

Stock Data

Price to Book Value	1.0x

Price objective basis & risk

Giant Manufacturing (GTMUF)
Our NT$87 price objective is based on 18x 2027E P/E. The target multiple of 18x is at 0.5SD below the long-term average of 25x (2011-2025) given higher macro uncertainty and slow earnings growth.

Downside risks to our price objective are COVID resurgence to further disrupt supply chain and unexpectedly cool-down in bike demand.
Upside risks to our price objective are stronger-than-expected demand, fast capacity expansion and efficiency ramp-up, more favorable input costs and product mix shift.

Analyst Certification

I, Ronald Leung, CFA, hereby certify that the views expressed in this research report accurately reflect my personal views about the subject securities and issuers. I also certify that no part of my compensation was, is, or will be, directly or indirectly, related to the specific recommendations or view expressed in this research report.

Special Disclosures

Information on securities which are listed on the exchanges where ML Securities (Taiwan) Limited is not permitted to trade or solicit trades for clients is for informational purposes only and is not a recommendation or a solicitation to trade such securities. ML Securities (Taiwan) Limited will not execute transactions for nor accept orders from clients to trade such securities. Foreign investment in Taiwan securities is regulated and restricted. Currently, foreign investment in Taiwan securities is permitted by investment through: (1) global depository receipts, (2) convertible bonds, (3) mutual funds issued offshore of Taiwan, and (4) a special foreign institutional investors (FINIs) and foreign individual investors (FIDIs) program supervised by the Taiwan SFB whereunder FINIs/FIDIs may apply for investment ID to invest in Taiwan securities by registration with Taiwan Stock Exchange. FINIs will additionally need consent from the foreign exchange authority, ie, the Central Bank of China. In addition to the limitations above, various industry-specific percentage-based limitations on foreign ownership of Taiwan companies (and in some cases prohibitions) may apply. Investments are subject to exchange rate and currency conversion restrictions and risks. Dividends and interest earned by foreign investors' Taiwan securities/instruments are generally subject to a 20% withholding tax. Ordinary shares are not available to ML private client accounts in the U.S.

This report is distributed in Taiwan by Merrill Lynch Securities (Taiwan) Limited, which is regulated by the Taiwan SFB.

EV / EBITDA	Enterprise Value	Basic EBIT + Depreciation + Amortization

iQmethod℠ is the set of BofA Global Research standard measures that serve to maintain global consistency under three broad headings: Business Performance, Quality of Earnings, and validations. The key features of iQmethod are: A consistently structured, detailed, and transparent methodology. Guidelines to maximize the effectiveness of the comparative valuation process, and to identify some common pitfalls.
iQdatabase® is our real-time global research database that is sourced directly from our equity analysts' earnings models and includes forecasted as well as historical data for income statements, balance sheets, and cash flow statements for companies covered by BofA Global Research.

iQprofile℠, *iQmethod℠* are service marks of Bank of America Corporation. *iQdatabase®* is a registered service mark of Bank of America Corporation.

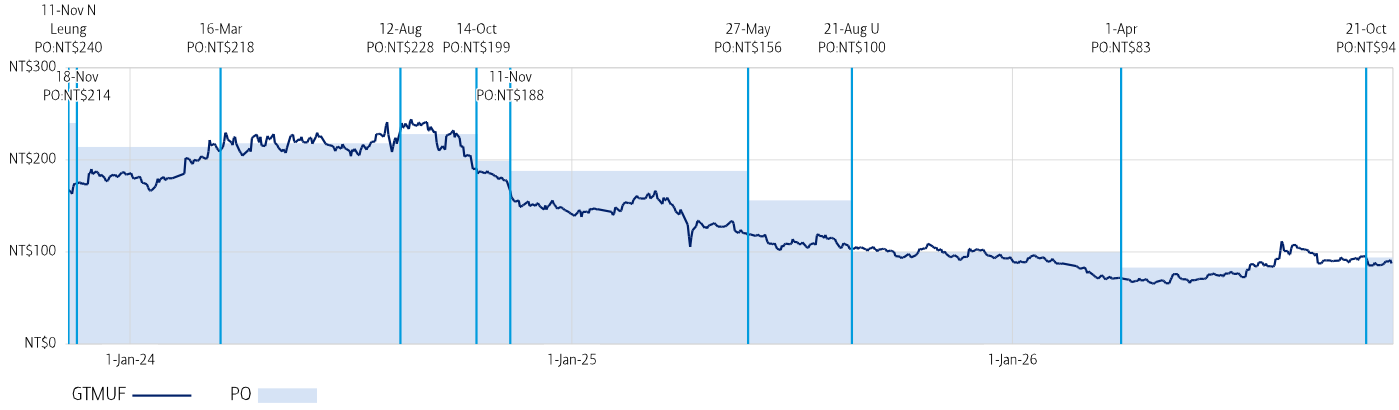
Giant Manufacturing (GTMUF) Price Chart



B: Buy, N: Neutral, U: Underperform, PO: Price Objective, NA: No longer valid, NR: No Rating

The Investment Opinion System is contained at the end of the report under the heading "Fundamental Equity Opinion Key". Dark grey shading indicates the security is restricted with the opinion suspended. Medium grey shading indicates the security is under review with the opinion withdrawn. Light grey shading indicates the security is not covered. Chart is current as of a date no more than one trading day prior to the date of the report.

Equity Investment Rating Distribution: Leisure Group (as of 30 Sep 2026)

Coverage Universe	Count	Percent	Inv. Banking Relationships [R1]	Count	Percent
Buy	15	62.50%	Buy	12	80.00%
Hold	5	20.83%	Hold	4	80.00%
Sell	4	16.67%	Sell	2	50.00%

Equity Investment Rating Distribution: Global Group (as of 30 Sep 2026)

Coverage Universe	Count	Percent	Inv. Banking Relationships [R1]	Count	Percent
Buy	2057	57.03%	Buy	1386	67.38%
Hold	806	22.35%	Hold	563	69.85%
Sell	744	20.63%	Sell	446	59.95%

[R1] Issuers that were investment banking clients of BofA Securities or one of its affiliates within the past 12 months. For purposes of this Investment Rating Distribution, the coverage universe includes only stocks. A stock rated Neutral is included as a Hold, and a stock rated Underperform is included as a Sell.

FUNDAMENTAL EQUITY OPINION KEY: Opinions include a Volatility Risk Rating, an Investment Rating and an Income Rating. VOLATILITY RISK RATINGS, indicators of potential price fluctuation, are: A - Low, B - Medium and C - High. INVESTMENT RATINGS reflect the analyst's assessment of both a stock's absolute total return potential as well as its attractiveness for investment relative to other stocks within its Coverage Cluster (defined below). Our investment ratings are: 1 - Buy stocks are expected to have a total return of at least 10% and are the most attractive stocks in the coverage cluster; 2 - Neutral stocks are expected to remain flat or increase in value and are less attractive than Buy rated stocks and 3 - Underperform stocks are the least attractive stocks in a coverage cluster. An investment rating of 6 (No Rating) indicates that a stock is no longer trading on the basis of fundamentals. Analysts assign investment ratings considering, among other things, the 0-12 month total return expectation for a stock and the firm's guidelines for ratings dispersions (shown in the table below). The current price objective for a stock should be referenced to better understand the total return expectation at any given time. The price objective reflects the analyst's view of the potential price appreciation (depreciation).

Investment rating	Total return expectation (within 12-month period of date of initial rating)	Ratings dispersion guidelines for coverage cluster[R2]
Buy	≥ 10%	≤ 70%
Neutral	≥ 0%	≤ 30%
Underperform	N/A	≥ 20%

[R2] Ratings dispersions may vary from time to time where BofA Global Research believes it better reflects the investment prospects of stocks in a Coverage Cluster.

INCOME RATINGS, indicators of potential cash dividends, are: 7 - same/higher (dividend considered to be secure), 8 - same/lower (dividend not considered to be secure) and 9 - pays no cash dividend. *Coverage Cluster* is comprised of stocks covered by a single analyst or two or more analysts sharing a common industry, sector, region or other classification(s). A stock's coverage cluster is included in the most recent BofA Global Research report referencing the stock.

Price Charts for the securities referenced in this research report are available on the Price Charts website, or call 1-800-MERRILL to have them mailed.
The issuer is or was, within the last 12 months, a non-securities business client of BofAS and/or one or more of its affiliates: Giant Manufacturing.
In the US, retail sales and/or distribution of this report may be made only in states where these securities are exempt from registration or have been qualified for sale: Giant Manufacturing.
BofAS together with its affiliates beneficially owns one percent or more of the common stock of this issuer. If this report was issued on or after the 9th day of the month, it reflects the ownership position on the last day of the previous month. Reports issued before the 9th day of a month reflect the ownership position at the end of the second month preceding the date of the report: Giant Manufacturing.
The country in which this issuer is organized has certain laws or regulations that limit or restrict ownership of the issuer's shares by nationals of other countries: Giant Manufacturing.
BofA Global Research personnel (including the analyst(s) responsible for this report) receive compensation based upon, among other factors, the overall profitability of Bank of America Corporation, including profits derived from investment banking. The analyst(s) responsible for this report may also receive compensation based upon, among other factors, the overall profitability of the Bank's sales and trading businesses relating to the class of securities or financial instruments for which such analyst is responsible.

Other Important Disclosures

From time to time research analysts conduct site visits of covered issuers. BofA Global Research policies prohibit research analysts from accepting payment or reimbursement for travel expenses from the issuer for such visits.
Prices are indicative and for information purposes only. Except as otherwise stated in the report, for any recommendation in relation to an equity security, the price referenced is the publicly traded price of the security as of close of business on the day prior to the date of the report or, if the report is published during intraday trading, the price referenced is indicative of the traded price as of the date and time of the report and in relation to a debt security (including equity preferred and CDS), prices are indicative as of the date and time of the report and are from various sources including BofA Securities trading desks.
The date and time of completion of the production of any recommendation in this report shall be the date and time of dissemination of this report as recorded in the report timestamp.

Recipients who are not institutional investors or market professionals should seek the advice of their independent financial advisor before considering information in this report in connection with any investment decision, or for a necessary explanation of its contents.
Officers of BofAS or one or more of its affiliates (other than research analysts) may have a financial interest in securities of the issuer(s) or in related investments.
Refer to BofA Global Research policies relating to conflicts of interest.
"BofA Securities" includes BofA Securities, Inc. ("BofAS") and its affiliates. Investors should contact their BofA Securities representative or Merrill Global Wealth Management financial advisor if they have questions concerning this report or concerning the appropriateness of any investment idea described herein for such investor. "BofA Securities" is a global brand for BofA Global Research.

General Investment Related Disclosures:
Taiwan Readers: Neither the information nor any opinion expressed herein constitutes an offer or a solicitation of an offer to transact in any securities or other financial instrument. No part of this report may be used or reproduced or quoted in any manner whatsoever in Taiwan by the press or any other person without the express written consent of BofA Securities.
This document provides general information only, and has been prepared for, and is intended for general distribution to, BofA Securities clients. Neither the information nor any opinion expressed constitutes an offer or an invitation to make an offer, to buy or sell any securities or other financial instrument or any derivative related to such securities or instruments (e.g., options, futures, warrants, and contracts for differences). This document is not intended to provide personal investment advice and it does not take into account the specific investment objectives, financial situation and the particular needs of, and is not directed to, any specific person(s). This document and its content do not constitute, and should not be considered to constitute, investment advice for purposes of ERISA, the US tax code, the Investment Advisers Act or otherwise. Investors should seek financial advice regarding the appropriateness of investing in financial instruments and implementing investment strategies discussed or recommended in this document and should understand that statements regarding future prospects may not be realized. Any decision to purchase or subscribe for securities in any offering must be based solely on existing public information on such security or the information in the prospectus or other offering document issued in connection with such offering, and not on this document.
Securities and other financial instruments referred to herein, or recommended, offered or sold by BofA Securities, are not insured by the Federal Deposit Insurance Corporation and are not deposits or other obligations of any insured depository institution (including, Bank of America, N.A.). Investments in general and, derivatives, in particular, involve numerous risks, including, among others, market risk, counterparty default risk and liquidity risk. No security, financial instrument or derivative is suitable for all investors. Digital assets are extremely speculative, volatile and are not regulated in a manner similar to U.S. securities markets. In some cases, securities and other financial instruments may be difficult to value or sell and reliable information about the value or risks related to the security or financial instrument may be difficult to obtain. Investors should note that income from such securities and other financial instruments, if any, may

fluctuate and that price or value of such securities and instruments may rise or fall and, in some cases, investors may lose their entire principal investment. Past performance is not necessarily a guide to future performance. Levels and basis for taxation may change.
This report may contain a short-term trading idea or recommendation, which highlights a specific near-term catalyst or event impacting the issuer or the market that is anticipated to have a short-term price impact on the equity securities of the issuer. Short-term trading ideas and recommendations are different from and do not affect a stock's fundamental equity rating, which reflects both a longer term total return expectation and attractiveness for investment relative to other stocks within its Coverage Cluster. Short-term trading ideas and recommendations may be more or less positive than a stock's fundamental equity rating.
BofA Securities is aware that the implementation of the ideas expressed in this report may depend upon an investor's ability to "short" securities or other financial instruments and that such action may be limited by regulations prohibiting or restricting "shortselling" in many jurisdictions. Investors are urged to seek advice regarding the applicability of such regulations prior to executing any short idea contained in this report.
Foreign currency rates of exchange may adversely affect the value, price or income of any security or financial instrument mentioned herein. Investors in such securities and instruments, including ADRs, effectively assume currency risk.
BofAS or one of its affiliates is a regular issuer of traded financial instruments linked to securities or digital assets that may have been recommended or discussed in this report. BofAS or one of its affiliates may, at any time, hold a trading position (long or short) in the securities and financial instruments recommended or discussed in this report.
BofA Securities, through business units other than BofA Global Research, may have issued and may in the future issue trading ideas or recommendations that are inconsistent with, and reach different conclusions from, the information presented herein. Such ideas or recommendations may reflect different time frames, assumptions, views and analytical methods of the persons who prepared them, and BofA Securities is under no obligation to ensure that such other trading ideas or recommendations are brought to the attention of any recipient of this information.
In the event that the recipient received this information pursuant to a contract between the recipient and BofAS for the provision of research services for a separate fee, and in connection therewith BofAS may be deemed to be acting as an investment adviser, such status relates, if at all, solely to the person with whom BofAS has contracted directly and does not extend beyond the delivery of this report (unless otherwise agreed specifically in writing by BofAS). If such recipient uses the services of BofAS in connection with the sale or purchase of a security referred to herein, BofAS may act as principal for its own account or as agent for another person. BofAS is and continues to act solely as a broker-dealer in connection with the execution of any transactions, including transactions in any securities referred to herein.

BofA SECURITIES

Kinik

Strong advanced nodes and packaging expansion support decent earnings

Reiterate Rating: BUY | PO: 1,050 TWD | Price: 737.00 TWD

3Q26 margin beat on favorable product mix

Kinik's 3Q26 sales grew 8% QoQ, mainly driven by solid diamond disk demand from N2 and advanced packaging capacity ramp and increasing shipments of high-end test/reclaim wafer, more than offsetting weakness at Thailand ABU subsidiary. 3Q26 GMs improved by 220bps QoQ to 42.2% on improving product mix across ABU and DBU segments, taking 3Q26 EPS to NT$3.91(vs. BofAe/Street NT$4.09/NT$4.08).

4Q26 sales grow on continued advanced nodes expansion

The company guided 4Q26 sales to grow slightly QoQ (BofAe + 2% QoQ), implying full-year revenue growth of +25% YoY, backed by strength across diamond disk, test wafer, and reclaim wafer amid ongoing advanced nodes capacity build-out. Strong contribution from high-margin DBU segment, coupled with a favorable mix shift in ABU driven by ABF diamond wheels, should lift 4Q26 GMs further to 43.5%, in our view.

Solid DBU demand and SBU ramp underpin '27-28

On accelerated 3nm, 2nm and A16 capacity ramp at full utilization, alongside benign mature node supply/demand landscape and steady engagement with Intel on 18A/14A, we forecast Kinik's diamond disk shipment to +48% CAGR over '26-28. Meanwhile, Kinik's SBU sales could deliver +22% CAGR over '26-28 as 10% price hike on selected products take effect from early 2027 and carrier wafer demand from Micron HBM grow more meaningfully from 2H27. Beyond its existing business, grinding wheels for advanced packaging are currently under customer qualification, and would provide upside potential with TAM much larger than diamond disk.

Diverse drivers and margin expansion warrant re-rating

We keep our 2026/27/28 EPS largely unchanged at NT$14.98/26.23/36.84. Reiterate our Buy rating and PO of NT$1,050, still based on 32x 2H27-1H28E P/E (vs. its historical range 9-42x), supported by robust sales/earnings CAGR of +32%/+57% over '26-28.

Company Sector

Semiconductor Capital Equipment

Company Description

Kinik was established in 1953 as a conventional grinding wheels supplier. Since 1990-2000s, the company has transformed itself into a semiconductor consumables supplier including CMP pad conditioners (diamond disks) and reclaim/test wafers.

Investment Rationale

We have a Buy rating on Kinik. We acknowledge its technology for CMP diamond disk is solid to support its gain in TSMC advanced nodes and Intel along with growing reclaimed and testing wafer demand. We expect to see margins expansion from mix upgrade in coming years.

Price objective basis & risk

Kinik (KIKCF)
Our Price Objective of NT$1,050 is based on 32x 2H27-1H28E P/E, which is at upper half of the company's historical trading range of 9-42x. In our view, the valuation multiple is underpinned by
1) around +57% earnings CAGR in 2026-28E supported by +32% sales CAGR growth and GMs/OpMs expansion, 2) ROE expansion to around 30% in 2025-28E, 4) net cash of around NT$30/share, and 5) free cash flow generation of around NT$50/share per annum across 2025-27E.

Downside risks to our estimates and expectations are
1) weaker market demand, especially in the cloud AI investment moderation, leading to lower utilization across its major foundry and memory customers and undermining the company's revenue growth and operating leverage
2) slower manufacturing technology migration by its foundry and memory customers, dragging the product upgrade cycle for Kinik and potentially spurring more competition from its peers.
3) failure to execute or delay of technology roadmap, potentially leading to an order shift to its competitors.

Analyst Certification

I, Haas Liu, hereby certify that the views expressed in this research report accurately reflect my personal views about the subject securities and issuers. I also certify that no part of my compensation was, is, or will be, directly or indirectly, related to the specific recommendations or view expressed in this research report.

Special Disclosures

Information on securities which are listed on the exchanges where ML Securities (Taiwan) Limited is not permitted to trade or solicit trades for clients is for informational purposes only and is not a recommendation or a solicitation to trade such securities. ML Securities (Taiwan) Limited will not execute transactions for nor accept orders from clients to trade such securities. Foreign investment in Taiwan securities is regulated and restricted. Currently, foreign investment in Taiwan securities is permitted by investment through: (1) global depository receipts, (2) convertible bonds, (3) mutual funds issued offshore of Taiwan, and (4) a special foreign institutional investors (FINIs) and foreign individual investors (FIDIs) program supervised by the Taiwan SFB whereunder FINIs/FIDIs may apply for investment ID to invest in Taiwan securities by registration with Taiwan Stock Exchange. FINIs will additionally need consent from the foreign exchange authority, ie, the Central Bank of China. In addition to the limitations above, various industry-specific percentage-based limitations on foreign ownership of Taiwan companies (and in some cases prohibitions) may apply. Investments are subject to exchange rate and currency conversion restrictions and risks. Dividends and interest earned by foreign investors' Taiwan securities/instruments are generally subject to a 20% withholding tax. Ordinary shares are not available to ML private client accounts in the U.S.

This report is distributed in Taiwan by Merrill Lynch Securities (Taiwan) Limited, which is regulated by the Taiwan SFB.

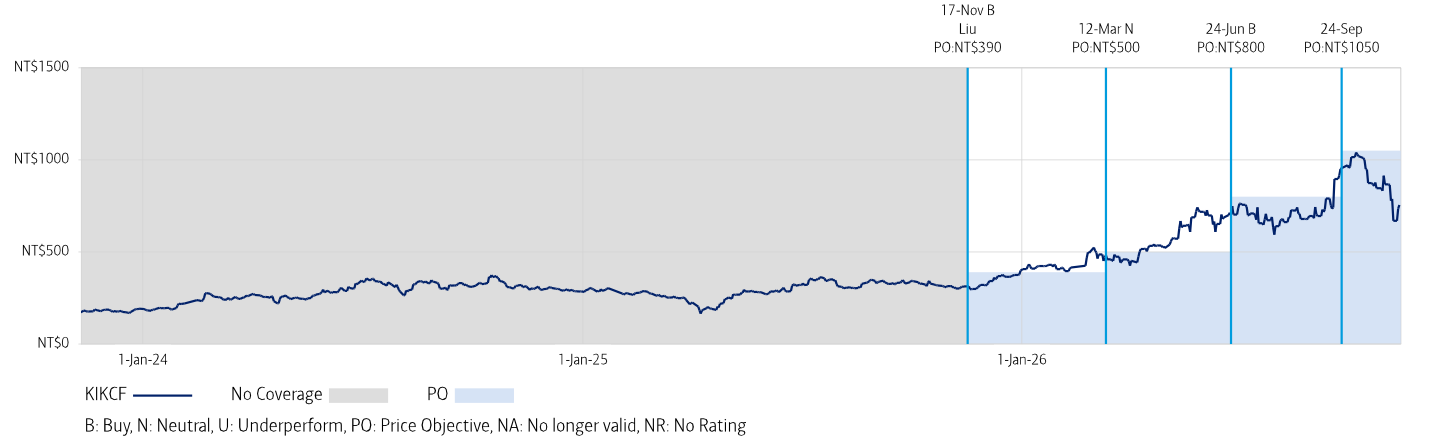
Kinik (KIKCF) Price Chart



B: Buy, N: Neutral, U: Underperform, PO: Price Objective, NA: No longer valid, NR: No Rating

The Investment Opinion System is contained at the end of the report under the heading "Fundamental Equity Opinion Key". Dark grey shading indicates the security is restricted with the opinion suspended. Medium grey shading indicates the security is under review with the opinion withdrawn. Light grey shading indicates the security is not covered. Chart is current as of a date no more than one trading day prior to the date of the report.

Equity Investment Rating Distribution: Technology Group (as of 30 Sep 2026)

Coverage Universe	Count	Percent	Inv. Banking Relationships [R1]	Count	Percent
Buy	255	62.04%	Buy	157	61.57%
Hold	82	19.95%	Hold	46	56.10%
Sell	74	18.00%	Sell	31	41.89%

Equity Investment Rating Distribution: Global Group (as of 30 Sep 2026)

Coverage Universe	Count	Percent	Inv. Banking Relationships [R1]	Count	Percent
Buy	2057	57.03%	Buy	1386	67.38%
Hold	806	22.35%	Hold	563	69.85%
Sell	744	20.63%	Sell	446	59.95%

[R1] Issuers that were investment banking clients of BofA Securities or one of its affiliates within the past 12 months. For purposes of this Investment Rating Distribution, the coverage universe includes only stocks. A stock rated Neutral is included as a Hold, and a stock rated Underperform is included as a Sell.

FUNDAMENTAL EQUITY OPINION KEY: Opinions include a Volatility Risk Rating, an Investment Rating and an Income Rating. VOLATILITY RISK RATINGS, indicators of potential price fluctuation, are: A - Low, B - Medium and C - High. INVESTMENT RATINGS reflect the analyst's assessment of both a stock's absolute total return potential as well as its attractiveness for investment relative to other stocks within its Coverage Cluster (defined below). Our investment ratings are: 1 - Buy stocks are expected to have a total return of at least 10% and are the most attractive stocks in the coverage cluster; 2 - Neutral stocks are expected to remain flat or increase in value and are less attractive than Buy rated stocks and 3 - Underperform stocks are the least attractive stocks in a coverage cluster. An investment rating of 6 (No Rating) indicates that a stock is no longer trading on the basis of fundamentals. Analysts assign investment ratings considering, among other things, the 0-12 month total return expectation for a stock and the firm's guidelines for ratings dispersions (shown in the table below). The current price objective for a stock should be referenced to better understand the total return expectation at any given time. The price objective reflects the analyst's view of the potential price appreciation (depreciation).

Investment rating	Total return expectation (within 12-month period of date of initial rating)	Ratings dispersion guidelines for coverage cluster[R2]
Buy	≥ 10%	≤ 70%
Neutral	≥ 0%	≤ 30%
Underperform	N/A	≥ 20%

[R2] Ratings dispersions may vary from time to time where BofA Global Research believes it better reflects the investment prospects of stocks in a Coverage Cluster.

INCOME RATINGS, indicators of potential cash dividends, are: 7 - same/higher (dividend considered to be secure), 8 - same/lower (dividend not considered to be secure) and 9 - pays no cash dividend. *Coverage Cluster* is comprised of stocks covered by a single analyst or two or more analysts sharing a common industry, sector, region or other classification(s). A stock's coverage cluster is included in the most recent BofA Global Research report referencing the stock.

Price Charts for the securities referenced in this research report are available on the Price Charts website, or call 1-800-MERRILL to have them mailed.
In the US, retail sales and/or distribution of this report may be made only in states where these securities are exempt from registration or have been qualified for sale: Kinik.
The country in which this issuer is organized has certain laws or regulations that limit or restrict ownership of the issuer's shares by nationals of other countries: Kinik.
BofA Global Research personnel (including the analyst(s) responsible for this report) receive compensation based upon, among other factors, the overall profitability of Bank of America Corporation, including profits derived from investment banking. The analyst(s) responsible for this report may also receive compensation based upon, among other factors, the overall profitability of the Bank's sales and trading businesses relating to the class of securities or financial instruments for which such analyst is responsible.

Other Important Disclosures

From time to time research analysts conduct site visits of covered issuers. BofA Global Research policies prohibit research analysts from accepting payment or reimbursement for travel

expenses from the issuer for such visits.
Prices are indicative and for information purposes only. Except as otherwise stated in the report, for any recommendation in relation to an equity security, the price referenced is the publicly traded price of the security as of close of business on the day prior to the date of the report or, if the report is published during intraday trading, the price referenced is indicative of the traded price as of the date and time of the report and in relation to a debt security (including equity preferred and CDS), prices are indicative as of the date and time of the report and are from various sources including BofA Securities trading desks.
The date and time of completion of the production of any recommendation in this report shall be the date and time of dissemination of this report as recorded in the report timestamp.

Recipients who are not institutional investors or market professionals should seek the advice of their independent financial advisor before considering information in this report in connection with any investment decision, or for a necessary explanation of its contents.
Officers of BofAS or one or more of its affiliates (other than research analysts) may have a financial interest in securities of the issuer(s) or in related investments.
Refer to BofA Global Research policies relating to conflicts of interest.
"BofA Securities" includes BofA Securities, Inc. ("BofAS") and its affiliates. Investors should contact their BofA Securities representative or Merrill Global Wealth Management financial advisor if they have questions concerning this report or concerning the appropriateness of any investment idea described herein for such investor. "BofA Securities" is a global brand for BofA Global Research.

General Investment Related Disclosures:
Taiwan Readers: Neither the information nor any opinion expressed herein constitutes an offer or a solicitation of an offer to transact in any securities or other financial instrument. No part of this report may be used or reproduced or quoted in any manner whatsoever in Taiwan by the press or any other person without the express written consent of BofA Securities.
This document provides general information only, and has been prepared for, and is intended for general distribution to, BofA Securities clients. Neither the information nor any opinion expressed constitutes an offer or an invitation to make an offer, to buy or sell any securities or other financial instrument or any derivative related to such securities or instruments (e.g., options, futures, warrants, and contracts for differences). This document is not intended to provide personal investment advice and it does not take into account the specific investment objectives, financial situation and the particular needs of, and is not directed to, any specific person(s). This document and its content do not constitute, and should not be considered to constitute, investment advice for purposes of ERISA, the US tax code, the Investment Advisers Act or otherwise. Investors should seek financial advice regarding the appropriateness of investing in financial instruments and implementing investment strategies discussed or recommended in this document and should understand that statements regarding future prospects may not be realized. Any decision to purchase or subscribe for securities in any offering must be based solely on existing public information on such security or the information in the prospectus or other offering document issued in connection with such offering, and not on this document.
Securities and other financial instruments referred to herein, or recommended, offered or sold by BofA Securities, are not insured by the Federal Deposit Insurance Corporation and are not deposits or other obligations of any insured depository institution (including, Bank of America, N.A.). Investments in general and, derivatives, in particular, involve numerous risks, including, among others, market risk, counterparty default risk and liquidity risk. No security, financial instrument or derivative is suitable for all investors. Digital assets are extremely speculative, volatile and are not regulated in a manner similar to U.S. securities markets. In some cases, securities and other financial instruments may be difficult to value or sell and reliable information about the value or risks related to the security or financial instrument may be difficult to obtain. Investors should note that income from such securities and other financial instruments, if any, may fluctuate and that price or value of such securities and instruments may rise or fall and, in some cases, investors may lose their entire principal investment. Past performance is not necessarily a guide to future performance. Levels and basis for taxation may change.
This report may contain a short-term trading idea or recommendation, which highlights a specific near-term catalyst or event impacting the issuer or the market that is anticipated to have a short-term price impact on the equity securities of the issuer. Short-term trading ideas and recommendations are different from and do not affect a stock's fundamental equity rating, which reflects both a longer term total return expectation and attractiveness for investment relative to other stocks within its Coverage Cluster. Short-term trading ideas and recommendations may

be more or less positive than a stock's fundamental equity rating.
BofA Securities is aware that the implementation of the ideas expressed in this report may depend upon an investor's ability to "short" securities or other financial instruments and that such action may be limited by regulations prohibiting or restricting "shortselling" in many jurisdictions. Investors are urged to seek advice regarding the applicability of such regulations prior to executing any short idea contained in this report.
Foreign currency rates of exchange may adversely affect the value, price or income of any security or financial instrument mentioned herein. Investors in such securities and instruments, including ADRs, effectively assume currency risk.
BofAS or one of its affiliates is a regular issuer of traded financial instruments linked to securities or digital assets that may have been recommended or discussed in this report. BofAS or one of its affiliates may, at any time, hold a trading position (long or short) in the securities and financial instruments recommended or discussed in this report.
BofA Securities, through business units other than BofA Global Research, may have issued and may in the future issue trading ideas or recommendations that are inconsistent with, and reach different conclusions from, the information presented herein. Such ideas or recommendations may reflect different time frames, assumptions, views and analytical methods of the persons who prepared them, and BofA Securities is under no obligation to ensure that such other trading ideas or recommendations are brought to the attention of any recipient of this information.
In the event that the recipient received this information pursuant to a contract between the recipient and BofAS for the provision of research services for a separate fee, and in connection therewith BofAS may be deemed to be acting as an investment adviser, such status relates, if at all, solely to the person with whom BofAS has contracted directly and does not extend beyond the delivery of this report (unless otherwise agreed specifically in writing by BofAS). If such recipient uses the services of BofAS in connection with the sale or purchase of a security referred to herein, BofAS may act as principal for its own account or as agent for another person. BofAS is and continues to act solely as a broker-dealer in connection with the execution of any transactions, including transactions in any securities referred to herein.

To the extent this material discusses any legal proceeding or issues, it has not been prepared as nor is it intended to express any legal conclusion, opinion or advice. Investors should consult their own legal advisers as to issues of law relating to the subject matter of this material. BofA Global Research personnel's knowledge of legal proceedings in which any BofA Securities entity and/or its directors, officers and employees may be plaintiffs, defendants, co-defendants or co-plaintiffs with or involving issuers mentioned in this material is based on public information. Facts and views presented in this material that relate to any such proceedings have not been reviewed by, discussed with, and may not reflect information known to, professionals in other business areas of BofA Securities in connection with the legal proceedings or matters relevant to such proceedings.
This information has been prepared independently of any issuer of securities mentioned herein and not in connection with any proposed offering of securities or as agent of any issuer of any securities. None of BofAS any of its affiliates or their research analysts has any authority whatsoever to make any representation or warranty on behalf of the issuer(s). BofA Global Research policy prohibits research personnel from disclosing a recommendation, investment rating, or investment thesis for review by an issuer prior to the publication of a research report containing such rating, recommendation or investment thesis.
Any information relating to sustainability in this material is limited as discussed herein and is not intended to provide a comprehensive view on any sustainability claim with respect to any issuer or security.
Any information relating to the tax status of financial instruments discussed herein is not intended to provide tax advice or to be used by anyone to provide tax advice. Investors are urged to seek tax advice based on their particular circumstances from an independent tax professional.
The information herein (other than disclosure information relating to BofA Securities and its affiliates) was obtained from various sources and we do not guarantee its accuracy. This information may contain links to third-party websites. BofA Securities is not responsible for the content of any third-party website or any linked content contained in a third-party website. Content contained on such third-party websites is not part of this information and is not incorporated by reference. The inclusion of a link does not imply any endorsement by or any affiliation with BofA Securities. Access to any third-party website is at your own risk, and you should always review the terms and privacy policies at third-party websites before submitting any personal information to them. BofA Securities is not responsible for such terms and privacy policies and expressly disclaims any liability for them.
All opinions, projections and estimates constitute the judgment of the author as of the date of publication and are subject to change without notice. Prices also are subject to change without notice. BofA Securities is under no obligation to update this information and BofA Securities ability to publish information on the subject issuer(s) in the future is subject to applicable quiet periods. You should therefore assume that BofA Securities will not update any fact, circumstance or opinion contained herein.
Subject to the quiet period applicable under laws of the various jurisdictions in which we distribute research reports and other legal and BofA Securities policy-related restrictions on the publication of research reports, fundamental equity reports are produced on a regular basis as necessary to keep the investment recommendation current.
Certain outstanding reports or investment opinions relating to securities, financial instruments and/or issuers may no longer be current. Always refer to the most recent research report relating to an issuer prior to making an investment decision.
In some cases, an issuer may be classified as Restricted or may be Under Review or Extended Review. In each case, investors should consider any investment opinion relating to such issuer (or its security and/or financial instruments) to be suspended or withdrawn and should not rely on the analyses and investment opinion(s) pertaining to such issuer (or its securities and/or financial instruments) nor should the analyses or opinion(s) be considered a solicitation of any kind. Sales persons and financial advisors affiliated with BofAS or any of its affiliates may not solicit purchases of securities or financial instruments that are Restricted or Under Review and may only solicit securities under Extended Review in accordance with firm policies.
Neither BofA Securities nor any officer or employee of BofA Securities accepts any liability whatsoever for any direct, indirect or consequential damages or losses arising from any use of this information.

Morgan Stanley | RESEARCH

UPDATE

November 11, 2026 10:26 AM GMT

ASMedia Technology Inc | Asia Pacific

Inventory correction extends into 1Q27

AlphaSignals Earnings Reaction

Unchanged	**In-line**	**Largely unchanged**
Impact to our thesis	Financial results versus consensus	Direction of next 12-month consensus EPS

Source: Company data, Morgan Stanley Research

Key Takeaways

- 3Q revenue of NT$2.66bn (-2% Q/Q, -33% Y/Y) was 39% below MSe
- GM rose 1.3ppt Q/Q to 51.6%, 0.4ppt below MSe, helped by proprietary mix and NRE
- 3Q EPS of NT$26.60 was 11% above MSe, supported by net non-operating income of NT$1.46bn

Inventory adjustment extends into 1Q27. Management sees improving motherboard sell-through, but expects customer destocking to constrain shipments in 4Q26–1Q27. AM4 exceeded 70% of chipset shipments in 3Q and should remain dominant in 4Q, weighing on ASPs. Management indicated GM of around 50% in 4Q26–1Q27 as foundry and backend costs rise; alternative packaging/testing sources should begin helping from 2Q27. October's stronger proprietary mix provided some relief, but 2027 revenue guidance remains unfinalized, with 20% growth now considered aggressive.

Recovery likely depends on execution from 2H27. ASMedia signed a new SOW with the customer and currently sees itself as the sole supplier. Management hopes shipments will start in 2Q27, with meaningful platform volume from 3Q27; ASPs would be at least 50–60% above AM4. PCIe switches contributed 6–8% of revenue after Gen4 yield and thermal issues delayed design-ins, versus a double-digit mix target for 2027. USB4 is expected to more than double from 2026's depressed base, although robotics remains small. New products can support recovery, but higher development spending limits near-term operating leverage.

Valuation Methodology and Risks

ASMedia Technology Inc (5269.TW)

Base case, residual income model. Key assumptions: cost of equity of 9.8% (beta 1.3, risk-free rate 2% and risk premium 6%), medium-term growth rate of 8.0%, payout ratio of 75% and terminal growth rate of 5.2%.

Risks to Upside

- AMD gains market share thanks to better-than-expected performance.
- In-house designed products grow faster than expected.
- US-China tensions improve and US tariffs alleviate.

Risks to Downside

- AMD cannot get substrate supply, causing earnings downside for ASMedia.
- Intel adopts TSMC's technologies more aggressively to compete with AMD.
- Spec migration on USB 4 is slower.

As of October 30, 2026, Morgan Stanley beneficially owned 1% or more of a class of common equity securities of the following companies covered in Morgan Stanley Research: ACM Research Inc, Advanced Micro-Fabrication Equipment Inc, Advanced Wireless Semiconductor Co, Alchip Technologies Ltd, AllRing Tech Co., AP Memory Technology Corp, ASE Technology Holding Co. Ltd., **ASMedia Technology Inc**, ASMPT Ltd, Aspeed Technology, Cambricon Technology Corporation, eMemory Technology Inc, GigaDevice Semiconductor Beijing Inc, Gudeng Precision, Hua Hong Semiconductor Ltd, Macronix International Co Ltd, Montage Technology Co Ltd, NAURA Technology Group Co Ltd, Nuvoton Technology Corporation, Parade Technologies Ltd, Phison Electronics Corp, Powerchip Semiconductor Manufacturing Co, SG Micro Corp., Shanghai Fudan Microelectronics, SICC Co Ltd, Silergy Corp., Silicon Motion, StarPower Semiconductor Ltd, TSMC, UMC, Vanguard International Semiconductor, WIN Semiconductors Corp, WPG Holdings, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley managed or co-managed a public offering (or 144A offering) of securities of Alchip Technologies Ltd, Iluvatar CoreX Semiconductor Co., Ltd., MediaTek, Montage Technology Co Ltd, Powerchip Semiconductor Manufacturing Co, UMC.

Within the last 12 months, Morgan Stanley has received compensation for investment banking services from ASMPT Ltd, Iluvatar CoreX Semiconductor Co., Ltd., MediaTek, Montage Technology Co Ltd, Powerchip Semiconductor Manufacturing Co, Silicon Motion, UMC.

In the next 3 months, Morgan Stanley expects to receive or intends to seek compensation for investment banking services from Advanced Micro-Fabrication Equipment Inc, Alchip Technologies Ltd, AP Memory Technology Corp, ASE Technology Holding Co. Ltd., **ASMedia Technology Inc**, ASMPT Ltd, Aspeed Technology, CXMT Corp, Espressif Systems, GigaDevice Semiconductor Beijing Inc, GlobalWafers Co Ltd, Gudeng Precision, Himax Technologies Inc, Hua Hong Semiconductor Ltd, Iluvatar CoreX Semiconductor Co., Ltd., Innoscience, King Yuan Electronics Co Ltd, Macronix International Co Ltd, MediaTek, MetaX Integrated Circuits, Montage Technology Co Ltd, Novatek, Parade Technologies Ltd, Phison Electronics Corp, Powerchip Semiconductor Manufacturing Co, Realtek Semiconductor, SG Micro Corp., SICC Co Ltd, Silergy Corp., Silicon Motion, TSMC, UMC, Universal Scientific Ind. (Shanghai), Vanguard International Semiconductor, Winbond Electronics Corp, WPG Holdings, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley has received compensation for products and services other than investment banking services from ASE Technology Holding Co. Ltd., King Yuan Electronics Co Ltd, MediaTek, Nanya Technology Corp., Novatek, Nuvoton Technology Corporation, Realtek Semiconductor, Silicon Motion, SMIC, TSMC, UMC, Universal Scientific Ind. (Shanghai), Winbond Electronics Corp, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley has provided or is providing investment banking services to, or has an investment banking client relationship with, the following company: Advanced Micro-Fabrication Equipment Inc, Alchip Technologies Ltd, AP Memory Technology Corp, ASE Technology Holding Co. Ltd., **ASMedia Technology Inc**, ASMPT Ltd, Aspeed Technology, CXMT Corp, Espressif Systems, GigaDevice Semiconductor Beijing Inc, GlobalWafers Co Ltd, Gudeng Precision, Himax Technologies Inc, Hua Hong Semiconductor Ltd, Iluvatar CoreX Semiconductor Co., Ltd., Innoscience, King Yuan Electronics Co Ltd, Macronix International Co Ltd, MediaTek, MetaX Integrated Circuits, Montage Technology Co Ltd, Novatek, Parade Technologies Ltd, Phison Electronics Corp, Powerchip Semiconductor Manufacturing Co, Realtek Semiconductor, SG Micro Corp., SICC Co Ltd, Silergy Corp., Silicon Motion, TSMC, UMC, Universal Scientific Ind. (Shanghai), Vanguard International Semiconductor, Winbond Electronics Corp, WPG Holdings, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley has either provided or is providing non-investment banking, securities-related services to and/or in the past has entered into an agreement to provide services or has a client relationship with the following company: ASE Technology Holding Co. Ltd., Iluvatar CoreX Semiconductor Co., Ltd., King Yuan Electronics Co Ltd, MediaTek, Montage Technology Co Ltd, Nanya Technology Corp., Novatek, Nuvoton Technology Corporation, Realtek Semiconductor, Silicon Motion, SMIC, TSMC, UMC, Universal Scientific Ind. (Shanghai), Winbond Electronics Corp, WT Microelectronics Co. Ltd..

Morgan Stanley & Co. LLC makes a market in the securities of ACM Research Inc.

The equity research analysts or strategists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality

of research, investor client feedback, stock picking, competitive factors, firm revenues and overall investment banking revenues. Equity Research analysts' or strategists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.
Morgan Stanley and its affiliates do business that relates to companies/instruments covered in Morgan Stanley Research, including market making, providing liquidity, fund management, commercial banking, extension of credit, investment services and investment banking. Morgan Stanley sells to and buys from customers the securities/instruments of companies covered in Morgan Stanley Research on a principal basis. Morgan Stanley may have a position in the debt of the Company or instruments discussed in this report. Morgan Stanley trades or may trade as principal in the debt securities (or in related derivatives) that are the subject of the debt research report.
Certain disclosures listed above are also for compliance with applicable regulations in non-US jurisdictions.

STOCK RATINGS

Morgan Stanley uses a relative rating system using terms such as Overweight, Equal-weight, Not-Rated or Underweight (see definitions below). Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold and sell. Investors should carefully read the definitions of all ratings used in Morgan Stanley Research. In addition, since Morgan Stanley Research contains more complete information concerning the analyst's views, investors should carefully read Morgan Stanley Research, in its entirety, and not infer the contents from the rating alone. In any case, ratings (or research) should not be used or relied upon as investment advice. An investor's decision to buy or sell a stock should depend on individual circumstances (such as the investor's existing holdings) and other considerations.

Global Stock Ratings Distribution

(as of October 31, 2026)
The Stock Ratings described below apply to Morgan Stanley's Fundamental Equity Research and do not apply to Debt Research produced by the Firm.
For disclosure purposes only (in accordance with FINRA requirements), we include the category headings of Buy, Hold, and Sell alongside our ratings of Overweight, Equal-weight, Not-Rated and Underweight. Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold, and sell but represent recommended relative weightings (see definitions below). To satisfy regulatory requirements, we correspond Overweight, our most positive stock rating, with a buy recommendation; we correspond Equal-weight and Not-Rated to hold and Underweight to sell recommendations, respectively.

	Coverage Universe		Investment Banking Clients (IBC)			Other Material Investment Services Clients (MISC)	
Stock Rating Category	Count	% of Total	Count	% of Total IBC	% of Rating Category	Count	% of Total Other MISC
Overweight/Buy	1575	43%	460	49%	29%	742	44%
Equal-weight/Hold	1537	42%	393	42%	26%	720	43%
Not-Rated/Hold	2	0%	1	0%	50%	1	0%
Underweight/Sell	570	15%	92	10%	16%	218	13%
Total	3,684		946			1681	

Data include common stock and ADRs currently assigned ratings. Investment Banking Clients are companies from whom Morgan Stanley received investment banking compensation in the last 12 months. Due to rounding off of decimals, the percentages provided in the "% of total" column may not add up to exactly 100 percent.

Analyst Stock Ratings

Overweight (O). The stock's total return is expected to exceed the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Equal-weight (E). The stock's total return is expected to be in line with the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Not-Rated (NR). Currently the analyst does not have adequate conviction about the stock's total return relative to the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Underweight (U). The stock's total return is expected to be below the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Unless otherwise specified, the time frame for price targets included in Morgan Stanley Research is 12 to 18 months.

Analyst Industry Views

Attractive (A): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be attractive vs. the relevant broad market benchmark, as indicated below.
In-Line (I): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be in line with the relevant broad market benchmark, as indicated below.
Cautious (C): The analyst views the performance of his or her industry coverage universe over the next 12-18 months with caution vs. the relevant broad market benchmark, as indicated below.
Benchmarks for each region are as follows: North America - S&P 500; Latin America - relevant MSCI country index or MSCI Latin America Index; Europe - MSCI Europe; Japan - TOPIX; Asia - relevant MSCI country index or MSCI sub-regional index or MSCI AC Asia Pacific ex Japan Index.

Important Disclosures for Morgan Stanley Smith Barney LLC Customers

Important disclosures regarding any material conflict of interest that can reasonably be expected to have influenced Morgan Stanley Smith Barney LLC's choice of a third-party research provider or the subject company of a third-party research report, are available on the Morgan Stanley Wealth Management disclosure website at www.morganstanley.com/online/researchdisclosures. For Morgan Stanley specific disclosures, you may refer to https://www.morganstanley.com/eqr/disclosures/webapp/generalresearch.

Each Morgan Stanley research report is reviewed and approved on behalf of Morgan Stanley Smith Barney LLC. This review and approval is conducted by the same person who reviews the research report on behalf of Morgan Stanley. This could create a conflict of interest.

Other Important Disclosures

Morgan Stanley Research policy is to update research reports as and when the Research Analyst and Research Management deem appropriate, based on developments with the issuer, the sector, or the market that may have a material impact on the research views or opinions stated therein. In addition, certain Research publications are intended to be updated on a regular periodic basis (weekly/monthly/quarterly/annual) and will ordinarily be updated with that frequency, unless the Research Analyst and Research Management determine that a different publication schedule is appropriate based on current conditions.

Morgan Stanley is not acting as a municipal advisor and the opinions or views contained herein are not intended to be, and do not constitute, advice within the meaning of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Morgan Stanley produces an equity research product called a "Tactical Idea." Views contained in a "Tactical Idea" on a particular stock may be contrary to the recommendations or views expressed in research on the same stock. This may be the result of differing time horizons, methodologies, market events, or other factors. For all research available on a particular stock, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Morgan Stanley Research is provided to our clients through our proprietary research portal on Matrix and also distributed electronically by Morgan Stanley to clients. Certain, but not all, Morgan Stanley Research products are also made available to clients through third-party vendors or redistributed to clients through alternate electronic means as a convenience. For access to all available Morgan Stanley Research, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Any access and/or use of Morgan Stanley Research is subject to Morgan Stanley's Terms of Use (http://www.morganstanley.com/terms.html). By accessing and/or using Morgan Stanley Research, you are indicating that you have read and agree to be bound by our Terms of Use (http://www.morganstanley.com/terms.html). In addition you consent to Morgan Stanley processing your personal data and using cookies in accordance with our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html), including for the purposes of setting your preferences and to collect readership data so that we can deliver better and more personalized service and products to you. To find out more information about how Morgan Stanley processes personal data, how we use cookies and how to reject cookies see our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html). If you do not agree to our Terms of Use and/or if you do not wish to provide your consent to Morgan Stanley processing your personal data or using cookies please do not access our research.

Morgan Stanley Research does not provide individually tailored investment advice. Morgan Stanley Research has been prepared without regard to the circumstances and objectives of those who receive it. Morgan Stanley recommends that investors independently evaluate particular investments and strategies, and encourages investors to seek the advice of a financial adviser. The appropriateness of an investment or strategy will depend on an investor's circumstances and objectives. The securities, instruments, or strategies discussed in Morgan Stanley Research may not be suitable for all investors, and certain investors may not be eligible to purchase or participate in some or all of them. Morgan Stanley Research is not an offer to buy or sell or the solicitation of an offer to buy or sell any security/instrument or to participate in any particular trading strategy. The value of and income from your investments may vary because of changes in interest rates, foreign exchange rates, default rates, prepayment rates, securities/instruments prices, market indexes, operational or financial conditions of companies or other factors. There may be time limitations on the exercise of options or other rights in securities/instruments transactions. Past performance is not necessarily a guide to future performance. Estimates of future performance are based on assumptions that may not be realized. If provided, and unless otherwise stated, the closing price on the cover page is that of the primary exchange for the subject company's securities/instruments.

The fixed income research analysts, strategists or economists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality, accuracy and value of research, firm profitability or revenues (which include fixed income trading and capital markets profitability or revenues), client feedback and competitive factors. Fixed Income Research analysts', strategists' or economists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.

The "Important Regulatory Disclosures on Subject Companies" section in Morgan Stanley Research lists all companies mentioned where Morgan Stanley owns 1% or more of a class of common equity securities of the companies. For all other companies mentioned in Morgan Stanley Research, Morgan Stanley may have an investment of less than 1% in securities/instruments or derivatives of securities/instruments of companies and may trade them in ways different from those discussed in Morgan Stanley Research. Employees of Morgan Stanley not involved in the preparation of Morgan Stanley Research may have investments in securities/instruments or derivatives of securities/instruments of companies mentioned and may trade them in ways different from those discussed in Morgan Stanley Research. Derivatives may be issued by Morgan Stanley or associated persons.

With the exception of information regarding Morgan Stanley, Morgan Stanley Research is based on public information. Morgan Stanley makes every effort to use reliable, comprehensive information, but we make no representation that it is accurate or complete. We have no obligation to tell you when opinions or information in Morgan Stanley Research change apart from when we intend to discontinue equity research coverage of a subject company. Facts and views presented in Morgan Stanley Research have not been reviewed by, and may not reflect information known to, professionals in other Morgan Stanley business areas, including investment banking personnel.

Morgan Stanley Research personnel may participate in company events such as site visits and are generally prohibited from accepting payment by the company of associated expenses unless pre-approved by authorized members of Research management.

Morgan Stanley may make investment decisions that are inconsistent with the recommendations or views in this report.

To our readers based in Taiwan or trading in Taiwan securities/instruments: Information on securities/instruments that trade in Taiwan is distributed by Morgan Stanley Taiwan Limited ("MSTL"). Such information is for your reference only. The reader should independently evaluate the investment risks and is solely responsible for their investment decisions. Morgan Stanley Research may not be distributed to the public media or quoted or used by the public media without the express written consent of Morgan Stanley. Any non-customer reader within the scope of Article 7-1 of the Taiwan Stock Exchange Recommendation Regulations accessing and/or receiving Morgan Stanley Research is not permitted to provide Morgan Stanley Research to any third party (including but not limited to related parties, affiliated companies and any other third parties) or engage in any activities regarding Morgan Stanley Research which may create or give the appearance of creating a conflict of interest. Information on securities/instruments that do not trade in Taiwan is for informational purposes only and is not to be construed as a recommendation or a solicitation to trade in such securities/instruments. MSTL may not execute transactions for clients in these securities/instruments.

Certain information in Morgan Stanley Research was sourced by employees of the Shanghai Representative Office of Morgan Stanley Asia Limited for the use of Morgan Stanley Asia Limited. Morgan Stanley is not incorporated under PRC law and the research in relation to this report is conducted outside the PRC. Morgan Stanley Research does not constitute an offer to sell or the solicitation of an offer to buy any securities in the PRC. PRC investors shall have the relevant qualifications to invest in such securities and shall be responsible for obtaining all relevant approvals, licenses, verifications and/or registrations from the relevant governmental authorities themselves. Neither this report nor any part of it is intended as, or shall constitute, provision of any consultancy or advisory service of securities investment as defined under PRC law. Morgan Stanley appreciates your support in the 2027 Extel Asia Research Survey. Request your ballot here.

Key Takeaways

- We estimate potential single-digit percentage revenue contribution to EMC if CCL enquiries translate to actual revenue.
- We recommend buying technology leaders, such as EMC, amid heightened uncertainty around demand outlook and market volatility.

Additional supply enquiries point to a potential revenue opportunity for EMC. Our supply chain checks indicate that PCB makers supplying NVIDIA (covered by Joseph Moore) have approached EMC (2383.TW, OW) for additional Copper Clad Laminates (CCL) supply support for VR200 switch boards (32-layer PCBs). If these enquiries translate into incremental orders, we estimate the resulting revenue contribution would represent a single-digit percentage of EMC's total revenue.

We expect EMC to retain a majority share of CCL supply for VR200 switch boards. Our positive view reflects EMC's technological capabilities and our preference for market share leaders. While supplier diversification can strengthen long-term supply security, we believe the ability to sustain yields and deliver consistent product quality over time remains a key consideration in supplier selection.

Valuation Methodology and Risks

Elite Material Co. (2383.TW)

Base case, derived from a residual income (RI) model. Key assumptions include a cost of equity of 9.3% (beta of 1.0, equity premium of 8.7% and risk-free rate of 1%), medium-term growth rate of 12%, and terminal growth rate of 3%.

Risks to Upside

- Stronger AI demand
- Share gains
- Faster-than-expected material upgrades
- Slower-than-expected CPO adoption

Risks to Downside

- Weaker AI demand
- Share loss
- Slower-than-expected material upgrades
- Faster-than-expected CPO adoption

Important Regulatory Disclosures on Subject Companies

As of October 30, 2026, Morgan Stanley beneficially owned 1% or more of a class of common equity securities of the following companies covered in Morgan Stanley Research: AAC Technologies Holdings, Accelink Technologies Co. Ltd., Accton Technology Corporation, Acer Inc., AirTAC International, Asustek Computer Inc., Auras Technology Co Ltd, Bizlink, Catcher Technology, Co-Tech Development Corp., Compal Electronics, E Ink Holdings Inc., **Elite Material Co.**, Ennostar Inc, Eoptolink Technology Inc Ltd, Fositek Corp, Genius Electronic Optical Co. Ltd., Giga-Byte Technology Co. Ltd., Hiwin Technologies Corp., Largan Precision, Lens Technology, LianChuang Electronic Technology Co Ltd, Lingyi Itech Guangdong Co, Lite-On Technology, Lotes Co. Ltd., Nan Ya PCB, Quectel Wireless Solutions Co Ltd, Sunny Optical, Suzhou TFC Optical Communication Co Ltd., Taiwan Union Technology Corporation, Unimicron, Visual Photonics Epitaxy Co Ltd, Wistron Corporation, Wiwynn Corp, Xiaomi Corp, Yageo Corp., Yangtze Optical Fibre and Cable JSC Ltd, Zhejiang Crystal-Optech Co Ltd, Zhen Ding, Zhongji Innolight Co Ltd, ZTE Corporation.

Within the last 12 months, Morgan Stanley managed or co-managed a public offering (or 144A offering) of securities of Asustek Computer Inc., Unimicron, Wistron Corporation, Wiwynn Corp, Zhen Ding, Zhongji Innolight Co Ltd.

Within the last 12 months, Morgan Stanley has received compensation for investment banking services from Asustek Computer Inc., Lenovo, Unimicron, Wistron Corporation, Wiwynn Corp, Xiaomi Corp, Yageo Corp., Zhen Ding, Zhongji Innolight Co Ltd.

In the next 3 months, Morgan Stanley expects to receive or intends to seek compensation for investment banking services from AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Advantech, AirTAC International, Asustek Computer Inc., AU Optronics, Bizlink, BOE Technology, Catcher Technology, Chenbro, Compal Electronics, Delta Electronics Inc., E Ink Holdings Inc., **Elite Material Co.**, Ennostar Inc, Eoptolink Technology Inc Ltd, FIT Hon Teng Ltd, Giga-Byte Technology Co. Ltd., Gold Circuit Electronics Ltd., Hon Hai Precision, Huaqin Co.,Ltd., Innolux, Lenovo, Lens Technology, Lingyi Itech Guangdong Co, Lite-On Technology, Lotes Co. Ltd., Luxshare Precision Industry Co., Ltd., Pegatron Corporation, Q Technology (Group) Company Ltd, Quanta Computer Inc., Shanghai Conant Optical Co Ltd, Shenzhen Transsion Holdings Co Ltd, Suzhou TFC Optical Communication Co Ltd., TCL Corp., Unimicron, Wistron Corporation, Wiwynn Corp, Xiaomi Corp, Yageo Corp., Yangtze Optical Fibre and Cable JSC Ltd, Zhejiang Crystal-Optech Co Ltd, Zhen Ding, Zhongji Innolight Co Ltd.

Within the last 12 months, Morgan Stanley has received compensation for products and services other than investment banking services from AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Asustek Computer Inc., AU Optronics, BYD Electronics, Compal Electronics, E Ink Holdings Inc., Eoptolink Technology Inc Ltd, Giga-Byte Technology Co. Ltd., GoerTek Inc, Hon Hai Precision, Innolux, Lenovo, Lingyi Itech Guangdong Co, Quanta Computer Inc., Xiaomi Corp, Yageo Corp..

Within the last 12 months, Morgan Stanley has provided or is providing investment banking services to, or has an investment banking client relationship with, the following company: AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Advantech, AirTAC International, Asustek Computer Inc., AU Optronics, Bizlink, BOE Technology, Catcher Technology, Chenbro, Compal Electronics, Delta Electronics Inc., E Ink Holdings Inc., **Elite Material Co.**, Ennostar Inc, Eoptolink Technology Inc Ltd, FIT Hon Teng Ltd, Giga-Byte Technology Co. Ltd., Gold Circuit Electronics Ltd., Hon Hai Precision, Huaqin Co.,Ltd., Innolux, Lenovo, Lens Technology, Lingyi Itech Guangdong Co, Lite-On Technology, Lotes Co. Ltd., Luxshare Precision Industry Co., Ltd., Pegatron Corporation, Q Technology (Group) Company Ltd, Quanta Computer Inc., Shanghai Conant Optical Co Ltd, Shenzhen Transsion Holdings Co Ltd, Suzhou TFC Optical Communication Co Ltd., TCL Corp., Unimicron, Wistron Corporation, Wiwynn Corp, Xiaomi Corp, Yageo Corp., Yangtze Optical Fibre and Cable JSC Ltd, Zhejiang Crystal-Optech Co Ltd, Zhen Ding, Zhongji Innolight Co Ltd.

Within the last 12 months, Morgan Stanley has either provided or is providing non-investment banking, securities-related services to and/or in the past has entered into an agreement to provide services or has a client relationship with the following company: AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Asustek Computer Inc., AU Optronics, BYD Electronics, Compal Electronics, E Ink Holdings Inc., Eoptolink Technology Inc Ltd, Giga-Byte Technology Co. Ltd., GoerTek Inc, Hon Hai Precision, Innolux, Lenovo, Lingyi Itech Guangdong Co, Quanta Computer Inc., Xiaomi Corp, Yageo Corp., Zhen Ding.

The equity research analysts or strategists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality of research, investor client feedback, stock picking, competitive factors, firm revenues and overall investment banking revenues. Equity Research analysts' or strategists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.
Morgan Stanley and its affiliates do business that relates to companies/instruments covered in Morgan Stanley Research, including market making, providing liquidity, fund management, commercial banking, extension of credit, investment services and investment banking. Morgan Stanley sells to and buys from customers the securities/instruments of companies covered in Morgan Stanley Research on a principal basis. Morgan Stanley may have a position in the debt of the Company or instruments discussed in this report. Morgan Stanley trades or may trade as principal in the debt securities (or in related derivatives) that are the subject of the debt research report.
Certain disclosures listed above are also for compliance with applicable regulations in non-US jurisdictions.

STOCK RATINGS

Morgan Stanley uses a relative rating system using terms such as Overweight, Equal-weight, Not-Rated or Underweight (see definitions below). Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold and sell. Investors should carefully read the definitions of all ratings used in Morgan Stanley Research. In addition, since Morgan Stanley Research contains more complete information concerning the analyst's views, investors should carefully read Morgan Stanley Research, in its entirety, and not infer the contents from the rating alone. In any case, ratings (or research) should not be used or relied upon as investment advice. An investor's decision to buy or sell a stock should depend on individual circumstances (such as the investor's existing holdings) and other considerations.

Global Stock Ratings Distribution

(as of October 31, 2026)
The Stock Ratings described below apply to Morgan Stanley's Fundamental Equity Research and do not apply to Debt Research produced by the Firm.
For disclosure purposes only (in accordance with FINRA requirements), we include the category headings of Buy, Hold, and Sell alongside our ratings of Overweight, Equal-weight, Not-Rated and Underweight. Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold, and sell but represent recommended relative weightings (see definitions below). To satisfy regulatory requirements, we correspond Overweight, our most positive stock rating, with a buy recommendation; we correspond Equal-weight and Not-Rated to hold and Underweight to sell recommendations, respectively.

	Coverage Universe		Investment Banking Clients (IBC)			Other Material Investment Services Clients (MISC)	
Stock Rating Category	Count	% of Total	Count	% of Total IBC	% of Rating Category	Count	% of Total Other MISC
Overweight/Buy	1575	43%	460	49%	29%	742	44%
Equal-weight/Hold	1537	42%	393	42%	26%	720	43%
Not-Rated/Hold	2	0%	1	0%	50%	1	0%
Underweight/Sell	570	15%	92	10%	16%	218	13%
Total	3,684		946			1681	

Data include common stock and ADRs currently assigned ratings. Investment Banking Clients are companies from whom Morgan Stanley received investment banking compensation in the last 12 months. Due to rounding off of decimals, the percentages provided in the "% of total" column may not add up to exactly 100 percent.

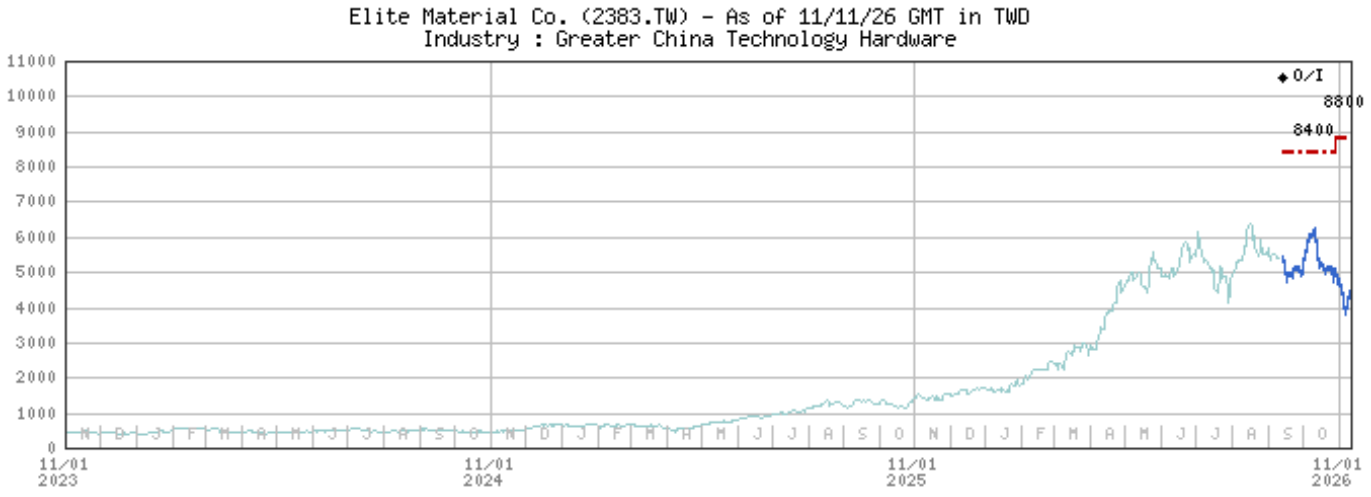
Analyst Stock Ratings

Overweight (O). The stock's total return is expected to exceed the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Equal-weight (E). The stock's total return is expected to be in line with the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Not-Rated (NR). Currently the analyst does not have adequate conviction about the stock's total return relative to the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Underweight (U). The stock's total return is expected to be below the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Unless otherwise specified, the time frame for price targets included in Morgan Stanley Research is 12 to 18 months.

Analyst Industry Views

Attractive (A): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be attractive vs. the relevant broad market benchmark, as indicated below.
In-Line (I): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be in line with the relevant broad market benchmark, as indicated below.
Cautious (C): The analyst views the performance of his or her industry coverage universe over the next 12-18 months with caution vs. the relevant broad market benchmark, as indicated below.
Benchmarks for each region are as follows: North America - S&P 500; Latin America - relevant MSCI country index or MSCI Latin America Index; Europe - MSCI Europe; Japan - TOPIX; Asia - relevant MSCI country index or MSCI sub-regional index or MSCI AC Asia Pacific ex Japan Index.

Stock Price, Price Target and Rating History (See Rating Definitions)



Important Disclosures for Morgan Stanley Smith Barney LLC Customers

Important disclosures regarding any material conflict of interest that can reasonably be expected to have influenced Morgan Stanley Smith Barney LLC's choice of a third-party research provider or the subject company of a third-party research report, are available on the Morgan Stanley Wealth Management disclosure website at www.morganstanley.com/online/researchdisclosures. For Morgan Stanley specific disclosures, you may refer to https://www.morganstanley.com/eqr/disclosures/webapp/generalresearch.

Each Morgan Stanley research report is reviewed and approved on behalf of Morgan Stanley Smith Barney LLC. This review and approval is conducted by the same person who reviews the research report on behalf of Morgan Stanley. This could create a conflict of interest.

Other Important Disclosures

Morgan Stanley Research policy is to update research reports as and when the Research Analyst and Research Management deem appropriate, based on developments with the issuer, the sector, or the market that may have a material impact on the research views or opinions stated therein. In addition, certain Research publications are intended to be updated on a regular periodic basis (weekly/monthly/quarterly/annual) and will ordinarily be updated with that frequency, unless the Research Analyst and Research Management determine that a different publication schedule is appropriate based on current conditions.

Morgan Stanley is not acting as a municipal advisor and the opinions or views contained herein are not intended to be, and do not constitute, advice within the meaning of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Morgan Stanley produces an equity research product called a "Tactical Idea." Views contained in a "Tactical Idea" on a particular stock may be contrary to the recommendations or views expressed in research on the same stock. This may be the result of differing time horizons, methodologies, market events, or other factors. For all research available on a particular stock, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Morgan Stanley Research is provided to our clients through our proprietary research portal on Matrix and also distributed electronically by Morgan Stanley to clients. Certain, but not all, Morgan Stanley Research products are also made available to clients through third-party vendors or redistributed to clients through alternate electronic means as a convenience. Morgan Stanley Research does not provide individually tailored investment advice. Morgan Stanley Research has been prepared without regard to the circumstances and objectives of those who receive it. Morgan Stanley recommends that investors independently evaluate particular investments and strategies, and encourages investors to seek the advice of a financial adviser. The appropriateness of an investment or strategy will depend on an investor's circumstances and objectives. The securities, instruments, or strategies discussed in Morgan Stanley Research

may not be suitable for all investors, and certain investors may not be eligible to purchase or participate in some or all of them. Morgan Stanley Research is not an offer to buy or sell or the solicitation of an offer to buy or sell any security/instrument or to participate in any particular trading strategy. The value of and income from your investments may vary because of changes in interest rates, foreign exchange rates, default rates, prepayment rates, securities/instruments prices, market indexes, operational or financial conditions of companies or other factors. There may be time limitations on the exercise of options or other rights in securities/instruments transactions. Past performance is not necessarily a guide to future performance. Estimates of future performance are based on assumptions that may not be realized. If provided, and unless otherwise stated, the closing price on the cover page is that of the primary exchange for the subject company's securities/instruments.

The fixed income research analysts, strategists or economists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality, accuracy and value of research, firm profitability or revenues (which include fixed income trading and capital markets profitability or revenues), client feedback and competitive factors. Fixed Income Research analysts', strategists' or economists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.

The "Important Regulatory Disclosures on Subject Companies" section in Morgan Stanley Research lists all companies mentioned where Morgan Stanley owns 1% or more of a class of common equity securities of the companies. For all other companies mentioned in Morgan Stanley Research, Morgan Stanley may have an investment of less than 1% in securities/instruments or derivatives of securities/instruments of companies and may trade them in ways different from those discussed in Morgan Stanley Research. Employees of Morgan Stanley not involved in the preparation of Morgan Stanley Research may have investments in securities/instruments or derivatives of securities/instruments of companies mentioned and may trade them in ways different from those discussed in Morgan Stanley Research. Derivatives may be issued by Morgan Stanley or associated persons.

With the exception of information regarding Morgan Stanley, Morgan Stanley Research is based on public information. Morgan Stanley makes every effort to use reliable, comprehensive information, but we make no representation that it is accurate or complete. We have no obligation to tell you when opinions or information in Morgan Stanley Research change apart from when we intend to discontinue equity research coverage of a subject company. Facts and views presented in Morgan Stanley Research have not been reviewed by, and may not reflect information known to, professionals in other Morgan Stanley business areas, including investment banking personnel.

Morgan Stanley Research personnel may participate in company events such as site visits and are generally prohibited from accepting payment by the company of associated expenses unless pre-approved by authorized members of Research management.

Morgan Stanley may make investment decisions that are inconsistent with the recommendations or views in this report.

To our readers based in Taiwan or trading in Taiwan securities/instruments: Information on securities/instruments that trade in Taiwan is distributed by Morgan Stanley Taiwan Limited ("MSTL"). Such information is for your reference only. The reader should independently evaluate the investment risks and is solely responsible for their investment decisions. Morgan Stanley Research may not be distributed to the public media or quoted or used by the public media without the express written consent of Morgan Stanley. Any non-customer reader within the scope of Article 7-1 of the Taiwan Stock Exchange Recommendation Regulations accessing and/or receiving Morgan Stanley Research is not permitted to provide Morgan Stanley Research to any third party (including but not limited to related parties, affiliated companies and any other third parties) or engage in any activities regarding Morgan Stanley Research which may create or give the appearance of creating a conflict of interest. Information on securities/instruments that do not trade in Taiwan is for informational purposes only and is not to be construed as a recommendation or a solicitation to trade in such securities/instruments. MSTL may not execute transactions for clients in these securities/instruments.

Certain information in Morgan Stanley Research was sourced by employees of the Shanghai Representative Office of Morgan Stanley Asia Limited for the use of Morgan Stanley Asia Limited. Morgan Stanley is not incorporated under PRC law and the research in relation to this report is conducted outside the PRC. Morgan Stanley Research does not constitute an offer to sell or the solicitation of an offer to buy any securities in the PRC. PRC investors shall have the relevant qualifications to invest in such securities and shall be responsible for obtaining all relevant approvals, licenses, verifications and/or registrations from the relevant governmental authorities themselves. Neither this report nor any part of it is intended as, or shall constitute, provision of any consultancy or advisory service of securities investment as defined under PRC law. Morgan Stanley | RESEARCH

UPDATE

November 11, 2026 01:50 PM GMT

MPI Corporation | Asia Pacific

Margin recovery in 3Q26; stay OW

AlphaSignals Earnings Reaction

Unchanged	Modest upside	Largely unchanged
Impact to our thesis	Financial results versus consensus	Direction of next 12-month consensus EPS

Source: Company data, Morgan Stanley Research

Key Takeaways

- 3Q26 results beat; 4Q26 revenue could grow 5-10% QoQ.
- We think GM in the low 60s (%) can be sustained in 4Q.
- CPO insertion is still on track but not finalized yet.
- There might not be a 2027 capacity expansion update until December.
- Stay OW – we cite strong AI/HPC demand, increasing pin count for the leading-edge products, and the capability to pass increasing cost on to customers

MPI reported 3Q26 gross margin of 61.7%, above our estimate of 59.8% and consensus of 59.5%: The margin beat came mostly from higher HPC demand; VPC and MEMS made up more than half of total revenue.

With the strong demand for HPC continuing, we expect 4Q26 revenue to grow 5-10% QoQ...

...with GM maintained in the low 60s (%).

Still in qualification for insertion 2: The engineering tester for insertion 3 has already been shipped to customers and is likely to go into mass production and shipments in 1H27. The company is still in qualification for insertion 2, for which the results might not be disclosed until December 2026.

We expect a clearer 2027 capacity expansion plan by year-end – after the budget planning is finalized.

Key questions for the upcoming earnings call (November 16):

1. 2027 guidance including capacity expansion plan and pricing dynamics,
2. CPO schedule and TAM,
3. How much margin accretion from self-produced PCB.

Valuation Methodology and Risks

MPI Corporation (6223.TWO)

We derive our price target from a residual income model, as we believe this can best capture the long-term value. We assume a 9.78% cost of equity (risk-free rate 2.0% and risk premium 6.0%), a payout ratio of 67%, a medium-term growth rate of 16.0%, and a terminal growth rate of 4.0%. Our price target implies 50x/25x 2027e/2028e P/E. We believe its valuation will continue to climb along with growing earnings.

Risks to Upside

- Stronger-than-expected AI demand
- Stronger-than-expected market share gain from peers
- Stronger-than-expected CPO development

Risks to Downside

- Slower-than-expected AI demand
- Slower-than-expected market share gain from peers
- Slower-than-expected CPO development

Morgan Stanley Research has been published in accordance with our conflict management policy, which is available at www.morganstanley.com/institutional/research/conflictpolicies. A Portuguese version of the policy can be found at www.morganstanley.com.br

Important Regulatory Disclosures on Subject Companies

As of October 30, 2026, Morgan Stanley beneficially owned 1% or more of a class of common equity securities of the following companies covered in Morgan Stanley Research: ACM Research Inc, Advanced Micro-Fabrication Equipment Inc, Advanced Wireless Semiconductor Co, Alchip Technologies Ltd, AllRing Tech Co., AP Memory Technology Corp, ASE Technology Holding Co. Ltd., ASMedia Technology Inc, ASMPT Ltd, Aspeed Technology, Cambricon Technology Corporation, eMemory Technology Inc, GigaDevice Semiconductor Beijing Inc, Gudeng Precision, Hua Hong Semiconductor Ltd, Macronix International Co Ltd, Montage Technology Co Ltd, NAURA Technology Group Co Ltd, Nuvoton Technology Corporation, Parade Technologies Ltd, Phison Electronics Corp, Powerchip Semiconductor Manufacturing Co, SG Micro Corp., Shanghai Fudan Microelectronics, SICC Co Ltd, Silergy Corp., Silicon Motion, StarPower Semiconductor Ltd, TSMC, UMC, Vanguard International Semiconductor, WIN Semiconductors Corp, WPG Holdings, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley managed or co-managed a public offering (or 144A offering) of securities of Alchip Technologies Ltd, Iluvatar CoreX Semiconductor Co., Ltd., MediaTek, Montage Technology Co Ltd, Powerchip Semiconductor Manufacturing Co, UMC.

Within the last 12 months, Morgan Stanley has received compensation for investment banking services from ASMPT Ltd, Iluvatar CoreX Semiconductor Co., Ltd., MediaTek, Montage Technology Co Ltd, Powerchip Semiconductor Manufacturing Co, Silicon Motion, UMC.

In the next 3 months, Morgan Stanley expects to receive or intends to seek compensation for investment banking services from Advanced Micro-Fabrication Equipment Inc, Alchip Technologies Ltd, AP Memory Technology Corp, ASE Technology Holding Co. Ltd., ASMedia Technology Inc, ASMPT Ltd, Aspeed Technology, CXMT Corp, Espressif Systems, GigaDevice Semiconductor Beijing Inc, GlobalWafers Co Ltd, Gudeng Precision, Himax Technologies Inc, Hua Hong Semiconductor Ltd, Iluvatar CoreX Semiconductor Co., Ltd., Innoscience, King Yuan Electronics Co Ltd, Macronix International Co Ltd, MediaTek, MetaX Integrated Circuits, Montage Technology Co Ltd, Novatek, Parade Technologies Ltd, Phison Electronics Corp, Powerchip Semiconductor Manufacturing Co, Realtek Semiconductor, SG Micro Corp., SICC Co Ltd, Silergy Corp., Silicon Motion, TSMC, UMC, Universal Scientific Ind. (Shanghai), Vanguard International Semiconductor, Winbond Electronics Corp, WPG Holdings, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley has received compensation for products and services other than investment banking services from ASE Technology Holding Co. Ltd., King Yuan Electronics Co Ltd, MediaTek, Nanya Technology Corp., Novatek, Nuvoton Technology Corporation, Realtek Semiconductor, Silicon Motion, SMIC, TSMC, UMC, Universal Scientific Ind. (Shanghai), Winbond Electronics Corp, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley has provided or is providing investment banking services to, or has an investment banking client relationship with, the following company: Advanced Micro-Fabrication Equipment Inc, Alchip Technologies Ltd, AP Memory Technology Corp, ASE Technology Holding Co. Ltd., ASMedia Technology Inc, ASMPT Ltd, Aspeed Technology, CXMT Corp, Espressif Systems, GigaDevice Semiconductor Beijing Inc, GlobalWafers Co Ltd, Gudeng Precision, Himax Technologies Inc, Hua Hong Semiconductor Ltd, Iluvatar CoreX Semiconductor Co., Ltd., Innoscience, King Yuan Electronics Co Ltd, Macronix International Co Ltd, MediaTek, MetaX Integrated Circuits, Montage Technology Co Ltd, Novatek, Parade Technologies Ltd, Phison Electronics Corp, Powerchip Semiconductor Manufacturing Co, Realtek Semiconductor, SG Micro Corp., SICC Co Ltd, Silergy Corp., Silicon Motion, TSMC, UMC, Universal Scientific Ind. (Shanghai), Vanguard International Semiconductor, Winbond Electronics Corp, WPG Holdings, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley has either provided or is providing non-investment banking, securities-related services to and/or in the past has entered into an agreement to provide services or has a client relationship with the following company: ASE Technology Holding Co. Ltd., Iluvatar CoreX Semiconductor Co., Ltd., King Yuan Electronics Co Ltd, MediaTek, Montage Technology Co Ltd, Nanya Technology Corp., Novatek, Nuvoton Technology Corporation, Realtek Semiconductor, Silicon Motion, SMIC, TSMC, UMC, Universal Scientific Ind. (Shanghai), Winbond Electronics Corp, WT Microelectronics Co. Ltd..

Morgan Stanley & Co. LLC makes a market in the securities of ACM Research Inc.

The equity research analysts or strategists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality

of research, investor client feedback, stock picking, competitive factors, firm revenues and overall investment banking revenues. Equity Research analysts' or strategists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.
Morgan Stanley and its affiliates do business that relates to companies/instruments covered in Morgan Stanley Research, including market making, providing liquidity, fund management, commercial banking, extension of credit, investment services and investment banking. Morgan Stanley sells to and buys from customers the securities/instruments of companies covered in Morgan Stanley Research on a principal basis. Morgan Stanley may have a position in the debt of the Company or instruments discussed in this report. Morgan Stanley trades or may trade as principal in the debt securities (or in related derivatives) that are the subject of the debt research report.
Certain disclosures listed above are also for compliance with applicable regulations in non-US jurisdictions.

STOCK RATINGS

Morgan Stanley uses a relative rating system using terms such as Overweight, Equal-weight, Not-Rated or Underweight (see definitions below). Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold and sell. Investors should carefully read the definitions of all ratings used in Morgan Stanley Research. In addition, since Morgan Stanley Research contains more complete information concerning the analyst's views, investors should carefully read Morgan Stanley Research, in its entirety, and not infer the contents from the rating alone. In any case, ratings (or research) should not be used or relied upon as investment advice. An investor's decision to buy or sell a stock should depend on individual circumstances (such as the investor's existing holdings) and other considerations.

Global Stock Ratings Distribution

(as of October 31, 2026)
The Stock Ratings described below apply to Morgan Stanley's Fundamental Equity Research and do not apply to Debt Research produced by the Firm.
For disclosure purposes only (in accordance with FINRA requirements), we include the category headings of Buy, Hold, and Sell alongside our ratings of Overweight, Equal-weight, Not-Rated and Underweight. Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold, and sell but represent recommended relative weightings (see definitions below). To satisfy regulatory requirements, we correspond Overweight, our most positive stock rating, with a buy recommendation; we correspond Equal-weight and Not-Rated to hold and Underweight to sell recommendations, respectively.

	Coverage Universe		Investment Banking Clients (IBC)			Other Material Investment Services Clients (MISC)	
Stock Rating Category	Count	% of Total	Count	% of Total IBC	% of Rating Category	Count	% of Total Other MISC
Overweight/Buy	1575	43%	460	49%	29%	742	44%
Equal-weight/Hold	1537	42%	393	42%	26%	720	43%
Not-Rated/Hold	2	0%	1	0%	50%	1	0%
Underweight/Sell	570	15%	92	10%	16%	218	13%
Total	3,684		946			1681	

Data include common stock and ADRs currently assigned ratings. Investment Banking Clients are companies from whom Morgan Stanley received investment banking compensation in the last 12 months. Due to rounding off of decimals, the percentages provided in the "% of total" column may not add up to exactly 100 percent.

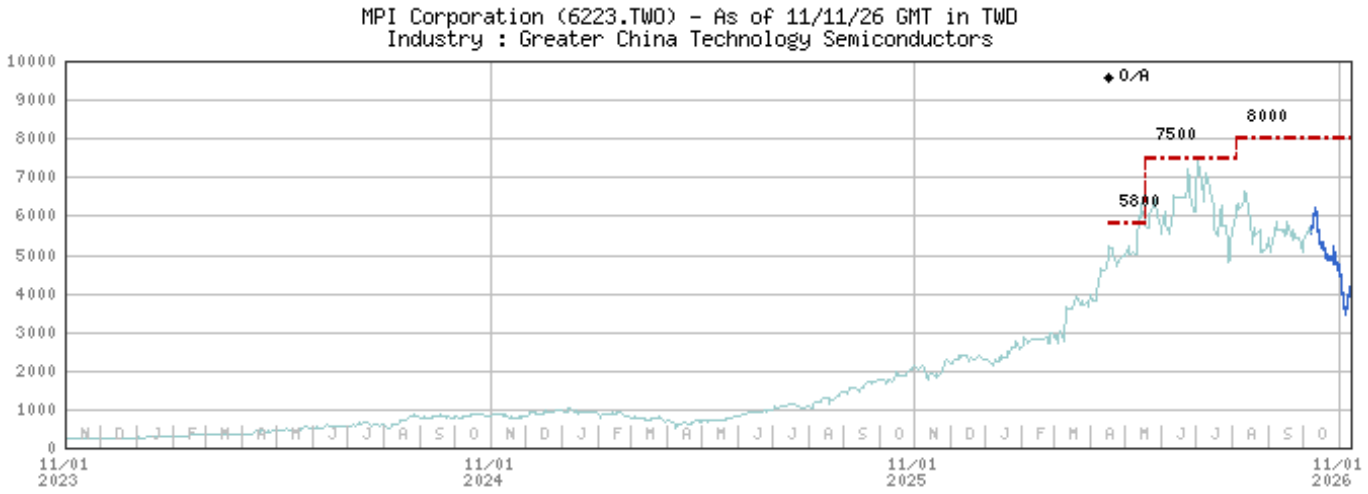
Analyst Stock Ratings

Overweight (O). The stock's total return is expected to exceed the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Equal-weight (E). The stock's total return is expected to be in line with the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Not-Rated (NR). Currently the analyst does not have adequate conviction about the stock's total return relative to the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Underweight (U). The stock's total return is expected to be below the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Unless otherwise specified, the time frame for price targets included in Morgan Stanley Research is 12 to 18 months.

Analyst Industry Views

Attractive (A): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be attractive vs. the relevant broad market benchmark, as indicated below.
In-Line (I): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be in line with the relevant broad market benchmark, as indicated below.
Cautious (C): The analyst views the performance of his or her industry coverage universe over the next 12-18 months with caution vs. the relevant broad market benchmark, as indicated below.
Benchmarks for each region are as follows: North America - S&P 500; Latin America - relevant MSCI country index or MSCI Latin America Index; Europe - MSCI Europe; Japan - TOPIX; Asia - relevant MSCI country index or MSCI sub-regional index or MSCI AC Asia Pacific ex Japan Index.

Stock Price, Price Target and Rating History (See Rating Definitions)



Important Disclosures for Morgan Stanley Smith Barney LLC Customers

Important disclosures regarding any material conflict of interest that can reasonably be expected to have influenced Morgan Stanley Smith Barney LLC's choice of a third-party research provider or the subject company of a third-party research report, are available on the Morgan Stanley Wealth Management disclosure website at www.morganstanley.com/online/researchdisclosures. For Morgan Stanley specific disclosures, you may refer to https://www.morganstanley.com/eqr/disclosures/webapp/generalresearch.

Each Morgan Stanley research report is reviewed and approved on behalf of Morgan Stanley Smith Barney LLC. This review and approval is conducted by the same person who reviews the research report on behalf of Morgan Stanley. This could create a conflict of interest.

Other Important Disclosures

Morgan Stanley Research policy is to update research reports as and when the Research Analyst and Research Management deem appropriate, based on developments with the issuer, the sector, or the market that may have a material impact on the research views or opinions stated therein. In addition, certain Research publications are intended to be updated on a regular periodic basis (weekly/monthly/quarterly/annual) and will ordinarily be updated with that frequency, unless the Research Analyst and Research Management determine that a different publication schedule is appropriate based on current conditions.

Morgan Stanley is not acting as a municipal advisor and the opinions or views contained herein are not intended to be, and do not constitute, advice within the meaning of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Morgan Stanley produces an equity research product called a "Tactical Idea." Views contained in a "Tactical Idea" on a particular stock may be contrary to the recommendations or views expressed in research on the same stock. This may be the result of differing time horizons, methodologies, market events, or other factors. For all research available on a particular stock, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Morgan Stanley Research is provided to our clients through our proprietary research portal on Matrix and also distributed electronically by Morgan Stanley to clients. Certain, but not all, Morgan Stanley Research products are also made available to clients through third-party vendors or redistributed to clients through alternate electronic means as a convenience. For access to all available Morgan Stanley Research, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Any access and/or use of Morgan Stanley Research is subject to Morgan Stanley's Terms of Use (http://www.morganstanley.com/terms.html). By accessing and/or using Morgan Stanley Research, you are indicating that you have read and agree to be bound by our Terms of Use (http://www.morganstanley.com/terms.html). In addition you consent to Morgan Stanley processing your personal data and using cookies in accordance with our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html), including for the purposes of setting your preferences and to collect readership data so that we can deliver better and more personalized service and products to you. To find out more information about how Morgan Stanley processes personal data, how we use cookies and how to reject cookies see our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html). Please use the provided link to review the Terms and Conditions and Most Important Terms and Conditions for Morgan Stanley India Company Private Limited (https://www.morganstanley.com/assets/pdfs/about-us-global-offices/india/Terms_and_conditions.pdf) and the following link to review the audit report (https://ny.matrix.ms.com/eqr/research/webapp/researchdocs/MSICPL_Morgan_Stanley_Research_Audit_Report.pdf).

If you do not agree to our Terms of Use and/or if you do not wish to provide your consent to Morgan Stanley processing your personal data or using cookies please do not access our research.

Morgan Stanley Research does not provide individually tailored investment advice. Morgan Stanley Research has been prepared without regard to the circumstances and objectives of those who receive it. Morgan Stanley recommends that investors independently evaluate particular investments and strategies, and encourages investors to seek the advice of a financial adviser. The appropriateness of an investment or strategy will depend on an investor's circumstances and objectives. The securities, instruments, or strategies discussed in Morgan Stanley Research

may not be suitable for all investors, and certain investors may not be eligible to purchase or participate in some or all of them. Morgan Stanley Research is not an offer to buy or sell or the solicitation of an offer to buy or sell any security/instrument or to participate in any particular trading strategy. The value of and income from your investments may vary because of changes in interest rates, foreign exchange rates, default rates, prepayment rates, securities/instruments prices, market indexes, operational or financial conditions of companies or other factors. There may be time limitations on the exercise of options or other rights in securities/instruments transactions. Past performance is not necessarily a guide to future performance. Estimates of future performance are based on assumptions that may not be realized. If provided, and unless otherwise stated, the closing price on the cover page is that of the primary exchange for the subject company's securities/instruments.

The fixed income research analysts, strategists or economists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality, accuracy and value of research, firm profitability or revenues (which include fixed income trading and capital markets profitability or revenues), client feedback and competitive factors. Fixed Income Research analysts', strategists' or economists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.

The "Important Regulatory Disclosures on Subject Companies" section in Morgan Stanley Research lists all companies mentioned where Morgan Stanley owns 1% or more of a class of common equity securities of the companies. For all other companies mentioned in Morgan Stanley Research, Morgan Stanley may have an investment of less than 1% in securities/instruments or derivatives of securities/instruments of companies and may trade them in ways different from those discussed in Morgan Stanley Research. Employees of Morgan Stanley not involved in the preparation of Morgan Stanley Research may have investments in securities/instruments or derivatives of securities/instruments of companies mentioned and may trade them in ways different from those discussed in Morgan Stanley Research. Derivatives may be issued by Morgan Stanley or associated persons.

With the exception of information regarding Morgan Stanley, Morgan Stanley Research is based on public information. Morgan Stanley makes every effort to use reliable, comprehensive information, but we make no representation that it is accurate or complete. We have no obligation to tell you when opinions or information in Morgan Stanley Research change apart from when we intend to discontinue equity research coverage of a subject company. Facts and views presented in Morgan Stanley Research have not been reviewed by, and may not reflect information known to, professionals in other Morgan Stanley business areas, including investment banking personnel.

Morgan Stanley Research personnel may participate in company events such as site visits and are generally prohibited from accepting payment by the company of associated expenses unless pre-approved by authorized members of Research management.

Morgan Stanley may make investment decisions that are inconsistent with the recommendations or views in this report.

To our readers based in Taiwan or trading in Taiwan securities/instruments: Information on securities/instruments that trade in Taiwan is distributed by Morgan Stanley Taiwan Limited ("MSTL"). Such information is for your reference only. The reader should independently evaluate the investment risks and is solely responsible for their investment decisions. Morgan Stanley Research may not be distributed to the public media or quoted or used by the public media without the express written consent of Morgan Stanley. Any non-customer reader within the scope of Article 7-1 of the Taiwan Stock Exchange Recommendation Regulations accessing and/or receiving Morgan Stanley Research is not permitted to provide Morgan Stanley Research to any third party (including but not limited to related parties, affiliated companies and any other third parties) or engage in any activities regarding Morgan Stanley Research which may create or give the appearance of creating a conflict of interest. Information on securities/instruments that do not trade in Taiwan is for informational purposes only and is not to be construed as a recommendation or a solicitation to trade in such securities/instruments. MSTL may not execute transactions for clients in these securities/instruments.

Unchanged	Modest shortfall	Modest revision lower
Impact to our thesis	Financial results versus consensus	Direction of next 12-month consensus EPS

Source: Company data, Morgan Stanley Research

Management said AI demand has remained unchanged in recent weeks. It reiterates confidence in strong double-digit y/y growth into 2027. General server demand continues to exceed expectations YTD, driven by agentic AI.

Platform transition weighs on 4Q shipments; VR200 to support CY27 growth: AI servers contributed 75–80% of 3Q26 server revenue, with CY26 AI revenue on track for triple-digit y/y growth and ~65% of Quanta's total revenue. The platform transition is expected to drive a q/q decline in 4Q26 NVL72 rack shipments, but management's tone suggests a milder decline than our prior forecast of 4K racks (vs. ~6.2K in 3Q26). We therefore raise our 4Q26 NVL72 production forecast 1K, to 5K, implying 21.9K builds in CY26. Management expects shipments to accelerate in 1Q27 as VR200 ramps, supporting high double-digit AI server revenue growth in CY27. ASIC servers' revenue contribution is projected to double, from high single digits in CY26 to double digits in CY27.

Agentic AI supports general server growth: Management noted that YTD general server shipments have exceeded expectations, with both shipments and revenue increasing q/q in 3Q26 and further growth expected in 4Q26, primarily driven by agentic AI. Management expects steady double-digit y/y growth in both shipments and revenue in CY27, with deployments broadly balanced between x86 and Arm-based platforms and comparable margin profiles. While industry-wide component shortages persist, particularly in memory, CPUs and PCBs, management indicated that tier-1 CSPs continue to secure sufficient supply.

Lower NB volumes and rising costs pressure margins: Quanta's NB shipments fell 17% q/q, to 9.6M units in 3Q26, weaker than normal seasonality but above guidance of a 20% decline. Rising memory costs and lower scale weighed on profitability, and we expect margin pressure to persist in 4Q26. Management guides for another double-digit q/q shipment decline in 4Q26, albeit narrower than in 3Q26, implying a 15–20% y/y decline for CY26. We project 4Q26 shipments of 8.3M units (-14% q/q) and CY26 shipments of 39.4M units (-15% y/y). For CY27, management expects NB shipments to decline in high single digits to 10% y/y and PC/NB revenue to fall to a single-digit share of the mix, reflecting AI server racks' substantially higher ASPs.

Keep price target at NT$385 and stay OW: Our target implies 11.8x CY27e P/E or 11.0x CY28e P/E, vs. its three-year range of 6-18x. Risk-reward looks attractive at 9.1x CY27e P/E, below the three-year average of 11.7x, with ~5.1% dividend yield (DPS of NT$15.6).

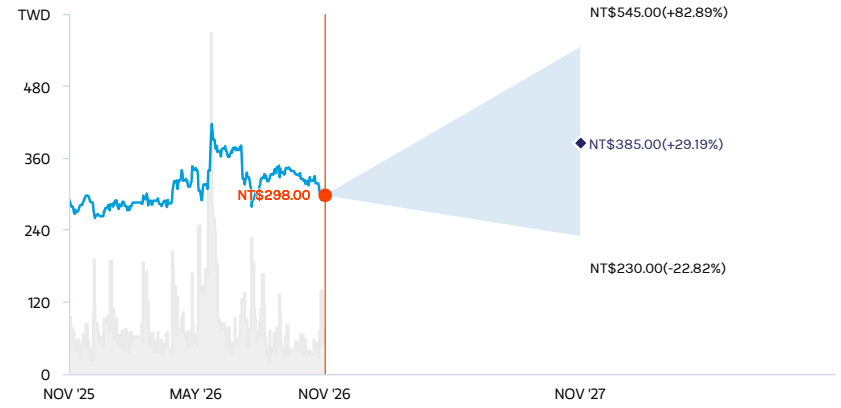
RISK REWARD CHART



Key: Historical Stock Performance ● Current Stock Price ◆ Price Target

Source: Refinitiv, Morgan Stanley Research

OVERWEIGHT THESIS

- Quanta should benefit from rising AI server demand (GPUs and ASICs), given its design capability and close relationship with global cloud customers.
- Quanta had some production and delivery hiccups on GB racks in CY25, but these appear to have been resolved in CY26. We expect Quanta's supply share to remain at ~26% in CY27 for GB and VR racks combined.
- Quanta is transitioning more resources from auto/EV to more profitable products and narrowing the breadth of its portfolio.
- Our price target implies 11.8x CY27e EPS, which we view as fair vs. its three-year range of 6-18x. Valuation looks attractive at 9.1x CY27e P/E, with ~5% dividend yield.

BULL CASE NT$545.00

16.7x 2027e P/E

Strong sales growth with margin expansion: We forecast a total sales CAGR of 60-65% for 2025-28, boosted by even stronger data center sales growth and NB demand. We project operating profit margin to reach ~6% by 2028, up from ~4.1% in 2025.

BASE CASE NT$385.00

11.8x 2027e P/E

Strong growth in 2027 driven by AI server sales: We forecast a total sales CAGR of ~49% for 2025-28, with data centers showing 60-70% growth after incorporating AI server assumptions (70-80% CAGR), and NB staying flat. We project that operating profit margin will fall to ~2.5% by 2028 (AI servers are margin-dilutive) vs. ~4.1% in 2025.

BEAR CASE NT$230.00

7x 2027e P/E

Sales decline with margin contraction: We project total sales at a negative CAGR over 2025-28, owing to worse-than-expected NB weakness plus softer data center and Apple Watch-related sales. We see operating profit margin falling to ~1.8% by 2028, from ~4.1% in 2025.

Risk Reward – Quanta Computer Inc. (2382.TW)

KEY EARNINGS INPUTS

Drivers	Dec 2025	Dec 2026e	Dec 2027e	Dec 2028e
NB shipment y/y (%)	1.3	(15.3)	(9.1)	1.2
Data center hardware revenue y/y (%)	24.7	54.4	24.4	9.2

3Q26 Results Summary

Component cost pressure drove 3Q GM miss:

Revenue was NT$1,115.5bn (+8% q/q, +125% y/y), but GM deteriorated to 4.8% (-30bps q/q, -210bps y/y), which is 40bps below our estimate and 20bps below the Street.

Management cited the following reasons for the GM miss:

- PC/NB: cost pressures from inflationary component pricing; diminishing economies of scale.
- Servers: inflationary component pricing pressured server gross margins, despite a slight decline in AI server shipments.

However, opex was also higher than expected, mainly owing to higher R&D expenses. Thus, OP came in at NT$32.2bn (-6% q/q, +75% y/y), 7% below our estimate and 112% below the Street.

OpM was 2.9% (-40bps q/q, -80bps y/y). Management guided for 2H OpM to be flat h/h, so we think 3Q OpM was a miss.

Non-op income was higher than expected because of ~NT$3.9bn in FX gains, so net profit came in at ~NT$28.4bn (-1% q/q, +73% y/y) for EPS of NT$7.36, 6% above our estimate and 2% above the Street.

Consignment? Under the buy-and-sell model, high-ASP server rack procurement inflated revenue but diluted gross margins and to a lesser extent operating margins (owing to operating leverage) via pass-through component accounting. Management continues to stress absolute profit expansion and sustained >20% ROIC over margin ratios. To mitigate balance sheet inventory carrying risk and working capital burden, Quanta will continue to negotiate for a consignment business model with its CSP customers into CY27.

Estimate Changes

We update our model to factor in the 3Q26 margin miss and updated guidance from management, which leads to increases of 7%, 13%, and 13% changes to our EPS estimates for 2026, 2027, and 2028, respectively. We primarily raise our revenue assumptions while lowering our margin assumptions for 2026-2028.

Price Target and Valuation Methodology

We keep our price target at NT$385, reflecting the offset between raised 2026-28 earnings estimates and a lower medium-term growth rate: This implies 11.8x CY27e and 11.0x CY28e EPS, in line with the average of Quanta's three-year historical range of 11.7x. We view this as reasonable because we expect the company to benefit from rising AI server and EV demand over the long term, which will offset the weakness in the PC segment and drive mix improvements.

We continue to apply a residual income model to derive our price target. Our key assumptions include:

- A cost of equity of 9.0% (beta of 1.2, equity premium of 6.0%, and risk-free rate of 1.5%)
- A 7.0% medium-term growth rate – lowered from 8.5% previously, as we bake in some conservatism on concerns over a potential slowdown in data center build-out following the US midterm elections (see our Global Team's view), which could affect Quanta's server business directly.
- A 3% terminal growth rate

Our bull and bear case scenario values also stay unchanged at $545 and NT$230, respectively.

Ltd., GoerTek Inc, Hon Hai Precision, Innolux, Lenovo, Lingyi Itech Guangdong Co, **Quanta Computer Inc.**, Xiaomi Corp, Yageo Corp., Zhen Ding.

The equity research analysts or strategists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality of research, investor client feedback, stock picking, competitive factors, firm revenues and overall investment banking revenues. Equity Research analysts' or strategists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.
Morgan Stanley and its affiliates do business that relates to companies/instruments covered in Morgan Stanley Research, including market making, providing liquidity, fund management, commercial banking, extension of credit, investment services and investment banking. Morgan Stanley sells to and buys from customers the securities/instruments of companies covered in Morgan Stanley Research on a principal basis. Morgan Stanley may have a position in the debt of the Company or instruments discussed in this report. Morgan Stanley trades or may trade as principal in the debt securities (or in related derivatives) that are the subject of the debt research report.
Certain disclosures listed above are also for compliance with applicable regulations in non-US jurisdictions.

STOCK RATINGS

Morgan Stanley uses a relative rating system using terms such as Overweight, Equal-weight, Not-Rated or Underweight (see definitions below). Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold and sell. Investors should carefully read the definitions of all ratings used in Morgan Stanley Research. In addition, since Morgan Stanley Research contains more complete information concerning the analyst's views, investors should carefully read Morgan Stanley Research, in its entirety, and not infer the contents from the rating alone. In any case, ratings (or research) should not be used or relied upon as investment advice. An investor's decision to buy or sell a stock should depend on individual circumstances (such as the investor's existing holdings) and other considerations.

Global Stock Ratings Distribution

(as of October 31, 2026)
The Stock Ratings described below apply to Morgan Stanley's Fundamental Equity Research and do not apply to Debt Research produced by the Firm.
For disclosure purposes only (in accordance with FINRA requirements), we include the category headings of Buy, Hold, and Sell alongside our ratings of Overweight, Equal-weight, Not-Rated and Underweight. Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold, and sell but represent recommended relative weightings (see definitions below). To satisfy regulatory requirements, we correspond Overweight, our most positive stock rating, with a buy recommendation; we correspond Equal-weight and Not-Rated to hold and Underweight to sell recommendations, respectively.

	Coverage Universe		Investment Banking Clients (IBC)			Other Material Investment Services Clients (MISC)	
Stock Rating Category	Count	% of Total	Count	% of Total IBC	% of Rating Category	Count	% of Total Other MISC
Overweight/Buy	1575	43%	460	49%	29%	742	44%
Equal-weight/Hold	1537	42%	393	42%	26%	720	43%
Not-Rated/Hold	2	0%	1	0%	50%	1	0%
Underweight/Sell	570	15%	92	10%	16%	218	13%
Total	3,684		946			1681	

Data include common stock and ADRs currently assigned ratings. Investment Banking Clients are companies from whom Morgan Stanley received investment banking compensation in the last 12 months. Due to rounding off of decimals, the percentages provided in the "% of total" column may not add up to exactly 100 percent.

Analyst Stock Ratings

Overweight (O). The stock's total return is expected to exceed the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Equal-weight (E). The stock's total return is expected to be in line with the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Not-Rated (NR). Currently the analyst does not have adequate conviction about the stock's total return relative to the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Underweight (U). The stock's total return is expected to be below the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Unless otherwise specified, the time frame for price targets included in Morgan Stanley Research is 12 to 18 months.

Analyst Industry Views

Attractive (A): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be attractive vs. the relevant broad market benchmark, as indicated below.

Important Disclosures for Morgan Stanley Smith Barney LLC Customers

Important disclosures regarding any material conflict of interest that can reasonably be expected to have influenced Morgan Stanley Smith Barney LLC's choice of a third-party research provider or the subject company of a third-party research report, are available on the Morgan Stanley Wealth Management disclosure website at www.morganstanley.com/online/researchdisclosures. For Morgan Stanley specific disclosures, you may refer to https://www.morganstanley.com/eqr/disclosures/webapp/generalresearch.

Each Morgan Stanley research report is reviewed and approved on behalf of Morgan Stanley Smith Barney LLC. This review and approval is conducted by the same person who reviews the research report on behalf of Morgan Stanley. This could create a conflict of interest.

Other Important Disclosures

Morgan Stanley Research policy is to update research reports as and when the Research Analyst and Research Management deem appropriate, based on developments with the issuer, the sector, or the market that may have a material impact on the research views or opinions stated therein. In addition, certain Research publications are intended to be updated on a regular periodic basis (weekly/monthly/quarterly/annual) and will ordinarily be updated with that frequency, unless the Research Analyst and Research Management determine that a different publication schedule is appropriate based on current conditions.

Morgan Stanley is not acting as a municipal advisor and the opinions or views contained herein are not intended to be, and do not constitute, advice within the meaning of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Morgan Stanley produces an equity research product called a "Tactical Idea." Views contained in a "Tactical Idea" on a particular stock may be contrary to the recommendations or views expressed in research on the same stock. This may be the result of differing time horizons, methodologies, market events, or other factors. For all research available on a particular stock, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Morgan Stanley Research is provided to our clients through our proprietary research portal on Matrix and also distributed electronically by Morgan Stanley to clients. Certain, but not all, Morgan Stanley Research products are also made available to clients through third-party vendors or redistributed to clients through alternate electronic means as a convenience. For access to all available Morgan Stanley Research, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Any access and/or use of Morgan Stanley Research is subject to Morgan Stanley's Terms of Use (http://www.morganstanley.com/terms.html). By accessing and/or using Morgan Stanley Research, you are indicating that you have read and agree to be bound by our Terms of Use (http://www.morganstanley.com/terms.html). In addition you consent to Morgan Stanley processing your personal data and using cookies in accordance with our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html), including for the purposes of setting your preferences and to collect readership data so that we can deliver better and more personalized service and products to you. To find out more information about how Morgan Stanley processes personal data, how we use cookies and how to reject cookies see our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html). If you do not agree to our Terms of Use and/or if you do not wish to provide your consent to Morgan Stanley processing your personal data or using cookies please do not access our research.

Morgan Stanley Research does not provide individually tailored investment advice. Morgan Stanley Research has been prepared without regard to the circumstances and objectives of those who receive it. Morgan Stanley recommends that investors independently evaluate particular investments and strategies, and encourages investors to seek the advice of a financial adviser. The appropriateness of an investment or strategy will depend on an investor's circumstances and objectives. The securities, instruments, or strategies discussed in Morgan Stanley Research may not be suitable for all investors, and certain investors may not be eligible to purchase or participate in some or all of them. Morgan Stanley Research is not an offer to buy or sell or the solicitation of an offer to buy or sell any security/instrument or to participate in any particular trading strategy. The value of and income from your investments may vary because of changes in interest rates, foreign exchange rates, default rates, prepayment rates, securities/instruments prices, market indexes, operational or financial conditions of companies or other factors. There may be time limitations on the exercise of options or other rights in securities/instruments transactions. Past performance is not necessarily a guide to future performance. Estimates of future performance are based on assumptions that may not be realized. If provided, and unless otherwise stated, the closing price on the cover page is that of the primary exchange for the subject company's securities/instruments.

The fixed income research analysts, strategists or economists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality, accuracy and value of research, firm profitability or revenues (which include fixed income trading and capital markets profitability or revenues), client feedback and competitive factors. Fixed Income Research analysts', strategists' or economists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.

The "Important Regulatory Disclosures on Subject Companies" section in Morgan Stanley Research lists all companies mentioned where Morgan Stanley owns 1% or more of a class of common equity securities of the companies. For all other companies mentioned in Morgan Stanley Research, Morgan Stanley may have an investment of less than 1% in securities/instruments or derivatives of securities/instruments of companies and may trade them in ways different from those discussed in Morgan Stanley Research. Employees of Morgan Stanley not involved in the preparation of Morgan Stanley Research may have investments in securities/instruments or derivatives of securities/instruments of companies mentioned and may trade them in ways different from those discussed in Morgan Stanley Research. Derivatives may be issued by Morgan Stanley or associated persons.

With the exception of information regarding Morgan Stanley, Morgan Stanley Research is based on public information. Morgan Stanley makes every effort to use reliable, comprehensive information, but we make no representation that it is accurate or complete. We have no obligation to tell you when opinions or information in Morgan Stanley Research change apart from when we intend to discontinue equity research coverage of a subject company. Facts and views presented in Morgan Stanley Research have not been reviewed by, and may not reflect information known to, professionals in other Morgan Stanley business areas, including investment banking personnel.

Morgan Stanley Research personnel may participate in company events such as site visits and are generally prohibited from accepting payment by the company of associated expenses unless pre-approved by authorized members of Research management.

Morgan Stanley may make investment decisions that are inconsistent with the recommendations or views in this report.

To our readers based in Taiwan or trading in Taiwan securities/instruments: Information on securities/instruments that trade in Taiwan is distributed by Morgan Stanley Taiwan Limited ("MSTL"). Such information is for your reference only. The reader should independently evaluate the investment risks and is solely responsible for their investment decisions. Morgan Stanley Research may not be distributed to the public media or quoted or used by the public media without the express written consent of Morgan Stanley. Any non-customer reader within the scope of Article 7-1 of the Taiwan Stock Exchange Recommendation Regulations accessing and/or receiving Morgan Stanley Research is not permitted to provide Morgan Stanley Research to any third party (including but not limited to related parties, affiliated companies and any other third parties) or engage in any activities regarding Morgan Stanley Research which may create or give the appearance of creating a conflict of interest. Information on securities/instruments that do not trade in Taiwan is for informational purposes only and is not to be construed as a recommendation or a solicitation to trade in such securities/instruments. MSTL may not execute transactions for clients in these securities/instruments.

What's new

NYP announced plans to invest NT$11.5bn to add 102mn meters of glass fabric capacity (+17% vs. existing 590mn meters capacity) in Zhangbin, Taiwan, by end-2029. According to management, the expansion aims to meet growing demand from AI servers, networking equipment and increasingly complex PCBs, with 60–70% of the additional capacity allocated for internal use. Capacity will flexibly serve conventional E-glass and AI-grade specialty glass fabric, with specialty products targeted to reach ~40% of glass fabric revenue in 2-3 years. NYP is also expanding upstream yarn production and adding over 500 weaving looms to support its planned glass fabric capacity expansion by end-2029.

Implications

NYP: Glass fabric expansion to strengthen vertical integration; 1.5–2.0% EM OP upside from 2030

We view the expansion positively, as glass fabric remains the most supply-constrained product across NYP's CCL value chain, with the highest OPM of c40% in 3Q26 for glass fabric. We expect further margin improvement in 4Q26, driven by continued price hikes and a higher specialty glass fabric mix amid strong AI-related demand. Over the longer term, the expansion should strengthen NYP's vertical integration and secure upstream glass fabric supply for downstream CCL production. Assuming full utilization and current ASP and margins, we estimate the 17% capacity expansion could lift EM OP by 1.5–2.0% from 2030 onwards, with further upside potential from specialty product mix upgrades.

E-glass fabric: limited impact on external supply

NYP's planned capacity expansion of 102mn meters per year is equivalent to ~2% of total industry capacity according to our estimates. We expect limited impact on external E-glass supply, as NYP plans to use 60-70% of output internally, leaving only ~30-40mn meters annually for external sales before accounting for specialty fabric allocation.

AI-grade specialty fabric: supply constraints likely to persist

We expect supply tightness to persist amid specialty yarn constraints and qualified fabric production ramp-up. NYP's undisclosed capacity mix further limits visibility on incremental AI-grade fabric supply.

Valuation: Maintain Buy and PT at NT$390/share

NYP is trading at 10x 27E P/E and 3.5x 27E P/B on our estimates. Our 26/27E dividend yields are 3.8%/6.3% at the current share price. We expect limited near-term valuation impact from the glass fabric expansion, given its expected completion by end-2029.

Company Description

Established in 1958 and listed on the TAIEX in 1967, Nan Ya Plastics one of the core companies of Taiwan's Formosa Group. Its businesses span electronic materials, chemicals, plastics processing and polyester. NYP is one of the largest copper clad laminates (CCL) producers, with a vertically integrated CCL value chain, supplying CCL to its 61%-owned subsidiary Nan Ya PCB and other printed circuit board (PCB) makers. It owns 29% of Nan Ya Tech, the only Taiwan-based dynamic random access memory (DRAM) brand. It also owns 23% of Formosa Petrochemical.

Valuation Method and Risk Statement

Nan Ya Plastics:
We base our price target for NYP on a SOTP valuation.
Key upside risks include: 1) stronger CCL pricing; 2) faster high-end CCL mix upgrades; and 3) a faster petchem margin recovery.
Key downside risks are: 1) a CCL pricing reversal on faster supply additions or weaker demand; 2) slower AI qualification/ramp of the company's CCL business; and 3) further weakening chemicals/polyester businesses.
Nan Ya Printed Circuit Board:
Our price target for Nan Ya Printed Circuit Board is based on P/E multiple methodology.
Upside risks include faster-than-expected ramp-up of networking/switches, stronger-than-expected pricing increase, better-than-estimated consumer demand, and continued tightness in BT substrates.
Downside risks include lower-than-expected ramp-up of networking/switch projects, lower-than-expected global PC/server demand, oversupply from capacity expansions, raw material cost increases, intensified competition, and a lack of spec upgrades and content increase.
As for industry risks, substrate applications are dominated by PCs, but servers, artificial intelligence and advanced computing are driving demand growth. We believe key risks to the industry include slower-than-expected growth in servers, networking, and high performance computing, ASP pressure, margin erosion, and lack of spec upgrades. We believe the flexible circuit board and high-density interconnect board segments are more vulnerable to fluctuations in the consumer product cycle and have lower visibility.
Nanya Technology:
Nanya Tech is a pure-play DRAM manufacturer based in Taiwan mainly focused on legacy DDR products for customers across various end applications. We think downside risks to our thesis could include a potential slowdown in end demand and hence the conventional memory cycle as well as Nanya's legacy-centric product portfolio. We value Nanya Tech shares using a target NTM P/BV multiple based on long-term average ROE and cost of equity.

Quantitative Research Review

UBS Global Research publishes a quantitative assessment of its analysts' responses to certain questions about the likelihood of an occurrence of a number of short term factors in a product known as the 'Quantitative Research Review'. The views for this month can be found below. Views contained in this assessment on a particular stock reflect only the views on those short term factors which are a different timeframe to the 12-month timeframe reflected in any equity rating set out in this note. For previous responses please make reference to (i) previous UBS Global Research reports; and (ii) where no applicable research report was published that month, the Quantitative Research Review which can be found at https://neo.ubs.com/quantitative, or contact your UBS sales representative for access to the report or the Quantitative Research Team on ubs-quant-answers@ubs.com. A consolidated report which contains all responses is also available and again you should contact your UBS sales representative for details and pricing or the Quantitative Research Team on the email above.

Nan Ya Plastics

Question	Response
1. Is the industry structure facing the firm likely to improve or deteriorate over the next six months? Rate on a scale of 1-5 (1 = getting worse, 3 = no change, 5 = getting better, N/A = no view)	5
2. Is the regulatory/government environment facing the firm likely to improve or deteriorate over the next six months? Rate on a scale of 1-5 (1 = getting tougher 3 = no change, 5 = getting better, N/A = no view)	3
3. Over the last 3-6 months in broad terms have things been improving/no change/getting worse for this stock? Rate on a scale of 1-5 (1 = getting a lot worse, 3 = not much change, 5 = getting a lot better, N/A = no view)	5
4. Relative to the current CONSENSUS EPS forecast, is the next company EPS update likely to lead to: (1 = negative surprise vs consensus, 3 = in-line with consensus, 5 = positive surprise vs consensus expectations, N/A = no view)	4
5. What's driving the difference?	We expect the supply-driven CCL price upcycle to continue into 2027, leading to higher EM OPM.
6. Relative to YOUR current earnings forecast, is there relatively greater risk at the next earnings result of:(1 = downside skew risk to earnings, 3 = equal upside or downside risk to earnings, 5 = upside skew risk to earnings, N/A = no view)	4
7. What's driving the difference?	Potential upside from faster-than-expected qualification and ramp-up of high-end AI CCL products. Earlier customer adoption would increase AI mix, supporting higher ASPs and CCL margins.
8. Is there an upcoming catalyst for the company over the next three months?	Positive Catalyst
9. Is there an actual or approximate date for the catalyst?	December 31, 2026
10. Is the catalyst date an actual or approximate date?	Approximate
11. What is the catalyst?	Customer qualification and potential order wins for high-end AI CCL products from a US-based cloud service provider.

Required Disclosures

This document has been prepared by UBS Securities Asia Limited, an affiliate of UBS AG. UBS AG, its subsidiaries, branches and affiliates, including former Credit Suisse AG and its subsidiaries, branches and affiliates are referred to herein as "UBS".

For information on how UBS manages conflicts and maintains the independence of its UBS Global Research product; historical performance information; certain additional disclosures concerning UBS Global Research recommendations; and terms and conditions for certain third party data used in research report, please visit https://www.ubs.com/disclosures. Unless otherwise indicated, information and data in this report are based on company disclosures including annual, interim and quarterly reports and other company announcements. Figures in performance charts refer to the past; past performance is not a reliable indicator of future results. Additional information will be made available on request. UBS Securities Co. Limited is licensed by the China Securities Regulatory Commission to conduct securities investment consultancy businesses. UBS acts or may act as principal in the debt securities (or in related derivatives) that may be the subject of this report. This recommendation was finalized on: 11 November 2026 03:00 PM GMT. UBS has designated certain UBS Global Research department members as Derivatives Research Analysts where they publish research principally on the analysis of the price or market for a derivative, and provide information reasonably sufficient on which to base a decision to enter into a derivatives transaction. Where Derivatives Research Analysts co-author research reports with Equity Research Analysts or Economists, the Derivatives Research Analyst is responsible for the derivatives investment views, forecasts, and/or recommendations. **Quantitative Research Review:** UBS Global Research publishes a quantitative assessment of its analysts' responses to certain questions about the likelihood of a number of short term factors occurring, in a product known as the 'Quantitative Research Review'. Views in this assessment on a particular stock reflect only those short term factors and a timeframe different to the 12-month timeframe reflected in any equity rating set out in this document. For the latest responses, please see the Quantitative Research Review Addendum at the back of this document, where applicable. For previous responses, please refer to: (i) previous UBS Global Research reports and (ii) where no applicable research report was published that month, the Quantitative Research Review at https://neo.ubs.com/quantitative, or contact your UBS sales representative for access to the report or the Quantitative Research Team at ubs-quant-answers@ubs.com. A consolidated report containing all responses is also available; for details and pricing, please contact your UBS sales representative or the Quantitative Research team at the above email.

UBS Global Research: Global Equity Rating Definitions

12-Month Rating	Definition	Coverage[1]	IB Services[2]
Buy	FSR is > 6% above the MRA.	55%	24%
Neutral	FSR is between -6% and 6% of the MRA.	39%	20%
Sell	FSR is > 6% below the MRA.	6%	21%

Source: UBS. Rating allocations are as of 30 September 2026.
1:Percentage of companies under coverage globally within the 12-month rating category.
2:Percentage of companies within the 12-month rating category for which investment banking (IB) services were provided within the past 12 months.

KEY DEFINITIONS:Forecast Stock Return (FSR) is expected percentage price appreciation plus gross dividend yield over the next 12 months. In some cases, this yield may be based on accrued dividends. **Market Return Assumption (MRA)** is the one-year local market interest rate plus 5% (a proxy for, and not a forecast of, the equity risk premium). **Under Review (UR)** Stocks may be flagged by the analyst to indicate that the stock's price target and/or rating may change in the near term, usually in response to an event that may affect the investment case or valuation. **Equity Price Targets** have a 12-month investment horizon.

EXCEPTIONS AND SPECIAL CASES:UK and European Investment Fund ratings and definitions are: Buy: Positive on factors such as structure, management, performance record and discount; **Neutral:** Neutral on factors such as structure, management, performance record and discount; **Sell:** Negative on factors such as structure, management, performance record and discount. **Core Banding Exceptions (CBE):** Exceptions to the standard +/-6% bands may be granted by the Investment Review Consultation (IRC). Factors considered by the IRC include the stock's volatility and the credit spread of the respective company's debt. As a result, stocks deemed very high or low risk may be subject to higher or lower bands for rating purposes. Where such exceptions apply, they will be identified in the Company Disclosures table in the relevant research piece.

When you receive UBS Global Research via a third party vendor, e-mail or other electronic means, you agree that use shall be subject to this UBS Global Research Disclaimer, the Neo Terms and where applicable the UBS Investment Bank terms of business (https://www.ubs.com/global/en/investment-bank/regulatory.html) and to UBS's Terms of Use/ Disclaimer (https://www.ubs.com/global/en/legalinfo2/disclaimer.html). In addition, you consent to UBS processing your personal data and using cookies in accordance with our Privacy Statement (https://www.ubs.com/global/en/legalinfo2/privacy.html) and Cookie Notice (https://www.ubs.com/global/en/legal/privacy/users.html).

If you receive UBS Global Research, whether through a System or otherwise, you agree not to copy, revise, amend, create derivative works, provide to any third party, or in any way commercially exploit any UBS research provided via UBS Global Research or otherwise, and not to extract data from any research or estimates provided to you via UBS Global Research or otherwise, without UBS's prior written consent. You also agree not to use UBS Global Research in any artificial intelligence system without UBS's prior written consent.

In certain circumstances, you may receive UBS Global Research other than in your capacity as a UBS client and, you understand and agree that in those circumstances: (i) UBS Global Research is provided to you for information purposes only; (ii) for the purpose of receiving it, you are not intended to be and will not be treated as a "client" of UBS for any legal or regulatory purpose; (iii) UBS Global Research must not be relied on or acted upon for any purpose; and (iv) such content is subject to the relevant disclaimers that follow.

This document may be distributed only as permitted by law. It is not directed to, or intended for distribution to or use by, any person or entity that is a citizen or resident of, or located in, any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or would subject UBS to any registration or licensing requirement in that jurisdiction.

This document is a general communication and educational in nature; it is not an advertisement, solicitation or offer to buy or sell any financial instrument or to participate in any particular trading strategy. Nothing in this document constitutes a representation that any investment strategy or recommendation is suitable or appropriate to an investor's individual circumstances or otherwise constitutes a personal recommendation. By providing this document, neither UBS nor its representatives has any responsibility or authority to provide, or to have provided, investment advice in a fiduciary or any other capacity. Investments involve risks, and investors should exercise prudence and their own judgment in making investment decisions. Neither UBS nor its representatives is suggesting that the recipient or any other person take a specific course of action, or any action at all. The recipient should read this document carefully and in full and not draw inferences or conclusions from the rating alone. By receiving this document, the recipient acknowledges and agrees with the intended purpose described above and further disclaims any expectation or belief that the information constitutes investment advice to the recipient or otherwise purports to meet the recipient's investment objectives. The financial instruments described in this document may not be eligible for sale in all jurisdictions or to certain categories of investors.

Options, structured derivative products and futures (including OTC derivatives) are not suitable for all investors. Trading in these instruments is risky and may be appropriate only for sophisticated investors. Before buying or selling an option, you must receive a copy of "The Characteristics and Risks of Standardized Options" for a full description of options risks. You may read it at https://www.theocc.com/publications/risks/riskchap1.jsp or ask your salesperson for a copy. Various theoretical explanations of the risks of these instruments have been published. Supporting documentation for any claims, comparisons, recommendations, statistics or other technical data will be supplied on request. Past performance is not necessarily indicative of future results. Transaction costs may be significant in option strategies involving multiple purchases and sales, such as spreads and straddles. As tax considerations are important to many options transactions, investors considering options should consult their tax advisor on how taxes affect the outcome of contemplated options transactions.

Mortgage- and asset-backed securities may involve a high degree of risk and be highly volatile in response to interest rate fluctuations or other market conditions. Foreign currency exchange rates may adversely affect the value, price or income of any security or related instrument referred to in this document. For investment advice, trade execution or other inquiries, clients should contact their local sales representative.

UBS notes that no globally accepted framework or definition (legal, regulatory or otherwise) currently exists, and there is no market consensus, as to what constitutes "ESG" (Environmental, Social or Governance) or an equivalent label, or what precise attributes are required for the Information (as defined below) to be defined as ESG or equivalently labelled. Any information, data or other content, including from third party sources, contained or referred to herein or used by UBS or a third party for any purpose ("Information"), in relation to any actual or potential ESG objective, issue or consideration, is not intended to be relied upon for ESG classification, regulatory regime or industry initiative purposes ("ESG Regimes"). Nothing in this document is intended to convey, suggest or indicate that UBS considers or represents any product, service, person or body mentioned in it to meet or qualify for any ESG classification, labelling or similar standards that may exist under ESG Regimes. UBS has not assessed compliance with ESG Regimes. Parties should make their own assessments for these purposes.

The value of any investment or income may go down as well as up, and investors may not get back the full (or any) amount invested. Past performance is not necessarily a guide to future performance. Neither UBS nor any of its directors, employees or agents accepts liability for any loss (including investment loss) or damage arising out of the use of any of the Information.

Before making any investment or financial decision, any recipient of this document or the information should take steps to understand the investment's risk and return and seek individualized advice from their personal financial, legal, tax and other professional advisors, taking into account all relevant facts and circumstances of their investment objectives.

Any prices stated in this document are for information purposes only and do not represent valuations of individual securities or other financial instruments. There is no representation that any transaction can or could have been effected at those prices. They do not necessarily reflect UBS's internal books and records or theoretical model-based valuations and may be based on certain assumptions. Different assumptions by UBS or any other source may yield substantially different results.

No representation or warranty, express or implied, is given as to the accuracy, completeness or reliability of the information contained in any materials to which this document relates (the "Information"), except with respect to Information concerning UBS. The Information is not intended to be a complete statement or summary of the securities, markets or developments referred to in this document. UBS does not undertake to update or keep current the Information. Any statements contained in this document attributed to a third party represent UBS's interpretation of data, information and/or opinions provided by that third party,

publicly or through a subscription service, and such use and interpretation have not been reviewed by that third party. In no circumstances may this document or any Information, including any forecast, value, index or other calculated amount ("Values"), be used for: (i) valuation or accounting purposes; (ii) determining amounts due or payable, or the price or value of any financial instrument or financial contract; or (iii) measuring the performance of any financial instrument, including without limitation tracking the return or performance of any Value, defining the asset allocation of a portfolio or computing performance fees.

By receiving this document and the Information you will be deemed to represent and warrant to UBS that you will not use this document or any of the Information for any of those purposes or otherwise rely upon this document or any of the Information.

UBS has policies and procedures, including without limitation independence policies and permanent information barriers, intended, and relied on by UBS, to manage potential conflicts of interest and control the flow of information within UBS divisions and among its subsidiaries, branches and affiliates. UBS does and seeks to do business with companies covered in its research documents. As a result, investors should be aware that UBS may have a conflict of interest that could affect this document's objectivity. Investors should consider this document as only one factor in making an investment decision. For further information on how UBS Global Research manages conflicts and maintains the independence of its research products, historical performance information and certain additional disclosures concerning UBS Global Research recommendations, please visit https://www.ubs.com/disclosures.

UBS Global Research will initiate, update and cease coverage solely at the discretion of UBS Global Research Management, which also has sole discretion over the timing and frequency of any published research product. The analysis in this document is based on numerous assumptions. All material information relating to published research documents, such as valuation methodology, risk statements, underlying assumptions (including sensitivity analysis of those assumptions), ratings history and other information required by the Market Abuse Regulation, can be found on UBS Neo. Different assumptions could produce materially different results.

UBS Global Research may use artificial intelligence tools in the preparation of this document. Notwithstanding any such use, this document has undergone human review.

The analyst(s) responsible for preparing this document may interact with trading desk personnel, sales personnel and other parties to gather, apply and interpret market information. UBS relies on information barriers to control the flow of information from one or more areas within UBS to other areas, units, groups or affiliates. Compensation of the analyst(s) who prepared this document is determined exclusively by UBS Global Research management and senior management (excluding investment banking). It is not based on investment banking revenues; however, it may relate to the revenues of UBS and/or its divisions as a whole, including investment banking, sales and trading, and UBS as a whole.

For financial instruments admitted to trading on an EU regulated market: UBS (excluding UBS Securities LLC) acts as a market maker or liquidity provider (as those terms are interpreted under English law or, if the activity is not carried out by UBS in the UK, under the law of the relevant jurisdiction in which UBS determines it carries out the activity) in the issuer's financial instruments, except where liquidity provider activity is carried out in accordance with the definition under the laws and regulations of another EU jurisdiction, in which case it is separately disclosed in this document. For financial instruments admitted to trading on a non-EU regulated market: UBS may act as a market maker, except where that activity is carried out in the US in accordance with the definition under applicable laws and regulations, in which case it will be specifically disclosed in this document. UBS may have issued a warrant whose value is based on one or more financial instruments referred to in this document. UBS and its affiliates and employees may have long or short positions, trade as principal, and buy and sell instruments or derivatives identified herein; such transactions or positions may be inconsistent with the opinions expressed in this document.

Within the past 12 months, UBS may have received or provided investment services and activities or ancillary services under MiFID II that may have given rise to a payment or promise of payment in relation to those services from or to this company.

Please note that all transactions conducted by UBS are consistent with sanctions imposed by Switzerland, the European Union, the United Nations, the United Kingdom and the United States, in accordance with UBS's global sanctions policy. UBS's opinions as to future investment worthiness assume no new sanctions are imposed.

US persons are prohibited from purchasing or selling securities of certain companies designated as associated with the Chinese Military in accordance with amended US Presidential Executive Order 13959.

United Kingdom: Distributed by UBS AG, London Branch to eligible counterparties or professional clients. UBS AG, London Branch is authorised by the Prudential Regulation Authority ("PRA") and subject to regulation by the Financial Conduct Authority (FCA) and limited regulation by the PRA. **Europe:** Except as otherwise specified, distributed by UBS Europe SE, a subsidiary of UBS AG, to eligible counterparties or professional clients (as defined under the Bundesanstalt fur Finanzdienstleistungsaufsicht ("BaFin") Rules and MIFID II) and are available only to such persons. The information in this document does not apply to, and should not be relied on by, retail clients. UBS Europe SE is authorised by the European Central Bank ("ECB") and regulated by BaFin and the ECB. **Germany, Luxembourg, the Netherlands, Belgium and Ireland:** Where an analyst of UBS Europe SE has contributed to this document, it is also deemed to have been prepared by UBS Europe SE. In all cases, it is distributed by UBS Europe SE and UBS AG, London Branch. **Turkey:** Distributed by UBS AG, London Branch. No information in this document is provided for offering, marketing or sale by any means of any capital market instruments or services in the Republic of Turkey. Therefore, this document may not be considered an offer made or to be made to residents of the Republic of Turkey. UBS AG, London Branch is not licensed by the Turkish Capital Market Board under the Capital Market Law (Law No. 6362). Accordingly, neither this document nor any other offering material related to the instruments/services may be used in connection with providing capital market services to persons within the Republic of Turkey without the prior approval of the Capital Market Board. However, under article 15(d)(ii) of Decree No. 32, there is no restriction on the purchase or sale of securities abroad by residents of the Republic of Turkey. **Poland:** Distributed by UBS Europe SE (spolka z ograniczona odpowiedzialnoscia) Oddzial w Polsce ("UBS Poland"). Where an analyst of UBS Poland has contributed to this document, the document is also deemed to have been prepared by UBS Poland. **Russia:** Prepared and distributed by UBS Bank (OOO). It should not be construed as an individual Investment Recommendation for the purposes of articles 6.1 and 6.2 of Russian Federal Law No. 39-FZ "On the Securities Market". **Switzerland:** Distributed by UBS AG to institutional investors only. UBS AG is regulated by the Swiss Financial Market Supervisory Authority (FINMA). **Italy:** Prepared by UBS Europe SE and distributed by UBS Europe SE and UBS Europe SE, Italy Branch. Where an analyst of UBS Europe SE, Italy Branch has contributed to this document, it is also deemed to have been prepared by UBS Europe SE, Italy Branch. **France:** Prepared by UBS Europe SE and distributed by UBS Europe SE and UBS Europe SE, France Branch. Where an analyst of UBS Europe SE, France Branch has contributed to this document, it is also deemed to have been prepared by UBS Europe SE, France Branch. **Spain:** Prepared by UBS Europe SE and distributed by UBS Europe SE and UBS Europe SE, Spain Branch. Where an analyst of UBS Europe SE, Spain Branch has contributed to this document, it is also deemed to have been prepared by UBS Europe SE, Spain Branch. **Sweden:** Prepared by UBS Europe SE and distributed by UBS Europe SE and UBS Europe SE, Sweden Branch. Where an analyst of UBS Europe SE, Sweden Branch has contributed to this document, it is also deemed to have been prepared by UBS Europe SE, Sweden Branch. **South Africa:** Distributed by UBS South Africa (Pty) Limited (Registration No. 1995/011140/07), an authorised user of the JSE and an authorised Financial Services Provider (FSP 7328). **Saudi Arabia:** This document has been issued by UBS AG (and/or any of its subsidiaries, branches or affiliates), a public company limited by shares, incorporated in Switzerland with its registered offices at Aeschenvorstadt 1, CH-4051 Basel and Bahnhofstrasse 45, CH-8001 Zurich. This publication has been approved by UBS Saudi Arabia (a subsidiary of UBS AG), a Saudi closed joint stock company incorporated in the Kingdom of Saudi Arabia under commercial register number 1010257812 having its registered office at Tatweer Towers, P.O. Box 75724, Riyadh 11588, Kingdom of Saudi Arabia. UBS Saudi Arabia is authorized and regulated by the Capital Market Authority to conduct securities business under license number 08113-37. **UAE / Dubai:** Information distributed by UBS AG Dubai Branch is only intended for Professional Clients and/or Market Counterparties as classified under the DFSA rulebook. No other person should act on this document/communication. The information is not for further distribution within the United Arab Emirates. UBS AG Dubai Branch is regulated by the DFSA in the DIFC. UBS is not licensed to provide banking services in the UAE, nor by the UAE Securities and Commodities Authority. **Israel:** This document is distributed by UBS AG, London Branch. UBS Securities Israel Ltd is a licensed Investment Marketer supervised by the Israel Securities Authority (ISA). UBS AG, London Branch and its affiliates incorporated outside Israel are not licensed under the Israeli Advisory Law. UBS may engage among others in issuance of Financial Assets or distribution of Financial Assets of other issuers for fees or other benefits. UBS AG, London Branch and its affiliates may prefer various Financial Assets to which they have or may have an Affiliation (as defined under the Israeli Advisory Law). Nothing in this document should be considered investment advice under the Israeli Advisory Law. This document is only issued to and/or directed at persons who are Eligible Clients (within the meaning of the Israeli Advisory Law), and must not be furnished to, relied on or acted upon by any other person. **United States:** Distributed to US persons by UBS Securities LLC or UBS Financial Services Inc., subsidiaries of UBS AG, or by a group, subsidiary or affiliate of UBS AG not registered as a US broker-dealer (a "non-US affiliate") to major US institutional investors only. UBS Securities LLC or UBS Financial Services Inc. accepts responsibility for the content of a report prepared by another non-US affiliate when distributed to US persons by UBS Securities LLC or UBS Financial Services Inc. All transactions by a US person in the securities mentioned in this document must be effected through UBS Securities LLC or UBS Financial Services Inc., and not through a non-US affiliate. UBS Securities LLC is not acting as a municipal advisor to any municipal entity or obligated person within the meaning of Section 15B of the Securities Exchange Act (the "Municipal Advisor Rule"), and the opinions or views contained herein are not intended to be, and do not constitute, advice within the meaning of that rule. **Canada:** Distributed by UBS Securities Canada Inc., a registered investment dealer in Canada and a Member-Canadian Investor Protection Fund, or by another affiliate of UBS AG registered to conduct business in Canada or otherwise exempt from registration. **Brazil:** Except as otherwise specified herein, this document is prepared by UBS BB Corretora de Câmbio, Títulos e Valores Mobiliários S.A. ("UBS BB CCTVM") for eligible investors residing in Brazil who are considered Professional Investors (Investidores Profissionais) under applicable regulation, primarily CVM Resolution No. 30 of 11 May 2021 (which determines the duty to verify the suitability of products, services and transactions to the client's profile). UBS BB CCTVM is a subsidiary of UBS BB Servicos de Assessoria Financeira e Participacoes S.A. ("UBS BB"). UBS BB is an association between UBS AG and Banco do Brasil (through its subsidiary BB Banco de Investimentos S.A.), of which UBS AG is the majority owner, and provides investment banking services and coverage in Brazil, Argentina, Chile, Paraguay, Peru and Uruguay. UBS BB CCTVM is regulated by the Comissao de Valores Mobiliarios (CVM) and the Central Bank of Brazil. Ombudsman: 0800-940-0266 / https://www.ubs.com/br/pt/ubsbb-investment-bank/ombudsman.html**Hong Kong:** Distributed by UBS Securities Asia Limited. Please contact local licensed persons of UBS Securities Asia Limited in respect of any matters arising from, or in connection with, the analysis or document. **Singapore:** Distributed by UBS Securities Pte. Ltd. (Co. Reg. No.: 198500648C] or UBS AG, Singapore Branch. Please contact UBS Securities Pte. Ltd., an exempt

financial adviser under the Singapore Financial Advisers Act (Cap. 110), or UBS AG, Singapore Branch, an exempt financial adviser under the Singapore Financial Advisers Act (Cap. 110) and a wholesale bank licensed under the Singapore Banking Act (Cap. 19) and regulated by the Monetary Authority of Singapore, regarding any matters arising from, or in connection with, the analysis or document. Recipients of this document represent and warrant that they are accredited and institutional investors as defined in the Securities and Futures Act (Cap. 289). **Japan:** Distributed by UBS Securities Japan Co., Ltd. to professional investors (except as otherwise permitted). Where this document has been prepared by UBS Securities Japan Co., Ltd., UBS Securities Japan Co., Ltd. is the author, publisher and distributor of the document. Distributed by UBS AG, Tokyo Branch to professional investors (except as otherwise permitted) in relation to foreign exchange and other banking businesses, where relevant. **Australia:** Recipients through a superannuation fund: Distributed by UBS AG, Australia Branch (ABN 47 088 129 613 and holder of Australian Financial Service Licence No. 231087). For all other recipients: Distributed by UBS Securities Australia Limited (ABN 62 008 586 481 and holder of Australian Financial Services Licence No. 231098). This document contains general information and/or general advice only and does not constitute personal financial product advice. As such, the Information in this document has been prepared without taking into account any investor's objectives, financial situation or needs, and investors should, before acting on the Information, consider the appropriateness of the Information, having regard to their objectives, financial situation and needs. If the Information contained in this document relates to the acquisition, or potential acquisition of a particular financial product by a 'Retail' client as defined by section 761G of the Corporations Act 2001 where a Product Disclosure Statement would be required, the retail client should obtain and consider the Product Disclosure Statement relating to the product before making any decision about whether to acquire the product. **New Zealand:** Distributed by UBS New Zealand Ltd. UBS New Zealand Ltd is not a registered bank in New Zealand. You are being provided with this document because you have indicated to UBS that you are a "wholesale client" within the meaning of clause 4 of schedule 5 of the Financial Markets Conduct Act 2013 of New Zealand ("Permitted Client"). This document is not intended for clients who are not Permitted Clients ("non-Permitted Clients"). If you are a non-Permitted Client, you must not rely on this document. If, despite this warning, you nevertheless rely on it, you hereby: (i) acknowledge that you may not rely on its content and that any recommendations or opinions in it are not made or provided to you; and (ii) to the maximum extent permitted by law, (a) indemnify UBS and its associates or related entities (and their respective directors, officers, agents and advisors) (each a "Relevant Person") for any loss, damage, liability or claim any of them may incur or suffer as a result of, or in connection with, your unauthorised reliance on this document, and (b) waive any rights or remedies you may have against any Relevant Person for any loss, damage, liability or claim you may incur or suffer as a result of, or in connection with, your unauthorised reliance on this publication or document. **Korea:** Distributed in Korea by UBS Securities Pte. Ltd., Seoul Branch. This document may from time to time have been edited or contributed to by affiliates of UBS Securities Pte. Ltd., Seoul Branch. This document is intended for professional/institutional clients only and not for distribution to any retail clients. **Malaysia:** This document is authorized for distribution in Malaysia by UBS Securities Malaysia Sdn. Bhd (Capital Markets Services License No.: CMSL/A0063/2007). Global Wealth Management Disclaimer

You receive this document in your capacity as a client of UBS Global Wealth Management. This publication has been distributed to you by UBS Switzerland AG (regulated by FINMA in Switzerland) or its affiliates (**"UBS"**) with whom you have a banking relationship with. The full name of the distributing affiliate and its competent authority can be found in the country-specific disclaimer at the end of this document. UBS may utilise artificial intelligence tools ("AI Tools") in the preparation of this document. Notwithstanding any such use of AI Tools, this document has undergone human review.

The date and time of the first dissemination of this publication is the same as the date and time of its publication.

Risk information:

You agree that you shall not copy, revise, amend, create a derivative work, provide to any third party, or in any way commercially exploit any UBS research, and that you shall not extract data from any research or estimates, without the prior written consent of UBS.

This document is for distribution only as may be permitted by law. It is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or would subject UBS to any registration or licensing requirement within such jurisdiction.

This document is **for your information only**; it is not an advertisement nor is it a solicitation or an offer to buy or sell any financial instruments or to participate in any particular trading strategy. Nothing in this document constitutes a representation that any investment strategy or recommendation is suitable or appropriate to an investor's individual circumstances or otherwise constitutes a personal recommendation. By providing this document, none of UBS or its representatives has any responsibility or authority to provide or have provided investment advice in a fiduciary capacity or otherwise. Investments involve risks, and investors should exercise prudence and their own judgment in making their investment decisions. None of UBS or its representatives is suggesting that the recipient or any other person take a specific course of action or any action at all. By receiving this document, the recipient acknowledges and agrees with the intended purpose described above and further disclaims any expectation or belief that the information constitutes investment advice to the recipient or otherwise purports to meet the investment objectives of the recipient. The financial instruments described in the document may not be eligible for sale in all jurisdictions or to certain categories of investors.

Options, derivative products and futures are not suitable for all investors, and trading in these instruments is considered risky. Mortgage and asset-backed securities may involve a high degree of risk and may be highly volatile in response to fluctuations in interest rates or other market conditions. Foreign currency rates of exchange may adversely affect the value, price or income of any security or related instrument referred to in the document. For investment advice, trade execution or other enquiries, clients should contact their local sales representative.

The value of any investment or income may go down as well as up, and investors may not get back the full (or any) amount invested. Past performance is not necessarily a guide to future performance. Neither UBS nor any of its directors, employees or agents accepts any liability for any loss (including investment loss) or damage arising out of the use of all or any of the information (as defined below).

Prior to making any investment or financial decisions, any recipient of this document or the information should take steps to understand the risk and return of the investment and seek individualized advice from his or her personal financial, legal, tax and other professional advisors that takes into account all the particular facts and circumstances of his or her investment objectives.

Any prices stated in this document are for information purposes only and do not represent valuations for individual securities or other financial instruments. There is no representation that any transaction can or could have been effected at those prices, and any prices do not necessarily reflect UBS's internal books and records or theoretical

model-based valuations and may be based on certain assumptions. Different assumptions by UBS or any other source may yield substantially different results.

No representation or warranty, either expressed or implied, is provided in relation to the accuracy, completeness or reliability of the information contained in any materials to which this document relates (the "Information"), except with respect to Information concerning UBS. The Information is not intended to be a complete statement or summary of the securities, markets or developments referred to in the document. UBS does not undertake to update or keep current the Information. Any opinions expressed in this document may change without notice and may differ or be contrary to opinions expressed by other business areas or groups, personnel or other representative of UBS. Any statements contained in this report attributed to a third party represent UBS's interpretation of the data, information and/or opinions provided by that third party either publicly or through a subscription service, and such use and interpretation have not been reviewed by the third party. In no circumstances may this document or any of the Information (including any forecast, value, index or other calculated amount ("Values")) be used for any of the following purposes: (i) valuation or accounting purposes; (ii) to determine the amounts due or payable, the price or the value of any financial instrument or financial contract; or (iii) to measure the performance of any financial instrument including, without limitation, for the purpose of tracking the return or performance of any Value or of defining the asset allocation of portfolio or of computing performance fees.

By receiving this document and the Information you will be deemed to represent and warrant to UBS that you will not use this document or any of the Information for any of the above purposes or otherwise rely upon this document or any of the Information.

UBS has policies and procedures, which include, without limitation, independence policies and permanent information barriers, that are intended, and upon which UBS relies, to manage potential conflicts of interest and control the flow of information within divisions of UBS (including between Global Wealth Management and UBS Global Research) and among its subsidiaries, branches and affiliates. For further information on the ways in which UBS manages conflicts and maintains independence of its research products, historical performance information and certain additional disclosures concerning UBS research recommendations, please visit https://www.ubs.com/research-methodology.

Research will initiate, update and cease coverage solely at the discretion of research management, which will also have sole discretion on the timing and frequency of any published research product. The analysis contained in this document is based on numerous assumptions. Different assumptions could result in materially different results.

The analyst(s) responsible for the preparation of this document may interact with trading desk personnel, sales personnel and other parties for the purpose of gathering, applying and interpreting market information. UBS relies on information barriers to control the flow of information contained in one or more areas within UBS into other areas, units, groups or affiliates of UBS. The compensation of the analyst who prepared this document is determined exclusively by research management and senior management (not including investment banking). Analyst compensation is not based on investment banking revenues; however, compensation may relate to the revenues of UBS and/or its divisions as a whole, of which investment banking, sales and trading are a part, and UBS's subsidiaries, branches and affiliates as a whole.

For financial instruments admitted to trading on an EU regulated market: UBS AG, its affiliates or subsidiaries (excluding UBS Securities LLC) acts as a market maker or liquidity provider (in accordance with the interpretation of these terms in the UK) in the financial instruments of the issuer save that where the activity of liquidity provider is carried out in accordance with the definition given to it by the laws and regulations of any other EU jurisdictions, such information is separately disclosed in this document. For financial instruments admitted to trading on a non-EU regulated market: UBS may act as a market maker save that where this activity is carried out in the US in accordance with the definition given to it by the relevant laws and regulations, such activity will be specifically disclosed in this document. UBS may have issued a warrant the value of which is based on one or more of the financial instruments referred to in the document. UBS and its affiliates and employees may have long or short positions, trade as principal and buy and sell in instruments or derivatives identified herein; such transactions or positions may be inconsistent with the opinions expressed in this document.

Options and futures are not suitable for all investors, and trading in these instruments is considered risky and may be appropriate only for sophisticated investors. Prior to buying or selling an option, and for the complete risks relating to options, you must receive a copy of "Characteristics and Risks of Standardized Options". You may read the document at https://www.theocc.com/about/publications/character-risks.jsp or ask your financial advisor for a copy.

Investing in structured investments involves significant risks. For a detailed discussion of the risks involved in investing in any particular structured investment, you must read the relevant offering materials for that investment. Structured investments are unsecured obligations of a particular issuer with returns linked to the performance of an underlying asset. Depending on the terms of the investment, investors could lose all or a substantial portion of their investment based on the performance of the underlying asset. Investors could also lose their entire investment if the issuer becomes insolvent. UBS does not guarantee in any way the obligations or the financial condition of any issuer or the accuracy of any financial information provided by any issuer. Structured investments are not traditional investments and investing in a structured investment is not equivalent to investing directly in the underlying asset. Structured investments may have limited or no liquidity, and investors should be prepared to hold their investment to maturity. The return of structured investments may be limited by a maximum gain, participation rate or other feature. Structured investments may include call features and, if a structured investment is called early, investors would not earn any further return and may not be able to reinvest in similar investments with similar terms. Structured investments include costs and fees which are generally embedded in the price of the investment. The tax treatment of a structured investment may be complex and may differ from a direct investment in the underlying asset. UBS and its employees do not provide tax advice. Investors should consult their own tax advisor about their own tax situation before investing in any securities.

Important Information About Sustainable Investing Strategies: This terminology refers to definitions in the UBS Sustainable Investing Framework and does not refer or relate to any product specific regulatory labelling regime or naming conventions. Sustainable investing strategies aim to consider and incorporate environmental, social and governance (ESG) factors into investment process and portfolio construction. Strategies across geographies approach ESG analysis and incorporate the findings in a variety of ways. Incorporating ESG factors or sustainable investing considerations may inhibit the portfolio manager's ability to participate in certain investment opportunities that otherwise would be consistent with its investment objective and other principal investment strategies. The returns on a portfolio incorporating ESG factors or sustainable investing considerations may be lower or higher than portfolios where ESG factors, exclusions, or other sustainability issues are not considered by the portfolio manager, and the investment opportunities available to such portfolios may differ.

Within the past 12 months UBS Switzerland AG, its affiliates or subsidiaries may have received or provided investment services and activities or ancillary services as per MiFID II which may have given rise to a payment or promise of a payment in relation to these services from or to this company.

Disclosures: If you require detailed information on disclosures of interest or conflict of interest as required by Market Abuse Regulation please contact the mailbox MAR_disclosure_twopager@ubs.com. Please note that e-mail communication is unsecured.

External Asset Managers / External Financial Consultants: In case this research or publication is provided to an External Asset Manager or an External Financial Consultant, UBS expressly prohibits that it is redistributed by the External Asset Manager or the External Financial Consultant and is made available to their clients and/or third parties.

Argentina: All securities that will be offered to you by UBS are not authorized by the Argentine Securities and Exchange Commission (CNV) and are not subject to its reporting, periodic information requirements, or oversight. Furthermore, the CNV has not reviewed or endorsed the information provided in any securities offering document, nor the accuracy of any accounting, financial, economic data, or any other information disclosed therein, which remains the sole responsibility of the respective issuer and the other parties involved. **Australia:** This document is provided by UBS Switzerland AG. UBS Switzerland AG does not hold an Australian Financial Services Licence (AFSL) and relies on an exemption to provide financial services to persons in Australia. This document is intended only for distribution to wholesale clients under the Corporations Act 2001 (Cth). UBS Switzerland AG is a related body corporate of UBS AG, Australia Branch and UBS Securities Australia Limited. This document may be distributed to clients by those entities, but it is provided by UBS Switzerland AG and is not provided under any of the other entities' AFSL. The information in this document is general in nature and is not intended to address the objectives, financial situation or needs of any particular individual or entity. Each recipient should consider their own objectives, financial situation or needs before acting on the advice and obtain the relevant Product Disclosure Statement (if required) before making any decision whether to acquire any product. In Australia, UBS entities, other than UBS AG, Australia Branch, are not authorized deposit-taking institutions for the purposes of the Banking Act 1959 (Cth.) and their obligations do not represent deposits or other liabilities of UBS AG, Australia Branch. UBS AG, Australia Branch does not guarantee or otherwise provide assurance in respect of the obligations of such UBS entities or the funds. An investor is exposed to investment risk including possible delays in repayment and loss of income and principal invested, as relevant. If you do not wish to receive marketing materials from UBS, please contact your UBS representative or the contact details listed in the Australia Privacy Notice: https://www.ubs.com/global/en/legal/privacy.html. Your personal data will be processed in accordance with this notice. **Bahrain**: This report is being distributed by UBS AG, Bahrain Branch, duly licensed and regulated by the Central Bank of Bahrain (CBB) as an Investment Business Firm - Category 2 (Branch). Related financial services or products are only made available to Accredited Investors, as defined by the CBB, and are not intended for any other persons. UBS AG, Bahrain Branch is a Foreign Branch of UBS AG, Zurich/Switzerland and is located on Level 21, East Tower, Bahrain World Trade Centre, Manama, Kingdom of Bahrain. **Brazil**: This report is distributed in Brazil by UBS BB Corretora de Câmbio, Títulos e Valores Mobiliários S.A. or its affiliates ("UBS"). Pursuant to CVM Resolution No. 20/2021, of February 25, 2021, the author(s) of the report hereby certify(ies) that the views expressed in this report solely and exclusively reflect their personal opinions and have been prepared independently, including with respect to UBS. Part of the author(s)'s compensation is based on various factors, including the total revenues of the relevant UBS Group entity of which they are in employment of, but no part of the compensation has been, is, or will be related to the specific recommendations or views expressed in this report. In addition, UBS declares that: UBS has provided, and/or may in the future provide investment banking, brokerage, asset management, commercial banking and other financial services to the subject company/companies or its affiliates, for which they have received or may receive customary fees and commissions, and which constituted or may constitute relevant financial or commercial interests in relation to the subject company/companies or the subject securities. **Canada**: This publication is for your information only and is not intended as an offer, or a solicitation of an offer, to buy or sell any investment or other specific product. Although all information and opinions expressed in this publication were obtained from sources believed to be reliable and in good faith, no representation or warranty, express or implied, is made as to its accuracy or

completeness. All information and opinions as well as any figures indicated herein are subject to change without notice. At any time, UBS AG ("UBS") and other companies in the UBS group (or employees thereof) may have a long or short position, or deal as principal or agent, in relevant securities or provide advisory or other services to the issuer of relevant securities or to a company connected with an issuer. Some investments may not be readily realizable since the market in the securities is illiquid and therefore valuing the investment and identifying the risk to which you are exposed may be difficult to quantify. Past performance of investments is not a guarantee of future results, and the value of investments may fluctuate over time. There is no guarantee that investment objectives risk or return targets discussed in this publication will be received or attained. For clients and prospective clients of UBS Bank (Canada), please note that this publication has no regard to the specific investment objectives, financial situation or particular needs of any recipient. Neither UBS Bank (Canada) nor UBS Investment Management Canada Inc. is acting as an adviser or fiduciary to or for any recipient of this report unless otherwise agreed upon in writing. Not all products or services may be available at UBS Bank (Canada). Some products and services may be legally restricted for residents of certain countries. Should you have any questions, please contact UBS Bank (Canada) and ask to speak to a member of our Wealth Management Team. UBS Wealth Management is a registered trade-mark of UBS AG. UBS Bank (Canada) is a subsidiary of UBS AG. Investment advisory and portfolio management services are provided through UBS Investment Management Canada Inc., a wholly-owned subsidiary of UBS Bank (Canada). UBS Investment Management Canada Inc. is a registered portfolio manager and exempt market dealer in all the provinces with the exception of P.E.I. and the territories. This publication may not be reproduced, or copies circulated without prior authority of UBS Bank (Canada). **China**: This report and any offering material such as term sheet, research report, other product or service documentation or any other information (the "Material") sent with this report was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the material erroneously, UBS asks that you kindly delete it and inform UBS immediately. This report is prepared by UBS Switzerland AG or its offshore subsidiary or affiliate (collectively as "UBS Offshore"). UBS Offshore is an entity incorporated out of China and is not licensed, supervised or regulated in China to carry out banking or securities business. The recipient should not contact the analysts or UBS Offshore which produced this report for advice as they are not licensed to provide securities investment advice in China. UBS Investment Bank (including Research) has its own wholly independent research and views which at times may vary from the views of UBS Global Wealth Management. The recipient should not use this document or otherwise rely on any of the information contained in this report in making investment decisions and UBS takes no responsibility in this regard. **Denmark**: This publication is not intended to constitute a public offer under Danish law. It is distributed only for information purposes to clients of UBS Europe SE, Denmark Branch, filial af UBS Europe SE, with place of business at Sankt Annae Plads 13, 1250 Copenhagen, Denmark, registered with the Danish Commerce and Companies Agency, under No. 38 17 24 33. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by BaFin. **Egypt**: Securities or other investment products are not being offered or sold by UBS to the public in Egypt and they have not been and will not be registered with the Egyptian Financial Regulatory Authority (FRA). **France**: This publication is not intended to constitute a public offer under French law, it does not constitute a personal recommendation as it is distributed only for information purposes to clients of UBS Europe SE Succursale de France (a branch of UBS Europe SE), having its registered office at 39, rue du Colisée, 75008 Paris, France, registered with the "Registre du Commerce et des Sociétés" of Paris under N°844 425 629. UBS Europe SE Succursale de France is subject to the joint supervision of the European Central Bank, the German Central Bank (Deutsche Bundesbank), the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin"), as well as of the French "Autorité de contrôle prudentiel et de résolution" and "Autorité des marchés financiers", to which this publication has not been submitted for approval. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by BaFin. **Germany**: This publication is not intended to constitute a public offer under German law. It is distributed only for information purposes to clients of UBS Europe SE, Germany, with place of business at Bockenheimer Landstrasse 2-4, 60306 Frankfurt am Main. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin") and supervised jointly by the European Central Bank, the German Central Bank (Deutsche Bundesbank) and BaFin, to which this publication has not been submitted for approval. **Hong Kong SAR**: This publication is distributed to clients of UBS AG Hong Kong Branch by UBS AG Hong Kong Branch, a licensed bank under the Hong Kong Banking Ordinance and a registered institution under the Securities and Futures Ordinance. UBS AG Hong Kong Branch is incorporated in Switzerland with limited liability. The contents of this material have not been reviewed by any regulatory authority in Hong Kong. **Indonesia**: This communication and any offering material term sheet, research report, other product or service documentation or any other information (the "Material") sent with this communication was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved, endorsed, registered or filed with any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or derivatives products). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including futures contracts) nor is it an offer to buy or to sell any securities or derivatives products. The relevant investments will be subject to restrictions and obligations on transfer as set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided on and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Israel**: UBS is a premier global financial firm offering wealth management, asset management and investment banking services from its headquarters in Switzerland and its operations in over 50 countries worldwide to individual, corporate and institutional investors. This publication is intended for information only and is not intended as an offer to buy or solicitation of an offer. Furthermore, this publication is not intended as an investment advice. Nothing contrary to the above, no action has been, or will be, taken in Israel that would permit an offering of the product(s) mentioned in this document or a distribution of this document to the public in Israel. In particular, this document has not been reviewed or approved by the Israeli Securities Authority. The product(s) mentioned in this document is/are being offered to a limited number of sophisticated investors who qualify as one of the investors listed in the first supplement to the Israeli Securities Law, 5728-1968. This document may not be reproduced or used for any other purpose, nor be furnished to any other person other than those to whom copies have been sent. Anyone who purchases the product(s) mentioned herein shall do so for its own benefit and for its own account and not with the aim or intention of distributing or offering the product(s) to other parties. Anyone who purchases the product(s) shall do so in accordance with its own understanding and discretion and after it has received any relevant financial, legal, business, tax or other advice or opinion required by it in connection with such purchase(s). The word "advice" and/or any of its equivalent terms shall be read and construed in conjunction with the definition of the term "investment marketing" as defined under the Israeli Regulation of Investment Advice, Investment Marketing and Portfolio Management Law. The Swiss laws and regulations require a number of mandatory disclosures to be made in independent financial research reports or recommendations. Pursuant to the Swiss Financial Market Infrastructure Act and the Financial Market Infrastructure Ordinance-FINMA, banks must disclose the percentage of voting rights they hold in companies being researched, if these holdings are equal to or exceed the statutory thresholds. In addition, the Directives on the Independence of Financial Research, issued by the Swiss Bankers Association, mandate a number of disclosures, including the disclosure of potential conflicts of interest, the participation within previous 12 months in any securities issues on behalf of the company being researched, as well as the fact that remuneration paid to the financial analysts is based generally upon the performance of (i) the new issues department or investment banking; or (ii) securities trading performance (including proprietary trading) or sales. **Italy**: This publication is not intended to constitute a public offer under Italian law. It is distributed only for information purposes to clients of UBS Europe SE, Succursale Italia, with place of business at Via del Vecchio Politecnico, 3-20121 Milano. UBS Europe SE, Succursale Italia is subject to the joint supervision of the European Central Bank, the German Central Bank (Deutsche Bundesbank), the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin"), as well as of the Bank of Italy (Banca d'Italia) and the Italian Financial Markets Supervisory Authority (CONSOB - Commissione Nazionale per le Società e la Borsa), to which this publication has not been submitted for approval. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by BaFin. **Japan**: This report is solely distributed in Japan by UBS SuMi TRUST Wealth Management Co., Ltd, Financial Instruments Dealer, Director-General of Kanto Local Finance Bureau (Kinsho) No. 3233, a member of the Japan Securities Dealers Association, Financial Futures Association of Japan, Investment Management Association of Japan. It is distributed only for information purposes to clients of UBS Europe SE, Luxembourg Branch ("UBS Luxembourg"), R.C.S. Luxembourg n° B209123, with registered office at 33A, Avenue J. F. Kennedy, L-1855 Luxembourg. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea (HRB n° 107046), with registered office at Bockenheimer Landstrasse 2-4, D-60306 Frankfurt am Main, Germany, duly authorized by the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin") and subject to the joint prudential supervision of BaFin, the European Central Bank and the central bank of Germany (Deutsche Bundesbank). UBS Luxembourg is furthermore supervised by the Luxembourg prudential supervisory authority (Commission de Surveillance du Secteur Financier), in its role as host member state authority. This publication has not been submitted for approval to any public supervisory authority. **Malaysia**: This communication and any offering material term sheet, research report, other product or service documentation or any other information (the "Material") sent with this communication was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved, endorsed, registered or filed with any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or derivatives products). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including future contracts) nor is it an offer to buy or to sell any securities or derivatives products. The relevant

investments will be subject to restrictions and obligations on transfer as set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided on and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Mexico**: This information is distributed by UBS Asesores México, S.A. de C.V. ("UBS Asesores"), an affiliate of UBS Switzerland AG, incorporated as a non-independent investment advisor under the Mexican regulation due to the relation with a Foreign Bank. UBS Asesores is registered under number 30060-001-(14115)-21/06/2016 and subject to the supervision of the Mexican Banking and Securities Commission ("CNBV") exclusively regarding the rendering of (i) portfolio management services, (ii) securities investment advisory services, analysis and issuance of individual investment recommendations, and (iii) anti-money laundering and terrorism financing matters. This UBS publication or any material related thereto is addressed only to Sophisticated or Institutional Investors located in Mexico. Research reports only reflect the views of the analysts responsible for the report. The compensation of the analyst(s) who prepared this report is determined exclusively by research management and senior management of any entity of UBS Group to which such analyst(s) render(s) services. **Monaco**: This document is not intended to constitute a public offering or a comparable solicitation under the Principality of Monaco laws, but might be made available for information purposes to clients of UBS (Monaco) S.A., a regulated bank having its registered office at 2 avenue de Grande Bretagne 98000 Monaco operating under a banking license granted by the "Autorité de Contrôle Prudentiel et de Résolution" (ACPR) and the Monegasque government which authorizes the provision of banking services in Monaco. UBS (Monaco) S.A. is also licensed by the "Commission de Contrôle des Activités Financières" (CCAF) to provide investment services in Monaco. The latter has not approved this publication. **Philippines:** This communication was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved, endorsed, registered or filed with any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or derivatives products). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including future contracts) nor is it an offer to buy or to sell any securities or derivatives products. The relevant investments will be subject to restrictions and obligations on transfer as set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided on and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Portugal**: This publication is not intended to constitute a public offer under Portuguese law. It is distributed only for information purposes by UBS Europe SE, Sucursal em Portugal (UBS Portugal), Commercial Register of Lisbon (Conservatoria do Registo comercial de Lisboa) no. 980492491, with registered office at Avenida da Liberdade, n. 0 180-A, 8.0 andar, 1250-146 Lisboa. UBS Portugal is a branch of UBS Europe SE, a credit institution constituted under German law in the form of a Societas Europaea (HRB n° 107046), with registered office at Bockenheimer Landstrasse 2-4, D-60306 Frankfurt am Main, Germany, duly authorized by the German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht – "BaFin") and subject to the joint prudential supervision of BaFin, the central bank of Germany (Deutsche Bundesbank) and the European Central Bank. UBS Portugal is furthermore supervised by the Portuguese banking and financial authorities as the "Banco de Portugal" and the "Comissão do Mercado dos Valores Mobiliários" in their role as host member state authority. This publication has not been submitted for approval to any public supervisory authority. **Qatar**: UBS Qatar LLC is licensed by the Qatar Financial Centre Authority and authorized by the QFC Regulatory Authority, with QFC no. 01169, and has its registered office at Lusail - Qatar, 14th Floor, Office No. 5 and 6, Building No. 157, Burj Alfardan, Al Majdami. This material is strictly intended for Eligible Counterparties and/or Business Customers only as classified under the QFCRA's Customer and Investor Protection Rules 2019. No other person should act upon this material. **Russia**: This document or information contained therein is for information purposes only and constitutes neither a public nor a private offering, is not an invitation to make offers, to sell, exchange or otherwise transfer any financial instruments in the Russian Federation to or for the benefit of any Russian person or entity and does not constitute an advertisement or offering of securities in the Russian Federation within the meaning of Russian securities laws. The information contained herein is not an "individual investment recommendation" as defined in Federal Law of 22 April 1996 No 39-FZ "On Securities Market" (as amended) and the financial instruments and operations specified herein may not be suitable for your investment profile or your investment goals or expectations. The determination of whether or not such financial instruments and operations are in your interests or are suitable for your investment goals, investment horizon or the acceptable risk level is your responsibility. We assume no liability for any losses connected with making any such operations or investing into any such financial instruments and we do not recommend to use such information as the only source of information for making an investment decision. **Saudi Arabia**: This material is for marketing and information purposes by UBS Saudi Arabia only. It has been distributed by UBS Saudi Arabia or reviewed and approved by UBS Saudi Arabia if it was issued by UBS Switzerland AG, by UBS AG, or any of its subsidiaries or branches. UBS Switzerland AG is a public company limited by shares, incorporated in Switzerland with its registered offices at Bahnhofstrasse 45, CH-8001 Zurich. UBS Saudi Arabia (a subsidiary of UBS AG) is a Saudi closed joint stock company incorporated in the Kingdom of Saudi Arabia with a paid capital of 110,000,000 Saudi Riyals under commercial register number 1010257812 having its registered office at Laysen Valley, P.O. Box 75724, Riyadh 11588, Kingdom of Saudi Arabia. UBS Saudi Arabia is authorized and regulated by the Capital Market Authority to conduct securities business under license number 08113-37. This document is distributed only under such circumstances as may be permitted by applicable laws and regulations. The information and – if any - opinions contained in this document have been compiled or arrived at based upon information obtained from sources believed to be reliable and in good faith, but is not guaranteed as being accurate, nor is it a complete statement or summary of the securities, markets or developments referred to in the document. All such information and opinions are subject to changes without notice. Past performance of investments (whether simulated or actual) is not necessarily an indicator of future results. Forward looking data is based on estimates that are subject to changes. Should the currency of a financial product or service not match your reference currency, performance may rise or fall due to currency fluctuations. UBS Switzerland AG and / or other members of the UBS Group may have a position in and may make a purchase and/or sale of any of the securities or other financial instruments mentioned in this document While statements that constitute "forward-looking statements", including, but not limited to, statements relating to our future business development represent UBS judgments and future expectations concerning the development of our business, a number of risks, uncertainties and other important factors could cause actual developments and results to differ materially from our expectations. This document may not be forwarded, reproduced, redistributed or republished for any purpose without the written permission of UBS Saudi Arabia. Source for all data and charts (if not indicated otherwise) is UBS Switzerland AG. **Singapore**: Where applicable, this material is distributed in Singapore by UBS AG, Singapore Branch, which is licensed by the Monetary Authority of Singapore under the Banking Act 1970 to carry on banking business. UBS AG is incorporated in Switzerland with limited liability. UBS AG has a branch registered in Singapore (UEN S98FC5560C). This material has been prepared and issued for distribution in Singapore to institutional investors, accredited investors and expert investors (each as defined under the Financial Advisers Regulations (the "FAR")) only. By virtue of your status as an institutional investor, accredited investor, or expert investor, UBS AG is exempted from complying with certain requirements under the Financial Advisers Act 2001 (the "FAA"), the FAR and the relevant Notices and Guidelines issued thereunder, in respect of any financial advisory service which UBS AG may provide to you. These include exemptions from complying with: Section 34 of the FAA (pursuant to Regulation 33(1) of the FAR); Section 36 of the FAA (pursuant to Regulation 34(1) of the FAR); and Section 45 of the FAA (pursuant to Regulation 35(1) of the FAR). Singapore recipients and clients of UBS AG, Singapore Branch should contact UBS AG, Singapore Branch for any matters arising from, or in connection with, this material. Where applicable, this communication and any offering material term sheet, research report, other product or service documentation or any other information (the "Material") sent with this communication was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved or endorsed by any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or products or futures contracts). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including future contracts) nor is it an offer to buy or to sell any securities or products. The relevant investments will be subject to restrictions and obligations on transfer as set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided on and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Spain:** This report is distributed in Spain by UBS AG, Sucursal en España, authorized under number 1460 in the Register by the Banco de España. **Sweden**: This publication is not intended to constitute a public offer under Swedish law. 融程電(3416)：國防軍工引領成長

建議：維持買進

2026EPS(F)		2027EPS(F)		BVPS	收盤價	2027年P/E	目標價		投資建議
前次	本次	前次	本次	52.88	146.5	11.2	前次	本次	買進
9.34	9.00	14.38	13.04				250	196	

一、融程電為強固型電腦廠商，近年國防軍工營收大幅提升

融程電成立於 1996 年，公司前三大股東為研華、醫揚、廣積。融程電為強固型平板電腦和手持式裝置專業廠商，產品廣泛應用於航太、船舶、軍警、交通運輸、車廠維修檢測、醫管、石化、和製程控制等利基型產業；歐洲為融程電最大市場，賓士、保時捷、Bosch 等皆為融程電客戶，美洲市場方面，智慧倉儲解決方案廠商 Honeywell、堆高機品牌 CROWN 以及智慧醫療 Medtronic 等亦是融程電客戶。近年國防軍工營收大幅提升，自 2024 年的高個位數佔比提升至 2025 年的近兩成水準，2026 年已突破兩成水準；截至 3Q26 Edge AI 佔比約 10%。

Sales(NT$mn)	2025	%	YoY	2026(F)	%	YoY	2027(F)	%	YoY
歐洲	1,274	35%	11%	1,697	36%	33%	2,126	36%	25%
美洲	1,340	37%	47%	1,658	35%	24%	2,038	35%	23%
亞洲	845	23%	-3%	1,166	25%	38%	1,472	25%	26%
台灣	164	5%	41%	186	4%	14%	224	4%	20%
其他	18	1%	19%	24	1%	30%	29	1%	24%
合計	3,641	100%	19%	4,731	100%	30%	5,889	100%	24%

二、3Q26 毛利率低於預期，係因出貨較多倉儲客戶產品

3Q26 營收 14.13 億元，截至 3Q26 產品組合：車檢 21%、倉儲物流 23%、醫療保健 12%、其他 44%(其中超過 25%為國防軍工)；獲利方面，毛利率 36.36%，低於預期，係因 3Q26 出貨較多低毛利率 Honeywell 倉儲物流產品，營益率 19.05%，單季稅後 EPS 2.63 元。

NT$mn	2Q26	3Q26(A)	3Q26(F)	與預期相比	QOQ	YOY	累計YOY
Net sales	1,177	1,413	1,413	0%	20.09	40.41	34.24
Margin %	40.18%	36.36%	40.30%				
Operating Profit	231	269	325	-17%	16.54	53.88	25.86
Operating Margin %	19.63%	19.05%	23.01%				
Total non-ope inc.	21	19	33				
Pre-tax profit	252	288	359	-20%	14.19	29.38	33.67
Net profit	200	223	288	-23%	11.43	23.71	34.23
EPS	2.48	2.63	3.41	-23%	6.05	16.37	30.13

三、2027 年仍由國防軍工驅動主要成長

3Q26 毛利率受 Honeywell 倉儲物流產品出貨較多影響，Honeywell 2026 全年訂單金額預估 2~3 億元，2027 年 Honeywell 目標回到往年全年 6 億營收水準，目前仍在與客戶洽談新訂單；4Q26 軍工航太及車用等出貨比重提升，預期毛利率較 3Q26 回升；整體預期 2026 全年營收+30%YOY，其中出貨量成長 10%，其餘 20%來自 ASP 提升(包含漲價與產品組合轉佳)。

融程電目前 BB Ratio 1.1，訂單能見度約 6~8 個月，由於缺料狀況緩解，客戶下單能見度恢復正常水準，預期 2027 年受惠軍工航太、無人載具及 Edge AI 需求成長，產品組合持續優化將推升 ASP 及毛利率。產品組合方面，截至 3Q26 其他業務營收佔比 44%，2027 年佔比有望提升至 50%，主由國防軍工驅動，2027 年國防軍工預期再成長 30~40%，甚至有望上看超過 50%成長，融程電具全球領先海事船舶電腦技術，拓展至地面工作站及無人機整機，無人載具現有月

本刊載之報告為台新投顧於特定日期之分析，已力求陳述內容之可靠性，純屬研究性質，僅作參考，使用者應明瞭內容之時效性，審慎考量投資風險，並就投資結果自行負責。報告著作權屬台新投顧所有，禁止任何形式之抄襲、引用或轉載。

產能 1~1.5 萬台，目標提升至 3 萬台以上，可提供整機產品，亦可單賣零組件，無人載具專案單價高，接洽的運算無人載具單一專案訂單預期 2027 年營收佔比 5%以上，未來公司整體無人載具業務營收佔比將超過 15~20%，隨 1H27 國防專案陸續推進，融程電積極美國認證及非紅供應鏈等歐美市場商機。至於 Edge AI 佔比預期由 2026 年 10%提升至 2027 年的 20%；另外，2027 年醫療設備持續成長、半導體設備業務則有望倍增，2027 年亦可關注日韓市場，以及歐洲市場復甦。公司預計將於 2027 年執行泰國工廠併購案，擴充產能以支應後續訂單成長。

四、維持買進理由

全球國防支出成長為融程電軍工與無人載具產品提供長期需求基礎，預估融程電 2026 年 EPS 9.0 元、2027 年 EPS 13.04 元，維持買進，目標價 196 元。

重要免責聲明，詳見最終頁

重要訊息

公司公佈 3Q26 財報毛利率及營利率為 38.7%、29.6%優共識 36.9%、28.9%，淨利 63.9 億，每股盈餘 12.98 元則符合共識。

評論及分析

3Q26 毛利率攀上高峰，表現超越市場共識；4Q26 伺服器及網通需求持續強勁，營運維持高檔 。適度漲價反應原物料上漲外，組合持續改善，AI 伺服器占比由上季 40-50%季增至 50%以上，使毛利率季增 4 個百分點優預期，但費用率僅下降 0.4 個百分點至 9.1%，加上業外損失 2.4 億下、稅率下降至 25%，淨利符合凱基預估，略優共識 2.6%。其中伺服器營收季增 21%達佔比 77%，網通營收季增 34%達佔比 17%。我們認為 4Q26 除持續漲價反應原料、NB 需求較疲弱、伺服器及網通需求仍強外，12 月底仍有年底盤點干擾變數，預期 4Q26 營收季持平至微增。

2027-29 擴大 HDI 產能建置。4Q26 單月最大產值僅上修 1 億至 95 億，維持 2027 年兩新廠（蘇州、泰國）、2028 年則另一個蘇州新廠，皆陸續加入生產 HDI 厚板，而台灣新廠 2029 年可到位。因此除了 2026 資本支出將達 240 億， 2027 將拉高至 250 億以上。

2027 受惠 AWS 與 Google 走往厚多層 HDI 混合 HLC PCB 技術。公司於下世代 Amazon Trainium 4 PCB 測試良率表現優異，已穩坐主供地位，我們觀察 2Q26 NVIDIA(美) VR computing tray 之 5 階(5-16-5)HDI、3Q27 AWS T4 之 3 階(3-28-3)HDI、以及 4Q27 Google v9 之 6 階(6-12-6)HDI 設計趨勢，厚多層 HDI 混合 HLC 將為下世代 AI PCB 標準技術門檻。

投資建議

由於 3Q26 財報與 4Q26 展望符合我們預期，我們維持「增加持股」的評等，目標價維持 2000 元，相當於 2027 每股盈餘 28 倍本益比。

投資風險

網通板需求不如預期，競爭者加入造成價格壓力。

12 個月目標價 (NT$)	435.0
前次目標價 (NT$)	500.0
調降 (%)	13.0
上漲空間 (%)	46.0

焦點內容

1. 3Q26 獲利率不佳，但每股盈餘 7.08 元符合凱基預估。
2. 管理層預期 Vera Rubin AI 機櫃將於 1Q27 出貨更為顯著，因此 4Q26 營收在過渡期間可能與前一季持平。
3. 2027 年通用型與 AI 伺服器營收將成長雙位數，且 AI 伺服器營收年增逾 50%，而筆電出貨量將年減 5-10%。2027 年伺服器營收占比可能達 85-90%，但利潤率將面臨壓力。

3Q26 獲利符合預期；2027 年營業利益複合成長力道強勁

重要訊息

廣達公布 3Q26 EPS 為 7.08 元，符合凱基預估及市場共識，但毛利率與營業利益率不如預期。管理層看好 2027 年伺服器營收展望，並指引 AI 與通用型伺服器營收將年增雙位數。

評論及分析

獲利率不佳，但 3Q26 每股盈餘仍大致符合預期。3Q26 EPS 為 7.08 元，季減 5%、年增 66%，大致符合凱基預估。毛利率 4.8% 及營業利益率 2.9% 均不如凱基預估，因 AI 伺服器營收增加。3Q26 伺服器營收季增，但高均價 AI 伺服器出貨量略為季減，而通用型伺服器出貨量季增。再加上筆電出貨量季減 17% 至 960 萬台 (雖優於指引)，稼動率降低與組合不利導致 3Q26 毛利率小幅季減，而研發支出為新 AI 伺服器專案增加而使營業費用上升，導致營業利益率季減。在 39 億元匯兌利益的彌補下，3Q26 EPS 大致符合預期。1Q-3Q26 EPS 為 20.03 元，年增 48%，營業利益年增 41%，且 3Q26 營業利益年增率加速至 75%。

伺服器營收將是 2027 年獲利的主要助力。管理層指引 4Q26 AI 伺服器出貨量將因機種轉換而季減，但通用型伺服器出貨量將季增，筆電出貨量則將季減雙位數。因此凱基預期營收將與前一季持平，低於先前預期。預期 4Q26 毛利率將面臨壓力，但營業利益率可望與前一季持穩。不過在 VR200 AI 伺服器於 1Q27 顯著出貨下營收有機會季增。2027 年公司預期伺服器整體營收將年增雙位數，占比升至 85-90%，高於 2026 年的 80-85%。AI 伺服器營收應將成長高雙位數 (可能年增 50-100%)，受惠於 VR 機櫃 ASP 提高，加上 ASIC AI 伺服器營收成長。ASIC AI 伺服器占 2027 年整體 AI 伺服器營收比重應超過 10%，高於 2026 年的 8-10%，亦是 2027 年營收與利潤率成長的關鍵催化劑。然而，2027 年筆電出貨量將年減 5-10%，符合業界趨勢，2026 年則年減 10-20%。因此，筆電營收占比將由 2026 年的 10-20% 縮減至 2027 年的 10% 以下。隨著 AI 伺服器營收成長 (主要因 VR200 機櫃 ASP 較 GB300 機櫃高出 80%)，預期其 2027 年毛利率與營業利益率將年減。營運資金仍是公司的挑戰，管理層正與客戶協商委售(consign)條件，目前佔比有限。考量更新指引，凱基下修 2026-27 年營收與利潤率，並將 EPS 調降至 2026 年之 26.09 元、2027 年之 31.06 元，2027 年營業利益仍將年增 32%。AI 需求仍強勁，廣達預計 2027 年資本支出將由 2026 年的 400 億元增至 400-450 億元，主要用於美國與泰國廠的公用設施及測試設施需求。

投資建議

凱基將目標價由 500 元降至 435 元，以 2027 年預估 EPS 的 14 倍為基礎，並維持「增加持股」評等，因 2027-28 年 AI 伺服器營收及 EPS 成長穩健。

投資風險

筆電需求疲弱、AI 伺服器獲利率偏低、零組件成本上揚及缺料。

前次目標價 (NT$)	308.0
調升 (%)	0.6
上漲空間 (%)	77.7

焦點內容

1. 3Q26 EPS 5.74 元，大致符合我們預估，惟獲利率表現優於預期。
2. 受惠伺服器銷售成長及緯穎 (6669 TT) 表現強勁，預估 4Q26 GB300 及 VR200 AI 伺服器出貨將持續季增，並帶動 4Q26 營益率趨勢向上。
3. 隨新客戶導入及需求攀升，我們預期產品組合優化將帶動 2027 年營益率擴張。客戶基礎多元化及新專案亦將挹注未來 2-3 年 EPS 成長。

2027 年 AI 營收成長亮眼，獲利率趨勢向上

重要訊息

緯創 3Q26 每股盈餘 5.74 元，基本符合預期，毛利率與營利率則優於預期。4Q26 AI 伺服器與整體營收將呈季增，2027 年展望正向。

評論及分析

3Q26 每股盈餘符合預期，獲利率超前。3Q26 EPS 為 5.74 元，季增 22%、年增 143%，大致符合凱基預估，但優於市場共識。3Q26 伺服器營收占比由 2Q26 的 79% 升至 83%，因出給 Dell (美) GB300 之伺服器出貨量季增 20% 至近 4,800 櫃，以及緯穎 (6669 TT，NT$1,680，增加持股) 因新 Trainium3 (T3) 機種放量帶動 ASIC AI 伺服器營收成長。受惠於生產效率提升與營收增加，3Q26 毛利率穩定，營業利益率較前一季改善。不計緯穎貢獻，緯創本身 3Q26 營業利益率由 2Q26 的 2.1% 升至 2.3%。3Q26 較佳的營業利益遭匯兌損失及利息支出抵銷。1Q-3Q26 EPS 為 13.54 元，年增 111%。

4Q26-2027 年營收與獲利率上升趨勢不變。緯創 GB300/VR200 AI 伺服器 4Q26 出貨量預計將增至約 6 千櫃，季增近 25% 至全年高峰，因 Dell 以外有新的客戶貢獻，如聯想 (中) 與 Hewlett Packard Enterprise (HPE；美)。再加上緯穎營收成長，凱基預期 4Q26 營收將季增 11%，10 月營收達 4Q26 營收近 30%。緯創 2026 年 GB300/VR200 出貨量應介於 18-19 千櫃，由 2025 年的 5.8-5.9 千櫃增加，而今年 VR200 出貨量有限，預計僅約 1 千櫃上下。2027 年的 VR AI 伺服器機櫃將成為主流，凱基預期緯創總量為可望達 23-25 千櫃，占全球 VR AI 伺服器供給的 25-30%。Neocloud 及主權需求將為緯創在 2027-28 年創造出貨上行空間。加上對 CSP 的 VR200 與 Vera CPU 機櫃出貨 (將於 4Q26-1Q27 開始量產)，凱基預期緯創 2027 年伺服器營收將年增 65-70%，伺服器營收占比由 2026 年的 83% 升至 90-91%。然而，2027 年筆電出貨量將持續年減雙位數百分比，營收占比低於 10%。在客戶結構改善與效率提升下，預期緯創 2027 年營利率將提高。而為滿足強勁的客戶需求，緯創資本支出預計將由 2026 年的 500-550 億元增至 2027 年的近 600 億元。然為反映部分 VR 出貨延遲，凱基下修 2026 年 EPS 預估至 19.36 元，並預期 2027 年 EPS 為 29.47 元，年增 53%。

投資建議

我們維持「增加持股」評等，目標價由 308 元上修至 310 元，相當 2027 年 EPS 的 12 倍。

投資風險

需求不如預期、零組件供應限制、AI 伺服器市場競爭。

圖 6：公司概況

從宏碁 (2353 TT，NT$30.4，未評等)分割出來的緯創專營電子硬體之設計/製造/服務(DMS)業者，產品研發聚焦資通訊(ICT)領域，筆電、桌電、伺服器、儲存裝置、工業自動化(IA)、網通與通訊產品都包含在內。緯創在台筆電代工排名第三大，僅次於廣達(2382 TT，NT$298，增加持股)與仁寶(2324 TT，NT$31.15，未評等)，2025 年筆電出貨量為 2,410 萬台 (年增 19%)，全球市佔率為 12-13%。緯創在台灣筆電代工廠同業中的業務分化程度最高。

ESG 圖表定義

項目	定義	說明
能源使用	直接與間接能源消耗總量(十億焦耳) - 公司運營範圍內消耗之能源總量 - 能源使用總量 = 直接能源消耗總量 + 間接能源消耗量 - 總能源使用量包括購買的能源、生產的能源 - 就公用事業而言，輸電/電網損耗為其業務活動之一部分，被視為總能源消耗，數據不包括為滿足能源使用而生產的電力（公用事業為出售而生產） - 就公用事業而言，用於能源生產的煤、天然氣或核能等原料不屬於「總能源使用」項下	
購買之再生能源	Primary 再生能源購買總量(十億焦耳) - 公司各種來源之能源消耗量與購買的能源中屬於自然界可再生者（太陽能、風能、水能、生物質能、地熱能）之量 - 如無證據顯示再生能源由公司生產，則所報告的能源數據視為購買的再生能源	
再生能源使用率	再生能源占總能源消耗量之比例	
CO2 約當排放量	直接 CO2 與 CO2 約當排放量(公噸) - 公司擁有或控制的來源的直接排放量（範圍 1 排放量） - 相關氣體：二氧化碳 (CO2)、甲烷 (CH4)、一氧化二氮 (N2O)、氫氟碳化物 (HFCS)、全氟化合物 (PFCS)、六氟化硫 (SF6)、三氟化氮 (NF3)	
CO2 約當排放量營收比	直接 CO2 與 CO2 約當排放量（公噸）銷售（百萬元）比 - 公司擁有或控制的來源的直接排放量（範圍 1 排放量） - 相關氣體：二氧化碳 (CO2)、甲烷 (CH4)、一氧化二氮 (N2O)、氫氟碳化物 (HFCS)、全氟化合物 (PFCS)、六氟化硫 (SF6)、三氟化氮 (NF3)	
廢棄物總量	廢棄物總量(公噸) - 總廢棄物 = 無害廢棄物 + 有害廢棄物 - 僅考慮固體廢棄物，但如液體廢棄物以公噸為單位呈報，則會將其加入求得包含液體廢棄物之總量 - 對於採礦、石油與天然氣等行業，tailings、廢石、煤、飛灰等廢棄物亦考慮在內	
廢棄物回收率	公司呈報的廢棄物回收率 - 廢棄物回收率 = 廢棄物回收量/總廢棄物*100 - 廢棄物轉化為能源或經由廢棄物焚燒產生能源視為廢棄物回收 - 經由堆肥回收的廢棄物視為回收之廢棄物	
總取水量	總取水量(立方公尺) - 由呈報組織直接或經水公司等中介機構從任何水源抽取的總水量 - 水井、城鎮/公用事業/市政用水、河水、地表水等不同之水源均予以考慮	
環保支出	環保支出總金額 - 所有用於環境保護，或防止、減少、控制環境因素、影響、危害的投資與支出，亦包括處置、處理、衛生、清理支出	
員工流動率	員工流動率 - 包括任何原因（自願或非自願）離開公司的員工，如辭職、退休、自然離職/死亡、醫療失能、冗員、裁員、重組、解僱、裁減或定期合約到期 - 員工流動率 =（離開之員工/平均員工人數）*100 - 平均員工人數 =（本年末員工人數 + 去年末員工人數）/2 - 本財年末員工數 =上個財年末員工數 + 新員工數 - 離開之員工數	
女性經理	女性經理百分比 - 女性經理占公司經理的百分比 - 如有不同階層之百分比，如最高階、高階、中階、初階，則會考慮中階女性經理之百分比 - 女性經理百分比 = 女性經理人數/經理總數*100	
女性員工	女性員工百分比 - 女性員工占公司員工總數的百分比 - 女性員工百分比 = 女性人數/員工總數*100	
教育訓練總時數	所有員工教育訓練總時數 - 僅考慮員工教育訓練時數 - 包括一般員工所有類型的教育訓練（如健康與安全、環境、急難事件救援、技能與職業發展） - 如果數據以天為單位，則乘以 8，係假設 1 天 = 8 小時工作	
每位員工教育訓練時數	平均每年每位員工總教育訓練時數

健策

(3653.TW/3653 TT)

2027-28 年毛利率擴張態勢不變

重要訊息

健策公告 3Q26 每股盈餘 19.7 元，基本符合凱基預估，但落後市場預期。我們持續看好公司 2027 年營收、獲利展望。

評論及分析

3Q26 獲利大致符合預期。3Q26 EPS 為 19.7 元，季增 25%、年增 108%，大致符合凱基預估，但不及市場共識。毛利率 50% 優於凱基預期，而認列員工限制型股票產生約 4.5 億元額外營業費用，導致 3Q26 營業利益率降至 37.4%，未達凱基預估及市場共識，在業外利益高於預期及稅率較低的挹注下，3Q26 EPS 大致符合預期。1Q-3Q26 EPS 為 45.03 元，年增 67%。

4Q26-1Q27 營收將逐步成長。儘管 10 月營收基本與 9 月持平，但伺服器均熱片營收占比持續擴大，PC 營收占比則下滑，因此凱基維持 4Q26 營收季增 10% 的預估，並將毛利率預估值上修至 50.5%。然而因持續認列員工限制型股票費用，4Q26 營業費用持續偏高，故調降營業利益率預估。凱基將 2026 年 EPS 預估下調至 65.57 元，年增 78%。鑑於 Rubin/Rubin Ultra 的可拆式上蓋為確定設計，且將於 1Q27 進入量產，預期未來幾季營收將呈穩健的季增與年增，毛利率亦將提升。凱基維持 2027 年 Rubin 與 Rubin Ultra GPU 共 800-900 萬顆採用可拆式上蓋的預估，不過 ASP 目前有機會上看逾 250 美元，高於先前預估的 200 美元。另外，AMD (美) MI450 GPU 的雙上蓋設計 (自 4Q26 起放量) 亦將以 ASP 150 美元推升整體營收。GPU 上蓋 ASP 上升將推升 2027 年營收及毛利率擴張。凱基將 2026-27 年毛利率預估分別調升至 48.1% 與 51.9%，營業利益率則分別調升至 36.8% 與 46.1%，2027 年 EPS 預估上修至 198.01 元，年增 202%。

2H27 至 2028 年多重成長引擎啓動。我們預期對 Intel (美) 的 CPU Socket 與托架(carrier)，及對 Nvidia (美) 的 Spectrum-X 與 Quantum-X 光引擎之機構件支架的銷售，將推升 2H27-2028 年營收。2027-28 年潛在營收上行空間來自可拆式上蓋 ASP 提高，以及 AMD 次世代 GPU 與 ASIC 晶片的採用，並帶來進一步的 ASP 與利潤率上行空間。因此預期 2028 年 EPS 將持續呈上升趨勢。凱基預測 2028 年 EPS 為 308.0 元。

投資建議

凱基維持健策「增加持股」評等，並將目標價由 10,000 元調升至 10,120 元，相當於 2027-28 年平均每股盈餘的 40 倍，以反映 2026-28 年獲利可望年複合成長 117%。

投資風險

AI 晶片研發時程不確定性；原料成本上漲。

12 個月目標價 (NT$)	10,120
前次目標價 (NT$)	10,000
調升 (%)	1.2
上漲空間 (%)	62.6

焦點內容

1. 3Q26 每股盈餘 19.7 元基本符合凱基預估，毛利率優於預期，但營業利益率未盡理想。
2. 在 Rubin GPU 確定採用可拆式散熱蓋，而 MI450 將配備雙上蓋且預計 1Q27 啓動量產的情況下，我們看好健策 4Q26-1Q27 營收將持續成長 。
3. 2027-28 年獲利率將持續成長，動能來自 GPU 散熱蓋、Intel (美) CPU 插槽/托架夾與 CPO 均價上升，可望帶動 2026-28 年每股盈餘年複合成長 117%。

三福化工

(4755.TW/4755 TT)

半導體材料漸成營運重心

增加持股 · 維持

收盤價 November 11 (NT$)	121.5
12 個月目標價 (NT$)	220.5
前次目標價 (NT$)	190.0
調升 (%)	16.1
上漲空間 (%)	81.5

焦點內容

1. 3Q26 營收優於預期，惟歲修影響毛利率表現。
2. 先進封裝擴產與工程收入放大，帶動半導體營收比重持續提升。
3. 上修 2027 年獲利預估 3%，本業獲利將年增逾五成。

重要訊息

三福化公告 3Q26 財報。

評論及分析

3Q26 利潤率低於預期，但業外收益挹注獲利。三福化 3Q26 營收 13.3 億元，季增 8%、年增 13%，分別優於市場共識與凱基預估 2%與 6%，主因先進封裝需求強勁，光阻剝離液 (InFO+CoWoS) 營收季增 40%、年增 210%。但受到 7-8 月歲修影響，加上夏季電價，毛利率季減 1.1 個百分點至 23.0%，低於市場共識的 24.4%與凱基預估的 25.8%。且子公司新藥開發推升單季費用，導致營益率季減 1.8、年增 3.4 個百分點至 10.1%。受惠於業外貢獻（處分土地與匯兌利益），稅後淨利季增 99%、年增 176%至 2.65 億元，折合每股盈餘 2.63 元。

來自半導體的訂單強勁。CoWoS Stripper 3Q26 營收季增 53%、年增 288%，除了 CoWoS 需求強勁外，WMCM 亦採用同一料號，並於 8 月開始出貨；FOPLP 與 CoPoS 仍在認證，預期 2Q27 後開始貢獻。在 CoWoS 與 WMCM 月產持續提升下，我們預估 2027 年三福化 Stripper 營收將年增 74%。另一方面，公司展望 2027 年 TMAH 工程收入將達 6-7 億元 (對比今年僅預估達 2.5 億元)，我們認為有望帶動半導體營收比重將從 2026 年的 35%提升至 2027 年的 44%，且隨著產品組合優化將帶動毛利率上揚。

2027 年本業獲利成長逾 5 成。考量先進封裝持續擴產、工程收入放大，以及 PHBA 出貨量提升 (公司展望 2027 年達 4,000-4,500 噸)，我們預估三福化 2027 年營收將年增 22%至 61.8 億元。隨著產品組合改善與產能利用率提高，我們預估 2027 年毛利率將年增 4.1 個百分點至 27.9%。我們預估 2026-27 年每股盈餘分別為 6.66 元與 8.82 元。若排除 3Q26 處分土地的一次性收益 (約 1.1-1.2 元)，2027 年本業獲利將年增逾 5 成。

投資建議

考量先進封裝擴產動能延續，加上 2027 年工程收入放大與多項半導體新品陸續放量，我們維持「增加持股」評等，並調升目標價至 220.5 元，基於 2027 年 EPS 預估 25 倍換算得出。

投資風險

先進封裝需求下降；工程進度遞延。

股價說明

等級	定義
增加持股 (OP)	對個股持正面看法，預期個股未來十二個月的表現超越凱基證券集團所追蹤的相關市場的總報酬。
持有 (N)	對個股持中性看法，預期個股未來十二個月的表現符合凱基證券集團所追蹤的相關市場的總報酬。
降低持股 (U)	對個股持負面看法，預期個股未來十二個月的表現低於凱基證券集團所追蹤的相關市場的總報酬。
未評等 (NR)	凱基證券未對該個股加以評等。
受法規限制未評等 (R)	受凱基證券集團內部政策和/或相關法令限制使凱基證券集團無法進行某些形式的資訊交流，其中包括提供評等給投資人參考。
	*總報酬 = (十二個月目標價-現價)/現價

旺矽

(6223.TWO/6223 TT)

營收及獲利持續創高，測試介面族群首選

重要訊息

旺矽公布 3Q26 財報，營收與獲利持續創高。

評論及分析

3Q26 毛利率優於預期，4Q26 營收與獲利持續創高。旺矽 3Q26 營收季增 12.8%，年增 72.9%，低於凱基預期，但超越公司原先展望。我們認為預估落差主要來自營收認列時點差異，並非需求放緩。毛利率季增 3.3ppts 至 61.7%，優於預期，反映產品組合進一步轉佳。獲利季增 18.2%，EPS 為 18.38 元。展望 4Q26，ASIC 探針卡持續出貨，管理層預期營收季增 5-10%，毛利率有望維持 3Q26 水準，延續營收與獲利持續創高的趨勢。

ASIC 與 CPU 題材兼具，毛利率呈向上趨勢，為測試介面族群首選。凱基預估 2027 年 AI ASIC 出貨和成長性將首超 GPU。旺矽身為 ASIC 探針卡主要供應商，ASIC 專案數為我們研究涵蓋的測試介面業者中最高，可望充分受惠於 ASIC 需求擴張。同時，CPU 需求強勁，打入 CPU 探針卡供應鏈亦增添成長動能。隨新增產能陸續開出，公司將持續承接客戶需求，支撐 2027-28 年營收成長達 75.6%及 35.5%。此外，MEMS 探針卡占比提升帶動產品組合轉佳，毛利率上升趨勢明確，使獲利成長分別達 103.2%及 44.8%，優於營收。相較台灣同業毛利率較易隨季度產品組合波動，旺矽為我們研究涵蓋的台灣測試介面業者中，唯一毛利率呈穩健上升趨勢的公司。綜上所述，我們認為旺矽應享有相對同業的評價溢價，維持其為測試介面族群首選。

CPO 設備貢獻時程待釐清，惟評價進一步下修風險有限。由於 Insertion 2 機台開發難度高，旺矽 CPO 設備的營收貢獻時點具不確定性。公司仍持續與主要客戶合作開發，且客戶並無跳過此測試階段的規劃。我們對 2027 年 CPO 設備營收貢獻維持較保守看法，預估占整體營收比重僅中個位數。市場對量產時程不確定性及相關營收貢獻的疑慮，已對股價表現造成壓力，惟考量市場對此業務的預期已偏悲觀，我們認為評價進一步下修風險有限。

投資建議

考量市場風險偏好下降，以及 CPO 設備的疑慮，我們將目標本益比調降至 35 倍，目標價調降至 7,000 元。此次調整主要反映評價假設轉趨審慎，我們對核心業務需求及產能擴充的看法仍維持正向。維持「增加持股」投資評等。

投資風險

競爭加劇；需求轉弱；全球經濟衰退。

股價說明

等級	定義
增加持股 (OP)	對個股持正面看法，預期個股未來十二個月的表現超越凱基證券集團所追蹤的相關市場的總報酬。
持有 (N)	對個股持中性看法，預期個股未來十二個月的表現符合凱基證券集團所追蹤的相關市場的總報酬。
降低持股 (U)	對個股持負面看法，預期個股未來十二個月的表現低於凱基證券集團所追蹤的相關市場的總報酬。
未評等 (NR)	凱基證券未對該個股加以評等。
受法規限制未評等 (R)	受凱基證券集團內部政策和/或相關法令限制使凱基證券集團無法進行某些形式的資訊交流，其中包括提供評等給投資人參考。
	*總報酬 = (十二個月目標價-現價)/現價

第三季財報預覽：優異的數字恐難激起投資人熱情

重要訊息

輝達預計在 11/17 (美國時間)公布第三季財報並召開法說會。

評論及分析

超越財測是市場共識。我們預期輝達 FY3Q27 營收可達 1,150 億美元，略高於公司財測上緣及市場預期的 1,090 億美元，毛利率受記憶體價格影響，微降至 74%。因設計更改等問題，Rubin 起量從第三季底開始，下游出貨集中在第四季。放寬 HBM4 的頻寬標準，將加速生產放量，而全年的營收較集中在第四季。我們預期公司第四季營收指引中位數為 1,250 億美元(+9% QoQ)，毛利率受記憶體價格影響下滑到 71%。

記憶體價格維持高檔，晶片廠商轉嫁勢在必行。我們預期輝達 2026/2027 年資料中心營收將分別達 3,845 億/6,722 億美元。由於 HBM 價格一年一調，明年初將一口氣反映落後的漲幅，我們預期 HBM4 明年的報價落在 4-5 美元/Gb，對比今年 HBM3e 約 1.7-2.2 美元/Gb。不考慮庫存狀況和折讓，過去記憶體廠商營收約占 AI 晶片廠商的 15-25%，目前提升至 50%，明年上看 70%，大幅壓縮晶片廠商的獲利空間。因此，我們預期記憶體升級降規以及晶片廠商調漲售價轉嫁記憶體報價上漲是勢在必行。我們預估輝達明年將調漲報價 15%。Vera 除了 VR 系列將新增獨立機櫃需求，目前以訂單來看，可望較今年成長 150-200%，2027 年貢獻高達 600 億美元的營收，但供應鏈能否跟上是一個關鍵。目前看法沒有改變。

市場低估了輝達對於供應鏈的掌握。展望 2027 年，AI ASIC 出貨將首度超過 GPU，但是 GPU 仍占產值約七成比重。也許基於成長趨緩、資料中心建置面臨電力和資本諸多限制以及 AI ASIC 蠶食市占率等憂慮，即使連續 15 季財報數字皆超過市場預估和公司財測，公司的評價始終處於歷史低位。對於評價來說，是否要視輝達為週期股見仁見智，但是我們認為市場遠遠低估了輝達對於供應鏈的掌握。充沛的現金流更是強勁的護城河，輝達利用融資、投資和預付款等各種形式扶植供應鏈的擴產，AI ASIC 就算未來在產值也超越了 GPU，但是未必能夠有足夠的產能支持。

投資建議

維持輝達目標價 345 美元，基於 2027 年(2028 財年) 22 倍的本益比，於歷史均值，目標本益比已反映了營收成長減速。

投資風險

AI 需求反轉，晶片競爭加劇。公司管理層變動則為系統性風險。

圖 5：公司概況

1993 年成立的 Nvidia 是全球 IC 設計大廠，負責設計並銷售積體電路 (IC) 產品 (如 CPU、GPU 與 DPU)，主要供 PC、伺服器與汽車產業應用。公司在分離式桌機 GPU 市場居領先地位，2020 年市佔率接近 80%。受惠於人工智能浪潮，Nvidia 擴大其加速運算領域優勢，在訓練用 GPU 具有壓倒性的地位，期望透過人工智慧 (AI) 與高效能運算 (HPC) 推動長期獲利成長。

項目	定義
能源使用	直接與間接能源消耗總量(十億焦耳) - 公司運營範圍內消耗之能源總量 - 能源使用總量 = 直接能源消耗總量 + 間接能源消耗量 - 總能源使用量包括購買的能源、生產的能源 - 就公用事業而言，輸電/電網損耗為其業務活動之一部分，被視為總能源消耗，數據不包括為滿足能源使用而生產的電力（公用事業為出售而生產） - 就公用事業而言，用於能源生產的煤、天然氣或核能等原料不屬於「總能源使用」項下
購買之再生能源	Primary 再生能源購買總量(十億焦耳) - 公司各種來源之能源消耗量與購買的能源中屬於自然界可再生者（太陽能、風能、水能、生物質能、地熱能）之量 - 如無證據顯示再生能源由公司生產，則所報告的能源數據視為購買的再生能源
再生能源使用率	再生能源占總能源消耗量之比例
CO2 約當排放量	直接 CO2 與 CO2 約當排放量(公噸) - 公司擁有或控制的來源的直接排放量（範圍 1 排放量） - 相關氣體：二氧化碳 (CO2)、甲烷 (CH4)、一氧化二氮 (N2O)、氫氟碳化物 (HFCS)、全氟化合物 (PFCS)、六氟化硫 (SF6)、三氟化氮 (NF3)
CO2 約當排放量營收比	直接 CO2 與 CO2 約當排放量（公噸）銷售（百萬元）比 - 公司擁有或控制的來源的直接排放量（範圍 1 排放量） - 相關氣體：二氧化碳 (CO2)、甲烷 (CH4)、一氧化二氮 (N2O)、氫氟碳化物 (HFCS)、全氟化合物 (PFCS)、六氟化硫 (SF6)、三氟化氮 (NF3)
廢棄物總量	廢棄物總量(公噸) - 總廢棄物 = 無害廢棄物 + 有害廢棄物 - 僅考慮固體廢棄物，但如液體廢棄物以公噸為單位呈報，則會將其加入求得包含液體廢棄物之總量 - 對於採礦、石油與天然氣等行業，tailings、廢石、煤、飛灰等廢棄物亦考慮在內
廢棄物回收率	公司呈報的廢棄物回收率 - 廢棄物回收率 = 廢棄物回收量/總廢棄物*100 - 廢棄物轉化為能源或經由廢棄物焚燒產生能源視為廢棄物回收 - 經由堆肥回收的廢棄物視為回收之廢棄物
總取水量	總取水量(立方公尺) - 由呈報組織直接或經水公司等中介機構從任何水源抽取的總水量 - 水井、城鎮/公用事業/市政用水、河水、地表水等不同之水源均予以考慮
環保支出	環保支出總金額 - 所有用於環境保護，或防止、減少、控制環境因素、影響、危害的投資與支出，亦包括處置、處理、衛生、清理支出
員工流動率	員工流動率 - 包括任何原因（自願或非自願）離開公司的員工，如辭職、退休、自然離職/死亡、醫療失能、冗員、裁員、重組、解僱、裁減或定期合約到期 - 員工流動率 =（離開之員工/平均員工人數）*100 - 平均員工人數 =（本年末員工人數 + 去年末員工人數）/2 - 本財年末員工數 =上個財年末員工數 + 新員工數 - 離開之員工數
女性經理	女性經理百分比 - 女性經理占公司經理的百分比 - 如有不同階層之百分比，如最高階、高階、中階、初階，則會考慮中階女性經理之百分比 - 女性經理百分比 = 女性經理人數/經理總數*100
女性員工	女性員工百分比 - 女性員工占公司員工總數的百分比 - 女性員工百分比 = 女性人數/員工總數*100
教育訓練總時數	所有員工教育訓練總時數 - 僅考慮員工教育訓練時數 - 包括一般員工所有類型的教育訓練（如健康與安全、環境、急難事件救援、技能與職業發展） - 如果數據以天為單位，則乘以 8，係假設 1 天 = 8 小時工作
每位員工教育訓練時數	平均每年每位員工總教育訓練時數
股東治理分數	衡量公司用以反收購工具的有效性
公司治理分數	衡量公司對最佳治理原則的承諾和有效性
產品責任分數	衡量公司生產優質產品和服務的能力，且產品是否將客戶的健康、安全、整合性和數據隱私進行綜合考量
社區關係分數	衡量公司對成為優良公民、保護公衆健康和尊重商業道德的承諾
勞動力分數	衡量公司在員工工作滿意度、健康、工作場所的安全、多樣性、平等以及員工發展機會方面的成效
資源使用指標	衡量公司在原物料、能源或水的使用效率，以及是否通過改進供應鏈來尋求更俱生態效率的解決方案

掌握年輕世代，贏得未來消費金鑰

重要訊息

On Holding 3Q26 營收及毛利率創單季新高，歐美需求升溫為最大亮點。隨著創新產品推出反饋極佳，管理層預計 4Q26 營收將加速成長。

評論及分析

絲毫不畏產業逆境。3Q26 營收年增 17%、季增 10%至 9.3 億瑞郎，再創單季新高，主因全新產品返校季需求暢旺。北美及歐非中東銷售分別加速至年增 12%、18%，反映面對業內最高平均售價與最低折扣率，零售合作夥伴還提供更大的貨架空間；亞太平洋年增甚至達 31%，日韓補貨量遠超預期。若排除美國退稅挹注，全價銷售推升仍毛利率至 66.9%之歷史最高水準，年增 1.2、季增 1.5 個百分點；但更多對創新、技術和高端零售門市投資導致不計入退稅之營利率年減 0.4 個百分點至 15.3%，低於市場共識之 18.0%。稅後淨利 1.6 億瑞郎，折合每股盈餘 0.49 瑞郎。

創新產品加速營收成長。儘管生活風格運動鞋類整體市場經歷下滑，公司產品需求逆勢上揚並擴大市佔率。Cloudtilt Arc 在 9 月發布後頭幾天即完成三大區域銷售目標，亞太銷量超出預期四倍，並迅速成為歐洲 Z 世代消費者的必備單品。明年 1 月即將全面上市的 Cloudsurfer 3，10 月在部分跑步專賣店優先發售，首週銷售量是 Cloudsurfer 2 的四倍以上，吸引大型零售商加大春季訂單。管理層預計 4Q26 營收將連續兩季加速成長。

全價銷售威力。公司擴大對 DTC 業務投入，重點耕耘客單價高、回購率高、購買量也更大的年輕客群，反饋熱烈。加上產品組合多元展開 (2027 年將新增高爾夫與足球運動項目，長期加速服裝業務)，以及亞太滲透率仍低，我們預期 On 品牌未來三年將保有全球機能性跑鞋之龍頭地位，實現營收年複合成長 16%與利潤率走升，並驅動長期評價向上。

投資建議

憑藉新產品、新客群及新市場開發，On 品牌優於全球同業的營運成長動能有望使其享有評價溢價。我們維持「增加持股」評等，目標價上修至 51.5 美元，係根據 2026-27 年平均每股盈餘預估之 40 倍推算得出。

投資風險

下檔風險為消費不如預期及品牌人氣下滑。

資料來源：公司資料；凱基

On Holding 11 月 11 日法說會重點摘要

- 3Q26 稅後淨利 1.6 億瑞郎，折合每股盈餘 0.49 瑞郎，優於市場預期 35%，主要來自美國退稅貢獻。營收年增 17%、季增 10%至 9.3 億瑞郎，再創單季新高，主因全新產品在返校季需求尤為強勁。若排除美國退稅之一次性利益，平均售價提升仍帶動毛利率年增 1.2、季增 1.5 個百分點至 66.9%，亦為歷史最高水準；但擴大對創新、技術和高端零售門市投資推升費用率，導致不計入退稅之營利率年減 0.4 個百分點至 15.3%，低於市場共識之 18.0%。

- 市場別營收：北美（佔總營收 53%）及歐非中東（27%）分別加速至年增 12%、18%，反映面對業內最高的平均售價與最低的折扣率，零售合作夥伴還提供更大的貨架空間。亞太平洋（20%）年增 31%；其中，日本補貨量遠超預期，韓國單店業績亦超前 30%以上。

- 產品別營收：鞋類（佔總營收 91%）、服裝（7%）及配件（2%）分別年增 15%、39%、39%，需求穩健。

- 通路別營收：批發業務（佔總營收 58%）年增 12%，再度加速，反映美洲數個合作夥伴拉貨從 10 月提前至 9 月。直接面對消費者（DTC，42%）年增達 25%，但實際上管理層期待值更高。本季促銷環境導致線上客流量略有下滑，但公司在所有市場皆嚴格控制價格，並將部分新店開幕推遲至 4Q26。

- 3Q26 庫存週轉天數年增 15%、季增 5%至 141 天，連續兩季正成長，但仍低於過去五年平均之 155 天；其中，庫存數量成長已較過去幾季 20-25%放緩至 16%。

- 管理層維持 2026 年營收年增至少 20%之展望（匯率中性），換算報告營收為年增 15-18%。考量美國關稅退款貢獻，毛利率指引上調至 67.5%；排除關稅退款則為 66.0% (前次為 65.0%)，得益於全價銷售與 DTC 佔比增加，以及營運槓桿效益。

- 短期而言，預計 4Q26 營收將加速成長，動能來自 DTC 表現強勁。在美國，公司產品售罄率超越進貨量，產業逆風並未造成影響。

- 明年 1 月將全面上市的 Cloudsurfer 3，10 月在部分跑步專賣店優先發售，首週銷售量是 Cloudsurfer 2 的四倍以上，吸引大型零售商加大春季訂單。Cloudsurfer 3 為首款採用 SURREAL 超臨界泡棉的跑鞋，公司計畫 2027 年底前將該材質應用至幾乎所有高性能跑鞋系列。

- 儘管生活風格運動鞋類整體市場正經歷下滑，公司產品需求逆勢成長並擴大市佔率。Cloudtilt 毫無疑問為爆款，在歐洲銷售第一，在美國和亞洲也名列前三名。Cloudtilt Arc 在 9 月發布後頭幾天即完成三大區域銷售目標，亞太銷量超出預期四倍，並迅速成為歐洲 Z 世代消費者的必備單品。隨著其他鞋款 3Q26 也開始受到消費者的青睞，明年計畫推出 Cloudswift 5－首款從街頭潮流中汲取靈感設計的運動鞋。

- 2027 年將推出全新運動項目－高爾夫及足球；大部分技術基礎架構前期投資將在 2H26 到位，銷售與營運槓桿效益則將自 2027 年開始逐步顯現。
- 公司加大對 DTC 業務投入，重點在於年輕客戶、提升鞋服混合消費的客單價，並透過實體零售店增強品牌影響力。在年輕客群方面，公司 24 歲以下的線上客戶數量年增近乎一倍，男女佔比相當均衡，這些人客單價高、回購率高，購買量也更大。
- 管理層表示，新一代零售店的服裝佔比較現有門市高出至少 50%，且銷售效率在整個銷售網絡中皆超過鞋類，支持未來三年服裝銷售成長三倍之策略目標。
- 在合作零售夥伴方面，公司在 Dick'S Sporting Goods (美) 門市市佔率已達 60%，Foot Locker (美) 和 JD Sports (英) 亦皆有 50%；2029 年目標上看 75%。
- 預計未來數季亞太平洋銷售成長趨於 25-30%。在中國，品牌仍專注一二線城市，潛在發展空間巨大。管理層表示，公司不願像中國同業這樣，例如在雙十一促銷高峰期過度投入來換取更高成長，而是希望用心經營全價銷售。
- 「高端策略」讓公司在實現獲利創高的同時，還能在未來三年對相關技術進行大量投資。與足球項目啓動相關的部分生產成本、一系列的基層活動和合作項目，預計 4Q26 將計入。
- LightSpray 需求量自足球鞋計畫展開後大幅提升，並帶動 LightSpray 現有鞋款銷量，尤其 LightSpray Cloudmonster Hyper。考量目前瑞士和韓國產能仍遠低於需求，越南及葡萄牙新廠預計 2027 年中前投入營運；前者全面建成後有望推升產能翻倍以上，後者則將供應大部分足球鞋。

成立於 2010 年，On 為曾拿下世界級鐵人三項冠軍的 Olivier Bernhard 夥同兩位跑友所創辦的瑞士運動鞋品牌；2022 年經網球明星 Roger Federer 投資與代言後聲名大噪。On 運動鞋標榜猶如在雲端跑步的舒適感；其在瑞典市佔率高達四成，但全球市佔率僅 2%。公司計畫未來將跨足服裝業務。美洲為 2025 年營收主要來源地區，佔比達 58%，其次分別為歐非中東 25%、亞太平洋 17%。

線上法說會重點摘要

大銀微系統

(4576 TT, NT$194.5, 未評等)

焦點內容

1. 3Q26 營收季增 19%、年增 77%至 12.18 億元，其中定位平台營收年增 101%，佔整體營收 58%。受惠高毛利平台出貨佔比提高及規模經濟，毛利率季增 5.3、年增 8.7 個百分點至 42.4%。
2. CPO 相關訂單已排至 2027 年年中。矽光子檢測平台 2026 年 4 月開始供貨，8 月取得量產續單，目前已貢獻營收。公司預期 2027 年高階定位平台需求延續。
3. 高階定位平台具較高附加價值，有助推升毛利率，第二階段擴產預計自 2027 年 4 月貢獻營收。元件業務則透過產線自動化提高產出，帶動營收成長，中長期目標為將元件營收佔比由約 40% 提升至 45-50%。

結論

CPO 訂單與新產能開出可望延續 2027 年高階定位平台的出貨動能，提升整體毛利率。元件業務透過產線自動化增加產出，將增添營收成長動能。

營運展望

- 依目前接單及出貨組合，公司預期 4Q26 毛利率約 40%。2027 年隨新產能開出及新應用導入，毛利率目標亦為 40%，實際表現視出貨組合而定。
- 2027 年資本支出初估 1.2-1.5 億元，主要用於高階定位平台擴產、元件產線自動化、精密加工設備及生產系統更新。
- 微米級及奈米級定位平台第一階段擴產已完成。第二階段預計於 2027 年 2 月底至 3 月中完成，約一個月後開始產出，預計 4 月反映在營收。
- 第三階段擴產已開始規劃，動工時程將視客戶新專案及訂單意向而定。
- 高階定位平台訂單能見度約 5-6 個月，交期約 3 個月。元件訂單能見度約 3 個月，交期約 2-2.5 個月。
- 工程師不足限制高階定位平台放量。公司持續招募工程師，並規劃隨元件產線自動化，將調派部分人力支援高階平台。
- 公司加強與物料供應商合作，並增加磁鐵等備料。管理層表示，物料供應狀況正逐步改善。
- 高階定位平台具較高附加價值，有助支撐整體毛利率。元件業務則將持續推動產線半自動化及自動化，以提高產出、帶動營收成長。公司中長期目標為將元件營收佔比由約 40%提升至 45-50%。

請將您珍貴的一票投給凱基！

重要免責聲明，詳見最終頁

- 公司將以 1-Nano Controller、Tip-Tilt 高精度五軸馬達及 MD-ZT 多維度定位方案，因應晶圓及大面積面板翹曲，目標提高平台 ASP 與高階應用營收佔比。
- 精密力量控制技術正依計畫開發，規劃由非接觸式量測與檢測延伸至精密鑽孔、塔式分選及混合鍵合（Hybrid Bonding）等接觸式製程。
- 2027 年 1-Nano Controller 維持搭配高階定位平台銷售。研發重點包括控制演算法、增益頻寬、位置／速度／電流三環控制，以及參數調校與驗證。
- 元件端將持續擴充驅動器與控制器的應用程式庫，以降低客戶導入難度，帶動驅控元件及馬達銷售。
- CPO 相關訂單已排至 2027 年年中。矽光子檢測平台 2026 年 4 月開始供貨，8 月取得量產續單，目前已貢獻營收。現階段供應 CPO 製程 Insertion 3，主要用於光學引擎及系統級測試。

財報及營運更新

- 3Q26 營收季增 19%、年增 77%至 12.18 億元，主要由定位平台帶動。定位平台營收季增 32%、年增 101%至 7.06 億元，佔整體營收 58%。元件營收季增 3%、年增 49%至 4.94 億元，佔比 41%。
- 3Q26 毛利率季增 5.3、年增 8.7 個百分點至 42.4%，主因高毛利定位平台出貨佔比提高及規模經濟效益。
- 3Q26 營業費用率降至 18.1%，帶動營業利益率季增 6.3、年增 13.9 個百分點至 24.3%。
- 3Q26 EPS 季增 123%、年增 257%至 2.14 元。業外由淨支出轉為淨收益，主因匯兌轉盈。
- 3Q26 美洲、台灣、其他亞洲地區營收分別季增 21%、51%及 15%，年增 127%、101%及 89%。歐洲營收季增 5%、年減 12%。
- 美國期中選舉後，公司向美國、台灣及其他亞洲客戶確認，截至今日，現有及新增專案、需求預測、出貨台數及交期均未見變動。
- 半導體及 CPO 相關平台毛利率最高，精密量測與檢測次之，PCB、電子製造及自動化用平台較低。管理層表示，定位精度越高、整定時間越短，平台毛利率越高。
- 高階定位平台兼顧移動速度與定位穩定度，有助前段晶圓檢測設備在高速移動時維持成像品質。
- 1-Nano Controller 的伺服穩定度達±1nm，搭配 50-100 倍顯微鏡可維持取像清晰，並支援秒級尋光，以提高光耦合效率。
- 公司整合自有控制器、驅動器、馬達及位置量測系統，搭配上銀(2049 TT, NT$314.0，增加持股)的線性滑軌與滾珠螺桿，供應客製化定位平台，並可延伸至晶圓搬送與設備前端模組（EFEM）。

- 集團估計關鍵元件自給率逾 85%，其中控制器為 75%，驅動器、線性馬達及 AC 馬達均為 100%。垂直整合有助縮短開發時程、降低介面整合風險及擴大單機供應範圍。
- 高階平台所需的驅動器、控制器及直驅馬達均備有庫存。管理層表示，其中 98%為標準品，有助加快打樣及交付。
- 元件端提供 HIMC3 運動控制器、E2 驅動器及直驅馬達。驅動器支援 EtherCAT、PROFINET、EtherNet/IP 及 MECHATROLINK，客戶可沿用既有上位控制器，搭配大銀微系統元件用於 PCB 設備、電子製造及智慧自動化。

法說會重點摘要

藥華藥

(6446 TT, NT$1,335, 增加持股)

重點摘要

1. 藥華藥 3Q26 營收 77.6 億元，QoQ +13%，YoY 近翻倍，主因美國與日本銷量成長、Ropeg 注射筆於美國上市，以及美日原發性血小板過多症（ET）適應症自 9M26 開始貢獻；1-10M26 營收 226 億元，YoY +86%。3Q26 毛利率 96.8%，YoY +5.2ppts；營益率 40.3%，排除約 4.7 億元員工認購庫藏股費用後約 46.4%；EPS 7.08 元創單季新高，1-3Q26 EPS 18.43 元已達 2025 年全年的 1.5 倍
2. ET 已取得台灣、日本、美國、中國藥證，美日皆為全線適應症，韓國預計 2027 年初取證；真性紅血球增多症（PV）方面，Ropeg 於 NCCN 指南高、低風險皆列首選，競品 rusfertide 僅列註腳。我們認為 ET 可直接沿用 PV 既有的醫師網絡與用藥經驗，放量速度可望快於 PV 上市初期，為 2027 年營收成長主軸；公司目標 2027 年費用率降至 40 幾%，惟投資抵減用完後稅率將朝 20%靠近
3. 原發性骨髓纖維化（PMF）三期試驗 HOPE-PMF 已於 6M26 完成收案 160 人、9M26 通過資料安全監測委員會（DSMB）審查，目標 2028 年解盲送件，為第三個適應症；CML、HCC、AML、CTCL 等研究者發起試驗（IIT）持續延伸適應症。2026-2027 年多項 PEG 細胞激素、雙特異性抗體、ADC、MPN 標靶新藥與 TCR-T 目標申請 IND；竹北廠目標 2027 年投產

結論

我們認為藥華藥已進入 PV、ET 雙適應症驅動的成長階段，3Q26 在一次性費用干擾下營益率仍達 40.3%，營業槓桿持續發揮。我們看好 ET 藉 NCCN 首選地位與既有骨髓增生性腫瘤（MPN）醫師網絡加速滲透，帶動 2027 年營收增速持續高於費用；惟稅率回升將使淨利增幅低於營益。後續驗證點為 4Q26 首個 ET 完整季度貢獻、2027 年費用率能否降至 40 幾%，以及 2028 年 HOPE-PMF 解盲結果

請將您珍貴的一票投給凱基！

3Q26 財務表現

- 3Q26 營收 77.6 億元，QoQ +13%，YoY 近翻倍，YoY 增幅由 2Q26 約+90%擴大至接近+100%；成長來自美國與日本銷量成長、注射筆於美國上市，以及美日 ET 適應症自 9M26 開始貢獻
- 3Q26 毛利率 96.8%，YoY +5.2ppts，原因有三：
  - 美國、日本兩大高價值市場營收占比提高，產品組合優化
  - 美國藥價於 5M26 調升，3Q26 為首個完整反映的季度
  - 銷售以美元為主、成本以新台幣為主，新台幣較去年同期走貶

凱基投顧

徐雋翔
886.2.2181.8745
kenny.ch.hsu@kgi.com

重要免責聲明，詳見最終頁

- 3Q26 營業費用 YoY +83%，主因認列員工認購庫藏股費用約 4.7 億元（非經常性），排除後 YoY +63%；費用率由 3Q25 的 61.6% 降至 56.5%，排除後約 50.4%
- 3Q26 營業利益 31.3 億元，YoY +168%；營益率 40.3%，YoY +10.4ppts，排除庫藏股費用後約 46.4%，與 2Q26 相當
- 3Q26 稅後淨利 29.2 億元，YoY +98%，淨利率 37.7%；淨利增幅低於營益，主因 3Q25 認列所得稅利益墊高基期。3Q26 有效稅率約 10%來自投資抵減，預計 2026 年大致用完，2027 年稅率朝 20%靠近
- 3Q26 EPS 7.08 元，YoY +97%，創單季新高；1-3Q26 營收 YoY +84%，營業利益 83.7 億元，YoY +149%，EPS 18.43 元，已為 2025 年全年 12.3 元的 1.5 倍
- 1-10M26 營收 226 億元，YoY +86%，2025 年全年營收為 157 億元

PV：NCCN 首選地位穩固

- 美國 MPN 病患約 34.7 萬人，其中 PV 約 16.3 萬人、ET 約 17 萬人、PMF 約 1.4 萬人；ET 人數隨診斷率提升持續增加
- PV 已擴展至全球約 50 國，2026 年取得加拿大藥證，後續包括墨西哥、越南、哥倫比亞
- NCCN PV 指南中，Ropeg 為低風險 PV 唯一首選療法、高風險 PV 唯一首選干擾素
- Takeda／Protagonist 的 rusfertide 於 2026/8/28 獲准用於 PV，但 NCCN 僅列於註腳：
  - 限頻繁放血或不耐受放血時使用，高風險病人只能 add-on 於現行治療
  - 機制為降低鐵的利用、只降低紅血球生成，不能取代細胞減量療法；Ropeg 試驗評估的完全血液學反應（CHR）涵蓋紅血球、白血球與血小板
- 低風險 PV 中 Ropeg 合併放血對照僅放血：治療反應率 81.3%對 50.8%，血球比容（Hct）控制 81.3%對 58.7%，疾病惡化 0%對 12.7%；KOL 愈來愈重視疾病修飾與早期治療，有助擴大可治療族群

ET：四國取證、全線適應症

- 過去 ET 用藥僅 Hydroxyurea（HU）與 anagrelide，臨床試驗中 Ropeg 對比 anagrelide 為 42.9%對 6%，達統計顯著
- ET 藥證：台灣 2026/5/12、日本 8/24、美國 8/28、中國 10/15 已取證；新加坡 10/12 送件；韓國預計 2027 年初取證
- 美日皆取得全線 ET 適應症（一線、二線病人皆可使用），後續各國送件亦朝全線方向；日本 ET 病患約 6.3 萬人、美國約 17 萬人
- Ropeg 注射筆已於美國上市並貢獻 10M26 營收，病人與醫師回饋

良好，有助提升病患留存與新病患採用

PMF 三期與適應症延伸

- HOPE-PMF 為隨機、雙盲、安慰劑對照三期試驗，2:1 分組，治療 80 週進行指標分析：
  - 6M26 完成收案，超收至 160 人
  - 9M26 通過 DSMB 審查，目標 2028 年解盲並送件
- PMF IIT 兩年數據：血液學反應率 W12 為 61.4%、W48 為 63.5%，其後達 70.0%；平均血小板由 512 降至 279（$\times 10^9/L$），W12 起即低於正常值上限
- IIT 延伸：CML（併用 dasatinib）一期／二期 IND 已獲核准、HCC（併用 anti-PD-1）一期數據已發表、AML 一期 IIT 進行中、CTCL 與 CMML 二期 IND 準備中、MF（併用 ruxolitinib）一期 IND 已提交；NCCN CTCL 指南已將 Ropeg 列為干擾素替代選項

早期產品線與產能

- 2026-2027 年多項產品目標進入臨床一期：
  - 雙特異性抗體 PD-1-IL-2v 預計 2026 年 IND
  - PEG-IL-2、PEG-Cytokines、ADC 與 KRAS TCR-T 預計 2027 年 IND
  - MPN 新藥 Type 2 JAK2 inhibitor 與 mCALR antibody 預計 2027 年 IND
- 已併購加拿大 FORUS，並於墨爾本設立營運據點推動臨床試驗；2026 年全球員工目標接近 1,000 人
- 竹北廠已進入製程設備安裝與機電管線整合階段，目標 2027 年投產；波多黎各廠設備均已下單，相關申請進行中

QA

- CMS 追溯調整何時認列完畢？
  - 2025 年 CMS 追溯調整預期於 2026 年處理完畢，剩餘金額較前兩次小；調整皆反映於營收，不影響營業成本
- 2027 年費用率如何展望？
  - 1-3Q26 費用率約 51%，2027 年 PV、ET 雙適應症帶動營收成長高於費用成長，目標費用率往 40 幾%邁進
  - 不提供推銷、管理、研發細項預估，建議參考 1Q-2Q26 的費用結構
- 稅率展望為何？
  - 3Q26 有效稅率 10%主要來自投資抵減，預計 2026 年大致用完，2027 年稅率朝 20%靠近

- 何時能達到規模經濟？
  - 3Q26 營益率 40.3%，國際大藥廠平均約 30%，前段班約 40-55%，禮來約 50 幾%，公司仍有優化空間
- 資本配置規劃為何？
  - 竹北、波多黎各廠依計畫擴建，並於美國購置不動產作為未來辦公室
  - 積極評估併購、少數股權投資與授權，並投資基金尋找合適標的
  - 在保留發展資金的前提下，以股利回饋股東
- ET 在美國的給付與藥價狀況？
  - ET 適應症已納入美國保險給付體系，處方採用持續增加
  - ET 與 PV 為同一產品，批發標價統一，實際淨價依各保險支付方的合約與回饋而異
- ET 成長速度是否會快於 PV？
  - 9M26 即有實質營收貢獻；MPN 醫師手上同時有 PV 與 ET 病人，且已熟悉 Ropeg 的安全性，加上醫學科學聯絡官（MSL）團隊支援，拓展速度將優於 PV 上市初期
  - PV 與 ET 互相帶動，並已耕耘社區醫院，加速處方滲透
- 是否考慮布局調控鐵的藥品？
  - 公司認為調控鐵僅降低紅血球生成，產業趨勢是疾病修飾、降低突變等位基因負荷，因此布局 Type 2 JAK2 與 mCALR 等標靶藥物
- Ropeg 在中國的定價策略？
  - 中國醫保走向較 commodity，為避免影響國際定價，目前以自費市場為主，並持續與主管機關溝通

法說會重點摘要

沛爾生醫

(6949 TT, NT$44.75, 未評等)

重點摘要

1. PL001（CD19 CAR-T）第二期臨床試驗於 4M26 因已達統計上顯著意義而提前終止，並經獨立數據監測委員會（IDMC）確認；一期至二期共收案 24 例、本次公開 21 例，對比諾華 Kymriah 的 P 值為 0.008，反應持續時間（DOR）10.5 個月、無惡化存活期（PFS）已自 11.3 個月延長至 14 個月，最高等級細胞激素釋放症候群（CRS）與神經系統副作用均未發生。公司現與 CDE、TFDA 組成的 T-RMAT 團隊共同備件，為台灣首件再生醫療製劑查驗登記案
2. 子公司台灣細胞製造（tcmc）竹北廠產能 300 例/年、製程 7 天，相較 Kymriah 在台採血送瑞士、Yescarta 送洛杉磯可省去跨境運送成本。我們認為在地製造與自製慢病毒（LV）是 PL001 的核心優勢，以兩者在台健保 819 萬元/劑為基準，取證後公司在高毛利與低價搶占給付之間具雙向彈性
3. PP021 憑藉一期臨床與海外真實人體數據的安全性，在美國《嘗試權法案（Right to Try）》通過不久即獲美方主動邀請，創下尚未取得正式藥證便合法落地美國、提前自費開賣的罕見紀錄；這不僅打破了生技研發漫長燒錢的宿命、為公司帶進早期實質現金流，更在美國本土實戰累積關鍵真實世界數據（RWE），為 2027 年進軍帕金森氏症與阿茲海默症二期樞紐試驗及未來的全球授權談判，奠定了戰略主導權。

結論

我們認為投資評估重心已從臨床數據轉向定價與商業化執行。PL001 療效與 Kite Pharma 產品無統計差異，但公司收治的是二線治療失敗、病況較差的病人，第三期將把收案拉到第二線，我們預期數據會比原廠其他藥更有競爭力。近期驗證點為 T-RMAT 送件與取證時程、tcmc 的 CDMO 訂單承接，以及 PP021 第一期於 12M26 結束後的數據揭露，及 Right to try 法規路徑的突破性商轉結果

PL001 二期數據與查驗登記進度

- 第二期臨床試驗於 4M26 通過期中分析，因已達統計上顯著意義，基於醫學倫理提前終止，所有委員均同意；2026/4/10 通過獨立數據監測委員會（IDMC）的資料安全審查
- 一期至二期共收案 24 例，本次公開分析對象為 21 例；客觀療效 P 值對比諾華 Kymriah 為 0.008 幾，小於 0.05，數據由獨立委員會計算而非公司自行統計
  - 反應持續時間（DOR）至 4M26 為 10.5 個月，Kite Pharma 發表為 11.1 個月；公司資料截止後現已超過 11 個月，多數病人仍維持腫瘤消失狀態，諾華並未公告其療效維持期間

凱基投顧

陳宣甫
886.2.2181.8724
hsuan.chen@kgi.com

徐雋翔
886.2.2181.8745
kenny.ch.hsu@kgi.com

重要免責聲明，詳見最終頁

  - ➢ 無惡化存活期（PFS）為 11.3 個月無變化，資料截止後已延長至 14 個月；吉利德（Gilead）產品為 5.8 個月
  - ➢ 最高等級細胞激素釋放症候群（CRS）與神經系統副作用均未發生；臨床上約 2 週內出現 CRS、其後 2-3 天須觀察神經系統反應
- 與 10M26 通過健保的 Kite Pharma 產品相比療效無優劣差異，但對方選入的病人條件較佳，公司收治的是二線治療失敗者；第三期將比照把早期病人納入收案
- 現與藥品查驗中心（CDE）及食品藥物管理署（TFDA）組成的 T-RMAT 團隊共同備件，公司為台灣第一案；第一步申請即需數千頁資料並分批遞交，公司表示資料送進官方後進度無法控制
- 台灣目前僅 8 家醫學中心可收治 CAR-T 病人，主管機關顧慮醫院開得了但照顧不來，公司正爭取放寬

製造優勢與定價空間

- 子公司台灣細胞製造（tcmc）位於竹北生醫園區、持股 66.88%，CAR-T 產能規劃 300 例/年
- 諾華 Kymriah 在台採血後送瑞士、Kite Pharma Yescarta 送洛杉磯，公司在地製造可省去這一趟的產能風險與費用；台大醫院送台南、高雄的交期都很快
- 慢病毒（LV）是除人工以外成本最高的環節，以往在 819 萬元/劑的售價下單一病人可賺 100 萬元、後降至 50 萬元，公司自製後有能力再把毛利往上拉
- 台灣方面諾華 Kymriah 已有健保給付，Kite Pharma Yescarta 於 10M26 通過健保，同為 819 萬元/劑
- 公司認為可優於競品的原因有二：在地製造；DNA 設計與競品不同，未踩到對方專利且該專利已到期

技術平台與實體癌布局

- 傳統單鏈 CAR-T 的細胞結合力與毒殺效率受限，業界多從彈頭（抗原辨識區）改良，公司認為改彈頭並不足夠，改的是鏈數：彈頭不變，把單鏈改為三條鏈、三個蛋白
- PL002 以間皮素（mesothelin）為彈頭，卵巢癌動物試驗中多鏈 CAR-T 打完約 10 天腫瘤明顯縮小、第 40 天完全消失；傳統單鏈僅部分有效、腫瘤仍存在，一般 T 細胞組第 40 天仍整體長大
  - ➢ 先做卵巢癌是因為半數以上病人在 2-3 年內復發、可選標靶僅一個，且病人多在 40-60 歲；間皮素在胰臟癌與卵巢癌表現率達 70%以上，成果可沿用至胰臟癌，為下一階段標的
- 自體 CAR-T 無排斥與移植物抗宿主疾病（GvHD）風險、可在體內長期存活，是目前療效的天花板：原本 6 個月內死亡的病人打完 CAR-T 後 5 年有半數以上存活；缺點是無法大批次生產、價格高且需冷鏈運送

- 公司前後約 2 年投入的異體 CAR-T 抑制抗體開發已停止，現全部轉向 in vivo CAR-T，手上有兩個版本正在比較強弱；該技術專利尚未取得，2027 年才會完整說明

小肽平台與美國 Right to Try 路徑

- 小肽來源為 17 年前自兔皮萃取物經高效液相層析（HPLC）分出的 6 段蛋白之一，口服 30 分鐘可穿透血腦屏障（BBB）並在腦組織與腦脊髓液測到；臨床試驗用 GMP 等級藥物已製成，歐盟已有 2 個國家索取、擬把自家藥物接在小肽下帶進腦部，產出的智慧財產共享
- 帕金森氏症動物試驗中，爬竿時間、步態評分、握力與顫抖評分均呈劑量效應，效果與第一線用藥相近，酪胺酸羥化酶（TH）染色顯示可保護黑質多巴胺神經元；阿茲海默症的築巢與水迷宮試驗結果相同
- 公司主張現行帕金森氏症療法為補充療法，治療期間多巴胺神經元仍持續死亡，殘存細胞耗竭後只能植入深腦刺激器（DBS、自費約 70-80 萬元），公司藥物的差異在於保護住健康神經
- PP021 第一期臨床預計 12M26 結束；帕金森氏症第二期預計 2Q27 於北京天壇醫院啓動，4Q27 前進入正式第二期，試驗計畫書已大致完成並將先在台灣推進
- 美國路徑走 Right to Try：公司已接到邀請、2027 年進入美國，美方正建立平台並提供自由貿易區（free trade zone）處理 100%關稅，且已找到醫院願意開方；台灣沒有這項制度，故台灣、中國、歐盟仍走正規臨床路線
- 第二代產品把小肽環化，半衰期（half-life）更長、一天一次即可（現為一天 2-3 次），第二個專利年限 20-25 年；現有專利還有 17 年
- 疾病人數與市場：帕金森氏症美國 100 萬人、中國 500 萬人、歐盟 200 多萬人，阿茲海默症中國 1,000 多萬人、美國 700-800 萬人；僅美國市場帕金森氏症約 70 億美元、阿茲海默症約 150 億美元、漸凍症約 10 億美元
- Right to try:《Right to Try》繞過冗長審批，直接在美國本土落地用藥；傳統美墨或境外知情同意用藥雖然能累積數據，但要正式進入美國病患端，通常得等漫長的 IND/Phase 1/2。而美國聯邦《嘗試權法案（Right to Try Act）》允許已完成 Phase 1 臨床安全性驗證、仍在進行中的新藥，在未獲 FDA 正式核准前，經醫師與病患簽署後合法自費使用。這讓 PP021 能在 2027 年臨床推進的同時，搶先在美國建立真實世界的病患群體與現金流。公司已接到邀請、2027 年進入美國，美方正建立平台並提供自由貿易區（free trade zone）處理 100%關稅，且已找到醫院願意開方；台灣沒有這項制度，故台灣、中國、歐盟仍走正規臨床路線

海外市場與集團架構

- 公司規劃 2027 年進行組織架構重整，2027 年後集團架構變成兩岸三地加美國，美國納斯達克與上海均另有考量；tcmc 預計 2027 年上市
- 馬來西亞與泰國主動接洽，公司 11/29 赴當地洽技術移轉並協助建廠；兩地目前均無 CAR-T，連中國的 CAR-T 也未進入
- 日本已簽保密協議（NDA）：當地一劑 3,240 萬日圓，美國業者做不來並施壓厚生省，現行價格難以維持；日本 CD19 市場 420 多億日圓、含 BCMA CAR-T 與多發性骨髓瘤合計 1,400 億日圓，且日本無自有產品、民族性對基因改造排斥
- 小肽預計 2027 年初、不超過 2Q27 進美國，美方比公司更積極且無關稅；此制度為專案進口，台灣尚無，美國、英國、香港均有並可自費
- 中國市場公司仍在考慮，產品已被認定為第一類新藥、屬生醫十五五規劃六大重點之一；優惠包括臨床試驗輔助、審查期 30 天內未完成視同自動通過、取證當日自動進入醫保且不議價由廠商開價，中國適應症人數 1,200 萬人
- 一家與公司有合作關係的公司以 13 億元買下新加坡一家公司並邀請公司進入東南亞；東南亞除新加坡外均無 CAR-T，印度 Tata Group 雖在孟買的醫院自行生產，公司認為不能算真正的 CAR-T

QA

- 小肽藥物原本用在類風濕性關節炎（RA），與帕金森氏症的機轉類似嗎？
  - 這個藥對自體免疫疾病比較有效，英國也試過幾個，但 RA 第一線到第三線的藥很多，沒有必要現在去競爭；戰略上先走帕金森氏症與阿茲海默症，利用可過血腦屏障（BBB）的優勢
  - 漸凍症也可以做、北榮正在洽談，但台灣只有 800-1,000 人、規模太小不好做；若能通過，第二期即可發藥證，因屬罕見疾病
  - 兩者的作用機制（MOA）是兩條不同的路；公司挑勝算最大、市場最迫切需求的適應症先做
- PL001 的療效比 Yescarta 等競爭對手更好嗎？
  - 跟 Yescarta 差不多，統計學上沒有差異，客觀緩解率與無惡化存活期（PFS）都一樣
  - 但對方是第一線用完失敗後才用，公司收的是第三線、二線失敗的病人，病人條件比對方差；第三期會盡量拉到第二線
- CAR-T 前往美國，冷鏈與運輸時間在成本上會不會有落差？
  - 從台灣運到美國一劑大概增加 20 萬元新台幣；公司 7 天製程可以撐到 8 天，運到中國再加 2 天
  - UPS 已經把流程算好，早上 6 點多華航班機、UPS 接本地派送（Local Domestic）送達，對方認為划得來；美國人工成本高，組織架構與成本仍要精算

- CAR-T 是美方主動要求的，公司本來只打算談小肽，對方是因為現有產品太貴、公司可以省一半價格才主動詢問

■ 台灣的審查進度有沒有影響到公司的合作？

- 任何東西只要送到官方手中就無法控制；現在是官方與公司一起合作要提 RMAT，公司是第一案，CDE 與 TFDA 合成一個小組與公司開會
- 送件資料非常多，第一步申請就要幾千頁，且分批遞交；官方因為是第一個案子也有面子工程的壓力
- 南韓在 4M26 發了 Curocell 的條件式核准（conditional approval），公司看過對方公開數據認為比公司差一級，所以對自家送審有信心

■ 以後是要自己做，還是中間有可能授權？

- 本來是要授權的，原來的 offer 數字不小；後來考慮授權出去就什麼都沒了、以後不能再碰，所以決定自己走
- 公司現在還有錢，走多久算多久；已有大咖要進來但一直擋著，因為不缺錢且越往後做價值越高

■ 台灣先取證之後，同時做第三期的話在台灣就可以先銷售嗎？

- 可以。第三期要 5 年才能完成、日本是 6 年，所以計畫把日本、馬來西亞、泰國納進來做第三期的多中心（Multi-Center）試驗
- 已經算過大概 110 到 120 個病例，試驗計畫書與費用都估得差不多；公司算過現金還夠支撐，至於會不會被逼到賣掉，公司表示盡量不要

■ PP021 的第一期資料大概什麼時候會出來？

- 公司表示資料絕對沒問題，但要等中國國家藥品監督管理局（NMPA）核准後才會公告
- 目前看到的不良事件都與藥物無關，主持人（PI）與友誼醫院的醫師都寫 unrelated；官方要求只要出現問題就要寫，由試驗方判斷關聯性、官方再判斷一次

股價說明

等級	定義
增加持股(OP)	對個股持正面看法，預期個股未來十二個月的表現超越凱基證券集團所追蹤的相關市場的總報酬。
持有(N)	對個股持中性看法，預期個股未來十二個月的表現符合凱基證券集團所追蹤的相關市場的總報酬。
降低持股(U)	對個股持負面看法，預期個股未來十二個月的表現低於凱基證券集團所追蹤的相關市場的總報酬。
未評等(NR)	凱基證券未對該個股加以評等。
受法規限制未評等(R)	受凱基證券集團內部政策和/或相關法令限制使凱基證券集團無法進行某些形式的資訊交流，其中包括提供評等給投資人參考。
	*總報酬= (十二個月目標價-現價)/現價

Asia Vital Components (3017.TW)

3Q26 Beat on Margins Reinforces AI Thermal Ramp; TP Maintained at NT$4,350

CITI'S TAKE

AVC reported net profit of NT$11.6bn, topping Coto/cons estimates by 2%/2% respectively, driven by margins beat partly offset by a non-ops FX loss. GPM improvement was above expectations on a richer liquid cooling mix, yield gains and disciplined raw material pass-through. Mgmt. guided positively for 4Q26 and 2027, led by AI ASIC ramp-up and Vera Rubin ramp up. We model 16% QoQ revenue growth for 4Q26E. GPM guidance also points to further sequential improvement on a higher liquid cooling mix and scale effects. Mgmt. reiterated 2026E/27E capex of NT$15bn/15-20bn, alongside 50%+ cold plate capacity expansion, underscoring capacity conviction. We fine-tune our earnings forecasts to reflect updated guidance and maintain TP at NT$4,350 (25x 2027E EPS). Reiterate Buy.

3Q26 results beat on margins — AVC's reported 3Q26 net profit of NT$11.6bn (+20% QoQ/+52% YoY) beat Citi/cons forecast by 2%/2%, driven by better-than-expected margins, partly offset by a non-ops loss. 3Q26 GPM came in at 33.9% (+1.3ppts QoQ/+7.7 ppts YoY), above both Citi/cons estimates, mainly due to continued mix improvement, a higher liquid cooling contribution, yield gains, and disciplined pass-through of raw material price fluctuations to customers. Non-ops included a NT$304mn FX loss, which partially offset the strong core business.

ASIC ramp and capacity guidance underpin long-term outlook — Mgmt. guided positively for 4Q26 and 2027, led by AI ASIC project ramp-up and early Vera Rubin generation contribution. We now model 16% QoQ revenue growth for 4Q26E. GPM guidance also points to further sequential improvement vs. 3Q26, driven by a higher liquid cooling mix and scale effects. Mgmt. expects server compute tray liquid cooling penetration to reach 100% by end-2027. Mgmt. reiterated 2026E/26E capex guidance of NT$15bn/15-20bn, alongside 50%+ cold plate capacity expansion, reinforcing confidence in capacity build-out.

Implications — We fine-tune our 2026E-28E earnings forecasts to reflect updated guidance and outlook. We maintain our TP at NT$4,350, still based on 25x 2027E EPS. We believe AVC's solid supply position across key customers' AI GPU and ASIC projects, combined with a sustained growth trajectory, continues to support its valuation. With visibility extending into 2027, we see limited near-term read-through risk from the ongoing platform transition. We reiterate our Buy rating on AVC.

Earnings Summary

- Sales to grow by 20%/10% y-o-y in 2026E/27E with OPM at 18.0%
- Target multiple at 20x

Asia Vital Components

Company description

Asia Vital Components (AVC), founded in 1991, is a global leader in thermal solutions, originally focusing on PCs but now specializing in servers and networking. With Furukawa Electric (Japan) as its largest shareholder, AVC provides a comprehensive range of cooling components, including vapor chambers (VCs), fans, cold plates, CDUs, and manifolds, as well as chassis and assembly services for PCs and servers, enabling holistic thermal solution designs and one-stop shop services. AVC's diverse product portfolio supports various sectors, including consumer IT, cloud infrastructure, transportation, energy and networking.

Investment strategy

We rate AVC a Buy. AVC is well-positioned for the liquid-cooling transition, with leadership in cold plates and broad participation across Nvidia and CSP projects. Its high-volume machining capability, manufacturing uniformity, and Vietnam-based capacity provide it with a defensible position as Blackwell and future deployments expand. The company captures a wider share of the thermal BOM, across coldplates, manifolds, QDs, and CDU opportunities, providing a multi-layered earnings engine.

Valuation

We value AVC using a PE-based approach that factors in earnings momentum and the expansion of its addressable market. Our TP of NT$4,350 is derived from applying a 25x PE multiple on 2027E EPS, which we believe is justified given the company's entrenched positioned in the server thermal segment, rising contribution from liquid cooling, and the increasing value of thermal content per server as power density continues to climb. With these structural drivers still in place, we expect the multiple to hold at a premium relative to its historical averages.

Risks

This stock is High Risk based upon our quantitative model but assigning a High Risk rating is not supported by other qualitative factors such as cold-plate leadership and deep CSP penetration, and so a High Risk rating has not been applied. Key downside risks to our investment thesis and target price include: 1) slower adoption pace for liquid cooling adoption; 2) heightened price competition; 3) lower-than-expected share in liquid cooling components; and 4) emerging alternative cooling technologies.

Appendix A-1

ANALYST CERTIFICATION

The research analysts primarily responsible for the preparation and content of this research report are either (i) designated by "AC" in the author block or (ii) listed in bold alongside content which is attributable to that analyst. If multiple AC analysts are designated in the author block, each analyst is certifying with respect to the entire research report other than (a) content attributable to another AC certifying analyst listed in bold alongside the content and (b) views expressed solely with respect to a specific issuer which are attributable to another AC certifying analyst identified in the price charts or rating history tables for that issuer shown below. Each of these analysts certify, with respect to the sections of the report for which they are responsible: (1) that the views expressed therein accurately reflect their personal views about each issuer and security referenced and were prepared in an independent manner, including with respect to Citigroup Global Markets Inc. and its affiliates; and (2) no part of the research analyst's compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by that research analyst in this report.

Citigroup Global Markets Inc. or its affiliates received compensation for products and services other than investment banking services from Asia Vital Components in the past 12 months.

Citigroup Global Markets Inc. or its affiliates currently has, or had within the past 12 months, the following as clients, and the services provided were non-investment-banking, securities-related: Asia Vital Components.

Citigroup Global Markets Inc. or its affiliates currently has, or had within the past 12 months, the following as clients, and the services provided were non-investment-banking, non-securities-related: Asia Vital Components.

Analysts' compensation is determined by Citi Research management and Citigroup's senior management and is based upon activities and services intended to benefit the investor clients of Citigroup Global Markets Inc. and its affiliates (the "Firm"). Compensation is not linked to specific transactions or recommendations. Like all Firm employees, analysts receive compensation that is impacted by overall Firm profitability which includes investment banking, sales and trading, and principal trading revenues. One factor in equity research analyst compensation is arranging corporate access events between institutional clients and the management teams of covered companies. Typically, company management is more likely to participate when the analyst has a positive view of the company.

For financial instruments recommended in the Product in which the Firm is not a market maker, the Firm is a liquidity provider in such financial instruments (and any underlying instruments) and may act as principal in connection with transactions in such instruments. The Firm is a regular issuer of traded financial instruments linked to securities that may have been recommended in the Product. The Firm regularly trades in the securities of the issuer(s) discussed in the Product. The Firm may engage in securities transactions in a manner inconsistent with the Product and, with respect to securities covered by the Product, will buy or sell from customers on a principal basis.

Unless stated otherwise neither the Research Analyst nor any member of their team has viewed the material operations of the Companies for which an investment view has been provided within the past 12 months.

For important disclosures (including copies of historical disclosures) regarding the companies that are the subject of this Citi Research product ("the Product"), please contact Citi Research, 388 Greenwich Street, 6th Floor, New York, NY, 10013, Attention: Legal/Compliance [E6WYB6412478]. In addition, the same important disclosures, with the exception of the Valuation and Risk assessments and historical disclosures, are contained on the Firm's disclosure website at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures. Valuation and Risk assessments can be found in the text of the most recent research note/report regarding the subject company. Pursuant to the Market Abuse Regulation a history of all Citi Research recommendations published during the preceding 12-month period can be accessed via Citi Velocity (https://www.citivelocity.com/cv2) or your standard distribution portal. Historical disclosures (for up to the past three years) will be provided upon request.

Citi Research Equity Ratings Distribution

	12 Month Rating			Catalyst Watch		
Data current as of 01 Oct 2026	**Buy**	**Hold**	**Sell**	**Buy**	**Hold**	**Sell**
Citi Research Global Fundamental Coverage (Neutral=Hold)	61%	32%	7%	36%	48%	16%
% of companies in each rating category that are investment banking clients	39%	43%	30%	42%	38%	36%

Guide to Citi Research Fundamental Research Investment Ratings:
Citi Research stock recommendations include an investment rating and an optional risk rating to highlight high risk stocks. **Risk rating** takes into account both price volatility and fundamental criteria. Stocks will either have no risk rating or a High risk rating assigned.
Investment Ratings: Citi Research investment ratings are Buy, Neutral and Sell. Our ratings are a function of analyst expectations of expected total return ("ETR") and risk. ETR is the sum of the forecast price appreciation (or depreciation) plus the dividend yield for a stock within the next 12 months. The target price is based on a 12 month time horizon. The Investment rating definitions are: Buy (1) ETR of 15% or more or 25% or more for High risk stocks; and Sell (3) for negative ETR. Any covered stock not assigned a Buy or a Sell is a Neutral (2). For stocks rated Neutral (2), if an analyst believes that there are insufficient valuation drivers and/or investment catalysts to derive a positive or negative investment view, they may elect with the approval of Citi Research management not to assign a target price and, thus, not derive an ETR. Citi Research may suspend its rating and target price and assign "Rating Suspended" status for regulatory and/or internal policy reasons. Citi Research may also suspend its rating and target price and assign "Under Review" status for other exceptional circumstances (e.g. lack of information critical to the analyst's thesis, trading suspension) affecting the company and/or trading in the company's securities. In both such situations, the rating and target price will show as "—" and "-" respectively in the rating history price chart. Prior to 11 April 2022 Citi Research assigned "Under Review" status to both situations and prior to 11 Nov 2020 only in exceptional circumstances. As soon as practically possible, the analyst will publish a note re-establishing a rating and investment thesis. Investment ratings are determined by the ranges described above at the time of initiation of coverage, a change in investment and/or risk rating, or a change in target price (subject to limited management discretion). At times, the expected total returns may fall outside of these ranges because of market price movements and/or other short-term volatility or trading patterns. Such interim deviations will be permitted but will become subject to review by Research Management. Your decision to buy or sell a security should be based upon your personal investment objectives and should be made only after evaluating the stock's expected performance and risk.

Catalyst Watch/Short Term Views ("STV") Ratings Disclosure:
Catalyst Watch and STV Upside/Downside calls: Citi Research may also include a Catalyst Watch or STV Upside or Downside call to indicate the analyst expects the share price to rise (fall) in absolute terms over a specified period of 30 or 90 days in

reaction to one or more specific near-term catalysts or events impacting the company or the market. A Catalyst Watch will be published when Analyst confidence is high that an impact to share price will occur; it will be a STV when confidence level is moderate. A Catalyst Watch or STV Upside/Downside call will automatically expire at the end of the specified 30/90 day period. The Catalyst Watch will also be automatically removed if share price performance (calculated at market close) exceeds 15% against the direction of the call (unless over-ridden by the analyst). The analyst may also remove a Catalyst Watch or STV call prior to the end of the specified period in a published research note. A Catalyst Watch/STV Upside or Downside call may be different from and does not affect a stock's fundamental equity rating, which reflects a longer-term total absolute return expectation. For purposes of FINRA ratings-distribution-disclosure rules, a Catalyst Watch/STV Upside call corresponds to a buy recommendation and a Catalyst Watch/STV Downside call corresponds to a sell recommendation. Any stock not assigned to a Catalyst Watch Upside, Catalyst Watch Downside, STV Upside, or STV Downside call is considered Catalyst Watch/STV No View. For purposes of FINRA ratings distribution-disclosure rules, we correspond Catalyst Watch/STV No View to Hold in our ratings distribution table for our Catalyst Watch/STV Upside/Downside rating system. However, we reiterate that we do not consider No View to be a recommendation. For all Catalyst Watch/STV Upside/Downside calls, risk exists that the catalyst(s) and associated share-price movement will not materialize as expected.

Privately held companies:

The legal entities through which Citi conducts its business do not permit investment research recommendations, ratings, target prices, or estimates on any privately held companies ("private companies") referenced herein. Citi Research does not utilize a rating system for private companies. Any information on private companies in this report is based on generally available information and, although obtained from sources believed by Citi to be reliable, its accuracy and completeness are not guaranteed. Private companies are generally not subject to reporting obligations, which may result in less publicly available information. The information contained in this report may differ from information a private company may subsequently make public or otherwise share with investors. Continuation of publishing private company reports or private company sections within reports is at Citi's discretion, in accordance with internal policies.

RESEARCH ANALYST AFFILIATIONS / NON-US RESEARCH ANALYST DISCLOSURES

The legal entities employing the authors of this report are listed below (and their regulators are listed further herein). Non-US research analysts who have prepared this report (i.e., all research analysts listed below other than those identified as employed by Citigroup Global Markets Inc.) are not registered/qualified as research analysts with FINRA. Such research analysts may not be associated persons of the member organization (but are employed by an affiliate of the member organization) and therefore may not be subject to the FINRA Rule 2241 restrictions on communications with a subject company, public appearances and trading securities held by a research analyst account.

Citigroup Global Markets Taiwan Securities Company Limited	Michael Hung; Laura (Chia Yi) Chen

OTHER DISCLOSURES

Any price(s) of instruments mentioned in recommendations are as of the prior day's market close on the primary market for the instrument, unless otherwise stated.

The completion and first dissemination of any recommendations made within this research report are as of the Eastern date-time displayed at the top of the Product. If the Product references views of other analysts then please refer to the price chart or rating history table for the date/time of completion and first dissemination with respect to that view.

Regulations in various jurisdictions require that where a recommendation differs from any of the author's previous recommendations concerning the same financial instrument or issuer that has been published during the preceding 12-month period that the change(s) and the date of that previous recommendation are indicated. For fundamental coverage please refer to the price chart or rating change history within this disclosure appendix or the issuer disclosure summary at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

Citi Research has implemented policies for identifying, considering and managing potential conflicts of interest arising as a result of publication or distribution of investment research. A description of these policies can be found at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

The proportion of all Citi Research research recommendations that were the equivalent to "Buy","Hold","Sell" at the end of each quarter over the prior 12 months (with the % of these that had received investment firm services from Citi in the prior 12 months shown in brackets) is as follows; Q2 2026 Buy 33%(63%), Hold 44% (51%), Sell 23% (49%), RV 0.5% (87%): Q1 2026 Buy 33% (63%), Hold 44% (52%), Sell 23% (46%), RV 0.5% (89%); Q4 2025 Buy 33% (63%), Hold 44% (50%), Sell 23% (46%), RV 0.4% (91%); Q3 2025 Buy 33%(61%), Hold 44% (52%), Sell 23% (50%), RV 0.4% (80%). For the purposes of disclosing recommendations other than for equity (whose definitions can be found in the corresponding disclosure sections), "Buy" means a positive directional trade idea; "Sell" means a negative directional trade idea; and "Relative Value" means any trade idea which does not have a clear direction to the investment strategy.

European regulations require a 5 year price history when past performance of a security is referenced. CitiVelocity's Charting Tool (https://www.citivelocity.com/cv2/#go/CHARTING_3_Equities) provides the facility to create customisable price charts including a five year option. This tool can be found in the Data & Analytics section under any of the asset class menus in CitiVelocity (https://www.citivelocity.com/). For further information contact CitiVelocity support (https://www.citivelocity.com/cv2/go/CLIENT_SUPPORT). The source for all referenced prices, unless otherwise stated, is

DataCentral, which sources price information from LSEG Data & Analytics. Past performance is not a guarantee or reliable indicator of future results. Forecasts are not a guarantee or reliable indicator of future performance.

Investors should always consider the investment objectives, risks, and charges and expenses of an ETF carefully before investing. The applicable prospectus and key investor information document (as applicable) for an ETF should contain this and other information about such ETF. It is important to read carefully any such prospectus before investing. Clients may obtain prospectuses and key investor information documents for ETFs from the applicable distributor or authorized participant, the exchange upon which an ETF is listed and/or from the applicable website of the applicable ETF issuer. The value of the investments and any accruing income may fall or rise. Any past performance, prediction or forecast is not indicative of future or likely performance. Any information on ETFs contained herein is provided strictly for illustrative purposes and should not be deemed an offer to sell or a solicitation of an offer to purchase units of any ETF either explicitly or implicitly. The opinions expressed are those of the authors and do not necessarily reflect the views of ETF issuers, any of their agents or their affiliates.

Citigroup Global Markets India Private Limited and/or its affiliates may have, from time to time, actual or beneficial ownership of 1% or more in the debt securities of the subject issuer.

Please be advised that pursuant to Executive Order 13959 as amended (the “Order”), U.S. persons are prohibited from investing in securities of any company determined by the United States Government to be the subject of the Order. This research is not intended to be used or relied upon in any way that could result in a violation of the Order. Investors are encouraged to rely upon their own legal counsel for advice on compliance with the Order and other economic sanctions programs administered and enforced by the Office of Foreign Assets Control of the U.S. Treasury Department.

This communication is directed at persons who are "Eligible Clients" as such term is defined in the Israeli Regulation of Investment Advice, Investment Marketing and Investment Portfolio Management law, 1995 (the "Advisory Law"). Within Israel, this communication is not intended for retail clients and Citi will not make such products or transactions available to retail clients or to non-Eligible Clients. The presenter is not licensed as investment advisor or investment marketer by the Israeli Securities Authority (“ISA”) and this communication does not constitute investment or marketing advice. The information contained herein may relate to matters that are not regulated by the ISA. Any securities which are the subject of this communication may not be offered or sold to any Israeli person except pursuant to a security offering exemption according to the Israeli Securities Law, 1968and the public offering rules provided thereunder.

Citi Research broadly and simultaneously disseminates its research content to the Firm’s institutional and retail clients via the Firm’s proprietary electronic distribution platforms (e.g., Citi Velocity and various Global Wealth platforms). As a convenience, certain, but not all, research content may be distributed through third party aggregators. Clients may receive published research reports by email, on a discretionary basis, and only after such research content has been broadly disseminated. Certain research is made available only to institutional investors to satisfy regulatory requirements. The level and types of services provided by Citi Research analysts to clients may vary depending on various factors such as the client’s individual preferences as to the frequency and manner of receiving communications from analysts, the client’s risk profile and investment focus and perspective (e.g. market-wide, sector specific, long term, short-term etc.), the size and scope of the overall client relationship with the Firm and legal and regulatory constraints.

Pursuant to Comissão de Valores Mobiliários Resolução 20 and ASIC Regulatory Guide 264, Citi is required to disclose whether a Citi related company or business has a commercial relationship with the subject company. Considering that Citi operates multiple businesses in more than 100 countries around the world, it is likely that Citi has a commercial relationship with the subject company.

Securities recommended, offered, or sold by the Firm: (i) are not insured by the Federal Deposit Insurance Corporation; (ii) are not deposits or other obligations of any insured depository institution (including Citibank); and (iii) are subject to investment risks, including the possible loss of the principal amount invested. The Product is for informational purposes only and is not intended as an offer or solicitation for the purchase or sale of a security. Any decision to purchase securities mentioned in the Product must take into account existing public information on such security or any registered prospectus. Although information has been obtained from and is based upon sources that the Firm believes to be reliable, we do not guarantee its accuracy and it may be incomplete and condensed. Note, however, that the Firm has taken all reasonable steps to determine the accuracy and completeness of the disclosures made in the Important Disclosures section of the Product. The Firm's research department has received assistance from the subject company(ies) referred to in this Product including, but not limited to, discussions with management of the subject company(ies). Firm policy prohibits research analysts from sending draft research to subject companies. However, it should be presumed that the author of the Product has had discussions with the subject company to ensure factual accuracy prior to publication. Statements and views concerning ESG (environmental, social, governance) factors are typically based upon public statements made by the affected company or other public news, which the author may not have independently verified. ESG factors are one consideration that investors may choose to examine when making investment decisions. All opinions, projections and estimates constitute the judgment of the author as of the date of the Product and these, plus any other information contained in the Product, are subject to change without notice. Prices and availability of financial instruments also are subject to change without notice. Notwithstanding other departments within the Firm advising the companies discussed in this Product, information obtained in such role is not used in the preparation of the Product. Although Citi Research does not set a predetermined frequency for publication, if the Product is a fundamental equity or credit research report, it is the intention of Citi Research to provide research coverage of the covered

issuers, including in response to news affecting the issuer. For non-fundamental research reports, Citi Research may not provide regular updates to the views, recommendations and facts included in the reports. Notwithstanding that Citi Research maintains coverage on, makes recommendations concerning or discusses issuers, Citi Research may be periodically restricted from referencing certain issuers due to legal or policy reasons. Where a component of a published trade idea is subject to a restriction, the trade idea will be removed from any list of open trade ideas included in the Product. Upon the lifting of the restriction, the trade idea will either be re-instated in the open trade ideas list if the analyst continues to support it or it will be officially closed. Citi Research may provide different research products and services to different classes of customers (for example, based upon long-term or short-term investment horizons) that may lead to differing conclusions or recommendations that could impact the price of a security contrary to the recommendations in the alternative research product, provided that each is consistent with the rating system for each respective product.

Investing in non-U.S. securities, including ADRs, may entail certain risks. The securities of non-U.S. issuers may not be registered with, nor be subject to the reporting requirements of the U.S. Securities and Exchange Commission. There may be limited information available on foreign securities. Foreign companies are generally not subject to uniform audit and reporting standards, practices and requirements comparable to those in the U.S. Securities of some foreign companies may be less liquid and their prices more volatile than securities of comparable U.S. companies. In addition, exchange rate movements may have an adverse effect on the value of an investment in a foreign stock and its corresponding dividend payment for U.S. investors. Net dividends to ADR investors are estimated, using withholding tax rates conventions, deemed accurate, but investors are urged to consult their tax advisor for exact dividend computations. Investors who have received the Product from the Firm may be prohibited in certain states or other jurisdictions from purchasing securities mentioned in the Product from the Firm. Please ask your Financial Consultant for additional details. Citigroup Global Markets Inc. takes responsibility for the Product in the United States. Any orders by US investors resulting from the information contained in the Product may be placed only through Citigroup Global Markets Inc.

The Citigroup legal entity that takes responsibility for the production of the Product is the legal entity which the first named author is employed by.

The Product is made available in **United States** and **Canada** by Citigroup Global Markets Inc., which is a member of FINRA and registered with the US Securities and Exchange Commission. 388 Greenwich Street, New York, NY 10013.

Unless specified to the contrary, within EU Member States, the Product is made available by Citigroup Global Markets Europe AG ("CGME"), which is regulated by the European Central Bank and the German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht-BaFin).

The Product is not to be construed as providing investment services in any jurisdiction where the provision of such services would not be permitted.

Subject to the nature and contents of the Product, the investments described therein are subject to fluctuations in price and/or value and investors may get back less than originally invested. Certain high-volatility investments can be subject to sudden and large falls in value that could equal or exceed the amount invested.The yield and average life of CMOs (collateralized mortgage obligations) referenced in this Product will fluctuate depending on the actual rate at which mortgage holders prepay the mortgages underlying the CMO and changes in current interest rates. Any government agency backing of the CMO applies only to the face value of the CMO and not to any premium paid. Certain investments contained in the Product may have tax implications for private customers whereby levels and basis of taxation may be subject to change. If in doubt, investors should seek advice from a tax adviser. The Product does not purport to identify the nature of the specific market or other risks associated with a particular transaction. Advice in the Product is general and should not be construed as personal advice given it has been prepared without taking account of the objectives, financial situation or needs of any particular investor. Accordingly, investors should, before acting on the advice, consider the appropriateness of the advice, having regard

to their objectives, financial situation and needs. Prior to acquiring any financial product, it is the client's responsibility to obtain the relevant offer document for the product and consider it before making a decision as to whether to purchase the product.

Card Insights. Where this report references Card Insights data, Card Insights consists of selected data from a subset of Citi's proprietary credit card transactions. Such data has undergone rigorous security protocols to keep all customer information confidential and secure; the data is highly aggregated and anonymized so that all unique customer identifiable information is removed from the data prior to receipt by the report's author or distribution to external parties. This data should be considered in the context of other economic indicators and publicly available information. Further, the selected data represents only a subset of Citi's proprietary credit card transactions due to the selection methodology or other limitations and should not be considered as indicative or predictive of the past or future financial performance of Citi or its credit card business.

Inventec (2356.TW)

Near-term softness not changing its long-term server growth narrative

CITI'S TAKE

Inventec's 3Q26 net profit came in at NT$2,538m, -35% QoQ and -7% YoY, missing our and consensus estimates by 43%/26%, respectively, mainly due to higher-than-expected interest expense. GM/OPM of 4.2%/1.6% (vs. 4.2%/1.8% in 2Q26) missed Street's expectations with sales mix from Server reaching >50%, vs. 46-50%/41-45% in 2Q26/3Q25. Given continued supply tightness in key components, such as CPU, memory, PCB, near-term momentum looks lackluster for its general server business, and NB business is also dragged by slowing end-demand. Nonetheless, we see positive growth outlook into next year as it transits to serve more rack-level business for AI ASIC projects and the ramping of new AI GPU platform with new capacity coming online in the US would support the local demand. Meanwhile, management indicated there is no equity-based funding need in the near-term as its cash and funding sources already can support its worldwide expansion and entry into server rack-level business.

4Q sales to decline but GM improving — 4Q Server shipment is guided for flattish QoQ mainly impacted by components shortage. Within server, contribution from AI GPU is likely to decline due to platform transition. For NB business, given sluggish end demand, outlook is toned down as shipment guidance now suggests around low-teens to mid-teens QoQ decline. Net-net, we forecast Inventec's overall revenues to decline c14% QoQ in 4Q26. For margins, with lower server rack-level sales contribution, we see GM to recover to 4.5%. Also, with further ramps of its sales scale, the management is expecting its overall OPM to gradually improve in the coming years and to near 2% OPM target level.

AI ASIC/CPU growth as the highlight in 2027 — Overall server demand remains solid, but Inventec is seeing supply chain resources prioritized to support hyperscalers demand. By projects, Inventec sees its ASIC/CPU shipment to grow double digit next year with rising mix from L10. Shipment for new AI GPU platform should start in 1Q27 and drive higher content value for the company.

Maintain Buy with lower TP at NT$65 — We cut our 2026/27/28 earnings by 12%/17%/13% as we reflect the lower margin assumptions as it further ramps its rack-level server business and initial higher cost in overseas expansion. Given our lower earnings estimates, we revise down our TP to NT$65 (from NT$75), based on our unchanged 17x PER to 2027 EPS.

Earnings Summary

Year to 31 Dec	Net Profit (NT$M)	Diluted EPS (NT$)	EPS growth (%)	P/E (x)	P/B (x)	ROE (%)	Yield (%)

Inventec

Company description

Established in 1975 and listed in 1996, Taiwan-based Inventec is a key ODM of NBs, servers, smartphones, and wearable/IoT devices to global customers. Major shareholders include the founder Mr. Yeh Kuo-I, whose family has (both directly and indirectly) a c35% stake.

Investment strategy

We rate Inventec shares as Buy. We expect stable demand in NB and server to help support near-term earnings, while product diversification within smart devices to areas such as IoT and medical space should help improve L-T margins. We expect the company's solid cash yield to serve as a downside cushion.

Valuation

Our target price of NT$65 for Inventec shares is based on 17x 2027 EPS, which is slightly above the mid-point of its historical trading range, reflecting the company's product diversification and stable demand outlook led by servers and commercial NBs, as well as increasing AI server exposure that could potentially drive margin expansion and better earnings momentum.

Risks

Key downside risks that could impede the stock from reaching our target price include: 1) Slower-than-expected shipment growth/weaker-than-expected sell-through in HomePods and AirPods could lead to downside in our sales forecasts; 2) If competitors adopt aggressive pricing strategies to gain market shares, our ASP and margin assumptions could face downside risk; 3) Lower-than-expected server margins driven by rising exposure to Chinese customers could impact our earnings forecasts negatively; 4) Deterioration in NB demand and investment in solar would hurt our forecasts; and 5) Stronger-than-expected Taiwan dollar could lead to FX loss and downside to our current forecasts.

ANALYST CERTIFICATION

The research analysts primarily responsible for the preparation and content of this research report are either (i) designated by "AC" in the author block or (ii) listed in bold alongside content which is attributable to that analyst. If multiple AC analysts are designated in the author block, each analyst is certifying with respect to the entire research report other than (a) content attributable to another AC certifying analyst listed in bold alongside the content and (b) views expressed solely with respect to a specific issuer which are attributable to another AC certifying analyst identified in the price charts or rating history tables for that issuer shown below. Each of these analysts certify, with respect to the sections of the report

for which they are responsible: (1) that the views expressed therein accurately reflect their personal views about each issuer and security referenced and were prepared in an independent manner, including with respect to Citigroup Global Markets Inc. and its affiliates; and (2) no part of the research analyst's compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by that research analyst in this report.

Rating/target price changes above reflect Eastern Time

Citigroup Global Markets Inc. or its affiliates received compensation for products and services other than investment banking services from Inventec in the past 12 months.

Citigroup Global Markets Inc. or its affiliates currently has, or had within the past 12 months, the following as clients, and the services provided were non-investment-banking, securities-related: Inventec.

Citigroup Global Markets Inc. or its affiliates currently has, or had within the past 12 months, the following as clients, and the services provided were non-investment-banking, non-securities-related: Inventec.

Citigroup Global Markets Inc. and/or its affiliates has a significant financial interest in relation to Inventec. (For an explanation of the determination of significant financial interest, please refer to the policy for managing conflicts of interest which can be found at www.citiVelocity.com.)

Analysts' compensation is determined by Citi Research management and Citigroup's senior management and is based upon activities and services intended to benefit the investor clients of Citigroup Global Markets Inc. and its affiliates (the "Firm"). Compensation is not linked to specific transactions or recommendations. Like all Firm employees, analysts receive compensation that is impacted by overall Firm profitability which includes investment banking, sales and trading, and principal trading revenues. One factor in equity research analyst compensation is arranging corporate access events between institutional clients and the management teams of covered companies. Typically, company management is more likely to participate when the analyst has a positive view of the company.

For financial instruments recommended in the Product in which the Firm is not a market maker, the Firm is a liquidity provider in such financial instruments (and any underlying instruments) and may act as principal in connection with transactions in such instruments. The Firm is a regular issuer of traded financial instruments linked to securities that may have been recommended in the Product. The Firm regularly trades in the securities of the issuer(s) discussed in the Product. The Firm may engage in securities transactions in a manner inconsistent with the Product and, with respect to securities covered by the Product, will buy or sell from customers on a principal basis.

Unless stated otherwise neither the Research Analyst nor any member of their team has viewed the material operations of the Companies for which an investment view has been provided within the past 12 months.

For important disclosures (including copies of historical disclosures) regarding the companies that are the subject of this Citi Research product ("the Product"), please contact Citi Research, 388 Greenwich Street, 6th Floor, New York, NY, 10013, Attention: Legal/Compliance [E6WYB6412478]. In addition, the same important disclosures, with the exception of the Valuation and Risk assessments and historical disclosures, are contained on the Firm's disclosure website at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures. Valuation and Risk assessments can be found in the text of the most recent research note/report regarding the subject company. Pursuant to the Market Abuse Regulation a history of all Citi Research recommendations published during the preceding 12-month period can be accessed via Citi Velocity (https://www.citivelocity.com/cv2) or your standard distribution portal. Historical disclosures (for up to the past three years) will be provided upon request.

Citi Research Equity Ratings Distribution

	12 Month Rating			Catalyst Watch		
Data current as of 01 Oct 2026	**Buy**	**Hold**	**Sell**	**Buy**	**Hold**	**Sell**
Citi Research Global Fundamental Coverage (Neutral=Hold)	61%	32%	7%	36%	48%	16%
% of companies in each rating category that are investment banking clients	39%	43%	30%	42%	38%	36%

Guide to Citi Research Fundamental Research Investment Ratings:
Citi Research stock recommendations include an investment rating and an optional risk rating to highlight high risk stocks. **Risk rating** takes into account both price volatility and fundamental criteria. Stocks will either have no risk rating or a High risk rating assigned.
Investment Ratings: Citi Research investment ratings are Buy, Neutral and Sell. Our ratings are a function of analyst expectations of expected total return ("ETR") and risk. ETR is the sum of the forecast price appreciation (or depreciation) plus the dividend yield for a stock within the next 12 months. The target price is based on a 12 month time horizon. The Investment rating definitions are: Buy (1) ETR of 15% or more or 25% or more for High risk stocks; and Sell (3) for negative ETR. Any covered stock not assigned a Buy or a Sell is a Neutral (2). For stocks rated Neutral (2), if an analyst believes that there are insufficient valuation drivers and/or investment catalysts to derive a positive or negative investment view, they may elect with the approval of Citi Research management not to assign a target price and, thus, not derive an ETR. Citi Research may suspend its rating and target price and assign “Rating Suspended” status for regulatory and/or internal policy reasons. Citi Research may also suspend its rating and target price and assign "Under Review" status for other exceptional circumstances (e.g. lack of information critical to the analyst's thesis, trading suspension) affecting the company and/or trading in the company's securities. In both such situations, the rating and target price will show as “—“ and “-“ respectively in the rating history price chart. Prior to 11 April 2022 Citi Research assigned “Under Review” status to both situations and prior to 11 Nov 2020 only in exceptional circumstances. As soon as practically possible, the analyst will publish a note re-establishing a rating and investment thesis. Investment ratings are determined by the ranges described above at the time of initiation of coverage, a change in investment and/or risk rating, or a change in target price (subject to limited management discretion). At times, the expected total returns may fall outside of these ranges because of market price movements and/or other short-term volatility or trading patterns. Such interim deviations will be permitted but will become subject to review by Research Management. Your decision to buy or sell a security should be based upon your personal investment objectives and should be made only after evaluating the stock's expected performance and risk.

Catalyst Watch/Short Term Views (“STV”) Ratings Disclosure:
Catalyst Watch and STV Upside/Downside calls: Citi Research may also include a Catalyst Watch or STV Upside or Downside call to indicate the analyst expects the share price to rise (fall) in absolute terms over a specified period of 30 or 90 days in reaction to one or more specific near-term catalysts or events impacting the company or the market. A Catalyst Watch will be published when Analyst confidence is high that an impact to share price will occur; it will be a STV when confidence level is moderate. A Catalyst Watch or STV Upside/Downside call will automatically expire at the end of the specified 30/90 day period. The Catalyst Watch will also be automatically removed if share price performance (calculated at market close) exceeds 15% against the direction of the call (unless over-ridden by the analyst). The analyst may also remove a Catalyst Watch or STV call prior to the end of the specified period in a published research note. A Catalyst Watch/STV Upside or Downside call may be different from and does not affect a stock’s fundamental equity rating, which reflects a longer-term total absolute return expectation. For purposes of FINRA ratings-distribution-disclosure rules, a Catalyst Watch/STV Upside call corresponds to a buy recommendation and a Catalyst Watch/STV Downside call corresponds to a sell recommendation. Any stock not assigned to a Catalyst Watch Upside, Catalyst Watch Downside, STV Upside, or STV Downside call is considered Catalyst Watch/STV No View. For purposes of FINRA ratings distribution-disclosure rules, we correspond Catalyst Watch/STV No View to Hold in

our ratings distribution table for our Catalyst Watch/STV Upside/Downside rating system. However, we reiterate that we do not consider No View to be a recommendation. For all Catalyst Watch/STV Upside/Downside calls, risk exists that the catalyst(s) and associated share-price movement will not materialize as expected.

Privately held companies:

The legal entities through which Citi conducts its business do not permit investment research recommendations, ratings, target prices, or estimates on any privately held companies ("private companies") referenced herein. Citi Research does not utilize a rating system for private companies. Any information on private companies in this report is based on generally available information and, although obtained from sources believed by Citi to be reliable, its accuracy and completeness are not guaranteed. Private companies are generally not subject to reporting obligations, which may result in less publicly available information. The information contained in this report may differ from information a private company may subsequently make public or otherwise share with investors. Continuation of publishing private company reports or private company sections within reports is at Citi's discretion, in accordance with internal policies.

RESEARCH ANALYST AFFILIATIONS / NON-US RESEARCH ANALYST DISCLOSURES

The legal entities employing the authors of this report are listed below (and their regulators are listed further herein). Non-US research analysts who have prepared this report (i.e., all research analysts listed below other than those identified as employed by Citigroup Global Markets Inc.) are not registered/qualified as research analysts with FINRA. Such research analysts may not be associated persons of the member organization (but are employed by an affiliate of the member organization) and therefore may not be subject to the FINRA Rule 2241 restrictions on communications with a subject company, public appearances and trading securities held by a research analyst account.

Citigroup Global Markets Taiwan Securities Company Limited	Jack Chen; Laura (Chia Yi) Chen; Nicholas Lai

OTHER DISCLOSURES

Any price(s) of instruments mentioned in recommendations are as of the prior day's market close on the primary market for the instrument, unless otherwise stated.

The completion and first dissemination of any recommendations made within this research report are as of the Eastern date-time displayed at the top of the Product. If the Product references views of other analysts then please refer to the price chart or rating history table for the date/time of completion and first dissemination with respect to that view.

Regulations in various jurisdictions require that where a recommendation differs from any of the author's previous recommendations concerning the same financial instrument or issuer that has been published during the preceding 12-month period that the change(s) and the date of that previous recommendation are indicated. For fundamental coverage please refer to the price chart or rating change history within this disclosure appendix or the issuer disclosure summary at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

Citi Research has implemented policies for identifying, considering and managing potential conflicts of interest arising as a result of publication or distribution of investment research. A description of these policies can be found at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

The proportion of all Citi Research research recommendations that were the equivalent to "Buy","Hold","Sell" at the end of each quarter over the prior 12 months (with the % of these that had received investment firm services from Citi in the prior 12 months shown in brackets) is as follows; Q2 2026 Buy 33%(63%), Hold 44% (51%), Sell 23% (49%), RV 0.5% (87%): Q1 2026 Buy 33% (63%), Hold 44% (52%), Sell 23% (46%), RV 0.5% (89%); Q4 2025 Buy 33% (63%), Hold 44% (50%), Sell 23% (46%), RV 0.4% (91%); Q3 2025 Buy 33%(61%), Hold 44% (52%), Sell 23% (50%), RV 0.4% (80%). For the purposes of disclosing recommendations other than for equity (whose definitions can be found in the corresponding disclosure sections), "Buy" means a positive directional trade idea; "Sell" means a negative directional trade idea; and "Relative Value" means any trade idea which does not have a clear direction to the investment strategy.

European regulations require a 5 year price history when past performance of a security is referenced. CitiVelocity's Charting Tool (https://www.citivelocity.com/cv2/#go/CHARTING_3_Equities) provides the facility to create customisable price charts including a five year option. This tool can be found in the Data & Analytics section under any of the asset class menus in CitiVelocity (https://www.citivelocity.com/). For further information contact CitiVelocity support (https://www.citivelocity.com/cv2/go/CLIENT_SUPPORT). The source for all referenced prices, unless otherwise stated, is DataCentral, which sources price information from LSEG Data & Analytics. Past performance is not a guarantee or reliable indicator of future results. Forecasts are not a guarantee or reliable indicator of future performance.

Investors should always consider the investment objectives, risks, and charges and expenses of an ETF carefully before investing. The applicable prospectus and key investor information document (as applicable) for an ETF should contain this and other information about such ETF. It is important to read carefully any such prospectus before investing. Clients may obtain prospectuses and key investor information documents for ETFs from the applicable distributor or authorized participant, the exchange upon which an ETF is listed and/or from the applicable website of the applicable ETF issuer. The value of the investments and any accruing income may fall or rise. Any past performance, prediction or forecast is not indicative of future or likely performance. Any information on ETFs contained herein is provided strictly for illustrative purposes and should not be deemed an offer to sell or a solicitation of an offer to purchase units of any ETF either explicitly or implicitly. The opinions expressed are those of the authors and do not necessarily reflect the views of ETF issuers, any of their agents or their affiliates.

Citigroup Global Markets India Private Limited and/or its affiliates may have, from time to time, actual or beneficial ownership of 1% or more in the debt securities of the subject issuer.

Please be advised that pursuant to Executive Order 13959 as amended (the “Order”), U.S. persons are prohibited from investing in securities of any company determined by the United States Government to be the subject of the Order. This research is not intended to be used or relied upon in any way that could result in a violation of the Order. Investors are encouraged to rely upon their own legal counsel for advice on compliance with the Order and other economic sanctions programs administered and enforced by the Office of Foreign Assets Control of the U.S. Treasury Department.

This communication is directed at persons who are "Eligible Clients" as such term is defined in the Israeli Regulation of Investment Advice, Investment Marketing and Investment Portfolio Management law, 1995 (the "Advisory Law"). Within Israel, this communication is not intended for retail clients and Citi will not make such products or transactions available to retail clients or to non-Eligible Clients. The presenter is not licensed as investment advisor or investment marketer by the Israeli Securities Authority (“ISA”) and this communication does not constitute investment or marketing advice. The information contained herein may relate to matters that are not regulated by the ISA. Any securities which are the subject of this communication may not be offered or sold to any Israeli person except pursuant to a security offering exemption according to the Israeli Securities Law, 1968and the public offering rules provided thereunder.

Citi Research broadly and simultaneously disseminates its research content to the Firm’s institutional and retail clients via the Firm’s proprietary electronic distribution platforms (e.g., Citi Velocity and various Global Wealth platforms). As a convenience, certain, but not all, research content may be distributed through third party aggregators. Clients may receive published research reports by email, on a discretionary basis, and only after such research content has been broadly disseminated. Certain research is made available only to institutional investors to satisfy regulatory requirements. The level and types of services provided by Citi Research analysts to clients may vary depending on various factors such as the client’s individual preferences as to the frequency and manner of receiving communications from analysts, the client’s risk profile and investment focus and perspective (e.g. market-wide, sector specific, long term, short-term etc.), the size and scope of the overall client relationship with the Firm and legal and regulatory constraints.

Pursuant to Comissão de Valores Mobiliários Resolução 20 and ASIC Regulatory Guide 264, Citi is required to disclose whether a Citi related company or business has a commercial relationship with the subject company. Considering that Citi operates multiple businesses in more than 100 countries around the world, it is likely that Citi has a commercial relationship with the subject company.

Securities recommended, offered, or sold by the Firm: (i) are not insured by the Federal Deposit Insurance Corporation; (ii) are not deposits or other obligations of any insured depository institution (including Citibank); and (iii) are subject to investment risks, including the possible loss of the principal amount invested. The Product is for informational purposes only and is not intended as an offer or solicitation for the purchase or sale of a security. Any decision to purchase securities mentioned in the Product must take into account existing public information on such security or any registered prospectus. Although information has been obtained from and is based upon sources that the Firm believes to be reliable, we do not guarantee its accuracy and it may be incomplete and condensed. Note, however, that the Firm has taken all reasonable steps to determine the accuracy and completeness of the disclosures made in the Important Disclosures section of the Product. The Firm's research department has received assistance from the subject company(ies) referred to in this Product including, but not limited to, discussions with management of the subject company(ies). Firm policy prohibits research analysts from sending draft research to subject companies. However, it should be presumed that the author of the Product has had discussions with the subject company to ensure factual accuracy prior to publication. Statements and views concerning ESG (environmental, social, governance) factors are typically based upon public statements made by the affected company or other public news, which the author may not have independently verified. ESG factors are one consideration that investors may choose to examine when making investment decisions. All opinions, projections and estimates constitute the judgment of the author as of the date of the Product and these, plus any other information contained in the Product, are subject to change without notice. Prices and availability of financial instruments also are subject to change without notice. Notwithstanding other departments within the Firm advising the companies discussed in this Product, information obtained in such role is not used in the preparation of the Product. Although Citi Research does not set a predetermined frequency for publication, if the Product is a fundamental equity or credit research report, it is the intention of Citi Research to provide research coverage of the covered issuers, including in response to news affecting the issuer. For non-fundamental research reports, Citi Research may not provide regular updates to the views, recommendations and facts included in the reports. Notwithstanding that Citi Research maintains coverage on, makes recommendations concerning or discusses issuers, Citi Research may be periodically restricted from referencing certain issuers due to legal or policy reasons. Where a component of a published trade idea is subject to a restriction, the trade idea will be removed from any list of open trade ideas included in the Product. Upon the lifting of the restriction, the trade idea will either be re-instated in the open trade ideas list if the analyst continues to support it or it will be officially closed. Citi Research may provide different research products and services to different classes of customers (for example, based upon long-term or short-term investment horizons) that may lead to differing conclusions or recommendations that could impact the price of a security contrary to the recommendations in the alternative research product, provided that each is consistent with the rating system for each respective product.

Investing in non-U.S. securities, including ADRs, may entail certain risks. The securities of non-U.S. issuers may not be registered with, nor be subject to the reporting requirements of the U.S. Securities and Exchange Commission. There may be limited information available on foreign securities. Foreign companies are generally not subject to uniform audit and reporting standards, practices and requirements comparable to those in the U.S. Securities of some foreign companies may be less liquid and their prices more volatile than securities of comparable U.S. companies. In addition, exchange rate movements may have an adverse effect on the value of an investment in a foreign stock and its corresponding dividend payment for U.S. investors. Net dividends to ADR investors are estimated, using withholding tax rates conventions, deemed accurate, but investors are urged to consult their tax advisor for exact dividend computations. Investors who have received the Product from the Firm may be prohibited in certain states or other jurisdictions from purchasing securities mentioned in the Product from the Firm. Please ask your Financial Consultant for additional details. Citigroup Global Markets Inc. takes responsibility for the Product in the United States. Any orders by US investors resulting from the information contained in the Product may be placed only through Citigroup Global Markets Inc.

The Citigroup legal entity that takes responsibility for the production of the Product is the legal entity which the first named author is employed by.

The Product is not to be construed as providing investment services in any jurisdiction where the provision of such services would not be permitted.

Subject to the nature and contents of the Product, the investments described therein are subject to fluctuations in price and/or value and investors may get back less than originally invested. Certain high-volatility investments can be subject to sudden and large falls in value that could equal or exceed the amount invested.The yield and average life of CMOs (collateralized mortgage obligations) referenced in this Product will fluctuate depending on the actual rate at which mortgage holders prepay the mortgages underlying the CMO and changes in current interest rates. Any government agency backing of the CMO applies only to the face value of the CMO and not to any premium paid. Certain investments contained in the Product may have tax implications for private customers whereby levels and basis of taxation may be subject to change. If in doubt, investors should seek advice from a tax adviser. The Product does not purport to identify the nature of the specific market or other risks associated with a particular transaction. Advice in the Product is general and should not be construed as personal advice given it has been prepared without taking account of the objectives, financial situation or needs of any particular investor. Accordingly, investors should, before acting on the advice, consider the appropriateness of the advice, having regard to their objectives, financial situation and needs. Prior to acquiring any financial product, it is the client's responsibility to obtain the relevant offer document for the product and consider it before making a decision as to whether to purchase the product.

Card Insights. Where this report references Card Insights data, Card Insights consists of selected data from a subset of Citi's proprietary credit card transactions. Such data has undergone rigorous security protocols to keep all customer information confidential and secure; the data is highly aggregated and anonymized so that all unique customer identifiable information is removed from the data prior to receipt by the report's author or distribution to external parties. This data should be considered in the context of other economic indicators and publicly available information. Further, the selected data represents only a subset of Citi's proprietary credit card transactions due to the selection methodology or other limitations and should not be considered as indicative or predictive of the past or future financial performance of Citi or its credit card business.

Citi Research product may source data from dataCentral. dataCentral is a Citi Research proprietary database, which includes the Firm's estimates, data from company reports and feeds from LSEG Data & Analytics. The source for all referenced prices, unless otherwise stated, is DataCentral. Past performance is not a guarantee or reliable indicator of future results. Forecasts are not a guarantee or reliable indicator of future performance. The printed and printable version of the research report may not include all the information <(e.g. certain financial summary information and comparable company data) that is linked to the online version available on the Firm's proprietary electronic distribution platforms.

Zhen Ding Technology (4958.TW)

3Q26 margin beat on AI infra business; Buy

CITI'S TAKE

Zhen Ding's record 3Q26 GM of 27.7% (+4.6ppt QoQ) came 2.1ppt/2.6ppt higher than Citi/consensus forecasts, which we attribute to its AI infra businesses (especially ABF/BT substrate). ABF substrate now still runs at full UTR, while optical/server demand ramps up continuously.
Higher 3Q26 OPEX ratio vs 3Q25 was likely due to R&D expenses for upcoming projects. Overall, OP levels came in line with Citi forecast but beat consensus forecast by 11%. Non-op was due to high FX loss. As we previewed, we expect new AI infra businesses to be the key drivers from 3Q26 onward, while Apple-related business is muted in 2026E/27E with limited GM downside given mSAP supply tightness, in our view. Considering enhanced product mix, we think ZDT's GM could continues expanding in 4Q26E and likely 1Q27E backed by sustained growth in AI infra businesses. We reiterate our Buy rating with TP NT$750 (27x 2027E EPS).

Buy

NT$ 800.00 ▲86% Upside | NT$ 750.00 ▲74% Upside | NT$ 500.00 ▲16% Upside

Spread 70pp
Current Price and expected returns (upside/downside) as of 10 Nov 2026

BULL Assumptions

- Stronger market share gains in SLP/HDI
- More progress in AI business, especially in GB200
- Better ABF demand from China market

BASE Assumptions

- 2027/28E sales growth of +35%/+27% YoY
- 2027/28E GM of 29.4%/33.1%

BEAR Assumptions

- Harsher margin dilution from stronger capex
- Worse-than-expected ABF demand from China market

Zhen Ding Technology

Valuation

We set a DCF-based TP of NT$750. We use a DCF-based valuation to reflect ZDT's ability to generate stable cash flows. Key assumptions of our DCF model include a risk-free rate of 5.2% (10-year government bond rate), a market risk premium of 7%, and an equity beta of 0.89 (1-year weekly share price), deriving a WACC of 10.7%. Our model assumes high-single-digit long-term growth after 2028E and a 21.6% EBIT margin from 2028E with a gradual annual increase. Our TP is equivalent to 27x/17x 2027E/28E EPS and 4.5x/3.8x 2027E/28E BVPS.

Risks

Key downside risks that could cause the stock to trade below our target price include: 1) lower-than-expected iPhone/Mac/iPad end-demand; 2) lower content value for new smartphone models or pricing pressure; 3) ZDT losing market share from its FPC/HDI peers; 4) a slower demand in the substrate industry; 5) failure to pass the qualifications of major AI GPU or ASIC customers.

Appendix A-1

ANALYST CERTIFICATION

The research analysts primarily responsible for the preparation and content of this research report are either (i) designated by "AC" in the author block or (ii) listed in bold alongside content which is attributable to that analyst. If multiple AC analysts are designated in the author block, each analyst is certifying with respect to the entire research report other than (a) content attributable to another AC certifying analyst listed in bold alongside the content and (b) views expressed solely with respect to a specific issuer which are attributable to another AC certifying analyst identified in the price charts or rating history tables for that issuer shown below. Each of these analysts certify, with respect to the sections of the report for which they are responsible: (1) that the views expressed therein accurately reflect their personal views about each issuer and security referenced and were prepared in an independent manner, including with respect to Citigroup Global Markets Inc. and its affiliates; and (2) no part of the research analyst's compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by that research analyst in this report.

Within the past 12 months, Citigroup Global Markets Inc. or its affiliates has acted as manager or co-manager of an offering of securities of Zhen Ding Technology.

Citigroup Global Markets Inc. or its affiliates has received compensation for investment banking services provided within the past 12 months from Zhen Ding Technology.

Citigroup Global Markets Inc. or its affiliates received compensation for products and services other than investment banking services from Zhen Ding Technology in the past 12 months.

Citigroup Global Markets Inc. or its affiliates currently has, or had within the past 12 months, the following as investment banking client(s): Zhen Ding Technology.

Citigroup Global Markets Inc. or its affiliates currently has, or had within the past 12 months, the following as clients, and the services provided were non-investment-banking, securities-related: Zhen Ding Technology.

Citigroup Global Markets Inc. or its affiliates currently has, or had within the past 12 months, the following as clients, and the services provided were non-investment-banking, non-securities-related: Zhen Ding Technology.

Analysts' compensation is determined by Citi Research management and Citigroup's senior management and is based upon activities and services intended to benefit the investor clients of Citigroup Global Markets Inc. and its affiliates (the "Firm"). Compensation is not linked to specific transactions or recommendations. Like all Firm employees, analysts receive compensation that is impacted by overall Firm profitability which includes investment banking, sales and trading, and principal trading revenues. One factor in equity research analyst compensation is arranging corporate access events between institutional clients and the management teams of covered companies. Typically, company management is more likely to participate when the analyst has a positive view of the company.

For financial instruments recommended in the Product in which the Firm is not a market maker, the Firm is a liquidity provider in such financial instruments (and any underlying instruments) and may act as principal in connection with transactions in such instruments. The Firm is a regular issuer of traded financial instruments linked to securities that may have been recommended in the Product. The Firm regularly trades in the securities of the issuer(s) discussed in the Product. The Firm may engage in securities transactions in a manner inconsistent with the Product and, with respect to securities covered by the Product, will buy or sell from customers on a principal basis.

Unless stated otherwise neither the Research Analyst nor any member of their team has viewed the material operations of the Companies for which an investment view has been provided within the past 12 months.

For important disclosures (including copies of historical disclosures) regarding the companies that are the subject of this Citi Research product ("the Product"), please contact Citi Research, 388 Greenwich Street, 6th Floor, New York, NY, 10013, Attention: Legal/Compliance [E6WYB6412478]. In addition, the same important disclosures, with the exception of the Valuation and Risk assessments and historical disclosures, are contained on the Firm's disclosure website at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures. Valuation and Risk assessments can be found in the text of the most recent research note/report regarding the subject company. Pursuant to the Market Abuse Regulation a history of all Citi Research recommendations published during the preceding 12-month period can be accessed via Citi Velocity (https://www.citivelocity.com/cv2) or your standard distribution portal. Historical disclosures (for up to the past three years) will be provided upon request.

Citi Research Equity Ratings Distribution

	12 Month Rating			Catalyst Watch		
Data current as of 01 Oct 2026	**Buy**	**Hold**	**Sell**	**Buy**	**Hold**	**Sell**
Citi Research Global Fundamental Coverage (Neutral=Hold)	61%	32%	7%	36%	48%	16%
% of companies in each rating category that are investment banking clients	39%	43%	30%	42%	38%	36%

Guide to Citi Research Fundamental Research Investment Ratings:
Citi Research stock recommendations include an investment rating and an optional risk rating to highlight high risk stocks.
Risk rating takes into account both price volatility and fundamental criteria. Stocks will either have no risk rating or a High risk rating assigned.
Investment Ratings: Citi Research investment ratings are Buy, Neutral and Sell. Our ratings are a function of analyst expectations of expected total return ("ETR") and risk. ETR is the sum of the forecast price appreciation (or depreciation) plus the dividend yield for a stock within the next 12 months. The target price is based on a 12 month time horizon. The Investment rating definitions are: Buy (1) ETR of 15% or more or 25% or more for High risk stocks; and Sell (3) for negative ETR. Any covered stock not assigned a Buy or a Sell is a Neutral (2). For stocks rated Neutral (2), if an analyst believes that there are insufficient valuation drivers and/or investment catalysts to derive a positive or negative investment view, they may elect with the approval of Citi Research management not to assign a target price and, thus, not derive an ETR. Citi Research may suspend its rating and target price and assign "Rating Suspended" status for regulatory and/or internal policy reasons. Citi Research may also suspend its rating and target price and assign "Under Review" status for other exceptional circumstances (e.g. lack of information critical to the analyst's thesis, trading suspension) affecting the company and/or trading in the company's securities. In both such situations, the rating and target price will show as "—" and "-" respectively in the rating history price chart. Prior to 11 April 2022 Citi Research assigned "Under Review" status to both situations and prior to 11 Nov 2020 only in exceptional circumstances. As soon as practically possible, the analyst will publish a note re-establishing a rating and investment thesis. Investment ratings are determined by the ranges described above at the time of initiation of coverage, a change in investment and/or risk rating, or a change in target price (subject to limited management discretion). At times, the expected total returns may fall outside of these ranges because of market price movements and/or other short-term volatility or trading patterns. Such interim deviations will be permitted but will become subject to review by Research Management. Your decision to buy or sell a security should be based upon your personal investment objectives and should be made only after evaluating the stock's expected performance and risk.

Catalyst Watch/Short Term Views ("STV") Ratings Disclosure:
Catalyst Watch and STV Upside/Downside calls: Citi Research may also include a Catalyst Watch or STV Upside or Downside call to indicate the analyst expects the share price to rise (fall) in absolute terms over a specified period of 30 or 90 days in reaction to one or more specific near-term catalysts or events impacting the company or the market. A Catalyst Watch will be published when Analyst confidence is high that an impact to share price will occur; it will be a STV when confidence level is moderate. A Catalyst Watch or STV Upside/Downside call will automatically expire at the end of the specified 30/90 day period. The Catalyst Watch will also be automatically removed if share price performance (calculated at market close) exceeds 15% against the direction of the call (unless over-ridden by the analyst). The analyst may also remove a Catalyst Watch or STV call prior to the end of the specified period in a published research note. A Catalyst Watch/STV Upside or Downside call may be different from and does not affect a stock's fundamental equity rating, which reflects a longer-term total absolute return expectation. For purposes of FINRA ratings-distribution-disclosure rules, a Catalyst Watch/STV Upside call corresponds to a buy recommendation and a Catalyst Watch/STV Downside call corresponds to a sell recommendation. Any stock not assigned to a Catalyst Watch Upside, Catalyst Watch Downside, STV Upside, or STV Downside call is considered Catalyst Watch/STV No View. For purposes of FINRA ratings distribution-disclosure rules, we correspond Catalyst Watch/STV No View to Hold in our ratings distribution table for our Catalyst Watch/STV Upside/Downside rating system. However, we reiterate that we do not consider No View to be a recommendation. For all Catalyst Watch/STV Upside/Downside calls, risk exists that the catalyst(s) and associated share-price movement will not materialize as expected.

Privately held companies:
The legal entities through which Citi conducts its business do not permit investment research recommendations, ratings, target prices, or estimates on any privately held companies ("private companies") referenced herein. Citi Research does not utilize a rating system for private companies. Any information on private companies in this report is based on generally available information and, although obtained from sources believed by Citi to be reliable, its accuracy and completeness are not guaranteed. Private companies are generally not subject to reporting obligations, which may result in less publicly available information. The information contained in this report may differ from information a private company may subsequently make public or otherwise share with investors. Continuation of publishing private company reports or private company sections within reports is at Citi's discretion, in accordance with internal policies.

RESEARCH ANALYST AFFILIATIONS / NON-US RESEARCH ANALYST DISCLOSURES
The legal entities employing the authors of this report are listed below (and their regulators are listed further herein). Non-US research analysts who have prepared this report (i.e., all research analysts listed below other than those identified as employed by Citigroup Global Markets Inc.) are not registered/qualified as research analysts with FINRA. Such research analysts may not be associated persons of the member organization (but are employed by an affiliate of the member organization) and therefore may not be subject to the FINRA Rule 2241 restrictions on communications with a subject company, public appearances and trading securities held by a research analyst account.

Citigroup Global Markets Taiwan Securities Company Limited	Jack Chen; Laura (Chia Yi) Chen; Nicholas Lai

OTHER DISCLOSURES

Any price(s) of instruments mentioned in recommendations are as of the prior day's market close on the primary market for the instrument, unless otherwise stated.

The completion and first dissemination of any recommendations made within this research report are as of the Eastern date-time displayed at the top of the Product. If the Product references views of other analysts then please refer to the price chart or rating history table for the date/time of completion and first dissemination with respect to that view.

Regulations in various jurisdictions require that where a recommendation differs from any of the author's previous recommendations concerning the same financial instrument or issuer that has been published during the preceding 12-month period that the change(s) and the date of that previous recommendation are indicated. For fundamental coverage please refer to the price chart or rating change history within this disclosure appendix or the issuer disclosure summary at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

Citi Research has implemented policies for identifying, considering and managing potential conflicts of interest arising as a result of publication or distribution of investment research. A description of these policies can be found at https://www.citivelocity.com/cvr/eppublic/citi_research_disclosures.

The proportion of all Citi Research research recommendations that were the equivalent to "Buy","Hold","Sell" at the end of each quarter over the prior 12 months (with the % of these that had received investment firm services from Citi in the prior 12 months shown in brackets) is as follows; Q2 2026 Buy 33%(63%), Hold 44% (51%), Sell 23% (49%), RV 0.5% (87%): Q1 2026 Buy 33% (63%), Hold 44% (52%), Sell 23% (46%), RV 0.5% (89%); Q4 2025 Buy 33% (63%), Hold 44% (50%), Sell 23% (46%), RV 0.4% (91%); Q3 2025 Buy 33%(61%), Hold 44% (52%), Sell 23% (50%), RV 0.4% (80%). For the purposes of disclosing recommendations other than for equity (whose definitions can be found in the corresponding disclosure sections), "Buy" means a positive directional trade idea; "Sell" means a negative directional trade idea; and "Relative Value" means any trade idea which does not have a clear direction to the investment strategy.

European regulations require a 5 year price history when past performance of a security is referenced. CitiVelocity's Charting Tool (https://www.citivelocity.com/cv2/#go/CHARTING_3_Equities) provides the facility to create customisable price charts including a five year option. This tool can be found in the Data & Analytics section under any of the asset class menus in CitiVelocity (https://www.citivelocity.com/). For further information contact CitiVelocity support (https://www.citivelocity.com/cv2/go/CLIENT_SUPPORT). The source for all referenced prices, unless otherwise stated, is

DataCentral, which sources price information from LSEG Data & Analytics. Past performance is not a guarantee or reliable indicator of future results. Forecasts are not a guarantee or reliable indicator of future performance.

Investors should always consider the investment objectives, risks, and charges and expenses of an ETF carefully before investing. The applicable prospectus and key investor information document (as applicable) for an ETF should contain this and other information about such ETF. It is important to read carefully any such prospectus before investing. Clients may obtain prospectuses and key investor information documents for ETFs from the applicable distributor or authorized participant, the exchange upon which an ETF is listed and/or from the applicable website of the applicable ETF issuer. The value of the investments and any accruing income may fall or rise. Any past performance, prediction or forecast is not indicative of future or likely performance. Any information on ETFs contained herein is provided strictly for illustrative purposes and should not be deemed an offer to sell or a solicitation of an offer to purchase units of any ETF either explicitly or implicitly. The opinions expressed are those of the authors and do not necessarily reflect the views of ETF issuers, any of their agents or their affiliates.

Citigroup Global Markets India Private Limited and/or its affiliates may have, from time to time, actual or beneficial ownership of 1% or more in the debt securities of the subject issuer.

Please be advised that pursuant to Executive Order 13959 as amended (the “Order”), U.S. persons are prohibited from investing in securities of any company determined by the United States Government to be the subject of the Order. This research is not intended to be used or relied upon in any way that could result in a violation of the Order. Investors are encouraged to rely upon their own legal counsel for advice on compliance with the Order and other economic sanctions programs administered and enforced by the Office of Foreign Assets Control of the U.S. Treasury Department.

This communication is directed at persons who are "Eligible Clients" as such term is defined in the Israeli Regulation of Investment Advice, Investment Marketing and Investment Portfolio Management law, 1995 (the "Advisory Law"). Within Israel, this communication is not intended for retail clients and Citi will not make such products or transactions available to retail clients or to non-Eligible Clients. The presenter is not licensed as investment advisor or investment marketer by the Israeli Securities Authority (“ISA”) and this communication does not constitute investment or marketing advice. The information contained herein may relate to matters that are not regulated by the ISA. Any securities which are the subject of this communication may not be offered or sold to any Israeli person except pursuant to a security offering exemption according to the Israeli Securities Law, 1968and the public offering rules provided thereunder.

Citi Research broadly and simultaneously disseminates its research content to the Firm’s institutional and retail clients via the Firm’s proprietary electronic distribution platforms (e.g., Citi Velocity and various Global Wealth platforms). As a convenience, certain, but not all, research content may be distributed through third party aggregators. Clients may receive published research reports by email, on a discretionary basis, and only after such research content has been broadly disseminated. Certain research is made available only to institutional investors to satisfy regulatory requirements. The level and types of services provided by Citi Research analysts to clients may vary depending on various factors such as the client’s individual preferences as to the frequency and manner of receiving communications from analysts, the client’s risk profile and investment focus and perspective (e.g. market-wide, sector specific, long term, short-term etc.), the size and scope of the overall client relationship with the Firm and legal and regulatory constraints.

Pursuant to Comissão de Valores Mobiliários Resolução 20 and ASIC Regulatory Guide 264, Citi is required to disclose whether a Citi related company or business has a commercial relationship with the subject company. Considering that Citi operates multiple businesses in more than 100 countries around the world, it is likely that Citi has a commercial relationship with the subject company.

Securities recommended, offered, or sold by the Firm: (i) are not insured by the Federal Deposit Insurance Corporation; (ii) are not deposits or other obligations of any insured depository institution (including Citibank); and (iii) are subject to investment risks, including the possible loss of the principal amount invested. The Product is for informational purposes only and is not intended as an offer or solicitation for the purchase or sale of a security. Any decision to purchase securities mentioned in the Product must take into account existing public information on such security or any registered prospectus. Although information has been obtained from and is based upon sources that the Firm believes to be reliable, we do not guarantee its accuracy and it may be incomplete and condensed. Note, however, that the Firm has taken all reasonable steps to determine the accuracy and completeness of the disclosures made in the Important Disclosures section of the Product. The Firm's research department has received assistance from the subject company(ies) referred to in this Product including, but not limited to, discussions with management of the subject company(ies). Firm policy prohibits research analysts from sending draft research to subject companies. However, it should be presumed that the author of the Product has had discussions with the subject company to ensure factual accuracy prior to publication. Statements and views concerning ESG (environmental, social, governance) factors are typically based upon public statements made by the affected company or other public news, which the author may not have independently verified. ESG factors are one consideration that investors may choose to examine when making investment decisions. All opinions, projections and estimates constitute the judgment of the author as of the date of the Product and these, plus any other information contained in the Product, are subject to change without notice. Prices and availability of financial instruments also are subject to change without notice. Notwithstanding other departments within the Firm advising the companies discussed in this Product, information obtained in such role is not used in the preparation of the Product. Although Citi Research does not set a predetermined frequency for publication, if the Product is a fundamental equity or credit research report, it is the intention of Citi Research to provide research coverage of the covered issuers, including in response to news affecting the issuer. For non-fundamental research reports, Citi Research may not provide regular updates to the views, recommendations and facts included in the reports. Notwithstanding that Citi Research maintains coverage on, makes recommendations concerning or discusses issuers, Citi Research may be periodically restricted

from referencing certain issuers due to legal or policy reasons. Where a component of a published trade idea is subject to a restriction, the trade idea will be removed from any list of open trade ideas included in the Product. Upon the lifting of the restriction, the trade idea will either be re-instated in the open trade ideas list if the analyst continues to support it or it will be officially closed. Citi Research may provide different research products and services to different classes of customers (for example, based upon long-term or short-term investment horizons) that may lead to differing conclusions or recommendations that could impact the price of a security contrary to the recommendations in the alternative research product, provided that each is consistent with the rating system for each respective product.

Investing in non-U.S. securities, including ADRs, may entail certain risks. The securities of non-U.S. issuers may not be registered with, nor be subject to the reporting requirements of the U.S. Securities and Exchange Commission. There may be limited information available on foreign securities. Foreign companies are generally not subject to uniform audit and reporting standards, practices and requirements comparable to those in the U.S. Securities of some foreign companies may be less liquid and their prices more volatile than securities of comparable U.S. companies. In addition, exchange rate movements may have an adverse effect on the value of an investment in a foreign stock and its corresponding dividend payment for U.S. investors. Net dividends to ADR investors are estimated, using withholding tax rates conventions, deemed accurate, but investors are urged to consult their tax advisor for exact dividend computations. Investors who have received the Product from the Firm may be prohibited in certain states or other jurisdictions from purchasing securities mentioned in the Product from the Firm. Please ask your Financial Consultant for additional details. Citigroup Global Markets Inc. takes responsibility for the Product in the United States. Any orders by US investors resulting from the information contained in the Product may be placed only through Citigroup Global Markets Inc.

The Citigroup legal entity that takes responsibility for the production of the Product is the legal entity which the first named author is employed by.

The Product is made available in **Australia** through Citigroup Global Markets Australia Pty Limited. The Product is not to be construed as providing investment services in any jurisdiction where the provision of such services would not be permitted.
Subject to the nature and contents of the Product, the investments described therein are subject to fluctuations in price and/or value and investors may get back less than originally invested. Certain high-volatility investments can be subject to sudden and large falls in value that could equal or exceed the amount invested.The yield and average life of CMOs (collateralized mortgage obligations) referenced in this Product will fluctuate depending on the actual rate at which mortgage holders prepay the mortgages underlying the CMO and changes in current interest rates. Any government agency backing of the CMO applies only to the face value of the CMO and not to any premium paid. Certain investments contained in the Product may have tax implications for private customers whereby levels and basis of taxation may be subject to change. If in doubt, investors should seek advice from a tax adviser. The Product does not purport to identify the nature of the specific market or other risks associated with a particular transaction. Advice in the Product is general and should not be construed as personal advice given it has been prepared without taking account of the objectives, financial situation or needs of any particular investor. Accordingly, investors should, before acting on the advice, consider the appropriateness of the advice, having regard to their objectives, financial situation and needs. Prior to acquiring any financial product, it is the client's responsibility to obtain the relevant offer document for the product and consider it before making a decision as to whether to purchase the product.

Card Insights. Where this report references Card Insights data, Card Insights consists of selected data from a subset of Citi's proprietary credit card transactions. Such data has undergone rigorous security protocols to keep all customer information confidential and secure; the data is highly aggregated and anonymized so that all unique customer identifiable information is removed from the data prior to receipt by the report's author or distribution to external parties. This data should be considered in the context of other economic indicators and publicly available information. Further, the selected data represents only a subset of Citi's proprietary credit card transactions due to the selection methodology or other limitations and should not be considered as indicative or predictive of the past or future financial performance of Citi or its credit card business.

3Q26 review: liquid cooling penetration rate rises

- 3Q26 EPS beat the Bloomberg consensus by 3%
- Started shipments of double-sided cold plates and CDUs from 3Q26
- Reaffirming our Buy (1) call with an unchanged 12M TP of TWD4,815

Neil Teng, CFA
(886) 2 8758 6256
neil.teng@daiwacm-cathay.com.tw

What's new: AVC announced its 3Q26 results and hosted an investor conference on 10 November 2026 after market hours. We believe AVC will be one of the key beneficiaries from the rising penetration rate of liquid cooling in both ASIC and GPU projects, with an aggressive capacity expansion plan over 2026-28. We reaffirm our Buy (1) call (see our latest Flash, *3Q26 results preview: likely to beat expectations*, on 2 November).

What's the impact: 3Q26 results beat the Bloomberg consensus. AVC's 3Q26 revenue of TWD59,089m (+20.3% QoQ; +51.8% YoY) was roughly in line with our and the Bloomberg consensus estimates. Its 3Q26 gross margin came in at 33.9% (vs. 32.6% in 2Q26 and 26.1% in 3Q25), a record-high level, higher than our estimate (33.5%) and the consensus (33.3%) on better product mix and high server revenue contribution of 66% in 3Q26 vs. 66% in 2Q26 and 54% in 3Q25. Its operating profit of TWD16,856m (+25.1% QoQ; +108.5% YoY) was in line with our estimate and beat the consensus by 4.2%. Thus, its operating margin of 28.5% (vs. 27.4% in 2Q26 and 20.8% in 3Q25), a record-high level, was also in line with our estimate and beat the consensus (27.9%). With an FX loss of TWD304m, its net profit of TWD11,564m (+20.9% QoQ; +116.6% YoY) was in line with our estimate and beat the market consensus estimate by 3%. Its 3Q26 EPS finished at TWD29.32.

Key highlights from the investor conference – liquid cooling revenue from AI servers continue to rise. AVC is confident it can maintain its leading position as a thermal and mechanical solution integrator, being a primary design partner for ASIC and GPU projects. In 2027, AVC expects its revenue from ASICs projects to be higher than GPU ones. From 3Q26, AVC has started shipping the double-sided cold plates, which it expects to be adopted by all ASIC clients and some GPU clients. With years of experience in providing CDU parts, AVC has also started shipping complete CDU solutions from 3Q26. AVC aims for TWD15-20bn capex in 2027 (mainly in Vietnam, for liquid cooling capacity expansion), up from TWD15bn in 2026E. We keep our 2026-28E EPS broadly unchanged.

What we recommend: We reaffirm our Buy (1) call and 12M TP of TWD4,815, still based on a target PER of 30x vs. its past-3-year PER range of 5-25x [average PER of 15x]) applied to our 1-year-forward EPS. Downside risks: slower-than-expected progress in high-gross-margin orders, slow AI server adoption, and strong competition.

How we differ: Our 2028E EPS is 8% above consensus, likely on our more aggressive gross- and operating margins.

Company profile

AVC is a global leading comprehensive thermal solutions provider in segments related to desktops, laptops, communication, servers, energy and autos. Its main product line includes thermal products (thermal modules and fans), chassis, system assembly and peripheral products and hinges. The company has been listed on Taiwan's main board since September 2002.

ESG analysis

ESG risks

Risks		Management	Analyst comments
G	Executive/board quality	2	The CEO and Chairperson of AVC are the same individual, but we see no issue with its board quality. Besides, we see the Chairperson has 24 years of experience in this industry, which is a positive sign from an executive perspective.
	Capital management	2	AVC's dividend payout ratio was 40-52% over 2020-25, likely due to its capacity expansion plans.
	Related party & transaction	2	Revenue generated from related-party transactions was 1-3% of total revenue during 2021-25, and we found no suspicious activity.
E	Supply chain management	1	AVC has introduced Hazardous Substance Process Management (HSPM) and received QC080000 certification. In addition, AVC set up a Green Product team to promote HSPM and formulate environmental regulation to make sure its material sourcing and efficiency are well-performed.
E	Data security	1	To prevent the interruption of information systems and leakage of sensitive information causing losses to the company and customers, AVC has introduced an information security management system and passed the ISO 27001 information security management system certification in 2019.

Note: Management score represents a company's ability to manage/benefit from certain ESG topics. The scores range from 1 to 3, with 1 being the strongest.

Japan - Notification items pursuant to Article 37 of the Financial Instruments and Exchange Law

(This Notification is only applicable to where report is distributed by Daiwa Securities Co. Ltd.)

If you decide to enter into a business arrangement with our company based on the information described in this report, we ask you to pay close attention to the following items.

- In addition to the purchase price of a financial instrument, our company will collect a trading commission* for each transaction as agreed beforehand with you. Since commissions may be included in the purchase price or may not be charged for certain transactions, we recommend that you confirm the commission for each transaction. In some cases, our company also may charge a maximum of ¥2 million per year as a standing proxy fee for our deposit of your securities, if you are a non-resident.
- For derivative and margin transactions etc., our company may require collateral or margin requirements in accordance with an agreement made beforehand with you. Ordinarily in such cases, the amount of the transaction will be in excess of the required collateral or margin requirements**.
- There is a risk that you will incur losses on your transactions due to changes in the market price of financial instruments based on fluctuations in interest rates, exchange rates, stock prices, real estate prices, commodity prices, and others. In addition, depending on the content of the transaction, the loss could exceed the amount of the collateral or margin requirements.
- There may be a difference between bid price etc. and ask price etc. of OTC derivatives handled by our company.
- Before engaging in any trading, please thoroughly confirm accounting and tax treatments regarding your trading in financial instruments with such experts as certified public accountants.

* The amount of the trading commission cannot be stated here in advance because it will be determined between our company and you based on current market conditions and the content of each transaction etc.

** The ratio of margin requirements etc. to the amount of the transaction cannot be stated here in advance because it will be determined between our company and you based on current market conditions and the content of each transaction etc.

When making an actual transaction, please be sure to carefully read the materials presented to you prior to the execution of agreement, and to take responsibility for your own decisions regarding the signing of the agreement with our company.

3Q26 review: results largely in line with our estimates

- GM expands with spec upgrade and favourable pricing environment
- New client and new products likely to be key growth drivers in 2027
- Maintaining Buy (1) rating; trimming 12M TP to TWD1,600

thomas.kim@daiwacm-cathay.com.tw

What's new: We review GCE's 3Q26 results, released on 10 November.

What's the impact: 3Q26 beat Bloomberg consensus. GCE's 3Q26 earnings came in at TWD6.39bn (EPS: TWD12.4), in line with our estimate and 3% higher vs. the street's. While revenue was 7% lower than our expectation due to flooding in Thailand and product transition, gross margin expanded by 4pp QoQ to 38.7% mainly due to easing raw-material cost inflation and its own price increases. However, net income was impacted by higher non-op loss of TWD238m (likely due to FX loss) though offset by a lower effective tax rate of 25% as Thailand plant turned more profitable.

Business outlook. Looking ahead, GCE now guides for revenue to be flattish QoQ in 4Q26. We suspect that AMZN's ASIC AI server gradually shifting its model from air-cooled (2 chipsets per mainboard) to liquid-cooled (4 chipsets) and the year-end inventory-taking are the key reasons. However, we expect the stagnant revenue momentum to be short-lived and growth momentum to resume with new projects (including Google's TPU and MSFT's Maia) contributing from 1H27.

In 2H27, we expect new capacity ramps at its 2nd plant in Thailand and 2nd plant in Suzhou (acquisition of Pegatron's land; across the 1st plant in Suzhou) to be growth drivers, which could further increase its allocation in major ASIC AI server projects. As for concerns over the thicker-HDI board (a combination of sequential lamination HLC and HDI together) that we highlighted in in our previous note (2Q26 results review: profitability missed slightly), we believe GCE has already overcome the difficulties for 3-lamination HDI and can now successfully produce AMZN's requirement on its Trn4 AI server heavy HDI board. However, GCE might still need to achieve the requirement for Google's TPU v9 which requires c.5-6 lamination techniques. We believe the capacity expansion in 2027 would not be enough to catch up with AI demand growth in 2027. As such, we believe it will further drive price hikes in CCL raw-material, CCL, and PCB, and see gross margin (GM) expansion over our forecast horizon. We raise our GM forecasts to 40.5%/41.3% (prior: 38.0/40.2%) for 2027-28E.

What we recommend: We raise our 2027-28E EPS by 1-10% to reflect its 3Q26 results and higher GM on current supply-demand dynamics. We reaffirm our Buy (1) call but trim our 12M TP to TWD1,600 with a lower PER target of 21x (prior: 26x; vs. past-3-year range of 7-28x), on our 4-quarter-forward diluted EPS, to reflect weaker market sentiment and on-going concerns over HDI. Key risk: worse-than-expected AI server demand.

How we differ: Our 2027-28E earnings are 4-5% higher than consensus, likely due to our higher profitability assumptions.

Company profile

Founded in 1981 and listed on the Taiwan Stock Exchange in 1998, Gold Circuit Electronics (GCE) was, in its early years, one of the world's top-3 printed circuit board (PCB) vendors providing double-sided and multi-layer PCBs for notebooks. However, as the notebook market became saturated from 2011, GCE started reshuffling its revenue mix to more high-end products (servers, workstations and networking boards). The requirement of higher-layer PCBs from these products has not only proved GCE's manufacturing capabilities but also created a high entry barrier. GCE's revenue contribution from the server and networking segments has surged to over 80% in 2024 (from 37% in 2010), the highest among its PCB peers.

ESG analysis

ESG risks

Risks		Management	Analyst comments
G	Executive/board quality	2	GCE's Board consists of 9 directors, including 3 independent directors. The number of independent directors is above Taiwan securities law's requirement of more than two and exceeds one-fifth of the total number of directors on the board. The backgrounds of the independent directors are diverse with expertise in the areas of business management, finance & audit, and law, which should be positive for executive and board quality. That said, the roles of CEO and chairman are held by one person, who is a second-generation family member of GCE's founder. The organisation structure appears to us to be a family business, which could lead to conflicts of interest between key executives and outside shareholders.
	Capital management	2	GCE declared a DPS of TWD10.0 in 2025, another record high. GCE has declared cash dividends for six consecutive years from 2020 to 2025, following a period of intermittent payouts mainly due to fierce competition in the PCB industry (especially in notebook applications) and high earnings volatility from its 3 plants in China caused by historically low utilisation rates. We believe the company's strategy to focus on high-end products (eg, servers and networking) has started bearing fruit, which was also the main reason GCE was able to declare a record-high cash dividend in 2025. Overall, we expect GCE to continue to benefit from ASP and gross-margin expansion, driven by server and networking spec upgrades, which should be value-accretive for investors in the long term.
	Related party & transaction	1	Sales to related parties were 0% of total 2025 sales and purchases from related parties were also 0% of total 2025 purchases. We see limited risk from related-party transactions.
S	Supply chain management	1	GCE is a multi-layer PCB manufacturer with major raw materials, such as thin core, copper foil, pre-preg, copper ball, dry film, solder mask and various chemical materials used in the manufacturing process. GCE has acquired the ISO 9001 and IECQ QC 080000 certifications to improve its supply chain management capabilities in product quality and hazardous material usage. Like most hardware vendors, GCE is also committed to refusing procurement of conflict minerals and complying with the Responsible Business Alliance (RBA) Code of Conduct. According to its 2025 annual report, over 99% of its top 40 suppliers returned their RBA commitment letters. As part of its RBA compliance efforts, GCE holds an annual supply chain meeting to review the achievement rate of its previous targets and set new goals for suppliers. In 2025, GCE audited 154 suppliers, including 114 on-site audits and 40 document reviews, achieving a 100% completion rate against its audit targets. The company also evaluates new suppliers based on ISO 9001, ISO 14001 and IATF 16949 certification requirements and conducts annual supplier assessments.
S	Data security	2	Information security is one of the key topics under the company's risk management guidelines. GCE constructed an information security system, under the "information security committee", to minimise the risk of information loss, sabotage, and leakage caused by human errors, malicious destructions or natural disasters. Below are several measures the company has taken to improve data security: GCE will conduct regular awareness training to ensure employees' security awareness and fulfilment of information security system requirements. Also, the information security committee will develop an information security continuity plan and conduct drills to ensure continuous operation of the company.

Note: Management score represents a company's ability to manage/benefit from certain ESG topics. The scores range from 1 to 3, with 1 being the strongest.

Japan - Notification items pursuant to Article 37 of the Financial Instruments and Exchange Law

(This Notification is only applicable to where report is distributed by Daiwa Securities Co. Ltd.)

If you decide to enter into a business arrangement with our company based on the information described in this report, we ask you to pay close attention to the following items.

- In addition to the purchase price of a financial instrument, our company will collect a trading commission* for each transaction as agreed beforehand with you. Since commissions may be included in the purchase price or may not be charged for certain transactions, we recommend that you confirm the commission for each transaction. In some cases, our company also may charge a maximum of ¥2 million per year as a standing proxy fee for our deposit of your securities, if you are a non-resident.
- For derivative and margin transactions etc., our company may require collateral or margin requirements in accordance with an agreement made beforehand with you. Ordinarily in such cases, the amount of the transaction will be in excess of the required collateral or margin requirements**.
- There is a risk that you will incur losses on your transactions due to changes in the market price of financial instruments based on fluctuations in interest rates, exchange rates, stock prices, real estate prices, commodity prices, and others. In addition, depending on the content of the transaction, the loss could exceed the amount of the collateral or margin requirements.
- There may be a difference between bid price etc. and ask price etc. of OTC derivatives handled by our company.
- Before engaging in any trading, please thoroughly confirm accounting and tax treatments regarding your trading in financial instruments with such experts as certified public accountants.

* The amount of the trading commission cannot be stated here in advance because it will be determined between our company and you based on current market conditions and the content of each transaction etc.

** The ratio of margin requirements etc. to the amount of the transaction cannot be stated here in advance because it will be determined between our company and you based on current market conditions and the content of each transaction etc.

When making an actual transaction, please be sure to carefully read the materials presented to you prior to the execution of agreement, and to take responsibility for your own decisions regarding the signing of the agreement with our company.

Initiation: breaking the AI testing bottleneck

- AI testing intensity and content expansion driving structural growth
- Recurring revenue and CPO set to unlock new TAM expansion
- Initiating with a Buy (1) call and 12M TP of TWD6,365

Leon Chen
(886) 2 8758 6247
leon.chen@daiwacm-cathay.com.tw

Mike Liu
(886) 2 8758 6252
mike.liu@daiwacm-cathay.com.tw

Investment case: We initiate coverage of Hon Precision, the global leader in test handlers and active thermal control (ATC) systems, with a Buy (1) rating. According to management, the company commands >70% market share in AI/HPC final test (FT) and c.50% in system-level test (SLT) by revenue, distinctly positioning it as one of the key global beneficiaries of the rising silicon complexity.

Multi-layer content stacking supports ASP and margin growth. As test durations continue to lengthen and thermal requirements rise, customers are required to deploy greater parallel testing capacity and higher-specification handlers, creating a structural demand tailwind for both FT and SLT handler. We forecast rising AI chip power consumption and package complexity over our forecast horizon to drive adoption of higher-value ATC systems, mega-tray handlers (adding 25-30% to ASP relative to standard dual-temp ATC systems), and AOI integration (adding a further 10-15% to system ASP), supporting a multi-year increase in content per tool and expanding its gross margin from 56.8% to 59.2% over 2026-28E.

Recurring consumables and CPO testing expand long-term growth visibility. Cold plates generate high-margin, annuity-like revenue with every new chip platform which should benefit from shortening AI processor refresh cycles. Beyond consumables, Hon Precision is extending its testing platform into co-packaged optics (CPO), where optical-electrical co-testing could unlock a new addressable market beyond traditional GPU and ASIC testing. While near-term contribution remains limited, we view CPO as a strategic growth option that enhances the company's long-term earnings visibility and valuation premium over our forecast horizon.

Catalysts: 1) capacity expansion ramp in 2027; 2) mega-tray penetration and higher-power ATC adoption; 3) initial CPO test solution qualification.

Valuation: We initiate with a Buy (1) rating and 12M TP of TWD6,365, based on a target PER of 30x applied on our 2027E EPS. The stock currently trades at c.19x forward PER, despite our projected 2026-28E EPS CAGR of 55%, implying a PEG of only 0.35x. We believe its current valuation heavily discounts macro noise with share price pulling back by c.53% from its historical high and derating from a cycle-peak multiple of 45-50x 1-year-forward PER. Backed by solid order visibility through late-2027, we highlight Hon Precision's risk-reward profile as decisively asymmetric.

Risks: 1) Slower-than-expected AI/HPC investment; 2) delayed ramp-up of new products; and 3) potential loss of market share.

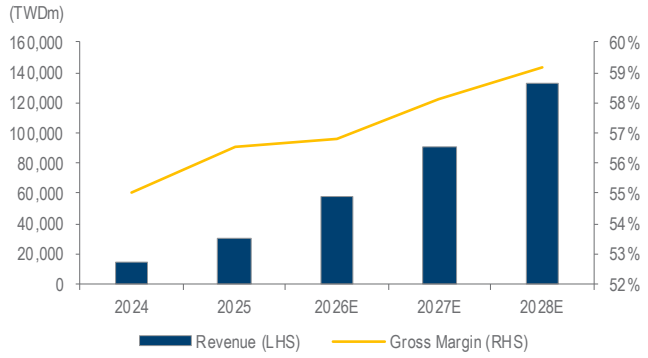
How do we justify our view?

Growth outlook	Valuation	Earnings revisions
✔ ✔ ✔ ✔ ✔	✔ ✔ ✔ ✔	✔ ✔ ✔ ✔

Growth outlook

We expect Hon Precision's growth momentum over 2026-28E to be driven by increasing testing content per chip, supported by rising power consumption in AI/HPC chips, larger package sizes, and growing system complexity. We expect the transition towards high-end ATC handlers, mega-tray solutions, and integrated AOI functions to drive meaningful ASP expansion over our forecast horizon, with recurring cold plate demand providing an additional gross-margin growth driver.

Hon Precision: revenue and gross margin outlook

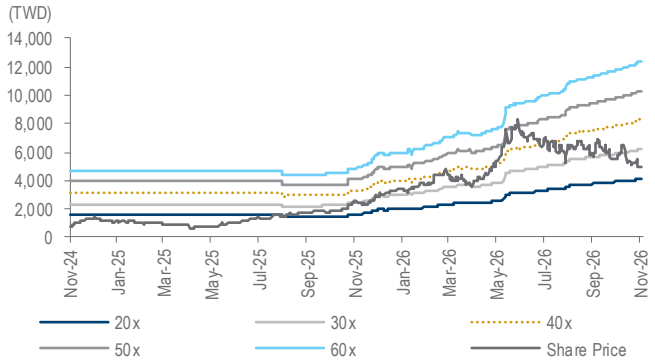


Source: Company, Daiwa research

Valuation

Our 12-month TP of TWD6,365 is based on a target PER of 30x applied to our 2027E EPS forecast. Following the strong share-price rally in 1H26, investor focus shifted away from Hon Precision due to limited near-term catalysts ahead of the 2H27 ramp-up of mega-tray handlers, CPO testing solutions and new capacity. We believe the recent 53% pullback from its historical high on 29 May 2026 and derating from 45-50x 1-year-forward PER to c.19x more than prices in the macro uncertainties. At the current levels, the stock offers an attractive risk-reward profile, trading at a PEG of just 0.35x based on our 2026-28E EPS CAGR of 55%.

Hon Precision: 1-year-forward PER bands



Source: Bloomberg

Earnings revisions

The Bloomberg consensus raised its 2026E and 2027E EPS estimates by 68% and 122%, respectively, over the past year, driven by stronger-than-expected AI-related demand and improving visibility on the company's long-term growth trajectory. We believe the upward revisions reflect rising confidence in volume and ASP expansion across the company's key testing solutions, supported by accelerating AI infrastructure investments and expanding customer adoption.

Source: FactSet, Daiwa forecasts

Company profile

Founded in 1999, Hon Precision is the global leader in semiconductor test handlers and active thermal control (ATC) systems. The company dominates the global AI/HPC final test handler market, supported by its advanced thermal management technologies. With over 70% market share in AI/HPC test handling, Hon Precision benefits from growing demand for AI, HPC and custom ASIC applications. Its solutions are widely adopted by leading OSATs and foundries worldwide, making it a key enabler of advanced semiconductor testing.

Growth Catalysts

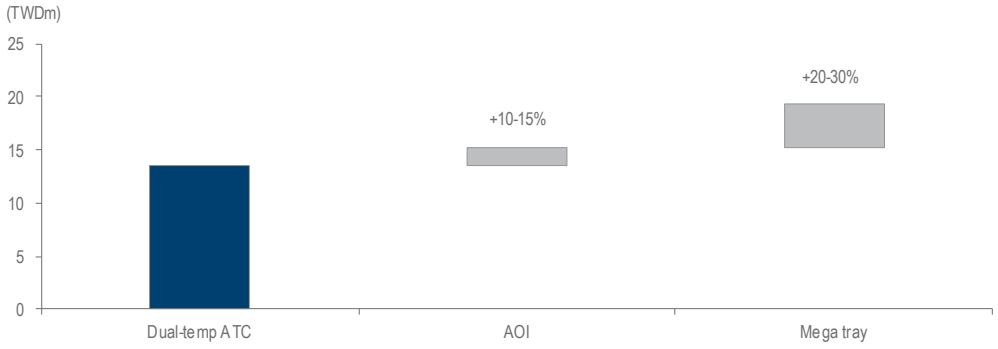
Multi-factor dollar content stacking

Content upgrades across ATC, mega-tray, and AOI to drive a multi-year ASP expansion cycle, in our view

We believe the primary growth catalyst for Hon Precision over our forecast horizon stems from multi-layered dollar content stacking, where the rise in machine unit value should outpace volume growth. Next-gen AI accelerators have historically exhibited more than 50-70% increase in thermal design power (TDP) per generation, with platforms like Nvidia Rubin and Rubin Ultra surging to 2.3kW and 3.6kW vs. Blackwell's 1.2kW to 1.4kW. Managing these extreme thermal loads makes high-end active thermal control (ATC) a necessity, driving a structural step-up in ASPs from standard handlers at approximately TWD6m to dual-temperature ATC systems at TWD12-15m, and tri-temperature ATC systems at TWD15-18m.

Concurrently, as the package size of next-generation ASICs/GPUs increases from the current 120mm tray specification to around 150mm, Hon Precision is introducing mega-tray large-package solutions in October 2026, which command a 25-30% ASP premium over mainstream GPU handlers. As the majority of next-generation ASIC/GPU is set to exceed the boundary of 120mm, we estimate shipment penetration for mega-tray solutions will likely reach 40% in 2027E. Integrated functions of Automated Optical Inspection (AOI) will contribute an additional 10-15% ASP uplift to unit value of handler. Furthermore, this content expansion extends into the flagship mobile AP market as smartphone processors transition to multi-die packaging. For example, Apple's A20 Pro processor has already adopted wafer-level multi-chip module (WMCM) packaging in 2026, requiring high-end ATC systems capable of managing up to 3,000W thermal dissipation to resolve device self-heating.

Hon Precision: ASP multipliers



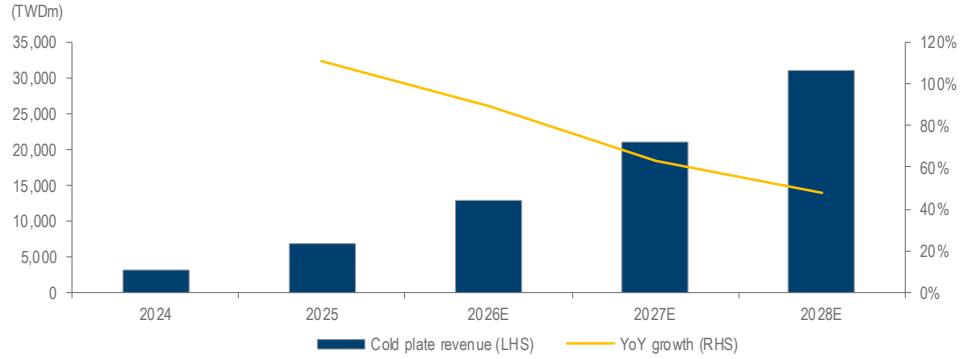
Source: Daiwa research

High-margin cold plate consumables

Cold plate consumables offer a recurring, high-margin growth engine alongside system sales

In addition to capital equipment set sales, Hon Precision's cold plate consumables business serves as a crucial recurring revenue engine and a primary driver of gross margin expansion. Cold plates carry the highest gross margin across all company product lines. Driven by the compression of AI processor lifecycles to 1-1.5 years (down from 2-3 years historically), each test handler requires 5-10 distinct, custom-engineered cold plates tailored to specific die footprints, socket layouts, and thermal hot-spot geometries. To conduct parallel test and maintain the throughput of chip testing, test handler for system level test (SLT) requires even more cold plates, which can go up to 24 plates. As a result, cold plate tooling generates high-frequency annuity-like sales that recur with every new chip platform iteration, independent of major equipment replacements.

Hon Precision: cold plate revenue trend



Source: Company, Daiwa research

Testing duration and volume multiples

Rising test complexity to drive a multi-year expansion cycle for test handler demand, in our view

We believe the rapid rise in AI chip complexity is driving structural growth in semiconductor testing intensity, positioning Hon Precision as a key global beneficiary through its leadership in high-parallelism test handlers. Driven by the mainstream adoption of heterogeneous integration (such as TSMC's CoWoS and Intel's EMIB), verifying complex AI silicon has extended test durations by 2x to 10x vs. standard consumer chips (5 to 10 seconds). Final test durations for AI GPUs have expanded from hundreds of seconds to over 10 minutes per chip. To maintain daily manufacturing throughput despite this 10x spike, chipmakers must scale up massive parallel testing architectures and procure significantly more handlers, cementing Hon Precision as the primary test handler partner for tier-one US AI GPU and CPU players.

Concurrently, escalating chip complexity, TDP, and die costs make field return (RMA) penalties far exceed testing expenses, forcing cloud service providers (CSPs) and automotive OEMs to mandate system-level testing (SLT). Because SLT executes over extended durations ranging from minutes to hours per chip, high-volume production mandates automated parallel SLT handlers equipped with high-capacity ATC. Holding c.50% market share in AI/HPC SLT handlers alongside Chroma, Hon Precision is expanding beyond GPUs into custom CSP ASICs (eg, Google TPU and AWS) and server CPUs. As SLT adoption broadens across non-GPU devices, Hon Precision leverages this multi-year runway to transition into a full-spectrum semiconductor testing platform.

CPO unlocks new TAM beyond GPUs

Beyond conventional electrical testing, Co-Packaged Optics (CPO) represents a multi-year paradigm shift towards a multimodal optical-electrical testing platform. Hon Precision currently monetises initial CPO deployments by supplying Final Test (FT) handlers for pure electrical testing (E/E test) of switch ASICs and Optical Engines (OEs) on production platforms such as Nvidia's Spectrum-X and Quantum-X.

CPO optical-electrical co-testing offers a new long-term growth opportunity for Hon Precision

However, the strategic growth catalyst is anchored in next-generation Insertion 4 (package-level optical and electrical co-testing, O/E co-test). Because an undetected defect in a single optical component would force manufacturers to scrap an entire high-value CPO module, early and rigorous package-level validation is imperative for yield protection. Collaborating directly with ATE leader Teradyne and optical instrument specialists (such as Keysight), Hon Precision is developing a specialised ATC handler capable of simultaneous optical and electrical validation, including Bit Error Rate (BER), optical loopback, crosstalk, and high-power thermal management testing for integrated ASIC and Optical Engine modules in a single touchdown.

Engaged with Nvidia CPO switch programmes and actively expanding to additional ASIC clients, Hon Precision targets engineering verification in late-2026 and initial shipments in 2027, ahead of 2028 volume production. Although we expect revenue contribution will likely be relatively low (<5% in 2027-2028), it drives valuation and market expectation to serve larger total addressable market (TAM).

Hon Precision: CPO offerings

Test Insertion	Insertion 1	Insertion 2	Insertion 3	Insertion 4	CPO FT

Market Analysis

Global testing equipment market

Global package handling equipment market set to expand at a 40.9% CAGR over 2024-27E

According to TechInsights, global testing equipment capex is projected to expand significantly from USD8.3bn in 2024 to USD26.1bn by 2027E, representing a 46.4% CAGR. Notably, while SoC test systems front-loaded strong growth in 2024-25, before tapering to 9.6% YoY in 2027E on TechInsights estimates, package handling equipment is forecasted to exhibit strong structural resilience and longevity. Based on TechInsights, market capex for package handling equipment will likely more than double from USD941m in 2024 to USD2.6bn by 2027E (40.9% CAGR), re-accelerating to 46% YoY growth in 2027E from 34% YoY in 2025. This cadence reflects the phased deployment of test infrastructure – initial tester investments are followed by high-volume back-end handling installations as advanced packaging (eg, CoWoS, Chiplets) scales into mass production.

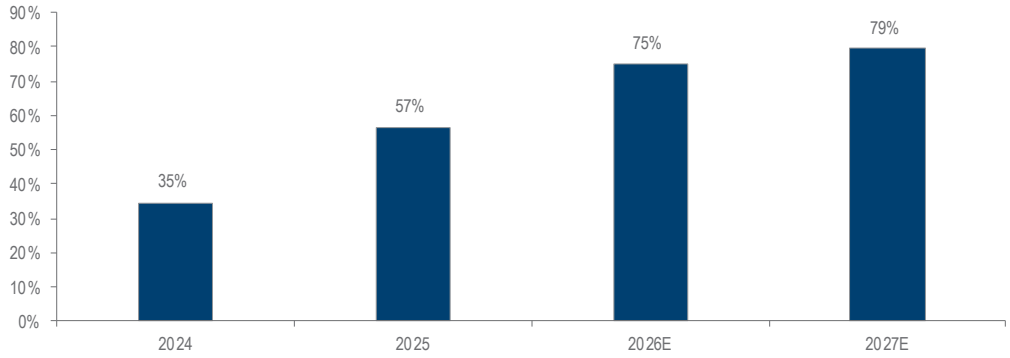
Handler market players

AI testing leadership, differentiated ATC capabilities, and growing SLT adoption support sustained market share expansion over 2026-28E

Hon Precision's overall share in the global test handler TAM rose from 35% in 2024 to 57% in 2025, and we forecast this to reach 75% in 2026E and 79% by 2027E. Within the high-value AI and HPC Final Test (FT) handler segment, Hon Precision maintains a dominant market share, exceeding 70% in both sales value and shipment volume, per management. In the rapidly expanding AI and HPC SLT handler segment, Hon Precision holds c.50% market share in terms of revenue, per management, alongside its primary peer, Chroma, establishing a duopoly in global high-end SLT testing.

Hon Precision: handler market share forecasts



Source: Daiwa research

Outside of AI and HPC logic testing, the broader test handler landscape comprises global and regional vendors, including Cohu (COHU US, NR), Advantest (6857 JP, JPY28,375, Outperform [2]; covered by Daiwa analyst Takeshi Fukuyama), and mainland Chinese suppliers such as Changchuan Technology (300604 CH, NR) and JHT Design (603061 CH, NR).

While global incumbents rely on brand prestige, standard architectures, and bundled offerings, Hon Precision excels in leading-edge AI/HPC testing through its ultra-high-power Active Thermal Control (ATC) and rapid engineering turnaround. As multi-kilowatt dynamic loads (1.5kW–3kW+) and extreme warpage on >120mm packages push standard handlers beyond their limits, Hon Precision's hyper-customised ATC fluidics, high-force micro-mechanics, and modular designs deliver superior millisecond thermal clamping and agile package adaptation. Furthermore, while giants like Advantest dominate the SoC ATE tester market (>55% share), their in-house handlers focus primarily on memory and standard logic. Consequently, tier-one chipmakers and OSATs standardly decouple tester and handler sourcing, thus pairing Advantest or Teradyne testers with Hon Precision's high-power ATC handlers. Located directly within Taiwan's advanced packaging cluster, Hon Precision provides real-time, on-site co-validation and custom cold-plate engineering that preserve formidable entry barriers against bundled solutions.

Advanced thermal control and customisation underpin competitive differentiation

Meanwhile, although Chinese competitors have expanded aggressively in domestic mature nodes and conventional Pick-and-Place handlers, Hon Precision commands a decisive generational lead in high-complexity advanced packaging applications. Chinese vendors remain largely confined to lower-wattage consumer, automotive, and industrial IC testing, lacking the proven patents, structural rigidity, and micro-level force balancing required to safely apply hundreds of kilograms of contact force onto fragile, multi-chip CoWoS packages without cracking dies or warping substrates. Moreover, because enterprise AI chips cost tens of thousands of dollars each, tier-1 global fabless leaders and North American cloud service providers (CSPs) maintain virtually zero tolerance for testing failure, establishing an entrenched validation moat for Hon Precision. Free from geopolitical export constraints, Hon Precision can seamlessly deploy across global OSAT networks in Taiwan, North America, and Southeast Asia.

Hon Precision: peers comparison

Company	Ticker	Market cap (USD bn)	Revenue mix (2025)	Handler: FT / SLT	Application focus
Hon Precision	7769 TT	22.1	ATC handlers 70-75%; cold plates 20-25 %; others 2-3%	FT 60-70%; SLT 20-30%	AI GPUs, AI ASICs, server CPUs
Chroma	2360 TT	16.2	Test instruments & ATS 48%; semiconductor/photonics test solutions 44%; turnkey 2%; others 6%	Mainly SLT	Semiconductor/IC testing; power and photonics testing

Financial Analysis

AI demand to sustain strong revenue growth

Strong AI demand, capacity expansion, and ASP upgrades should sustain revenue growth over 2026-28E

In 2025, Hon Precision's top line exceeded TWD30bn (+116% YoY), driven by global AI cluster rollouts. We forecast Hon Precision to sustain its top-line growth momentum over 2026-28E. We expect this to be mainly driven by core test handler and ATC systems (70-75% of revenue), where we forecast capacity to expand 40% YoY in 2026E, and 50% YoY over 2027-28E with utilisation rate remaining above 90%. We forecast blended ASP of test handler ASP to rise from TWD14.2m in 2025 to TWD16.3m by 2028E, mainly driven by increased adoption rate of mega tray (+20-25% ASP) and AOI (+10-15%) system. High-margin cold plate consumables revenue should also benefit from test handler shipment, which we forecast to increase at a 66.1% CAGR over 2025-28E.

Margin architecture and operating leverage

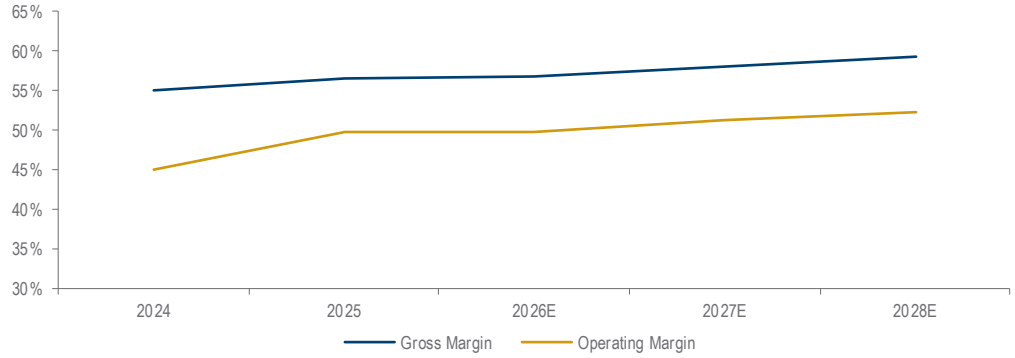
We forecast Hon Precision's gross margin to continue its upward momentum, expanding from 56.8% in 2026E to 58.1% in 2027E and 59.2% in 2028E. The new series of test handlers with more functions such as large package size, AOI, 12/25KW thermal

management, etc., will naturally drive the gross margin increase. Although proprietary cold plates command the highest gross margin across the product matrix, we expect Hon Precision to maintain revenue mix at a 22-23% level.

Product mix upgrades and operating leverage should drive continued margin expansion through 2028

With sustainable operational discipline, management believes its opex ratio over 2026-28E will remain around 5-8%. Although R&D expenditure continues to compound at over 60% annually, funding CPO Insertion 4 optical-electrical co-testing, 12/25kW thermal management, and micro-channel cold plate/lid architectures, significant top-line growth yields powerful operating leverage. We forecast operating margin to scale from 49.7% in 2026E to c.51-52% in 2027-28E, respectively.

Hon Precision: gross margin and operating margin



Source: Company, Daiwa forecasts

Balance sheet and cash flow

Strong cash generation supports capacity expansion, while we forecast dividend payout ratio to remain at around 70% over 2026-28E

Driven by surging AI/HPC testing demand, Hon Precision is actively expanding its capacity across the new Desheng facility, localised production at the Changshu site, and debottlenecking of headquarter efficiency. The company targets 40-50% capacity growth in 2026 and another 50% increase in 2027. The expansion of manufacturing space and production facilities requires an increase in capital expenditure, which we project Hon Precision will ramp up to approximately TWD2.8bn in 2026E, TWD3.8bn in 2027E, and TWD4.6bn in 2028E. The company's operating cash inflows are more than sufficient to fully fund factory expansions alongside a c.70% dividend payout ratio.

Hon Precision continues to maintain an un-levered balance sheet with zero financial bank debt. Cash and cash equivalents exceeded TWD53bn in 2025; we project this figure to surpass TWD75bn by 2028E. Its robust balance sheet underpins peer-leading shareholder returns, with ROE to expand from 34.5% in 2025 to 59.6% by 2028E. This self-funding cash engine supports management's targeted c.70% dividend payout ratio.

Valuation and recommendation

Initiating coverage with a Buy (1) rating

We initiate coverage with a Buy (1) rating, supported by compelling valuation and strong earnings growth visibility

We believe the recent share price correction offers an attractive entry point

We initiate coverage of Hon Precision with a Buy (1) rating and 12-month TP of TWD6,365, based on a target PER of 30x applied to our 2027E EPS forecast. When the stock rallied above TWD8,000 in 1H26, its forward PER multiple stretched to a cycle peak of 45-50x. However, we expect key growth catalysts, including a 50% aggregate capacity expansion, alongside higher-ASP shipments of large-form-factor mega tray handlers and co-packaged optics (CPO) test solutions, to drive its top line, primarily in 2H27. With existing production lines operating at full utilisation, investors are concerned over a potential temporary deceleration in growth momentum through 2H26-1H27, ahead of the next potential major capacity inflection in 2H27.

However, as the calendar rolls into 2027, we believe market attention will swiftly refocus on the company's multi-year structural thesis. Easing capacity bottlenecks, combined with robust ASIC-driven adoption of mega tray architectures and ramping CPO test platforms, should spark a powerful volume-and-ASP expansion cycle. The stock is currently trading at a 19x 1-year-forward PER vs. its earnings CAGR of 55% over 2026-28E, translating into a 0.35x PEG ratio. We believe the valuation now heavily discounts the near-term pause in revenue and macro noises, presenting a compelling risk-reward profile for long-term investors.

Risks to our call

1. **Slower-than-expected AI/HPC investment:** A slowdown in AI infrastructure spending or delays in GPU, ASIC and server CPU ramps could reduce demand for high-end FT/SLT handlers and thermal-control solutions, weakening order growth and revenue visibility.
2. **Slower-than-expected new product adoption**: Customer qualification delays or slower adoption of mega-tray handlers, AOI inspection systems and CPO FT solutions could delay product ramps, resulting in revenue growth below our expectations.
3. **Potential share loss**: Competitors' advances in thermal control, customer qualification of alternative suppliers or delays in meeting new testing requirements could weaken Hon Precision's position on next-generation platforms, affecting market share and pricing power.

Appendix

Company introduction

Hon Precision has emerged as a globally leading provider of test handlers, with growing exposure to AI, HPC, and advanced thermal-control applications

Hon Precision was founded in Taichung in 2015, building on the technology and industry experience of Hon Technology, which was established in 1999. The company develops semiconductor test handlers and thermal-control solutions for AI GPUs, AI ASICs, server CPUs, automotive chips and consumer electronics, supporting customers from new-product introduction (NPI) through volume production.

Hon Precision has two main product categories:

- **Semiconductor test handlers**: Final-test (FT) and system-level-test (SLT) handlers automate chip loading, positioning and sorting. These platforms can incorporate active thermal control (ATC) systems to maintain chips at specified temperatures during testing.
- **Testing fixtures and modules**: Mainly customised cold plates and socket layout kits (SLKs), which provide thermal management and mechanical interfaces for different chip packages. Customers may require replacement cold plates and kits as package designs change, even when retaining existing handlers.

Hon Precision's order mix is significantly weighted towards AI/HPC/ASIC applications, which accounted for 78% of orders in 1Q-3Q26, up from 72% in 2025. These applications include AI computing, servers and networking. Automotive represented 9% of orders, followed by mobile AP and communications at 7%, consumer electronics at 4%, and memory and MEMS at 2%.

As for capacity, Hon Precision's manufacturing footprint is primarily based in Taiwan, with Taichung serving as the group's main R&D, engineering, quality management, and equipment production hub. In addition, the company operates a Suzhou facility focused on manufacturing cold plates and related kits, while Taichung Plant 4 is expected to provide incremental production capacity to support future growth.

Shareholder structure

Hon Precision's major shareholders include several investment and development companies. As of 17 April 2026, Hung Min Development was the largest shareholder with a 17.37% stake, followed by Hongji Investment at 12.08% and Hong Yu Development at 7.80%. Chairman Wen-Ta Hsieh also directly held 1.77%. International institutional shareholders included Norges Bank and GIC, with disclosed stakes of 1.30% and 0.97%, respectively. The company has a free float of 48%, allowing broad public-market participation and supporting trading liquidity.

Hon Precision: shareholder structure (as of 17 April 2026)

Holder	Share (%)
Hung Min Development Co., Ltd.	17.37%
Hongji Investment Co., Ltd.	12.08%
Hong Yu Development Co., Ltd.	7.80%
Hong Cheng Investment Co., Ltd.	4.66%
Hong Jun Co., Ltd.	3.12%
Laiyu Investment Co., Ltd.	2.47%
Wen-Ta Hsieh	1.77%
Citibank (Taiwan) Limited as custodian for Norges Bank	1.30%
Chu Chen Investment Co., Ltd.	1.26%
Citibank (Taiwan) Limited as Custodian for GIC	0.97%

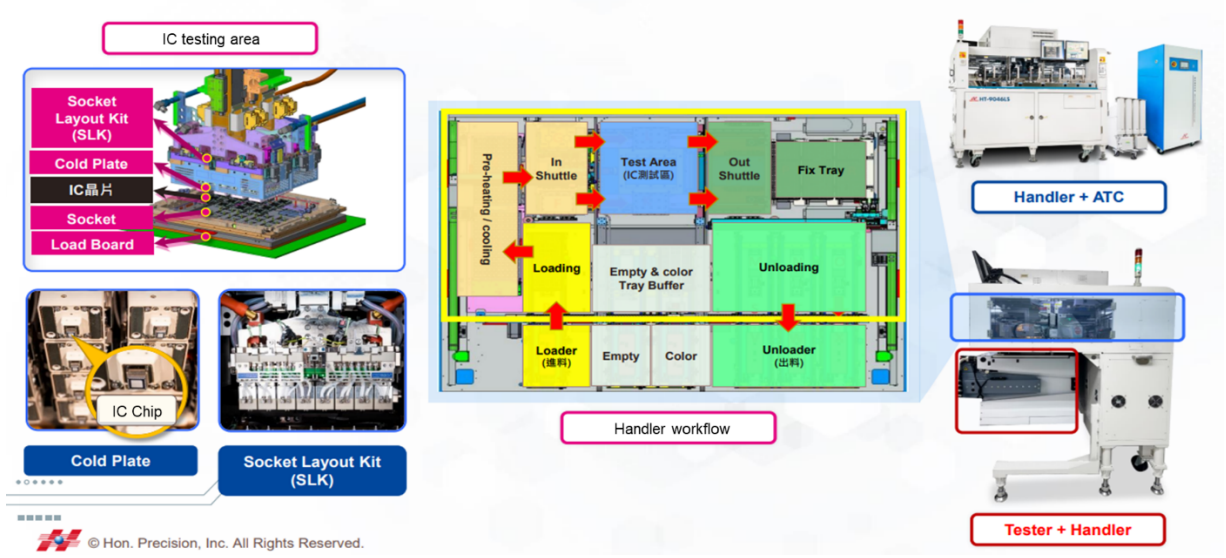
Appendix

What is handler?

A semiconductor test handler automates the movement, positioning and temperature conditioning of packaged chips during testing. It places each device into a test socket, applies the required contact force and sorts the device according to the test results. The tester performs the electrical measurements, while the handler ensures consistent mechanical and thermal conditions.

The process begins with packaged chips loaded into the handler in trays. After temperature conditioning, the handler transfers each chip into a test socket connected to the tester through a load board. Once electrical contact is established, the tester applies signals and measures the chip's response. For ATC-equipped systems, a customised cold plate works with the active thermal control system to maintain the required chip temperature throughout testing. The handler then unloads and sorts the chips based on their test results.

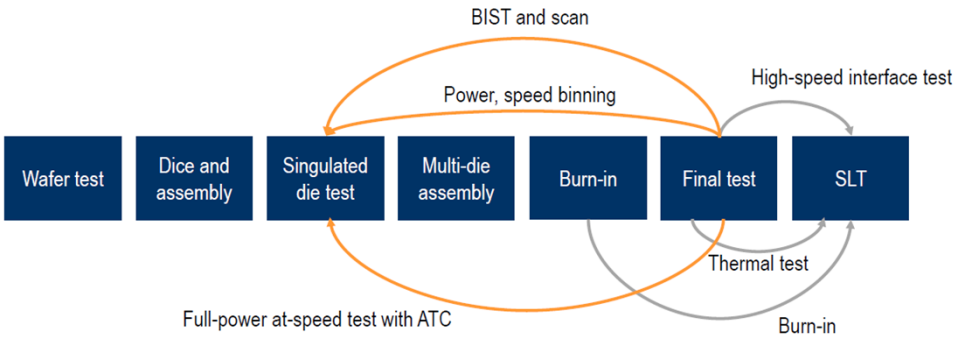
Semiconductor test handler: workflow and thermal control system



Source: Hon Precision, Daiwa research

Handlers are used in both final test (FT) and system-level test (SLT). FT handlers work with automated test equipment (ATE) to check electrical characteristics and functionality against specifications. SLT handlers place chips into test positions connected to system-level platforms, typically comprising test boards, test PCs and power supplies, to evaluate operation under conditions resembling actual use.

Semiconductor back-end testing FT workflow



Source: Semiconductor engineering

Thermal control becomes increasingly important as AI/HPC chips consume more power and adopt larger, more complex packages. Different test patterns change power consumption and heat distribution, requiring dynamic heating or cooling to keep the chip within a specified temperature range. Precise handling and temperature control support repeatable measurements, while parallel testing and efficient chip movement help improve overall test throughput.

ESG analysis

ESG risks

Risks		Management	Analyst comments
G	Executive/board quality	2	The board consists of nine directors, including three independent directors (33%) and one female director. Board oversight is supported by Audit and Compensation Committees, with directors completing 93 training hours in 2025.
	Capital management	1	The debt-to-asset ratio declined to 20.8% in 2025, reflecting a conservative balance sheet. The company continues to maintain solid profitability and financial flexibility.
	Related party & transaction	2	Related-party transactions are conducted under arm's-length principles, with conflict-of-interest disclosure and recusal mechanisms in place. No material governance concerns were disclosed.
G	Supply chain management	1	The company has established supplier qualification, audit and annual evaluation programs, incorporating RBA standards and responsible sourcing requirements into supplier management.
E	Water & wastewater management	2	Water consumption is primarily sourced from municipal supply, with wastewater treatment and recycling systems in place. No environmental violations related to water management were reported.

Note: Management score represents a company's ability to manage/benefit from certain ESG topics. The scores range from 1 to 3, with 1 being the strongest.

Bahrain

This research material is distributed in Bahrain by Daiwa Capital Markets Europe Limited, Bahrain Branch, regulated by The Central Bank of Bahrain and holds Investment Business Firm – Category 2 license and having its official place of business at the Bahrain World Trade Centre, South Tower, 7th floor, P.O. Box 30069, Manama, Kingdom of Bahrain. Tel No. +973 17534452 Fax No. +973 535113

United States

This research is distributed into the United States directly by Daiwa Capital Markets Hong Kong Limited (DCMHK) and in certain cases indirectly by Daiwa Capital Markets America Inc. (DCMA), a U.S. Securities and Exchange Commission registered broker-dealer and FINRA member firm, exclusively to "major U.S. institutional investors", as defined under Rule 15a-6 promulgated under the U.S. Securities Exchange Act of 1934, as amended, and as interpreted by the staff of the U.S. Securities and Exchange Commission (SEC). Where this is co-branded research published by Daiwa's partners in collaboration with other parties not affiliated with Daiwa, this research is distributed in the United States by DCMHK only. This report is not an offer to sell or the solicitation of any offer to buy securities. U.S. customers wishing to effect transactions in any designated investment discussed in this report should do so through a qualified salesperson of DCMA. Non-U.S. customers wishing to effect transactions in any designated investment discussed in this report should contact a Daiwa entity in their local jurisdiction. The securities or other investment products discussed in this report may not be eligible for sale in some jurisdictions.

Analysts employed outside the U.S., as specifically indicated elsewhere in this report, are not registered as research analysts with FINRA. These analysts may not be associated persons of DCMA, and therefore may not be subject to FINRA Rule 2241 restrictions on communications with a subject company, public appearances and trading securities held by a research analyst account.

Japan - Notification items pursuant to Article 37 of the Financial Instruments and Exchange Law

(This Notification is only applicable to where report is distributed by Daiwa Securities Co. Ltd.)

If you decide to enter into a business arrangement with our company based on the information described in this report, we ask you to pay close attention to the following items.

- In addition to the purchase price of a financial instrument, our company will collect a trading commission* for each transaction as agreed beforehand with you. Since commissions may be included in the purchase price or may not be charged for certain transactions, we recommend that you confirm the commission for each transaction. In some cases, our company also may charge a maximum of ¥2 million per year as a standing proxy fee for our deposit of your securities, if you are a non-resident.
- For derivative and margin transactions etc., our company may require collateral or margin requirements in accordance with an agreement made beforehand with you. Ordinarily in such cases, the amount of the transaction will be in excess of the required collateral or margin requirements**.
- There is a risk that you will incur losses on your transactions due to changes in the market price of financial instruments based on fluctuations in interest rates, exchange rates, stock prices, real estate prices, commodity prices, and others. In addition, depending on the content of the transaction, the loss could exceed the amount of the collateral or margin requirements.
- There may be a difference between bid price etc. and ask price etc. of OTC derivatives handled by our company.
- Before engaging in any trading, please thoroughly confirm accounting and tax treatments regarding your trading in financial instruments with such experts as certified public accountants.

* The amount of the trading commission cannot be stated here in advance because it will be determined between our company and you based on current market conditions and the content of each transaction etc.

** The ratio of margin requirements etc. to the amount of the transaction cannot be stated here in advance because it will be determined between our company and you based on current market conditions and the content of each transaction etc.

When making an actual transaction, please be sure to carefully read the materials presented to you prior to the execution of agreement, and to take responsibility for your own decisions regarding the signing of the agreement with our company.

Buy (unchanged)

Structural turnaround round the corner (III)

- Lowering our forecasts to reflect still suboptimal scale…
- … but expecting enriched license projects to bear fruit soon
- Reiterating our Buy (1) rating with a lower 12M TP of TWD550

Rick Hsu
(886) 2 8758 6261
rick.hsu@daiwacm-cathay.com.tw

Sam Weng
(886) 2 8758 6255
sam.weng@daiwacm-cathay.com.tw

What's new: Following on our *results Memo,* we lower our forecasts and TP for M31, as we factor in its still suboptimal scale and delayed employment bonus in 3Q26 that weigh on its trajectory of a bottom-line turnaround. That said, we remain comfortable with our Buy (1) call on the stock as we expect M31's turnaround, kicking off from 3Q26 despite at a small scale, to sustain into 2027 with meaningful incremental builds, supported by its conversion from license to royalty revenue paying off, and broadened footprint into advanced technologies for price accretion and into diversified foundry, IDM, and fabless customers for volume accretion.

What's the impact: **Forecast changes.** We lower our 2026-27E EPS for M31 by 14-43% to embed its still suboptimal scale and opex overhang in our model. Despite the cuts, its bottom-line turnaround met our expectation, and we expect the turnaround to sustain with meaningful incremental builds sequentially through 2027 to improve market confidence. We forecast its 4Q26 top line to rebound by 23% QoQ (+12% YoY) for EPS to reach TWD3.31 (TWD0.35 in 3Q26), setting a good start for M31's 2027 outlook and warranting a strong 213% EPS CAGR over 2026-28E.

Turnaround confirmed. While prolonged license project recognitions delayed M31's turnaround, depicted in *our previous Flash*, we believe its bumpy operations over the past 2 years is finally coming to an end, evidenced by management's comments of QoQ revenue growth for 4Q26 with EPS expanding to cover accumulated losses YTD. M31 has actively invested over the past years enriching its IP portfolio, accumulating more than 2,000 license projects since 2012 (chart on p.2), and setting a good foundation for converting them to royalty revenue. It aims for the royalty revenue to outgrow license revenue in the next few quarters, after years of "cooking". Meanwhile, two structural growth drivers remain intact for ASP and volume accretion: 1) for ASP, a growing number of high-value projects from advanced process nodes to enhance M31's IP portfolio for ASP accretion, and 2) for volume, an increased diversification of customer base globally to broaden its addressable markets for volume accretion.

What we recommend: Given our forecast revisions, we lower our 12M TP for M31 to TWD550 (previous: TWD645), still based on our 4-quarter forward PER of 45x. We reaffirm our Buy (1) rating with key downside risks of silicon inflation and geopolitical overhang leading to global inflation and AI capex cut to delay M31's royalty ramps.

How we differ: Our 2027E EPS is 52% above the consensus, likely due to our more positive view on royalty revenue ramp.

Company profile

Founded in 2011, M31 is an independent semiconductor IP provider in Taiwan, offering both foundation IP for specialty technology nodes and functional IP such as high-speed interface and analogue IP.

ESG analysis

ESG risks

Risks		Management	Analyst comments
G	Executive/board quality	2	M31's board of directors (BoD) has 7 members, including 3 independent directors, who represent 43% of total directors, higher than the regulatory requirement of at least 20%. Its Chairman and President are not the same person, but its President is one of the directors. M31 has the Audit Committee, Compensation Committee and Risk Control Committee under the BoD.
	Capital management	1	Although M31 is a young company (founded in 2011 and listed in 2019), its dividend payout ratio has been over the 75% level for the past 5 years. M31 is a semiconductor IP provider without onsite production activities, which would require high capex to do so. As such, we view its high dividend payout ratio to be appropriate.
	Related party & transaction	1	We do not see any meaningful impact from related-party transactions.
S	Supply chain management	2	M31's suppliers are required to comply with the Supplier Management Standards, which was set by M31 in 2013. In addition, M31 has periodical evaluations for its suppliers and onsite audits to ensure the quality and implementation of Corporate Social Responsibility (CSR), as well as Environmental Protection and Safety and Integrity Policies.
E	Water & wastewater management	1	M31 is a semiconductor IP provider without physical products, and thus no production activity to affect the environment.
E	Waste & hazardous materials management	1	The company is a semiconductor IP provider without physical products, and thus no production activity to affect the environment. It still adopts some measures to reduce waste from its operations, such as recycling and using electronic files to replace paper documents as much as possible to reduce the use of paper.
E	GHG emissions	1	M31 is a semiconductor IP provider without physical products, and thus no production activity to affect the environment.

Note: Management score represents a company's ability to manage/benefit from certain ESG topics. The scores range from 1 to 3, with 1 being the strongest.

Japan - Notification items pursuant to Article 37 of the Financial Instruments and Exchange Law

(This Notification is only applicable to where report is distributed by Daiwa Securities Co. Ltd.)

If you decide to enter into a business arrangement with our company based on the information described in this report, we ask you to pay close attention to the following items.

- In addition to the purchase price of a financial instrument, our company will collect a trading commission* for each transaction as agreed beforehand with you. Since commissions may be included in the purchase price or may not be charged for certain transactions, we recommend that you confirm the commission for each transaction. In some cases, our company also may charge a maximum of ¥2 million per year as a standing proxy fee for our deposit of your securities, if you are a non-resident.
- For derivative and margin transactions etc., our company may require collateral or margin requirements in accordance with an agreement made beforehand with you. Ordinarily in such cases, the amount of the transaction will be in excess of the required collateral or margin requirements**.
- There is a risk that you will incur losses on your transactions due to changes in the market price of financial instruments based on fluctuations in interest rates, exchange rates, stock prices, real estate prices, commodity prices, and others. In addition, depending on the content of the transaction, the loss could exceed the amount of the collateral or margin requirements.
- There may be a difference between bid price etc. and ask price etc. of OTC derivatives handled by our company.
- Before engaging in any trading, please thoroughly confirm accounting and tax treatments regarding your trading in financial instruments with such experts as certified public accountants.

* The amount of the trading commission cannot be stated here in advance because it will be determined between our company and you based on current market conditions and the content of each transaction etc.

** The ratio of margin requirements etc. to the amount of the transaction cannot be stated here in advance because it will be determined between our company and you based on current market conditions and the content of each transaction etc.

When making an actual transaction, please be sure to carefully read the materials presented to you prior to the execution of agreement, and to take responsibility for your own decisions regarding the signing of the agreement with our company.

AWSC (8086.TWO)

Earnings Review: Material cost inflation to moderate in 4Q26, full impact of price adjustments from 1Q27; Neutral

8086.TWO	12m Price Target: **NT$136.00**	Price: **NT$99.90**	Upside: **36.1%**

AWSC's 3Q26 core business OP was NT$209mn, which was lower than both GSe/BBG consensus at NT$226mn/NT$250mn, mainly due to the ongoing increase in raw material cost, leading to a 24.3% GM (lower than GSe/BBG consensus GM at 25.6%/27.8%), despite UTR in 3Q26 remaining stable at 65-70%. Moreover, AWSC reported NI of NT$191mn, which was 3% higher than GSe but 17% lower than the BBG consensus due to the GM contraction.

Going into 4Q26, we believe the company's revenue will increase by 1% as key business lines (including WiFi, cellular and VCSEL) should remain stable in 4Q26 as we expect the company's utilization rate to remain stable at 65-70%. Moreover, we expect its GM to rise to 27.2% (up 2.9ppt QoQ) due to the material cost increase slowing down.

We continue to view rising material costs as the key risk to AWSC's profitability, as the company is now securing raw materials at higher cost as low-cost inventory has already been depleted in 1H26 amid the strong demand pull in. The company continues to negotiate price increases with clients and expects the adjustments to be fully reflected starting in 1Q27. However, we remain cautious on the low-end cellular segment, where customer demand tends to be more price-sensitive.

For the AI-related business, the company continues to ship VCSEL products for 400G/800G optical transceiver this year, with revenue contribution to be <2% in 2026E per our estimates. Meanwhile, the company continues to make progress on the new PD (Photodiode) product and is currently undergoing verification with several customers. The company expects PD products to start seeing revenue contribution starting from 2H27 or 2027-end given its long verification process, typically 6 months+, thus we expect revenue contribution to be limited at <2%/~5% in 2027E/2028E.

Source: Company data, Goldman Sachs Research estimates.

We maintain our conservative view on the cellular/WiFi PA industry (see here) as we continue to see weaker smartphone shipment (-10%/+2%/+2% in 2026/27/28, see here) as the smartphone market continues to be impacted by the elevated memory price (see here).

For AWSC, we believe the company could further gain market share among China PA design houses as Chinese clients increasingly shift toward higher-end PA products, supported by the company's superior cost control capability and higher production yield relative to peers. In addition, AWSC has continued to expand its market share with a Korean smartphone brand, which should provide further growth momentum to its cellular business in coming quarters/years. Overall, we expect AWSC to continue gaining share from its key competitors due to (1) its competitive pricing strategy, underpinned by a more favorable cost structure comparing to its key competitor, Win Semi (AWSC/Win Semi's fixed cost accounts for 30%/40% of the total, while Win Semi's COGS per wafer is ~130% higher than AWSC's) and (2) its strategic focus on China- and US-based PA design houses.

We continue to see a recovery in 2026 CAPEX plans among Taiwan PA foundry players. However, we do not view this as a signal of a meaningfully stronger demand outlook as the capital spending is more related to new AI businesses. AWSC revised up its 2026 CAPEX guidance to NT$600-650mn (from NT$500-600mn) and continues to expect CAPEX to increase in 2027/28. Also, management continues to expect UTR to reach at most ~70% in 2026, implying no need for capacity expansion in the near term while the additional capex will be spent on new optical related business.

Overall, we maintain our Neutral rating on AWSC with a new 12-m TP of NT$136 (from NT$147) as we roll over our valuation period by one quarter. Post results, we revise down our 2027E/28E earnings by 10%/10% to reflect lower revenue and the negative impact from rising material cost (GM contraction), revise up 2026E earnings by 2%, and introduce our 2029E estimates.

Earnings revisions

We revise up our 2026E revenue by 1% to factor in the 3Q26 actual results and we revise down 2027E/28E revenue by 9%/10% assuming a more conservative outlook for the cellular business; we revise down 2026E/27E/28E GM estimates by 0.4/0.7/0.8ppt to reflect the negative impact from rising material cost. Overall, we revise down 2027E/28E earnings by 10%/10% and revise up 2026E earnings by 2%.

In this report, we introduce our 2029E estimates.

Valuation

We maintain our Neutral rating and revise down our TP from NT$147 to NT$136, based on a lower 25x target P/E (from 27x previously, 0.5 STDV below the company's past 10-year forward P/E multiple), factoring in our earnings revisions and, consistent with our group coverage practices, rolling over our valuation period from 4Q26-3Q27E to 2027E.

Investment Thesis and TP & risks

AWSC is one of the largest GaAS foundries globally, with 10-15% market share in the GaAS foundry industry in 2025. We expect the company to enjoy solid share gain opportunity in the long term, considering its much lower than peers' production cost and better production efficiency. However, given the high inventory level in the supply chain, and the slower-than-expected Android smartphone PA demand in coming quarters, we expect relatively slow profit growth in the near term.

We are Neutral rated given the company's relatively slow profit growth in coming quarters. We think the stock is priced fairly, trading at its historical upcycle average P/E multiple, despite the long-term market share growth opportunity. We forecast AWSC's net income to grow at a 34% 2026E-28E CAGR. The key up/downside risks are (1) easing/rising competition in the China PA foundry market, (2) faster/slower-than-expected progress on 5G/WiFi 7 upgrade trends, and (3) faster/slower-than expected progress with new businesses, including LEO satellite, drones and datacom.

Valuation methodology: Our 12-month target price of NT$136 is based on a target 25x 2027E P/E, which is 0.5 STDV below the company's past 10-year forward P/E multiple and the inventory build-up period average P/E. We consider this multiple appropriate given the soft demand outlook and our positive view on the company's longer-term share gain opportunity.

The key up/downside risks are 1) easing/rising competition in the China PA foundry market, (2) faster/slower-than-expected progress on 5G/WiFi 7 upgrade trends, and (3) faster/slower-than expected progress with new businesses, including LEO satellite, drones and datacom.

GS Factor Profile

The Goldman Sachs Factor Profile provides investment context for a stock by comparing key attributes to the market (i.e. our universe of rated stocks) and its sector peers. The four key attributes depicted are: Growth, Financial Returns, Multiple (e.g. valuation) and Integrated (a composite of Growth, Financial Returns and Multiple). Growth, Financial Returns and Multiple are calculated by using normalized ranks for specific metrics for each stock. The normalized ranks for the metrics are then averaged and converted into percentiles for the relevant attribute. The precise calculation of each metric may vary depending on the fiscal year, industry and region, but the standard approach is as follows:

Growth is based on a stock's forward-looking sales growth, EBITDA growth and EPS growth (for financial stocks, only EPS and sales growth), with a higher percentile indicating a higher growth company. **Financial Returns** is based on a stock's forward-looking ROE, ROCE and CROCI (for financial stocks, only ROE), with a higher percentile indicating a company with higher financial returns. **Multiple** is based on a stock's forward-looking P/E, P/B, price/dividend (P/D), EV/EBITDA, EV/FCF and EV/Debt Adjusted Cash Flow (DACF) (for financial stocks, only P/E, P/B and P/D), with a higher percentile indicating a stock trading at a higher multiple. The **Integrated** percentile is calculated as the average of the Growth percentile, Financial Returns percentile and (100% - Multiple percentile).

Financial Returns and Multiple use the Goldman Sachs analyst forecasts at the fiscal year-end at least three quarters in the future. Growth uses inputs for the fiscal year at least seven quarters in the future compared with the year at least three quarters in the future (on a per-share basis for all metrics).

For a more detailed description of how we calculate the GS Factor Profile, please contact your GS representative.

M&A Rank

Across our global coverage, we examine stocks using an M&A framework, considering both qualitative factors and quantitative factors (which may vary across sectors and regions) to incorporate the potential that certain companies could be acquired. We then assign a M&A rank as a means of scoring companies under our rated coverage from 1 to 3, with 1 representing high (30%-50%) probability of the company becoming an acquisition target, 2 representing medium (15%-30%) probability and 3 representing low (0%-15%) probability. For companies ranked 1 or 2, in line with our standard departmental guidelines we incorporate an M&A component into our target price. M&A rank of 3 is considered immaterial and therefore does not factor into our price target, and may or may not be discussed in research.

Quantum

Quantum is Goldman Sachs' proprietary database providing access to detailed financial statement histories, forecasts and ratios. It can be used for in-depth analysis of a single company, or to make comparisons between companies in different sectors and markets.

Disclosures

The rating(s) for AWSC is/are relative to the other companies in its/their coverage universe: AVC, AWSC, Airtac International Group, Asus, Auras, Chenbro, Co-Tech Development Corp., Compal, Delta Electronics, E Ink, Elite Material, Fositek, GCE, Gigabyte, HTC Corp., Hiwin Corp., ITEQ Corp, Inventec, Kinsus, Lotes, NYPCB, Pegatron, Quanta, Shengyi Tech, Shennan Circuits, Taiwan Union Technology Corp., Unimicron Technology, Victory Giant, WNC, WUS, Win Semiconductors Corp., Yageo Corp., Zhen Ding Technology Holding

Company-specific regulatory disclosures

The following disclosures relate to relationships between The Goldman Sachs Group, Inc. (with its affiliates, "Goldman Sachs") and companies covered by Goldman Sachs Global Investment Research and referred to in this research.

Goldman Sachs beneficially owned 1% or more of common equity (excluding positions managed by affiliates and business units not required to be aggregated under US securities law) as of the month end preceding this report: AWSC (NT$99.90)

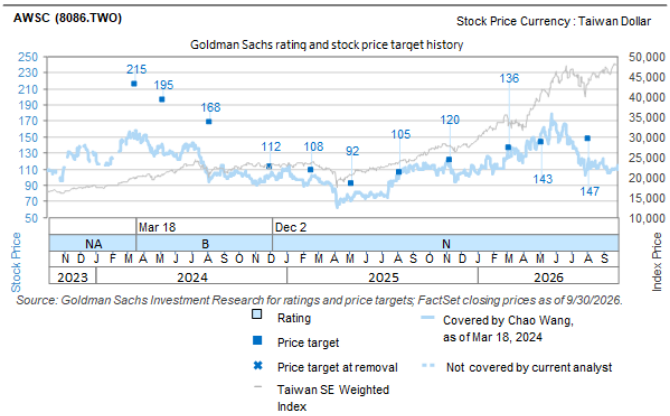
Distribution of ratings/investment banking relationships

Goldman Sachs Investment Research global Equity coverage universe

	Rating Distribution			Investment Banking Relationships		
	Buy	Hold	Sell	Buy	Hold	Sell
Global	50%	34%	16%	65%	58%	43%

As of October 1, 2026, Goldman Sachs Global Investment Research had investment ratings on 3,094 equity securities. Goldman Sachs assigns stocks as Buys and Sells on various regional Investment Lists; stocks not so assigned are deemed Neutral. Such assignments equate to Buy, Hold and Sell for the purposes of the above disclosure required by the FINRA Rules. See 'Ratings, Coverage universe and related definitions' below. The Investment Banking Relationships chart reflects the percentage of subject companies within each rating category for whom Goldman Sachs has provided investment banking services within the previous twelve months.

Price target and rating history chart(s)



The price targets shown should be considered in the context of all prior published Goldman Sachs research, which may or may not have included price targets, as well as developments relating to the company, its industry and financial markets.

Target price history table(s)

Regulatory disclosures

Disclosures required by United States laws and regulations
See company-specific regulatory disclosures above for any of the following disclosures required as to companies referred to in this report: manager or co-manager in a pending transaction; 1% or other ownership; compensation for certain services; types of client relationships; managed/co-managed public offerings in prior periods; directorships; registered market maker. Goldman Sachs trades or may trade as a principal in debt securities (or in related derivatives) of issuers discussed in this report.

The following are additional required disclosures: **Ownership and material conflicts of interest:** Goldman Sachs policy prohibits its analysts, professionals reporting to analysts and members of their households from owning securities of any company in the analyst's area of coverage. **Analyst compensation:** Analysts are paid in part based on the profitability of Goldman Sachs, which includes investment banking revenues. **Analyst as officer or director:** Goldman Sachs policy generally prohibits its analysts, persons reporting to analysts or members of their households from serving as an officer, director or advisor of any company in the analyst's area of coverage. **Non-U.S. Analysts:** Non-U.S. analysts may not be associated persons of Goldman Sachs & Co. LLC and therefore may not be subject to FINRA Rule 2241 or FINRA Rule 2242 restrictions on communications with a subject company, public appearances and trading in securities covered by the analysts.

Additional disclosures required under the laws and regulations of jurisdictions other than the United States
The following disclosures are those required by the jurisdiction indicated, except to the extent already made above pursuant to United States laws and regulations. **Australia:** Goldman Sachs Australia Pty Ltd and its affiliates are not authorised deposit-taking institutions (as that term is defined in the Banking Act 1959 (Cth)) in Australia and do not provide banking services, nor carry on a banking business, in Australia. This research, and any access to it, is intended only for "wholesale clients" within the meaning of the Australian Corporations Act, unless otherwise agreed by Goldman Sachs. In producing research reports, members of Global Investment Research of Goldman Sachs Australia may attend site visits and other meetings hosted by the companies and other entities which are the subject of its research reports. In some instances the costs of such site visits or meetings may be met in part or in whole by the issuers concerned if Goldman Sachs Australia considers it is appropriate and reasonable in the specific circumstances relating to the site visit or meeting. To the extent that the contents of this document contains any financial product advice, it is general advice only and has been prepared by Goldman Sachs without taking into account a client's objectives, financial situation or needs. A client should, before acting on any such advice, consider the appropriateness of the advice having regard to the client's own objectives, financial situation and needs. A copy of certain Goldman Sachs Australia and New Zealand disclosure of interests and a copy of Goldman Sachs' Australian Sell-Side Research Independence Policy Statement are available at: https://www.goldmansachs.com/disclosures/australia-new-zealand/index.html. **Brazil:** Disclosure information in relation to CVM Resolution n. 20 is available at https://www.gs.com/worldwide/brazil/area/gir/index.html. Where applicable, the Brazil-registered analyst primarily responsible for the content of this research report, as defined in Article 20 of CVM Resolution n. 20, is the first author named at the beginning of this report, unless indicated otherwise at the end of the text. **Canada:** This information is being provided to you for information purposes only and is not, and under no circumstances should be construed as, an advertisement, offering or solicitation by Goldman Sachs & Co. LLC for purchasers of

securities in Canada to trade in any Canadian security. Goldman Sachs & Co. LLC is not registered as a dealer in any jurisdiction in Canada under applicable Canadian securities laws and generally is not permitted to trade in Canadian securities and may be prohibited from selling certain securities and products in certain jurisdictions in Canada. If you wish to trade in any Canadian securities or other products in Canada please contact Goldman Sachs Canada Inc., an affiliate of The Goldman Sachs Group Inc., or another registered Canadian dealer. **Hong Kong:** Further information on the securities of covered companies referred to in this research may be obtained on request from Goldman Sachs (Asia) L.L.C. **India:** Further information on the subject company or companies referred to in this research may be obtained from Goldman Sachs (India) Securities Private Limited, Research Analyst - SEBI Registration Number INH000001493, 10th Floor, Ascent-Worli, Sudam Kalu Ahire Marg, Worli, Mumbai-400 025, India, Corporate Identity Number U74140MH2006FTC160634, Phone +91 22 6616 9000, Fax +91 22 6616 9001. Goldman Sachs may beneficially own 1% or more of the securities (as such term is defined in clause 2 (h) the Indian Securities Contracts (Regulation) Act, 1956) of the subject company or companies referred to in this research report. Registration granted by SEBI and certification from NISM in no way guarantee performance of the intermediary or provide any assurance of returns to investors. Goldman Sachs (India) Securities Private Limited compliance officer and investor grievance contact details, a copy of the annual compliance audit report and other relevant information and disclosures can be found at this link: https://www.goldmansachs.com/worldwide/india/research-analyst. **Japan:** See below. **Korea:** This research, and any access to it, is intended only for "professional investors" within the meaning of the Financial Services and Capital Markets Act, unless otherwise agreed by Goldman Sachs. Further information on the subject company or companies referred to in this research may be obtained from Goldman Sachs (Asia) L.L.C., Seoul Branch. **New Zealand:** Goldman Sachs New Zealand Limited and its affiliates are neither "registered banks" nor "deposit takers" (as defined in the Reserve Bank of New Zealand Act 1989) in New Zealand. This research, and any access to it, is intended for "wholesale clients" (as defined in the Financial Advisers Act 2008) unless otherwise agreed by Goldman Sachs. A copy of certain Goldman Sachs Australia and New Zealand disclosure of interests is available at: https://www.goldmansachs.com/disclosures/australia-new-zealand/index.html. **Russia:** Research reports distributed in the Russian Federation are not advertising as defined in the Russian legislation, but are information and analysis not having product promotion as their main purpose and do not provide appraisal within the meaning of the Russian legislation on appraisal activity. Research reports do not constitute a personalized investment recommendation as defined in Russian laws and regulations, are not addressed to a specific client, and are prepared without analyzing the financial circumstances, investment profiles or risk profiles of clients. Goldman Sachs assumes no responsibility for any investment decisions that may be taken by a client or any other person based on this research report. **Singapore:** Goldman Sachs (Singapore) Pte. (Company Number: 198602165W), which is regulated by the Monetary Authority of Singapore, accepts legal responsibility for this research, and should be contacted with respect to any matters arising from, or in connection with, this research. **Taiwan:** This material is for reference only and must not be reprinted without permission. Investors should carefully consider their own investment risk. Investment results are the responsibility of the individual investor. **United Kingdom:** Persons who would be categorized as retail clients in the United Kingdom, as such term is defined in the rules of the Financial Conduct Authority, should read this research in conjunction with prior Goldman Sachs research on the covered companies referred to herein and should refer to the risk warnings that have been sent to them by Goldman Sachs International. A copy of these risks warnings, and a glossary of certain financial terms used in this report, are available from Goldman Sachs International on request.

European Union and United Kingdom: Disclosure information in relation to Article 6 (2) of the European Commission Delegated Regulation (EU) (2016/958) supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council (including as that Delegated Regulation is implemented into United Kingdom domestic law and regulation following the United Kingdom's departure from the European Union and the European Economic Area) with regard to regulatory technical standards for the technical arrangements for objective presentation of investment recommendations or other information recommending or suggesting an investment strategy and for disclosure of particular interests or indications of conflicts of interest is available at https://www.gs.com/disclosures/europeanpolicy.html which states the European Policy for Managing Conflicts of Interest in Connection with Investment Research.

Japan: Goldman Sachs Japan Co., Ltd. is a Financial Instrument Dealer registered with the Kanto Financial Bureau under registration number Kinsho 69, and a member of Japan Securities Dealers Association, Financial Futures Association of Japan Type II Financial Instruments Firms Association, and Investment Management Association of Japan. Sales and purchase of equities are subject to commission pre-determined with clients plus consumption tax. See company-specific disclosures as to any applicable disclosures required by Japanese stock exchanges, the Japanese Securities Dealers Association or the Japanese Securities Finance Company.

Ratings, coverage universe and related definitions

Buy (B), Neutral (N), Sell (S) Analysts recommend stocks as Buys or Sells for inclusion on various regional Investment Lists. Being assigned a Buy or Sell on an Investment List is determined by a stock's total return potential relative to its coverage universe. Any stock not assigned as a Buy or a Sell on an Investment List with an active rating (i.e., a stock that is not Rating Suspended, Not Rated, Early-Stage Biotech, Coverage Suspended or Not Covered), is deemed Neutral. Each region manages Regional Conviction Lists, which are selected from Buy rated stocks on the respective region's Investment Lists and represent investment recommendations focused on the size of the total return potential and/or the likelihood of the realization of the return across their respective areas of coverage. The addition or removal of stocks from such Conviction Lists are managed by the Investment Review Committee or other designated committee in each respective region and do not represent a change in the analysts' investment rating for such stocks.

Total return potential represents the upside or downside differential between the current share price and the price target, including all paid or anticipated dividends, expected during the time horizon associated with the price target. Price targets are required for all covered stocks. The total return potential, price target and associated time horizon are stated in each report adding or reiterating an Investment List membership.

Coverage Universe: A list of all stocks in each coverage universe is available by primary analyst, stock and coverage universe at https://www.gs.com/research/hedge.html.

Not Rated (NR). The investment rating, target price and earnings estimates (where relevant) are removed pursuant to Goldman Sachs policy when Goldman Sachs is acting in an advisory capacity in a merger or in a strategic transaction involving this company, when there are legal, regulatory or policy constraints due to Goldman Sachs' involvement in a transaction, and in certain other circumstances. **Early-Stage Biotech (ES).** An investment rating and a target price are not assigned pursuant to Goldman Sachs policy when this company has neither a drug, treatment or medical device that has passed a Phase II clinical trial nor a license to distribute a post-Phase II drug, treatment or medical device. **Rating Suspended (RS).** Goldman Sachs Research has suspended the investment rating and price target for this stock, because there is not a sufficient fundamental basis for determining an investment rating or target price. The previous investment rating and target price, if any, are no longer in effect for this stock and should not be relied upon. **Coverage Suspended (CS).** Goldman Sachs has suspended coverage of this company. **Not Covered (NC).** Goldman Sachs does not cover this company.

Global product; distributing entities

Goldman Sachs Global Investment Research produces and distributes research products for clients of Goldman Sachs on a global basis. Analysts based in Goldman Sachs offices around the world produce research on industries and companies, and research on macroeconomics, currencies, commodities and portfolio strategy. This research is disseminated in Australia by Goldman Sachs Australia Pty Ltd (ABN 21 006 797 897); in Brazil by Goldman Sachs do Brasil Corretora de Títulos e Valores Mobiliários S.A.; Public Communication Channel Goldman Sachs Brazil: 0800 727 5764 and / or contatogoldmanbrasil@gs.com. Available Weekdays (except holidays), from 9am to 6pm. Canal de Comunicação com o Público Goldman Sachs Brasil: 0800 727 5764 e/ou contatogoldmanbrasil@gs.com. Horário de funcionamento: segunda-feira à sexta-feira (exceto feriados), das 9h às 18h; in Canada by Goldman Sachs & Co. LLC; in Hong Kong by Goldman Sachs (Asia) L.L.C.; in India by Goldman Sachs (India) Securities Private Ltd.; in Japan by Goldman Sachs Japan Co., Ltd.; in the Republic of Korea by Goldman Sachs (Asia) L.L.C., Seoul Branch; in New Zealand by Goldman Sachs New Zealand

Limited; in Russia by OOO Goldman Sachs; in Singapore by Goldman Sachs (Singapore) Pte. (Company Number: 198602165W); and in the United States of America by Goldman Sachs & Co. LLC. Goldman Sachs International has approved this research in connection with its distribution in the United Kingdom.

Goldman Sachs International ("GSI"), authorised by the Prudential Regulation Authority ("PRA") and regulated by the Financial Conduct Authority ("FCA") and the PRA, has approved this research in connection with its distribution in the United Kingdom.

European Economic Area: Goldman Sachs Bank Europe SE ("GSBE") is a credit institution incorporated in Germany and, within the Single Supervisory Mechanism, subject to direct prudential supervision by the European Central Bank and in other respects supervised by German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, BaFin) and Deutsche Bundesbank and disseminates research within the European Economic Area.

General disclosures

This research is for our clients only. Other than disclosures relating to Goldman Sachs, this research is based on current public information that we consider reliable, but we do not represent it is accurate or complete, and it should not be relied on as such. The information, opinions, estimates and forecasts contained herein are as of the date hereof and are subject to change without prior notification. We seek to update our research as appropriate, but various regulations may prevent us from doing so. Other than certain industry reports published on a periodic basis, the large majority of reports are published at irregular intervals as appropriate in the analyst's judgment.

Goldman Sachs conducts a global full-service, integrated investment banking, investment management, and brokerage business. We have investment banking and other business relationships with a substantial percentage of the companies covered by Global Investment Research. Goldman Sachs & Co. LLC, the United States broker dealer, is a member of SIPC (https://www.sipc.org).

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients and principal trading desks that reflect opinions that are contrary to the opinions expressed in this research. Our asset management area, principal trading desks and investing businesses may make investment decisions that are inconsistent with the recommendations or views expressed in this research.

The analysts named in this report may have from time to time discussed with our clients, including Goldman Sachs salespersons and traders, or may discuss in this report, trading strategies that reference catalysts or events that may have a near-term impact on the market price of the equity securities discussed in this report, which impact may be directionally counter to the analyst's published price target expectations for such stocks. Any such trading strategies are distinct from and do not affect the analyst's fundamental equity rating for such stocks, which rating reflects a stock's return potential relative to its coverage universe as described herein.

We and our affiliates, officers, directors, and employees will from time to time have long or short positions in, act as principal in, make a market or act as liquidity provider in, and buy or sell, any securities, derivatives, or other financial instruments referred to in this research (including any financial instruments issued by the companies referred to herein), unless otherwise prohibited by regulation or Goldman Sachs policy.

The views attributed to third party presenters at Goldman Sachs arranged conferences, including individuals from other parts of Goldman Sachs, do not necessarily reflect those of Global Investment Research and are not an official view of Goldman Sachs.

Any third party referenced herein, including any salespeople, traders and other professionals or members of their household, may have positions in the products mentioned that are inconsistent with the views expressed by analysts named in this report.

This research is not an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Clients should consider whether any advice or recommendation in this research is suitable for their particular circumstances and, if appropriate, seek professional advice, including tax advice. The price and value of investments referred to in this research and the income from them may fluctuate. Past performance is not a guide to future performance, future returns are not guaranteed, and a loss of original capital may occur. Fluctuations in exchange rates could have adverse effects on the value or price of, or income derived from, certain investments.

Certain transactions, including those involving futures, options, and other derivatives, give rise to substantial risk and are not suitable for all investors. Investors should review current options and futures disclosure documents which are available from Goldman Sachs sales representatives or at https://www.theocc.com/about/publications/character-risks.jsp and https://www.goldmansachs.com/disclosures/cftc_fcm_disclosures. Transaction costs may be significant in option strategies calling for multiple purchase and sales of options such as spreads. Supporting documentation will be supplied upon request.

Differing Levels of Service provided by Global Investment Research: The level and types of services provided to you by Goldman Sachs Global Investment Research may vary as compared to that provided to internal and other external clients of GS, depending on various factors including your individual preferences as to the frequency and manner of receiving communication, your risk profile and investment focus and perspective (e.g., marketwide, sector specific, long term, short term), the size and scope of your overall client relationship with GS, and legal and regulatory constraints. As an example, certain clients may request to receive notifications when research on specific securities is published, and certain clients may request that specific data underlying analysts' fundamental analysis available on our internal client websites be delivered to them electronically through data feeds or otherwise. No change to an analyst's fundamental research views (e.g., ratings, price targets, or material changes to earnings estimates for equity securities), will be communicated to any client prior to inclusion of such information in a research report broadly disseminated through electronic publication to our internal client websites or through other means, as necessary, to all clients who are entitled to receive such reports.

All research reports are disseminated and available to all clients simultaneously through electronic publication to our internal client websites. Not all research content is redistributed to our clients or available to third-party aggregators, nor is Goldman Sachs responsible for the redistribution of our research by third party aggregators. For research, models or other data related to one or more securities, markets or asset classes (including related services) that may be available to you, please contact your GS representative or go to https://research.gs.com.

Disclosure information is also available at https://www.gs.com/research/hedge.html or from Research Compliance, 200 West Street, New York, NY 10282.

GCE (2368.TW)

GM expansion on the way with new AI project ramps in 4Q26-4Q27, despite increasing competition in the AI PCB market; Buy

2368.TW	12m Price Target: **NT$1,660.00**	Price: **NT$983.00**	Upside: **68.9%**

GCE's 3Q26 core business (OPI) was 6%/1% below GSe/BBG consensus due mainly to **(1) key AI customer's product transition period (revenue in 3Q was 4/3% lower than GSe/BBG consensus)**, and **(2) the increasing investment in R&D to improve its production capability on AI HDI and N+M MLB products)**, despite the much stronger than expected GM (0.8/1.8ppt higher than GSe/BBG consensus). For the net income in 3Q26, it was 5% below our bullish estimate, resulting from the weaker than expected operating profit, but it was 3% higher than BBG consensus, thanks to the lower than expected tax rate resulting from the increasing profit contribution from the low tax rate Thailand plant (tax rate was only at 25% in 3Q26 vs. BBG consensus at ~30%).

For 4Q26, **we expect the company's revenue to grow by 7% QoQ**, due to ongoing key AI customers' product transition, and the fewer working days due to the holiday season. **We expect GCE's GM will further expand to 39.2% (up 0.5ppt QoQ or 5.5ppt YoY)** thanks to the better product mix (high-end networking demand should ramp up more significantly from 4Q26, per GSe), despite the increasing cost from high-end CCL (see here).

Investment view - GCE will continue to deliver a better margin profile with expanding market share in AI ASIC market

We continue to expect GCE will hold the major share for Trainium 3 (70%+ from 3Q26), and see an even better market share in the next generation Trainium 4 products (as key competitors are all unable to support high-end AI HDI products) after the company ramps up its AI HDI production yield rate. We also expect the company to start supplying the new TPU v8 PCB products, which should meaningfully improve the company's market share in coming quarters (from <5% in 2026 to 20-30%+ in 2027), suggesting an even better GM outlook in the foreseeable future.

On the other hand, the company will only expand its capacity

Source: Company data, Goldman Sachs Research estimates.

volume by ~20% in 2027, without considering the product mix improvement/ASP hike (we believe after considering the better ASP for next-gen AI products, the company's capacity value should go up by 35%+ YoY in 2027), while we believe the AI PCB volume/area demand should at least increase by 50% YoY, implying a potential market share loss in coming quarters. We note Greater China peers are also expanding capacity in SEA regions to try to penetrate into GCE's key AI ASIC markets, implying increasing competition in coming quarters, which could lead to less favorable ASP in the long term, despite no significant impact for now. However, considering GCE's best in class AI PCB production technology and its proactive investment in the high-end PCB R&D for more than 10 years, as well as the company's first mover advantage in the SEA PCB market, we expect GCE will continue to have opportunities to expand its business in the most high-end PCB market, suggesting a good GM outlook in the long term.

Maintain Buy on GCE, with a new 12-m TP of NT$1,660 (from NT$1,800).

Earning and TP revision

Earnings revision

We revise down our 2026/27/28E net income estimate by 9%/6%/5% to factor in the potential slower pricing hike outlook in the PCB industry, considering the increasing competition in the AI PCB industry (cut 2026/27/28E revenue estimate by 7/6/5%). Moreover, we believe GCE will need to invest more in R&D projects in the coming quarters to improve its HDI production capability, and expect the N+M PCB R&D investment will also drive OPEX in coming years, considering the increasing adoption rate from 1H27 (revise up 2027 OPEX to sales ratio by 0.3ppt).

TP revision

Maintain Buy with a new 12-m TP of NT$1,660 (from NT$1,800), based on 15x P/E (down from 20x previously, still in line with AI PCB peers' average valuation); we also rollover our valuation base from 2027E to 2H27-1H28E, and factor in our earnings revision.

Investment thesis and Valuation & Risks

GCE is a key cloud (server+switch) PCB supplier globally with 20%+ market share in 2022. We expect cloud PCB market demand to grow at a 15% 2024-26E CAGR (far stronger than the overall RPCB+HDI market demand growth rate at 5% 2024-26E CAGR). We believe GCE's proactive capacity expansion plan (33% in 2026) and high annualized ROI (300%+) will continue to drive the company's revenue/margin level in the coming quarters/years. Additionally, we believe GCE can continue to see strong demand from the increasing content per server/switch, as we expect both markets to see a 20-50%+ layer count increase after the generation upgrade (upgrade to 400G/Eagle Stream). We are constructive on GCE's long-term growth opportunity given its solid position in the rapidly growing cloud PCB market, and we are Buy rated on the stock. GCE is trading higher than its historical P/E average level driven by strong AI server demand, but lower than the TW AI server players' average.

Price Target Risks and Methodology

Valuation methodology: Our 12m TP of NT$1,660 is based on a 15x 2H27-1H28E P/E (in line with AI PCB peers average valuation).

Key downside risks: (1) weaker-than-expected AI server market demand; (2) delays in the company's Nvidia OAM/UBB product qualification, (3) weaker-than-expected HDI demand, and (4) higher-than-expected ramp up cost for new capacity

GS Factor Profile

The Goldman Sachs Factor Profile provides investment context for a stock by comparing key attributes to the market (i.e. our universe of rated stocks) and its sector peers. The four key attributes depicted are: Growth, Financial Returns, Multiple (e.g. valuation) and Integrated (a composite of Growth, Financial Returns and Multiple). Growth, Financial Returns and Multiple are calculated by using normalized ranks for specific metrics for each stock. The normalized ranks for the metrics are then averaged and converted into percentiles for the relevant attribute. The precise calculation of each metric may vary depending on the fiscal year, industry and region, but the standard approach is as follows:

Growth is based on a stock's forward-looking sales growth, EBITDA growth and EPS growth (for financial stocks, only EPS and sales growth), with a higher percentile indicating a higher growth company. **Financial Returns** is based on a stock's forward-looking ROE, ROCE and CROCI (for financial stocks, only ROE), with a higher percentile indicating a company with higher financial returns. **Multiple** is based on a stock's forward-looking P/E, P/B, price/dividend (P/D), EV/EBITDA, EV/FCF and EV/Debt Adjusted Cash Flow (DACF) (for financial stocks, only P/E, P/B and P/D), with a higher percentile indicating a stock trading at a higher multiple. The **Integrated** percentile is calculated as the average of the Growth percentile, Financial Returns percentile and (100% - Multiple percentile).

Financial Returns and Multiple use the Goldman Sachs analyst forecasts at the fiscal year-end at least three quarters in the future. Growth uses inputs for the fiscal year at least seven quarters in the future compared with the year at least three quarters in the future (on a per-share basis for all metrics).

For a more detailed description of how we calculate the GS Factor Profile, please contact your GS representative.

M&A Rank

Across our global coverage, we examine stocks using an M&A framework, considering both qualitative factors and quantitative factors (which may vary across sectors and regions) to incorporate the potential that certain companies could be acquired. We then assign a M&A rank as a means of scoring companies under our rated coverage from 1 to 3, with 1 representing high (30%-50%) probability of the company becoming an acquisition target, 2 representing medium (15%-30%) probability and 3 representing low (0%-15%) probability. For companies ranked 1 or 2, in line with our standard departmental guidelines we incorporate an M&A component into our target price. M&A rank of 3 is considered immaterial and therefore does not factor into our price target, and may or may not be discussed in research.

Quantum

Quantum is Goldman Sachs' proprietary database providing access to detailed financial statement histories, forecasts and ratios. It can be used for in-depth analysis of a single company, or to make comparisons between companies in different sectors and markets.

Disclosures

The rating(s) for GCE is/are relative to the other companies in its/their coverage universe: AVC, AWSC, Airtac International Group, Asus, Auras, Chenbro, Co-Tech Development Corp., Compal, Delta Electronics, E Ink, Elite Material, Fositek, GCE, Gigabyte, HTC Corp., Hiwin Corp., ITEQ Corp, Inventec, Kinsus, Lotes, NYPCB, Pegatron, Quanta, Shengyi Tech, Shennan Circuits, Taiwan Union Technology Corp., Unimicron Technology, Victory Giant, WNC, WUS, Win Semiconductors Corp., Yageo Corp., Zhen Ding Technology Holding

Company-specific regulatory disclosures

The following disclosures relate to relationships between The Goldman Sachs Group, Inc. (with its affiliates, "Goldman Sachs") and companies covered by Goldman Sachs Global Investment Research and referred to in this research.

There are no company-specific disclosures for: GCE (NT$983.00)

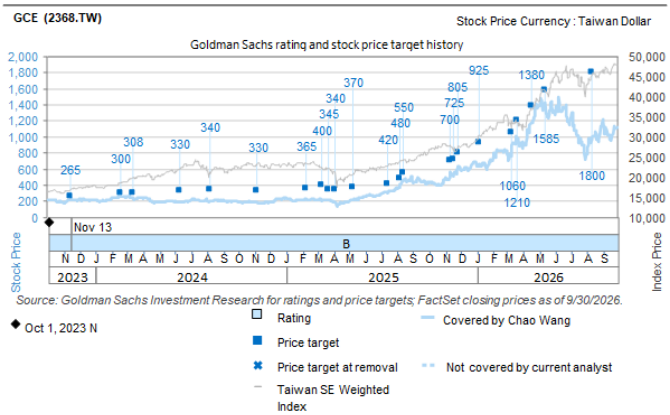
Distribution of ratings/investment banking relationships

Goldman Sachs Investment Research global Equity coverage universe

	Rating Distribution			Investment Banking Relationships		
	Buy	Hold	Sell	Buy	Hold	Sell
Global	50%	34%	16%	65%	58%	43%

As of October 1, 2026, Goldman Sachs Global Investment Research had investment ratings on 3,094 equity securities. Goldman Sachs assigns stocks as Buys and Sells on various regional Investment Lists; stocks not so assigned are deemed Neutral. Such assignments equate to Buy, Hold and Sell for the purposes of the above disclosure required by the FINRA Rules. See 'Ratings, Coverage universe and related definitions' below. The Investment Banking Relationships chart reflects the percentage of subject companies within each rating category for whom Goldman Sachs has provided investment banking services within the previous twelve months.

Price target and rating history chart(s)



The price targets shown should be considered in the context of all prior published Goldman Sachs research, which may or may not have included price targets, as well as developments relating to the company, its industry and financial markets.

Regulatory disclosures

Disclosures required by United States laws and regulations

See company-specific regulatory disclosures above for any of the following disclosures required as to companies referred to in this report: manager or co-manager in a pending transaction; 1% or other ownership; compensation for certain services; types of client relationships; managed/co-managed public offerings in prior periods; directorships; registered market maker. Goldman Sachs trades or may trade as a principal in debt securities (or in related derivatives) of issuers discussed in this report.

The following are additional required disclosures: **Ownership and material conflicts of interest:** Goldman Sachs policy prohibits its analysts, professionals reporting to analysts and members of their households from owning securities of any company in the analyst's area of coverage. **Analyst compensation:** Analysts are paid in part based on the profitability of Goldman Sachs, which includes investment banking revenues. **Analyst as officer or director:** Goldman Sachs policy generally prohibits its analysts, persons reporting to analysts or members of their households from serving as an officer, director or advisor of any company in the analyst's area of coverage. **Non-U.S. Analysts:** Non-U.S. analysts may not be associated persons of Goldman Sachs & Co. LLC and therefore may not be subject to FINRA Rule 2241 or FINRA Rule 2242 restrictions on communications with a subject company, public appearances and trading in securities covered by the analysts.

Additional disclosures required under the laws and regulations of jurisdictions other than the United States

The following disclosures are those required by the jurisdiction indicated, except to the extent already made above pursuant to United States laws and regulations. **Australia:** Goldman Sachs Australia Pty Ltd and its affiliates are not authorised deposit-taking institutions (as that term is defined in the Banking Act 1959 (Cth)) in Australia and do not provide banking services, nor carry on a banking business, in Australia. This research, and any access to it, is intended only for "wholesale clients" within the meaning of the Australian Corporations Act, unless otherwise agreed by Goldman Sachs. In producing research reports, members of Global Investment Research of Goldman Sachs Australia may attend site visits and other meetings hosted by the companies and other entities which are the subject of its research reports. In some instances the costs of such site visits or meetings may be met in part or in whole by the issuers concerned if Goldman Sachs Australia considers it is appropriate and reasonable in the specific circumstances relating to the site visit or meeting. To the extent that the contents of this document contains any financial product advice, it is general advice only and has been prepared by Goldman Sachs without taking into account a client's objectives, financial situation or needs. A client should, before acting on any such advice, consider the appropriateness of the advice having regard to the client's own objectives, financial situation and needs. A copy of certain Goldman Sachs Australia and New Zealand disclosure of interests and a copy of Goldman Sachs' Australian Sell-Side Research Independence Policy Statement are available at: https://www.goldmansachs.com/disclosures/australia-new-zealand/index.html. **Brazil:** Disclosure information in relation to CVM Resolution n. 20 is available at https://www.gs.com/worldwide/brazil/area/gir/index.html. Where applicable, the Brazil-registered analyst primarily responsible for the content of this research report, as defined in Article 20 of CVM Resolution n. 20, is the first author named at the beginning of this report, unless indicated otherwise at the end of the text. **Canada:** This information is being provided to you for information purposes only and is not, and under no circumstances should be construed as, an advertisement, offering or solicitation by Goldman Sachs & Co. LLC for purchasers of securities in Canada to trade in any Canadian security. Goldman Sachs & Co. LLC is not registered as a dealer in any jurisdiction in Canada under applicable Canadian securities laws and generally is not permitted to trade in Canadian securities and may be prohibited from selling certain securities and products in certain jurisdictions in Canada. If you wish to trade in any Canadian securities or other products in Canada please contact Goldman Sachs Canada Inc., an affiliate of The Goldman Sachs Group Inc., or another registered Canadian dealer. **Hong Kong:** Further information on the securities of covered companies referred to in this research may be obtained on request from Goldman Sachs (Asia) L.L.C. **India:** Further information on the subject company or companies referred to in this research may be obtained from Goldman Sachs (India) Securities Private Limited, Research Analyst - SEBI Registration Number INH000001493, 10th Floor, Ascent-Worli, Sudam Kalu Ahire Marg, Worli, Mumbai-400 025, India, Corporate Identity Number U74140MH2006FTC160634, Phone +91 22 6616 9000, Fax +91 22 6616 9001. Goldman Sachs may beneficially own 1% or more of the securities (as such term is defined in clause 2 (h) the Indian Securities Contracts (Regulation) Act, 1956) of the subject company or companies referred to in this research report. Registration granted by SEBI and certification from NISM in no way guarantee performance of the intermediary or provide any assurance of returns to investors. Goldman Sachs (India) Securities Private Limited compliance officer and investor grievance contact details, a copy of the annual compliance audit report and other relevant information and disclosures can be found at this link: https://www.goldmansachs.com/worldwide/india/research-analyst. **Japan:** See below. **Korea:** This research, and any access to it, is intended only for "professional investors" within the meaning of the Financial Services and Capital Markets Act, unless otherwise agreed by Goldman Sachs. Further information on the subject company or companies referred to in this research may be obtained from Goldman Sachs (Asia) L.L.C., Seoul Branch. **New Zealand:** Goldman Sachs New Zealand Limited and its affiliates are neither "registered banks" nor "deposit takers" (as defined in the Reserve Bank of New Zealand Act 1989) in New Zealand. This research, and any access to it, is intended for "wholesale clients" (as defined in the Financial Advisers Act 2008) unless otherwise agreed by Goldman Sachs. A copy of certain Goldman Sachs Australia and New Zealand disclosure of interests is available at: https://www.goldmansachs.com/disclosures/australia-new-zealand/index.html. **Russia:** Research reports distributed in the Russian Federation are not advertising as defined in the Russian legislation, but are information and analysis not having product promotion as their main purpose and do not provide appraisal within the meaning of the Russian legislation on appraisal activity. Research reports do not constitute a personalized investment recommendation as defined in Russian laws and regulations, are not addressed to a specific client, and are prepared without analyzing the financial circumstances, investment profiles or risk profiles of clients. Goldman Sachs assumes no responsibility for any investment decisions that may be taken by a client or any other person based on this research report. **Singapore:** Goldman Sachs (Singapore) Pte. (Company Number: 198602165W), which is regulated by the Monetary Authority of Singapore, accepts legal responsibility for this research, and should be contacted with respect to any matters arising from, or in connection with, this research. **Taiwan:** This material is for reference only and must not be reprinted without permission. Investors should carefully consider their own investment risk. Investment results are the responsibility of the individual investor. **United Kingdom:** Persons who would be categorized as retail clients in the United Kingdom, as such term is defined in the rules of the Financial Conduct Authority, should read this research in conjunction with prior Goldman Sachs research on the covered companies referred to herein and should refer to the risk warnings that have been sent to them by Goldman Sachs International. A copy of these risks warnings, and a glossary of certain financial terms used in this report, are available from Goldman Sachs International on request.

European Union and United Kingdom: Disclosure information in relation to Article 6 (2) of the European Commission Delegated Regulation (EU) (2016/958) supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council (including as that Delegated Regulation is implemented into United Kingdom domestic law and regulation following the United Kingdom's departure from the European Union and the European Economic Area) with regard to regulatory technical standards for the technical arrangements for objective presentation of investment recommendations or other information recommending or suggesting an investment strategy and for disclosure of particular interests or indications of conflicts of interest is available at https://www.gs.com/disclosures/europeanpolicy.html which states the European Policy for Managing Conflicts of Interest in Connection with Investment Research.

Japan: Goldman Sachs Japan Co., Ltd. is a Financial Instrument Dealer registered with the Kanto Financial Bureau under registration number Kinsho 69, and a member of Japan Securities Dealers Association, Financial Futures Association of Japan Type II Financial Instruments Firms Association, and Investment Management Association of Japan. Sales and purchase of equities are subject to commission pre-determined with clients plus consumption tax. See company-specific disclosures as to any applicable disclosures required by Japanese stock exchanges, the Japanese Securities Dealers Association or the Japanese Securities Finance Company.

Ratings, coverage universe and related definitions

Buy (B), Neutral (N), Sell (S) Analysts recommend stocks as Buys or Sells for inclusion on various regional Investment Lists. Being assigned a Buy or Sell on an Investment List is determined by a stock's total return potential relative to its coverage universe. Any stock not assigned as a Buy or a Sell on an Investment List with an active rating (i.e., a stock that is not Rating Suspended, Not Rated, Early-Stage Biotech, Coverage Suspended or Not Covered), is deemed Neutral. Each region manages Regional Conviction Lists, which are selected from Buy rated stocks on the respective region's Investment Lists and represent investment recommendations focused on the size of the total return potential and/or the likelihood of the realization of the return across their respective areas of coverage. The addition or removal of stocks from such Conviction Lists are managed by the Investment Review Committee or other designated committee in each respective region and do not represent a change in the analysts' investment rating for such stocks.

Total return potential represents the upside or downside differential between the current share price and the price target, including all paid or anticipated dividends, expected during the time horizon associated with the price target. Price targets are required for all covered stocks. The total return potential, price target and associated time horizon are stated in each report adding or reiterating an Investment List membership.

Coverage Universe: A list of all stocks in each coverage universe is available by primary analyst, stock and coverage universe at https://www.gs.com/research/hedge.html.

Not Rated (NR). The investment rating, target price and earnings estimates (where relevant) are removed pursuant to Goldman Sachs policy when Goldman Sachs is acting in an advisory capacity in a merger or in a strategic transaction involving this company, when there are legal, regulatory or

policy constraints due to Goldman Sachs' involvement in a transaction, and in certain other circumstances. **Early-Stage Biotech (ES).** An investment rating and a target price are not assigned pursuant to Goldman Sachs policy when this company has neither a drug, treatment or medical device that has passed a Phase II clinical trial nor a license to distribute a post-Phase II drug, treatment or medical device. **Rating Suspended (RS).** Goldman Sachs Research has suspended the investment rating and price target for this stock, because there is not a sufficient fundamental basis for determining an investment rating or target price. The previous investment rating and target price, if any, are no longer in effect for this stock and should not be relied upon. **Coverage Suspended (CS).** Goldman Sachs has suspended coverage of this company. **Not Covered (NC).** Goldman Sachs does not cover this company.

Global product; distributing entities

Goldman Sachs Global Investment Research produces and distributes research products for clients of Goldman Sachs on a global basis. Analysts based in Goldman Sachs offices around the world produce research on industries and companies, and research on macroeconomics, currencies, commodities and portfolio strategy. This research is disseminated in Australia by Goldman Sachs Australia Pty Ltd (ABN 21 006 797 897); in Brazil by Goldman Sachs do Brasil Corretora de Títulos e Valores Mobiliários S.A.; Public Communication Channel Goldman Sachs Brazil: 0800 727 5764 and / or contatogoldmanbrasil@gs.com. Available Weekdays (except holidays), from 9am to 6pm. Canal de Comunicação com o Público Goldman Sachs Brasil: 0800 727 5764 e/ou contatogoldmanbrasil@gs.com. Horário de funcionamento: segunda-feira à sexta-feira (exceto feriados), das 9h às 18h; in Canada by Goldman Sachs & Co. LLC; in Hong Kong by Goldman Sachs (Asia) L.L.C.; in India by Goldman Sachs (India) Securities Private Ltd.; in Japan by Goldman Sachs Japan Co., Ltd.; in the Republic of Korea by Goldman Sachs (Asia) L.L.C., Seoul Branch; in New Zealand by Goldman Sachs New Zealand Limited; in Russia by OOO Goldman Sachs; in Singapore by Goldman Sachs (Singapore) Pte. (Company Number: 198602165W); and in the United States of America by Goldman Sachs & Co. LLC. Goldman Sachs International has approved this research in connection with its distribution in the United Kingdom.

Goldman Sachs International ("GSI"), authorised by the Prudential Regulation Authority ("PRA") and regulated by the Financial Conduct Authority ("FCA") and the PRA, has approved this research in connection with its distribution in the United Kingdom.

European Economic Area: Goldman Sachs Bank Europe SE ("GSBE") is a credit institution incorporated in Germany and, within the Single Supervisory Mechanism, subject to direct prudential supervision by the European Central Bank and in other respects supervised by German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, BaFin) and Deutsche Bundesbank and disseminates research within the European Economic Area.

General disclosures

This research is for our clients only. Other than disclosures relating to Goldman Sachs, this research is based on current public information that we consider reliable, but we do not represent it is accurate or complete, and it should not be relied on as such. The information, opinions, estimates and forecasts contained herein are as of the date hereof and are subject to change without prior notification. We seek to update our research as appropriate, but various regulations may prevent us from doing so. Other than certain industry reports published on a periodic basis, the large majority of reports are published at irregular intervals as appropriate in the analyst's judgment.

Goldman Sachs conducts a global full-service, integrated investment banking, investment management, and brokerage business. We have investment banking and other business relationships with a substantial percentage of the companies covered by Global Investment Research. Goldman Sachs & Co. LLC, the United States broker dealer, is a member of SIPC (https://www.sipc.org).

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients and principal trading desks that reflect opinions that are contrary to the opinions expressed in this research. Our asset management area, principal trading desks and investing businesses may make investment decisions that are inconsistent with the recommendations or views expressed in this research.

The analysts named in this report may have from time to time discussed with our clients, including Goldman Sachs salespersons and traders, or may discuss in this report, trading strategies that reference catalysts or events that may have a near-term impact on the market price of the equity securities discussed in this report, which impact may be directionally counter to the analyst's published price target expectations for such stocks. Any such trading strategies are distinct from and do not affect the analyst's fundamental equity rating for such stocks, which rating reflects a stock's return potential relative to its coverage universe as described herein.

We and our affiliates, officers, directors, and employees will from time to time have long or short positions in, act as principal in, make a market or act as liquidity provider in, and buy or sell, any securities, derivatives, or other financial instruments referred to in this research (including any financial instruments issued by the companies referred to herein), unless otherwise prohibited by regulation or Goldman Sachs policy.

The views attributed to third party presenters at Goldman Sachs arranged conferences, including individuals from other parts of Goldman Sachs, do not necessarily reflect those of Global Investment Research and are not an official view of Goldman Sachs.

Any third party referenced herein, including any salespeople, traders and other professionals or members of their household, may have positions in the products mentioned that are inconsistent with the views expressed by analysts named in this report.

This research is not an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Clients should consider whether any advice or recommendation in this research is suitable for their particular circumstances and, if appropriate, seek professional advice, including tax advice. The price and value of investments referred to in this research and the income from them may fluctuate. Past performance is not a guide to future performance, future returns are not guaranteed, and a loss of original capital may occur. Fluctuations in exchange rates could have adverse effects on the value or price of, or income derived from, certain investments.

Certain transactions, including those involving futures, options, and other derivatives, give rise to substantial risk and are not suitable for all investors. Investors should review current options and futures disclosure documents which are available from Goldman Sachs sales representatives or at https://www.theocc.com/about/publications/character-risks.jsp and https://www.goldmansachs.com/disclosures/cftc_fcm_disclosures. Transaction costs may be significant in option strategies calling for multiple purchase and sales of options such as spreads. Supporting documentation will be supplied upon request.

Differing Levels of Service provided by Global Investment Research: The level and types of services provided to you by Goldman Sachs Global Investment Research may vary as compared to that provided to internal and other external clients of GS, depending on various factors including your individual preferences as to the frequency and manner of receiving communication, your risk profile and investment focus and perspective (e.g., marketwide, sector specific, long term, short term), the size and scope of your overall client relationship with GS, and legal and regulatory constraints. As an example, certain clients may request to receive notifications when research on specific securities is published, and certain clients may request that specific data underlying analysts' fundamental analysis available on our internal client websites be delivered to them electronically through data feeds or otherwise. No change to an analyst's fundamental research views (e.g., ratings, price targets, or material changes to earnings estimates for equity securities), will be communicated to any client prior to inclusion of such information in a research report broadly disseminated through electronic publication to our internal client websites or through other means, as necessary, to all clients who are entitled to receive such reports.

All research reports are disseminated and available to all clients simultaneously through electronic publication to our internal client websites. Not all research content is redistributed to our clients or available to third-party aggregators, nor is Goldman Sachs responsible for the redistribution of our research by third party aggregators. For research, models or other data related to one or more securities, markets or asset classes (including related services) that may be available to you, please contact your GS representative or go to https://research.gs.com.

Disclosure information is also available at https://www.gs.com/research/hedge.html or from Research Compliance, 200 West Street, New York, NY 10282.

Goldman Sachs (Asia) L.L.C., Taipei Branch

What surprised us?

Hiwin reported its 3Q26 result and hosted a result call after the close on Nov 10th. The core business (OPI) was 25%/20% higher than GSe and the BBG consensus, with GM coming in 1.9ppt higher than GSe mainly due higher UTR and greater impact from higher pricing on core products (Hiwin raised prices by 7-15% in March, which has a more material impact this quarter). Opex was in line with our expectation (NT$1,502mn in 3Q26 vs. GSe at NT$1,500mn). For earnings, Hiwin's 3Q26 net income was 36%/24% higher than GSe/BBG consensus, mainly on the GM expansion.

Moreover, the company continues to see order intake tracking faster than shipment, leading to longer lead times, with BS at 6.5+ months (was 6 months in 2Q26); the company is also seeing some orders extended into mid-2027, while LG was at 4-6 months (vs. 4 months in 2Q26), which was mainly driven by a recovery in the China market supported by government policy.

Earnings analysis and revisions

Hiwin's 3Q26 core business (OPI) was 25%/20% higher than GSe and the BBG consensus amid higher UTR as well as more positive impact from pricing. GM was 1.9/1.2ppt higher than GSe/BBG consensus in 3Q26. For net income, it was 36%/24% higher than GSe/BBG consensus due to better-than-expected GM expansion.

We maintain our conservative view on the outlook for the linear motion industry as we do not see clear signs of a significant recovery in demand across most end-applications yet (excluding semiconductor industry). We revise up our 2026E revenue by 5% to factor in 3Q26 results and revise up 2027E/28E/29E by 4%/2%/2% to factor in a higher shipment assumption, and revise up our 2026E/27E/28E/29E GM estimates by 1.7/0.4/0.2/0.1ppt as we expect the margin expansion, driven by the company's ability to pass on increased costs through price hikes and prioritize orders with a higher GM.

Investment view

We reiterate our Sell rating on the stock, based on (1) the lack of a meaningful recovery in consumer electronics demand, which could result in softer orders in 2H26/2027, as some demand may have been front-loaded into 1H26 ahead of price hikes, (2) intensifying competition from Chinese local suppliers, including AirTAC, which continues to maintain a stable pricing strategy amid rising material costs and

Goldman Sachs does and seeks to do business with companies covered in its research reports. As a result, investors should be aware that the firm may have a conflict of interest that could affect the objectivity of this report. Investors should consider this report as only a single factor in making their investment decision. For Reg AC certification and other important disclosures, see the Disclosure Appendix, or go to www.gs.com/research/hedge.html. Analysts employed by non-US affiliates are not registered/qualified as research analysts with FINRA in the U.S.

has a significantly shorter product lead time (see here), while Hiwin has implemented price hikes across its core products (including both BS and LG), potentially resulting in market share losses, (3) sustained R&D investment in new semiconductor and logistics system-level products, which we expect to keep OPEX elevated over the longer term and weigh on the GM outlook; and (4) current valuation level remaining elevated (still trading at ~35x 1-year forward P/E following a recent 15% share price pullback vs. average of 33.0x in the past 10 years), despite limited near-term growth catalysts.

Overall, we remain cautious on the outlook for Hiwin's core business (linear guide and ball screw), while highlighting increasing cash flow risk from continued investment in the semiconductor/logistics businesses, which we expect to contribute only modestly to earnings in the near term.

We maintain our Sell rating on Hiwin with a new 12m TP of NT$180 (from NT$160), based on an unchanged 20x P/E (in line with Hiwin's average downcycle valuation, or 1std lower than the historical average P/E for the past 10 years), but roll over our valuation base from 4Q26-3Q27E to 2027E, and factor in our earnings revisions.

Investment Thesis and Price Target Risks and Methodology

Investment thesis - Hiwin Corp

Hiwin is the second-largest global linear motion supplier with 18% market share in 2024. It continues to witness decelerating market share growth from 2020 when it started to pursue a deleveraging strategy.

Although we expect Hiwin to continue to benefit from rising demand from the semiconductor/EV industry given the upgrading trend, we are Sell rated, given: (1) we expect a weak end-market demand recovery and high inventory levels for the near term, leading to high pricing pressure and a stagnant utilization rate; (2) continued overcapacity issues in mainland China, where the company has higher exposure (45% in 2024) vs. peers such as THK (24%), and we expect this could lead to further deterioration in Hiwin's revenue/profitability outlook in the near term; and (3) the negative impact from its long-term deleveraging strategy. Hiwin continues to pay back long-term debt and expand capacity to better compete with peers, which we believe will further impact EPS growth and valuation. The stock is currently trading above its historical average valuation (33.0x). We expect its P/E multiple to derate once the market begins to adjust for a prolonged downcycle and expect downgrades to consensus EPS growth/ROE estimates, suggesting high downside risk to Hiwin's valuation.

Price target risks and methodology - Hiwin Corp

Valuation methodology: Our 12m TP of NT$180 is based on a target P/E of 20x 2027E EPS (in-line with Hiwin's average downcycle valuation, or 1std lower than the historical average P/E for the past 10 years).

Key upside risks: (1) Stronger-than-expected EV & semi CAPEX growth; (2) a favorable

linear motion pricing environment in the coming quarters, with a positive supply-demand outlook or longer leadtime; and (3) a faster-than-expected machine tool demand recovery.

Unless otherwise stated, the individuals listed in the Contributing Authors disclosure of this report are analysts in Goldman Sachs' Global Investment Research division.

GS Factor Profile

The Goldman Sachs Factor Profile provides investment context for a stock by comparing key attributes to the market (i.e. our universe of rated stocks) and its sector peers. The four key attributes depicted are: Growth, Financial Returns, Multiple (e.g. valuation) and Integrated (a composite of Growth, Financial Returns and Multiple). Growth, Financial Returns and Multiple are calculated by using normalized ranks for specific metrics for each stock. The normalized ranks for the metrics are then averaged and converted into percentiles for the relevant attribute. The precise calculation of each metric may vary depending on the fiscal year, industry and region, but the standard approach is as follows:

Growth is based on a stock's forward-looking sales growth, EBITDA growth and EPS growth (for financial stocks, only EPS and sales growth), with a higher percentile indicating a higher growth company. **Financial Returns** is based on a stock's forward-looking ROE, ROCE and CROCI (for financial stocks, only ROE), with a higher percentile indicating a company with higher financial returns. **Multiple** is based on a stock's forward-looking P/E, P/B, price/dividend (P/D), EV/EBITDA, EV/FCF and EV/Debt Adjusted Cash Flow (DACF) (for financial stocks, only P/E, P/B and P/D), with a higher percentile indicating a stock trading at a higher multiple. The **Integrated** percentile is calculated as the average of the Growth percentile, Financial Returns percentile and (100% - Multiple percentile).

Financial Returns and Multiple use the Goldman Sachs analyst forecasts at the fiscal year-end at least three quarters in the future. Growth uses inputs for the fiscal year at least seven quarters in the future compared with the year at least three quarters in the future (on a per-share basis for all metrics).

For a more detailed description of how we calculate the GS Factor Profile, please contact your GS representative.

M&A Rank

Across our global coverage, we examine stocks using an M&A framework, considering both qualitative factors and quantitative factors (which may vary across sectors and regions) to incorporate the potential that certain companies could be acquired. We then assign a M&A rank as a means of scoring companies under our rated coverage from 1 to 3, with 1 representing high (30%-50%) probability of the company becoming an acquisition target, 2 representing medium (15%-30%) probability and 3 representing low (0%-15%) probability. For companies ranked 1 or 2, in line with our standard departmental guidelines we incorporate an M&A component into our target price. M&A rank of 3 is considered immaterial and therefore does not factor into our price target, and may or may not be discussed in research.

Quantum

Quantum is Goldman Sachs' proprietary database providing access to detailed financial statement histories, forecasts and ratios. It can be used for in-depth analysis of a single company, or to make comparisons between companies in different sectors and markets.

Disclosures

The rating(s) for Hiwin Corp. is/are relative to the other companies in its/their coverage universe: AVC, AWSC, Airtac International Group, Asus, Auras, Chenbro, Co-Tech Development Corp., Compal, Delta Electronics, E Ink, Elite Material, Fositek, GCE, Gigabyte, HTC Corp., Hiwin Corp., ITEQ Corp, Inventec, Kinsus, Lotes, NYPCB, Pegatron, Quanta, Shengyi Tech, Shennan Circuits, Taiwan Union Technology Corp., Unimicron Technology, Victory Giant, WNC, WUS, Win Semiconductors Corp., Yageo Corp., Zhen Ding Technology Holding

Company-specific regulatory disclosures

The following disclosures relate to relationships between The Goldman Sachs Group, Inc. (with its affiliates, "Goldman Sachs") and companies covered by Goldman Sachs Global Investment Research and referred to in this research.

Goldman Sachs beneficially owned 1% or more of common equity (excluding positions managed by affiliates and business units not required to be aggregated under US securities law) as of the month end preceding this report: Hiwin Corp. (NT$291.50)

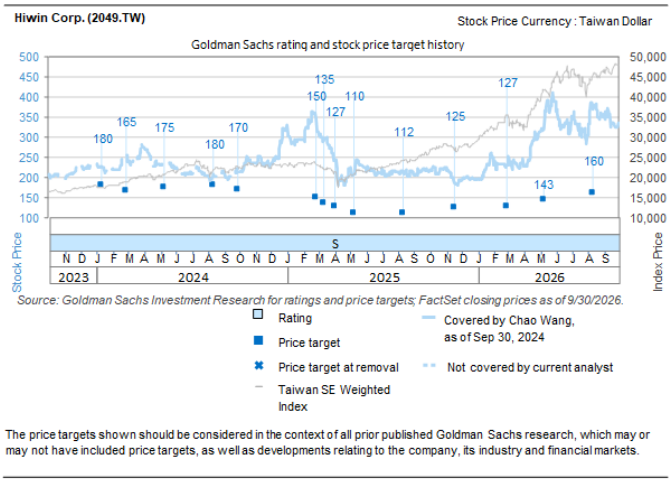
Distribution of ratings/investment banking relationships

Goldman Sachs Investment Research global Equity coverage universe

	Rating Distribution			Investment Banking Relationships		
	Buy	Hold	Sell	Buy	Hold	Sell
Global	50%	34%	16%	65%	58%	43%

As of October 1, 2026, Goldman Sachs Global Investment Research had investment ratings on 3,094 equity securities. Goldman Sachs assigns stocks as Buys and Sells on various regional Investment Lists; stocks not so assigned are deemed Neutral. Such assignments equate to Buy, Hold and Sell for the purposes of the above disclosure required by the FINRA Rules. See 'Ratings, Coverage universe and related definitions' below. The Investment Banking Relationships chart reflects the percentage of subject companies within each rating category for whom Goldman Sachs has provided investment banking services within the previous twelve months.

Price target and rating history chart(s)



The price targets shown should be considered in the context of all prior published Goldman Sachs research, which may or may not have included price targets, as well as developments relating to the company, its industry and financial markets.

Regulatory disclosures

Disclosures required by United States laws and regulations
See company-specific regulatory disclosures above for any of the following disclosures required as to companies referred to in this report: manager or co-manager in a pending transaction; 1% or other ownership; compensation for certain services; types of client relationships; managed/co-managed public offerings in prior periods; directorships; registered market maker. Goldman Sachs trades or may trade as a principal in debt securities (or in related derivatives) of issuers discussed in this report.

The following are additional required disclosures: **Ownership and material conflicts of interest:** Goldman Sachs policy prohibits its analysts, professionals reporting to analysts and members of their households from owning securities of any company in the analyst's area of coverage. **Analyst compensation:** Analysts are paid in part based on the profitability of Goldman Sachs, which includes investment banking revenues. **Analyst as officer or director:** Goldman Sachs policy generally prohibits its analysts, persons reporting to analysts or members of their households from serving as an officer, director or advisor of any company in the analyst's area of coverage. **Non-U.S. Analysts:** Non-U.S. analysts may not be associated persons of Goldman Sachs & Co. LLC and therefore may not be subject to FINRA Rule 2241 or FINRA Rule 2242 restrictions on communications with a subject company, public appearances and trading in securities covered by the analysts.

Additional disclosures required under the laws and regulations of jurisdictions other than the United States
The following disclosures are those required by the jurisdiction indicated, except to the extent already made above pursuant to United States laws and regulations. **Australia:** Goldman Sachs Australia Pty Ltd and its affiliates are not authorised deposit-taking institutions (as that term is defined in the Banking Act 1959 (Cth)) in Australia and do not provide banking services, nor carry on a banking business, in Australia. This research, and any access to it, is intended only for "wholesale clients" within the meaning of the Australian Corporations Act, unless otherwise agreed by Goldman Sachs. In producing research reports, members of Global Investment Research of Goldman Sachs Australia may attend site visits and other meetings hosted by the companies and other entities which are the subject of its research reports. In some instances the costs of such site visits or meetings may be met in part or in whole by the issuers concerned if Goldman Sachs Australia considers it is appropriate and reasonable in the specific circumstances relating to the site visit or meeting. To the extent that the contents of this document contains any financial product advice, it is general advice only and has been prepared by Goldman Sachs without taking into account a client's objectives, financial situation or needs. A client should, before acting on any such advice, consider the appropriateness of the advice having regard to the client's own objectives, financial situation and needs. Research reports do not constitute a personalized investment recommendation as defined in Russian laws and regulations, are not addressed to a specific client, and are prepared without analyzing the financial circumstances, investment profiles or risk profiles of clients. Goldman Sachs assumes no responsibility for any investment decisions that may be taken by a client or any other person based on this research report. **Singapore:** Goldman Sachs (Singapore) Pte. (Company Number: 198602165W), which is regulated by the Monetary Authority of Singapore, accepts legal responsibility for this research, and should be contacted with respect to any matters arising from, or in connection with, this research. **Taiwan:** This material is for reference only and must not be reprinted without permission. Investors should carefully consider their own investment risk. Investment results are the responsibility of the individual investor. **United Kingdom:** Persons who would be categorized as retail clients in the United Kingdom, as such term is defined in the rules of the Financial Conduct Authority, should read this research in conjunction with prior Goldman Sachs research on the covered companies referred to herein and should refer to the risk warnings that have been sent to them by Goldman Sachs International. A copy of these risks warnings, and a glossary of certain financial terms used in this report, are available from Goldman Sachs International on request.

European Union and United Kingdom: Disclosure information in relation to Article 6 (2) of the European Commission Delegated Regulation (EU) (2016/958) supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council (including as that Delegated Regulation is implemented into United Kingdom domestic law and regulation following the United Kingdom's departure from the European Union and the European Economic Area) with regard to regulatory technical standards for the technical arrangements for objective presentation of investment recommendations or other information recommending or suggesting an investment strategy and for disclosure of particular interests or indications of conflicts of interest is available at https://www.gs.com/disclosures/europeanpolicy.html which states the European Policy for Managing Conflicts of Interest in Connection with Investment Research.

Japan: Goldman Sachs Japan Co., Ltd. is a Financial Instrument Dealer registered with the Kanto Financial Bureau under registration number Kinsho 69, and a member of Japan Securities Dealers Association, Financial Futures Association of Japan Type II Financial Instruments Firms Association, and Investment Management Association of Japan. Sales and purchase of equities are subject to commission pre-determined with clients plus consumption tax. See company-specific disclosures as to any applicable disclosures required by Japanese stock exchanges, the Japanese Securities Dealers Association or the Japanese Securities Finance Company.

Ratings, coverage universe and related definitions

Buy (B), Neutral (N), Sell (S) Analysts recommend stocks as Buys or Sells for inclusion on various regional Investment Lists. Being assigned a Buy or Sell on an Investment List is determined by a stock's total return potential relative to its coverage universe. Any stock not assigned as a Buy or a Sell on an Investment List with an active rating (i.e., a stock that is not Rating Suspended, Not Rated, Early-Stage Biotech, Coverage Suspended or Not Covered), is deemed Neutral. Each region manages Regional Conviction Lists, which are selected from Buy rated stocks on the respective region's Investment Lists and represent investment recommendations focused on the size of the total return potential and/or the likelihood of the realization of the return across their respective areas of coverage. The addition or removal of stocks from such Conviction Lists are managed by the Investment Review Committee or other designated committee in each respective region and do not represent a change in the analysts' investment rating for such stocks.

Total return potential represents the upside or downside differential between the current share price and the price target, including all paid or anticipated dividends, expected during the time horizon associated with the price target. Price targets are required for all covered stocks. The total return potential, price target and associated time horizon are stated in each report adding or reiterating an Investment List membership.

Coverage Universe: A list of all stocks in each coverage universe is available by primary analyst, stock and coverage universe at https://www.gs.com/research/hedge.html.

Not Rated (NR). The investment rating, target price and earnings estimates (where relevant) are removed pursuant to Goldman Sachs policy when Goldman Sachs is acting in an advisory capacity in a merger or in a strategic transaction involving this company, when there are legal, regulatory or policy constraints due to Goldman Sachs' involvement in a transaction, and in certain other circumstances. **Early-Stage Biotech (ES).** An investment rating and a target price are not assigned pursuant to Goldman Sachs policy when this company has neither a drug, treatment or medical device that has passed a Phase II clinical trial nor a license to distribute a post-Phase II drug, treatment or medical device. **Rating Suspended (RS).** Goldman Sachs Research has suspended the investment rating and price target for this stock, because there is not a sufficient fundamental basis for determining an investment rating or target price. The previous investment rating and target price, if any, are no longer in effect for this stock and should not be relied upon. **Coverage Suspended (CS).** Goldman Sachs has suspended coverage of this company. **Not Covered (NC).** Goldman Sachs does not cover this company.

Global product; distributing entities

Goldman Sachs Global Investment Research produces and distributes research products for clients of Goldman Sachs on a global basis. Analysts based in Goldman Sachs offices around the world produce research on industries and companies, and research on macroeconomics, currencies, commodities and portfolio strategy. This research is disseminated in Australia by Goldman Sachs Australia Pty Ltd (ABN 21 006 797 897); in Brazil by Goldman Sachs do Brasil Corretora de Títulos e Valores Mobiliários S.A.; Public Communication Channel Goldman Sachs Brazil: 0800 727 5764 and / or

(Company Number: 198602165W); and in the United States of America by Goldman Sachs & Co. LLC. Goldman Sachs International has approved this research in connection with its distribution in the United Kingdom.

Goldman Sachs International ("GSI"), authorised by the Prudential Regulation Authority ("PRA") and regulated by the Financial Conduct Authority ("FCA") and the PRA, has approved this research in connection with its distribution in the United Kingdom.

European Economic Area: Goldman Sachs Bank Europe SE ("GSBE") is a credit institution incorporated in Germany and, within the Single Supervisory Mechanism, subject to direct prudential supervision by the European Central Bank and in other respects supervised by German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, BaFin) and Deutsche Bundesbank and disseminates research within the European Economic Area.

General disclosures

This research is for our clients only. Other than disclosures relating to Goldman Sachs, this research is based on current public information that we consider reliable, but we do not represent it is accurate or complete, and it should not be relied on as such. The information, opinions, estimates and forecasts contained herein are as of the date hereof and are subject to change without prior notification. We seek to update our research as appropriate, but various regulations may prevent us from doing so. Other than certain industry reports published on a periodic basis, the large majority of reports are published at irregular intervals as appropriate in the analyst's judgment.

Goldman Sachs conducts a global full-service, integrated investment banking, investment management, and brokerage business. We have investment banking and other business relationships with a substantial percentage of the companies covered by Global Investment Research. Goldman Sachs & Co. LLC, the United States broker dealer, is a member of SIPC (https://www.sipc.org).

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients and principal trading desks that reflect opinions that are contrary to the opinions expressed in this research. Our asset management area, principal trading desks and investing businesses may make investment decisions that are inconsistent with the recommendations or views expressed in this research.

The analysts named in this report may have from time to time discussed with our clients, including Goldman Sachs salespersons and traders, or may discuss in this report, trading strategies that reference catalysts or events that may have a near-term impact on the market price of the equity securities discussed in this report, which impact may be directionally counter to the analyst's published price target expectations for such stocks. Any such trading strategies are distinct from and do not affect the analyst's fundamental equity rating for such stocks, which rating reflects a stock's return potential relative to its coverage universe as described herein.

We and our affiliates, officers, directors, and employees will from time to time have long or short positions in, act as principal in, make a market or act as liquidity provider in, and buy or sell, any securities, derivatives, or other financial instruments referred to in this research (including any financial instruments issued by the companies referred to herein), unless otherwise prohibited by regulation or Goldman Sachs policy.

The views attributed to third party presenters at Goldman Sachs arranged conferences, including individuals from other parts of Goldman Sachs, do not necessarily reflect those of Global Investment Research and are not an official view of Goldman Sachs.

Any third party referenced herein, including any salespeople, traders and other professionals or members of their household, may have positions in the products mentioned that are inconsistent with the views expressed by analysts named in this report.

This research is not an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Clients should consider whether any advice or recommendation in this research is suitable for their particular circumstances and, if appropriate, seek professional advice, including tax advice. The price and value of investments referred to in this research and the income from them may fluctuate. Past performance is not a guide to future performance, future returns are not guaranteed, and a loss of original capital may occur. Fluctuations in exchange rates could have adverse effects on the value or price of, or income derived from, certain investments.

Certain transactions, including those involving futures, options, and other derivatives, give rise to substantial risk and are not suitable for all investors. Investors should review current options and futures disclosure documents which are available from Goldman Sachs sales representatives or at https://www.theocc.com/about/publications/character-risks.jsp and https://www.goldmansachs.com/disclosures/cftc_fcm_disclosures. Transaction costs may be significant in option strategies calling for multiple purchase and sales of options such as spreads. Supporting documentation will be supplied upon request.

Differing Levels of Service provided by Global Investment Research: The level and types of services provided to you by Goldman Sachs Global Investment Research may vary as compared to that provided to internal and other external clients of GS, depending on various factors including your individual preferences as to the frequency and manner of receiving communication, your risk profile and investment focus and perspective (e.g., marketwide, sector specific, long term, short term), the size and scope of your overall client relationship with GS, and legal and regulatory constraints. As an example, certain clients may request to receive notifications when research on specific securities is published, and certain clients may request that specific data underlying analysts' fundamental analysis available on our internal client websites be delivered to them electronically through data feeds or otherwise. No change to an analyst's fundamental research views (e.g., ratings, price targets, or material changes to earnings estimates for equity securities), will be communicated to any client prior to inclusion of such information in a research report broadly disseminated through electronic publication to our internal client websites or through other means, as necessary, to all clients who are entitled to receive such reports.

All research reports are disseminated and available to all clients simultaneously through electronic publication to our internal client websites. Not all research content is redistributed to our clients or available to third-party aggregators, nor is Goldman Sachs responsible for the redistribution of our research by third party aggregators. For research, models or other data related to one or more securities, markets or asset classes (including related services) that may be available to you, please contact your GS representative or go to https://research.gs.com.

Disclosure information is also available at https://www.gs.com/research/hedge.html or from Research Compliance, 200 West Street, New York, NY 10282.

Kinsus (3189.TW)

GM to further expand in 2027/28 with a better high-end ABF exposure/market share, without seeing any order cut; Buy

3189.TW	12m Price Target: **NT$1,515.00**	Price: **NT$745.00**	Upside: **103.4%**

We hosted Kinsus' 3Q26 post-result follow-up call today (Nov 10th). Key takeaways include:

(1) Kinsus mentioned it is getting more market share from existing server CPU customers, AI GPU customer, and ASIC customers. Despite not having much market share gain opportunity in its AI server CPU products, the company mentioned the volume growth could still be 150% YoY in AI server CPU shipment in 2027 vs. 2026, suggesting a good revenue/GM growth outlook going into 2027/28.

(2) Kinsus guides 2027/28 revenue to go up by at least 30% YoY each year while GM should be at least 35/40% in 2027/28, considering the orders/capacity/UTR/product mix differences, despite the key upside risk will be on like for like base pricing hike (the guidance above does not include any pricing hike assumption, but this could lift the revenue growth by another 15ppt in both years although not guaranteed, per the company).

(3) For 4Q26, the company guided revenue to go up by 10% QoQ, with GM being expanded into 35% (from ~34% in 3Q26), despite a much more favorable than 3Q product mix and ~5-10% pricing hike on ABF & BT substrates. For 1Q27, the company expects some seasonal issues on consumer electronics and contact lens, and believes revenue should be flat to slightly up QoQ, despite possible GM slowdown during the low season.

(4) In terms of the future investment plan, Kinsus mentioned it will only need to invest in the land/infrastructure/construction etc. while end customers will take care of the equipment; normally, equipment accounted for 60% of the total CAPEX while the rest only accounts for 40% of the total investment.

(5) Kinsus mentioned it now holds ~70% of the AI server CPU substrate market share, and the company believes its market share should be pretty stable in this product cycle. For AI GPU, Kinsus

Source: Company data, Goldman Sachs Research estimates.

mentioned it expects its share to increase from 10% now to 30% in 2027 for its existing customer's supply chain. Kinsus also mentioned it is working on several ASIC customers' substrates product, which could also be the key revenue/profit driver for 2027 and beyond.

(6) In terms of the order forecast, the company mentioned it has not yet seen any order cut or order delay on its ABF substrates business, but the company continues to maintain its cautious but positive view on the overall substrate industry outlook.

Investment view

We are positive on Kinsus' 3Q result (GM expanded by 7.8ppt QoQ in 3Q - see here), and believe the company's GM expansion trend will continue in coming quarters, despite the company only guiding 1ppt QoQ growth on GM in 4Q (however, the company is also giving a conservative guidance on profitability. Kinsus only guided GM to be 27-28% in 3Q26, but it ended up with 33.9% in its 3Q result). Moreover, we believe Kinsus' proactive capacity expansion plan (1 new plant every year from 2025 to 2029) will start to help the company to outperform peers from 2Q27 (the new K6-B plant starts contributing revenue from 2Q27) which should also help the company to enjoy better profitability in coming quarters, as the new plants will focus on high-end projects, whose GM is generally 10ppt+ higher than the company's average level).

Overall, we maintain our Buy rating on Kinsus, and we expect the better market share in AI server CPU and its better position in the high-end ABF substrate industry to strengthen into the long term.

We maintain our Buy rating with an unchanged 12m TP of NT$1,515, based on the same 19.5x 2028E EPS, which is +2.0x STDV higher than Kinsus' past upcycle average P/E (14.2x).

Investment Thesis - Kinsus

Kinsus is one of the key IC substrates suppliers globally with ~10% ABF/BT substrates market share in 2024, with ~18% of total 2025 revenue contributed by its contact lens subsidiary, Pegavision (6941.TW, Not Covered). With our view that the ABF substrate shortage started from 2Q26 (ABF substrate return to supply demand balance from late 2025), we believe Kinsus' performance will continue to improve compared with high-end ABF peers considering the company's increasing market share in the high-end ABF substrate market; however, ~36% of the company's revenue was contributed by BT substrates in 2025 and 30% of the company's ABF revenue is from non-LTA customers, which we believe will continue to enjoy a better pricing outlook. As a result, we believe Kinsus' earnings outlook should continue to be strong (~118% 2026-29E CAGR), mainly driven by a better BT substrate and non-LTA ABF substrate pricing outlook, despite the unfavorable demand outlook before 1H26. We believe Kinsus is an experienced substrate supplier with a clear capacity expansion plan that can also upgrade its product portfolio in the long term. We believe we are at the beginning of an industry upcycle, making us positive on Kinsus' stock performance over the next 12 months.

Price Target Risks and Methodology - Kinsus

Valuation methodology: Our 12-month target price of NT$1,515 for Kinsus is based on 19.5x 2028E P/E, which is +2.0x STDV higher than Kinsus' past upcycle average P/E

(14.2x).

Key downside risks: (1) Slower-than-expected PC demand recovery, (2) Slower-than-expected ABF substrates pricing upgrading outlook, (3) Slower/Less-than-expected AI server orders from 2H26.

GS Factor Profile

The Goldman Sachs Factor Profile provides investment context for a stock by comparing key attributes to the market (i.e. our universe of rated stocks) and its sector peers. The four key attributes depicted are: Growth, Financial Returns, Multiple (e.g. valuation) and Integrated (a composite of Growth, Financial Returns and Multiple). Growth, Financial Returns and Multiple are calculated by using normalized ranks for specific metrics for each stock. The normalized ranks for the metrics are then averaged and converted into percentiles for the relevant attribute. The precise calculation of each metric may vary depending on the fiscal year, industry and region, but the standard approach is as follows:

Growth is based on a stock's forward-looking sales growth, EBITDA growth and EPS growth (for financial stocks, only EPS and sales growth), with a higher percentile indicating a higher growth company. **Financial Returns** is based on a stock's forward-looking ROE, ROCE and CROCI (for financial stocks, only ROE), with a higher percentile indicating a company with higher financial returns. **Multiple** is based on a stock's forward-looking P/E, P/B, price/dividend (P/D), EV/EBITDA, EV/FCF and EV/Debt Adjusted Cash Flow (DACF) (for financial stocks, only P/E, P/B and P/D), with a higher percentile indicating a stock trading at a higher multiple. The **Integrated** percentile is calculated as the average of the Growth percentile, Financial Returns percentile and (100% - Multiple percentile).

Financial Returns and Multiple use the Goldman Sachs analyst forecasts at the fiscal year-end at least three quarters in the future. Growth uses inputs for the fiscal year at least seven quarters in the future compared with the year at least three quarters in the future (on a per-share basis for all metrics).

For a more detailed description of how we calculate the GS Factor Profile, please contact your GS representative.

M&A Rank

Across our global coverage, we examine stocks using an M&A framework, considering both qualitative factors and quantitative factors (which may vary across sectors and regions) to incorporate the potential that certain companies could be acquired. We then assign a M&A rank as a means of scoring companies under our rated coverage from 1 to 3, with 1 representing high (30%-50%) probability of the company becoming an acquisition target, 2 representing medium (15%-30%) probability and 3 representing low (0%-15%) probability. For companies ranked 1 or 2, in line with our standard departmental guidelines we incorporate an M&A component into our target price. M&A rank of 3 is considered immaterial and therefore does not factor into our price target, and may or may not be discussed in research.

Quantum

Quantum is Goldman Sachs' proprietary database providing access to detailed financial statement histories, forecasts and ratios. It can be used for in-depth analysis of a single company, or to make comparisons between companies in different sectors and markets.

Disclosures

The rating(s) for Kinsus is/are relative to the other companies in its/their coverage universe: AVC, AWSC, Airtac International Group, Asus, Auras, Chenbro, Co-Tech Development Corp., Compal, Delta Electronics, E Ink, Elite Material, Fositek, GCE, Gigabyte, HTC Corp., Hiwin Corp., ITEQ Corp, Inventec, Kinsus, Lotes, NYPCB, Pegatron, Quanta, Shengyi Tech, Shennan Circuits, Taiwan Union Technology Corp., Unimicron Technology, Victory Giant, WNC, WUS, Win Semiconductors Corp., Yageo Corp., Zhen Ding Technology Holding

Company-specific regulatory disclosures

The following disclosures relate to relationships between The Goldman Sachs Group, Inc. (with its affiliates, "Goldman Sachs") and companies covered by Goldman Sachs Global Investment Research and referred to in this research.

Goldman Sachs beneficially owned 1% or more of common equity (excluding positions managed by affiliates and business units not required to be aggregated under US securities law) as of the month end preceding this report: Kinsus (NT$745.00)

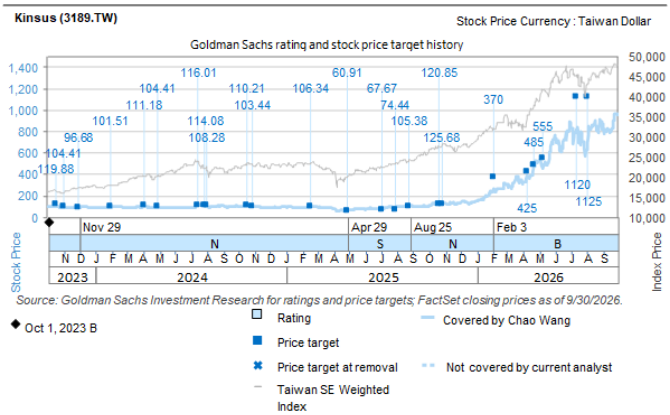
Distribution of ratings/investment banking relationships

Goldman Sachs Investment Research global Equity coverage universe

	Rating Distribution			Investment Banking Relationships		
	Buy	Hold	Sell	Buy	Hold	Sell
Global	50%	34%	16%	65%	58%	43%

As of October 1, 2026, Goldman Sachs Global Investment Research had investment ratings on 3,094 equity securities. Goldman Sachs assigns stocks as Buys and Sells on various regional Investment Lists; stocks not so assigned are deemed Neutral. Such assignments equate to Buy, Hold and Sell for the purposes of the above disclosure required by the FINRA Rules. See 'Ratings, Coverage universe and related definitions' below. The Investment Banking Relationships chart reflects the percentage of subject companies within each rating category for whom Goldman Sachs has provided investment banking services within the previous twelve months.

Price target and rating history chart(s)



The price targets shown should be considered in the context of all prior published Goldman Sachs research, which may or may not have included price targets, as well as developments relating to the company, its industry and financial markets.

Regulatory disclosures

Disclosures required by United States laws and regulations

See company-specific regulatory disclosures above for any of the following disclosures required as to companies referred to in this report: manager or co-manager in a pending transaction; 1% or other ownership; compensation for certain services; types of client relationships; managed/co-managed public offerings in prior periods; directorships; registered market maker. Goldman Sachs trades or may trade as a principal in debt securities (or in related derivatives) of issuers discussed in this report.

The following are additional required disclosures: **Ownership and material conflicts of interest:** Goldman Sachs policy prohibits its analysts, professionals reporting to analysts and members of their households from owning securities of any company in the analyst's area of coverage. **Analyst compensation:** Analysts are paid in part based on the profitability of Goldman Sachs, which includes investment banking revenues. **Analyst as officer or director:** Goldman Sachs policy generally prohibits its analysts, persons reporting to analysts or members of their households from serving as an officer, director or advisor of any company in the analyst's area of coverage. **Non-U.S. Analysts:** Non-U.S. analysts may not be associated persons of Goldman Sachs & Co. LLC and therefore may not be subject to FINRA Rule 2241 or FINRA Rule 2242 restrictions on communications with a subject company, public appearances and trading in securities covered by the analysts.

Additional disclosures required under the laws and regulations of jurisdictions other than the United States

The following disclosures are those required by the jurisdiction indicated, except to the extent already made above pursuant to United States laws and regulations. **Australia:** Goldman Sachs Australia Pty Ltd and its affiliates are not authorised deposit-taking institutions (as that term is defined in the Banking Act 1959 (Cth)) in Australia and do not provide banking services, nor carry on a banking business, in Australia. This research, and any access to it, is intended only for "wholesale clients" within the meaning of the Australian Corporations Act, unless otherwise agreed by Goldman Sachs. In producing research reports, members of Global Investment Research of Goldman Sachs Australia may attend site visits and other meetings hosted by the companies and other entities which are the subject of its research reports. In some instances the costs of such site visits or meetings may be met in part or in whole by the issuers concerned if Goldman Sachs Australia considers it is appropriate and reasonable in the specific circumstances relating to the site visit or meeting. To the extent that the contents of this document contains any financial product advice, it is general advice only and has been prepared by Goldman Sachs without taking into account a client's objectives, financial situation or needs. A client should, before acting on any such advice, consider the appropriateness of the advice having regard to the client's own objectives, financial situation and needs. A copy of certain Goldman Sachs Australia and New Zealand disclosure of interests and a copy of Goldman Sachs' Australian Sell-Side Research Independence Policy Statement are available at: https://www.goldmansachs.com/disclosures/australia-new-zealand/index.html. **Brazil:** Disclosure information in relation to CVM Resolution n. 20 is available at https://www.gs.com/worldwide/brazil/area/gir/index.html. Where applicable, the Brazil-registered analyst primarily responsible for the content of this research report, as defined in Article 20 of CVM Resolution n. 20, is the first author named at the beginning of this report, unless indicated otherwise at the end of the text. **Canada:** This information is being provided to you for information purposes only and is not, and under no circumstances should be construed as, an advertisement, offering or solicitation by Goldman Sachs & Co. LLC for purchasers of securities in Canada to trade in any Canadian security. Goldman Sachs & Co. LLC is not registered as a dealer in any jurisdiction in Canada under applicable Canadian securities laws and generally is not permitted to trade in Canadian securities and may be prohibited from selling certain securities and products in certain jurisdictions in Canada. If you wish to trade in any Canadian securities or other products in Canada please contact Goldman Sachs Canada Inc., an affiliate of The Goldman Sachs Group Inc., or another registered Canadian dealer. **Hong Kong:** Further information on the securities of covered companies referred to in this research may be obtained on request from Goldman Sachs (Asia) L.L.C. **India:** Further information on the subject company or companies referred to in this research may be obtained from Goldman Sachs (India) Securities Private Limited, Research Analyst - SEBI Registration Number INH000001493, 10th Floor, Ascent-Worli, Sudam Kalu Ahire Marg, Worli, Mumbai-400 025, India, Corporate Identity Number U74140MH2006FTC160634, Phone +91 22 6616 9000, Fax +91 22 6616 9001. Goldman Sachs may beneficially own 1% or more of the securities (as such term is defined in clause 2 (h) the Indian Securities Contracts (Regulation) Act, 1956) of the subject company or companies referred to in this research report. Registration granted by SEBI and certification from NISM in no way guarantee performance of the intermediary or provide any assurance of returns to investors. Goldman Sachs (India) Securities Private Limited compliance officer and investor grievance contact details, a copy of the annual compliance audit report and other relevant information and disclosures can be found at this link: https://www.goldmansachs.com/worldwide/india/research-analyst. **Japan:** See below. **Korea:** This research, and any access to it, is intended only for "professional investors" within the meaning of the Financial Services and Capital Markets Act, unless otherwise agreed by Goldman Sachs. Further information on the subject company or companies referred to in this research may be obtained from Goldman Sachs (Asia) L.L.C., Seoul Branch. **New Zealand:** Goldman Sachs New Zealand Limited and its affiliates are neither "registered banks" nor "deposit takers" (as defined in the Reserve Bank of New Zealand Act 1989) in New Zealand. This research, and any access to it, is intended for "wholesale clients" (as defined in the Financial Advisers Act 2008) unless otherwise agreed by Goldman Sachs. A copy of certain Goldman Sachs Australia and New Zealand disclosure of interests is available at: https://www.goldmansachs.com/disclosures/australia-new-zealand/index.html. **Russia:** Research reports distributed in the Russian Federation are not advertising as defined in the Russian legislation, but are information and analysis not having product promotion as their main purpose and do not provide appraisal within the meaning of the Russian legislation on appraisal activity. Research reports do not constitute a personalized investment recommendation as defined in Russian laws and regulations, are not addressed to a specific client, and are prepared without analyzing the financial circumstances, investment profiles or risk profiles of clients. Goldman Sachs assumes no responsibility for any investment decisions that may be taken by a client or any other person based on this research report. **Singapore:** Goldman Sachs (Singapore) Pte. (Company Number: 198602165W), which is regulated by the Monetary Authority of Singapore, accepts legal responsibility for this research, and should be contacted with respect to any matters arising from, or in connection with, this research. **Taiwan:** This material is for reference only and must not be reprinted without permission. Investors should carefully consider their own investment risk. Investment results are the responsibility of the individual investor. **United Kingdom:** Persons who would be categorized as retail clients in the United Kingdom, as such term is defined in the rules of the Financial Conduct Authority, should read this research in conjunction with prior Goldman Sachs research on the covered companies referred to herein and should refer to the risk warnings that have been sent to them by Goldman Sachs International. A copy of these risks warnings, and a glossary of certain financial terms used in this report, are available from Goldman Sachs International on request.

European Union and United Kingdom: Disclosure information in relation to Article 6 (2) of the European Commission Delegated Regulation (EU) (2016/958) supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council (including as that Delegated Regulation is implemented into United Kingdom domestic law and regulation following the United Kingdom's departure from the European Union and the European Economic Area) with regard to regulatory technical standards for the technical arrangements for objective presentation of investment recommendations or other information recommending or suggesting an investment strategy and for disclosure of particular interests or indications of conflicts of interest is available at https://www.gs.com/disclosures/europeanpolicy.html which states the European Policy for Managing Conflicts of Interest in Connection with Investment Research.

Japan: Goldman Sachs Japan Co., Ltd. is a Financial Instrument Dealer registered with the Kanto Financial Bureau under registration number Kinsho 69, and a member of Japan Securities Dealers Association, Financial Futures Association of Japan Type II Financial Instruments Firms Association, and Investment Management Association of Japan. Sales and purchase of equities are subject to commission pre-determined with clients plus consumption tax. See company-specific disclosures as to any applicable disclosures required by Japanese stock exchanges, the Japanese Securities Dealers Association or the Japanese Securities Finance Company.

Ratings, coverage universe and related definitions

Buy (B), Neutral (N), Sell (S) Analysts recommend stocks as Buys or Sells for inclusion on various regional Investment Lists. Being assigned a Buy or Sell on an Investment List is determined by a stock's total return potential relative to its coverage universe. Any stock not assigned as a Buy or a Sell on an Investment List with an active rating (i.e., a stock that is not Rating Suspended, Not Rated, Early-Stage Biotech, Coverage Suspended or Not Covered), is deemed Neutral. Each region manages Regional Conviction Lists, which are selected from Buy rated stocks on the respective region's Investment Lists and represent investment recommendations focused on the size of the total return potential and/or the likelihood of the realization of the return across their respective areas of coverage. The addition or removal of stocks from such Conviction Lists are managed by the Investment Review Committee or other designated committee in each respective region and do not represent a change in the analysts' investment rating for such stocks.

Total return potential represents the upside or downside differential between the current share price and the price target, including all paid or anticipated dividends, expected during the time horizon associated with the price target. Price targets are required for all covered stocks. The total return potential, price target and associated time horizon are stated in each report adding or reiterating an Investment List membership.

Coverage Universe: A list of all stocks in each coverage universe is available by primary analyst, stock and coverage universe at https://www.gs.com/research/hedge.html.

Not Rated (NR). The investment rating, target price and earnings estimates (where relevant) are removed pursuant to Goldman Sachs policy when Goldman Sachs is acting in an advisory capacity in a merger or in a strategic transaction involving this company, when there are legal, regulatory or

policy constraints due to Goldman Sachs' involvement in a transaction, and in certain other circumstances. **Early-Stage Biotech (ES).** An investment rating and a target price are not assigned pursuant to Goldman Sachs policy when this company has neither a drug, treatment or medical device that has passed a Phase II clinical trial nor a license to distribute a post-Phase II drug, treatment or medical device. **Rating Suspended (RS).** Goldman Sachs Research has suspended the investment rating and price target for this stock, because there is not a sufficient fundamental basis for determining an investment rating or target price. The previous investment rating and target price, if any, are no longer in effect for this stock and should not be relied upon. **Coverage Suspended (CS).** Goldman Sachs has suspended coverage of this company. **Not Covered (NC).** Goldman Sachs does not cover this company.

Global product; distributing entities

Goldman Sachs Global Investment Research produces and distributes research products for clients of Goldman Sachs on a global basis. Analysts based in Goldman Sachs offices around the world produce research on industries and companies, and research on macroeconomics, currencies, commodities and portfolio strategy. This research is disseminated in Australia by Goldman Sachs Australia Pty Ltd (ABN 21 006 797 897); in Brazil by Goldman Sachs do Brasil Corretora de Títulos e Valores Mobiliários S.A.; Public Communication Channel Goldman Sachs Brazil: 0800 727 5764 and / or contatogoldmanbrasil@gs.com. Available Weekdays (except holidays), from 9am to 6pm. Canal de Comunicação com o Público Goldman Sachs Brasil: 0800 727 5764 e/ou contatogoldmanbrasil@gs.com. Horário de funcionamento: segunda-feira à sexta-feira (exceto feriados), das 9h às 18h; in Canada by Goldman Sachs & Co. LLC; in Hong Kong by Goldman Sachs (Asia) L.L.C.; in India by Goldman Sachs (India) Securities Private Ltd.; in Japan by Goldman Sachs Japan Co., Ltd.; in the Republic of Korea by Goldman Sachs (Asia) L.L.C., Seoul Branch; in New Zealand by Goldman Sachs New Zealand Limited; in Russia by OOO Goldman Sachs; in Singapore by Goldman Sachs (Singapore) Pte. (Company Number: 198602165W); and in the United States of America by Goldman Sachs & Co. LLC. Goldman Sachs International has approved this research in connection with its distribution in the United Kingdom.

Goldman Sachs International ("GSI"), authorised by the Prudential Regulation Authority ("PRA") and regulated by the Financial Conduct Authority ("FCA") and the PRA, has approved this research in connection with its distribution in the United Kingdom.

European Economic Area: Goldman Sachs Bank Europe SE ("GSBE") is a credit institution incorporated in Germany and, within the Single Supervisory Mechanism, subject to direct prudential supervision by the European Central Bank and in other respects supervised by German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, BaFin) and Deutsche Bundesbank and disseminates research within the European Economic Area.

General disclosures

This research is for our clients only. Other than disclosures relating to Goldman Sachs, this research is based on current public information that we consider reliable, but we do not represent it is accurate or complete, and it should not be relied on as such. The information, opinions, estimates and forecasts contained herein are as of the date hereof and are subject to change without prior notification. We seek to update our research as appropriate, but various regulations may prevent us from doing so. Other than certain industry reports published on a periodic basis, the large majority of reports are published at irregular intervals as appropriate in the analyst's judgment.

Goldman Sachs conducts a global full-service, integrated investment banking, investment management, and brokerage business. We have investment banking and other business relationships with a substantial percentage of the companies covered by Global Investment Research. Goldman Sachs & Co. LLC, the United States broker dealer, is a member of SIPC (https://www.sipc.org).

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients and principal trading desks that reflect opinions that are contrary to the opinions expressed in this research. Our asset management area, principal trading desks and investing businesses may make investment decisions that are inconsistent with the recommendations or views expressed in this research.

The analysts named in this report may have from time to time discussed with our clients, including Goldman Sachs salespersons and traders, or may discuss in this report, trading strategies that reference catalysts or events that may have a near-term impact on the market price of the equity securities discussed in this report, which impact may be directionally counter to the analyst's published price target expectations for such stocks. Any such trading strategies are distinct from and do not affect the analyst's fundamental equity rating for such stocks, which rating reflects a stock's return potential relative to its coverage universe as described herein.

We and our affiliates, officers, directors, and employees will from time to time have long or short positions in, act as principal in, make a market or act as liquidity provider in, and buy or sell, any securities, derivatives, or other financial instruments referred to in this research (including any financial instruments issued by the companies referred to herein), unless otherwise prohibited by regulation or Goldman Sachs policy.

The views attributed to third party presenters at Goldman Sachs arranged conferences, including individuals from other parts of Goldman Sachs, do not necessarily reflect those of Global Investment Research and are not an official view of Goldman Sachs.

Any third party referenced herein, including any salespeople, traders and other professionals or members of their household, may have positions in the products mentioned that are inconsistent with the views expressed by analysts named in this report.

This research is not an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Clients should consider whether any advice or recommendation in this research is suitable for their particular circumstances and, if appropriate, seek professional advice, including tax advice. The price and value of investments referred to in this research and the income from them may fluctuate. Past performance is not a guide to future performance, future returns are not guaranteed, and a loss of original capital may occur. Fluctuations in exchange rates could have adverse effects on the value or price of, or income derived from, certain investments.

Certain transactions, including those involving futures, options, and other derivatives, give rise to substantial risk and are not suitable for all investors. Investors should review current options and futures disclosure documents which are available from Goldman Sachs sales representatives or at https://www.theocc.com/about/publications/character-risks.jsp and https://www.goldmansachs.com/disclosures/cftc_fcm_disclosures. Transaction costs may be significant in option strategies calling for multiple purchase and sales of options such as spreads. Supporting documentation will be supplied upon request.

Differing Levels of Service provided by Global Investment Research: The level and types of services provided to you by Goldman Sachs Global Investment Research may vary as compared to that provided to internal and other external clients of GS, depending on various factors including your individual preferences as to the frequency and manner of receiving communication, your risk profile and investment focus and perspective (e.g., marketwide, sector specific, long term, short term), the size and scope of your overall client relationship with GS, and legal and regulatory constraints. As an example, certain clients may request to receive notifications when research on specific securities is published, and certain clients may request that specific data underlying analysts' fundamental analysis available on our internal client websites be delivered to them electronically through data feeds or otherwise. No change to an analyst's fundamental research views (e.g., ratings, price targets, or material changes to earnings estimates for equity securities), will be communicated to any client prior to inclusion of such information in a research report broadly disseminated through electronic publication to our internal client websites or through other means, as necessary, to all clients who are entitled to receive such reports.

All research reports are disseminated and available to all clients simultaneously through electronic publication to our internal client websites. Not all research content is redistributed to our clients or available to third-party aggregators, nor is Goldman Sachs responsible for the redistribution of our research by third party aggregators. For research, models or other data related to one or more securities, markets or asset classes (including related services) that may be available to you, please contact your GS representative or go to https://research.gs.com.

Disclosure information is also available at https://www.gs.com/research/hedge.html or from Research Compliance, 200 West Street, New York, NY 10282.

Zhen Ding Technology Holding (4958.TW)

High margin new businesses have started to ramp up, pointing to significant GM expansion in coming years; Buy

4958.TW	12m Price Target: **NT$1,070.00**	Price: **NT$430.50**	Upside: **148.5%**

ZDT 3Q26 core business (OPI) was 10%/11% higher than GSe and BBG consensus, mainly thanks to the better than expected product mix (high margin & high growth sectors accounted for 27% of total revenue in 3Q26 vs. our estimate only at 20-25%). In 3Q26, ZDT GM was 1.8/2.6ppt higher than GSe/BBG consensus, and was 27.7% up 4.6ppt QoQ and 5.7ppt YoY, while the annual growth was only driven by the better product mix/ new business contribution (ABF/optical module/AI PCB), even considering these new businesses only accounted for 27% of total revenue.

OPEX in 3Q26 increased 24% QoQ and 56% YoY due mainly to the higher investment in the R&D projects for future new high-end AI PCB/ optical transceiver / substrates business, which was the main reason for the company to see a 0.7/1.4ppt higher than GSe/BBG consensus OPEX to sales ratio in 3Q26.

In 4Q26, we expect ZDT revenue to go up by ~29% QoQ, mainly due to the solid growth from the optical transceiver, substrates, and AI PCB businesses, with more new AI projects to ramp in 4Q26. Moreover, we expect the company's GM to further expand to ~30% (2.2ppt QoQ or 7.3ppt YoY) thanks to a better product mix (we expect high growth/high margin new business will account for 30-35% of the company's total revenue in 4Q26, whose average GM should be at least 40-45% in 4Q26).

Investment view

We remain positive on ZDT's AI business outlook, and expect the acceleration on ZDT's AI PCB/Substrates business revenue to further drive the company's overall GM level in coming years (we expect the two businesses' average GM could surpass 50% in 2027, thanks to the favorable supply demand condition) while we also expect the high GM optical transceiver (50%+ GM now) will also see at least 120% YoY growth in 2027, suggesting a significant GM expansion trend for the overall company in coming quarters/years.

Source: Company data, Goldman Sachs Research estimates.

We believe ZDT will continue to be the key share gainer in the AI PCB market. For AI GPU projects, we are seeing ZDT share increase from <5% in 2025 to ~10-15% in 2026, which, we believe, will further go up to 30%+ in long term (2028 and beyond), thanks to the company's proactive investment in the R&D on the latest PCB technology, as well as the company's solid investment in the AI grade PCB capacity. For AI ASIC projects, the company's market share is well below 10% for now, and only focus on some minor projects, but we do expect the company to become one of the major suppliers for AI ASIC projects in coming years, considering the company's more diversified production sites (mainland China + Taiwan + Thailand), while most of the AI ASIC customers are asking for non-Greater China capacity now.

For the optical transceiver business, we expect ZDT to see strong growth (50%+ 2025-29E CAGR), driven mainly by the ~50% 2026-28E volume demand CAGR and the company's proactive expansion in capacity in coming years (5x more capacity over the next two years). Moreover, ZDT currently holds an industry-leading yield of 90%+ for its optical module mSAP products (vs. peers only at 60-80% per our industry checks).

For its ABF substrate business, we believe the company will continue to have the ability to increase ABF price, supported by full UTR and strong demand, while the industry in our view remains conservative on its capacity expansion plans over the next 1-2 years relative to our forecasts. We expect ABF substrate LTA/Spot prices to increase by 10-15%/20%+ QoQ per quarter from 3Q26 through at least the end of 2027, with shortages likely extending into 2028 (see here). Overall, the business condition for ABF substrate is improving with price increase and we expect the business, which was loss making in 2025, to expand its GM to 40%+/50%+ by end of 2026/27.

Overall, we reiterate our Buy rating on ZDT, with a new 12m TP of NT$1,070 (from NT$1,025).

Exhibit 1: ZDT's 3Q26 earnings comp table

Earnings revisions

We revise up our 2026/27/28/29E net income estimate by 6/21/42/49% after seeing the solid GM expansion from these high-growth sectors, which we believe will continue to be the net income driver in the coming years. We believe the high growth sectors (AI PCB, substrates, optical module mSAP) will account for 50%+ of total revenue in 2028 and further expand to 60%+ in 2029, with a much higher than company average GM (50%+ in average in 2027-28), thus we revise up our 2027/28/29E GM by 5.4/10.7/12.4ppt vs. previous estimate.

Valuation

We revise up ZDT 12m TP from NT$1,025 to NT$1,070, still based on our SOTP based valuation methodology of (1) 3.5x blended P/B for ABF & BT substrate (in-line with upcycle industry average), (2) 15x P/E for high-growth AI server/switch related PCB (in line with industry average), and (3) 8x P/E for low-growth consumer electronics PCB (in-line with industry downcycle average valuation), and maintain our valuation period at 4Q26-3Q27, factoring in our earnings revision.

Source: Company data, Goldman Sachs Global Investment Research

Zhen Ding Technology (ZDT) is the global leading PCB supplier (top 1 in market share in sales) with 7-10% market share, and started its ABF substrate business from 2023 in Shenzhen, China, and has the highest ABF revenue exposure to the China market compared to all other ABF substrate suppliers. We believe ZDT will hold more than 40% ABF substrate market share in China by 2027E (up from 31% in 2024) and benefit the most from the strong and growing China ABF substrate market (53% 2025E-27E CAGR) due to the increasing in-sourcing ratio for the AI computing ASIC/GPU market in China. We also expect the increasing foldable smartphone penetration rate in the long term to drive ZDT's FPC TAM, and account for 50% of the company's total revenue in 2027E. We see further revenue upside potential from foldable phones. We are Buy rated mainly due to our positive view on the company's China ABF substrate business opportunity, which should not only drive ZDT's revenue growth, but also improve its OPM level in the long term. We see upside for the stock price considering the company's solid growth opportunity, and our TP implied P/E multiple is still lower than the company's past 10+ year P/E average, which we believe is fair considering the potential upside from China ABF substrate market and increasing foldable phone penetration rate.

Valuation: Our 12-month TP of NT$1,070 is based on a SOTP valuation methodology, including (1) 3.5x blended 2028E P/B for ABF & BT substrate, (2) 15x 2028E P/E for high-growth AI server/switch related PCB (in line with industry average), and (3) 8x 2028E P/E for low-growth consumer electronics PCB (in line with industry downcycle average valuation).

Key downside risks include: (1) weaker-than-expected iPhone demand or slower content upgrade, (2) delay in new substrate capacity or slower-than-expected yield rate ramp up progress, and (3) fiercer competition in China ABF market.

GS Factor Profile

The Goldman Sachs Factor Profile provides investment context for a stock by comparing key attributes to the market (i.e. our universe of rated stocks) and its sector peers. The four key attributes depicted are: Growth, Financial Returns, Multiple (e.g. valuation) and Integrated (a composite of Growth, Financial Returns and Multiple). Growth, Financial Returns and Multiple are calculated by using normalized ranks for specific metrics for each stock. The normalized ranks for the metrics are then averaged and converted into percentiles for the relevant attribute. The precise calculation of each metric may vary depending on the fiscal year, industry and region, but the standard approach is as follows:

Growth is based on a stock's forward-looking sales growth, EBITDA growth and EPS growth (for financial stocks, only EPS and sales growth), with a higher percentile indicating a higher growth company. **Financial Returns** is based on a stock's forward-looking ROE, ROCE and CROCI (for financial stocks, only ROE), with a higher percentile indicating a company with higher financial returns. **Multiple** is based on a stock's forward-looking P/E, P/B, price/dividend (P/D), EV/EBITDA, EV/FCF and EV/Debt Adjusted Cash Flow (DACF) (for financial stocks, only P/E, P/B and P/D), with a higher percentile indicating a stock trading at a higher multiple. The **Integrated** percentile is calculated as the average of the Growth percentile, Financial Returns percentile and (100% - Multiple percentile).

Financial Returns and Multiple use the Goldman Sachs analyst forecasts at the fiscal year-end at least three quarters in the future. Growth uses inputs for the fiscal year at least seven quarters in the future compared with the year at least three quarters in the future (on a per-share basis for all metrics).

For a more detailed description of how we calculate the GS Factor Profile, please contact your GS representative.

M&A Rank

Across our global coverage, we examine stocks using an M&A framework, considering both qualitative factors and quantitative factors (which may vary across sectors and regions) to incorporate the potential that certain companies could be acquired. We then assign a M&A rank as a means of scoring companies under our rated coverage from 1 to 3, with 1 representing high (30%-50%) probability of the company becoming an acquisition target, 2 representing medium (15%-30%) probability and 3 representing low (0%-15%) probability. For companies ranked 1 or 2, in line with our standard departmental guidelines we incorporate an M&A component into our target price. M&A rank of 3 is considered immaterial and therefore does not factor into our price target, and may or may not be discussed in research.

Quantum

Quantum is Goldman Sachs' proprietary database providing access to detailed financial statement histories, forecasts and ratios. It can be used for in-depth analysis of a single company, or to make comparisons between companies in different sectors and markets.

Disclosures

The rating(s) for Zhen Ding Technology Holding is/are relative to the other companies in its/their coverage universe: AVC, AWSC, Airtac International Group, Asus, Auras, Chenbro, Co-Tech Development Corp., Compal, Delta Electronics, E Ink, Elite Material, Fositek, GCE, Gigabyte, HTC Corp., Hiwin Corp., ITEQ Corp, Inventec, Kinsus, Lotes, NYPCB, Pegatron, Quanta, Shengyi Tech, Shennan Circuits, Taiwan Union Technology Corp., Unimicron Technology, Victory Giant, WNC, WUS, Win Semiconductors Corp., Yageo Corp., Zhen Ding Technology Holding

Company-specific regulatory disclosures

The following disclosures relate to relationships between The Goldman Sachs Group, Inc. (with its affiliates, "Goldman Sachs") and companies covered by Goldman Sachs Global Investment Research and referred to in this research.

Goldman Sachs beneficially owned 1% or more of common equity (excluding positions managed by affiliates and business units not required to be aggregated under US securities law) as of the month end preceding this report: Zhen Ding Technology Holding (NT$430.50)

Goldman Sachs expects to receive or intends to seek compensation for investment banking services in the next 3 months: Zhen Ding Technology Holding (NT$430.50)

Goldman Sachs had an investment banking services client relationship during the past 12 months with: Zhen Ding Technology Holding (NT$430.50)

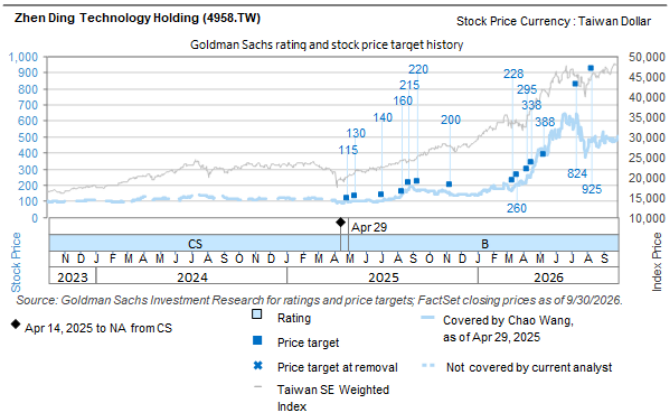
Distribution of ratings/investment banking relationships

Goldman Sachs Investment Research global Equity coverage universe

	Rating Distribution			Investment Banking Relationships		
	Buy	Hold	Sell	Buy	Hold	Sell
Global	50%	34%	16%	65%	58%	43%

As of October 1, 2026, Goldman Sachs Global Investment Research had investment ratings on 3,094 equity securities. Goldman Sachs assigns stocks as Buys and Sells on various regional Investment Lists; stocks not so assigned are deemed Neutral. Such assignments equate to Buy, Hold and Sell for the purposes of the above disclosure required by the FINRA Rules. See 'Ratings, Coverage universe and related definitions' below. The Investment Banking Relationships chart reflects the percentage of subject companies within each rating category for whom Goldman Sachs has provided investment banking services within the previous twelve months.

Price target and rating history chart(s)



The price targets shown should be considered in the context of all prior published Goldman Sachs research, which may or may not have included price targets, as well as developments relating to the company, its industry and financial markets.

Target price history table(s)

Zhen Ding Technology Holding (4958.TW)

Date of report	Target price (NT$)	Closing price (NT$)
15-Oct-26	1,025.00	519.00

Regulatory disclosures

Disclosures required by United States laws and regulations

See company-specific regulatory disclosures above for any of the following disclosures required as to companies referred to in this report: manager or co-manager in a pending transaction; 1% or other ownership; compensation for certain services; types of client relationships; managed/co-managed public offerings in prior periods; directorships; registered market maker. Goldman Sachs trades or may trade as a principal in debt securities (or in related derivatives) of issuers discussed in this report.

The following are additional required disclosures: **Ownership and material conflicts of interest:** Goldman Sachs policy prohibits its analysts, professionals reporting to analysts and members of their households from owning securities of any company in the analyst's area of coverage. **Analyst compensation:** Analysts are paid in part based on the profitability of Goldman Sachs, which includes investment banking revenues. **Analyst as officer or director:** Goldman Sachs policy generally prohibits its analysts, persons reporting to analysts or members of their households from serving as an officer, director or advisor of any company in the analyst's area of coverage. **Non-U.S. Analysts:** Non-U.S. analysts may not be associated persons of Goldman Sachs & Co. LLC and therefore may not be subject to FINRA Rule 2241 or FINRA Rule 2242 restrictions on communications with a subject company, public appearances and trading in securities covered by the analysts.

Additional disclosures required under the laws and regulations of jurisdictions other than the United States

The following disclosures are those required by the jurisdiction indicated, except to the extent already made above pursuant to United States laws and regulations. **Australia:** Goldman Sachs Australia Pty Ltd and its affiliates are not authorised deposit-taking institutions (as that term is defined in the Banking Act 1959 (Cth)) in Australia and do not provide banking services, nor carry on a banking business, in Australia. This research, and any access to it, is intended only for "wholesale clients" within the meaning of the Australian Corporations Act, unless otherwise agreed by Goldman Sachs. In producing research reports, members of Global Investment Research of Goldman Sachs Australia may attend site visits and other meetings hosted by the companies and other entities which are the subject of its research reports. In some instances the costs of such site visits or meetings may be met in part or in whole by the issuers concerned if Goldman Sachs Australia considers it is appropriate and reasonable in the specific circumstances relating to the site visit or meeting. To the extent that the contents of this document contains any financial product advice, it is general advice only and has been prepared by Goldman Sachs without taking into account a client's objectives, financial situation or needs. A client should, before acting on any such advice, consider the appropriateness of the advice having regard to the client's own objectives, financial situation and needs. A copy of certain Goldman Sachs Australia and New Zealand disclosure of interests and a copy of Goldman Sachs' Australian Sell-Side Research Independence Policy

Statement are available at: https://www.goldmansachs.com/disclosures/australia-new-zealand/index.html. **Brazil:** Disclosure information in relation to CVM Resolution n. 20 is available at https://www.gs.com/worldwide/brazil/area/gir/index.html. Where applicable, the Brazil-registered analyst primarily responsible for the content of this research report, as defined in Article 20 of CVM Resolution n. 20, is the first author named at the beginning of this report, unless indicated otherwise at the end of the text. **Canada:** This information is being provided to you for information purposes only and is not, and under no circumstances should be construed as, an advertisement, offering or solicitation by Goldman Sachs & Co. LLC for purchasers of securities in Canada to trade in any Canadian security. Goldman Sachs & Co. LLC is not registered as a dealer in any jurisdiction in Canada under applicable Canadian securities laws and generally is not permitted to trade in Canadian securities and may be prohibited from selling certain securities and products in certain jurisdictions in Canada. If you wish to trade in any Canadian securities or other products in Canada please contact Goldman Sachs Canada Inc., an affiliate of The Goldman Sachs Group Inc., or another registered Canadian dealer. **Hong Kong:** Further information on the securities of covered companies referred to in this research may be obtained on request from Goldman Sachs (Asia) L.L.C. **India:** Further information on the subject company or companies referred to in this research may be obtained from Goldman Sachs (India) Securities Private Limited, Research Analyst - SEBI Registration Number INH000001493, 10th Floor, Ascent-Worli, Sudam Kalu Ahire Marg, Worli, Mumbai-400 025, India, Corporate Identity Number U74140MH2006FTC160634, Phone +91 22 6616 9000, Fax +91 22 6616 9001. Goldman Sachs may beneficially own 1% or more of the securities (as such term is defined in clause 2 (h) the Indian Securities Contracts (Regulation) Act, 1956) of the subject company or companies referred to in this research report. Registration granted by SEBI and certification from NISM in no way guarantee performance of the intermediary or provide any assurance of returns to investors. Goldman Sachs (India) Securities Private Limited compliance officer and investor grievance contact details, a copy of the annual compliance audit report and other relevant information and disclosures can be found at this link: https://www.goldmansachs.com/worldwide/india/research-analyst. **Japan:** See below. **Korea:** This research, and any access to it, is intended only for "professional investors" within the meaning of the Financial Services and Capital Markets Act, unless otherwise agreed by Goldman Sachs. Further information on the subject company or companies referred to in this research may be obtained from Goldman Sachs (Asia) L.L.C., Seoul Branch. **New Zealand:** Goldman Sachs New Zealand Limited and its affiliates are neither "registered banks" nor "deposit takers" (as defined in the Reserve Bank of New Zealand Act 1989) in New Zealand. This research, and any access to it, is intended for "wholesale clients" (as defined in the Financial Advisers Act 2008) unless otherwise agreed by Goldman Sachs. A copy of certain Goldman Sachs Australia and New Zealand disclosure of interests is available at: https://www.goldmansachs.com/disclosures/australia-new-zealand/index.html. **Russia:** Research reports distributed in the Russian Federation are not advertising as defined in the Russian legislation, but are information and analysis not having product promotion as their main purpose and do not provide appraisal within the meaning of the Russian legislation on appraisal activity. Research reports do not constitute a personalized investment recommendation as defined in Russian laws and regulations, are not addressed to a specific client, and are prepared without analyzing the financial circumstances, investment profiles or risk profiles of clients. Goldman Sachs assumes no responsibility for any investment decisions that may be taken by a client or any other person based on this research report. **Singapore:** Goldman Sachs (Singapore) Pte. (Company Number: 198602165W), which is regulated by the Monetary Authority of Singapore, accepts legal responsibility for this research, and should be contacted with respect to any matters arising from, or in connection with, this research. **Taiwan:** This material is for reference only and must not be reprinted without permission. Investors should carefully consider their own investment risk. Investment results are the responsibility of the individual investor. **United Kingdom:** Persons who would be categorized as retail clients in the United Kingdom, as such term is defined in the rules of the Financial Conduct Authority, should read this research in conjunction with prior Goldman Sachs research on the covered companies referred to herein and should refer to the risk warnings that have been sent to them by Goldman Sachs International. A copy of these risks warnings, and a glossary of certain financial terms used in this report, are available from Goldman Sachs International on request.

European Union and United Kingdom: Disclosure information in relation to Article 6 (2) of the European Commission Delegated Regulation (EU) (2016/958) supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council (including as that Delegated Regulation is implemented into United Kingdom domestic law and regulation following the United Kingdom's departure from the European Union and the European Economic Area) with regard to regulatory technical standards for the technical arrangements for objective presentation of investment recommendations or other information recommending or suggesting an investment strategy and for disclosure of particular interests or indications of conflicts of interest is available at https://www.gs.com/disclosures/europeanpolicy.html which states the European Policy for Managing Conflicts of Interest in Connection with Investment Research.

Japan: Goldman Sachs Japan Co., Ltd. is a Financial Instrument Dealer registered with the Kanto Financial Bureau under registration number Kinsho 69, and a member of Japan Securities Dealers Association, Financial Futures Association of Japan Type II Financial Instruments Firms Association, and Investment Management Association of Japan. Sales and purchase of equities are subject to commission pre-determined with clients plus consumption tax. See company-specific disclosures as to any applicable disclosures required by Japanese stock exchanges, the Japanese Securities Dealers Association or the Japanese Securities Finance Company.

Ratings, coverage universe and related definitions

Buy (B), Neutral (N), Sell (S) Analysts recommend stocks as Buys or Sells for inclusion on various regional Investment Lists. Being assigned a Buy or Sell on an Investment List is determined by a stock's total return potential relative to its coverage universe. Any stock not assigned as a Buy or a Sell on an Investment List with an active rating (i.e., a stock that is not Rating Suspended, Not Rated, Early-Stage Biotech, Coverage Suspended or Not Covered), is deemed Neutral. Each region manages Regional Conviction Lists, which are selected from Buy rated stocks on the respective region's Investment Lists and represent investment recommendations focused on the size of the total return potential and/or the likelihood of the realization of the return across their respective areas of coverage. The addition or removal of stocks from such Conviction Lists are managed by the Investment Review Committee or other designated committee in each respective region and do not represent a change in the analysts' investment rating for such stocks.

Total return potential represents the upside or downside differential between the current share price and the price target, including all paid or anticipated dividends, expected during the time horizon associated with the price target. Price targets are required for all covered stocks. The total return potential, price target and associated time horizon are stated in each report adding or reiterating an Investment List membership.

Coverage Universe: A list of all stocks in each coverage universe is available by primary analyst, stock and coverage universe at https://www.gs.com/research/hedge.html.

Not Rated (NR). The investment rating, target price and earnings estimates (where relevant) are removed pursuant to Goldman Sachs policy when Goldman Sachs is acting in an advisory capacity in a merger or in a strategic transaction involving this company, when there are legal, regulatory or policy constraints due to Goldman Sachs' involvement in a transaction, and in certain other circumstances. **Early-Stage Biotech (ES).** An investment rating and a target price are not assigned pursuant to Goldman Sachs policy when this company has neither a drug, treatment or medical device that has passed a Phase II clinical trial nor a license to distribute a post-Phase II drug, treatment or medical device. **Rating Suspended (RS).** Goldman Sachs Research has suspended the investment rating and price target for this stock, because there is not a sufficient fundamental basis for determining an investment rating or target price. The previous investment rating and target price, if any, are no longer in effect for this stock and should not be relied upon. **Coverage Suspended (CS).** Goldman Sachs has suspended coverage of this company. **Not Covered (NC).** Goldman Sachs does not cover this company.

Global product; distributing entities

Goldman Sachs Global Investment Research produces and distributes research products for clients of Goldman Sachs on a global basis. Analysts based in Goldman Sachs offices around the world produce research on industries and companies, and research on macroeconomics, currencies, commodities and portfolio strategy. This research is disseminated in Australia by Goldman Sachs Australia Pty Ltd (ABN 21 006 797 897); in Brazil by Goldman Sachs

European Economic Area: Goldman Sachs Bank Europe SE ("GSBE") is a credit institution incorporated in Germany and, within the Single Supervisory Mechanism, subject to direct prudential supervision by the European Central Bank and in other respects supervised by German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, BaFin) and Deutsche Bundesbank and disseminates research within the European Economic Area.

General disclosures

This research is for our clients only. Other than disclosures relating to Goldman Sachs, this research is based on current public information that we consider reliable, but we do not represent it is accurate or complete, and it should not be relied on as such. The information, opinions, estimates and forecasts contained herein are as of the date hereof and are subject to change without prior notification. We seek to update our research as appropriate, but various regulations may prevent us from doing so. Other than certain industry reports published on a periodic basis, the large majority of reports are published at irregular intervals as appropriate in the analyst's judgment.

Goldman Sachs conducts a global full-service, integrated investment banking, investment management, and brokerage business. We have investment banking and other business relationships with a substantial percentage of the companies covered by Global Investment Research. Goldman Sachs & Co. LLC, the United States broker dealer, is a member of SIPC (https://www.sipc.org).

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients and principal trading desks that reflect opinions that are contrary to the opinions expressed in this research. Our asset management area, principal trading desks and investing businesses may make investment decisions that are inconsistent with the recommendations or views expressed in this research.

The analysts named in this report may have from time to time discussed with our clients, including Goldman Sachs salespersons and traders, or may discuss in this report, trading strategies that reference catalysts or events that may have a near-term impact on the market price of the equity securities discussed in this report, which impact may be directionally counter to the analyst's published price target expectations for such stocks. Any such trading strategies are distinct from and do not affect the analyst's fundamental equity rating for such stocks, which rating reflects a stock's return potential relative to its coverage universe as described herein.

We and our affiliates, officers, directors, and employees will from time to time have long or short positions in, act as principal in, make a market or act as liquidity provider in, and buy or sell, any securities, derivatives, or other financial instruments referred to in this research (including any financial instruments issued by the companies referred to herein), unless otherwise prohibited by regulation or Goldman Sachs policy.

The views attributed to third party presenters at Goldman Sachs arranged conferences, including individuals from other parts of Goldman Sachs, do not necessarily reflect those of Global Investment Research and are not an official view of Goldman Sachs.

Any third party referenced herein, including any salespeople, traders and other professionals or members of their household, may have positions in the products mentioned that are inconsistent with the views expressed by analysts named in this report.

This research is not an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Clients should consider whether any advice or recommendation in this research is suitable for their particular circumstances and, if appropriate, seek professional advice, including tax advice. The price and value of investments referred to in this research and the income from them may fluctuate. Past performance is not a guide to future performance, future returns are not guaranteed, and a loss of original capital may occur. Fluctuations in exchange rates could have adverse effects on the value or price of, or income derived from, certain investments.

Certain transactions, including those involving futures, options, and other derivatives, give rise to substantial risk and are not suitable for all investors. Investors should review current options and futures disclosure documents which are available from Goldman Sachs sales representatives or at https://www.theocc.com/about/publications/character-risks.jsp and https://www.goldmansachs.com/disclosures/cftc_fcm_disclosures. Transaction costs may be significant in option strategies calling for multiple purchase and sales of options such as spreads. Supporting documentation will be supplied upon request.

Differing Levels of Service provided by Global Investment Research: The level and types of services provided to you by Goldman Sachs Global Investment Research may vary as compared to that provided to internal and other external clients of GS, depending on various factors including your individual preferences as to the frequency and manner of receiving communication, your risk profile and investment focus and perspective (e.g., marketwide, sector specific, long term, short term), the size and scope of your overall client relationship with GS, and legal and regulatory constraints. As an example, certain clients may request to receive notifications when research on specific securities is published, and certain clients may request that specific data underlying analysts' fundamental analysis available on our internal client websites be delivered to them electronically through data feeds or otherwise. No change to an analyst's fundamental research views (e.g., ratings, price targets, or material changes to earnings estimates for equity securities), will be communicated to any client prior to inclusion of such information in a research report broadly disseminated through electronic publication to our internal client websites or through other means, as necessary, to all clients who are entitled to receive such reports.

All research reports are disseminated and available to all clients simultaneously through electronic publication to our internal client websites. Not all research content is redistributed to our clients or available to third-party aggregators, nor is Goldman Sachs responsible for the redistribution of our research by third party aggregators. For research, models or other data related to one or more securities, markets or asset classes (including related services) that may be available to you, please contact your GS representative or go to https://research.gs.com.

Disclosure information is also available at https://www.gs.com/research/hedge.html or from Research Compliance, 200 West Street, New York, NY 10282.

BofA SECURITIES

All Ring

Accelerated advanced packaging and CPO ramp optionality at attractive valuation

Reiterate Rating: BUY | PO: 1,750 TWD | Price: 1,025 TWD

2H26 strength sustains on 2.5D packaging expansion

3Q26 sales were +41% QoQ above Street estimates on solid CoWoS and FOCoS capacity expansion across its foundry and OSAT customers, backed by the accelerated capex from back-end industry to accommodate stronger cloud AI chipset demand outlook into '27. With mix shifted toward margin-diluted automation tools, 3Q26 GMs were -630 bps QoQ to 48.5% (vs. BofAe 54.1%) though OpMs held resilient QoQ at 32.9% on operating leverage, taking 3Q26 EPS to NT$8.50 (vs. BofAe/Street NT$10.74/NT$9.34.). For 4Q26, we estimate sales -9% QoQ due to CoWoS revenue recognition timing partially offset by sustained strength in FOCoS. We expect GMs in 4Q26 to recover to its long-term guidance of 50-55% range (BofAe 53.7%) on better product mix.

Diverse 2.5D/3D packaging and CPO ramp lifting '27-28

All Ring's sales are on track to +88% YoY in '26 and could see continued strength into '27 (BofAe +55% YoY), mainly led by 80-90k WPM CoWoS addition from TSMC to 200-210k WPM by 4Q27 along with ASE's accelerated FOCoS capacity expansion and CoWoS full process ramp for outsourced business. With superior throughput and yield stability vs. its peers, we expect its CPO optical coupling equipment shipment to reach 150 units in '27, backed by a solid commitment from Nvidia/SPIL to increase CPO assembly capacity by 15x (see our report: Implication from Nvidia GTC: back-end capacity constrained; CPO accelerates). Broader equipment share and content gains across diversifying advanced packaging technologies, including FOPLP, SoIC, CoPoS and US back-end solutions, alongside the ramp-up of CPO equipment should drive All Ring's advanced packaging revenue +60% YoY in 2027, lifting GM/OpM to 54.2%/33.3% from 52%/32.2% in 2026.

Reiterate Buy on decent EPS upcycle with +34% CAGR

We maintain our 2027/28 EPS unchanged at NT$49.34/54.67, our Buy rating on All Ring and PO of NT$1,750 still based on 36x 2027E P/E (vs. its 8-41x range). We believe decent sales/earnings CAGR of +30%/+34% over '26-'28E supported by solid advanced packaging capacity build and smooth CPO ramp should warrant high valuation.

Estimates (Dec) (NT$)	2024A	2025A	2026E	2027E	2028E

Company Sector

Semiconductor Capital Equipment

Company Description

Founded in 1996, All Ring is a Taiwan-based semiconductor equipment supplier with core technologies spanning dispensing, attachment, AOI, optical coupling, and precision automation. Building on its initial expertise in passive component manufacturing equipment, the company has gradually expanded into the back-end semiconductor packaging market and established long-term partnerships with leading foundry and OSATs customers.

Investment Rationale

We have a Buy rating on All Ring, in view of its solid market position in the semiconductor advanced packaging equipment. We believe its long-standing relationships with leading foundry and OSATs, coupled with strong technology development capabilities, position the company well to capture the secular uptrend in AI-driven advanced packaging capacity expansion and rising equipment content.

BofA GLOBAL RESEARCH

Price objective basis & risk

All Ring (XNQNF)
Our PO of NT$1,750 is based on 36x 2027E P/E, positioned at the upper half of its historical trading range of 8-41x. We believe P/E based valuation is appropriate given All Ring's robust top-line visibility, stable profitability profile, and structural earnings improvement on decent exposure to AI-driven advanced packaging upcycle. The valuation multiple is underpinned by
1) 34%/37% CAGR in sales and earnings over 2026-28E and 2) sustained ROE in the 30-40% range

Downside risks are:
1) slowdown in advanced packaging capacity expansion and 2) mis-execution on equipment development

Analyst Certification

I, Haas Liu, hereby certify that the views expressed in this research report accurately reflect my personal views about the subject securities and issuers. I also certify that no part of my compensation was, is, or will be, directly or indirectly, related to the specific recommendations or view expressed in this research report.

Special Disclosures

Information on securities which are listed on the exchanges where ML Securities (Taiwan) Limited is not permitted to trade or solicit trades for clients is for informational purposes only and is not a recommendation or a solicitation to trade such securities. ML Securities (Taiwan) Limited will not execute transactions for nor accept orders from clients to trade such securities. Foreign investment in Taiwan securities is regulated and restricted. Currently, foreign investment in Taiwan securities is permitted by investment through: (1) global depository receipts, (2) convertible bonds, (3) mutual funds issued offshore of Taiwan, and (4) a special foreign institutional investors (FINIs) and foreign individual investors (FIDIs) program supervised by the Taiwan SFB whereunder FINIs/FIDIs may apply for investment ID to invest in Taiwan securities by registration with Taiwan Stock Exchange. FINIs will additionally need consent from the foreign exchange authority, ie, the Central Bank of China. In addition to the limitations above, various industry-specific percentage-based limitations on foreign ownership of Taiwan companies (and in some cases prohibitions) may apply. Investments are subject to exchange rate and currency conversion restrictions and risks. Dividends and interest earned by foreign investors' Taiwan securities/instruments are generally subject to a 20% withholding tax. Ordinary shares are not available to ML private client accounts in the U.S.

This report is distributed in Taiwan by Merrill Lynch Securities (Taiwan) Limited, which is regulated by the Taiwan SFB.

Light grey shading indicates the security is not covered. Chart is current as of a date no more than one trading day prior to the date of the report.

Equity Investment Rating Distribution: Technology Group (as of 30 Sep 2026)

Coverage Universe	Count	Percent	Inv. Banking Relationships [R1]	Count	Percent
Buy	255	62.04%	Buy	157	61.57%
Hold	82	19.95%	Hold	46	56.10%
Sell	74	18.00%	Sell	31	41.89%

Equity Investment Rating Distribution: Global Group (as of 30 Sep 2026)

Coverage Universe	Count	Percent	Inv. Banking Relationships [R1]	Count	Percent
Buy	2057	57.03%	Buy	1386	67.38%
Hold	806	22.35%	Hold	563	69.85%
Sell	744	20.63%	Sell	446	59.95%

[R1] Issuers that were investment banking clients of BofA Securities or one of its affiliates within the past 12 months. For purposes of this Investment Rating Distribution, the coverage universe includes only stocks. A stock rated Neutral is included as a Hold, and a stock rated Underperform is included as a Sell.

FUNDAMENTAL EQUITY OPINION KEY: Opinions include a Volatility Risk Rating, an Investment Rating and an Income Rating. VOLATILITY RISK RATINGS, indicators of potential price fluctuation, are: A - Low, B - Medium and C - High. INVESTMENT RATINGS reflect the analyst's assessment of both a stock's absolute total return potential as well as its attractiveness for investment relative to other stocks within its Coverage Cluster (defined below). Our investment ratings are: 1 - Buy stocks are expected to have a total return of at least 10% and are the most attractive stocks in the coverage cluster; 2 - Neutral stocks are expected to remain flat or increase in value and are less attractive than Buy rated stocks and 3 - Underperform stocks are the least attractive stocks in a coverage cluster. An investment rating of 6 (No Rating) indicates that a stock is no longer trading on the basis of fundamentals. Analysts assign investment ratings considering, among other things, the 0-12 month total return expectation for a stock and the firm's guidelines for ratings dispersions (shown in the table below). The current price objective for a stock should be referenced to better understand the total return expectation at any given time. The price objective reflects the analyst's view of the potential price appreciation (depreciation).

Investment rating	Total return expectation (within 12-month period of date of initial rating)	Ratings dispersion guidelines for coverage cluster[R2]
Buy	≥ 10%	≤ 70%
Neutral	≥ 0%	≤ 30%
Underperform	N/A	≥ 20%

[R2] Ratings dispersions may vary from time to time where BofA Global Research believes it better reflects the investment prospects of stocks in a Coverage Cluster.

INCOME RATINGS, indicators of potential cash dividends, are: 7 - same/higher (dividend considered to be secure), 8 - same/lower (dividend not considered to be secure) and 9 - pays no cash dividend. *Coverage Cluster* is comprised of stocks covered by a single analyst or two or more analysts sharing a common industry, sector, region or other classification(s). A stock's coverage cluster is included in the most recent BofA Global Research report referencing the stock.

Price Charts for the securities referenced in this research report are available on the Price Charts website, or call 1-800-MERRILL to have them mailed.
In the US, retail sales and/or distribution of this report may be made only in states where these securities are exempt from registration or have been qualified for sale: All Ring.
The country in which this issuer is organized has certain laws or regulations that limit or restrict ownership of the issuer's shares by nationals of other countries: All Ring.
BofA Global Research personnel (including the analyst(s) responsible for this report) receive compensation based upon, among other factors, the overall profitability of Bank of America Corporation, including profits derived from investment banking. The analyst(s) responsible for this report may also receive compensation based upon, among other factors, the overall profitability of the Bank's sales and trading businesses relating to the class of securities or financial instruments for which such analyst is responsible.

Other Important Disclosures

From time to time research analysts conduct site visits of covered issuers. BofA Global Research policies prohibit research analysts from accepting payment or reimbursement for travel

expenses from the issuer for such visits.
Prices are indicative and for information purposes only. Except as otherwise stated in the report, for any recommendation in relation to an equity security, the price referenced is the publicly traded price of the security as of close of business on the day prior to the date of the report or, if the report is published during intraday trading, the price referenced is indicative of the traded price as of the date and time of the report and in relation to a debt security (including equity preferred and CDS), prices are indicative as of the date and time of the report and are from various sources including BofA Securities trading desks.
The date and time of completion of the production of any recommendation in this report shall be the date and time of dissemination of this report as recorded in the report timestamp.

For clients that are not accredited investors, expert investors or institutional investors Merrill Lynch (Singapore) Pte Ltd accepts full responsibility for the contents of this information distributed to such clients in Singapore.
General Investment Related Disclosures:
Taiwan Readers: Neither the information nor any opinion expressed herein constitutes an offer or a solicitation of an offer to transact in any securities or other financial instrument. No part of this report may be used or reproduced or quoted in any manner whatsoever in Taiwan by the press or any other person without the express written consent of BofA Securities.
This document provides general information only, and has been prepared for, and is intended for general distribution to, BofA Securities clients. Neither the information nor any opinion expressed constitutes an offer or an invitation to make an offer, to buy or sell any securities or other financial instrument or any derivative related to such securities or instruments (e.g., options, futures, warrants, and contracts for differences). This document is not intended to provide personal investment advice and it does not take into account the specific investment objectives, financial situation and the particular needs of, and is not directed to, any specific person(s). This document and its content do not constitute, and should not be considered to constitute, investment advice for purposes of ERISA, the US tax code, the Investment Advisers Act or otherwise. Investors should seek financial advice regarding the appropriateness of investing in financial instruments and implementing investment strategies discussed or recommended in this document and should understand that statements regarding future prospects may not be realized. Any decision to purchase or subscribe for securities in any offering must be based solely on existing public information on such security or the information in the prospectus or other offering document issued in connection with such offering, and not on this document.
Securities and other financial instruments referred to herein, or recommended, offered or sold by BofA Securities, are not insured by the Federal Deposit Insurance Corporation and are not deposits or other obligations of any insured depository institution (including, Bank of America, N.A.). Investments in general and, derivatives, in particular, involve numerous risks, including, among others, market risk, counterparty default risk and liquidity risk. No security, financial instrument or derivative is suitable for all investors. Digital assets are extremely speculative, volatile and are not regulated in a manner similar to U.S. securities markets. In some cases, securities and other financial instruments may be difficult to value or sell and reliable information about the value or risks related to the security or financial instrument may be difficult to obtain. Investors should note that income from such securities and other financial instruments, if any, may fluctuate and that price or value of such securities and instruments may rise or fall and, in some cases, investors may lose their entire principal investment. Past performance is not necessarily a guide to future performance. Levels and basis for taxation may change.
This report may contain a short-term trading idea or recommendation, which highlights a specific near-term catalyst or event impacting the issuer or the market that is anticipated to have a short-term price impact on the equity securities of the issuer. Short-term trading ideas and recommendations are different from and do not affect a stock's fundamental equity rating, which reflects both a longer term total return expectation and attractiveness for investment relative to other stocks within its Coverage Cluster. Short-term trading ideas and recommendations may

be more or less positive than a stock's fundamental equity rating.
BofA Securities is aware that the implementation of the ideas expressed in this report may depend upon an investor's ability to "short" securities or other financial instruments and that such action may be limited by regulations prohibiting or restricting "shortselling" in many jurisdictions. Investors are urged to seek advice regarding the applicability of such regulations prior to executing any short idea contained in this report.
Foreign currency rates of exchange may adversely affect the value, price or income of any security or financial instrument mentioned herein. Investors in such securities and instruments, including ADRs, effectively assume currency risk.
BofAS or one of its affiliates is a regular issuer of traded financial instruments linked to securities or digital assets that may have been recommended or discussed in this report. BofAS or one of its affiliates may, at any time, hold a trading position (long or short) in the securities and financial instruments recommended or discussed in this report.
BofA Securities, through business units other than BofA Global Research, may have issued and may in the future issue trading ideas or recommendations that are inconsistent with, and reach different conclusions from, the information presented herein. Such ideas or recommendations may reflect different time frames, assumptions, views and analytical methods of the persons who prepared them, and BofA Securities is under no obligation to ensure that such other trading ideas or recommendations are brought to the attention of any recipient of this information.
In the event that the recipient received this information pursuant to a contract between the recipient and BofAS for the provision of research services for a separate fee, and in connection therewith BofAS may be deemed to be acting as an investment adviser, such status relates, if at all, solely to the person with whom BofAS has contracted directly and does not extend beyond the delivery of this report (unless otherwise agreed specifically in writing by BofAS). If such recipient uses the services of BofAS in connection with the sale or purchase of a security referred to herein, BofAS may act as principal for its own account or as agent for another person. BofAS is and continues to act solely as a broker-dealer in connection with the execution of any transactions, including transactions in any securities referred to herein.

BofA Global Research utilizes AI, including machine learning and other technologies, to enhance the services we provide to our clients. These technologies assist our analysts in various aspects of their work, including but not limited to data analysis, content extraction, content creation, data aggregation and summarization and identifying relevant information from diverse sources. All AI-driven processes are subject to review by BofA Global Research employees. BofA Global Research information is distributed simultaneously to internal and client websites and other portals by BofA Securities and is not publicly-available material. Any unauthorized use or disclosure is prohibited. Receipt and review of this information constitutes your agreement not to redistribute, retransmit, or disclose to others the contents, opinions, conclusion, or information contained herein (including any investment recommendations, estimates or price targets) without first obtaining express permission from an authorized officer of BofA Securities.
Materials prepared by BofA Global Research personnel are based on public information. Facts and views presented in this material have not been reviewed by, and may not reflect information known to, professionals in other business areas of BofA Securities, including investment banking personnel. BofA Securities has established information barriers between BofA Global Research and certain business groups. As a result, BofA Securities does not disclose certain client relationships with, or compensation received from, such issuers. To the extent this material discusses any legal proceeding or issues, it has not been prepared as nor is it intended to express any legal conclusion, opinion or advice. Investors should consult their own legal advisers as to issues of law relating to the subject matter of this material. BofA Global Research personnel's knowledge of legal proceedings in which any BofA Securities entity and/or its directors, officers and employees may be plaintiffs, defendants, co-defendants or co-plaintiffs with or involving issuers mentioned in this material is based on public information. Facts and views presented in this material that relate to any such proceedings have not been reviewed by, discussed with, and may not reflect information known to, professionals in other business areas of BofA Securities in connection with the legal proceedings or matters relevant to such proceedings.
This information has been prepared independently of any issuer of securities mentioned herein and not in connection with any proposed offering of securities or as agent of any issuer of any securities. None of BofAS any of its affiliates or their research analysts has any authority whatsoever to make any representation or warranty on behalf of the issuer(s). BofA Global Research policy prohibits research personnel from disclosing a recommendation, investment rating, or investment thesis for review by an issuer prior to the publication of a research report containing such rating, recommendation or investment thesis.
Any information relating to sustainability in this material is limited as discussed herein and is not intended to provide a comprehensive view on any sustainability claim with respect to any issuer or security.
Any information relating to the tax status of financial instruments discussed herein is not intended to provide tax advice or to be used by anyone to provide tax advice. Investors are urged to seek tax advice based on their particular circumstances from an independent tax professional.
The information herein (other than disclosure information relating to BofA Securities and its affiliates) was obtained from various sources and we do not guarantee its accuracy. This information may contain links to third-party websites. BofA Securities is not responsible for the content of any third-party website or any linked content contained in a third-party website. Content contained on such third-party websites is not part of this information and is not incorporated by reference. The inclusion of a link does not imply any endorsement by or any affiliation with BofA Securities. Access to any third-party website is at your own risk, and you should always review the terms and privacy policies at third-party websites before submitting any personal information to them. BofA Securities is not responsible for such terms and privacy policies and expressly disclaims any liability for them.
All opinions, projections and estimates constitute the judgment of the author as of the date of publication and are subject to change without notice. Prices also are subject to change without notice. BofA Securities is under no obligation to update this information and BofA Securities ability to publish information on the subject issuer(s) in the future is subject to applicable quiet periods. You should therefore assume that BofA Securities will not update any fact, circumstance or opinion contained herein.
Subject to the quiet period applicable under laws of the various jurisdictions in which we distribute research reports and other legal and BofA Securities policy-related restrictions on the publication of research reports, fundamental equity reports are produced on a regular basis as necessary to keep the investment recommendation current.
Certain outstanding reports or investment opinions relating to securities, financial instruments and/or issuers may no longer be current. Always refer to the most recent research report relating to an issuer prior to making an investment decision.
In some cases, an issuer may be classified as Restricted or may be Under Review or Extended Review. In each case, investors should consider any investment opinion relating to such issuer (or its security and/or financial instruments) to be suspended or withdrawn and should not rely on the analyses and investment opinion(s) pertaining to such issuer (or its securities and/or financial instruments) nor should the analyses or opinion(s) be considered a solicitation of any kind. Sales persons and financial advisors affiliated with BofAS or any of its affiliates may not solicit purchases of securities or financial instruments that are Restricted or Under Review and may only solicit securities under Extended Review in accordance with firm policies.
Neither BofA Securities nor any officer or employee of BofA Securities accepts any liability whatsoever for any direct, indirect or consequential damages or losses arising from any use of this information.

BofA SECURITIES

Asia Vital Components

Solid 3Q26 results; positive tone to 4Q26/ 2027; reiterate Buy; trim PO to NT$3,650

Reiterate Rating: BUY | PO: 3,650 TWD | Price: 2,790 TWD

3Q26: record-high GM/OPM for five straight quarters

Asia Vital Components (AVC)'s 3Q26 GM/OPM of 33.9%/28.5% hit a record high for the fifth straight quarter, exceeding BofAe of 33.0%/27.5% and consensus of 33.3%/27.9%. OP (+25% QoQ, +108% YoY) was 7%/4% above BofAe/consensus, with higher sales (+20% QoQ, +52% YoY; 3%/2% above BofAe/consensus). We attribute the results beat to solid product mix (server and networking comprised 66% of 3Q26 sales, same as 1Q-2Q26) and improving production efficiency. Despite a non-operating loss (mainly FX loss), NP was 10%/3% above consensus (Exhibit 3).

Positive tone to 4Q26/2027; ongoing capacity expansion

We expect 4Q26 sales to rise 19% QoQ and 2027 sales to grow 40% YoY, with mgmt.'s still positive tone to 4Q26/2027, mainly driven by AI liquid cooling projects. AVC indicated full support to clients' platform upgrade and shipment pipeline. It should be able to pass through the higher raw material cost. In 2027, mgmt. targets ASIC sales mix to surpass GPU. AVC also sees solid sales momentum from chassis/rack and CDU, acting as the solution provider. Mgmt. maintained 2026 capex guidance at NT$15bn and guided NT$15-20bn for 2027 (BofAe unchanged at NT$17bn), mainly for capacity expansion in Vietnam. Mgmt. now targets another 50% cold plate capacity expansion in 2027.

Trim PO to NT$3,650 for a lower P/E set-up; reiterate Buy

We lift 2026-28E EPS by 3-10%, mainly to reflect the 3Q26 results beat and higher margins, driven by ongoing server/networking project ramp-up. Yet, we cut our PO to NT$3,650 (23x 2027E EPS), with a lower P/E multiple (2SD above average since 2020; Exhibit 5) from NT$3,888 (was 27x; 3SD above) on AI supply chain's potentially higher shipment/pipeline uncertainty due to component shortage. Nevertheless, we reiterate Buy on AVC as we believe it should remain one of the key beneficiaries from rising liquid-cooling adoption and ongoing GPU/ASIC platform/spec upgrade. We also highlight solid sales/margin growth under broad product base and diversified project/client base.

Company Sector

IT Hardware

Company Description

AVC is the leading system-level thermal/cooling component maker globally. Key end markets include server, PC, smartphone. Key end clients include global CSPs, PC brands, smartphone brands. AVC was founded in 1991 and went publicly listed on Taiwan Stock Exchange on 27 Sep 2002. It is headquartered in Taiwan. Its main production sites are located in China (Shenzhen, Wuhan, Shanghai, Dongguan, Chengdu), with ongoing capacity expansion in Vietnam.

Investment Rationale

We assign a Buy rating to AVC given its leading position in thermal/cooling component and total solution strategy to ride on strong AI market demand, double-digit sales/EPS CAGR in 2026-28 with rising liquid cooling sales mix and ASP/margin increase.

BofA GLOBAL RESEARCH

Price objective basis & risk

Asia Vital Components (AVMPF)
Our PO of NT$3,650 is based on 23x 2027E EPS. We use 23x P/E multiple (2SD above P/E average since 2020) in view of AVC's double-digit sales/EPS CAGR in 2026-28E. We believe AVC's leading position in thermal/cooling component market and strong AI market demand will drive rising liquid cooling sales mix and ASP/margin increase.

Upside risks to our PO are: (1) stronger demand in AI server, server, PC, smartphone, (2) better operating leverage with larger revenue scale, (3) less intensive competition, (4) faster product certification, (5) faster capacity expansion, (6) favorable FX movement (USD/RMB and/or USD/NTD) to help on GM and/or non-operating items.

Downside risks to our PO are: (1) softer AI server demand due to GPU/component shortage, (2) weaker server/PC/smartphone market demand amid inflation/macro uncertainties, (3) GM pressure due to higher material/labor/utility cost, (4) more intensive competition, (5) delayed product certification, (6) slower capacity expansion, (7) unfavorable FX movement (USD/RMB and/or USD/NTD) to weigh on GM and/or non-operating items.

Analyst Certification

I, Doris Kao, hereby certify that the views expressed in this research report accurately reflect my personal views about the subject securities and issuers. I also certify that no part of my compensation was, is, or will be, directly or indirectly, related to the specific recommendations or view expressed in this research report.

Special Disclosures

Information on securities which are listed on the exchanges where ML Securities (Taiwan) Limited is not permitted to trade or solicit trades for clients is for informational purposes only and is not a recommendation or a solicitation to trade such securities. ML Securities (Taiwan) Limited will not execute transactions for nor accept orders from clients to trade such securities. Foreign investment in Taiwan securities is regulated and restricted. Currently, foreign investment in Taiwan securities is permitted by investment through: (1) global depository receipts, (2) convertible bonds, (3) mutual funds issued offshore of Taiwan, and (4) a special foreign institutional investors (FINIs) and foreign individual investors (FIDIs) program supervised by the Taiwan SFB whereunder FINIs/FIDIs may apply for investment ID to invest in Taiwan securities by registration with Taiwan Stock Exchange. FINIs will additionally need consent from the foreign exchange authority, ie, the Central Bank of China. In addition to the limitations above, various industry-specific percentage-based limitations on foreign ownership of Taiwan companies (and in some cases prohibitions) may apply. Investments are subject to exchange rate and currency conversion restrictions and risks. Dividends and interest earned by foreign investors' Taiwan securities/instruments are generally subject to a 20% withholding tax. Ordinary shares are not available to ML private client accounts in the U.S.

This report is distributed in Taiwan by Merrill Lynch Securities (Taiwan) Limited, which is regulated by the Taiwan SFB.

iQmethod℠ is the set of BofA Global Research standard measures that serve to maintain global consistency under three broad headings: Business Performance, Quality of Earnings, and validations. The key features of iQmethod are: A consistently structured, detailed, and transparent methodology. Guidelines to maximize the effectiveness of the comparative valuation process, and to identify some common pitfalls.
iQdatabase® is our real-time global research database that is sourced directly from our equity analysts' earnings models and includes forecasted as well as historical data for income statements, balance sheets, and cash flow statements for companies covered by BofA Global Research.

iQprofile℠, *iQmethod℠* are service marks of Bank of America Corporation. *iQdatabase®* is a registered service mark of Bank of America Corporation.

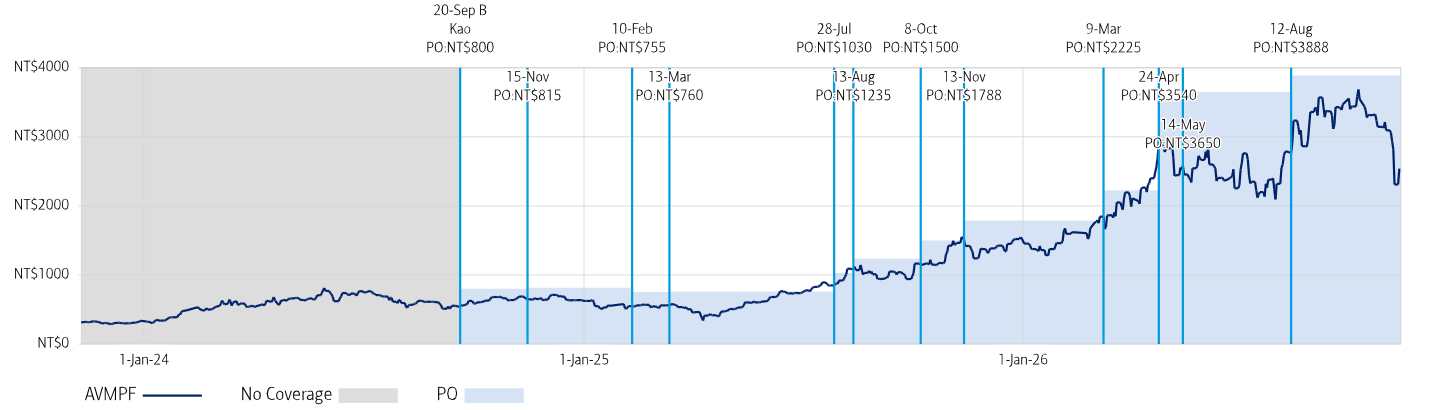
Asia Vital Component (AVMPF) Price Chart



B: Buy, N: Neutral, U: Underperform, PO: Price Objective, NA: No longer valid, NR: No Rating

The Investment Opinion System is contained at the end of the report under the heading "Fundamental Equity Opinion Key". Dark grey shading indicates the security is restricted with the opinion suspended. Medium grey shading indicates the security is under review with the opinion withdrawn. Light grey shading indicates the security is not covered. Chart is current as of a date no more than one trading day prior to the date of the report.

Equity Investment Rating Distribution: Technology Group (as of 30 Sep 2026)

Coverage Universe	Count	Percent	Inv. Banking Relationships [R1]	Count	Percent
Buy	255	62.04%	Buy	157	61.57%
Hold	82	19.95%	Hold	46	56.10%
Sell	74	18.00%	Sell	31	41.89%

Equity Investment Rating Distribution: Global Group (as of 30 Sep 2026)

Coverage Universe	Count	Percent	Inv. Banking Relationships [R1]	Count	Percent
Buy	2057	57.03%	Buy	1386	67.38%
Hold	806	22.35%	Hold	563	69.85%
Sell	744	20.63%	Sell	446	59.95%

[R1] Issuers that were investment banking clients of BofA Securities or one of its affiliates within the past 12 months. For purposes of this Investment Rating Distribution, the coverage universe includes only stocks. A stock rated Neutral is included as a Hold, and a stock rated Underperform is included as a Sell.

FUNDAMENTAL EQUITY OPINION KEY: Opinions include a Volatility Risk Rating, an Investment Rating and an Income Rating. VOLATILITY RISK RATINGS, indicators of potential price fluctuation, are: A - Low, B - Medium and C - High. INVESTMENT RATINGS reflect the analyst's assessment of both a stock's absolute total return potential as well as its attractiveness for investment relative to other stocks within its Coverage Cluster (defined below). Our investment ratings are: 1 - Buy stocks are expected to have a total return of at least 10% and are the most attractive stocks in the coverage cluster; 2 - Neutral stocks are expected to remain flat or increase in value and are less attractive than Buy rated stocks and 3 - Underperform stocks are the least attractive stocks in a coverage cluster. An investment rating of 6 (No Rating) indicates that a stock is no longer trading on the basis of fundamentals. Analysts assign investment ratings considering, among other things, the 0-12 month total return expectation for a stock and the firm's guidelines for ratings dispersions (shown in the table below). The current price objective for a stock should be referenced to better understand the total return expectation at any given time. The price objective reflects the analyst's view of the potential price appreciation (depreciation).

Investment rating	Total return expectation (within 12-month period of date of initial rating)	Ratings dispersion guidelines for coverage cluster[R2]
Buy	≥ 10%	≤ 70%
Neutral	≥ 0%	≤ 30%
Underperform	N/A	≥ 20%

[R2] Ratings dispersions may vary from time to time where BofA Global Research believes it better reflects the investment prospects of stocks in a Coverage Cluster.

INCOME RATINGS, indicators of potential cash dividends, are: 7 - same/higher (dividend considered to be secure), 8 - same/lower (dividend not considered to be secure) and 9 - pays no cash dividend. *Coverage Cluster* is comprised of stocks covered by a single analyst or two or more analysts sharing a common industry, sector, region or other classification(s). A stock's coverage cluster is included in the most recent BofA Global Research report referencing the stock.

Price Charts for the securities referenced in this research report are available on the Price Charts website, or call 1-800-MERRILL to have them mailed.
BofAS or an affiliate has received compensation from the issuer for non-investment banking services or products within the past 12 months: Asia Vital Component.
The issuer is or was, within the last 12 months, a non-securities business client of BofAS and/or one or more of its affiliates: Asia Vital Component.
In the US, retail sales and/or distribution of this report may be made only in states where these securities are exempt from registration or have been qualified for sale: Asia Vital Component.
The country in which this issuer is organized has certain laws or regulations that limit or restrict ownership of the issuer's shares by nationals of other countries: Asia Vital Component.
BofA Global Research personnel (including the analyst(s) responsible for this report) receive compensation based upon, among other factors, the overall profitability of Bank of America Corporation, including profits derived from investment banking. The analyst(s) responsible for this report may also receive compensation based upon, among other factors, the overall profitability of the Bank's sales and trading businesses relating to the class of securities or financial instruments for which such analyst is responsible.

Other Important Disclosures

From time to time research analysts conduct site visits of covered issuers. BofA Global Research policies prohibit research analysts from accepting payment or reimbursement for travel expenses from the issuer for such visits.
Prices are indicative and for information purposes only. Except as otherwise stated in the report, for any recommendation in relation to an equity security, the price referenced is the publicly traded price of the security as of close of business on the day prior to the date of the report or, if the report is published during intraday trading, the price referenced is indicative of the traded price as of the date and time of the report and in relation to a debt security (including equity preferred and CDS), prices are indicative as of the date and time of the report and are from various sources including BofA Securities trading desks.
The date and time of completion of the production of any recommendation in this report shall be the date and time of dissemination of this report as recorded in the report timestamp.

Recipients who are not institutional investors or market professionals should seek the advice of their independent financial advisor before considering information in this report in connection with any investment decision, or for a necessary explanation of its contents.
Officers of BofAS or one or more of its affiliates (other than research analysts) may have a financial interest in securities of the issuer(s) or in related investments.
Refer to BofA Global Research policies relating to conflicts of interest.
"BofA Securities" includes BofA Securities, Inc. ("BofAS") and its affiliates. Investors should contact their BofA Securities representative or Merrill Global Wealth Management financial advisor if they have questions concerning this report or concerning the appropriateness of any investment idea described herein for such investor. "BofA Securities" is a global brand for BofA Global Research.

General Investment Related Disclosures:
Taiwan Readers: Neither the information nor any opinion expressed herein constitutes an offer or a solicitation of an offer to transact in any securities or other financial instrument. No part of this report may be used or reproduced or quoted in any manner whatsoever in Taiwan by the press or any other person without the express written consent of BofA Securities.
This document provides general information only, and has been prepared for, and is intended for general distribution to, BofA Securities clients. Neither the information nor any opinion expressed constitutes an offer or an invitation to make an offer, to buy or sell any securities or other financial instrument or any derivative related to such securities or instruments (e.g., options, futures, warrants, and contracts for differences). This document is not intended to provide personal investment advice and it does not take into account the specific investment objectives, financial situation and the particular needs of, and is not directed to, any specific person(s). This document and its content do not constitute, and should not be considered to constitute, investment advice for purposes of ERISA, the US tax code, the Investment Advisers Act or otherwise. Investors should seek financial advice regarding the appropriateness of investing in financial instruments and implementing investment strategies discussed or recommended in this document and should understand that statements regarding future prospects may not be realized. Any decision to purchase or subscribe for securities in any offering must be based solely on existing public information on such security or the information in the prospectus or other offering document issued in connection with such offering, and not on this document.
Securities and other financial instruments referred to herein, or recommended, offered or sold by BofA Securities, are not insured by the Federal Deposit Insurance Corporation and are not deposits or other obligations of any insured depository institution (including, Bank of America, N.A.). Investments in general and, derivatives, in particular, involve numerous risks, including, among others, market risk, counterparty default risk and liquidity risk. No security, financial instrument or derivative is suitable for all investors. Digital assets are extremely speculative, volatile and are not regulated in a manner similar to U.S. securities markets. In some cases, securities and other financial instruments may be difficult to value or sell and reliable information about the value or risks related to the security or financial instrument may be difficult to obtain. Investors should note that income from such securities and other financial instruments, if any, may

fluctuate and that price or value of such securities and instruments may rise or fall and, in some cases, investors may lose their entire principal investment. Past performance is not necessarily a guide to future performance. Levels and basis for taxation may change.
This report may contain a short-term trading idea or recommendation, which highlights a specific near-term catalyst or event impacting the issuer or the market that is anticipated to have a short-term price impact on the equity securities of the issuer. Short-term trading ideas and recommendations are different from and do not affect a stock's fundamental equity rating, which reflects both a longer term total return expectation and attractiveness for investment relative to other stocks within its Coverage Cluster. Short-term trading ideas and recommendations may be more or less positive than a stock's fundamental equity rating.
BofA Securities is aware that the implementation of the ideas expressed in this report may depend upon an investor's ability to "short" securities or other financial instruments and that such action may be limited by regulations prohibiting or restricting "shortselling" in many jurisdictions. Investors are urged to seek advice regarding the applicability of such regulations prior to executing any short idea contained in this report.
Foreign currency rates of exchange may adversely affect the value, price or income of any security or financial instrument mentioned herein. Investors in such securities and instruments, including ADRs, effectively assume currency risk.
BofAS or one of its affiliates is a regular issuer of traded financial instruments linked to securities or digital assets that may have been recommended or discussed in this report. BofAS or one of its affiliates may, at any time, hold a trading position (long or short) in the securities and financial instruments recommended or discussed in this report.
BofA Securities, through business units other than BofA Global Research, may have issued and may in the future issue trading ideas or recommendations that are inconsistent with, and reach different conclusions from, the information presented herein. Such ideas or recommendations may reflect different time frames, assumptions, views and analytical methods of the persons who prepared them, and BofA Securities is under no obligation to ensure that such other trading ideas or recommendations are brought to the attention of any recipient of this information.
In the event that the recipient received this information pursuant to a contract between the recipient and BofAS for the provision of research services for a separate fee, and in connection therewith BofAS may be deemed to be acting as an investment adviser, such status relates, if at all, solely to the person with whom BofAS has contracted directly and does not extend beyond the delivery of this report (unless otherwise agreed specifically in writing by BofAS). If such recipient uses the services of BofAS in connection with the sale or purchase of a security referred to herein, BofAS may act as principal for its own account or as agent for another person. BofAS is and continues to act solely as a broker-dealer in connection with the execution of any transactions, including transactions in any securities referred to herein.

To the extent this material discusses any legal proceeding or issues, it has not been prepared as nor is it intended to express any legal conclusion, opinion or advice. Investors should consult their own legal advisers as to issues of law relating to the subject matter of this material. BofA Global Research personnel's knowledge of legal proceedings in which any BofA Securities entity and/or its directors, officers and employees may be plaintiffs, defendants, co-defendants or co-plaintiffs with or involving issuers mentioned in this material is based on public information. Facts and views presented in this material that relate to any such proceedings have not been reviewed by, discussed with, and may not reflect information known to, professionals in other business areas of BofA Securities in connection with the legal proceedings or matters relevant to such proceedings.
This information has been prepared independently of any issuer of securities mentioned herein and not in connection with any proposed offering of securities or as agent of any issuer of any securities. None of BofAS any of its affiliates or their research analysts has any authority whatsoever to make any representation or warranty on behalf of the issuer(s). BofA Global Research policy prohibits research personnel from disclosing a recommendation, investment rating, or investment thesis for review by an issuer prior to the publication of a research report containing such rating, recommendation or investment thesis.
Any information relating to sustainability in this material is limited as discussed herein and is not intended to provide a comprehensive view on any sustainability claim with respect to any issuer or security.
Any information relating to the tax status of financial instruments discussed herein is not intended to provide tax advice or to be used by anyone to provide tax advice. Investors are urged to seek tax advice based on their particular circumstances from an independent tax professional.
The information herein (other than disclosure information relating to BofA Securities and its affiliates) was obtained from various sources and we do not guarantee its accuracy. This information may contain links to third-party websites. BofA Securities is not responsible for the content of any third-party website or any linked content contained in a third-party website. Content contained on such third-party websites is not part of this information and is not incorporated by reference. The inclusion of a link does not imply any endorsement by or any affiliation with BofA Securities. Access to any third-party website is at your own risk, and you should always review the terms and privacy policies at third-party websites before submitting any personal information to them. BofA Securities is not responsible for such terms and privacy policies and expressly disclaims any liability for them.
All opinions, projections and estimates constitute the judgment of the author as of the date of publication and are subject to change without notice. Prices also are subject to change without notice. BofA Securities is under no obligation to update this information and BofA Securities ability to publish information on the subject issuer(s) in the future is subject to applicable quiet periods. You should therefore assume that BofA Securities will not update any fact, circumstance or opinion contained herein.
Subject to the quiet period applicable under laws of the various jurisdictions in which we distribute research reports and other legal and BofA Securities policy-related restrictions on the publication of research reports, fundamental equity reports are produced on a regular basis as necessary to keep the investment recommendation current.
Certain outstanding reports or investment opinions relating to securities, financial instruments and/or issuers may no longer be current. Always refer to the most recent research report relating to an issuer prior to making an investment decision.
In some cases, an issuer may be classified as Restricted or may be Under Review or Extended Review. In each case, investors should consider any investment opinion relating to such issuer (or its security and/or financial instruments) to be suspended or withdrawn and should not rely on the analyses and investment opinion(s) pertaining to such issuer (or its securities and/or financial instruments) nor should the analyses or opinion(s) be considered a solicitation of any kind. Sales persons and financial advisors affiliated with BofAS or any of its affiliates may not solicit purchases of securities or financial instruments that are Restricted or Under Review and may only solicit securities under Extended Review in accordance with firm policies.
Neither BofA Securities nor any officer or employee of BofA Securities accepts any liability whatsoever for any direct, indirect or consequential damages or losses arising from any use of this information.

BofA SECURITIES

Gold Circuit

Reiterate Buy: 3Q26 margin beat; ongoing sales/margin growth; trim PO to NT$1,250

Reiterate Rating: BUY | PO: 1,250 TWD | Price: 983.00 TWD

3Q26 beat: solid margins despite lighter sales

Gold Circuit (GCE)'s 3Q26 GM/OPM of 38.7%/30.6% exceeded BofAe of 35.9%/27.8% and consensus of 36.9%/28.9%, despite lighter sales (+22% QoQ, +67% YoY; 5%/3% below BofAe/consensus). OP (+48% QoQ, +95% YoY) was 4%/3% above BofAe/consensus. We attribute the strong core results to a still favorable mix and lower material cost burden. In 3Q26, AI made up 50%+ of sales, vs. 30-40%/40-50% in 1Q/2Q26. Server/networking comprised 77%/17% of 3Q26 sales, vs. 72-78%/15-20% in 1Q-2Q26. With a non-operating loss (details to be disclosed; likely FX loss in our view) amid a lighter tax rate, NP was 9%/7% above BofAe/consensus (Exhibit 3).

Sales momentum intact; margin expansion continues

We now expect 4Q26/1Q27 sales to rise 2%/3% QoQ & 2027/28 sales to rise 41%/31% YoY, driven by ASP growth (for spec upgrade and higher material cost) and ongoing capacity expansion in Taiwan/Thailand/China. GCE's Oct sales (+6% MoM, +76% YoY) reinforce our confidence in its order and project pipeline. We also note that the impacts from AWS' project pipeline change and shipping disruptions due to the flood in Thailand are fading. We now assume GM to expand from 36.8% in 2026E to 38.0%/38.3% in 2027/28E, after considering higher material cost pass-through, higher depreciation costs from new facilities, and higher upfront costs for making next-generation HDI products.

Cut PO to NT$1,250 with a lower P/E set-up; reiterate Buy

We trim 2026-27E EPS by 1-4% but lift 2028E EPS by 4%, mainly to reflect the 3Q26 results beat, stronger margin profile, but higher share count. We lower our PO to NT$1,250 (21x 2027E EPS) from NT$1,500 (25x 2027E EPS), with the valuation base unchanged and a lower P/E multiple. We apply 21x (c.1.5SD above P/E average since 2020), vs. prior 25x (2.5SD above) on valuation de-rating across AI supply chain amid macro uncertainty. Nevertheless, we reiterate Buy on GCE as a top ASIC server PCB maker, with all-time focus on high-end AI server/networking and expanding margins.

Estimates (Dec) (NT$)	2024A	2025A	2026E	2027E	2028E

Company Sector

Electronics

Company Description

Gold Circuit (GCE) is a PCB company in Taiwan with high exposure in server (74% of 2025 sales) and networking (15%). Key end-clients are global CSPs and US top networking/telecom names. Besides its headquarters, the company has production sites in Taoyuan (Taiwan), Suzhou (China), Jiangsu (China), and Thailand, with ongoing capacity expansion. GCE was established in 1981 and listed on the Taiwan stock market in March 1998.

Investment Rationale

We have a Buy rating on Gold Circuit, given (1) its high exposure and focus on better-margin server/networking business amid rising AI applications globally to keep high ASP/margin, (2) strong competitive advantages and high entry barrier as focusing on high-end products, (3) higher production flexibility after adding capacity in Thailand, (4) positive FCF/OCF since 2007/2019, respectively, with an improving balance sheet (from net debt to net cash) and expanding ROE.

BofA GLOBAL RESEARCH

Price objective basis & risk

Gold Circuit (GOCCF)
Our PO of NT$1,250 is based on 21x 2027E EPS. The 21x valuation multiple is around 1.5SD above the average level since 2020 when better-margin server business started to account for 50%+ of total sales, leading to an improved 20%+ GM profile. We believe the P/E multiple target can be justified by (1) strong AI PCB market demand, (2) GCE's high AI server exposure, (3) solid sales mix from better-margin server/networking business, and (4) ongoing margin expansion to historical high level.

Upside risks: (1) stronger server/networking market demand to drive ASP/margins, (2) better utilization rate, (3) faster capacity expansion in Thailand, (4) lower raw material/labor/logistics costs, and (5) favorable FX movement.

Downside risks: (1) ASIC platform delay, (2) weaker market demand amid inflation/macro uncertainties, (3) softer AI server demand due to AI chip short supply, (4) GM pressure from lower utilization rate, higher raw material/labor/logistics costs, and (5) unfavorable FX movement.

Analyst Certification

I, Doris Kao, hereby certify that the views expressed in this research report accurately reflect my personal views about the subject securities and issuers. I also certify that no part of my compensation was, is, or will be, directly or indirectly, related to the specific recommendations or view expressed in this research report.

Special Disclosures

Information on securities which are listed on the exchanges where ML Securities (Taiwan) Limited is not permitted to trade or solicit trades for clients is for informational purposes only and is not a recommendation or a solicitation to trade such securities. ML Securities (Taiwan) Limited will not execute transactions for nor accept orders from clients to trade such securities. Foreign investment in Taiwan securities is regulated and restricted. Currently, foreign investment in Taiwan securities is permitted by investment through: (1) global depository receipts, (2) convertible bonds, (3) mutual funds issued offshore of Taiwan, and (4) a special foreign institutional investors (FINIs) and foreign individual investors (FIDIs) program supervised by the Taiwan SFB whereunder FINIs/FIDIs may apply for investment ID to invest in Taiwan securities by registration with Taiwan Stock Exchange. FINIs will additionally need consent from the foreign exchange authority, ie, the Central Bank of China. In addition to the limitations above, various industry-specific percentage-based limitations on foreign ownership of Taiwan companies (and in some cases prohibitions) may apply. Investments are subject to exchange rate and currency conversion restrictions and risks. Dividends and interest earned by foreign investors' Taiwan securities/instruments are generally subject to a 20% withholding tax. Ordinary shares are not available to ML private client accounts in the U.S.

This report is distributed in Taiwan by Merrill Lynch Securities (Taiwan) Limited, which is regulated by the Taiwan SFB.

iQmethod℠ is the set of BofA Global Research standard measures that serve to maintain global consistency under three broad headings: Business Performance, Quality of Earnings, and validations. The key features of iQmethod are: A consistently structured, detailed, and transparent methodology. Guidelines to maximize the effectiveness of the comparative valuation process, and to identify some common pitfalls.
iQdatabase® is our real-time global research database that is sourced directly from our equity analysts' earnings models and includes forecasted as well as historical data for income statements, balance sheets, and cash flow statements for companies covered by BofA Global Research.

iQprofile℠, *iQmethod℠* are service marks of Bank of America Corporation. *iQdatabase®* is a registered service mark of Bank of America Corporation.

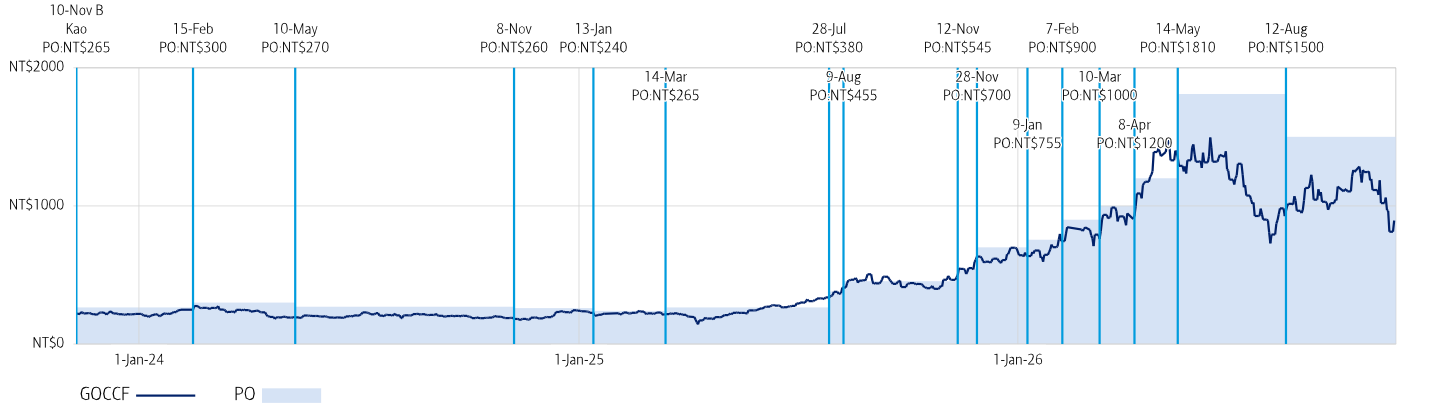
Gold Circuit (GOCCF) Price Chart



B: Buy, N: Neutral, U: Underperform, PO: Price Objective, NA: No longer valid, NR: No Rating

The Investment Opinion System is contained at the end of the report under the heading "Fundamental Equity Opinion Key". Dark grey shading indicates the security is restricted with the opinion suspended. Medium grey shading indicates the security is under review with the opinion withdrawn. Light grey shading indicates the security is not covered. Chart is current as of a date no more than one trading day prior to the date of the report.

Equity Investment Rating Distribution: Electronics Group (as of 30 Sep 2026)

Coverage Universe	Count	Percent	Inv. Banking Relationships [R1]	Count	Percent
Buy	41	65.08%	Buy	20	48.78%
Hold	9	14.29%	Hold	1	11.11%
Sell	13	20.63%	Sell	7	53.85%

Equity Investment Rating Distribution: Global Group (as of 30 Sep 2026)

Coverage Universe	Count	Percent	Inv. Banking Relationships [R1]	Count	Percent
Buy	2057	57.03%	Buy	1386	67.38%
Hold	806	22.35%	Hold	563	69.85%
Sell	744	20.63%	Sell	446	59.95%

[R1] Issuers that were investment banking clients of BofA Securities or one of its affiliates within the past 12 months. For purposes of this Investment Rating Distribution, the coverage universe includes only stocks. A stock rated Neutral is included as a Hold, and a stock rated Underperform is included as a Sell.

FUNDAMENTAL EQUITY OPINION KEY: Opinions include a Volatility Risk Rating, an Investment Rating and an Income Rating. VOLATILITY RISK RATINGS, indicators of potential price fluctuation, are: A - Low, B - Medium and C - High. INVESTMENT RATINGS reflect the analyst's assessment of both a stock's absolute total return potential as well as its attractiveness for investment relative to other stocks within its Coverage Cluster (defined below). Our investment ratings are: 1 - Buy stocks are expected to have a total return of at least 10% and are the most attractive stocks in the coverage cluster; 2 - Neutral stocks are expected to remain flat or increase in value and are less attractive than Buy rated stocks and 3 - Underperform stocks are the least attractive stocks in a coverage cluster. An investment rating of 6 (No Rating) indicates that a stock is no longer trading on the basis of fundamentals. Analysts assign investment ratings considering, among other things, the 0-12 month total return expectation for a stock and the firm's guidelines for ratings dispersions (shown in the table below). The current price objective for a stock should be referenced to better understand the total return expectation at any given time. The price objective reflects the analyst's view of the potential price appreciation (depreciation).

Investment rating	Total return expectation (within 12-month period of date of initial rating)	Ratings dispersion guidelines for coverage cluster[R2]
Buy	≥ 10%	≤ 70%
Neutral	≥ 0%	≤ 30%
Underperform	N/A	≥ 20%

[R2] Ratings dispersions may vary from time to time where BofA Global Research believes it better reflects the investment prospects of stocks in a Coverage Cluster.

INCOME RATINGS, indicators of potential cash dividends, are: 7 - same/higher (dividend considered to be secure), 8 - same/lower (dividend not considered to be secure) and 9 - pays no cash dividend. *Coverage Cluster* is comprised of stocks covered by a single analyst or two or more analysts sharing a common industry, sector, region or other classification(s). A stock's coverage cluster is included in the most recent BofA Global Research report referencing the stock.

Price Charts for the securities referenced in this research report are available on the Price Charts website, or call 1-800-MERRILL to have them mailed.
In the US, retail sales and/or distribution of this report may be made only in states where these securities are exempt from registration or have been qualified for sale: Gold Circuit.
The country in which this issuer is organized has certain laws or regulations that limit or restrict ownership of the issuer's shares by nationals of other countries: Gold Circuit.
BofA Global Research personnel (including the analyst(s) responsible for this report) receive compensation based upon, among other factors, the overall profitability of Bank of America Corporation, including profits derived from investment banking. The analyst(s) responsible for this report may also receive compensation based upon, among other factors, the overall profitability of the Bank's sales and trading businesses relating to the class of securities or financial instruments for which such analyst is responsible.

Other Important Disclosures

From time to time research analysts conduct site visits of covered issuers. BofA Global Research policies prohibit research analysts from accepting payment or reimbursement for travel

expenses from the issuer for such visits.
Prices are indicative and for information purposes only. Except as otherwise stated in the report, for any recommendation in relation to an equity security, the price referenced is the publicly traded price of the security as of close of business on the day prior to the date of the report or, if the report is published during intraday trading, the price referenced is indicative of the traded price as of the date and time of the report and in relation to a debt security (including equity preferred and CDS), prices are indicative as of the date and time of the report and are from various sources including BofA Securities trading desks.
The date and time of completion of the production of any recommendation in this report shall be the date and time of dissemination of this report as recorded in the report timestamp.

General Investment Related Disclosures:
Taiwan Readers: Neither the information nor any opinion expressed herein constitutes an offer or a solicitation of an offer to transact in any securities or other financial instrument. No part of this report may be used or reproduced or quoted in any manner whatsoever in Taiwan by the press or any other person without the express written consent of BofA Securities.
This document provides general information only, and has been prepared for, and is intended for general distribution to, BofA Securities clients. Neither the information nor any opinion expressed constitutes an offer or an invitation to make an offer, to buy or sell any securities or other financial instrument or any derivative related to such securities or instruments (e.g., options, futures, warrants, and contracts for differences). This document is not intended to provide personal investment advice and it does not take into account the specific investment objectives, financial situation and the particular needs of, and is not directed to, any specific person(s). This document and its content do not constitute, and should not be considered to constitute, investment advice for purposes of ERISA, the US tax code, the Investment Advisers Act or otherwise. Investors should seek financial advice regarding the appropriateness of investing in financial instruments and implementing investment strategies discussed or recommended in this document and should understand that statements regarding future prospects may not be realized. Any decision to purchase or subscribe for securities in any offering must be based solely on existing public information on such security or the information in the prospectus or other offering document issued in connection with such offering, and not on this document.
Securities and other financial instruments referred to herein, or recommended, offered or sold by BofA Securities, are not insured by the Federal Deposit Insurance Corporation and are not deposits or other obligations of any insured depository institution (including, Bank of America, N.A.). Investments in general and, derivatives, in particular, involve numerous risks, including, among others, market risk, counterparty default risk and liquidity risk. No security, financial instrument or derivative is suitable for all investors. Digital assets are extremely speculative, volatile and are not regulated in a manner similar to U.S. securities markets. In some cases, securities and other financial instruments may be difficult to value or sell and reliable information about the value or risks related to the security or financial instrument may be difficult to obtain. Investors should note that income from such securities and other financial instruments, if any, may fluctuate and that price or value of such securities and instruments may rise or fall and, in some cases, investors may lose their entire principal investment. Past performance is not necessarily a guide to future performance. Levels and basis for taxation may change.
This report may contain a short-term trading idea or recommendation, which highlights a specific near-term catalyst or event impacting the issuer or the market that is anticipated to have a short-term price impact on the equity securities of the issuer. Short-term trading ideas and recommendations are different from and do not affect a stock's fundamental equity rating, which reflects both a longer term total return expectation and attractiveness for investment relative to other stocks within its Coverage Cluster. Short-term trading ideas and recommendations may

be more or less positive than a stock's fundamental equity rating.
BofA Securities is aware that the implementation of the ideas expressed in this report may depend upon an investor's ability to "short" securities or other financial instruments and that such action may be limited by regulations prohibiting or restricting "shortselling" in many jurisdictions. Investors are urged to seek advice regarding the applicability of such regulations prior to executing any short idea contained in this report.
Foreign currency rates of exchange may adversely affect the value, price or income of any security or financial instrument mentioned herein. Investors in such securities and instruments, including ADRs, effectively assume currency risk.
BofAS or one of its affiliates is a regular issuer of traded financial instruments linked to securities or digital assets that may have been recommended or discussed in this report. BofAS or one of its affiliates may, at any time, hold a trading position (long or short) in the securities and financial instruments recommended or discussed in this report.
BofA Securities, through business units other than BofA Global Research, may have issued and may in the future issue trading ideas or recommendations that are inconsistent with, and reach different conclusions from, the information presented herein. Such ideas or recommendations may reflect different time frames, assumptions, views and analytical methods of the persons who prepared them, and BofA Securities is under no obligation to ensure that such other trading ideas or recommendations are brought to the attention of any recipient of this information.
In the event that the recipient received this information pursuant to a contract between the recipient and BofAS for the provision of research services for a separate fee, and in connection therewith BofAS may be deemed to be acting as an investment adviser, such status relates, if at all, solely to the person with whom BofAS has contracted directly and does not extend beyond the delivery of this report (unless otherwise agreed specifically in writing by BofAS). If such recipient uses the services of BofAS in connection with the sale or purchase of a security referred to herein, BofAS may act as principal for its own account or as agent for another person. BofAS is and continues to act solely as a broker-dealer in connection with the execution of any transactions, including transactions in any securities referred to herein.

As a result, BofA Securities does not disclose certain client relationships with, or compensation received from, such issuers. To the extent this material discusses any legal proceeding or issues, it has not been prepared as nor is it intended to express any legal conclusion, opinion or advice. Investors should consult their own legal advisers as to issues of law relating to the subject matter of this material. BofA Global Research personnel's knowledge of legal proceedings in which any BofA Securities entity and/or its directors, officers and employees may be plaintiffs, defendants, co-defendants or co-plaintiffs with or involving issuers mentioned in this material is based on public information. Facts and views presented in this material that relate to any such proceedings have not been reviewed by, discussed with, and may not reflect information known to, professionals in other business areas of BofA Securities in connection with the legal proceedings or matters relevant to such proceedings.
This information has been prepared independently of any issuer of securities mentioned herein and not in connection with any proposed offering of securities or as agent of any issuer of any securities. None of BofAS any of its affiliates or their research analysts has any authority whatsoever to make any representation or warranty on behalf of the issuer(s). BofA Global Research policy prohibits research personnel from disclosing a recommendation, investment rating, or investment thesis for review by an issuer prior to the publication of a research report containing such rating, recommendation or investment thesis.
Any information relating to sustainability in this material is limited as discussed herein and is not intended to provide a comprehensive view on any sustainability claim with respect to any issuer or security.
Any information relating to the tax status of financial instruments discussed herein is not intended to provide tax advice or to be used by anyone to provide tax advice. Investors are urged to seek tax advice based on their particular circumstances from an independent tax professional.
The information herein (other than disclosure information relating to BofA Securities and its affiliates) was obtained from various sources and we do not guarantee its accuracy. This information may contain links to third-party websites. BofA Securities is not responsible for the content of any third-party website or any linked content contained in a third-party website. Content contained on such third-party websites is not part of this information and is not incorporated by reference. The inclusion of a link does not imply any endorsement by or any affiliation with BofA Securities. Access to any third-party website is at your own risk, and you should always review the terms and privacy policies at third-party websites before submitting any personal information to them. BofA Securities is not responsible for such terms and privacy policies and expressly disclaims any liability for them.
All opinions, projections and estimates constitute the judgment of the author as of the date of publication and are subject to change without notice. Prices also are subject to change without notice. BofA Securities is under no obligation to update this information and BofA Securities ability to publish information on the subject issuer(s) in the future is subject to applicable quiet periods. You should therefore assume that BofA Securities will not update any fact, circumstance or opinion contained herein.
Subject to the quiet period applicable under laws of the various jurisdictions in which we distribute research reports and other legal and BofA Securities policy-related restrictions on the publication of research reports, fundamental equity reports are produced on a regular basis as necessary to keep the investment recommendation current.
Certain outstanding reports or investment opinions relating to securities, financial instruments and/or issuers may no longer be current. Always refer to the most recent research report relating to an issuer prior to making an investment decision.
In some cases, an issuer may be classified as Restricted or may be Under Review or Extended Review. In each case, investors should consider any investment opinion relating to such issuer (or its security and/or financial instruments) to be suspended or withdrawn and should not rely on the analyses and investment opinion(s) pertaining to such issuer (or its securities and/or financial instruments) nor should the analyses or opinion(s) be considered a solicitation of any kind. Sales persons and financial advisors affiliated with BofAS or any of its affiliates may not solicit purchases of securities or financial instruments that are Restricted or Under Review and may only solicit securities under Extended Review in accordance with firm policies.
Neither BofA Securities nor any officer or employee of BofA Securities accepts any liability whatsoever for any direct, indirect or consequential damages or losses arising from any use of this information.

Vanguard International Semiconductor Co

Robust 8" demand and pricing with solid 12" fab ramp

Reiterate Rating: BUY | PO: 250.00 TWD | Price: 132.00 TWD

3Q sales/margin supported by PMIC strength

Vanguard's 3Q26 sales rose 10.2% QoQ on the back of increased wafer shipments (up 5% QoQ), particularly for server and smartphone PMIC, and rising wafer prices (up 3% QoQ). As higher utilization of around 90% and a more favorable pricing and product mix more than offset rising manufacturing costs, the 3Q26 gross margin improved by 130bps QoQ, to 33.6%, bringing 3Q26 EPS to NT$1.62 (vs. BofAe/Street of NT$1.67/1.58).

4Q capacity bottleneck offset by ASP uplift

The company guided to 4Q26 sales growth of 5% QoQ at the midpoint, driven by a 1% QoQ increase in wafer shipments, with strong demand capped to some degree by tight capacity, and 4% higher ASPs QoQ, the stronger pricing reflecting rising costs. Assuming further utilization improvement above 90% amid this pricing strength, Vanguard expects the 4Q26 gross margin to expand to 35% at the midpoint, in line with BofAe.

Solid 8" growth and smooth 12" ramp drive '27-28 growth

We believe Vanguard's 8-inch utilization is on track to improve to the mid- to high 90s (%) in 1H27 and remain fully loaded from 2H27 on solid demand related to power IC for computing applications, while 12-inch VSMC should enter mass production from 1Q27, with utilization staying above 90% as capacity gradually expands to 44k WPM by 4Q28. Given the solid commitment from TSMC (interposer demand), the 12-inch margin profile should fare better than previously expected. This, coupled with an 8-inch price hike amid tight supply should drive GM expansion to 36% in 2027 (vs. 32.8% in 2026).

Decent EPS CAGR of 72% supports high valuation

Our EPS forecasts are largely unchanged at NT$6.17 in 2026, NT$10.33 in 2027, and NT$18.15 in 2028. We reiterate our Buy rating and PO of NT$250, still based on 17x 2H27-1H28e EPS (vs. the stock's historical 10-32x range) as a benign 8-inch supply-demand landscape and smooth 12-inch ramp-up support a 45% sales and 72% earnings CAGR over 2026-28e.

Estimates (Dec) (NT$)	2024A	2025A	2026E	2027E	2028E

Company Sector

Semiconductors

Company Description

Vanguard International Semiconductor Co is a pure 8-inch foundry headquartered in Hsinchu, Taiwan. The company has five fabs, one of which is in Singapore. Collectively, the capacity is now about 280k WPM, and the company focuses on fabricating power semiconductors and driver IC for both IDMs (integrated device manufacturers) and fabless customers.

Investment Rationale

We have a Buy rating on Vanguard as we expect an improvement in the overall 8-inch foundry supply/demand landscape from TSMC's retirement of some legacy capacity and limited new industry capacity additions. The higher utilization and pricing upcycle in 8-inch, coupled with enhanced mix from market share gains in Power IC, are likely to support sales and gross margin expansion.

BofA GLOBAL RESEARCH

Price objective basis & risk

Vanguard International Semiconductor Co (VGILF)
Our PO of NT$250 is based on 17x 2H27-1H28 EPS. This target multiple is slightly below the midpoint of Vanguard's historical range of 10-32x, reflecting both depreciation associated with the Singapore fab and Vanguard's increasing share in the Power IC market amid a utilization and pricing uptrend.

Downside risks:
(1) Higher cost burden if customers demand to move the production base to US and/or Europe.
(2) Slowdown of growth in auto market where the company has 10-20% revenue exposure.

Upside risks:
(1) Stronger-than-expected end market demand for power management IC (PMIC) and/or display driver IC (DDIC).
(2) Expedited market share gain due to the order shift by customers from China-based foundries.

Analyst Certification

I, Haas Liu, hereby certify that the views expressed in this research report accurately reflect my personal views about the subject securities and issuers. I also certify that no part of my compensation was, is, or will be, directly or indirectly, related to the specific recommendations or view expressed in this research report.

Special Disclosures

Information on securities which are listed on the exchanges where ML Securities (Taiwan) Limited is not permitted to trade or solicit trades for clients is for informational purposes only and is not a recommendation or a solicitation to trade such securities. ML Securities (Taiwan) Limited will not execute transactions for nor accept orders from clients to trade such securities. Foreign investment in Taiwan securities is regulated and restricted. Currently, foreign investment in Taiwan securities is permitted by investment through: (1) global depository receipts, (2) convertible bonds, (3) mutual funds issued offshore of Taiwan, and (4) a special foreign institutional investors (FINIs) and foreign individual investors (FIDIs) program supervised by the Taiwan SFB whereunder FINIs/FIDIs may apply for investment ID to invest in Taiwan securities by registration with Taiwan Stock Exchange. FINIs will additionally need consent from the foreign exchange authority, ie, the Central Bank of China. In addition to the limitations above, various industry-specific percentage-based limitations on foreign ownership of Taiwan companies (and in some cases prohibitions) may apply. Investments are subject to exchange rate and currency conversion restrictions and risks. Dividends and interest earned by foreign investors' Taiwan securities/instruments are generally subject to a 20% withholding tax. Ordinary shares are not available to ML private client accounts in the U.S.

This report is distributed in Taiwan by Merrill Lynch Securities (Taiwan) Limited, which is regulated by the Taiwan SFB.

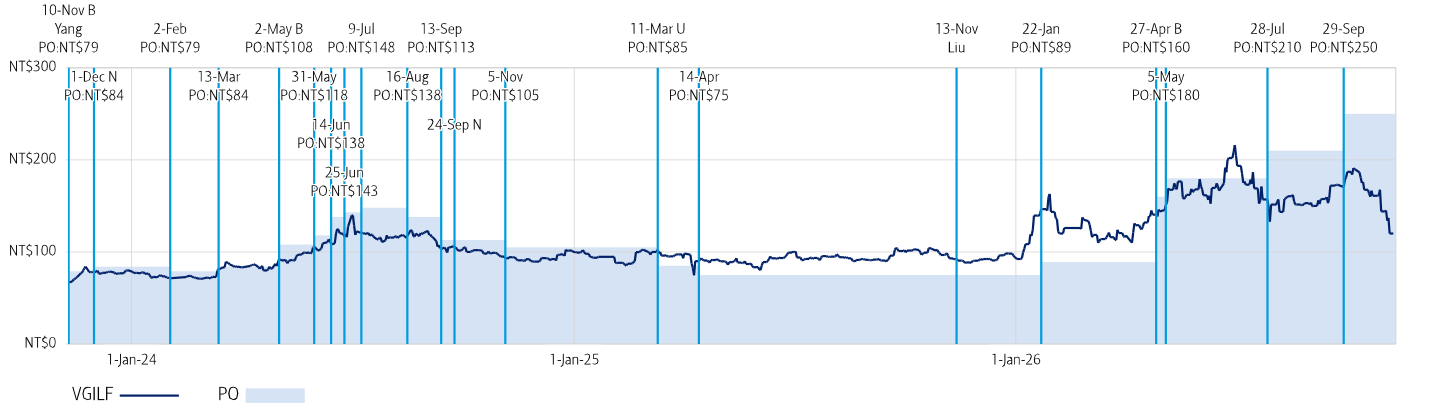
Vanguard (VIS) (VGILF) Price Chart



B: Buy, N: Neutral, U: Underperform, PO: Price Objective, NA: No longer valid, NR: No Rating

The Investment Opinion System is contained at the end of the report under the heading "Fundamental Equity Opinion Key". Dark grey shading indicates the security is restricted with the opinion suspended. Medium grey shading indicates the security is under review with the opinion withdrawn. Light grey shading indicates the security is not covered. Chart is current as of a date no more than one trading day prior to the date of the report.

Equity Investment Rating Distribution: Technology Group (as of 30 Sep 2026)

Coverage Universe	Count	Percent	Inv. Banking Relationships [R1]	Count	Percent
Buy	255	62.04%	Buy	157	61.57%
Hold	82	19.95%	Hold	46	56.10%
Sell	74	18.00%	Sell	31	41.89%

Equity Investment Rating Distribution: Global Group (as of 30 Sep 2026)

Coverage Universe	Count	Percent	Inv. Banking Relationships [R1]	Count	Percent
Buy	2057	57.03%	Buy	1386	67.38%
Hold	806	22.35%	Hold	563	69.85%
Sell	744	20.63%	Sell	446	59.95%

[R1] Issuers that were investment banking clients of BofA Securities or one of its affiliates within the past 12 months. For purposes of this Investment Rating Distribution, the coverage universe includes only stocks. A stock rated Neutral is included as a Hold, and a stock rated Underperform is included as a Sell.

FUNDAMENTAL EQUITY OPINION KEY: Opinions include a Volatility Risk Rating, an Investment Rating and an Income Rating. VOLATILITY RISK RATINGS, indicators of potential price fluctuation, are: A - Low, B - Medium and C - High. INVESTMENT RATINGS reflect the analyst's assessment of both a stock's absolute total return potential as well as its attractiveness for investment relative to other stocks within its Coverage Cluster (defined below). Our investment ratings are: 1 - Buy stocks are expected to have a total return of at least 10% and are the most attractive stocks in the coverage cluster; 2 - Neutral stocks are expected to remain flat or increase in value and are less attractive than Buy rated stocks and 3 - Underperform stocks are the least attractive stocks in a coverage cluster. An investment rating of 6 (No Rating) indicates that a stock is no longer trading on the basis of fundamentals. Analysts assign investment ratings considering, among other things, the 0-12 month total return expectation for a stock and the firm's guidelines for ratings dispersions (shown in the table below). The current price objective for a stock should be referenced to better understand the total return expectation at any given time. The price objective reflects the analyst's view of the potential price appreciation (depreciation).

Investment rating	Total return expectation (within 12-month period of date of initial rating)	Ratings dispersion guidelines for coverage cluster[R2]
Buy	≥ 10%	≤ 70%
Neutral	≥ 0%	≤ 30%
Underperform	N/A	≥ 20%

[R2] Ratings dispersions may vary from time to time where BofA Global Research believes it better reflects the investment prospects of stocks in a Coverage Cluster.

INCOME RATINGS, indicators of potential cash dividends, are: 7 - same/higher (dividend considered to be secure), 8 - same/lower (dividend not considered to be secure) and 9 - pays no cash dividend. *Coverage Cluster* is comprised of stocks covered by a single analyst or two or more analysts sharing a common industry, sector, region or other classification(s). A stock's coverage cluster is included in the most recent BofA Global Research report referencing the stock.

Price Charts for the securities referenced in this research report are available on the Price Charts website, or call 1-800-MERRILL to have them mailed.
In the US, retail sales and/or distribution of this report may be made only in states where these securities are exempt from registration or have been qualified for sale: Vanguard (VIS).
The country in which this issuer is organized has certain laws or regulations that limit or restrict ownership of the issuer's shares by nationals of other countries: Vanguard (VIS).
BofA Global Research personnel (including the analyst(s) responsible for this report) receive compensation based upon, among other factors, the overall profitability of Bank of America Corporation, including profits derived from investment banking. The analyst(s) responsible for this report may also receive compensation based upon, among other factors, the overall profitability of the Bank's sales and trading businesses relating to the class of securities or financial instruments for which such analyst is responsible.

Other Important Disclosures

From time to time research analysts conduct site visits of covered issuers. BofA Global Research policies prohibit research analysts from accepting payment or reimbursement for travel

expenses from the issuer for such visits.
Prices are indicative and for information purposes only. Except as otherwise stated in the report, for any recommendation in relation to an equity security, the price referenced is the publicly traded price of the security as of close of business on the day prior to the date of the report or, if the report is published during intraday trading, the price referenced is indicative of the traded price as of the date and time of the report and in relation to a debt security (including equity preferred and CDS), prices are indicative as of the date and time of the report and are from various sources including BofA Securities trading desks.
The date and time of completion of the production of any recommendation in this report shall be the date and time of dissemination of this report as recorded in the report timestamp.

Recipients who are not institutional investors or market professionals should seek the advice of their independent financial advisor before considering information in this report in connection with any investment decision, or for a necessary explanation of its contents.
Officers of BofAS or one or more of its affiliates (other than research analysts) may have a financial interest in securities of the issuer(s) or in related investments.
Refer to BofA Global Research policies relating to conflicts of interest.
"BofA Securities" includes BofA Securities, Inc. ("BofAS") and its affiliates. Investors should contact their BofA Securities representative or Merrill Global Wealth Management financial advisor if they have questions concerning this report or concerning the appropriateness of any investment idea described herein for such investor. "BofA Securities" is a global brand for BofA Global Research.

General Investment Related Disclosures:
Taiwan Readers: Neither the information nor any opinion expressed herein constitutes an offer or a solicitation of an offer to transact in any securities or other financial instrument. No part of this report may be used or reproduced or quoted in any manner whatsoever in Taiwan by the press or any other person without the express written consent of BofA Securities.
This document provides general information only, and has been prepared for, and is intended for general distribution to, BofA Securities clients. Neither the information nor any opinion expressed constitutes an offer or an invitation to make an offer, to buy or sell any securities or other financial instrument or any derivative related to such securities or instruments (e.g., options, futures, warrants, and contracts for differences). This document is not intended to provide personal investment advice and it does not take into account the specific investment objectives, financial situation and the particular needs of, and is not directed to, any specific person(s). This document and its content do not constitute, and should not be considered to constitute, investment advice for purposes of ERISA, the US tax code, the Investment Advisers Act or otherwise. Investors should seek financial advice regarding the appropriateness of investing in financial instruments and implementing investment strategies discussed or recommended in this document and should understand that statements regarding future prospects may not be realized. Any decision to purchase or subscribe for securities in any offering must be based solely on existing public information on such security or the information in the prospectus or other offering document issued in connection with such offering, and not on this document.
Securities and other financial instruments referred to herein, or recommended, offered or sold by BofA Securities, are not insured by the Federal Deposit Insurance Corporation and are not deposits or other obligations of any insured depository institution (including, Bank of America, N.A.). Investments in general and, derivatives, in particular, involve numerous risks, including, among others, market risk, counterparty default risk and liquidity risk. No security, financial instrument or derivative is suitable for all investors. Digital assets are extremely speculative, volatile and are not regulated in a manner similar to U.S. securities markets. In some cases, securities and other financial instruments may be difficult to value or sell and reliable information about the value or risks related to the security or financial instrument may be difficult to obtain. Investors should note that income from such securities and other financial instruments, if any, may fluctuate and that price or value of such securities and instruments may rise or fall and, in some cases, investors may lose their entire principal investment. Past performance is not necessarily a guide to future performance. Levels and basis for taxation may change.
This report may contain a short-term trading idea or recommendation, which highlights a specific near-term catalyst or event impacting the issuer or the market that is anticipated to have a short-term price impact on the equity securities of the issuer. Short-term trading ideas and recommendations are different from and do not affect a stock's fundamental equity rating, which reflects both a longer term total return expectation and attractiveness for investment relative to other stocks within its Coverage Cluster. Short-term trading ideas and recommendations may

be more or less positive than a stock's fundamental equity rating.
BofA Securities is aware that the implementation of the ideas expressed in this report may depend upon an investor's ability to "short" securities or other financial instruments and that such action may be limited by regulations prohibiting or restricting "shortselling" in many jurisdictions. Investors are urged to seek advice regarding the applicability of such regulations prior to executing any short idea contained in this report.
Foreign currency rates of exchange may adversely affect the value, price or income of any security or financial instrument mentioned herein. Investors in such securities and instruments, including ADRs, effectively assume currency risk.
BofAS or one of its affiliates is a regular issuer of traded financial instruments linked to securities or digital assets that may have been recommended or discussed in this report. BofAS or one of its affiliates may, at any time, hold a trading position (long or short) in the securities and financial instruments recommended or discussed in this report.
BofA Securities, through business units other than BofA Global Research, may have issued and may in the future issue trading ideas or recommendations that are inconsistent with, and reach different conclusions from, the information presented herein. Such ideas or recommendations may reflect different time frames, assumptions, views and analytical methods of the persons who prepared them, and BofA Securities is under no obligation to ensure that such other trading ideas or recommendations are brought to the attention of any recipient of this information.
In the event that the recipient received this information pursuant to a contract between the recipient and BofAS for the provision of research services for a separate fee, and in connection therewith BofAS may be deemed to be acting as an investment adviser, such status relates, if at all, solely to the person with whom BofAS has contracted directly and does not extend beyond the delivery of this report (unless otherwise agreed specifically in writing by BofAS). If such recipient uses the services of BofAS in connection with the sale or purchase of a security referred to herein, BofAS may act as principal for its own account or as agent for another person. BofAS is and continues to act solely as a broker-dealer in connection with the execution of any transactions, including transactions in any securities referred to herein.

Facts and views presented in this material have not been reviewed by, and may not reflect information known to, professionals in other business areas of BofA Securities, including investment banking personnel. BofA Securities has established information barriers between BofA Global Research and certain business groups. As a result, BofA Securities does not disclose certain client relationships with, or compensation received from, such issuers. To the extent this material discusses any legal proceeding or issues, it has not been prepared as nor is it intended to express any legal conclusion, opinion or advice. Investors should consult their own legal advisers as to issues of law relating to the subject matter of this material. BofA Global Research personnel's knowledge of legal proceedings in which any BofA Securities entity and/or its directors, officers and employees may be plaintiffs, defendants, co-defendants or co-plaintiffs with or involving issuers mentioned in this material is based on public information. Facts and views presented in this material that relate to any such proceedings have not been reviewed by, discussed with, and may not reflect information known to, professionals in other business areas of BofA Securities in connection with the legal proceedings or matters relevant to such proceedings.
This information has been prepared independently of any issuer of securities mentioned herein and not in connection with any proposed offering of securities or as agent of any issuer of any securities. None of BofAS any of its affiliates or their research analysts has any authority whatsoever to make any representation or warranty on behalf of the issuer(s). BofA Global Research policy prohibits research personnel from disclosing a recommendation, investment rating, or investment thesis for review by an issuer prior to the publication of a research report containing such rating, recommendation or investment thesis.
Any information relating to sustainability in this material is limited as discussed herein and is not intended to provide a comprehensive view on any sustainability claim with respect to any issuer or security.
Any information relating to the tax status of financial instruments discussed herein is not intended to provide tax advice or to be used by anyone to provide tax advice. Investors are urged to seek tax advice based on their particular circumstances from an independent tax professional.
The information herein (other than disclosure information relating to BofA Securities and its affiliates) was obtained from various sources and we do not guarantee its accuracy. This information may contain links to third-party websites. BofA Securities is not responsible for the content of any third-party website or any linked content contained in a third-party website. Content contained on such third-party websites is not part of this information and is not incorporated by reference. The inclusion of a link does not imply any endorsement by or any affiliation with BofA Securities. Access to any third-party website is at your own risk, and you should always review the terms and privacy policies at third-party websites before submitting any personal information to them. BofA Securities is not responsible for such terms and privacy policies and expressly disclaims any liability for them.
All opinions, projections and estimates constitute the judgment of the author as of the date of publication and are subject to change without notice. Prices also are subject to change without notice. BofA Securities is under no obligation to update this information and BofA Securities ability to publish information on the subject issuer(s) in the future is subject to applicable quiet periods. You should therefore assume that BofA Securities will not update any fact, circumstance or opinion contained herein.
Subject to the quiet period applicable under laws of the various jurisdictions in which we distribute research reports and other legal and BofA Securities policy-related restrictions on the publication of research reports, fundamental equity reports are produced on a regular basis as necessary to keep the investment recommendation current.
Certain outstanding reports or investment opinions relating to securities, financial instruments and/or issuers may no longer be current. Always refer to the most recent research report relating to an issuer prior to making an investment decision.
In some cases, an issuer may be classified as Restricted or may be Under Review or Extended Review. In each case, investors should consider any investment opinion relating to such issuer (or its security and/or financial instruments) to be suspended or withdrawn and should not rely on the analyses and investment opinion(s) pertaining to such issuer (or its securities and/or financial instruments) nor should the analyses or opinion(s) be considered a solicitation of any kind. Sales persons and financial advisors affiliated with BofAS or any of its affiliates may not solicit purchases of securities or financial instruments that are Restricted or Under Review and may only solicit securities under Extended Review in accordance with firm policies.
Neither BofA Securities nor any officer or employee of BofA Securities accepts any liability whatsoever for any direct, indirect or consequential damages or losses arising from any use of this information.

Morgan Stanley | RESEARCH

UPDATE

November 10, 2026 03:35 PM GMT

AllRing Tech Co. | Asia Pacific

3Q26 margin miss from product mix

AlphaSignals Earnings Reaction

Unchanged	Modest shortfall	Largely unchanged
Impact to our thesis	Financial results versus consensus	Direction of next 12-month consensus EPS

Source: Company data, Morgan Stanley Research

Key Takeaways

- 2027 revenue still mostly comes from CoWoS demand, with several new customers and tool shipment starting.
- We view valuation as attractive: P/E of 21x our 2027 estimate, with 2026-2028e revenue CAGR >40%.
- Thus, we stay OW on AllRing.

3Q26 earnings missed our estimate by 13% and consensus by 16%, given less favorable product mix... There was less inspection (gross margin >60%) but more automation tools (gross margin ~40%).

...as well as weaker subsidiary company performance.

Looking into 4Q26, we expect gross margin to recover to >50% from improving product mix: However, this will still be slightly offset by new product shipped to the OSATs, which carries lower margin in the early ramping phase.

We think CoWoS should still account for 70-80% of 2027e total revenue – with other new customers and tools, including a US customer, CPO, and CoW process. We think CPO could account for 15-20% of 2027e revenue, with shipments up >10x from 2026.

Exhibit 1: AllRing: 3Q26 Earnings Review

NT$ mn	Actual 3Q26	QoQ	YoY	MS 3Q26e	Diff.%	Consensus	Diff.%

Valuation Methodology and Risks

AllRing Tech Co. (6187.TWO)

Base case, residual income model. Our key assumptions are:

- Cost of equity (CoE) of 8%, derived from a risk-free rate of 2.0%, beta of 1.0, and a market risk premium of 6.0%.
- Intermediate growth rate of 16%.
- Cash dividend payout of 65%
- Terminal growth rate of 4.5%.

Risks to Upside

- Stronger-than-expected CoWoS capacity expansion
- Faster-than-expected adoption of silicon photonics
- Market share gains from peers, led by continuous R&D and China's localization trend

Risks to Downside

- Slowdown in CoWoS capacity expansion
- Allring's "WoS" market share declining
- Slowdown in technology migration such as SoIC and silicon photonics adoption

Important Regulatory Disclosures on Subject Companies

As of October 30, 2026, Morgan Stanley beneficially owned 1% or more of a class of common equity securities of the following companies covered in Morgan Stanley Research: ACM Research Inc, Advanced Micro-Fabrication Equipment Inc, Advanced Wireless Semiconductor Co, Alchip Technologies Ltd, **AllRing Tech Co.**, AP Memory Technology Corp, ASE Technology Holding Co. Ltd., ASMedia Technology Inc, ASMPT Ltd, Aspeed Technology, Cambricon Technology Corporation, eMemory Technology Inc, GigaDevice Semiconductor Beijing Inc, Gudeng Precision, Hua Hong Semiconductor Ltd, Macronix International Co Ltd, Montage Technology Co Ltd, NAURA Technology Group Co Ltd, Nuvoton Technology Corporation, Parade Technologies Ltd, Phison Electronics Corp, Powerchip Semiconductor Manufacturing Co, SG Micro Corp., Shanghai Fudan Microelectronics, SICC Co Ltd, Silergy Corp., Silicon Motion, StarPower Semiconductor Ltd, TSMC, UMC, Vanguard International Semiconductor, WIN Semiconductors Corp, WPG Holdings, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley managed or co-managed a public offering (or 144A offering) of securities of Alchip Technologies Ltd, Iluvatar CoreX Semiconductor Co., Ltd., MediaTek, Montage Technology Co Ltd, Powerchip Semiconductor Manufacturing Co, UMC.

Within the last 12 months, Morgan Stanley has received compensation for investment banking services from ASMPT Ltd, Iluvatar CoreX Semiconductor Co., Ltd., MediaTek, Montage Technology Co Ltd, Powerchip Semiconductor Manufacturing Co, Silicon Motion, UMC.

In the next 3 months, Morgan Stanley expects to receive or intends to seek compensation for investment banking services from Advanced Micro-Fabrication Equipment Inc, Alchip Technologies Ltd, AP Memory Technology Corp, ASE Technology Holding Co. Ltd., ASMedia Technology Inc, ASMPT Ltd, Aspeed Technology, CXMT Corp, Espressif Systems, GigaDevice Semiconductor Beijing Inc, GlobalWafers Co Ltd, Gudeng Precision, Himax Technologies Inc, Hua Hong Semiconductor Ltd, Iluvatar CoreX Semiconductor Co., Ltd., Innoscience, King Yuan Electronics Co Ltd, Macronix International Co Ltd, MediaTek, MetaX Integrated Circuits, Montage Technology Co Ltd, Novatek, Parade Technologies Ltd, Phison Electronics Corp, Powerchip Semiconductor Manufacturing Co, Realtek Semiconductor, SG Micro Corp., SICC Co Ltd, Silergy Corp., Silicon Motion, TSMC, UMC, Universal Scientific Ind. (Shanghai), Vanguard International Semiconductor, Winbond Electronics Corp, WPG Holdings, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley has received compensation for products and services other than investment banking services from ASE Technology Holding Co. Ltd., King Yuan Electronics Co Ltd, MediaTek, Nanya Technology Corp., Novatek, Nuvoton Technology Corporation, Realtek Semiconductor, Silicon Motion, SMIC, TSMC, UMC, Universal Scientific Ind. (Shanghai), Winbond Electronics Corp, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley has provided or is providing investment banking services to, or has an investment banking client relationship with, the following company: Advanced Micro-Fabrication Equipment Inc, Alchip Technologies Ltd, AP Memory Technology Corp, ASE Technology Holding Co. Ltd., ASMedia Technology Inc, ASMPT Ltd, Aspeed Technology, CXMT Corp, Espressif Systems, GigaDevice Semiconductor Beijing Inc, GlobalWafers Co Ltd, Gudeng Precision, Himax Technologies Inc, Hua Hong Semiconductor Ltd, Iluvatar CoreX Semiconductor Co., Ltd., Innoscience, King Yuan Electronics Co Ltd, Macronix International Co Ltd, MediaTek, MetaX Integrated Circuits, Montage Technology Co Ltd, Novatek, Parade Technologies Ltd, Phison Electronics Corp, Powerchip Semiconductor Manufacturing Co, Realtek Semiconductor, SG Micro Corp., SICC Co Ltd, Silergy Corp., Silicon Motion, TSMC, UMC, Universal Scientific Ind. (Shanghai), Vanguard International Semiconductor, Winbond Electronics Corp, WPG Holdings, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley has either provided or is providing non-investment banking, securities-related services to and/or in the past has entered into an agreement to provide services or has a client relationship with the following company: ASE Technology Holding Co. Ltd., Iluvatar CoreX Semiconductor Co., Ltd., King Yuan Electronics Co Ltd, MediaTek, Montage Technology Co Ltd, Nanya Technology Corp., Novatek, Nuvoton Technology Corporation, Realtek Semiconductor, Silicon Motion, SMIC, TSMC, UMC, Universal Scientific Ind. (Shanghai), Winbond Electronics Corp, WT Microelectronics Co. Ltd..

Morgan Stanley & Co. LLC makes a market in the securities of ACM Research Inc.

The equity research analysts or strategists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality

of research, investor client feedback, stock picking, competitive factors, firm revenues and overall investment banking revenues. Equity Research analysts' or strategists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.
Morgan Stanley and its affiliates do business that relates to companies/instruments covered in Morgan Stanley Research, including market making, providing liquidity, fund management, commercial banking, extension of credit, investment services and investment banking. Morgan Stanley sells to and buys from customers the securities/instruments of companies covered in Morgan Stanley Research on a principal basis. Morgan Stanley may have a position in the debt of the Company or instruments discussed in this report. Morgan Stanley trades or may trade as principal in the debt securities (or in related derivatives) that are the subject of the debt research report.
Certain disclosures listed above are also for compliance with applicable regulations in non-US jurisdictions.

STOCK RATINGS

Morgan Stanley uses a relative rating system using terms such as Overweight, Equal-weight, Not-Rated or Underweight (see definitions below). Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold and sell. Investors should carefully read the definitions of all ratings used in Morgan Stanley Research. In addition, since Morgan Stanley Research contains more complete information concerning the analyst's views, investors should carefully read Morgan Stanley Research, in its entirety, and not infer the contents from the rating alone. In any case, ratings (or research) should not be used or relied upon as investment advice. An investor's decision to buy or sell a stock should depend on individual circumstances (such as the investor's existing holdings) and other considerations.

Global Stock Ratings Distribution

(as of October 31, 2026)
The Stock Ratings described below apply to Morgan Stanley's Fundamental Equity Research and do not apply to Debt Research produced by the Firm.
For disclosure purposes only (in accordance with FINRA requirements), we include the category headings of Buy, Hold, and Sell alongside our ratings of Overweight, Equal-weight, Not-Rated and Underweight. Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold, and sell but represent recommended relative weightings (see definitions below). To satisfy regulatory requirements, we correspond Overweight, our most positive stock rating, with a buy recommendation; we correspond Equal-weight and Not-Rated to hold and Underweight to sell recommendations, respectively.

	Coverage Universe		Investment Banking Clients (IBC)			Other Material Investment Services Clients (MISC)	
Stock Rating Category	Count	% of Total	Count	% of Total IBC	% of Rating Category	Count	% of Total Other MISC
Overweight/Buy	1575	43%	460	49%	29%	742	44%
Equal-weight/Hold	1537	42%	393	42%	26%	720	43%
Not-Rated/Hold	2	0%	1	0%	50%	1	0%
Underweight/Sell	570	15%	92	10%	16%	218	13%
Total	3,684		946			1681	

Data include common stock and ADRs currently assigned ratings. Investment Banking Clients are companies from whom Morgan Stanley received investment banking compensation in the last 12 months. Due to rounding off of decimals, the percentages provided in the "% of total" column may not add up to exactly 100 percent.

Analyst Stock Ratings

Overweight (O). The stock's total return is expected to exceed the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Equal-weight (E). The stock's total return is expected to be in line with the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Not-Rated (NR). Currently the analyst does not have adequate conviction about the stock's total return relative to the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Underweight (U). The stock's total return is expected to be below the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Unless otherwise specified, the time frame for price targets included in Morgan Stanley Research is 12 to 18 months.

Analyst Industry Views

Attractive (A): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be attractive vs. the relevant broad market benchmark, as indicated below.

Important Disclosures for Morgan Stanley Smith Barney LLC Customers

Important disclosures regarding any material conflict of interest that can reasonably be expected to have influenced Morgan Stanley Smith Barney LLC's choice of a third-party research provider or the subject company of a third-party research report, are available on the Morgan Stanley Wealth Management disclosure website at www.morganstanley.com/online/researchdisclosures. For Morgan Stanley specific disclosures, you may refer to https://www.morganstanley.com/eqr/disclosures/webapp/generalresearch.

Each Morgan Stanley research report is reviewed and approved on behalf of Morgan Stanley Smith Barney LLC. This review and approval is conducted by the same person who reviews the research report on behalf of Morgan Stanley. This could create a conflict of interest.

Other Important Disclosures

Morgan Stanley Research policy is to update research reports as and when the Research Analyst and Research Management deem appropriate, based on developments with the issuer, the sector, or the market that may have a material impact on the research views or opinions stated therein. In addition, certain Research publications are intended to be updated on a regular periodic basis (weekly/monthly/quarterly/annual) and will ordinarily be updated with that frequency, unless the Research Analyst and Research Management determine that a different publication schedule is appropriate based on current conditions.

Morgan Stanley is not acting as a municipal advisor and the opinions or views contained herein are not intended to be, and do not constitute, advice within the meaning of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Morgan Stanley produces an equity research product called a "Tactical Idea." Views contained in a "Tactical Idea" on a particular stock may be contrary to the recommendations or views expressed in research on the same stock. This may be the result of differing time horizons, methodologies, market events, or other factors. For all research available on a particular stock, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Morgan Stanley Research is provided to our clients through our proprietary research portal on Matrix and also distributed electronically by Morgan Stanley to clients. Certain, but not all, Morgan Stanley Research products are also made available to clients through third-party vendors or redistributed to clients through alternate electronic means as a convenience. For access to all available Morgan Stanley Research, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Any access and/or use of Morgan Stanley Research is subject to Morgan Stanley's Terms of Use (http://www.morganstanley.com/terms.html). By accessing and/or using Morgan Stanley Research, you are indicating that you have read and agree to be bound by our Terms of Use (http://www.morganstanley.com/terms.html). In addition you consent to Morgan Stanley processing your personal data and using cookies in accordance with our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html), including for the purposes of setting your preferences and to collect readership data so that we can deliver better and more personalized service and products to you. To find out more information about how Morgan Stanley processes personal data, how we use cookies and how to reject cookies see our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html). Please use the provided link to review the Terms and Conditions and Most Important Terms and Conditions for Morgan Stanley India Company Private Limited (https://www.morganstanley.com/assets/pdfs/about-us-global-offices/india/Terms_and_conditions.pdf) and the following link to review the audit report (https://ny.matrix.ms.com/eqr/research/webapp/researchdocs/MSICPL_Morgan_Stanley_Research_Audit_Report.pdf).

If you do not agree to our Terms of Use and/or if you do not wish to provide your consent to Morgan Stanley processing your personal data or using cookies please do not access our research. Morgan Stanley Research does not provide individually tailored investment advice. Morgan Stanley Research has been prepared without regard to the circumstances and objectives of those who receive it. Morgan Stanley recommends that investors independently evaluate particular investments and strategies, and encourages investors to seek the advice of a financial adviser.

The appropriateness of an investment or strategy will depend on an investor's circumstances and objectives. The securities, instruments, or strategies discussed in Morgan Stanley Research may not be suitable for all investors, and certain investors may not be eligible to purchase or participate in some or all of them. Morgan Stanley Research is not an offer to buy or sell or the solicitation of an offer to buy or sell any security/instrument or to participate in any particular trading strategy. The value of and income from your investments may vary because of changes in interest rates, foreign exchange rates, default rates, prepayment rates, securities/instruments prices, market indexes, operational or financial conditions of companies or other factors. There may be time limitations on the exercise of options or other rights in securities/instruments transactions. Past performance is not necessarily a guide to future performance. Estimates of future performance are based on assumptions that may not be realized. If provided, and unless otherwise stated, the closing price on the cover page is that of the primary exchange for the subject company's securities/instruments.

The fixed income research analysts, strategists or economists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality, accuracy and value of research, firm profitability or revenues (which include fixed income trading and capital markets profitability or revenues), client feedback and competitive factors. Fixed Income Research analysts', strategists' or economists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.

The "Important Regulatory Disclosures on Subject Companies" section in Morgan Stanley Research lists all companies mentioned where Morgan Stanley owns 1% or more of a class of common equity securities of the companies. For all other companies mentioned in Morgan Stanley Research, Morgan Stanley may have an investment of less than 1% in securities/instruments or derivatives of securities/instruments of companies and may trade them in ways different from those discussed in Morgan Stanley Research. Employees of Morgan Stanley not involved in the preparation of Morgan Stanley Research may have investments in securities/instruments or derivatives of securities/instruments of companies mentioned and may trade them in ways different from those discussed in Morgan Stanley Research. Derivatives may be issued by Morgan Stanley or associated persons.

With the exception of information regarding Morgan Stanley, Morgan Stanley Research is based on public information. Morgan Stanley makes every effort to use reliable, comprehensive information, but we make no representation that it is accurate or complete. We have no obligation to tell you when opinions or information in Morgan Stanley Research change apart from when we intend to discontinue equity research coverage of a subject company. Facts and views presented in Morgan Stanley Research have not been reviewed by, and may not reflect information known to, professionals in other Morgan Stanley business areas, including investment banking personnel.

Morgan Stanley Research personnel may participate in company events such as site visits and are generally prohibited from accepting payment by the company of associated expenses unless pre-approved by authorized members of Research management.

Morgan Stanley may make investment decisions that are inconsistent with the recommendations or views in this report.

To our readers based in Taiwan or trading in Taiwan securities/instruments: Information on securities/instruments that trade in Taiwan is distributed by Morgan Stanley Taiwan Limited ("MSTL"). Such information is for your reference only. The reader should independently evaluate the investment risks and is solely responsible for their investment decisions. Morgan Stanley Research may not be distributed to the public media or quoted or used by the public media without the express written consent of Morgan Stanley. Any non-customer reader within the scope of Article 7-1 of the Taiwan Stock Exchange Recommendation Regulations accessing and/or receiving Morgan Stanley Research is not permitted to provide Morgan Stanley Research to any third party (including but not limited to related parties, affiliated companies and any other third parties) or engage in any activities regarding Morgan Stanley Research which may create or give the appearance of creating a conflict of interest. Information on securities/instruments that do not trade in Taiwan is for informational purposes only and is not to be construed as a recommendation or a solicitation to trade in such securities/instruments. MSTL may not execute transactions for clients in these securities/instruments.

Source: Company data, Morgan Stanley Research

We expect ongoing margin expansion in 4Q26 and 2027, on improving product mix and pricing adjustments, but we lower our medium-term growth rate to bake in some conservatism. The stock still looks attractive at ~13.5x 2027e P/E. Stay OW.

See our 3Q26 results recap: 3Q26 Results Summary

4Q preview – revenue growth and margin expansion: We estimate 4Q revenue will rise ~8% q/q, to NT$31.8bn (+94% y/y), driven by higher ASPs and shipments deferred from Sep – Oct following flood-related logistics disruptions in Thailand. We expect sequential revenue growth across all major product segments except PC/NB, with networking delivering the largest increase, followed by AI/ASIC servers and general servers. We forecast margin expansion of ~100bps q/q, to 39.7% (+600bps y/y), supported by continued mix improvement and pricing adjustments to pass through higher copper-clad laminate (CCL) costs. This should translate into net profit of ~NT$7bn (+9% q/q, +130% y/y) and EPS of NT$13.82.

GCE's Suzhou 2 and Thailand 2 plants remain on track to begin mass production (MP) from 3Q27 and reach full ramp-up by end-CY27. Both facilities will support advanced high-density interconnect (HDI) production for a key customer's next-gen compute board, which we think could adopt a 34-layer (3+28+3) advanced HDI design using M9-grade CCL. While details remain subject to finalization, we expect each plant to add monthly output value of ~NT$1bn or more. We also expect at least one additional plant to begin advanced HDI MP in CY28, although details have yet to be finalized. This would give GCE at least three plants capable of advanced HDI production to meet demand from existing ASIC, and potential new, customers.

Reiterate OW with PT slightly lowered to NT$1,400, on our reduced medium-term growth assumption (from 12% to 11%), as we bake in some conservatism on concerns over a potential slowdown in data center build-out post the US midterm election (see our Global Team's view), despite our marginally higher EPS estimates for 2026-28e. Our new PT implies ~19x 2027e P/E, or ~14x 2028e P/E, slightly lowered but still above GCE's 3Y P/E avg. of ~14x, which we view as fair, driven by its capacity expansion plans and strong demand for AI servers and networking, with room for margin expansion.

Source: Refinitiv, Morgan Stanley Research

OVERWEIGHT THESIS

- We stay OW because we think GCE is well positioned to benefit from rising demand for AI server PCBs and high-speed networking PCBs.
- We see 800G networking PCB demand increasing in the coming years, which should be a tailwind for gross margin in the longer term.
- Our price target implies ~19x 2027e P/E vs. GCE's three-year historical 6-26x range, which we still find attractive. GCE is benefiting from a favorable mix and should show margin expansion in the coming years.

BULL CASE NT$1,995.00

27.5x 2027e EPS

Much stronger server and switch growth in 2026; NB demand continues to grow y/y; gains more traction for IC testing boards: Server and switch demand continues to grow y/y in 2026, driven by new data center construction and replacements along with AI infrastructure build-outs. NB demand also shows y/y growth in 2026. In addition, GCE gains more traction for IC testing boards, even penetrating into probe card PCBs faster than expected.

BASE CASE NT$1,400.00

19x 2027e P/E

Server demand remains on growth track in 2026; NB demand shows flat to mild growth: We forecast a total sales CAGR of ~47%, 2025-28, with server business CAGR reaching 50% and networking business CAGR reaching 57%. We project that operating profit margin will reach ~35% by 2028 vs. ~23% in 2025.

BEAR CASE NT$850.00

11.7x 2027e EPS

Much weaker server and switch demand in 2026; NB demand deteriorates, and shipments fall y/y in 2026; IC testing board business takes longer than expected to develop: Server and switch demand falls in 2026, hampered by a weakening macro backdrop and hyperscalers cutting capex to preserve cash. NB business faces even weaker demand, at down ~15% y/y in 2026. GCE takes longer to ramp up its IC testing board business.

Risk Reward – Gold Circuit Electronics Ltd. (2368.TW)

KEY EARNINGS INPUTS

Drivers	Dec 2025	Dec 2026e	Dec 2027e	Dec 2028e
Server Revenue Contribution (%)	74.3	76.4	77.7	78.6

INVESTMENT DRIVERS

- Server/switch volume growth driven by US hyperscalers and enterprise customers
- Server/switch PCB content growth driven by CCL spec and PCB layer count
- IC testing board project wins
- NB demand

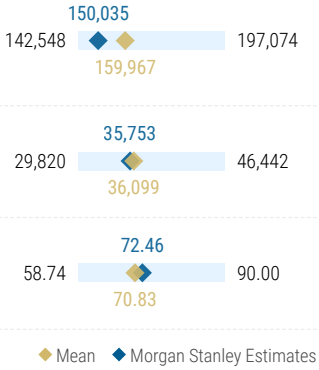
MS ESTIMATES VS. CONSENSUS

FY Dec 2027e



Source: Refinitiv, Morgan Stanley Research

3Q26 Results Summary

- GCE reported 3Q26 gross margin of 38.7% (+400bp q/q, +310bp y/y), 180bp above MSe and 190bps above the Street forecast. Management attributed the gross margin improvement to successful cost pass-through, more favorable product mix (AI mix was over 50% in the quarter; 800G switch mix also continued to increase within Networking) and better profitability of the Thailand plant.
- Recall that we noted although GCE is able to fully pass through the additional material costs to its customers, there will always be a timing difference (GCE seeing higher input costs vs. reflecting the higher costs in new prices), which might result in margin fluctuation.

- Operating expenses were again higher than expected, primarily due to higher employee bonuses for talent retention and sales expenses. Thus, operating profit came in at NT$8.8B (+36% q/q, +88% y/y), in line with MSe but 1% below consensus forecasts, for operating margin of 29.6%.
- Non-operating losses of NT$238mn, primarily consisting of FX losses, were higher than our and Street estimates of non-operating gains.
- Net profit was NT$6.4B (+33% q/q, +98% y/y), 2% above our estimate and the Street, for EPS of NT$12.39.
- The differences between net profit variances and EPS variances reflect share count changes.

Price Target Discussion and Valuation Methodology

We lower our price target slightly, to NT$1,400.00 from NT$1,450.00: We derive our price target, which is also our base-case scenario value, from a residual income (RI) model, similar to the rest of our tech hardware coverage. The decrease in our price target is driven by our slightly lowered medium-term growth assumption.

Our key assumptions include a cost of equity of 9.2% (beta of 1.0, equity risk premium of 8.7% and risk-free rate of 1.0%), a medium-term growth rate of 11% (lowered from 12%) and a terminal growth rate of 3%.

Our price target implies ~19x 2027e P/E, or ~14x 2028e P/E, vs. GCE's three-year historical average 14.2x. We view the higher multiple as justified because GCE is showing longer-term margin expansion, driven by a favorable mix shift toward more AI server PCBs and high-speed networking PCBs (400G/800G/1.6T) alike. Some of its AI component peers are trading at 20x+ 2027e multiple, which leads us to view GCE's valuation as fair.

Our bull- and bear-case scenario values decrease at magnitudes similar to the decline in our base-case value, to NT$1,995.00 and NT$850.00, respectively.

Important Regulatory Disclosures on Subject Companies

As of October 30, 2026, Morgan Stanley beneficially owned 1% or more of a class of common equity securities of the following companies covered in Morgan Stanley Research: AAC Technologies Holdings, Accelink Technologies Co. Ltd., Accton Technology Corporation, Acer Inc., AirTAC International, Asustek Computer Inc., Auras Technology Co Ltd, Bizlink, Catcher Technology, Co-Tech Development Corp., Compal Electronics, E Ink Holdings Inc., Elite Material Co., Ennostar Inc, Eoptolink Technology Inc Ltd, Fositek Corp, Genius Electronic Optical Co. Ltd., Giga-Byte Technology Co. Ltd., Hiwin Technologies Corp., Largan Precision, Lens Technology, LianChuang Electronic Technology Co Ltd, Lingyi Itech Guangdong Co, Lite-On Technology, Lotes Co. Ltd., Nan Ya PCB, Quectel Wireless Solutions Co Ltd, Sunny Optical, Suzhou TFC Optical Communication Co Ltd., Taiwan Union Technology Corporation, Unimicron, Visual Photonics Epitaxy Co Ltd, Wistron Corporation, Wiwynn Corp, Xiaomi Corp, Yageo Corp., Yangtze Optical Fibre and Cable JSC Ltd, Zhejiang Crystal-Optech Co Ltd, Zhen Ding, Zhongji Innolight Co Ltd, ZTE Corporation.

Within the last 12 months, Morgan Stanley managed or co-managed a public offering (or 144A offering) of securities of Asustek Computer Inc., Unimicron, Wistron Corporation, Wiwynn Corp, Zhen Ding, Zhongji Innolight Co Ltd.

Within the last 12 months, Morgan Stanley has received compensation for investment banking services from Asustek Computer Inc., Lenovo, Unimicron, Wistron Corporation, Wiwynn Corp, Xiaomi Corp, Yageo Corp., Zhen Ding, Zhongji Innolight Co Ltd.

In the next 3 months, Morgan Stanley expects to receive or intends to seek compensation for investment banking services from AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Advantech, AirTAC International, Asustek Computer Inc., AU Optronics, Bizlink, BOE Technology, Catcher Technology, Chenbro, Compal Electronics, Delta Electronics Inc., E Ink Holdings Inc., Elite Material Co., Ennostar Inc, Eoptolink Technology Inc Ltd, FIT Hon Teng Ltd, Giga-Byte Technology Co. Ltd., **Gold Circuit Electronics Ltd.**, Hon Hai Precision, Huaqin Co.,Ltd., Innolux, Lenovo, Lens Technology, Lingyi Itech Guangdong Co, Lite-On Technology, Lotes Co. Ltd., Luxshare Precision Industry Co., Ltd., Pegatron Corporation, Q Technology (Group) Company Ltd, Quanta Computer Inc., Shanghai Conant Optical Co Ltd, Shenzhen Transsion Holdings Co Ltd, Suzhou TFC Optical Communication Co Ltd., TCL Corp., Unimicron, Wistron Corporation, Wiwynn Corp, Xiaomi Corp, Yageo Corp., Yangtze Optical Fibre and Cable JSC Ltd, Zhejiang Crystal-Optech Co Ltd, Zhen Ding, Zhongji Innolight Co Ltd.

Within the last 12 months, Morgan Stanley has received compensation for products and services other than investment banking services from AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Asustek Computer Inc., AU Optronics, BYD Electronics, Compal Electronics, E Ink Holdings Inc., Eoptolink Technology Inc Ltd, Giga-Byte Technology Co. Ltd., GoerTek Inc, Hon Hai Precision, Innolux, Lenovo, Lingyi Itech Guangdong Co, Quanta Computer Inc., Xiaomi Corp, Yageo Corp..

Within the last 12 months, Morgan Stanley has provided or is providing investment banking services to, or has an investment banking client relationship with, the following company: AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Advantech, AirTAC International, Asustek Computer Inc., AU Optronics, Bizlink, BOE Technology, Catcher Technology, Chenbro, Compal Electronics, Delta Electronics Inc., E Ink Holdings Inc., Elite Material Co., Ennostar Inc, Eoptolink Technology Inc Ltd, FIT Hon Teng Ltd, Giga-Byte Technology Co. Ltd., **Gold Circuit Electronics Ltd.**, Hon Hai Precision, Huaqin Co.,Ltd., Innolux, Lenovo, Lens Technology, Lingyi Itech Guangdong Co, Lite-On Technology, Lotes Co. Ltd., Luxshare Precision Industry Co., Ltd., Pegatron Corporation, Q Technology (Group) Company Ltd, Quanta Computer Inc., Shanghai Conant Optical Co Ltd, Shenzhen Transsion Holdings Co Ltd, Suzhou TFC Optical Communication Co Ltd., TCL Corp., Unimicron, Wistron Corporation, Wiwynn Corp, Xiaomi Corp, Yageo Corp., Yangtze Optical Fibre and Cable JSC Ltd, Zhejiang Crystal-Optech Co Ltd, Zhen Ding, Zhongji Innolight Co Ltd.

Within the last 12 months, Morgan Stanley has either provided or is providing non-investment banking, securities-related services to and/or in the past has entered into an agreement to provide services or has a client relationship with the following company: AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Asustek Computer Inc., AU Optronics, BYD Electronics, Compal Electronics, E Ink Holdings Inc., Eoptolink Technology Inc Ltd, Giga-Byte Technology Co. Ltd., GoerTek Inc, Hon Hai Precision, Innolux, Lenovo, Lingyi Itech Guangdong Co, Quanta Computer Inc., Xiaomi Corp, Yageo Corp., Zhen Ding.

The equity research analysts or strategists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality of research, investor client feedback, stock picking, competitive factors, firm revenues and overall investment banking revenues. Equity Research analysts' or strategists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.
Morgan Stanley and its affiliates do business that relates to companies/instruments covered in Morgan Stanley Research, including market making, providing liquidity, fund management, commercial banking, extension of credit, investment services and investment banking. Morgan Stanley sells to and buys from customers the securities/instruments of companies covered in Morgan Stanley Research on a principal basis. Morgan Stanley may have a position in the debt of the Company or instruments discussed in this report. Morgan Stanley trades or may trade as principal in the debt securities (or in related derivatives) that are the subject of the debt research report.
Certain disclosures listed above are also for compliance with applicable regulations in non-US jurisdictions.

STOCK RATINGS

Morgan Stanley uses a relative rating system using terms such as Overweight, Equal-weight, Not-Rated or Underweight (see definitions below). Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold and sell. Investors should carefully read the definitions of all ratings used in Morgan Stanley Research. In addition, since Morgan Stanley Research contains more complete information concerning the analyst's views, investors should carefully read Morgan Stanley Research, in its entirety, and not infer the contents from the rating alone. In any case, ratings (or research) should not be used or relied upon as investment advice. An investor's decision to buy or sell a stock should depend on individual circumstances (such as the investor's existing holdings) and other considerations.

Global Stock Ratings Distribution

(as of October 31, 2026)
The Stock Ratings described below apply to Morgan Stanley's Fundamental Equity Research and do not apply to Debt Research produced by the Firm.
For disclosure purposes only (in accordance with FINRA requirements), we include the category headings of Buy, Hold, and Sell alongside our ratings of Overweight, Equal-weight, Not-Rated and Underweight. Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold, and sell but represent recommended relative weightings (see definitions below). To satisfy regulatory requirements, we correspond Overweight, our most positive stock rating, with a buy recommendation; we correspond Equal-weight and Not-Rated to hold and Underweight to sell recommendations, respectively.

	Coverage Universe		Investment Banking Clients (IBC)			Other Material Investment Services Clients (MISC)	
Stock Rating Category	Count	% of Total	Count	% of Total IBC	% of Rating Category	Count	% of Total Other MISC
Overweight/Buy	1575	43%	460	49%	29%	742	44%
Equal-weight/Hold	1537	42%	393	42%	26%	720	43%
Not-Rated/Hold	2	0%	1	0%	50%	1	0%
Underweight/Sell	570	15%	92	10%	16%	218	13%
Total	3,684		946			1681	

Data include common stock and ADRs currently assigned ratings. Investment Banking Clients are companies from whom Morgan Stanley received investment banking compensation in the last 12 months. Due to rounding off of decimals, the percentages provided in the "% of total" column may not add up to exactly 100 percent.

Analyst Stock Ratings

Overweight (O). The stock's total return is expected to exceed the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Equal-weight (E). The stock's total return is expected to be in line with the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Not-Rated (NR). Currently the analyst does not have adequate conviction about the stock's total return relative to the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Underweight (U). The stock's total return is expected to be below the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Unless otherwise specified, the time frame for price targets included in Morgan Stanley Research is 12 to 18 months.

Analyst Industry Views

Attractive (A): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be attractive vs. the relevant broad market benchmark, as indicated below.
In-Line (I): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be in line with the relevant broad market benchmark, as indicated below.
Cautious (C): The analyst views the performance of his or her industry coverage universe over the next 12-18 months with caution vs. the relevant broad market benchmark, as indicated below.
Benchmarks for each region are as follows: North America - S&P 500; Latin America - relevant MSCI country index or MSCI Latin America Index; Europe - MSCI Europe; Japan - TOPIX; Asia - relevant MSCI country index or MSCI sub-regional index or MSCI AC Asia Pacific ex Japan Index.

Important Disclosures for Morgan Stanley Smith Barney LLC Customers

Important disclosures regarding any material conflict of interest that can reasonably be expected to have influenced Morgan Stanley Smith Barney LLC's choice of a third-party research provider or the subject company of a third-party research report, are available on the Morgan Stanley Wealth Management disclosure website at www.morganstanley.com/online/researchdisclosures.

For Morgan Stanley specific disclosures, you may refer to https://www.morganstanley.com/eqr/disclosures/webapp/generalresearch.

Each Morgan Stanley research report is reviewed and approved on behalf of Morgan Stanley Smith Barney LLC. This review and approval is conducted by the same person who reviews the research report on behalf of Morgan Stanley. This could create a conflict of interest.

Other Important Disclosures

Morgan Stanley Research policy is to update research reports as and when the Research Analyst and Research Management deem appropriate, based on developments with the issuer, the sector, or the market that may have a material impact on the research views or opinions stated therein. In addition, certain Research publications are intended to be updated on a regular periodic basis (weekly/monthly/quarterly/annual) and will ordinarily be updated with that frequency, unless the Research Analyst and Research Management determine that a different publication schedule is appropriate based on current conditions.

Morgan Stanley is not acting as a municipal advisor and the opinions or views contained herein are not intended to be, and do not constitute, advice within the meaning of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Morgan Stanley produces an equity research product called a "Tactical Idea." Views contained in a "Tactical Idea" on a particular stock may be contrary to the recommendations or views expressed in research on the same stock. This may be the result of differing time horizons, methodologies, market events, or other factors. For all research available on a particular stock, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Morgan Stanley Research is provided to our clients through our proprietary research portal on Matrix and also distributed electronically by Morgan Stanley to clients. Certain, but not all, Morgan Stanley Research products are also made available to clients through third-party vendors or redistributed to clients through alternate electronic means as a convenience. For access to all available Morgan Stanley Research, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Any access and/or use of Morgan Stanley Research is subject to Morgan Stanley's Terms of Use (http://www.morganstanley.com/terms.html). By accessing and/or using Morgan Stanley Research, you are indicating that you have read and agree to be bound by our Terms of Use (http://www.morganstanley.com/terms.html). In addition you consent to Morgan Stanley processing your personal data and using cookies in accordance with our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html), including for the purposes of setting your preferences and to collect readership data so that we can deliver better and more personalized service and products to you. To find out more information about how Morgan Stanley processes personal data, how we use cookies and how to reject cookies see our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html). If you do not agree to our Terms of Use and/or if you do not wish to provide your consent to Morgan Stanley processing your personal data or using cookies please do not access our research.

Morgan Stanley Research does not provide individually tailored investment advice. Morgan Stanley Research has been prepared without regard to the circumstances and objectives of those who receive it. Morgan Stanley recommends that investors independently evaluate particular investments and strategies, and encourages investors to seek the advice of a financial adviser. The appropriateness of an investment or strategy will depend on an investor's circumstances and objectives. The securities, instruments, or strategies discussed in Morgan Stanley Research may not be suitable for all investors, and certain investors may not be eligible to purchase or participate in some or all of them. Morgan Stanley Research is not an offer to buy or sell or the solicitation of an offer to buy or sell any security/instrument or to participate in any particular trading strategy. The value of and income from your investments may vary because of changes in interest rates, foreign exchange rates, default rates, prepayment rates, securities/instruments prices, market indexes, operational or financial conditions of companies or other factors. There may be time limitations on the exercise of options or other rights in securities/instruments transactions. Past performance is not necessarily a guide to future performance. Estimates of future performance are based on assumptions that may not be realized. If provided, and unless otherwise stated, the closing price on the cover page is that of the primary exchange for the subject company's securities/instruments.

The fixed income research analysts, strategists or economists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality, accuracy and value of research, firm profitability or revenues (which include fixed income trading and capital markets profitability or revenues), client feedback and competitive factors. Fixed Income Research analysts', strategists' or economists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.

The "Important Regulatory Disclosures on Subject Companies" section in Morgan Stanley Research lists all companies mentioned where Morgan Stanley owns 1% or more of a class of common equity securities of the companies. For all other companies mentioned in Morgan Stanley Research, Morgan Stanley may have an investment of less than 1% in securities/instruments or derivatives of securities/instruments of companies and may trade them in ways different from those discussed in Morgan Stanley Research. Employees of Morgan Stanley not involved in the preparation of Morgan Stanley Research may have investments in securities/instruments or derivatives of securities/instruments of companies mentioned and may trade them in ways different from those discussed in Morgan Stanley Research. Derivatives may be issued by Morgan Stanley or associated persons.

With the exception of information regarding Morgan Stanley, Morgan Stanley Research is based on public information. Morgan Stanley makes every effort to use reliable, comprehensive information, but we make no representation that it is accurate or complete. We have no obligation to tell you when opinions or information in Morgan Stanley Research change apart from when we intend to discontinue equity research coverage of a subject company. Facts and views presented in Morgan Stanley Research have not been reviewed by, and may not reflect information known to, professionals in other Morgan Stanley business areas, including investment banking personnel.

Morgan Stanley Research personnel may participate in company events such as site visits and are generally prohibited from accepting payment by the company of associated expenses unless pre-approved by authorized members of Research management.

Morgan Stanley may make investment decisions that are inconsistent with the recommendations or views in this report.

To our readers based in Taiwan or trading in Taiwan securities/instruments: Information on securities/instruments that trade in Taiwan is distributed by Morgan Stanley Taiwan Limited ("MSTL"). Such information is for your reference only. The reader should independently evaluate the investment risks and is solely responsible for their investment decisions. Morgan Stanley Research may not be distributed to the public media or quoted or used by the public media without the express written consent of Morgan Stanley. Any non-customer reader within the scope of Article 7-1 of the Taiwan Stock Exchange Recommendation Regulations accessing and/or receiving Morgan Stanley Research is not permitted to provide Morgan Stanley Research to any third party (including but not limited to related parties, affiliated companies and any other third parties) or engage in any activities regarding Morgan Stanley Research which may create or give the appearance of creating a conflict of interest. Information on securities/instruments that do not trade in Taiwan is for informational purposes only and is not to be construed as a recommendation or a solicitation to trade in such securities/instruments. MSTL may not execute transactions for clients in these securities/instruments.

UPDATE

November 10, 2026 10:00 PM GMT

Hiwin Technologies Corp. | Asia Pacific

3Q26 Beat on Margin; Up-cycle Continues to Play Out

AlphaSignals Earnings Reaction

Unchanged	⬆ **Modest upside**	⬆ **Modest revision higher**
Impact to our thesis	Financial results versus consensus	Direction of next 12-month consensus EPS

Source: Company data, Morgan Stanley Research

Signs are pointing to ongoing revenue growth and decent GM heading into 2027. Stay OW.

3Q26 earnings beat thanks to better GM: See Results Summary .

Momentum being sustained into 2027: Management guides for 4Q26 sales to grow QoQ (vs. seasonality of down QoQ) and 2027 to be better than 2026, supported by strong order momentum and slightly lengthening delivery lead time of 6.5 months for ball screws and 4-6 months for linear guides. That said, Hiwin is not able to fulfill all of the orders on hand because of the labor supply constraints. Meanwhile, It holds a positive view on the margin outlook because the revenue mix should be optimized amid solid demand, though it has no plan to raise prices again in the near term.

More sub-system level shipments: Besides the traditional linear guides and ball screws, Hiwin is increasing its sub-systems offerings integrated with motors, sensors, etc., for precise positioning systems in CPO alignment and multiple axis rotary tables in military, satellite, and material processing applications. These solutions have gained more and more traction among Japanese and Chinese machine tool customers

Robotics business one of the key drivers: The robotics segment has been Hiwin's fastest-growing segment in the past few years and will remain one of the major drivers. It has risen from 7% of the revenue mix in 2024 to 10% in 2025 and is on track for 12% in 2026 and higher in future. First, wafer transport systems are riding on the strong demand from semiconductor fabs. For humanoid robots, it can supply various components including ball screws, linear guides, reducers, motors, drivers, etc.; it has received small volume orders from one major US customer. Last, the logistics robot project, originally scheduled for late 2026, will be pushed out because of spec change.

Stay OW: We remain constructive on Hiwin stock. Near-term sentiment should remain favorable and the up-cycle continues to play out..

Results Summary

Off revenue of NT$8,110mn (+8% QoQ/+35% YoY), GM expanded 2.2ppt QoQ, to 36.3%, surpassing both our estimate and consensus at 35.2%, driven by the tariff reimbursement (0.6ppt boost), higher utilization, price hike tailwinds, and more favorable FX (0.5ppt help).

Opex was well controlled at NT$1,502mn (opex ratio 18.5%), leading to operating profit of NT$1,446mn (OPM 17.8%), 19% above our estimate at NT$1,210mn (OPM 15.1%) and 18% above consensus at NT$1,227mn (OPM 15.2%).

With non-op gains of NT$134mn, NP reached NT$1,230mn (EPS NT$3.48), 23% above both our estimate and consensus at NT$998mn (EPS NT$2.82) and NT$1,001mn (EPS NT $2.83), respectively.

Valuation Methodology and Risks

Hiwin Technologies Corp. (2049.TW)

Base case, P/E. We think this valuation methodology better captures Hiwin's earnings growth momentum, as its valuation tends to move with the business cycle. We apply a target multiple of 38x to our 2027 EPS estimate. We view this multiple as justified by the 47% operating profit CAGR we project for 2025-28.

Risks to Upside

- Stronger industrial automation demand pickup.
- Market share gains.
- Earlier-than-expected revenue contribution from humanoids.

Risks to Downside

- Weaker industrial automation demand.
- More pricing pressure.
- Market share loss.
- More broad-based impact on the global economy from geopolitical risks.

Ltd., Luxshare Precision Industry Co., Ltd., Pegatron Corporation, Q Technology (Group) Company Ltd, Quanta Computer Inc., Shanghai Conant Optical Co Ltd, Shenzhen Transsion Holdings Co Ltd, Suzhou TFC Optical Communication Co Ltd., TCL Corp., Unimicron, Wistron Corporation, Wiwynn Corp, Xiaomi Corp, Yageo Corp., Yangtze Optical Fibre and Cable JSC Ltd, Zhejiang Crystal-Optech Co Ltd, Zhen Ding, Zhongji Innolight Co Ltd.

Within the last 12 months, Morgan Stanley has either provided or is providing non-investment banking, securities-related services to and/or in the past has entered into an agreement to provide services or has a client relationship with the following company: AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Asustek Computer Inc., AU Optronics, BYD Electronics, Compal Electronics, E Ink Holdings Inc., Eoptolink Technology Inc Ltd, Giga-Byte Technology Co. Ltd., GoerTek Inc, Hon Hai Precision, Innolux, Lenovo, Lingyi Itech Guangdong Co, Quanta Computer Inc., Xiaomi Corp, Yageo Corp., Zhen Ding.

The equity research analysts or strategists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality of research, investor client feedback, stock picking, competitive factors, firm revenues and overall investment banking revenues. Equity Research analysts' or strategists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.
Morgan Stanley and its affiliates do business that relates to companies/instruments covered in Morgan Stanley Research, including market making, providing liquidity, fund management, commercial banking, extension of credit, investment services and investment banking. Morgan Stanley sells to and buys from customers the securities/instruments of companies covered in Morgan Stanley Research on a principal basis. Morgan Stanley may have a position in the debt of the Company or instruments discussed in this report. Morgan Stanley trades or may trade as principal in the debt securities (or in related derivatives) that are the subject of the debt research report.
Certain disclosures listed above are also for compliance with applicable regulations in non-US jurisdictions.

STOCK RATINGS

Morgan Stanley uses a relative rating system using terms such as Overweight, Equal-weight, Not-Rated or Underweight (see definitions below). Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold and sell. Investors should carefully read the definitions of all ratings used in Morgan Stanley Research. In addition, since Morgan Stanley Research contains more complete information concerning the analyst's views, investors should carefully read Morgan Stanley Research, in its entirety, and not infer the contents from the rating alone. In any case, ratings (or research) should not be used or relied upon as investment advice. An investor's decision to buy or sell a stock should depend on individual circumstances (such as the investor's existing holdings) and other considerations.

Global Stock Ratings Distribution

(as of October 31, 2026)
The Stock Ratings described below apply to Morgan Stanley's Fundamental Equity Research and do not apply to Debt Research produced by the Firm.
For disclosure purposes only (in accordance with FINRA requirements), we include the category headings of Buy, Hold, and Sell alongside our ratings of Overweight, Equal-weight, Not-Rated and Underweight. Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold, and sell but represent recommended relative weightings (see definitions below). To satisfy regulatory requirements, we correspond Overweight, our most positive stock rating, with a buy recommendation; we correspond Equal-weight and Not-Rated to hold and Underweight to sell recommendations, respectively.

	Coverage Universe		Investment Banking Clients (IBC)			Other Material Investment Services Clients (MISC)	
Stock Rating Category	Count	% of Total	Count	% of Total IBC	% of Rating Category	Count	% of Total Other MISC
Overweight/Buy	1575	43%	460	49%	29%	742	44%
Equal-weight/Hold	1537	42%	393	42%	26%	720	43%
Not-Rated/Hold	2	0%	1	0%	50%	1	0%
Underweight/Sell	570	15%	92	10%	16%	218	13%
Total	3,684		946			1681	

Data include common stock and ADRs currently assigned ratings. Investment Banking Clients are companies from whom Morgan Stanley received investment banking compensation in the last 12 months. Due to rounding off of decimals, the percentages provided in the "% of total" column may not add up to exactly 100 percent.

Analyst Stock Ratings

Overweight (O). The stock's total return is expected to exceed the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Equal-weight (E). The stock's total return is expected to be in line with the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Not-Rated (NR). Currently the analyst does not have adequate conviction about the stock's total return relative to the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Underweight (U). The stock's total return is expected to be below the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Unless otherwise specified, the time frame for price targets included in Morgan Stanley Research is 12 to 18 months.

Analyst Industry Views

Attractive (A): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be attractive vs. the relevant broad market benchmark, as indicated below.
In-Line (I): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be in line with the relevant broad market benchmark, as indicated below.
Cautious (C): The analyst views the performance of his or her industry coverage universe over the next 12-18 months with caution vs. the relevant broad market benchmark, as indicated below.
Benchmarks for each region are as follows: North America - S&P 500; Latin America - relevant MSCI country index or MSCI Latin America Index; Europe - MSCI Europe; Japan - TOPIX; Asia - relevant MSCI country index or MSCI sub-regional index or MSCI AC Asia Pacific ex Japan Index.

If you do not agree to our Terms of Use and/or if you do not wish to provide your consent to Morgan Stanley processing your personal data or using cookies please do not access our research. Morgan Stanley Research does not provide individually tailored investment advice. Morgan Stanley Research has been prepared without regard to the circumstances and objectives of those

who receive it. Morgan Stanley recommends that investors independently evaluate particular investments and strategies, and encourages investors to seek the advice of a financial adviser. The appropriateness of an investment or strategy will depend on an investor's circumstances and objectives. The securities, instruments, or strategies discussed in Morgan Stanley Research may not be suitable for all investors, and certain investors may not be eligible to purchase or participate in some or all of them. Morgan Stanley Research is not an offer to buy or sell or the solicitation of an offer to buy or sell any security/instrument or to participate in any particular trading strategy. The value of and income from your investments may vary because of changes in interest rates, foreign exchange rates, default rates, prepayment rates, securities/instruments prices, market indexes, operational or financial conditions of companies or other factors. There may be time limitations on the exercise of options or other rights in securities/instruments transactions. Past performance is not necessarily a guide to future performance. Estimates of future performance are based on assumptions that may not be realized. If provided, and unless otherwise stated, the closing price on the cover page is that of the primary exchange for the subject company's securities/instruments.

The fixed income research analysts, strategists or economists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality, accuracy and value of research, firm profitability or revenues (which include fixed income trading and capital markets profitability or revenues), client feedback and competitive factors. Fixed Income Research analysts', strategists' or economists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.

The "Important Regulatory Disclosures on Subject Companies" section in Morgan Stanley Research lists all companies mentioned where Morgan Stanley owns 1% or more of a class of common equity securities of the companies. For all other companies mentioned in Morgan Stanley Research, Morgan Stanley may have an investment of less than 1% in securities/instruments or derivatives of securities/instruments of companies and may trade them in ways different from those discussed in Morgan Stanley Research. Employees of Morgan Stanley not involved in the preparation of Morgan Stanley Research may have investments in securities/instruments or derivatives of securities/instruments of companies mentioned and may trade them in ways different from those discussed in Morgan Stanley Research. Derivatives may be issued by Morgan Stanley or associated persons.

With the exception of information regarding Morgan Stanley, Morgan Stanley Research is based on public information. Morgan Stanley makes every effort to use reliable, comprehensive information, but we make no representation that it is accurate or complete. We have no obligation to tell you when opinions or information in Morgan Stanley Research change apart from when we intend to discontinue equity research coverage of a subject company. Facts and views presented in Morgan Stanley Research have not been reviewed by, and may not reflect information known to, professionals in other Morgan Stanley business areas, including investment banking personnel.

Morgan Stanley Research personnel may participate in company events such as site visits and are generally prohibited from accepting payment by the company of associated expenses unless pre-approved by authorized members of Research management.

Morgan Stanley may make investment decisions that are inconsistent with the recommendations or views in this report.

To our readers based in Taiwan or trading in Taiwan securities/instruments: Information on securities/instruments that trade in Taiwan is distributed by Morgan Stanley Taiwan Limited ("MSTL"). Such information is for your reference only. The reader should independently evaluate the investment risks and is solely responsible for their investment decisions. Morgan Stanley Research may not be distributed to the public media or quoted or used by the public media without the express written consent of Morgan Stanley. Any non-customer reader within the scope of Article 7-1 of the Taiwan Stock Exchange Recommendation Regulations accessing and/or receiving Morgan Stanley Research is not permitted to provide Morgan Stanley Research to any third party (including but not limited to related parties, affiliated companies and any other third parties) or engage in any activities regarding Morgan Stanley Research which may create or give the appearance of creating a conflict of interest. Information on securities/instruments that do not trade in Taiwan is for informational purposes only and is not to be construed as a recommendation or a solicitation to trade in such securities/instruments. MSTL may not execute transactions for clients in these securities/instruments.

NVL72 Racks Shipment in October 2026; 2027 Rack Forecast is Unchanged

We provide monthly/quarterly rack shipment forecasts for ODMs. Within the major Server ODMs, our order of preference is Wistron > Quanta > Hon Hai, based on upside to PT.

Key Takeaways

- We estimate GB200/300 rack output in October at ~7.5K (+16% m/m).
- Quanta shipped ~1.80K GB200/GB300 racks.
- Wistron shipped ~1.60K GB200/GB300 racks.
- Hon Hai shipped ~2.90K GB200/300 racks.
- We keep our 2027 rack production forecast unchanged at 90.4K racks (+11% y/y).

We introduce 2027 forecast at 90.4K racks (+10% y/y) vs. our 2026 forecast now at 82K racks: This year is a strong one for downstream rack assemblers, with rack shipments up ~209% y/y, but we expect rack shipments to grow another ~10% y/y to reach 90.4K in 2027. For 2027, our forecast implies Hon Hai will be a share gainer with rack share up to 43% (from 37% in 2026), with Quanta staying unchanged at 26% and Wistron's share up slightly to 24% (from 23% in 2026).

Quanta (2382.TW, OW): October revenue was NT$353.3bn (+9% m/m, +104% y/y). We attribute the m/m growth mainly to higher GB200/300 rack shipments at ~1.8K racks (+24% m/m), despite being offset by lower NB shipments at 2.7M units (-36% m/m, -23% y/y). For 2026, we forecast Quanta to ship 20.9K racks, and our 2027 rack production forecast for Quanta is at 23.5K (+12% y/y).

Wistron (3231.TW, OW): October revenue was NT$402.6B (+6% m/m, +108% y/y). We attribute the m/m growth to: 1) higher GB200/300 compute tray shipments (1.60K rack equivalents, by our estimates, up ~22% m/m), despite lower Wiwynn revenue at ~NT$165.1bn (-4% m/m, +81% y/y) and lower NB shipments at 1.2mn units (-20% m/m, -43% y/y), flat DT shipments at 500K (flat m/m, -44% y/y), and lower monitor shipments at 850K (-11% m/m, -6% y/y). For 2026, we forecast Wistron to ship 18.7K racks, and our 2027 rack production forecast is at 22K (+18% y/y).

Hon Hai (2317.TW, OW): October revenue was NT$1,305.3bn (+13% m/m, +46% y/y), with consumer segment revenue seeing the strongest m/m growth, followed by computing products, and lastly, components and other products, while cloud and networking products were down m/m due to a rise in consignment mix; however, overall rack production volumes are up m/m. We model HH's October GB200/300 rack production at 2.9K (+7% m/m). For 2026, we forecast Foxconn to ship 30.3K racks, and our rack production 2027 forecast at 38.8K (+28% y/y).

NVL72 Exhibits

We believe actual rack deliveries to end-customers are likely lower than these numbers because we include Wistron's computing tray (L10) rack equivalent (without accounting for rack assembly and test times for L11).

Valuation Methodology and Risks

Hon Hai Precision (2317.TW)

Base case scenario value, derived from a residual income valuation model. Our key assumptions include a cost of equity of 8.5%, a medium-term growth rate of 13%, and a terminal growth rate of 3%.

Risks to Upside

- Better-than-expected iPhone sell-through
- Faster progress in AI server business
- Faster EV business development progress
- Any new M&A activity that could improve sentiment

Risks to Downside

- Lower iPhone sell-through
- Smaller profit contribution from AI business
- Slower EV business development progress
- Geopolitical developments that could negatively affect foreign investment

Quanta Computer Inc. (2382.TW)

Base case, residual income model. Key assumptions include a cost of equity of 9.0% (beta of 1.2, equity premium of 6.0% and risk-free rate of 1.5%), an 8.5% medium-term growth rate, and a 3% terminal growth rate.

Risks to Upside

- Stronger-than-expected NB demand
- Stronger-than-expected Apple Watch demand
- Stronger-than-expected server demand
- Faster-than-expected AI server penetration

Risks to Downside

- Weaker-than-expected NB demand
- Softer-than-expected Apple Watch demand
- Weak margin performance owing to rising labor costs and sales shortfalls
- Fierce price competition in the mega data center segment
- Slower-than-expected AI server penetration

Wistron Corporation (3231.TW)

Base case, residual income valuation. Key assumptions: 8.7% cost of equity, 7.0% medium-term growth rate and 3% terminal growth rate.

Risks to Upside

- Faster-than-expected divestiture of consumer electronics business
- Stronger-than-expected NB demand

- Margin expansion from better product mix
- Faster-than-expected AI server penetration

Risks to Downside

- Slower-than-expected divestiture of consumer electronics business
- Weaker-than-expected NB demand
- Margin contraction from sales shortfall and fierce competition
- Slower-than-expected AI server penetration

Within the last 12 months, Morgan Stanley has received compensation for investment banking services from Asustek Computer Inc., Lenovo, Unimicron, Wistron Corporation, Wiwynn Corp, Xiaomi Corp, Yageo Corp., Zhen Ding, Zhongji Innolight Co Ltd.

In the next 3 months, Morgan Stanley expects to receive or intends to seek compensation for investment banking services from AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Advantech, AirTAC International, Asustek Computer Inc., AU Optronics, Bizlink, BOE Technology, Catcher Technology, Chenbro, Compal Electronics, Delta Electronics Inc., E Ink Holdings Inc., Elite Material Co., Ennostar Inc, Eoptolink Technology Inc Ltd, FIT Hon Teng Ltd, Giga-Byte Technology Co. Ltd., Gold Circuit Electronics Ltd., Hon Hai Precision, Huaqin Co.,Ltd., Innolux, Lenovo, Lens Technology, Lingyi Itech Guangdong Co, Lite-On Technology, Lotes Co. Ltd., Luxshare Precision Industry Co., Ltd., Pegatron Corporation, Q Technology (Group) Company Ltd, Quanta Computer Inc., Shanghai Conant Optical Co Ltd, Shenzhen Transsion Holdings Co Ltd, Suzhou TFC Optical Communication Co Ltd., TCL Corp., Unimicron, Wistron Corporation, Wiwynn Corp, Xiaomi Corp, Yageo Corp., Yangtze Optical Fibre and Cable JSC Ltd, Zhejiang Crystal-Optech Co Ltd, Zhen Ding, Zhongji Innolight Co Ltd.

Within the last 12 months, Morgan Stanley has received compensation for products and services other than investment banking services from AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Asustek Computer Inc., AU Optronics, BYD Electronics, Compal Electronics, E Ink Holdings Inc., Eoptolink Technology Inc Ltd, Foxconn Technology, Giga-Byte Technology Co. Ltd., GoerTek Inc, Hon Hai Precision, Innolux, Lenovo, Lingyi Itech Guangdong Co, Quanta Computer Inc., Xiaomi Corp, Yageo Corp..

Within the last 12 months, Morgan Stanley has provided or is providing investment banking services to, or has an investment banking client relationship with, the following company: AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Advantech, AirTAC International, Asustek Computer Inc., AU Optronics, Bizlink, BOE Technology, Catcher Technology, Chenbro, Compal Electronics, Delta Electronics Inc., E Ink Holdings Inc., Elite Material Co., Ennostar Inc, Eoptolink Technology Inc Ltd, FIT Hon Teng Ltd, Giga-Byte Technology Co. Ltd., Gold Circuit Electronics Ltd., Hon Hai Precision, Huaqin Co.,Ltd., Innolux, Lenovo, Lens Technology, Lingyi Itech Guangdong Co, Lite-On Technology, Lotes Co. Ltd., Luxshare Precision Industry Co., Ltd., Pegatron Corporation, Q Technology (Group) Company Ltd, Quanta Computer Inc., Shanghai Conant Optical Co Ltd, Shenzhen Transsion Holdings Co Ltd, Suzhou TFC Optical Communication Co Ltd., TCL Corp., Unimicron, Wistron Corporation, Wiwynn Corp, Xiaomi Corp, Yageo Corp., Yangtze Optical Fibre and Cable JSC Ltd, Zhejiang Crystal-Optech Co Ltd, Zhen Ding, Zhongji Innolight Co Ltd.

Within the last 12 months, Morgan Stanley has either provided or is providing non-investment banking, securities-related services to and/or in the past has entered into an agreement to provide services or has a client relationship with the following company: AAC Technologies Holdings, Accton Technology Corporation, Acer Inc., Asustek Computer Inc., AU Optronics, BYD Electronics, Compal Electronics, E Ink Holdings Inc., Eoptolink Technology Inc Ltd, Foxconn Technology, Giga-Byte Technology Co. Ltd., GoerTek Inc, Hon Hai Precision, Innolux, Lenovo, Lingyi Itech Guangdong Co, Quanta Computer Inc., Xiaomi Corp, Yageo Corp., Zhen Ding.

The equity research analysts or strategists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality of research, investor client feedback, stock picking, competitive factors, firm revenues and overall investment banking revenues. Equity Research analysts' or strategists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.
Morgan Stanley and its affiliates do business that relates to companies/instruments covered in Morgan Stanley Research, including market making, providing liquidity, fund management, commercial banking, extension of credit, investment services and investment banking. Morgan Stanley sells to and buys from customers the securities/instruments of companies covered in Morgan Stanley Research on a principal basis. Morgan Stanley may have a position in the debt of the Company or instruments discussed in this report. Morgan Stanley trades or may trade as principal in the debt securities (or in related derivatives) that are the subject of the debt research report.
Certain disclosures listed above are also for compliance with applicable regulations in non-US jurisdictions.

STOCK RATINGS

Morgan Stanley uses a relative rating system using terms such as Overweight, Equal-weight, Not-Rated or Underweight (see definitions below). Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold and sell. Investors should carefully read the definitions of all ratings used in Morgan Stanley Research. In addition, since Morgan Stanley Research contains more complete information concerning the analyst's views, investors should carefully read Morgan Stanley Research, in its entirety, and not infer the contents from the rating alone. In any case, ratings (or research) should not be used or relied upon as investment advice. An investor's decision to buy or sell a stock should depend on individual circumstances (such as the investor's existing holdings) and other considerations.

Global Stock Ratings Distribution

(as of October 31, 2026)
The Stock Ratings described below apply to Morgan Stanley's Fundamental Equity Research and do not apply to Debt Research produced by the Firm.
For disclosure purposes only (in accordance with FINRA requirements), we include the category headings of Buy, Hold, and Sell alongside our ratings of Overweight, Equal-weight, Not-Rated and Underweight. Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold, and sell but represent recommended relative weightings (see definitions below). To satisfy regulatory requirements, we correspond Overweight, our most positive stock rating, with a buy recommendation; we correspond Equal-weight and Not-Rated to hold and Underweight to sell recommendations, respectively.

	Coverage Universe		Investment Banking Clients (IBC)			Other Material Investment Services Clients (MISC)	
Stock Rating Category	Count	% of Total	Count	% of Total IBC	% of Rating Category	Count	% of Total Other MISC
Overweight/Buy	1575	43%	460	49%	29%	742	44%
Equal-weight/Hold	1537	42%	393	42%	26%	720	43%
Not-Rated/Hold	2	0%	1	0%	50%	1	0%
Underweight/Sell	570	15%	92	10%	16%	218	13%
Total	3,684		946			1681	

Data include common stock and ADRs currently assigned ratings. Investment Banking Clients are companies from whom Morgan Stanley received investment banking compensation in the last 12 months. Due to rounding off of decimals, the percentages provided in the "% of total" column may not add up to exactly 100 percent.

Analyst Stock Ratings

Overweight (O). The stock's total return is expected to exceed the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Equal-weight (E). The stock's total return is expected to be in line with the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Not-Rated (NR). Currently the analyst does not have adequate conviction about the stock's total return relative to the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Underweight (U). The stock's total return is expected to be below the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Unless otherwise specified, the time frame for price targets included in Morgan Stanley Research is 12 to 18 months.

Analyst Industry Views

Attractive (A): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be attractive vs. the relevant broad market benchmark, as indicated below.
In-Line (I): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be in line with the relevant broad market benchmark, as indicated below.
Cautious (C): The analyst views the performance of his or her industry coverage universe over the next 12-18 months with caution vs. the relevant broad market benchmark, as indicated below.
Benchmarks for each region are as follows: North America - S&P 500; Latin America - relevant MSCI country index or MSCI Latin America Index; Europe - MSCI Europe; Japan - TOPIX; Asia - relevant MSCI country index or MSCI sub-regional index or MSCI AC Asia Pacific ex Japan Index.

Important Disclosures for Morgan Stanley Smith Barney LLC Customers

Important disclosures regarding any material conflict of interest that can reasonably be expected to have influenced Morgan Stanley Smith Barney LLC's choice of a third-party research provider or the subject company of a third-party research report, are available on the Morgan Stanley Wealth Management disclosure website at www.morganstanley.com/online/researchdisclosures. For Morgan Stanley specific disclosures, you may refer to https://www.morganstanley.com/eqr/disclosures/webapp/generalresearch.

Each Morgan Stanley research report is reviewed and approved on behalf of Morgan Stanley Smith Barney LLC. This review and approval is conducted by the same person who reviews the research report on behalf of Morgan Stanley. This could create a conflict of interest.

Other Important Disclosures

Morgan Stanley Research policy is to update research reports as and when the Research Analyst and Research Management deem appropriate, based on developments with the issuer, the sector, or the market that may have a material impact on the research views or opinions stated therein. In addition, certain Research publications are intended to be updated on a regular periodic basis (weekly/monthly/quarterly/annual) and will ordinarily be updated with that frequency, unless the Research Analyst and Research Management determine that a different publication schedule is appropriate based on current conditions.

Morgan Stanley is not acting as a municipal advisor and the opinions or views contained herein are not intended to be, and do not constitute, advice within the meaning of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Morgan Stanley produces an equity research product called a "Tactical Idea." Views contained in a "Tactical Idea" on a particular stock may be contrary to the recommendations or views expressed in research on the same stock. This may be the result of differing time horizons, methodologies, market events, or other factors. For all research available on a particular stock, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Morgan Stanley Research is provided to our clients through our proprietary research portal on Matrix and also distributed electronically by Morgan Stanley to clients. Certain, but not all, Morgan Stanley Research products are also made available to clients through third-party vendors or redistributed to clients through alternate electronic means as a convenience. For access to all available Morgan Stanley Research, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Any access and/or use of Morgan Stanley Research is subject to Morgan Stanley's Terms of Use (http://www.morganstanley.com/terms.html). By accessing and/or using Morgan Stanley Research, you are indicating that you have read and agree to be bound by our Terms of Use (http://www.morganstanley.com/terms.html). In addition you consent to Morgan Stanley processing your personal data and using cookies in accordance with our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html), including for the purposes of setting your preferences and to collect readership data so that we can deliver better and more personalized service and products to you. To find out more information about how Morgan Stanley processes personal data, how we use cookies and how to reject cookies see our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html). If you do not agree to our Terms of Use and/or if you do not wish to provide your consent to Morgan Stanley processing your personal data or using cookies please do not access our research.

Morgan Stanley Research does not provide individually tailored investment advice. Morgan Stanley Research has been prepared without regard to the circumstances and objectives of those who receive it. Morgan Stanley recommends that investors independently evaluate particular investments and strategies, and encourages investors to seek the advice of a financial adviser. The appropriateness of an investment or strategy will depend on an investor's circumstances and objectives. The securities, instruments, or strategies discussed in Morgan Stanley Research may not be suitable for all investors, and certain investors may not be eligible to purchase or participate in some or all of them. Morgan Stanley Research is not an offer to buy or sell or the solicitation of an offer to buy or sell any security/instrument or to participate in any particular trading strategy. The value of and income from your investments may vary because of changes in interest rates, foreign exchange rates, default rates, prepayment rates, securities/instruments prices, market indexes, operational or financial conditions of companies or other factors. There may be time limitations on the exercise of options or other rights in securities/instruments transactions. Past performance is not necessarily a guide to future performance. Estimates of future performance are based on assumptions that may not be realized. If provided, and unless otherwise stated, the closing price on the cover page is that of the primary exchange for the subject company's securities/instruments.

The fixed income research analysts, strategists or economists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality, accuracy and value of research, firm profitability or revenues (which include fixed income trading and capital markets profitability or revenues), client feedback and competitive factors. Fixed Income Research analysts', strategists' or economists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.

The "Important Regulatory Disclosures on Subject Companies" section in Morgan Stanley Research lists all companies mentioned where Morgan Stanley owns 1% or more of a class of common equity securities of the companies. For all other companies mentioned in Morgan Stanley Research, Morgan Stanley may have an investment of less than 1% in securities/instruments or derivatives of securities/instruments of companies and may trade them in ways different from those discussed in Morgan Stanley Research. Employees of Morgan Stanley not involved in the preparation of Morgan Stanley Research may have investments in securities/instruments or derivatives of securities/instruments of companies mentioned and may trade them in ways different from those discussed in Morgan Stanley Research. Derivatives may be issued by Morgan Stanley or associated persons.

With the exception of information regarding Morgan Stanley, Morgan Stanley Research is based on public information. Morgan Stanley makes every effort to use reliable, comprehensive information, but we make no representation that it is accurate or complete. We have no obligation to tell you when opinions or information in Morgan Stanley Research change apart from when we intend to discontinue equity research coverage of a subject company. Facts and views presented in Morgan Stanley Research have not been reviewed by, and may not reflect information known to, professionals in other Morgan Stanley business areas, including investment banking personnel.

Morgan Stanley Research personnel may participate in company events such as site visits and are generally prohibited from accepting payment by the company of associated expenses unless pre-approved by authorized members of Research management.

Morgan Stanley may make investment decisions that are inconsistent with the recommendations or views in this report.

To our readers based in Taiwan or trading in Taiwan securities/instruments: Information on securities/instruments that trade in Taiwan is distributed by Morgan Stanley Taiwan Limited ("MSTL"). Such information is for your reference only. The reader should independently evaluate the investment risks and is solely responsible for their investment decisions. Morgan Stanley Research may not be distributed to the public media or quoted or used by the public media without the express written consent of Morgan Stanley. Any non-customer reader within the scope of Article 7-1 of the Taiwan Stock Exchange Recommendation Regulations accessing and/or receiving Morgan Stanley Research is not permitted to provide Morgan Stanley Research to any third party (including but not limited to related parties, affiliated companies and any other third parties) or engage in any activities regarding Morgan Stanley Research which may create or give the appearance of creating a conflict of interest. Information on securities/instruments that do not trade in Taiwan is for informational purposes only and is not to be construed as a recommendation or a solicitation to trade in such securities/instruments. MSTL may not execute transactions for clients in these securities/instruments.

Certain information in Morgan Stanley Research was sourced by employees of the Shanghai Representative Office of Morgan Stanley Asia Limited for the use of Morgan Stanley Asia Limited. Morgan Stanley is not incorporated under PRC law and the research in relation to this report is conducted outside the PRC. Morgan Stanley Research does not constitute an offer to sell or the solicitation of an offer to buy any securities in the PRC. PRC investors shall have the relevant qualifications to invest in such securities and shall be responsible for obtaining all relevant approvals, licenses, verifications and/or registrations from the relevant governmental authorities themselves. Neither this report nor any part of it is intended as, or shall constitute, provision of any consultancy or advisory service of securities investment as defined under PRC law. Old Memory: Peak Pricing Power?

Reduce exposure. Niche memory's pricing advantage is no longer enough. Rising cloud spending uncertainty, weaker consumer demand, and supply-demand normalization into 2028 shift the balance from earnings upside to downside protection.

Key Takeaways

- This report only expresses our view on niche memory (DDR3/4, SLC/MLC, NOR). It does NOT pertain to the global mainstream DDR5 or TLC/QLC NAND market.
- Pricing flexibility cuts both ways. Limited fixed-price LTAs supported faster price hikes vs. mainstream memory – but offer less protection as demand weakens.
- Demand risks are broadening. Cloud spending visibility is deteriorating; our PC semis work points to a deeper consumer correction.
- Scarcity should fade. Updated SLC NAND, MLC NAND, NOR and DDR4 models point to supply-demand normalization, particularly into 2028.

Fundamental snapshot – see the following section for a closer look.

Why we changed our minds – March caution, May upside surprise .

What has changed :

- Pricing power cannot offset weaker demand indefinitely.
- After the US midterms, our US team now expects ~20% of 2028e US data center capacity additions to shift to 2029.
- This could create an air pocket across the tech supply chain in 2028, potentially reducing pricing power and leading to an inventory build.

Supply-demand update – looking beyond the shortage .

Stock implications – downside support, not a reason to stay bullish:

- We downgrade PSMC, Winbond, GigaDevice, and Macronix to EW, downgrade Phison to UW, and lower price targets for AP Memory and Nanya Tech.
- We use 1.0x P/B as our downside valuation anchor, rather than treating peak earnings as a floor. Our July work highlighted book value support for memory IDMs; this is a downside framework, not a guaranteed trading floor or a uniform valuation methodology for fabless companies.
- Slower price hikes, order cuts, and inventory digestion are downside catalysts.
- Renewed cloud-order strength or delayed supply additions are the principal upside risks.

A Closer Look at the Fundamentals

Why we changed our minds – March caution, May upside surprise

We downgraded Winbond and Nanya Tech in March (Old Memory: Turning Selective) as elevated DDR4 pricing encouraged supply responses and customer pushback, pointing to narrower shortages and moderating price hikes. In May, we reversed those calls as lower expected supply from Micron and Hynix, alongside stronger server and enterprise SSD demand, widened the projected supply-demand gap (Old Memory: Upside Surprise Ahead). The distinction matters: March was a selective DDR4 call; today, we see a broader challenge to old memory's pricing durability.

What has changed

Pricing power cannot offset weaker demand indefinitely

Our constructive thesis was that niche memory, with limited fixed-price LTA constraints, could reprice faster and outperform mainstream memory. We now see that flexibility becoming a two-way risk. Rising uncertainty over cloud spending weakens confidence in incremental enterprise demand, while much weaker consumer demand challenges customers' ability to absorb further hikes.

After the US midterms, our US team now expects ~20% of 2028e US data center capacity additions to shift to 2029

This include some projects in Texas and Ohio, as governors introduce new data center legislation (refer to Buy the Drop: AI Investment Opportunities Post the US Midterms by Stephen Byrd). Stephen has shifted ~5GW of US data center capacity additions from 2028 to 2029 (Exhibit 11) – equivalent to 20% of US and 10% of global 2028 capacity additions. This implies a 4% Y/Y decline in US data center GW additions in 2028 before a 38% Y/Y rise in 2029. We now expect global data center additions to increase 9% in 2028 and 20% Y/Y in 2029.

This could create an air pocket across the tech supply chain in 2028, potentially reducing pricing power and leading to an inventory build

Our latest PC semis work highlights procurement pull-ins in 1Q–3Q26, followed by a deeper correction in 4Q, reinforcing the risk that earlier orders overstated underlying consumption (PC Semis: More Divergent Outlooks).

Supply-demand update – looking beyond the shortage

Our revised models for SLC NAND, MLC NAND, NOR, and DDR4 point to progressively more balanced markets, particularly into 2028. We now expect 2028 supply-demand deficits of -3%, -5%, and -1% for SLC NAND, MLC NAND, NOR, with a +1% excess for DDR4. Near-term tightness need not disappear immediately for stocks to de-rate: a narrowing shortage can reduce incremental pricing power before earnings peak. We therefore place

less weight on extrapolating recent ASP gains and more on normalized demand and supply responses and sustainable profitability.

Key Charts and Exhibits

Exhibit 1: What's changed

Company	EPS estimate changes	Reason for EPS estimate changes	Rating/price target changes	Reason for price target changes
Winbond	2026, 2027, 2028 EPS estimates revised +8%, -9%, and -22%	Incorporating 3Q26 actual results; changing dynamics in pricing power	Downgraded to EW; price target down from NT$288 to NT$120	Lower target P/BV multiple, reflecting segment volatility; slightly lower BV estimate
GigaDevice	2026, 2027, 2028 EPS estimates reduced 25%, 36%, and 33%	Changing dynamics in pricing power	Downgraded to EW; price target down from Rmb750 to Rmb259	Earnings estimate revisions; intermediate growth rate down to 8.0% from 11.3% to reflect changing dynamics in pricing power; beta raised to 1.50 from 1.14 to reflect segment volatility
Powerchip	2026, 2027, 2028 EPS estimates revised +10%, -11%, and -11%	Incorporating 2Q26 and 3Q26 actual results; changing dynamics in pricing power	Downgraded to EW; price target down from NT$111 to NT$54	Lower target P/BV multiple, reflecting segment volatility; slightly lower BV estimate
Macronix	2026, 2027, 2028 EPS estimates reduced 14%, 20%, and 21%	Changing dynamics in pricing power	Downgraded to EW; price target down from NT $220 to NT$90	Target P/BV multiple reduced to reflect segment volatility; BV estimate reduced
Nanya Tech	2026 EPS estimate unchanged; 2027 and 2028 EPS estimates lowered 7% and 9%	Changing dynamics in pricing power	Remain OW; PT down from NT $600 to NT$550	Target P/BV multiple reduced to reflect segment volatility; slightly lower BV estimate

AP Memory	2026, 2027, 2028 EPS estimates revised +21%, +2%, and -12%	Incorporating 3Q26 preliminary results; supply chain uncertainties into 2028	Remain OW but removed as Top Pick; price target down from NT$1,666 to NT$1,465	Earnings estimate revisions
Phison	2026, 2027, 2028 EPS estimates revised	Revised GM assumptions	Downgrade to UW; price target down from NT $2,588 to NT $1,357	Earnings estimate revisions, lower terminal growth rate, correction of prior RI model error

Winbond: Estimate Revisions and Quarterly Financials

We adjust our EPS estimates +8% for 2026, -9% for 2027, and -22% for 2028: The 2026 EPS increase reflects 3Q26 actual results. We also factor in a potential peak in pricing power across NOR, SLC, and DDR4. Compared to the previous estimate, we now reduce our flash wafer ASP assumptions throughout 2027-2028 and 26% into 4Q28, and reduce our DRAM ASP per bit estimates throughout 2027-2028 and 23% into 4Q28, without changing our flash or DRAM shipment estimates. Apart from reduced revenue estimates, we also lower our gross margin estimates to account for the reduced ASP estimates. Our changes in net income/EPS estimates are largely a function of changes in our revenue and gross profit estimates. We believe it is a good time to make these changes now as a result of the narrower shortages, moderating price hikes, and potentially delays in 2028 US cloud capex.

Winbond: Valuation Methodology

We cut our price target to NT$120

We continue to apply P/B multiple methodology to derive our price target, in line with our approach for Greater China memory IDM peers and in view of the industry's high earnings volatility. Our price target (base case scenario value) is set at 1.2x 2027e BVPS vs. our prior target multiple of 2.9x 2027e BVPS, to reflect the potential peak in pricing power. Our 1.2x target P/B is above our 1.0x P/B valuation anchor – we still favor the company's CUBE and S-SiCap businesses for their long-term potential. We see 1.0x P/B as the downside valuation anchor because book value provides a psychological support level for capital-intensive IDM/foundry stocks during cyclical downturns. When earnings are temporarily depressed, investors typically place greater weight on the underlying net asset base.

Our base case value/price target cut of 58% is almost entirely a function of reduced target multiple, rather than change in 2027e BVPS, which declines only 2% in our new estimate.

Our bull case value is reduced from NT$342 to NT$180, and our bear case value is reduced from NT$118 to NT$50, based on 1.8x and 0.5x 2027e BVPS, respectively (previously 3.4x and 1.2x).

We downgrade Winbond to EW

We continue to like the CUBE and S-SiCap businesses for longer-term potential, but we see near-term pressure from NOR, SLC NAND, and DDR4 businesses, in all of which industry supply is ramping faster than demand is increasing, especially as global cloud capex may face partial delay from 2028 to 2029. We believe the stock still has strong valuation support at 1.0-1.2x P/B, and therefore we believe an EW rating is fair.

Risk Reward – Winbond Electronics Corp (2344.TW)

Pricing power may be peaking; still positive on CUBE and SiCap; EW

PRICE TARGET NT$120.00

Base case, 1.2x 2027e P/B. This method is in line with the approach we adopt for Greater China memory IDM peers, in view of the industry's high volatility. Our target P/B is above our 1.0x P/B valuation anchor becaiuse we still favor the company's CUBE and S-SiCap businesses for their long-term potential.

Consensus Price Target Distribution

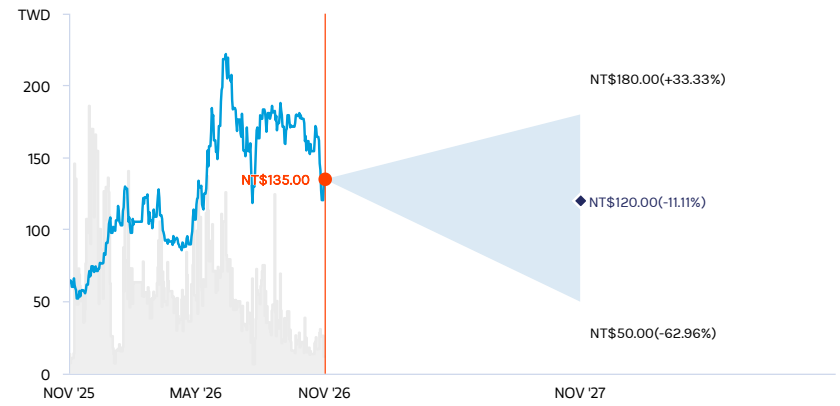
RISK REWARD CHART



Key: Historical Stock Performance Current Stock Price Price Target

Source: Refinitiv, Morgan Stanley Research

EQUAL-WEIGHT THESIS

- Rising uncertainty over cloud spending weakens confidence in incremental enterprise demand, while much weaker consumer demand challenges customers' ability to absorb further price hikes
- Capacity expansion captures market upside but may create utilization or margin issues should pricing peak.
- We share management's view that CUBE could be meaningful in 2026, given engagement with multiple foundry partners and customers.
- We see potential for several headwinds for the logic business.
- Our price target implies 1.2x 2027e P/B, above our 1.0x P/B valuation anchor. Wwe still favor the company's CUBE and S-SiCap businesses for their long term potential

BULL CASE NT$180.00

1.8x 2027e BVPS

Stronger pricing trends: Flash wafer prices increase 30%+ Y/Y in 2027 and 10%+ Y/Y in 2028; DRAM ASP per bit rises 40%+ Y/Y in 2027 and 10%+ Y/Y in 2028.

BASE CASE NT$120.00

1.2x 2027e BVPS

Stabilizing ASP: Flash wafer prices increase 22% Y/Y in 2027 and decline 7% Y/Y in 2028; DRAM ASP per bit rises 25% Y/Y in 2027 and 1% Y/Y in 2028.

BEAR CASE NT$50.00

0.5x 2027e BVPS

Worse pricing trends than expected: Flash wafer prices increase 10% Y/Y in 2027 and decline 20%+ Y/Y in 2028; DRAM ASP per bit rises 10% Y/Y in 2027 and decline 10% Y/Y in 2028.

Risk Reward – Winbond Electronics Corp (2344.TW)

KEY EARNINGS INPUTS

Drivers	Dec 2025	Dec 2026e	Dec 2027e	Dec 2028e

RISKS TO PT/RATING

RISKS TO UPSIDE

- NOR Flash pricing increase, driven by stronger-than-expected demand
- Stronger-than-expected DRAM pricing given ongoing supply shortage
- Faster-than-expected SLC NAND development

RISKS TO DOWNSIDE

- NOR Flash down-cycle, driven by weaker demand
- Lower-than-expected DRAM pricing given ongoing oversupply
- Slower-than-expected SLC NAND development

GigaDevice: Estimate Revisions and Quarterly Financials

We cut our EPS estimates 25% for 2026, 36% for 2027, and 33% for 2028: The 2026e EPS change mainly reflects actual 2Q26 and 3Q26 results. The 2027e and 2028e EPS changes reflect a potential peak in pricing power across DDR4, NOR Flash, and SLC NAND. We now reduce our DRAM and others revenue estimates throughout 2027-2028 and 43% into 4Q28, mainly reflecting changes in our DDR4 ASP estimates. We also reduce our Flash (including NOR and SLC NAND) ASP estimates throughout 2027-2028 and 25% into 4Q28, without changing our Flash shipment estimates. We did not materially change our GM assumptions. Our changes in net income/EPS estimates are largely a function of changes in our revenue and gross profit estimates. We believe it is a good time to make these changes now as a result of the narrower shortages, moderating price hikes, and potential delay in 2028 US cloud capex.

GigaDevice: Valuation Methodology

We cut our price target to Rmb259

We continue to derive our price target, which is our base case value, from a residual income model. We believe this best captures the stock's long-term value.

Our base case value cut of 65% can be attributed ~33% to earnings estimate revisions, as has been elaborated, and ~33% from multiple compression, driven by intermediate growth rate cut and beta increase. (Note: the overall price target change is calculated from the fully revised RI model. The individual contribution estimates are illustrative and should not be added together or compounded to derive the overall change.).

We cut our intermediate growth rate to 8.0% from 11.3% to reflect stronger changes in the supply environment compared to the end market demand over the medium to long term. The potential peak in pricing power for niche memory (DDR4, SLC, MLC, NOR) and the potential delay of 2028 US cloud capex now suggest slower revenue growth for GigaDevice from 2026 to 2036. We think a 3.3ppt p.a. growth rate cut reflects the new supply/demand dynamics with a closer gap.

We also raise our beta to 1.50 from 1.14, leading our cost of equity assumption to rise to 11.8% from 9.4%. This reflects a cautious valuation scenario, to account for the recent memory segment volatility, 70%+ correction from the stock price peak in June, and the fabless model, which does not provide a floor support for valuation similar to the IDM model. The elevated beta reflects the company's exposure to rapidly changing niche memory pricing dynamics that could severely affect earnings with a downward bias compared to our financial forecasts.

Our other key assumptions remain unchanged, including equity risk premium of 6.5%, risk-free rate of 2% and payout ratio of 40%.

Our bull case value falls to Rmb448 from Rmb1,300, and our bear case value to Rmb112 from Rmb324.

We downgrade GigaDevice to EW

We still see the company as a domestic leader in MCU localization and believe its customized DRAM business could show a revenue ramp over the next 1-2 years. We also still like its strategic partnership with CXMT, which provides both capacity support and process tech improvements. However, we see near-term pressure from the NOR, SLC NAND, and DDR4 businesses, in all of which industry supply is ramping faster than demand increase, especially as global cloud capex may face partial delay from 2028 to 2029. Fabless design houses do not face depreciation and utilization issues during a down-cycle, but at the same time they lack a similar valuation anchor as IDM/foundry players from their book value, and therefore we see potentially continued high volatility ahead.

Our new price target implies a 2027e P/E of 9x, below the historical average of 38x since 2016, owing to changes in pricing power.

Risk Reward – GigaDevice Semiconductor Beijing Inc (603986.SS)

Cautious on peaking niche DRAM pricing power; EW

PRICE TARGET Rmb259.00

Base case value, derived from our residual income model. Key assumptions: cost of equity of 11.8% (beta 1.5, risk-free rate 2%, and risk premium 6.5%), a payout ratio of 40%, medium-term growth rate of 8.0%, and a terminal growth rate of 2.5%.

Consensus Price Target Distribution

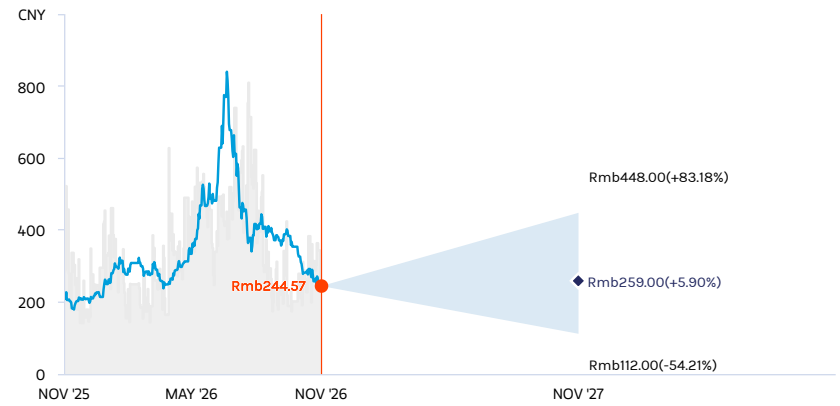
RISK REWARD CHART



Key: Historical Stock Performance Current Stock Price Price Target

Source: Refinitiv, Morgan Stanley Research

EQUAL-WEIGHT THESIS

- We expect GigaDevice to continue to gain share in China's MCU market. Auto MCUs offer bigger opportunities as local self-sufficiency is low.
- Rising uncertainty over cloud spending weakens confidence in incremental enterprise demand, while much weaker consumer demand challenges customers' ability to absorb further hikes
- We believe GigaDevice will ramp up 16G LPDDR4 and 32G DDR4 at CXMT's Gen 4 platform in 2027.
- Our price target implies 2027e P/E of 9x, below the historical average of 38x from 2016, reflecting multiple compression amid growth uncertainties.

BULL CASE Rmb448.00

15x 2027e EPS

NOR, SLC, and DRAM prices continue rising into 2027-28; MCU growth accelerates; meaningful WoW contribution: 1) Flash sales rise 80% and 20% Y/Y in 2027 abd 2028; 2) MCU rises 30% and 20% in 2027 and 2028; 3) meaningful contribution from WoW into 2028; 4) DRAM and others grows 60% and 40% in 2027 and 2028.

BASE CASE Rmb259.00

9x 2027e EPS

NOR, SLC, and DRAM prices stabilizes into 2027/28; MCU growth continues; moderate WoW contribution: 1) Flash sales rise 54% Y/Y in 2027 and 0% Y/Y in 2028; 2) MCU rises 16% and 23% in 2027 and 2028%; 3) moderate contribution from WoW into 2028; 4) DRAM and others rises 36% in 2027 but drops 7% in 2028.

BEAR CASE Rmb112.00

4x 2027e EPS

NOR, SLC, and DRAM prices decline in 2027-28; MCU growth stalls; WoW contribution delays: 1) Flash sales grow 20% Y/Y in 2027 but drop 10% Y/Y in 2028; 2) MCU rises 10% in 2027 but 0% in 2028; 3) limited contribution from WoW into 2028; 4) DRAM and others grows 20% in 2027 but drops 20% in 2028.

PSMC: Earnings Estimate Revisions

We adjust our EPS forecasts +10% for 2026 and -11% each for 2027 and 2028: The 2026e EPS change mainly reflects actual 2Q26 and 3Q26 results. The 2027e and 2028e EPS changes reflect a potential peak in pricing power across DDR3/3 and SLC NAND. We now reduce our DRAM wafer ASP estimates throughout 2027-2028 and 19% into 4Q28, without changing our DRAM wafer shipment estimates. We did not materially change our GM assumptions. Our changes in net income/EPS estimates are largely a function of changes in our revenue and gross profit estimates. We believe it is a good time to make these changes now as a result of the narrower shortages, moderating price hikes, and potential delay in 2028 US cloud capex.

PSMC: Valuation Methodology

Our price target is cut to NT$54

We incorporate our revised estimates and maintain our P/B valuation methodology. Our new target, which is our base case value, is based on a 2027e P/B of 1.0x, down from 2.0x previously – below the historical average of 1.5x since 2021, to reflect pricing uncertainties.

Our base case value/price target cut of 51% is almost entirely a result of target multiple reduction, rather than change in 2027e BVPS, which declined only 1.5% in our new estimate. For PSMC, we use 1.0x P/B as the downside valuation anchor – book value provides a psychological support level for capital-intensive IDM/foundry stocks during cyclical downturns. When earnings are temporarily depressed, investors typically place greater weight on the underlying net asset base.

We decrease our bull case value from NT$177 to NT$86 and our bear case value from NT $55 to NT$27, implying 1.6x and 0.5x 2027e P/B, respectively.

We downgrade PSMC to EW

We are positive on the company's emerging 3D AI foundry business, and we believe PSMC is well positioned to benefit from its Micron partnership, including front-end migration to the one-year process node and back-end opportunities in advanced DRAM production (e.g., HBM). The company is also catching up with the DRAM pricing up-cycle.

At the same time, its logic foundry business is set to enjoy continued price hikes into 2027. However, on its memory foundry side, we see near-term pressure from DDR3/4, in which industry supply is ramping faster than demand is increasing, especially as global cloud capex may face partial delay from 2028 to 2029.

We believe the stock still has strong valuation support at 1.0x P/B, and therefore we believe an EW rating is fair.

Risk Reward – Powerchip Semiconductor Manufacturing Co (6770.TW)

Pricing power uncertain, while 3D AI foundry offers upside; EW

PRICE TARGET NT$54.00

Base case, 1.0x 2027e P/B. This method is in line with our approach for Greater China memory IDM players, in view of the industry's high volatility. Our 1.0x target P/B is lower than the historical average of 1.5x since 2021, reflecting DDR3/4 pricing uncertainties. We use 1.0x P/B as the downside valuation anchor. Book value provides a psychological support level for capital-intensive IDM/foundry stocks during cyclical downturns.

Consensus Price Target Distribution

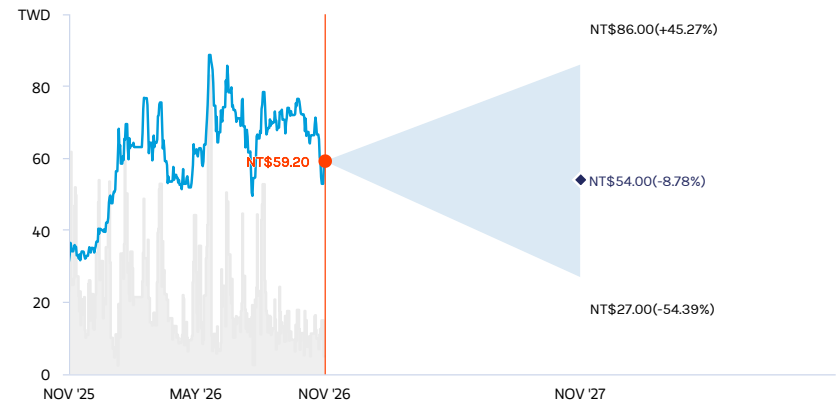
RISK REWARD CHART



Key: Historical Stock Performance Current Stock Price Price Target

Source: Refinitiv, Morgan Stanley Research

EQUAL-WEIGHT THESIS

- We expect a mature node capacity shortage in 2H27, reflecting fast growth of AI power ICs as a key part of future AI infrastructure.
- 3D AI foundry business is expected to be a major revenue contributor - we expect it to make up 5%, 10% and 14% of total revenue in 2026-28, respectively.
- However, DDR3/4 pricing power may be peaking .
- Our new target is based on 2027e P/B of 1.0x, below the historical average of 1.5x since 2021, reflecting DDR3/4 pricing uncertainties. We use 1.0x P/B as the downside valuation anchor - book value provides a psychological support level for capital-intensive IDM/foundry stocks during cyclical downturns.

BULL CASE NT$86.00

1.6x 2027e BVPS

Strong sales growth with gross margin expansion: Our assumptions include: 1) a revenue CAGR of >40% in 2025-28; 2) gross margin expanding to 45%+ by 2028; 3) mature node foundry up-cycle longer than expected; 4) faster revenue ramp-up of 3D AI foundry business; 5) specialty DRAM pricing stronger than expected, with PSMC's DRAM foundry ASP rising +30% and +5% in 2027/28 respectively.

BASE CASE NT$54.00

1.0x 2027e BVPS

Revenue growth with gross margin improvement: Our assumptions include: 1) a revenue CAGR of 36% in 2025-28; 2) a gross margin increase to 43% by 2028; 3) a mature node foundry up-cycle; 4) additional contribution from 3D AI foundry business; 5) specialty DRAM pricing stabilizing, with PSMC's DRAM foundry ASP growing +14.0% in 2027 and declining 5.4% in 2028.

BEAR CASE NT$27.00

0.5x 2027e BVPS

Revenue decline with gross margin erosion: Our assumptions include: 1) a revenue CAGR in the single digits (%) in 2025-28; 2) gross margin of <10% by 2028; 3) mature node foundry capacity no longer in shortage; 4) delays in revenue contribution from 3D AI foundry business; 5) specialty DRAM pricing decreasing sharply, with PSMC's DRAM foundry ASP rising +5% in 2027 but dropping 15% in 2028.

Risk Reward – Powerchip Semiconductor Manufacturing Co (6770.TW)

KEY EARNINGS INPUTS

MS ALPHA MODELS

2/5 MOST — 3 Month Horizon

Source: Refinitiv, FactSet, Morgan Stanley Research; 1 is the highest favored Quintile and 5 is the least favored Quintile

RISKS TO PT/RATING

RISKS TO UPSIDE

- AI data center capacity globally holds up strongly.
- Pricing power is sustained in 2027 and 2028.
- Listing on main board attracts fund flows.
- Aluminum process enjoys higher margins.

RISKS TO DOWNSIDE

- AI data center additions face delays.
- Competition from China intensifies.
- Prices erode faster than expected.
- Demand from consumer electronics clients weakens further.
- Supply chain inventory takes longer to digest.

Macronix: Earnings Estimate Revisions

We cut our 2026, 2027, and 2028 EPS forecasts 14%, 20%, and 21%, respectively: The 2026e EPS change mainly reflects actual 3Q26 results. The 2027e and 2028e EPS changes reflect a potential peak in pricing power across NOR and MLC/SLC NAND. We now reduce our NAND and /NOR wafer ASP estimates throughout 2027-2028 and 15% and 8% into 4Q28 respectively, without changing our wafer shipment estimates. We did not materially change our GM assumptions. Our changes in net income/EPS estimates are largely a function of changes in our revenue and gross profit estimates. We believe it is a good time to make these changes now as a result of the narrower shortages, moderating price hikes, and potential delay in 2028 US cloud capex.

Macronix: Valuation Methodology

We cut our price target to NT$90 from NT$220

We continue to use a P/B multiple methodology to derive our price target, which is our base case value, in line with our approach for Greater China memory IDM peers and in view of the industry's high volatility. Our new target is based on a 2027e P/B of 1.0x, down from 2.1x previously – below the average of 1.5x since 2017, given the potential peak in pricing power for NOR and SLC/MLC NAND. For Macronix, we now use 1.0x P/B as the downside valuation anchor because book value provides a psychological support level for capital-intensive IDM/foundry stocks during cyclical downturns. When earnings are temporarily depressed, investors typically place greater weight on the underlying net asset base.

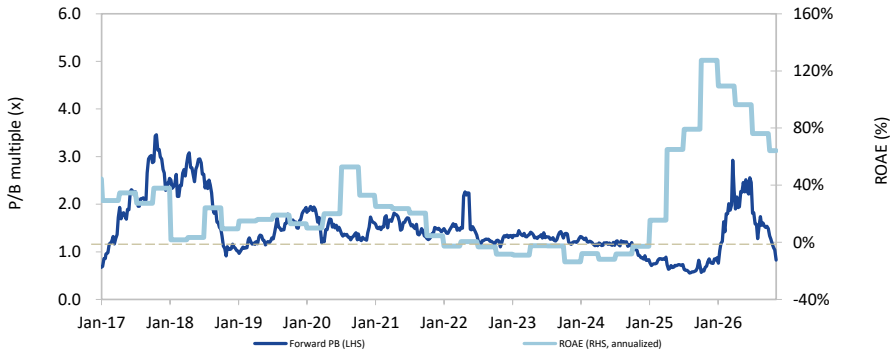
Our base case value/price target cut of 59% reflects both target multiple reduction and a 15% 2027 BVPS estimate reduction (relatively large because of a smaller base).

We cut our bull case value from NT$355 to NT$145, which is 1.6x our 2027e BVPS. We cut our bear case value from NT$100 to NT$41, which is 0.5x our 2027e BVPS.

We downgrade Macronix to EW

We continue to like its unique position in MLC NAND as the only major supplier still ramping up capacity. However, we do see near-term pressure from NOR, DDR3/4, and even SLC/MLC NAND, in all of which industry supply is ramping faster than demand is increasing, especially as global cloud capex may face partial delay from 2028 to 2029. We believe the stock still has strong valuation support at 1.0x P/B, and therefore we believe an EW rating is fair.

Exhibit 31: Forward P/B vs. ROAE



Source: Factset, Morgan Stanley Research

Risk Reward – Macronix International Co Ltd (2337.TW)

Pricing power may be peaking; EW

PRICE TARGET NT$90.00

Base case, P/B, in line with our Greater China memory coverage, given the industry's cyclical nature. We apply a target multiple of 1.0x to our 2027 BVPS estimate vs. its historical average of 1.5x since 2017, given the potential peak in pricing power of NOR and SLC/MLC NAND. We use 1.0x P/B as the downside valuation anchor. Book value provides a psychological support level for capital-intensive IDM/foundry stocks during cyclical downturns.

Consensus Price Target Distribution

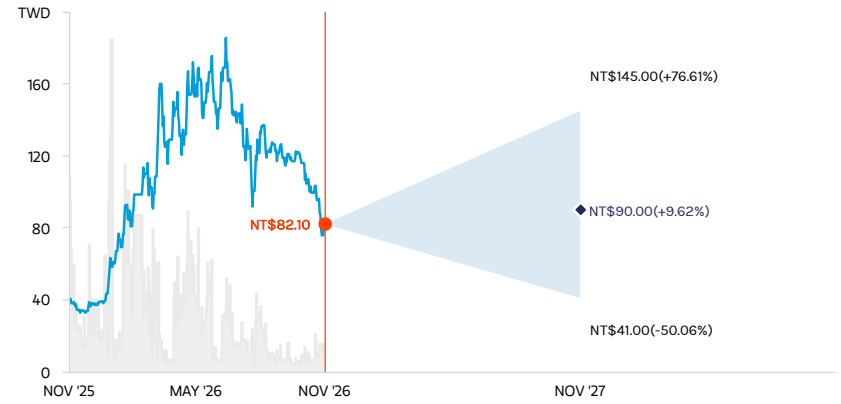
RISK REWARD CHART



Key: Historical Stock Performance Current Stock Price Price Target

Source: Refinitiv, Morgan Stanley Research

EQUAL-WEIGHT THESIS

- Rising uncertainty over cloud spending weakens confidence in incremental enterprise demand, while much weaker consumer demand challenges customers' ability to absorb further price hikes
- Capacity expansion captures market upside but may create utilization or margin issues should pricing peak.
- Our price target is set at 1.0x 2027e P/B, vs the average of 1.5x since 2017, given the potential peak in pricing power of NOR and SLC/MLC NAND. For Macronix, we now use 1.0x P/B as the downside valuation anchor - book value provides a psychological support level for capital-intensive IDM/foundry stocks during cyclical downturns.

Consensus Rating Distribution

Risk Reward Themes

Secular Growth: *Negative*

View descriptions of Risk Rewards Themes here

BULL CASE NT$145.00

1.6x 2027e BVPS

Pricing power remains stronger for longer: NAND wafer ASP rises 40% and 20% in 2027 and 2028, while NOR wafer ASP rises 40% and 20% in 2027/28.

BASE CASE NT$90.00

1.0x 2027e BVPS

Pricing power may be peaking into 2027: NAND wafer ASP rises 18% and 0% in 2027 and 2028, while NOR wafer ASP rises 25% and 0% in 2027 and 2028.

BEAR CASE NT$41.00

0.5x 2027e BVPS

Pricing significantly declines beyond 2027: NAND wafer ASP grows 10% in 2027 but drops 10% in 2028, while NOR wafer ASP rises 10% in 2027 but drops 110% in 2028.

Risk Reward – Macronix International Co Ltd (2337.TW)

1/5 MOST — 3 Month Horizon

Source: Refinitiv, FactSet, Morgan Stanley Research; 1 is the highest favored Quintile and 5 is the least favored Quintile

RISKS TO PT/RATING

RISKS TO UPSIDE

- Wider legacy NAND supply/demand gap
- NOR up-cycle, driven by limited supply expansion and/or stronger demand
- Faster growth for Switch hardware and core titles
- Healthy utilization; sustained margins

RISKS TO DOWNSIDE

- Less severe legacy NAND supply/demand gap
- NOR down-cycle, driven by faster supply expansion and/or demand weakness
- Slower growth for Switch hardware and core titles
- Weak utilization; margin erosion

Nanya Tech: Estimate Revisions and Quarterly Financials

Our 2026 estimates are unchanged; we cut our 2027 and 2028 EPS estimates 7% and 9%,respectively: We factor in a potential peak in DDR3/4 pricing power, which affects Nanya Tech's top line and margins. We now reduce our Nanya Tech DRAM ASP per bit estimates throughout 2027-2028 and 6% into 4Q28, without changing our wafer shipment estimates. We did not materially change our GM assumptions. Our changes in net income/EPS estimates are largely a function of changes in our revenue and gross profit estimates. We believe it is a good time to make these changes now as a result of the narrower shortages, moderating price hikes, and potential delay in 2028 US cloud capex.

Nanya Tech: Valuation Methodology

We cut our price target from NT$600 to NT$550

Our price target (base case scenario value) reflects a target BVPS multiple of 2.04x for 2027 (was 4.47x) versus ROE of 59% for 2027. We lower our target multiple to reflect potential peak in DDR4 pricing power and recent memory segment volatility. For Nanya Tech, our new base case target P/B multiple of 2.04x P/B is stronger than our downside valuation anchor of 1.0x P/B for capital-intensive IDM/foundry stocks. This is because we expect Nanya to remain relatively resilient compared to other DDR4 players in our coverage, given stronger process technology and potential DDR5 migration.

Our base case value/price target cut of 8% reflects both target multiple reduction and BVPS estimate adjustment of 3% arising from earnings estimate revisions.

We cut our bull and bear case values from NT$1,270 and NT$330 to NT$1,150 and NT $300, respectively -- 4.27x and 1.12x 2027e BVPS.

We remain OW

Despite potentially peaking pricing power seen in DDR4, we remain positive on DDR5 in view of continued strong demand from servers. Nanya is already producing DDR5 on its second-generation 10-nm process, with DDR5 contributing ~10% of revenue; its next process enters customer qualification in 1Q27, and EUV implementation is targeted for 2028. This establishes its edge in process technology vs the other DDR4 vendors in our coverage and a stronger position in DDR5 migration. Valuation is also attractive, in our view. Therefore, we remain OW on Nanya Tech.

Risk Reward – Nanya Technology Corp. (2408.TW)

Still resilient during a DDR4 pricing power debate; OW

PRICE TARGET NT$550.00

Base case, P/B. We expect the stock to trade at 2.04x 2027e BVPS, justified by 2027e ROE of 59%. We think NTC is well positioned compared to other DDR4 players given stronger process technology and the DDR5 migration. Thus, we ascribe a multiple stronger than our downside valuation anchor of 1.0x P/B for capital-intensive IDM/foundry stocks.

Consensus Price Target Distribution NT$150.00 — NT$632.64 — MS PT — NT$800.00

Source: Refinitiv, Morgan Stanley Research

◆ Mean ◆ Morgan Stanley Estimates

OVERWEIGHT THESIS

- Major memory suppliers are gradually exiting the DDR4 market, benefiting existing Taiwanese players, including Nanya Tech.
- We factor in a potential peak in DDR4 pricing power. However, we expect Nanya to remain relatively resilient compared to other DDR4 players in our coverage, given stronger process technology and potential DDR5 migration.
- Thus, we set our price target at P/B of 2.04x for 2027e, stronger than our downside valuation anchor of 1.0x P/B for capital-intensive IDM/foundry stocks.

BULL CASE NT$1,150.00

4.3x 2027e BVPS

DDR4 pricing continues to rise: Supply ramp is slower than expected. 1a/1b ramp and DDR5 migration are faster than expected.

BASE CASE NT$550.00

2.0x 2027e BVPS

DDR4 pricing remains stable: Supply ramp is offset by demand improvement. 1a/1b ramp and DDR5 migration continue, providing upside.

BEAR CASE NT$300.00

1.1x 2027e BVPS

DDR4 pricing declines drastically: Supply ramp is faster than expected. 1a/1b ramp and DDR5 migration are slower than expected.

AP Memory: Estimate revisions summary

We adjust our EPS estimates +21% for 2026, +2% for 2027, and -12% for 2028: We factor in 3Q26 preliminary results. We adjust our 2028 forecasts mainly to account for supply chain risks. We note that the company's IoTRAM is less affected by volatility of typical commodity DRAM pricing. The 2027e and 2028e EPS changes mainly reflect supply chain uncertainties around S-SiCap. We now reduce our S-SiCap unit shipment estimates throughout 2027-2028 and 50%+ into 4Q28. We also slightly reduced our IoT RAM ASP estimates throughout 2027-28 to reflect peaking DDR3/4 pricing power. In addition, we reduced our GM assumptions across product lines to reflect potential peak in pricing power and supply chain uncertainties. Our changes in net income/EPS estimates are largely a function of changes in our revenue and gross profit estimates. We believe it is a good time to make these changes now as a result of the narrower shortages, moderating price hikes, and potential delay in 2028 US cloud capex.

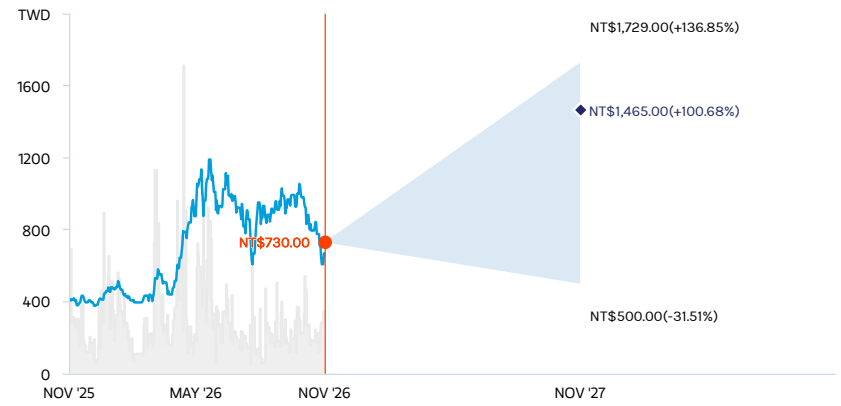
Risk Reward – AP Memory Technology Corp (6531.TW)

Multiple growth drivers ahead; OW

PRICE TARGET NT$1,465.00

Base case, derived from a residual income model. Key RI model assumptions include cost of equity constant at 9.2% (2.0% risk-free rate, 6.0% risk premium, 1.2 beta); medium-term growth rate of 16.0%; terminal growth rate of 3.0%; and payout ratio of 67%.

RISK REWARD CHART



Key: Historical Stock Performance ● Current Stock Price ◆ Price Target

Source: Refinitiv, Morgan Stanley Research

OVERWEIGHT THESIS

- S-SiCap revenue is likely to ramp in 2026-27, and be further driven by new IPD interposer opportunities into 2028.
- Memory bandwidth and power consumption are the next issues to be resolved in AI computing, and we believe AP Memory's wafer-on wafer (WoW) packaging technology could be an effective solution.
- The company expects memory business to be stable in the near term.
- Overall AI business should continue to rise in the mix – a positive read for the margin profile.
- Our price target implies 41x 2027e P/E, roughly in line with the historical average since 2020. On this basis, we find valuation attractive.

BULL CASE NT$1,729.00

48x 2027e EPS

Faster-than-expected AI and IPD business progress with PSRAM generating more cash flow: We assume: 1) WoW packaging revenue to reach >NT$10bn, and S-SiCap revenue to reach >NT$10bn by 2028; 2) total revenue to rise at a 55%+ CAGR, 2025-28; and 3) gross margin to increase from 46.5% in 2025 to 60%+ by 2028.

BASE CASE NT$1,465.00

41x 2027e EPS

Fast-growing AI and IPD business, with PSRAM generating stable cash flows: We expect: 1) WoW revenue to reach NT$11bn+, and S-SiCap revenue to reach NT$6bn+ by 2028; 2) total revenue to rise at a ~80% CAGR, 2025-28; and 3) gross margin to increase from 46.5% in 2025 to ~50% in 2028.

BEAR CASE NT$500.00

14x 2027e EPS

Slower-than-expected AI and IPD business progress, with PSRAM facing intensifying competition: We assume: 1) WoW packaging revenue of ~NT$1.5bn, and S-SiCap revenue of ~NT$2bn by 2028; 2) total revenue to rise at a 10-15% CAGR, 2025-28; and 3) gross margin to remain at ~51% by 2028.

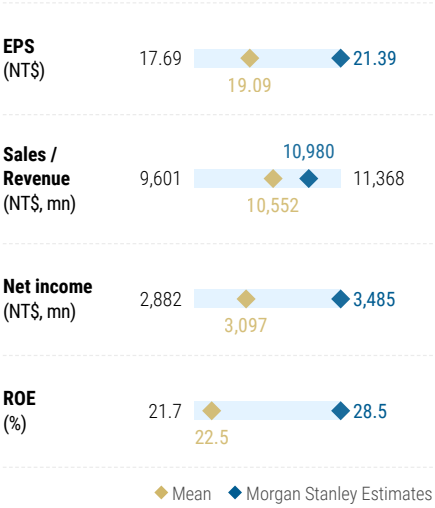
MS ESTIMATES VS. CONSENSUS

FY Dec 2026e



Source: Refinitiv, Morgan Stanley Research

Phison: Estimate Revisions

We adjust our 2026, 2027, and 2028 EPS estimates: We factor in 3Q26 results, which demonstrated continued revenue growth (+27% Q/Q) but also gross margin decline (59.7% in 3Q, down from 65.3% in 2Q). In 4Q26 and 2027, we expect emerging weakness from consumer tech and a more moderate pricing environment to result in 4Q revenue decline, with GM starting to normalize. We think normalized GM is likely to extend into 2028.

We present further discussion of our EPS estimates under Valuation Methodology.

Phison: Valuation Methodology

We cut our price target from NT$2,588 to NT$1,357

Our price target is our base case value, derived from a residual income (RI) model. Our cut reflects our latest earnings estimates. We also cut our terminal growth rate assumption from 4.0% to 3.0% to be broadly in line with a conservative estimate of long-term nominal economic growth in developed economies. We believe this is appropriate for Phison because rising storage demand should support continued growth, while declining NAND prices per bit, competition, and maturing SSD penetration should limit the conversion of volume growth into earnings growth, bringing its growth closer to that of the broader economy over time.

Our other RI parameters are unchanged, including a cost of equity of 9.0%, a medium-term growth rate of 9.0%, and a dividend payout ratio assumption of 50.0%.

Apart from the earnings estimate revisions and terminal growth rate change, a material part of the price target change is driven by an error in the previously published residual income model (August 2026). The error has now been corrected. In the previous RI model, the 2028e net income was mistakenly calculated as 2027e net income * (1+ intermediate growth rate), where it should have been linked to the actual 2028e net income forecast. This overstated the previous price target.

Our earnings estimates have also changed materially from the previously published version: they increase 12% for 2026, 60% for 2027, and 37% for 2028. This mainly reflects higher GM assumptions of 61.2%, 51.9%, and 42.0%, respectively; previously we assumed 60.1%, 43.4%, and 39.5%.

Our base case value/price target is lowered 48%, of which roughly +37% is contributed by earnings estimate revisions, -6% is contributed by terminal growth rate reduction, and -83% is contributed by the correction of the prior RI model error. (The overall price target change is calculated from the fully revised RI model. The individual contribution estimates are illustrative and should not be added together or compounded to derive the overall change.)

We cut our bull and bear case values from NT$3,400 and NT$1,250 to NT$1,782 and NT $655, respectively, implying 8.4x 2027e EPS in the bull case and 3.1x 2027e EPS in the bear case.

We downgrade Phison to UW

The company hopes its AiDaptive module and service business can pick up and offset the margin pressure in the conventional module business in the coming quarters, which we believe is worth monitoring. However, its 3Q GM of 59% missed the Street estimate of 60.3%; we see this as a potential sign that the previously strong margin profile supported by low-cost inventory may start to face more downside. Specifically, the AI storage part of its business (eSSD, and cSSD for AI PC, together 40% of revenue) may face margin decline. This is what we have been cautious about, and we see the 3Q margin miss as having provided a good opportunity to downgrade this stock, which we view as

overvalued based on our revised assumptions.

Risk Reward – Phison Electronics Corp (8299.TWO)

AI still drives NAND market, but caution on GM decline; UW

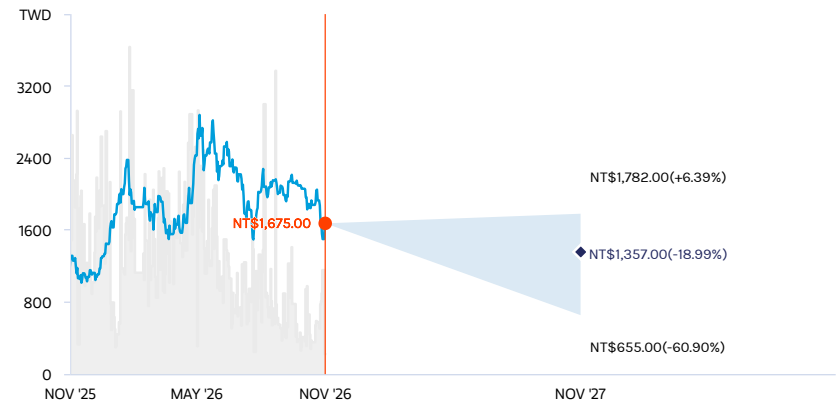
PRICE TARGET NT$1,357.00

Base case, residual income model. Key assumptions: a cost of equity of 9.0%, a medium-term growth rate of 9.0%, a terminal growth rate of 3.0%, and a dividend payout ratio assumption of 50%.

Consensus Price Target Distribution

Source: Refinitiv, Morgan Stanley Research

RISK REWARD CHART



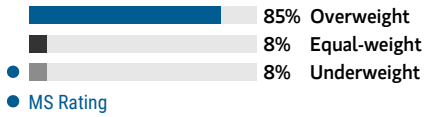
Key: Historical Stock Performance ● Current Stock Price ◆ Price Target

Source: Refinitiv, Morgan Stanley Research

UNDERWEIGHT THESIS

- AI-driven storage demand is extending the industry up-cycle, but we see limited upside for module vendors given constrained NAND supply, FIFO-driven margin normalization, and weakening consumer SSD demand amid elevated NAND prices.
- eSSD and AI-related storage form meaningful growth opportunities for Asian module house vendors such as Phison. Even so, we believe the scale remains insufficient to offset broader consumer SSD weakness.
- We see risks in execution as raw NAND suppliers are looking to cut support further to module houses to prioritize their other customers. Industry average for shipments is -40% YoY, which could create risks for Phison.
- We find valuation unattractive.

Consensus Rating Distribution



Source: Refinitiv, Morgan Stanley Research

BULL CASE NT$1,782.00

8.4x 2027e EPS

Growing SSD demand and limited supply growth prompt NAND flash shortages; SSD market growth accelerates: 1) Revenue increases at a CAGR of >40% over 2025-28; 2) gross margin is at 50-60% in 2028 vs. 61% in 2026.

BASE CASE NT$1,357.00

6.4x 2027e EPS

A good year for NAND modules in 2026, but we doubt it can be sustained into 2027: 1) Revenue increases at a CAGR of 29% over 2025-28e; 2) gross margin decreases to 42% in 2028 from 61% in 2026, as NAND pricing normalizes and low cost inventory is depleted.

BEAR CASE NT$655.00

3.1x 2027e EPS

No outsourcing from Micron, low SSD market growth, NAND flash prices drop more than in our base case: 1) Revenue increases at a CAGR of <10% in 2025-28; 2) gross margin faces more significant erosion, to <30% in 2028 from 61% in 2026, as NAND pricing decreases faster than expected.

Risk Reward – Phison Electronics Corp (8299.TWO)

KEY EARNINGS INPUTS

Drivers	Dec 2025	Dec 2026e	Dec 2027e	Dec 2028e
Flash module revenue Y/Y (%)	22.0	354.0	(19.0)	(28.1)
Flash controller IC revenue Y/Y (%)	44.7	22.4	(28.2)	(3.1)
Flash module gross margin (%)	33.5	63.0	52.3	41.8
Flash controller IC gross margin (%)	43.9	44.2	43.2	43.3

INVESTMENT DRIVERS

- Rising NAND flash prices
- Higher SSD penetration rate
- Adoption of solution by key OEMs

GLOBAL REVENUE EXPOSURE

MS ALPHA MODELS

1/5 MOST — 3 Month Horizon

Source: Refinitiv, FactSet, Morgan Stanley Research; 1 is the highest favored Quintile and 5 is the least favored Quintile

RISKS TO PT/RATING

RISKS TO UPSIDE

- Faster-than-expected eMMC controller IC outsourcing rate
- Faster SSD market growth
- Market share gain in ultrabooks and SSDs

RISKS TO DOWNSIDE

- Weaker-than expected NAND demand
- Milder impact on global NAND supply
- Non-acceptance of price hikes on NAND modules
- Risks in execution as raw NAND suppliers reprioritize

Within the last 12 months, Morgan Stanley managed or co-managed a public offering (or 144A offering) of securities of Alchip Technologies Ltd, Iluvatar CoreX Semiconductor Co., Ltd., MediaTek, Montage Technology Co Ltd, Powerchip Semiconductor Manufacturing Co, UMC.

Within the last 12 months, Morgan Stanley has received compensation for investment banking services from ASMPT Ltd, Iluvatar CoreX Semiconductor Co., Ltd., MediaTek, Montage Technology Co Ltd, Powerchip Semiconductor Manufacturing Co, Silicon Motion, UMC.

In the next 3 months, Morgan Stanley expects to receive or intends to seek compensation for investment banking services from Advanced Micro-Fabrication Equipment Inc, Alchip Technologies Ltd, AP Memory Technology Corp, ASE Technology Holding Co. Ltd., ASMedia Technology Inc, ASMPT Ltd, Aspeed Technology, CXMT Corp, Espressif Systems, GigaDevice Semiconductor Beijing Inc, GlobalWafers Co Ltd, Gudeng Precision, Himax Technologies Inc, Hua Hong Semiconductor Ltd, Iluvatar CoreX Semiconductor Co., Ltd., Innoscience, King Yuan Electronics Co Ltd, Macronix International Co Ltd, MediaTek, MetaX Integrated Circuits, Montage Technology Co Ltd, Novatek, Parade Technologies Ltd, Phison Electronics Corp, Powerchip Semiconductor Manufacturing Co, Realtek Semiconductor, SG Micro Corp., SICC Co Ltd, Silergy Corp., Silicon Motion, TSMC, UMC, Universal Scientific Ind. (Shanghai), Vanguard International Semiconductor, Winbond Electronics Corp, WPG Holdings, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley has received compensation for products and services other than investment banking services from ASE Technology Holding Co. Ltd., King Yuan Electronics Co Ltd, MediaTek, Nanya Technology Corp., Novatek, Nuvoton Technology Corporation, Realtek Semiconductor, Silicon Motion, SMIC, TSMC, UMC, Universal Scientific Ind. (Shanghai), Winbond Electronics Corp, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley has provided or is providing investment banking services to, or has an investment banking client relationship with, the following company: Advanced Micro-Fabrication Equipment Inc, Alchip Technologies Ltd, AP Memory Technology Corp, ASE Technology Holding Co. Ltd., ASMedia Technology Inc, ASMPT Ltd, Aspeed Technology, CXMT Corp, Espressif Systems, GigaDevice Semiconductor Beijing Inc, GlobalWafers Co Ltd, Gudeng Precision, Himax Technologies Inc, Hua Hong Semiconductor Ltd, Iluvatar CoreX Semiconductor Co., Ltd., Innoscience, King Yuan Electronics Co Ltd, Macronix International Co Ltd, MediaTek, MetaX Integrated Circuits, Montage Technology Co Ltd, Novatek, Parade Technologies Ltd, Phison Electronics Corp, Powerchip Semiconductor Manufacturing Co, Realtek Semiconductor, SG Micro Corp., SICC Co Ltd, Silergy Corp., Silicon Motion, TSMC, UMC, Universal Scientific Ind. (Shanghai), Vanguard International Semiconductor, Winbond Electronics Corp, WPG Holdings, WT Microelectronics Co. Ltd..

Within the last 12 months, Morgan Stanley has either provided or is providing non-investment banking, securities-related services to and/or in the past has entered into an agreement to provide services or has a client relationship with the following company: ASE Technology Holding Co. Ltd., Iluvatar CoreX Semiconductor Co., Ltd., King Yuan Electronics Co Ltd, MediaTek, Montage Technology Co Ltd, Nanya Technology Corp., Novatek, Nuvoton Technology Corporation, Realtek Semiconductor, Silicon Motion, SMIC, TSMC, UMC, Universal Scientific Ind. (Shanghai), Winbond Electronics Corp, WT Microelectronics Co. Ltd..

Morgan Stanley & Co. LLC makes a market in the securities of ACM Research Inc.

The equity research analysts or strategists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality

of research, investor client feedback, stock picking, competitive factors, firm revenues and overall investment banking revenues. Equity Research analysts' or strategists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.
Morgan Stanley and its affiliates do business that relates to companies/instruments covered in Morgan Stanley Research, including market making, providing liquidity, fund management, commercial banking, extension of credit, investment services and investment banking. Morgan Stanley sells to and buys from customers the securities/instruments of companies covered in Morgan Stanley Research on a principal basis. Morgan Stanley may have a position in the debt of the Company or instruments discussed in this report. Morgan Stanley trades or may trade as principal in the debt securities (or in related derivatives) that are the subject of the debt research report.
Certain disclosures listed above are also for compliance with applicable regulations in non-US jurisdictions.

STOCK RATINGS

Morgan Stanley uses a relative rating system using terms such as Overweight, Equal-weight, Not-Rated or Underweight (see definitions below). Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold and sell. Investors should carefully read the definitions of all ratings used in Morgan Stanley Research. In addition, since Morgan Stanley Research contains more complete information concerning the analyst's views, investors should carefully read Morgan Stanley Research, in its entirety, and not infer the contents from the rating alone. In any case, ratings (or research) should not be used or relied upon as investment advice. An investor's decision to buy or sell a stock should depend on individual circumstances (such as the investor's existing holdings) and other considerations.

Global Stock Ratings Distribution

(as of October 31, 2026)
The Stock Ratings described below apply to Morgan Stanley's Fundamental Equity Research and do not apply to Debt Research produced by the Firm.
For disclosure purposes only (in accordance with FINRA requirements), we include the category headings of Buy, Hold, and Sell alongside our ratings of Overweight, Equal-weight, Not-Rated and Underweight. Morgan Stanley does not assign ratings of Buy, Hold or Sell to the stocks we cover. Overweight, Equal-weight, Not-Rated and Underweight are not the equivalent of buy, hold, and sell but represent recommended relative weightings (see definitions below). To satisfy regulatory requirements, we correspond Overweight, our most positive stock rating, with a buy recommendation; we correspond Equal-weight and Not-Rated to hold and Underweight to sell recommendations, respectively.

	Coverage Universe		Investment Banking Clients (IBC)			Other Material Investment Services Clients (MISC)	
Stock Rating Category	Count	% of Total	Count	% of Total IBC	% of Rating Category	Count	% of Total Other MISC
Overweight/Buy	1575	43%	460	49%	29%	742	44%
Equal-weight/Hold	1537	42%	393	42%	26%	720	43%
Not-Rated/Hold	2	0%	1	0%	50%	1	0%
Underweight/Sell	570	15%	92	10%	16%	218	13%
Total	3,684		946			1681	

Data include common stock and ADRs currently assigned ratings. Investment Banking Clients are companies from whom Morgan Stanley received investment banking compensation in the last 12 months. Due to rounding off of decimals, the percentages provided in the "% of total" column may not add up to exactly 100 percent.

Analyst Stock Ratings

Overweight (O). The stock's total return is expected to exceed the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Equal-weight (E). The stock's total return is expected to be in line with the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Not-Rated (NR). Currently the analyst does not have adequate conviction about the stock's total return relative to the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Underweight (U). The stock's total return is expected to be below the average total return of the analyst's industry (or industry team's) coverage universe, on a risk-adjusted basis, over the next 12-18 months.
Unless otherwise specified, the time frame for price targets included in Morgan Stanley Research is 12 to 18 months.

Analyst Industry Views

Attractive (A): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be attractive vs. the relevant broad market benchmark, as indicated below.
In-Line (I): The analyst expects the performance of his or her industry coverage universe over the next 12-18 months to be in line with the relevant broad market benchmark, as indicated below.
Cautious (C): The analyst views the performance of his or her industry coverage universe over the next 12-18 months with caution vs. the relevant broad market benchmark, as indicated below.
Benchmarks for each region are as follows: North America - S&P 500; Latin America - relevant MSCI country index or MSCI Latin America Index; Europe - MSCI Europe; Japan - TOPIX; Asia - relevant MSCI country index or MSCI sub-regional index or MSCI AC Asia Pacific ex Japan Index.

Important Disclosures for Morgan Stanley Smith Barney LLC Customers

Important disclosures regarding any material conflict of interest that can reasonably be expected to have influenced Morgan Stanley Smith Barney LLC's choice of a third-party research provider or the subject company of a third-party research report, are available on the Morgan Stanley Wealth Management disclosure website at www.morganstanley.com/online/researchdisclosures.
For Morgan Stanley specific disclosures, you may refer to https://www.morganstanley.com/eqr/disclosures/webapp/generalresearch.
Each Morgan Stanley research report is reviewed and approved on behalf of Morgan Stanley Smith Barney LLC. This review and approval is conducted by the same person who reviews the research report on behalf of Morgan Stanley. This could create a conflict of interest.

Other Important Disclosures

Morgan Stanley Research policy is to update research reports as and when the Research Analyst and Research Management deem appropriate, based on developments with the issuer, the sector, or the market that may have a material impact on the research views or opinions stated therein. In addition, certain Research publications are intended to be updated on a regular periodic basis (weekly/monthly/quarterly/annual) and will ordinarily be updated with that frequency, unless the Research Analyst and Research Management determine that a different publication schedule is appropriate based on current conditions.

Morgan Stanley is not acting as a municipal advisor and the opinions or views contained herein are not intended to be, and do not constitute, advice within the meaning of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Morgan Stanley produces an equity research product called a "Tactical Idea." Views contained in a "Tactical Idea" on a particular stock may be contrary to the recommendations or views expressed in research on the same stock. This may be the result of differing time horizons, methodologies, market events, or other factors. For all research available on a particular stock, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Morgan Stanley Research is provided to our clients through our proprietary research portal on Matrix and also distributed electronically by Morgan Stanley to clients. Certain, but not all, Morgan Stanley Research products are also made available to clients through third-party vendors or redistributed to clients through alternate electronic means as a convenience. For access to all available Morgan Stanley Research, please contact your sales representative or go to Matrix at http://www.morganstanley.com/matrix.

Any access and/or use of Morgan Stanley Research is subject to Morgan Stanley's Terms of Use (http://www.morganstanley.com/terms.html). By accessing and/or using Morgan Stanley Research, you are indicating that you have read and agree to be bound by our Terms of Use (http://www.morganstanley.com/terms.html). In addition you consent to Morgan Stanley processing your personal data and using cookies in accordance with our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html), including for the purposes of setting your preferences and to collect readership data so that we can deliver better and more personalized service and products to you. To find out more information about how Morgan Stanley processes personal data, how we use cookies and how to reject cookies see our Privacy Policy and our Global Cookies Policy (http://www.morganstanley.com/privacy_pledge.html). If you do not agree to our Terms of Use and/or if you do not wish to provide your consent to Morgan Stanley processing your personal data or using cookies please do not access our research.

Morgan Stanley Research does not provide individually tailored investment advice. Morgan Stanley Research has been prepared without regard to the circumstances and objectives of those who receive it. Morgan Stanley recommends that investors independently evaluate particular investments and strategies, and encourages investors to seek the advice of a financial adviser. The appropriateness of an investment or strategy will depend on an investor's circumstances and objectives. The securities, instruments, or strategies discussed in Morgan Stanley Research may not be suitable for all investors, and certain investors may not be eligible to purchase or participate in some or all of them. Morgan Stanley Research is not an offer to buy or sell or the solicitation of an offer to buy or sell any security/instrument or to participate in any particular trading strategy. The value of and income from your investments may vary because of changes in interest rates, foreign exchange rates, default rates, prepayment rates, securities/instruments prices, market indexes, operational or financial conditions of companies or other factors. There may be time limitations on the exercise of options or other rights in securities/instruments transactions. Past performance is not necessarily a guide to future performance. Estimates of future performance are based on assumptions that may not be realized. If provided, and unless otherwise stated, the closing price on the cover page is that of the primary exchange for the subject company's securities/instruments.

The fixed income research analysts, strategists or economists principally responsible for the preparation of Morgan Stanley Research have received compensation based upon various factors, including quality, accuracy and value of research, firm profitability or revenues (which include fixed income trading and capital markets profitability or revenues), client feedback and competitive factors. Fixed Income Research analysts', strategists' or economists' compensation is not linked to investment banking or capital markets transactions performed by Morgan Stanley or the profitability or revenues of particular trading desks.

The "Important Regulatory Disclosures on Subject Companies" section in Morgan Stanley Research lists all companies mentioned where Morgan Stanley owns 1% or more of a class of common equity securities of the companies. For all other companies mentioned in Morgan Stanley Research, Morgan Stanley may have an investment of less than 1% in securities/instruments or derivatives of securities/instruments of companies and may trade them in ways different from those discussed in Morgan Stanley Research. Employees of Morgan Stanley not involved in the preparation of Morgan Stanley Research may have investments in securities/instruments or derivatives of securities/instruments of companies mentioned and may trade them in ways different from those discussed in Morgan Stanley Research. Derivatives may be issued by Morgan Stanley or associated persons.

With the exception of information regarding Morgan Stanley, Morgan Stanley Research is based on public information. Morgan Stanley makes every effort to use reliable, comprehensive information, but we make no representation that it is accurate or complete. We have no obligation to tell you when opinions or information in Morgan Stanley Research change apart from when we intend to discontinue equity research coverage of a subject company. Facts and views presented in Morgan Stanley Research have not been reviewed by, and may not reflect information known to, professionals in other Morgan Stanley business areas, including investment banking personnel.

Morgan Stanley Research personnel may participate in company events such as site visits and are generally prohibited from accepting payment by the company of associated expenses unless pre-approved by authorized members of Research management.

Morgan Stanley may make investment decisions that are inconsistent with the recommendations or views in this report.

To our readers based in Taiwan or trading in Taiwan securities/instruments: Information on securities/instruments that trade in Taiwan is distributed by Morgan Stanley Taiwan Limited ("MSTL"). Such information is for your reference only. The reader should independently evaluate the investment risks and is solely responsible for their investment decisions. Morgan Stanley Research may not be distributed to the public media or quoted or used by the public media without the express written consent of Morgan Stanley. Any non-customer reader within the scope of Article 7-1 of the Taiwan Stock Exchange Recommendation Regulations accessing and/or receiving Morgan Stanley Research is not permitted to provide Morgan Stanley Research to any third party (including but not limited to related parties, affiliated companies and any other third parties) or engage in any activities regarding Morgan Stanley Research which may create or give the appearance of creating a conflict of interest. Information on securities/instruments that do not trade in Taiwan is for informational purposes only and is not to be construed as a recommendation or a solicitation to trade in such securities/instruments. MSTL may not execute transactions for clients in these securities/instruments.

Intact 2027 outlook

All Ring's 2027 outlook is robust, supported by three key drivers. 1) We expect TSMC and ASE to continue accelerating **CoWoS** capacity expansion, with industry capacity reaching ~270kwpm by end-2027E, up from ~160kwpm by end-2026. We estimate TSMC and ASE's capacity could reach ~180kwpm and ~70kwpm, respectively, by 2027E. 2) Second, with **Intel's EMIB-T** progressing on track toward volume production by early 2028, we expect related equipment demand to begin ramping in 2027, providing a new growth driver for All Ring. 3) **CPO**'s fiber array unit (FAU) coupling tools start contributing to All Ring's 2027 revenue, with demand from Nvidia and AMD.

More concrete CPO development in 2027-28

Our industry feedback suggests Nvidia is taking the lead to aggressively push CPO mass production in 2027 for scale up switch solution. AMD is also engaging with key equipment suppliers, in preparation for competing CPO solution. Competition among the equipment vendors is fierce, but we believe All Ring is well positioned in FAU coupling as a tier 1 supplier, given the superior execution in driving higher tool throughput versus peers. Considering the meaningful tool demand in 2027-28, we forecast All Ring to recognize ~100 tools for revenue in 2027E, contributing ~12% of All Ring's sales next year. Potential upside to our current estimates could come from larger TAM for faster capacity expansion, All Ring securing higher share / ASP through better tool performance.

Lower Q3 gross margin due to mix

Q3 EPS came in below LSEG consensus by -10% as gross margin of 48.5% missed consensus of 54.2%. Lower gross margin could be due to a higher mix of automation products, which carries a lower margin vs corporate average. For Q4, considering lighter seasonality and current visibility, we model sales to decline by -28% from Q3 with gross margin of 53% and EPS of NT$7.57.

Valuation: Maintain Buy and target of $1700

Post Q3 results, we fine-tune 2026 EPS by -4% due to lower gross margin in the quarter, though our estimates for 2027/28 are largely kept unchanged. Our 2027E/2028E EPS are 3%/30% ahead of Consensus pre-earnings. We maintain our Buy rating and price target of $1700 based on 27x average 2027-28E PE.

Company Description

Founded in 1996, All Ring is a Taiwan-based supplier of automation equipment for the semiconductor back-end packaging and passive component manufacturing industries. The company's products include underfill dispensers, heatsink placement and automated optical inspection (AOI) tools for advanced packaging equipment, particularly for heterogeneous integration. Revenue is generated primarily from sales of semiconductor and electronic manufacturing equipment and related automation solutions, with more than 90% of revenue derived from Taiwan.

Valuation Method and Risk Statement

We value All Ring based on PE methodology.
Risks for All Ring and the semis industry:
- Geopolitical uncertainties: Geopolitical uncertainties including tariffs and more export control could negatively impact semis cycle, and a downturn would lead to slower demand in the overall market and moderating capacity expansion.
- Meaningful deceleration of new technology development: Slower demand and less investment are expected If there is meaningful deceleration of new technology development such as Cloud AI, autonomous driving, etc.
- Rising utility cost: Larger-than-expected utility cost increases would further pressure profitability. Rising utility costs in Taiwan have negatively impacted margins for Taiwan tech companies.
Company risks:
- Faster- or slower-than-expected CoWoS capacity expansion: This could result in All Ring gaining/losing equipment orders from major foundries and OSATs.
- Competitors achieving technological advancement: Potential risk of competition (from either local or foreign companies) achieving technological advancements could result in All Ring losing market share from major foundries and OSATs.
- Better- or worse-than-expected AI growth: Better- or worse-than-expected AI growth could lead to a ramp-up or a slowdown of equipment orders from major foundries and OSATs to All Ring, affecting long-term revenue growth potential.
- Slowdown or delay of new technological advancement: A potential slowdown or delay of the rollout for technological advancements for technologies such as SoIC, CoPoS, and CPO, would limit future equipment orders.
- Increase of raw material costs: Rising raw material costs may directly impact All Ring's margins for equipment shipments.

Quantitative Research Review

UBS Global Research publishes a quantitative assessment of its analysts' responses to certain questions about the likelihood of an occurrence of a number of short term factors in a product known as the 'Quantitative Research Review'. The views for this month can be found below. Views contained in this assessment on a particular stock reflect only the views on those short term factors which are a different timeframe to the 12-month timeframe reflected in any equity rating set out in this note. For previous responses please make reference to (i) previous UBS Global Research reports; and (ii) where no applicable research report was published that month, the Quantitative Research Review which can be found at https://neo.ubs.com/quantitative, or contact your UBS sales representative for access to the report or the Quantitative Research Team on ubs-quant-answers@ubs.com. A consolidated report which contains all responses is also available and again you should contact your UBS sales representative for details and pricing or the Quantitative Research Team on the email above.

All Ring Tech

Question	Response
1. Is the industry structure facing the firm likely to improve or deteriorate over the next six months? Rate on a scale of 1-5 (1 = getting worse, 3 = no change, 5 = getting better, N/A = no view)	4
2. Is the regulatory/government environment facing the firm likely to improve or deteriorate over the next six months? Rate on a scale of 1-5 (1 = getting tougher 3 = no change, 5 = getting better, N/A = no view)	3
3. Over the last 3-6 months in broad terms have things been improving/no change/getting worse for this stock? Rate on a scale of 1-5 (1 = getting a lot worse, 3 = not much change, 5 = getting a lot better, N/A = no view)	4
4. Relative to the current CONSENSUS EPS forecast, is the next company EPS update likely to lead to: (1 = negative surprise vs consensus, 3 = in-line with consensus, 5 = positive surprise vs consensus expectations, N/A = no view)	3
5. What's driving the difference?	
6. Relative to YOUR current earnings forecast, is there relatively greater risk at the next earnings result of:(1 = downside skew risk to earnings, 3 = equal upside or downside risk to earnings, 5 = upside skew risk to earnings, N/A = no view)	3
7. What's driving the difference?	
8. Is there an upcoming catalyst for the company over the next three months?	
9. Is there an actual or approximate date for the catalyst?	
10. Is the catalyst date an actual or approximate date?	
11. What is the catalyst?	

Required Disclosures

This document has been prepared by UBS Securities Pte. Ltd., Taipei Branch, an affiliate of UBS AG. UBS AG, its subsidiaries, branches and affiliates, including former Credit Suisse AG and its subsidiaries, branches and affiliates are referred to herein as "UBS".

For information on how UBS manages conflicts and maintains the independence of its UBS Global Research product; historical performance information; certain additional disclosures concerning UBS Global Research recommendations; and terms and conditions for certain third party data used in research report, please visit https://www.ubs.com/disclosures. Unless otherwise indicated, information and data in this report are based on company disclosures including annual, interim and quarterly reports and other company announcements. Figures in performance charts refer to the past; past performance is not a reliable indicator of future results. Additional information will be made available on request. UBS Securities Co. Limited is licensed by the China Securities Regulatory Commission to conduct securities investment consultancy businesses. UBS acts or may act as principal in the debt securities (or in related derivatives) that may be the subject of this report. This recommendation was finalized on: 10 November 2026 12:21 PM GMT. UBS has designated certain UBS Global Research department members as Derivatives Research Analysts where they publish research principally on the analysis of the price or market for a derivative, and provide information reasonably sufficient on which to base a decision to enter into a derivatives transaction. Where Derivatives Research Analysts co-author research reports with Equity Research Analysts or Economists, the Derivatives Research Analyst is responsible for the derivatives investment views, forecasts, and/or recommendations. **Quantitative Research Review:** UBS Global Research publishes a quantitative assessment of its analysts' responses to certain questions about the likelihood of a number of short term factors occurring, in a product known as the 'Quantitative Research Review'. Views in this assessment on a particular stock reflect only those short term factors and a timeframe different to the 12-month timeframe reflected in any equity rating set out in this document. For the latest responses, please see the Quantitative Research Review Addendum at the back of this document, where applicable. For previous responses, please refer to: (i) previous UBS Global Research reports and (ii) where no applicable research report was published that month, the Quantitative Research Review at https://neo.ubs.com/quantitative, or contact your UBS sales representative for access to the report or the Quantitative Research Team at ubs-quant-answers@ubs.com. A consolidated report containing all responses is also available; for details and pricing, please contact your UBS sales representative or the Quantitative Research team at the above email.

Analyst Certification:
Each research analyst primarily responsible for the content of this research report, in whole or in part, certifies that, with respect to each security or issuer that the analyst covered in this report: (1) all views expressed accurately reflect their personal views about those securities or issuers and were prepared independently, including with respect to UBS, and (2) no part of their compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by that research analyst in the research report.

UBS Global Research: Global Equity Rating Definitions

12-Month Rating	Definition	Coverage[1]	IB Services[2]
Buy	FSR is > 6% above the MRA.	55%	24%
Neutral	FSR is between -6% and 6% of the MRA.	39%	20%
Sell	FSR is > 6% below the MRA.	6%	21%

Source: UBS. Rating allocations are as of 30 September 2026.
1:Percentage of companies under coverage globally within the 12-month rating category.
2:Percentage of companies within the 12-month rating category for which investment banking (IB) services were provided within the past 12 months.

KEY DEFINITIONS:Forecast Stock Return (FSR) is expected percentage price appreciation plus gross dividend yield over the next 12 months. In some cases, this yield may be based on accrued dividends. **Market Return Assumption (MRA)** is the one-year local market interest rate plus 5% (a proxy for, and not a forecast of, the equity risk premium). **Under Review (UR)** Stocks may be flagged by the analyst to indicate that the stock's price target and/or rating may change in the near term, usually in response to an event that may affect the investment case or valuation. **Equity Price Targets** have a 12-month investment horizon.

EXCEPTIONS AND SPECIAL CASES:UK and European Investment Fund ratings and definitions are: Buy: Positive on factors such as structure, management, performance record and discount; **Neutral:** Neutral on factors such as structure, management, performance record and discount; **Sell:** Negative on factors such as structure, management, performance record and discount. **Core Banding Exceptions (CBE):** Exceptions to the standard +/-6% bands may be granted by the Investment Review Consultation (IRC). Factors considered by the IRC include the stock's volatility and the credit spread of the respective company's debt. As a result, stocks deemed very high or low risk may be subject to higher or lower bands for rating purposes. Where such exceptions apply, they will be identified in the Company Disclosures table in the relevant research piece.

Research analysts contributing to this report who are employed by a non-US affiliate of UBS Securities LLC are not registered or qualified as research analysts with FINRA. Such analysts may not be associated persons of UBS Securities LLC and therefore are not subject to FINRA restrictions on communications with a subject company, public appearances, and trading securities held by a research analyst account. The name of each affiliate and analyst employed by that affiliate contributing to this report, if any, follows.

UBS Securities Pte. Ltd., Taipei Branch: Christine Chen, CFA, Ryan Sun, Sunny Lin.

When you receive UBS Global Research via a third party vendor, e-mail or other electronic means, you agree that use shall be subject to this UBS Global Research Disclaimer, the Neo Terms and where applicable the UBS Investment Bank terms of business (https://www.ubs.com/global/en/investment-bank/regulatory.html) and to UBS's Terms of Use/ Disclaimer (https://www.ubs.com/global/en/legalinfo2/disclaimer.html). In addition, you consent to UBS processing your personal data and using cookies in accordance with our Privacy Statement (https://www.ubs.com/global/en/legalinfo2/privacy.html) and Cookie Notice (https://www.ubs.com/global/en/legal/privacy/users.html).

If you receive UBS Global Research, whether through a System or otherwise, you agree not to copy, revise, amend, create derivative works, provide to any third party, or in any way commercially exploit any UBS research provided via UBS Global Research or otherwise, and not to extract data from any research or estimates provided to you via UBS Global Research or otherwise, without UBS's prior written consent. You also agree not to use UBS Global Research in any artificial intelligence system without UBS's prior written consent.

In certain circumstances, you may receive UBS Global Research other than in your capacity as a UBS client and, you understand and agree that in those circumstances: (i) UBS Global Research is provided to you for information purposes only; (ii) for the purpose of receiving it, you are not intended to be and will not be treated as a "client" of UBS for any legal or regulatory purpose; (iii) UBS Global Research must not be relied on or acted upon for any purpose; and (iv) such content is subject to the relevant disclaimers that follow.

This document may be distributed only as permitted by law. It is not directed to, or intended for distribution to or use by, any person or entity that is a citizen or resident of, or located in, any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or would subject UBS to any registration or licensing requirement in that jurisdiction.

This document is a general communication and educational in nature; it is not an advertisement, solicitation or offer to buy or sell any financial instrument or to participate in any particular trading strategy. Nothing in this document constitutes a representation that any investment strategy or recommendation is suitable or appropriate to an investor's individual circumstances or otherwise constitutes a personal recommendation. By providing this document, neither UBS nor its representatives has any responsibility or authority to provide, or to have provided, investment advice in a fiduciary or any other capacity. Investments involve risks, and investors should exercise prudence and their own judgment in making investment decisions. Neither UBS nor its representatives is suggesting that the recipient or any other person take a specific course of action, or any action at all. The recipient should read this document carefully and in full and not draw inferences or conclusions from the rating alone. By receiving this document, the recipient acknowledges and agrees with the intended purpose described above and further disclaims any expectation or belief that the information constitutes investment advice to the recipient or otherwise purports to meet the recipient's investment objectives. The financial instruments described in this document may not be eligible for sale in all jurisdictions or to certain categories of investors.

Options, structured derivative products and futures (including OTC derivatives) are not suitable for all investors. Trading in these instruments is risky and may be appropriate only for sophisticated investors. Before buying or selling an option, you must receive a copy of "The Characteristics and Risks of Standardized Options" for a full description of options risks. You may read it at https://www.theocc.com/publications/risks/riskchap1.jsp or ask your salesperson for a copy. Various theoretical explanations of the risks of these instruments have been published. Supporting documentation for any claims, comparisons, recommendations, statistics or other technical data will be supplied on request. Past performance is not necessarily indicative of future results. Transaction costs may be significant in option strategies involving multiple purchases and sales, such as spreads and straddles. As tax considerations are important to many options transactions, investors considering options should consult their tax advisor on how taxes affect the outcome of contemplated options transactions.

Mortgage- and asset-backed securities may involve a high degree of risk and be highly volatile in response to interest rate fluctuations or other market conditions. Foreign currency exchange rates may adversely affect the value, price or income of any security or related instrument referred to in this document. For investment advice, trade execution or other inquiries, clients should contact their local sales representative.

UBS notes that no globally accepted framework or definition (legal, regulatory or otherwise) currently exists, and there is no market consensus, as to what constitutes "ESG" (Environmental, Social or Governance) or an equivalent label, or what precise attributes are required for the Information (as defined below) to be defined as ESG or equivalently labelled. Any information, data or other content, including from third party sources, contained or referred to herein or used by UBS or a third party for any purpose ("Information"), in relation to any actual or potential ESG objective, issue or consideration, is not intended to be relied upon for ESG classification, regulatory regime or industry initiative purposes ("ESG Regimes"). Nothing in this document is intended to convey, suggest or indicate that UBS considers or represents any product, service, person or body mentioned in it to meet or qualify for any ESG classification, labelling or similar standards that may exist under ESG Regimes. UBS has not assessed compliance with ESG Regimes. Parties should make their own assessments for these purposes.

The value of any investment or income may go down as well as up, and investors may not get back the full (or any) amount invested. Past performance is not necessarily a guide to future performance. Neither UBS nor any of its directors, employees or agents accepts liability for any loss (including investment loss) or damage arising out of the use of any of the Information.

Before making any investment or financial decision, any recipient of this document or the information should take steps to understand the investment's risk and return and seek individualized advice from their personal financial, legal, tax and other professional advisors, taking into account all relevant facts and circumstances of their investment objectives.

Any prices stated in this document are for information purposes only and do not represent valuations of individual securities or other financial instruments. There is no representation that any transaction can or could have been effected at those prices. They do not necessarily reflect UBS's internal books and records or theoretical model-based valuations and may be based on certain assumptions. Different assumptions by UBS or any other source may yield substantially different results.

No representation or warranty, express or implied, is given as to the accuracy, completeness or reliability of the information contained in any materials to which this document relates (the "Information"), except with respect to Information concerning UBS. The Information is not intended to be a complete statement or summary of the securities, markets or developments referred to in this document. UBS does not undertake to update or keep current the Information. Any statements contained in this document attributed to a third party represent UBS's interpretation of data, information and/or opinions provided by that third party,

publicly or through a subscription service, and such use and interpretation have not been reviewed by that third party. In no circumstances may this document or any Information, including any forecast, value, index or other calculated amount ("Values"), be used for: (i) valuation or accounting purposes; (ii) determining amounts due or payable, or the price or value of any financial instrument or financial contract; or (iii) measuring the performance of any financial instrument, including without limitation tracking the return or performance of any Value, defining the asset allocation of a portfolio or computing performance fees.

By receiving this document and the Information you will be deemed to represent and warrant to UBS that you will not use this document or any of the Information for any of those purposes or otherwise rely upon this document or any of the Information.

UBS has policies and procedures, including without limitation independence policies and permanent information barriers, intended, and relied on by UBS, to manage potential conflicts of interest and control the flow of information within UBS divisions and among its subsidiaries, branches and affiliates. UBS does and seeks to do business with companies covered in its research documents. As a result, investors should be aware that UBS may have a conflict of interest that could affect this document's objectivity. Investors should consider this document as only one factor in making an investment decision. For further information on how UBS Global Research manages conflicts and maintains the independence of its research products, historical performance information and certain additional disclosures concerning UBS Global Research recommendations, please visit https://www.ubs.com/disclosures.

UBS Global Research will initiate, update and cease coverage solely at the discretion of UBS Global Research Management, which also has sole discretion over the timing and frequency of any published research product. The analysis in this document is based on numerous assumptions. All material information relating to published research documents, such as valuation methodology, risk statements, underlying assumptions (including sensitivity analysis of those assumptions), ratings history and other information required by the Market Abuse Regulation, can be found on UBS Neo. Different assumptions could produce materially different results.

UBS Global Research may use artificial intelligence tools in the preparation of this document. Notwithstanding any such use, this document has undergone human review.

The analyst(s) responsible for preparing this document may interact with trading desk personnel, sales personnel and other parties to gather, apply and interpret market information. UBS relies on information barriers to control the flow of information from one or more areas within UBS to other areas, units, groups or affiliates. Compensation of the analyst(s) who prepared this document is determined exclusively by UBS Global Research management and senior management (excluding investment banking). It is not based on investment banking revenues; however, it may relate to the revenues of UBS and/or its divisions as a whole, including investment banking, sales and trading, and UBS as a whole.

For financial instruments admitted to trading on an EU regulated market: UBS (excluding UBS Securities LLC) acts as a market maker or liquidity provider (as those terms are interpreted under English law or, if the activity is not carried out by UBS in the UK, under the law of the relevant jurisdiction in which UBS determines it carries out the activity) in the issuer's financial instruments, except where liquidity provider activity is carried out in accordance with the definition under the laws and regulations of another EU jurisdiction, in which case it is separately disclosed in this document. For financial instruments admitted to trading on a non-EU regulated market: UBS may act as a market maker, except where that activity is carried out in the US in accordance with the definition under applicable laws and regulations, in which case it will be specifically disclosed in this document. UBS may have issued a warrant whose value is based on one or more financial instruments referred to in this document. UBS and its affiliates and employees may have long or short positions, trade as principal, and buy and sell instruments or derivatives identified herein; such transactions or positions may be inconsistent with the opinions expressed in this document.

Within the past 12 months, UBS may have received or provided investment services and activities or ancillary services under MiFID II that may have given rise to a payment or promise of payment in relation to those services from or to this company.

Please note that all transactions conducted by UBS are consistent with sanctions imposed by Switzerland, the European Union, the United Nations, the United Kingdom and the United States, in accordance with UBS's global sanctions policy. UBS's opinions as to future investment worthiness assume no new sanctions are imposed.

US persons are prohibited from purchasing or selling securities of certain companies designated as associated with the Chinese Military in accordance with amended US Presidential Executive Order 13959.

United Kingdom: Distributed by UBS AG, London Branch to eligible counterparties or professional clients. UBS AG, London Branch is authorised by the Prudential Regulation Authority ("PRA") and subject to regulation by the Financial Conduct Authority (FCA) and limited regulation by the PRA. **Europe:** Except as otherwise specified, distributed by UBS Europe SE, a subsidiary of UBS AG, to eligible counterparties or professional clients (as defined under the Bundesanstalt fur Finanzdienstleistungsaufsicht ("BaFin") Rules and MIFID II) and are available only to such persons. The information in this document does not apply to, and should not be relied on by, retail clients. UBS Europe SE is authorised by the European Central Bank ("ECB") and regulated by BaFin and the ECB. **Germany, Luxembourg, the Netherlands, Belgium and Ireland:** Where an analyst of UBS Europe SE has contributed to this document, it is also deemed to have been prepared by UBS Europe SE. In all cases, it is distributed by UBS Europe SE and UBS AG, London Branch. **Turkey:** Distributed by UBS AG, London Branch. No information in this document is provided for offering, marketing or sale by any means of any capital market instruments or services in the Republic of Turkey. Therefore, this document may not be considered an offer made or to be made to residents of the Republic of Turkey. UBS AG, London Branch is not licensed by the Turkish Capital Market Board under the Capital Market Law (Law No. 6362). Accordingly, neither this document nor any other offering material related to the instruments/services may be used in connection with providing capital market services to persons within the Republic of Turkey without the prior approval of the Capital Market Board. However, under article 15(d)(ii) of Decree No. 32, there is no restriction on the purchase or sale of securities abroad by residents of the Republic of Turkey. **Poland:** Distributed by UBS Europe SE (spolka z ograniczona odpowiedzialnoscia) Oddzial w Polsce ("UBS Poland"). Where an analyst of UBS Poland has contributed to this document, the document is also deemed to have been prepared by UBS Poland. **Russia:** Prepared and distributed by UBS Bank (OOO). It should not be construed as an individual Investment Recommendation for the purposes of articles 6.1 and 6.2 of Russian Federal Law No. 39-FZ "On the Securities Market". **Switzerland:** Distributed by UBS AG to institutional investors only. UBS AG is regulated by the Swiss Financial Market Supervisory Authority (FINMA). **Italy:** Prepared by UBS Europe SE and distributed by UBS Europe SE and UBS Europe SE, Italy Branch. Where an analyst of UBS Europe SE, Italy Branch has contributed to this document, it is also deemed to have been prepared by UBS Europe SE, Italy Branch. **France:** Prepared by UBS Europe SE and distributed by UBS Europe SE and UBS Europe SE, France Branch. Where an analyst of UBS Europe SE, France Branch has contributed to this document, it is also deemed to have been prepared by UBS Europe SE, France Branch. **Spain:** Prepared by UBS Europe SE and distributed by UBS Europe SE and UBS Europe SE, Spain Branch. Where an analyst of UBS Europe SE, Spain Branch has contributed to this document, it is also deemed to have been prepared by UBS Europe SE, Spain Branch. **Sweden:** Prepared by UBS Europe SE and distributed by UBS Europe SE and UBS Europe SE, Sweden Branch. Where an analyst of UBS Europe SE, Sweden Branch has contributed to this document, it is also deemed to have been prepared by UBS Europe SE, Sweden Branch. **South Africa:** Distributed by UBS South Africa (Pty) Limited (Registration No. 1995/011140/07), an authorised user of the JSE and an authorised Financial Services Provider (FSP 7328). **Saudi Arabia:** This document has been issued by UBS AG (and/or any of its subsidiaries, branches or affiliates), a public company limited by shares, incorporated in Switzerland with its registered offices at Aeschenvorstadt 1, CH-4051 Basel and Bahnhofstrasse 45, CH-8001 Zurich. This publication has been approved by UBS Saudi Arabia (a subsidiary of UBS AG), a Saudi closed joint stock company incorporated in the Kingdom of Saudi Arabia under commercial register number 1010257812 having its registered office at Tatweer Towers, P.O. Box 75724, Riyadh 11588, Kingdom of Saudi Arabia. UBS Saudi Arabia is authorized and regulated by the Capital Market Authority to conduct securities business under license number 08113-37. **UAE / Dubai:** Information distributed by UBS AG Dubai Branch is only intended for Professional Clients and/or Market Counterparties as classified under the DFSA rulebook. No other person should act on this document/communication. The information is not for further distribution within the United Arab Emirates. UBS AG Dubai Branch is regulated by the DFSA in the DIFC. UBS is not licensed to provide banking services in the UAE, nor by the UAE Securities and Commodities Authority. **Israel:** This document is distributed by UBS AG, London Branch. UBS Securities Israel Ltd is a licensed Investment Marketer supervised by the Israel Securities Authority (ISA). UBS AG, London Branch and its affiliates incorporated outside Israel are not licensed under the Israeli Advisory Law. UBS may engage among others in issuance of Financial Assets or distribution of Financial Assets of other issuers for fees or other benefits. UBS AG, London Branch and its affiliates may prefer various Financial Assets to which they have or may have an Affiliation (as defined under the Israeli Advisory Law). Nothing in this document should be considered investment advice under the Israeli Advisory Law. This document is only issued to and/or directed at persons who are Eligible Clients (within the meaning of the Israeli Advisory Law), and must not be furnished to, relied on or acted upon by any other person. **United States:** Distributed to US persons by UBS Securities LLC or UBS Financial Services Inc., subsidiaries of UBS AG, or by a group, subsidiary or affiliate of UBS AG not registered as a US broker-dealer (a "non-US affiliate") to major US institutional investors only. UBS Securities LLC or UBS Financial Services Inc. accepts responsibility for the content of a report prepared by another non-US affiliate when distributed to US persons by UBS Securities LLC or UBS Financial Services Inc. All transactions by a US person in the securities mentioned in this document must be effected through UBS Securities LLC or UBS Financial Services Inc., and not through a non-US affiliate. UBS Securities LLC is not acting as a municipal advisor to any municipal entity or obligated person within the meaning of Section 15B of the Securities Exchange Act (the "Municipal Advisor Rule"), and the opinions or views contained herein are not intended to be, and do not constitute, advice within the meaning of that rule. **Canada:** Distributed by UBS Securities Canada Inc., a registered investment dealer in Canada and a Member-Canadian Investor Protection Fund, or by another affiliate of UBS AG registered to conduct business in Canada or otherwise exempt from registration. **Brazil:** Except as otherwise specified herein, this document is prepared by UBS BB Corretora de Câmbio, Títulos e Valores Mobiliários S.A. ("UBS BB CCTVM") for eligible investors residing in Brazil who are considered Professional Investors (Investidores Profissionais) under applicable regulation, primarily CVM Resolution No. 30 of 11 May 2021 (which determines the duty to verify the suitability of products, services and transactions to the client's profile). UBS BB CCTVM is a subsidiary of UBS BB Servicos de Assessoria Financeira e Participacoes S.A. ("UBS BB"). UBS BB is an association between UBS AG and Banco do Brasil (through its subsidiary BB Banco de Investimentos S.A.), of which UBS AG is the majority owner, and provides investment banking services and coverage in Brazil, Argentina, Chile, Paraguay, Peru and Uruguay. UBS BB CCTVM is regulated by the Comissao de Valores Mobiliarios (CVM) and the Central Bank of Brazil. Ombudsman: 0800-940-0266 / https://www.ubs.com/br/pt/ubsbb-investment-bank/ombudsman.html**Hong Kong:** Distributed by UBS Securities Asia Limited. Please contact local licensed persons of UBS Securities Asia Limited in respect of any matters arising from, or in connection with, the analysis or document. **Singapore:** Distributed by UBS Securities Pte. Ltd. (Co. Reg. No.: 198500648C] or UBS AG, Singapore Branch. Please contact UBS Securities Pte. Ltd., an exempt

financial adviser under the Singapore Financial Advisers Act (Cap. 110), or UBS AG, Singapore Branch, an exempt financial adviser under the Singapore Financial Advisers Act (Cap. 110) and a wholesale bank licensed under the Singapore Banking Act (Cap. 19) and regulated by the Monetary Authority of Singapore, regarding any matters arising from, or in connection with, the analysis or document. Recipients of this document represent and warrant that they are accredited and institutional investors as defined in the Securities and Futures Act (Cap. 289). **Japan:** Distributed by UBS Securities Japan Co., Ltd. to professional investors (except as otherwise permitted). Where this document has been prepared by UBS Securities Japan Co., Ltd., UBS Securities Japan Co., Ltd. is the author, publisher and distributor of the document. Distributed by UBS AG, Tokyo Branch to professional investors (except as otherwise permitted) in relation to foreign exchange and other banking businesses, where relevant. **Australia:** Recipients through a superannuation fund: Distributed by UBS AG, Australia Branch (ABN 47 088 129 613 and holder of Australian Financial Service Licence No. 231087). For all other recipients: Distributed by UBS Securities Australia Limited (ABN 62 008 586 481 and holder of Australian Financial Services Licence No. 231098). This document contains general information and/or general advice only and does not constitute personal financial product advice. As such, the Information in this document has been prepared without taking into account any investor's objectives, financial situation or needs, and investors should, before acting on the Information, consider the appropriateness of the Information, having regard to their objectives, financial situation and needs. If the Information contained in this document relates to the acquisition, or potential acquisition of a particular financial product by a 'Retail' client as defined by section 761G of the Corporations Act 2001 where a Product Disclosure Statement would be required, the retail client should obtain and consider the Product Disclosure Statement relating to the product before making any decision about whether to acquire the product. **New Zealand:** Distributed by UBS New Zealand Ltd. UBS New Zealand Ltd is not a registered bank in New Zealand. You are being provided with this document because you have indicated to UBS that you are a "wholesale client" within the meaning of clause 4 of schedule 5 of the Financial Markets Conduct Act 2013 of New Zealand ("Permitted Client"). This document is not intended for clients who are not Permitted Clients ("non-Permitted Clients"). If you are a non-Permitted Client, you must not rely on this document. If, despite this warning, you nevertheless rely on it, you hereby: (i) acknowledge that you may not rely on its content and that any recommendations or opinions in it are not made or provided to you; and (ii) to the maximum extent permitted by law, (a) indemnify UBS and its associates or related entities (and their respective directors, officers, agents and advisors) (each a "Relevant Person") for any loss, damage, liability or claim any of them may incur or suffer as a result of, or in connection with, your unauthorised reliance on this document, and (b) waive any rights or remedies you may have against any Relevant Person for any loss, damage, liability or claim you may incur or suffer as a result of, or in connection with, your unauthorised reliance on this publication or document. **Korea:** Distributed in Korea by UBS Securities Pte. Ltd., Seoul Branch. This document may from time to time have been edited or contributed to by affiliates of UBS Securities Pte. Ltd., Seoul Branch. This document is intended for professional/institutional clients only and not for distribution to any retail clients. **Malaysia:** This document is authorized for distribution in Malaysia by UBS Securities Malaysia Sdn. Bhd (Capital Markets Services License No.: CMSL/A0063/2007). Global Wealth Management Disclaimer

You receive this document in your capacity as a client of UBS Global Wealth Management. This publication has been distributed to you by UBS Switzerland AG (regulated by FINMA in Switzerland) or its affiliates (**"UBS"**) with whom you have a banking relationship with. The full name of the distributing affiliate and its competent authority can be found in the country-specific disclaimer at the end of this document. UBS may utilise artificial intelligence tools ("AI Tools") in the preparation of this document. Notwithstanding any such use of AI Tools, this document has undergone human review.

The date and time of the first dissemination of this publication is the same as the date and time of its publication.

Risk information:

You agree that you shall not copy, revise, amend, create a derivative work, provide to any third party, or in any way commercially exploit any UBS research, and that you shall not extract data from any research or estimates, without the prior written consent of UBS.

This document is for distribution only as may be permitted by law. It is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or would subject UBS to any registration or licensing requirement within such jurisdiction.

This document is **for your information only**; it is not an advertisement nor is it a solicitation or an offer to buy or sell any financial instruments or to participate in any particular trading strategy. Nothing in this document constitutes a representation that any investment strategy or recommendation is suitable or appropriate to an investor's individual circumstances or otherwise constitutes a personal recommendation. By providing this document, none of UBS or its representatives has any responsibility or authority to provide or have provided investment advice in a fiduciary capacity or otherwise. Investments involve risks, and investors should exercise prudence and their own judgment in making their investment decisions. None of UBS or its representatives is suggesting that the recipient or any other person take a specific course of action or any action at all. By receiving this document, the recipient acknowledges and agrees with the intended purpose described above and further disclaims any expectation or belief that the information constitutes investment advice to the recipient or otherwise purports to meet the investment objectives of the recipient. The financial instruments described in the document may not be eligible for sale in all jurisdictions or to certain categories of investors.

Options, derivative products and futures are not suitable for all investors, and trading in these instruments is considered risky. Mortgage and asset-backed securities may involve a high degree of risk and may be highly volatile in response to fluctuations in interest rates or other market conditions. Foreign currency rates of exchange may adversely affect the value, price or income of any security or related instrument referred to in the document. For investment advice, trade execution or other enquiries, clients should contact their local sales representative.

The value of any investment or income may go down as well as up, and investors may not get back the full (or any) amount invested. Past performance is not necessarily a guide to future performance. Neither UBS nor any of its directors, employees or agents accepts any liability for any loss (including investment loss) or damage arising out of the use of all or any of the information (as defined below).

Prior to making any investment or financial decisions, any recipient of this document or the information should take steps to understand the risk and return of the investment and seek individualized advice from his or her personal financial, legal, tax and other professional advisors that takes into account all the particular facts and circumstances of his or her investment objectives.

Any prices stated in this document are for information purposes only and do not represent valuations for individual securities or other financial instruments. There is no representation that any transaction can or could have been effected at those prices, and any prices do not necessarily reflect UBS's internal books and records or theoretical

model-based valuations and may be based on certain assumptions. Different assumptions by UBS or any other source may yield substantially different results.

No representation or warranty, either expressed or implied, is provided in relation to the accuracy, completeness or reliability of the information contained in any materials to which this document relates (the "Information"), except with respect to Information concerning UBS. The Information is not intended to be a complete statement or summary of the securities, markets or developments referred to in the document. UBS does not undertake to update or keep current the Information. Any opinions expressed in this document may change without notice and may differ or be contrary to opinions expressed by other business areas or groups, personnel or other representative of UBS. Any statements contained in this report attributed to a third party represent UBS's interpretation of the data, information and/or opinions provided by that third party either publicly or through a subscription service, and such use and interpretation have not been reviewed by the third party. In no circumstances may this document or any of the Information (including any forecast, value, index or other calculated amount ("Values")) be used for any of the following purposes: (i) valuation or accounting purposes; (ii) to determine the amounts due or payable, the price or the value of any financial instrument or financial contract; or (iii) to measure the performance of any financial instrument including, without limitation, for the purpose of tracking the return or performance of any Value or of defining the asset allocation of portfolio or of computing performance fees.

By receiving this document and the Information you will be deemed to represent and warrant to UBS that you will not use this document or any of the Information for any of the above purposes or otherwise rely upon this document or any of the Information.

UBS has policies and procedures, which include, without limitation, independence policies and permanent information barriers, that are intended, and upon which UBS relies, to manage potential conflicts of interest and control the flow of information within divisions of UBS (including between Global Wealth Management and UBS Global Research) and among its subsidiaries, branches and affiliates. For further information on the ways in which UBS manages conflicts and maintains independence of its research products, historical performance information and certain additional disclosures concerning UBS research recommendations, please visit https://www.ubs.com/research-methodology.

Research will initiate, update and cease coverage solely at the discretion of research management, which will also have sole discretion on the timing and frequency of any published research product. The analysis contained in this document is based on numerous assumptions. Different assumptions could result in materially different results.

The analyst(s) responsible for the preparation of this document may interact with trading desk personnel, sales personnel and other parties for the purpose of gathering, applying and interpreting market information. UBS relies on information barriers to control the flow of information contained in one or more areas within UBS into other areas, units, groups or affiliates of UBS. The compensation of the analyst who prepared this document is determined exclusively by research management and senior management (not including investment banking). Analyst compensation is not based on investment banking revenues; however, compensation may relate to the revenues of UBS and/or its divisions as a whole, of which investment banking, sales and trading are a part, and UBS's subsidiaries, branches and affiliates as a whole.

For financial instruments admitted to trading on an EU regulated market: UBS AG, its affiliates or subsidiaries (excluding UBS Securities LLC) acts as a market maker or liquidity provider (in accordance with the interpretation of these terms in the UK) in the financial instruments of the issuer save that where the activity of liquidity provider is carried out in accordance with the definition given to it by the laws and regulations of any other EU jurisdictions, such information is separately disclosed in this document. For financial instruments admitted to trading on a non-EU regulated market: UBS may act as a market maker save that where this activity is carried out in the US in accordance with the definition given to it by the relevant laws and regulations, such activity will be specifically disclosed in this document. UBS may have issued a warrant the value of which is based on one or more of the financial instruments referred to in the document. UBS and its affiliates and employees may have long or short positions, trade as principal and buy and sell in instruments or derivatives identified herein; such transactions or positions may be inconsistent with the opinions expressed in this document.

Options and futures are not suitable for all investors, and trading in these instruments is considered risky and may be appropriate only for sophisticated investors. Prior to buying or selling an option, and for the complete risks relating to options, you must receive a copy of "Characteristics and Risks of Standardized Options". You may read the document at https://www.theocc.com/about/publications/character-risks.jsp or ask your financial advisor for a copy.

Investing in structured investments involves significant risks. For a detailed discussion of the risks involved in investing in any particular structured investment, you must read the relevant offering materials for that investment. Structured investments are unsecured obligations of a particular issuer with returns linked to the performance of an underlying asset. Depending on the terms of the investment, investors could lose all or a substantial portion of their investment based on the performance of the underlying asset. Investors could also lose their entire investment if the issuer becomes insolvent. UBS does not guarantee in any way the obligations or the financial condition of any issuer or the accuracy of any financial information provided by any issuer. Structured investments are not traditional investments and investing in a structured investment is not equivalent to investing directly in the underlying asset. Structured investments may have limited or no liquidity, and investors should be prepared to hold their investment to maturity. The return of structured investments may be limited by a maximum gain, participation rate or other feature. Structured investments may include call features and, if a structured investment is called early, investors would not earn any further return and may not be able to reinvest in similar investments with similar terms. Structured investments include costs and fees which are generally embedded in the price of the investment. The tax treatment of a structured investment may be complex and may differ from a direct investment in the underlying asset. UBS and its employees do not provide tax advice. Investors should consult their own tax advisor about their own tax situation before investing in any securities.

Important Information About Sustainable Investing Strategies: This terminology refers to definitions in the UBS Sustainable Investing Framework and does not refer or relate to any product specific regulatory labelling regime or naming conventions. Sustainable investing strategies aim to consider and incorporate environmental, social and governance (ESG) factors into investment process and portfolio construction. Strategies across geographies approach ESG analysis and incorporate the findings in a variety of ways. Incorporating ESG factors or sustainable investing considerations may inhibit the portfolio manager's ability to participate in certain investment opportunities that otherwise would be consistent with its investment objective and other principal investment strategies. The returns on a portfolio incorporating ESG factors or sustainable investing considerations may be lower or higher than portfolios where ESG factors, exclusions, or other sustainability issues are not considered by the portfolio manager, and the investment opportunities available to such portfolios may differ.

Within the past 12 months UBS Switzerland AG, its affiliates or subsidiaries may have received or provided investment services and activities or ancillary services as per MiFID II which may have given rise to a payment or promise of a payment in relation to these services from or to this company.

Disclosures: If you require detailed information on disclosures of interest or conflict of interest as required by Market Abuse Regulation please contact the mailbox MAR_disclosure_twopager@ubs.com. Please note that e-mail communication is unsecured.

External Asset Managers / External Financial Consultants: In case this research or publication is provided to an External Asset Manager or an External Financial Consultant, UBS expressly prohibits that it is redistributed by the External Asset Manager or the External Financial Consultant and is made available to their clients and/or third parties.

Argentina: All securities that will be offered to you by UBS are not authorized by the Argentine Securities and Exchange Commission (CNV) and are not subject to its reporting, periodic information requirements, or oversight. Furthermore, the CNV has not reviewed or endorsed the information provided in any securities offering document, nor the accuracy of any accounting, financial, economic data, or any other information disclosed therein, which remains the sole responsibility of the respective issuer and the other parties involved. **Australia:** This document is provided by UBS Switzerland AG. UBS Switzerland AG does not hold an Australian Financial Services Licence (AFSL) and relies on an exemption to provide financial services to persons in Australia. This document is intended only for distribution to wholesale clients under the Corporations Act 2001 (Cth). UBS Switzerland AG is a related body corporate of UBS AG, Australia Branch and UBS Securities Australia Limited. This document may be distributed to clients by those entities, but it is provided by UBS Switzerland AG and is not provided under any of the other entities' AFSL. The information in this document is general in nature and is not intended to address the objectives, financial situation or needs of any particular individual or entity. Each recipient should consider their own objectives, financial situation or needs before acting on the advice and obtain the relevant Product Disclosure Statement (if required) before making any decision whether to acquire any product. In Australia, UBS entities, other than UBS AG, Australia Branch, are not authorized deposit-taking institutions for the purposes of the Banking Act 1959 (Cth.) and their obligations do not represent deposits or other liabilities of UBS AG, Australia Branch. UBS AG, Australia Branch does not guarantee or otherwise provide assurance in respect of the obligations of such UBS entities or the funds. An investor is exposed to investment risk including possible delays in repayment and loss of income and principal invested, as relevant. If you do not wish to receive marketing materials from UBS, please contact your UBS representative or the contact details listed in the Australia Privacy Notice: https://www.ubs.com/global/en/legal/privacy.html. Your personal data will be processed in accordance with this notice. **Bahrain**: This report is being distributed by UBS AG, Bahrain Branch, duly licensed and regulated by the Central Bank of Bahrain (CBB) as an Investment Business Firm - Category 2 (Branch). Related financial services or products are only made available to Accredited Investors, as defined by the CBB, and are not intended for any other persons. UBS AG, Bahrain Branch is a Foreign Branch of UBS AG, Zurich/Switzerland and is located on Level 21, East Tower, Bahrain World Trade Centre, Manama, Kingdom of Bahrain. **Brazil**: This report is distributed in Brazil by UBS BB Corretora de Câmbio, Títulos e Valores Mobiliários S.A. or its affiliates ("UBS"). Pursuant to CVM Resolution No. 20/2021, of February 25, 2021, the author(s) of the report hereby certify(ies) that the views expressed in this report solely and exclusively reflect their personal opinions and have been prepared independently, including with respect to UBS. Part of the author(s)'s compensation is based on various factors, including the total revenues of the relevant UBS Group entity of which they are in employment of, but no part of the compensation has been, is, or will be related to the specific recommendations or views expressed in this report. In addition, UBS declares that: UBS has provided, and/or may in the future provide investment banking, brokerage, asset management, commercial banking and other financial services to the subject company/companies or its affiliates, for which they have received or may receive customary fees and commissions, and which constituted or may constitute relevant financial or commercial interests in relation to the subject company/companies or the subject securities. **Canada**: This publication is for your information only and is not intended as an offer, or a solicitation of an offer, to buy or sell any investment or other specific product. Although all information and opinions expressed in this publication were obtained from sources believed to be reliable and in good faith, no representation or warranty, express or implied, is made as to its accuracy or

completeness. All information and opinions as well as any figures indicated herein are subject to change without notice. At any time, UBS AG ("UBS") and other companies in the UBS group (or employees thereof) may have a long or short position, or deal as principal or agent, in relevant securities or provide advisory or other services to the issuer of relevant securities or to a company connected with an issuer. Some investments may not be readily realizable since the market in the securities is illiquid and therefore valuing the investment and identifying the risk to which you are exposed may be difficult to quantify. Past performance of investments is not a guarantee of future results, and the value of investments may fluctuate over time. There is no guarantee that investment objectives risk or return targets discussed in this publication will be received or attained. For clients and prospective clients of UBS Bank (Canada), please note that this publication has no regard to the specific investment objectives, financial situation or particular needs of any recipient. Neither UBS Bank (Canada) nor UBS Investment Management Canada Inc. is acting as an adviser or fiduciary to or for any recipient of this report unless otherwise agreed upon in writing. Not all products or services may be available at UBS Bank (Canada). Some products and services may be legally restricted for residents of certain countries. Should you have any questions, please contact UBS Bank (Canada) and ask to speak to a member of our Wealth Management Team. UBS Wealth Management is a registered trade-mark of UBS AG. UBS Bank (Canada) is a subsidiary of UBS AG. Investment advisory and portfolio management services are provided through UBS Investment Management Canada Inc., a wholly-owned subsidiary of UBS Bank (Canada). UBS Investment Management Canada Inc. is a registered portfolio manager and exempt market dealer in all the provinces with the exception of P.E.I. and the territories. This publication may not be reproduced, or copies circulated without prior authority of UBS Bank (Canada). **China**: This report and any offering material such as term sheet, research report, other product or service documentation or any other information (the "Material") sent with this report was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the material erroneously, UBS asks that you kindly delete it and inform UBS immediately. This report is prepared by UBS Switzerland AG or its offshore subsidiary or affiliate (collectively as "UBS Offshore"). UBS Offshore is an entity incorporated out of China and is not licensed, supervised or regulated in China to carry out banking or securities business. The recipient should not contact the analysts or UBS Offshore which produced this report for advice as they are not licensed to provide securities investment advice in China. UBS Investment Bank (including Research) has its own wholly independent research and views which at times may vary from the views of UBS Global Wealth Management. The recipient should not use this document or otherwise rely on any of the information contained in this report in making investment decisions and UBS takes no responsibility in this regard. **Denmark**: This publication is not intended to constitute a public offer under Danish law. It is distributed only for information purposes to clients of UBS Europe SE, Denmark Branch, filial af UBS Europe SE, with place of business at Sankt Annae Plads 13, 1250 Copenhagen, Denmark, registered with the Danish Commerce and Companies Agency, under No. 38 17 24 33. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by BaFin. **Egypt**: Securities or other investment products are not being offered or sold by UBS to the public in Egypt and they have not been and will not be registered with the Egyptian Financial Regulatory Authority (FRA). **France**: This publication is not intended to constitute a public offer under French law, it does not constitute a personal recommendation as it is distributed only for information purposes to clients of UBS Europe SE Succursale de France (a branch of UBS Europe SE), having its registered office at 39, rue du Colisée, 75008 Paris, France, registered with the "Registre du Commerce et des Sociétés" of Paris under N°844 425 629. UBS Europe SE Succursale de France is subject to the joint supervision of the European Central Bank, the German Central Bank (Deutsche Bundesbank), the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin"), as well as of the French "Autorité de contrôle prudentiel et de résolution" and "Autorité des marchés financiers", to which this publication has not been submitted for approval. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by BaFin. **Germany**: This publication is not intended to constitute a public offer under German law. It is distributed only for information purposes to clients of UBS Europe SE, Germany, with place of business at Bockenheimer Landstrasse 2-4, 60306 Frankfurt am Main. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin") and supervised jointly by the European Central Bank, the German Central Bank (Deutsche Bundesbank) and BaFin, to which this publication has not been submitted for approval. **Hong Kong SAR**: This publication is distributed to clients of UBS AG Hong Kong Branch by UBS AG Hong Kong Branch, a licensed bank under the Hong Kong Banking Ordinance and a registered institution under the Securities and Futures Ordinance. UBS AG Hong Kong Branch is incorporated in Switzerland with limited liability. The contents of this material have not been reviewed by any regulatory authority in Hong Kong. **Indonesia**: This communication and any offering material term sheet, research report, other product or service documentation or any other information (the "Material") sent with this communication was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved, endorsed, registered or filed with any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or derivatives products). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including futures contracts) nor is it an offer to buy or to sell any securities or derivatives products. The relevant investments will be subject to restrictions and obligations on transfer as set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided on and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Israel**: UBS is a premier global financial firm offering wealth management, asset management and investment banking services from its headquarters in Switzerland and its operations in over 50 countries worldwide to individual, corporate and institutional investors. This publication is intended for information only and is not intended as an offer to buy or solicitation of an offer. Furthermore, this publication is not intended as an investment advice. Nothing contrary to the above, no action has been, or will be, taken in Israel that would permit an offering of the product(s) mentioned in this document or a distribution of this document to the public in Israel. In particular, this document has not been reviewed or approved by the Israeli Securities Authority. The product(s) mentioned in this document is/are being offered to a limited number of sophisticated investors who qualify as one of the investors listed in the first supplement to the Israeli Securities Law, 5728-1968. This document may not be reproduced or used for any other purpose, nor be furnished to any other person other than those to whom copies have been sent. Anyone who purchases the product(s) mentioned herein shall do so for its own benefit and for its own account and not with the aim or intention of distributing or offering the product(s) to other parties. Anyone who purchases the product(s) shall do so in accordance with its own understanding and discretion and after it has received any relevant financial, legal, business, tax or other advice or opinion required by it in connection with such purchase(s). The word "advice" and/or any of its equivalent terms shall be read and construed in conjunction with the definition of the term "investment marketing" as defined under the Israeli Regulation of Investment Advice, Investment Marketing and Portfolio Management Law. The Swiss laws and regulations require a number of mandatory disclosures to be made in independent financial research reports or recommendations. Pursuant to the Swiss Financial Market Infrastructure Act and the Financial Market Infrastructure Ordinance-FINMA, banks must disclose the percentage of voting rights they hold in companies being researched, if these holdings are equal to or exceed the statutory thresholds. In addition, the Directives on the Independence of Financial Research, issued by the Swiss Bankers Association, mandate a number of disclosures, including the disclosure of potential conflicts of interest, the participation within previous 12 months in any securities issues on behalf of the company being researched, as well as the fact that remuneration paid to the financial analysts is based generally upon the performance of (i) the new issues department or investment banking; or (ii) securities trading performance (including proprietary trading) or sales. **Italy**: This publication is not intended to constitute a public offer under Italian law. It is distributed only for information purposes to clients of UBS Europe SE, Succursale Italia, with place of business at Via del Vecchio Politecnico, 3-20121 Milano. UBS Europe SE, Succursale Italia is subject to the joint supervision of the European Central Bank, the German Central Bank (Deutsche Bundesbank), the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin"), as well as of the Bank of Italy (Banca d'Italia) and the Italian Financial Markets Supervisory Authority (CONSOB - Commissione Nazionale per le Società e la Borsa), to which this publication has not been submitted for approval. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by BaFin. **Japan**: This report is solely distributed in Japan by UBS SuMi TRUST Wealth Management Co., Ltd, Financial Instruments Dealer, Director-General of Kanto Local Finance Bureau (Kinsho) No. 3233, a member of the Japan Securities Dealers Association, Financial Futures Association of Japan, Investment Management Association of Japan. It is distributed only for information purposes to clients of UBS Europe SE, Luxembourg Branch ("UBS Luxembourg"), R.C.S. Luxembourg n° B209123, with registered office at 33A, Avenue J. F. Kennedy, L-1855 Luxembourg. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea (HRB n° 107046), with registered office at Bockenheimer Landstrasse 2-4, D-60306 Frankfurt am Main, Germany, duly authorized by the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin") and subject to the joint prudential supervision of BaFin, the European Central Bank and the central bank of Germany (Deutsche Bundesbank). UBS Luxembourg is furthermore supervised by the Luxembourg prudential supervisory authority (Commission de Surveillance du Secteur Financier), in its role as host member state authority. This publication has not been submitted for approval to any public supervisory authority. **Malaysia**: This communication and any offering material term sheet, research report, other product or service documentation or any other information (the "Material") sent with this communication was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved, endorsed, registered or filed with any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or derivatives products). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including future contracts) nor is it an offer to buy or to sell any securities or derivatives products. The relevant

investments will be subject to restrictions and obligations on transfer as set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided on and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Mexico**: This information is distributed by UBS Asesores México, S.A. de C.V. ("UBS Asesores"), an affiliate of UBS Switzerland AG, incorporated as a non-independent investment advisor under the Mexican regulation due to the relation with a Foreign Bank. UBS Asesores is registered under number 30060-001-(14115)-21/06/2016 and subject to the supervision of the Mexican Banking and Securities Commission ("CNBV") exclusively regarding the rendering of (i) portfolio management services, (ii) securities investment advisory services, analysis and issuance of individual investment recommendations, and (iii) anti-money laundering and terrorism financing matters. This UBS publication or any material related thereto is addressed only to Sophisticated or Institutional Investors located in Mexico. Research reports only reflect the views of the analysts responsible for the report. The compensation of the analyst(s) who prepared this report is determined exclusively by research management and senior management of any entity of UBS Group to which such analyst(s) render(s) services. **Monaco**: This document is not intended to constitute a public offering or a comparable solicitation under the Principality of Monaco laws, but might be made available for information purposes to clients of UBS (Monaco) S.A., a regulated bank having its registered office at 2 avenue de Grande Bretagne 98000 Monaco operating under a banking license granted by the "Autorité de Contrôle Prudentiel et de Résolution" (ACPR) and the Monegasque government which authorizes the provision of banking services in Monaco. UBS (Monaco) S.A. is also licensed by the "Commission de Contrôle des Activités Financières" (CCAF) to provide investment services in Monaco. The latter has not approved this publication. **Philippines:** This communication was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved, endorsed, registered or filed with any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or derivatives products). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including future contracts) nor is it an offer to buy or to sell any securities or derivatives products. The relevant investments will be subject to restrictions and obligations on transfer as set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided on and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Portugal**: This publication is not intended to constitute a public offer under Portuguese law. It is distributed only for information purposes by UBS Europe SE, Sucursal em Portugal (UBS Portugal), Commercial Register of Lisbon (Conservatoria do Registo comercial de Lisboa) no. 980492491, with registered office at Avenida da Liberdade, n. 0 180-A, 8.0 andar, 1250-146 Lisboa. UBS Portugal is a branch of UBS Europe SE, a credit institution constituted under German law in the form of a Societas Europaea (HRB n° 107046), with registered office at Bockenheimer Landstrasse 2-4, D-60306 Frankfurt am Main, Germany, duly authorized by the German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht – "BaFin") and subject to the joint prudential supervision of BaFin, the central bank of Germany (Deutsche Bundesbank) and the European Central Bank. UBS Portugal is furthermore supervised by the Portuguese banking and financial authorities as the "Banco de Portugal" and the "Comissão do Mercado dos Valores Mobiliários" in their role as host member state authority. This publication has not been submitted for approval to any public supervisory authority. **Qatar**: UBS Qatar LLC is licensed by the Qatar Financial Centre Authority and authorized by the QFC Regulatory Authority, with QFC no. 01169, and has its registered office at Lusail - Qatar, 14th Floor, Office No. 5 and 6, Building No. 157, Burj Alfardan, Al Majdami. This material is strictly intended for Eligible Counterparties and/or Business Customers only as classified under the QFCRA's Customer and Investor Protection Rules 2019. No other person should act upon this material. **Russia**: This document or information contained therein is for information purposes only and constitutes neither a public nor a private offering, is not an invitation to make offers, to sell, exchange or otherwise transfer any financial instruments in the Russian Federation to or for the benefit of any Russian person or entity and does not constitute an advertisement or offering of securities in the Russian Federation within the meaning of Russian securities laws. The information contained herein is not an "individual investment recommendation" as defined in Federal Law of 22 April 1996 No 39-FZ "On Securities Market" (as amended) and the financial instruments and operations specified herein may not be suitable for your investment profile or your investment goals or expectations. The determination of whether or not such financial instruments and operations are in your interests or are suitable for your investment goals, investment horizon or the acceptable risk level is your responsibility. We assume no liability for any losses connected with making any such operations or investing into any such financial instruments and we do not recommend to use such information as the only source of information for making an investment decision. **Saudi Arabia**: This material is for marketing and information purposes by UBS Saudi Arabia only. It has been distributed by UBS Saudi Arabia or reviewed and approved by UBS Saudi Arabia if it was issued by UBS Switzerland AG, by UBS AG, or any of its subsidiaries or branches. UBS Switzerland AG is a public company limited by shares, incorporated in Switzerland with its registered offices at Bahnhofstrasse 45, CH-8001 Zurich. UBS Saudi Arabia (a subsidiary of UBS AG) is a Saudi closed joint stock company incorporated in the Kingdom of Saudi Arabia with a paid capital of 110,000,000 Saudi Riyals under commercial register number 1010257812 having its registered office at Laysen Valley, P.O. Box 75724, Riyadh 11588, Kingdom of Saudi Arabia. UBS Saudi Arabia is authorized and regulated by the Capital Market Authority to conduct securities business under license number 08113-37. This document is distributed only under such circumstances as may be permitted by applicable laws and regulations. The information and – if any - opinions contained in this document have been compiled or arrived at based upon information obtained from sources believed to be reliable and in good faith, but is not guaranteed as being accurate, nor is it a complete statement or summary of the securities, markets or developments referred to in the document. All such information and opinions are subject to changes without notice. Past performance of investments (whether simulated or actual) is not necessarily an indicator of future results. Forward looking data is based on estimates that are subject to changes. Should the currency of a financial product or service not match your reference currency, performance may rise or fall due to currency fluctuations. UBS Switzerland AG and / or other members of the UBS Group may have a position in and may make a purchase and/or sale of any of the securities or other financial instruments mentioned in this document While statements that constitute "forward-looking statements", including, but not limited to, statements relating to our future business development represent UBS judgments and future expectations concerning the development of our business, a number of risks, uncertainties and other important factors could cause actual developments and results to differ materially from our expectations. This document may not be forwarded, reproduced, redistributed or republished for any purpose without the written permission of UBS Saudi Arabia. Source for all data and charts (if not indicated otherwise) is UBS Switzerland AG. **Singapore**: Where applicable, this material is distributed in Singapore by UBS AG, Singapore Branch, which is licensed by the Monetary Authority of Singapore under the Banking Act 1970 to carry on banking business. UBS AG is incorporated in Switzerland with limited liability. UBS AG has a branch registered in Singapore (UEN S98FC5560C). This material has been prepared and issued for distribution in Singapore to institutional investors, accredited investors and expert investors (each as defined under the Financial Advisers Regulations (the "FAR")) only. By virtue of your status as an institutional investor, accredited investor, or expert investor, UBS AG is exempted from complying with certain requirements under the Financial Advisers Act 2001 (the "FAA"), the FAR and the relevant Notices and Guidelines issued thereunder, in respect of any financial advisory service which UBS AG may provide to you. These include exemptions from complying with: Section 34 of the FAA (pursuant to Regulation 33(1) of the FAR); Section 36 of the FAA (pursuant to Regulation 34(1) of the FAR); and Section 45 of the FAA (pursuant to Regulation 35(1) of the FAR). Singapore recipients and clients of UBS AG, Singapore Branch should contact UBS AG, Singapore Branch for any matters arising from, or in connection with, this material. Where applicable, this communication and any offering material term sheet, research report, other product or service documentation or any other information (the "Material") sent with this communication was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved or endorsed by any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or products or futures contracts). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including future contracts) nor is it an offer to buy or to sell any securities or products. The relevant investments will be subject to restrictions and obligations on transfer as set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided on and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Spain:** This report is distributed in Spain by UBS AG, Sucursal en España, authorized under number 1460 in the Register by the Banco de España. **Sweden**: This publication is not intended to constitute a public offer under Swedish law. Q326 earnings broadly in line; PC demand remains weak

ASMedia reported Q326 EPS of NT$26.39, broadly in line with UBSe but above Street, helped by ~NT$1.5bn of non-op income mainly from WT Micro. Q326 sales of NT $2.66bn declined 2% QoQ and 33% YoY, reflecting continued weakness in PC demand amid elevated memory prices and the shift at its major customer from AM5 back to the lower-cost AM4 platform. Q326 GM came in at 51.6% (+1.3ppt QoQ), helped by a more favorable product mix and pricing adjustments. Opex increased to NT$795mn on higher R&D spending including 12nm chip tape-out and a 10-15% increase in headcount expansion, resulting in OpM declining 2.1ppt QoQ to 21.7%. Q326 sales mix was 74% for host controllers, ~21% automotive and ~5% device.

Sell-through improving, but inventory adjustment to weigh through Q127F

ASMedia is seeing improving PC motherboard demand, with Q326 motherboard production up >20% QoQ and management viewing H126 as the near-term trough. However, elevated memory prices have driven AMD's product mix back toward the lower-ASP AM4 platform (AM4 >70% of Q326 chipset shipments up from >50% in Q226), while AMD continues to digest inventory. It noted AMD's sales contribution has already declined from >50% of sales in H126 to <50% in Q326, and management expects the inventory correction to continue through Q127, delaying the benefit from improving motherboard sell-through. We expect October to mark the trough (monthly sales down 43% MoM) and will remain muted on AMD's inventory control, resulting in Q426 sales declining~33% QoQ while GM should decline by 1.6ppt QoQ to 50.0% as slower pull in of AM5 could lead to inventory provision, despite a reversal in H127E.

2027E recovery more back-end-loaded

ASMedia remains confident in retaining its sole-supplier position for AMD's next-generation Olympic (AM5.5) chipset platform, with contribution expected from H227 and ASP ~50-60% higher than AM4. We expect USB4 demand to recover alongside the Olympic ramp, with additional upside from a new US robotics customer from H227. Separately, we expect AM5 shipments to recover and potential inventory writebacks to provide upside to GM. We believe PCIe packet-switch contribution could be more gradual given slower design-in progress. Overall, we estimate ASMedia's 2027E sales to grow ~5% YoY (vs. previous 17% YoY expectations), with growth skewed to H227.

Valuation: Retain Buy with PT of NT$1,500

We lower our 2026/27/28E EPS by 2%/1%/2% primarily on softer PC demand and inventory adjustment, offset by higher better earnings contribution from WT Micro. We cut our PT to NT$1,500 (from NT$1,700), based on our SOTP valuation (18x for core earnings and 11.5x for non-core), implying 13x 2027E PE. Maintain Buy rating as stock is trading near trough 14x NTM PE vs an 11-48x historical range, while its diversification into non-PC should support its topline/OP to recover from 2027E.

Company Description

ASMedia is a Taiwan-based fabless IC design house founded by parent company Asustek Computer Inc. in 2004. ASMedia is dedicated to high-speed input/output (I/O) controllers, such as USB, PCIe and SATA, and its products are mainly used in desktop PCs, motherboards and add-on cards. In 2024, ASMedia generated 84% of its revenue from host controllers and 16% from device controllers. The company collaborates with Advanced Micro Devices (AMD) to design southbridge chipsets for Zen-based desktop central processing units (CPUs). AMD is the company's largest client account, contributing 58% of revenue in 2024.

Valuation Method and Risk Statement

We base our price target on sum-of-the-parts methodology. We value ASMedia's core and non-core businesses based on a target PE multiple.
Fabless integrated circuit (IC) design houses face a variety of uncertainty, including rapidly changing technology, end-market demand, competition, employee turnover and foundry wafer costs. They are also vulnerable to legal disputes over intellectual property rights.
We believe risks for ASMedia include: 1) AMD's chipset insourcing or other design houses entering AMD's chipset business; 2) faster penetration of USB4 native support in chipsets; 3) more entrants in the USB device controller market; 4) continued suspension of China tender projects; and 5) increased US export controls impacting China's computing capability.

Quantitative Research Review

UBS Global Research publishes a quantitative assessment of its analysts' responses to certain questions about the likelihood of an occurrence of a number of short term factors in a product known as the 'Quantitative Research Review'. The views for this month can be found below. Views contained in this assessment on a particular stock reflect only the views on those short term factors which are a different timeframe to the 12-month timeframe reflected in any equity rating set out in this note. For previous responses please make reference to (i) previous UBS Global Research reports; and (ii) where no applicable research report was published that month, the Quantitative Research Review which can be found at https://neo.ubs.com/quantitative, or contact your UBS sales representative for access to the report or the Quantitative Research Team on ubs-quant-answers@ubs.com. A consolidated report which contains all responses is also available and again you should contact your UBS sales representative for details and pricing or the Quantitative Research Team on the email above.

ASMedia Technology Inc

Question	Response
1. Is the industry structure facing the firm likely to improve or deteriorate over the next six months? Rate on a scale of 1-5 (1 = getting worse, 3 = no change, 5 = getting better, N/A = no view)	3
2. Is the regulatory/government environment facing the firm likely to improve or deteriorate over the next six months? Rate on a scale of 1-5 (1 = getting tougher 3 = no change, 5 = getting better, N/A = no view)	3
3. Over the last 3-6 months in broad terms have things been improving/no change/getting worse for this stock? Rate on a scale of 1-5 (1 = getting a lot worse, 3 = not much change, 5 = getting a lot better, N/A = no view)	4
4. Relative to the current CONSENSUS EPS forecast, is the next company EPS update likely to lead to: (1 = negative surprise vs consensus, 3 = in-line with consensus, 5 = positive surprise vs consensus expectations, N/A = no view)	3
5. What's driving the difference?	
6. Relative to YOUR current earnings forecast, is there relatively greater risk at the next earnings result of:(1 = downside skew risk to earnings, 3 = equal upside or downside risk to earnings, 5 = upside skew risk to earnings, N/A = no view)	3
7. What's driving the difference?	
8. Is there an upcoming catalyst for the company over the next three months?	
9. Is there an actual or approximate date for the catalyst?	
10. Is the catalyst date an actual or approximate date?	
11. What is the catalyst?	

Required Disclosures

This document has been prepared by UBS Securities Pte. Ltd., Taipei Branch, an affiliate of UBS AG. UBS AG, its subsidiaries, branches and affiliates, including former Credit Suisse AG and its subsidiaries, branches and affiliates are referred to herein as "UBS".

For information on how UBS manages conflicts and maintains the independence of its UBS Global Research product; historical performance information; certain additional disclosures concerning UBS Global Research recommendations; and terms and conditions for certain third party data used in research report, please visit https://www.ubs.com/disclosures. Unless otherwise indicated, information and data in this report are based on company disclosures including annual, interim and quarterly reports and other company announcements. Figures in performance charts refer to the past; past performance is not a reliable indicator of future results. Additional information will be made available on request. UBS Securities Co. Limited is licensed by the China Securities Regulatory Commission to conduct securities investment consultancy businesses. UBS acts or may act as principal in the debt securities (or in related derivatives) that may be the subject of this report. This recommendation was finalized on: 10 November 2026 12:00 PM GMT. UBS has designated certain UBS Global Research department members as Derivatives Research Analysts where they publish research principally on the analysis of the price or market for a derivative, and provide information reasonably sufficient on which to base a decision to enter into a derivatives transaction. Where Derivatives Research Analysts co-author research reports with Equity Research Analysts or Economists, the Derivatives Research Analyst is responsible for the derivatives investment views, forecasts, and/or recommendations. **Quantitative Research Review:** UBS Global Research publishes a quantitative assessment of its analysts' responses to certain questions about the likelihood of a number of short term factors occurring, in a product known as the 'Quantitative Research Review'. Views in this assessment on a particular stock reflect only those short term factors and a timeframe different to the 12-month timeframe reflected in any equity rating set out in this document. For the latest responses, please see the Quantitative Research Review Addendum at the back of this document, where applicable. For previous responses, please refer to: (i) previous UBS Global Research reports and (ii) where no applicable research report was published that month, the Quantitative Research Review at https://neo.ubs.com/quantitative, or contact your UBS sales representative for access to the report or the Quantitative Research Team at ubs-quant-answers@ubs.com. A consolidated report containing all responses is also available; for details and pricing, please contact your UBS sales representative or the Quantitative Research team at the above email.

Analyst Certification:
Each research analyst primarily responsible for the content of this research report, in whole or in part, certifies that, with respect to each security or issuer that the analyst covered in this report: (1) all views expressed accurately reflect their personal views about those securities or issuers and were prepared independently, including with respect to UBS, and (2) no part of their compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by that research analyst in the research report.

UBS Global Research: Global Equity Rating Definitions

12-Month Rating	Definition	Coverage[1]	IB Services[2]
Buy	FSR is > 6% above the MRA.	55%	24%
Neutral	FSR is between -6% and 6% of the MRA.	39%	20%
Sell	FSR is > 6% below the MRA.	6%	21%

Source: UBS. Rating allocations are as of 30 September 2026.
1:Percentage of companies under coverage globally within the 12-month rating category.
2:Percentage of companies within the 12-month rating category for which investment banking (IB) services were provided within the past 12 months.

KEY DEFINITIONS:Forecast Stock Return (FSR) is expected percentage price appreciation plus gross dividend yield over the next 12 months. In some cases, this yield may be based on accrued dividends. **Market Return Assumption (MRA)** is the one-year local market interest rate plus 5% (a proxy for, and not a forecast of, the equity risk premium). **Under Review (UR)** Stocks may be flagged by the analyst to indicate that the stock's price target and/or rating may change in the near term, usually in response to an event that may affect the investment case or valuation. **Equity Price Targets** have a 12-month investment horizon.

EXCEPTIONS AND SPECIAL CASES:UK and European Investment Fund ratings and definitions are: Buy: Positive on factors such as structure, management, performance record and discount; **Neutral:** Neutral on factors such as structure, management, performance record and discount; **Sell:** Negative on factors such as structure, management, performance record and discount. **Core Banding Exceptions (CBE):** Exceptions to the standard +/-6% bands may be granted by the Investment Review Consultation (IRC). Factors considered by the IRC include the stock's volatility and the credit spread of the respective company's debt. As a result, stocks deemed very high or low risk may be subject to higher or lower bands for rating purposes. Where such exceptions apply, they will be identified in the Company Disclosures table in the relevant research piece.

Research analysts contributing to this report who are employed by a non-US affiliate of UBS Securities LLC are not registered or qualified as research analysts with FINRA. Such analysts may not be associated persons of UBS Securities LLC and therefore are not subject to FINRA restrictions on communications with a subject company, public appearances, and trading securities held by a research analyst account. The name of each affiliate and analyst employed by that affiliate contributing to this report, if any, follows.

UBS Securities Pte. Ltd., Taipei Branch: Annie Chen, Jerry Su.

The Disclaimer relevant to Global Wealth Management clients follows the Global Research Disclaimer.

UBS Global Research Disclaimer

This document has been prepared by UBS Securities Pte. Ltd., Taipei Branch, an affiliate of UBS AG. UBS AG, its subsidiaries, branches and affiliates, including former Credit Suisse AG and its subsidiaries, branches and affiliates are referred to herein as "UBS".

Any opinions in this document may change without notice and are current only as of the publication date. Different areas, groups, and personnel within UBS may independently produce and distribute separate research products. For example, research publications from **UBS CIO** are produced by UBS Global Wealth Management. **UBS Global Research** is produced by UBS Investment Bank. Each research organization may use different methodologies and rating systems, including investment recommendations, investment horizon, model assumptions, and valuation methods. Accordingly, except for certain economic forecasts on which UBS CIO and UBS Global Research may collaborate, investment recommendations, ratings, price targets, and valuations from those research organizations may differ or be inconsistent. You should refer to each relevant research product for details of its methodology and rating system. Not all clients may have access to all products from every organization. Each research product is subject to the policies and procedures of the organization that produces it.

UBS Global Research is primarily intended for institutional/professional/wholesale clients, and not for retail clients or private individuals (excluding via any UBS approved distribution channel for such clients), as defined under the governing law and regulation of the relevant client jurisdiction.

This document is provided solely to recipients who are expressly authorized by UBS to receive it. If you are not so authorized you must immediately destroy it.

UBS Global Research is provided to our clients through UBS Neo and, in certain instances, UBS.com and any other system or distribution method specifically identified in one or more communications distributed through UBS Neo or UBS.com (each, a "System") as an approved means of distributing UBS Global Research. It may also be made available through third party vendors and distributed by UBS and/or third parties by e-mail or other electronic means.

All UBS Global Research is available on UBS Neo. Please contact your UBS sales representative if you wish to discuss access to UBS Neo. Where UBS Global Research refers to "UBS Evidence Lab Inside" or uses data provided by UBS Evidence Lab, and you would like access to that data, please contact your UBS sales representative. UBS Evidence Lab data is available on UBS Neo. The level and types of services provided by UBS Global Research and UBS Evidence Lab to a client may vary depending on factors including a client's preferences as to the frequency and manner of receiving communications, risk profile, and investment focus and perspective (e.g., market wide, sector specific, long-term, short-term), the size and scope of the overall client relationship with UBS Global Research and UBS Evidence Lab, and legal and regulatory constraints. UBS HOLT and UBS Pharma Values are offerings of UBS Global Research. HOLT Lens is a corporate performance platform offering that provides an objective accounting-led framework for comparing and valuing companies and is available to clients of UBS Global Research; for details and pricing, please contact your UBS Sales representative. In particular, HOLT has a variety of warranted prices based on the scenario chosen; if you are interested in the warranted price for a particular company, please mail UBS Securities LLC, 11 Madison Avenue, New York, NY 10010, USA, Attention: Investment Research, subject again to commercial considerations. UBS Pharma Values is an analytical tool involving individual product net present value calculations based on published forecasts of pharmaceutical sales, and is available to clients of UBS Global Research; for details and pricing, please contact your UBS Sales representative. For all other specific disclaimers, please see https://www.ubs.com/disclosures.

When you receive UBS Global Research through a System, your access to and/or use of it is subject to this UBS Global Research Disclaimer, the UBS Neo Platform Use Agreement (the "Neo Terms"), and any other relevant terms of use governing the applicable System.

When you receive UBS Global Research via a third party vendor, e-mail or other electronic means, you agree that use shall be subject to this UBS Global Research Disclaimer, the Neo Terms and where applicable the UBS Investment Bank terms of business (https://www.ubs.com/global/en/investment-bank/regulatory.html) and to UBS's Terms of Use/ Disclaimer (https://www.ubs.com/global/en/legalinfo2/disclaimer.html). In addition, you consent to UBS processing your personal data and using cookies in accordance with our Privacy Statement (https://www.ubs.com/global/en/legalinfo2/privacy.html) and Cookie Notice (https://www.ubs.com/global/en/legal/privacy/users.html).

If you receive UBS Global Research, whether through a System or otherwise, you agree not to copy, revise, amend, create derivative works, provide to any third party, or in any way commercially exploit any UBS research provided via UBS Global Research or otherwise, and not to extract data from any research or estimates provided to you via UBS Global Research or otherwise, without UBS's prior written consent. You also agree not to use UBS Global Research in any artificial intelligence system without UBS's prior written consent.

In certain circumstances, you may receive UBS Global Research other than in your capacity as a UBS client and, you understand and agree that in those circumstances: (i) UBS Global Research is provided to you for information purposes only; (ii) for the purpose of receiving it, you are not intended to be and will not be treated as a "client" of UBS for any legal or regulatory purpose; (iii) UBS Global Research must not be relied on or acted upon for any purpose; and (iv) such content is subject to the relevant disclaimers that follow.

This document may be distributed only as permitted by law. It is not directed to, or intended for distribution to or use by, any person or entity that is a citizen or resident of, or located in, any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or would subject UBS to any registration or licensing requirement in that jurisdiction.

This document is a general communication and educational in nature; it is not an advertisement, solicitation or offer to buy or sell any financial instrument or to participate in any particular trading strategy. Nothing in this document constitutes a representation that any investment strategy or recommendation is suitable or appropriate to an investor's individual circumstances or otherwise constitutes a personal recommendation. By providing this document, neither UBS nor its representatives has any responsibility or authority to provide, or to have provided, investment advice in a fiduciary or any other capacity. Investments involve risks, and investors should exercise prudence and their own judgment in making investment decisions. Neither UBS nor its representatives is suggesting that the recipient or any other person take a specific course of action, or any action at all. The recipient should read this document carefully and in full and not draw inferences or conclusions from the rating alone. By receiving this document, the recipient acknowledges and agrees with the intended purpose described above and further disclaims any expectation or belief that the information constitutes investment advice to the recipient or otherwise purports to meet the recipient's investment objectives. The financial instruments described in this document may not be eligible for sale in all jurisdictions or to certain categories of investors.

Options, structured derivative products and futures (including OTC derivatives) are not suitable for all investors. Trading in these instruments is risky and may be appropriate only for sophisticated investors. Before buying or selling an option, you must receive a copy of "The Characteristics and Risks of Standardized Options" for a full description of options risks. You may read it at https://www.theocc.com/publications/risks/riskchap1.jsp or ask your salesperson for a copy. Various theoretical explanations of the risks of these instruments have been published. Supporting documentation for any claims, comparisons, recommendations, statistics or other technical data will be supplied on request. Past performance is not necessarily indicative of future results. Transaction costs may be significant in option strategies involving multiple purchases and sales, such as spreads and straddles. As tax considerations are important to many options transactions, investors considering options should consult their tax advisor on how taxes affect the outcome of contemplated options transactions.

Mortgage- and asset-backed securities may involve a high degree of risk and be highly volatile in response to interest rate fluctuations or other market conditions. Foreign currency exchange rates may adversely affect the value, price or income of any security or related instrument referred to in this document. For investment advice, trade execution or other inquiries, clients should contact their local sales representative.

UBS notes that no globally accepted framework or definition (legal, regulatory or otherwise) currently exists, and there is no market consensus, as to what constitutes "ESG" (Environmental, Social or Governance) or an equivalent label, or what precise attributes are required for the Information (as defined below) to be defined as ESG or equivalently labelled. Any information, data or other content, including from third party sources, contained or referred to herein or used by UBS or a third party for any purpose ("Information"), in relation to any actual or potential ESG objective, issue or consideration, is not intended to be relied upon for ESG classification, regulatory regime or industry initiative purposes ("ESG Regimes"). Nothing in this document is intended to convey, suggest or indicate that UBS considers or represents any product, service, person or body mentioned in it to meet or qualify for any ESG classification, labelling or similar standards that may exist under ESG Regimes. UBS has not assessed compliance with ESG Regimes. Parties should make their own assessments for these purposes.

The value of any investment or income may go down as well as up, and investors may not get back the full (or any) amount invested. Past performance is not necessarily a guide to future performance. Neither UBS nor any of its directors, employees or agents accepts liability for any loss (including investment loss) or damage arising out of the use of any of the Information.

Before making any investment or financial decision, any recipient of this document or the information should take steps to understand the investment's risk and return and seek individualized advice from their personal financial, legal, tax and other professional advisors, taking into account all relevant facts and circumstances of their investment objectives.

Any prices stated in this document are for information purposes only and do not represent valuations of individual securities or other financial instruments. There is no representation that any transaction can or could have been effected at those prices. They do not necessarily reflect UBS's internal books and records or theoretical model-based valuations and may be based on certain assumptions. Different assumptions by UBS or any other source may yield substantially different results.

No representation or warranty, express or implied, is given as to the accuracy, completeness or reliability of the information contained in any materials to which this document relates (the "Information"), except with respect to Information concerning UBS. The Information is not intended to be a complete statement or summary of the securities, markets or developments referred to in this document. UBS does not undertake to update or keep current the Information. Any statements contained in this document attributed to a third party represent UBS's interpretation of data, information and/or opinions provided by that third party,

publicly or through a subscription service, and such use and interpretation have not been reviewed by that third party. In no circumstances may this document or any Information, including any forecast, value, index or other calculated amount ("Values"), be used for: (i) valuation or accounting purposes; (ii) determining amounts due or payable, or the price or value of any financial instrument or financial contract; or (iii) measuring the performance of any financial instrument, including without limitation tracking the return or performance of any Value, defining the asset allocation of a portfolio or computing performance fees.

By receiving this document and the Information you will be deemed to represent and warrant to UBS that you will not use this document or any of the Information for any of those purposes or otherwise rely upon this document or any of the Information.

UBS has policies and procedures, including without limitation independence policies and permanent information barriers, intended, and relied on by UBS, to manage potential conflicts of interest and control the flow of information within UBS divisions and among its subsidiaries, branches and affiliates. UBS does and seeks to do business with companies covered in its research documents. As a result, investors should be aware that UBS may have a conflict of interest that could affect this document's objectivity. Investors should consider this document as only one factor in making an investment decision. For further information on how UBS Global Research manages conflicts and maintains the independence of its research products, historical performance information and certain additional disclosures concerning UBS Global Research recommendations, please visit https://www.ubs.com/disclosures.

UBS Global Research will initiate, update and cease coverage solely at the discretion of UBS Global Research Management, which also has sole discretion over the timing and frequency of any published research product. The analysis in this document is based on numerous assumptions. All material information relating to published research documents, such as valuation methodology, risk statements, underlying assumptions (including sensitivity analysis of those assumptions), ratings history and other information required by the Market Abuse Regulation, can be found on UBS Neo. Different assumptions could produce materially different results.

UBS Global Research may use artificial intelligence tools in the preparation of this document. Notwithstanding any such use, this document has undergone human review.

The analyst(s) responsible for preparing this document may interact with trading desk personnel, sales personnel and other parties to gather, apply and interpret market information. UBS relies on information barriers to control the flow of information from one or more areas within UBS to other areas, units, groups or affiliates. Compensation of the analyst(s) who prepared this document is determined exclusively by UBS Global Research management and senior management (excluding investment banking). It is not based on investment banking revenues; however, it may relate to the revenues of UBS and/or its divisions as a whole, including investment banking, sales and trading, and UBS as a whole.

For financial instruments admitted to trading on an EU regulated market: UBS (excluding UBS Securities LLC) acts as a market maker or liquidity provider (as those terms are interpreted under English law or, if the activity is not carried out by UBS in the UK, under the law of the relevant jurisdiction in which UBS determines it carries out the activity) in the issuer's financial instruments, except where liquidity provider activity is carried out in accordance with the definition under the laws and regulations of another EU jurisdiction, in which case it is separately disclosed in this document. For financial instruments admitted to trading on a non-EU regulated market: UBS may act as a market maker, except where that activity is carried out in the US in accordance with the definition under applicable laws and regulations, in which case it will be specifically disclosed in this document. UBS may have issued a warrant whose value is based on one or more financial instruments referred to in this document. UBS and its affiliates and employees may have long or short positions, trade as principal, and buy and sell instruments or derivatives identified herein; such transactions or positions may be inconsistent with the opinions expressed in this document.

Within the past 12 months, UBS may have received or provided investment services and activities or ancillary services under MiFID II that may have given rise to a payment or promise of payment in relation to those services from or to this company.

Please note that all transactions conducted by UBS are consistent with sanctions imposed by Switzerland, the European Union, the United Nations, the United Kingdom and the United States, in accordance with UBS's global sanctions policy. UBS's opinions as to future investment worthiness assume no new sanctions are imposed.

US persons are prohibited from purchasing or selling securities of certain companies designated as associated with the Chinese Military in accordance with amended US Presidential Executive Order 13959.

United Kingdom: Distributed by UBS AG, London Branch to eligible counterparties or professional clients. UBS AG, London Branch is authorised by the Prudential Regulation Authority ("PRA") and subject to regulation by the Financial Conduct Authority (FCA) and limited regulation by the PRA. **Europe:** Except as otherwise specified, distributed by UBS Europe SE, a subsidiary of UBS AG, to eligible counterparties or professional clients (as defined under the Bundesanstalt fur Finanzdienstleistungsaufsicht ("BaFin") Rules and MIFID II) and are available only to such persons. The information in this document does not apply to, and should not be relied on by, retail clients. UBS Europe SE is authorised by the European Central Bank ("ECB") and regulated by BaFin and the ECB. **Germany, Luxembourg, the Netherlands, Belgium and Ireland:** Where an analyst of UBS Europe SE has contributed to this document, it is also deemed to have been prepared by UBS Europe SE. In all cases, it is distributed by UBS Europe SE and UBS AG, London Branch. **Turkey:** Distributed by UBS AG, London Branch. No information in this document is provided for offering, marketing or sale by any means of any capital market instruments or services in the Republic of Turkey. Therefore, this document may not be considered an offer made or to be made to residents of the Republic of Turkey. UBS AG, London Branch is not licensed by the Turkish Capital Market Board under the Capital Market Law (Law No. 6362). Accordingly, neither this document nor any other offering material related to the instruments/services may be used in connection with providing capital market services to persons within the Republic of Turkey without the prior approval of the Capital Market Board. However, under article 15(d)(ii) of Decree No. 32, there is no restriction on the purchase or sale of securities abroad by residents of the Republic of Turkey. **Poland:** Distributed by UBS Europe SE (spolka z ograniczona odpowiedzialnoscia) Oddzial w Polsce ("UBS Poland"). Where an analyst of UBS Poland has contributed to this document, the document is also deemed to have been prepared by UBS Poland. **Russia:** Prepared and distributed by UBS Bank (OOO). It should not be construed as an individual Investment Recommendation for the purposes of articles 6.1 and 6.2 of Russian Federal Law No. 39-FZ "On the Securities Market". **Switzerland:** Distributed by UBS AG to institutional investors only. UBS AG is regulated by the Swiss Financial Market Supervisory Authority (FINMA). **Italy:** Prepared by UBS Europe SE and distributed by UBS Europe SE and UBS Europe SE, Italy Branch. Where an analyst of UBS Europe SE, Italy Branch has contributed to this document, it is also deemed to have been prepared by UBS Europe SE, Italy Branch. **France:** Prepared by UBS Europe SE and distributed by UBS Europe SE and UBS Europe SE, France Branch. Where an analyst of UBS Europe SE, France Branch has contributed to this document, it is also deemed to have been prepared by UBS Europe SE, France Branch. **Spain:** Prepared by UBS Europe SE and distributed by UBS Europe SE and UBS Europe SE, Spain Branch. Where an analyst of UBS Europe SE, Spain Branch has contributed to this document, it is also deemed to have been prepared by UBS Europe SE, Spain Branch. **Sweden:** Prepared by UBS Europe SE and distributed by UBS Europe SE and UBS Europe SE, Sweden Branch. Where an analyst of UBS Europe SE, Sweden Branch has contributed to this document, it is also deemed to have been prepared by UBS Europe SE, Sweden Branch. **South Africa:** Distributed by UBS South Africa (Pty) Limited (Registration No. 1995/011140/07), an authorised user of the JSE and an authorised Financial Services Provider (FSP 7328). **Saudi Arabia:** This document has been issued by UBS AG (and/or any of its subsidiaries, branches or affiliates), a public company limited by shares, incorporated in Switzerland with its registered offices at Aeschenvorstadt 1, CH-4051 Basel and Bahnhofstrasse 45, CH-8001 Zurich. This publication has been approved by UBS Saudi Arabia (a subsidiary of UBS AG), a Saudi closed joint stock company incorporated in the Kingdom of Saudi Arabia under commercial register number 1010257812 having its registered office at Tatweer Towers, P.O. Box 75724, Riyadh 11588, Kingdom of Saudi Arabia. UBS Saudi Arabia is authorized and regulated by the Capital Market Authority to conduct securities business under license number 08113-37. **UAE / Dubai:** Information distributed by UBS AG Dubai Branch is only intended for Professional Clients and/or Market Counterparties as classified under the DFSA rulebook. No other person should act on this document/communication. The information is not for further distribution within the United Arab Emirates. UBS AG Dubai Branch is regulated by the DFSA in the DIFC. UBS is not licensed to provide banking services in the UAE, nor by the UAE Securities and Commodities Authority. **Israel:** This document is distributed by UBS AG, London Branch. UBS Securities Israel Ltd is a licensed Investment Marketer supervised by the Israel Securities Authority (ISA). UBS AG, London Branch and its affiliates incorporated outside Israel are not licensed under the Israeli Advisory Law. UBS may engage among others in issuance of Financial Assets or distribution of Financial Assets of other issuers for fees or other benefits. UBS AG, London Branch and its affiliates may prefer various Financial Assets to which they have or may have an Affiliation (as defined under the Israeli Advisory Law). Nothing in this document should be considered investment advice under the Israeli Advisory Law. This document is only issued to and/or directed at persons who are Eligible Clients (within the meaning of the Israeli Advisory Law), and must not be furnished to, relied on or acted upon by any other person. **United States:** Distributed to US persons by UBS Securities LLC or UBS Financial Services Inc., subsidiaries of UBS AG, or by a group, subsidiary or affiliate of UBS AG not registered as a US broker-dealer (a "non-US affiliate") to major US institutional investors only. UBS Securities LLC or UBS Financial Services Inc. accepts responsibility for the content of a report prepared by another non-US affiliate when distributed to US persons by UBS Securities LLC or UBS Financial Services Inc. All transactions by a US person in the securities mentioned in this document must be effected through UBS Securities LLC or UBS Financial Services Inc., and not through a non-US affiliate. UBS Securities LLC is not acting as a municipal advisor to any municipal entity or obligated person within the meaning of Section 15B of the Securities Exchange Act (the "Municipal Advisor Rule"), and the opinions or views contained herein are not intended to be, and do not constitute, advice within the meaning of that rule. **Canada:** Distributed by UBS Securities Canada Inc., a registered investment dealer in Canada and a Member-Canadian Investor Protection Fund, or by another affiliate of UBS AG registered to conduct business in Canada or otherwise exempt from registration. **Brazil:** Except as otherwise specified herein, this document is prepared by UBS BB Corretora de Câmbio, Títulos e Valores Mobiliários S.A. ("UBS BB CCTVM") for eligible investors residing in Brazil who are considered Professional Investors (Investidores Profissionais) under applicable regulation, primarily CVM Resolution No. 30 of 11 May 2021 (which determines the duty to verify the suitability of products, services and transactions to the client's profile). UBS BB CCTVM is a subsidiary of UBS BB Servicos de Assessoria Financeira e Participacoes S.A. ("UBS BB"). UBS BB is an association between UBS AG and Banco do Brasil (through its subsidiary BB Banco de Investimentos S.A.), of which UBS AG is the majority owner, and provides investment banking services and coverage in Brazil, Argentina, Chile, Paraguay, Peru and Uruguay. UBS BB CCTVM is regulated by the Comissao de Valores Mobiliarios (CVM) and the Central Bank of Brazil. Ombudsman: 0800-940-0266 / https://www.ubs.com/br/pt/ubsbb-investment-bank/ombudsman.html**Hong Kong:** Distributed by UBS Securities Asia Limited. Please contact local licensed persons of UBS Securities Asia Limited in respect of any matters arising from, or in connection with, the analysis or document. **Singapore:** Distributed by UBS Securities Pte. Ltd. (Co. Reg. No.: 198500648C] or UBS AG, Singapore Branch. Please contact UBS Securities Pte. Ltd., an exempt

financial adviser under the Singapore Financial Advisers Act (Cap. 110), or UBS AG, Singapore Branch, an exempt financial adviser under the Singapore Financial Advisers Act (Cap. 110) and a wholesale bank licensed under the Singapore Banking Act (Cap. 19) and regulated by the Monetary Authority of Singapore, regarding any matters arising from, or in connection with, the analysis or document. Recipients of this document represent and warrant that they are accredited and institutional investors as defined in the Securities and Futures Act (Cap. 289). **Japan:** Distributed by UBS Securities Japan Co., Ltd. to professional investors (except as otherwise permitted). Where this document has been prepared by UBS Securities Japan Co., Ltd., UBS Securities Japan Co., Ltd. is the author, publisher and distributor of the document. Distributed by UBS AG, Tokyo Branch to professional investors (except as otherwise permitted) in relation to foreign exchange and other banking businesses, where relevant. **Australia:** Recipients through a superannuation fund: Distributed by UBS AG, Australia Branch (ABN 47 088 129 613 and holder of Australian Financial Service Licence No. 231087). For all other recipients: Distributed by UBS Securities Australia Limited (ABN 62 008 586 481 and holder of Australian Financial Services Licence No. 231098). This document contains general information and/or general advice only and does not constitute personal financial product advice. As such, the Information in this document has been prepared without taking into account any investor's objectives, financial situation or needs, and investors should, before acting on the Information, consider the appropriateness of the Information, having regard to their objectives, financial situation and needs. If the Information contained in this document relates to the acquisition, or potential acquisition of a particular financial product by a 'Retail' client as defined by section 761G of the Corporations Act 2001 where a Product Disclosure Statement would be required, the retail client should obtain and consider the Product Disclosure Statement relating to the product before making any decision about whether to acquire the product. **New Zealand:** Distributed by UBS New Zealand Ltd. UBS New Zealand Ltd is not a registered bank in New Zealand. You are being provided with this document because you have indicated to UBS that you are a "wholesale client" within the meaning of clause 4 of schedule 5 of the Financial Markets Conduct Act 2013 of New Zealand ("Permitted Client"). This document is not intended for clients who are not Permitted Clients ("non-Permitted Clients"). If you are a non-Permitted Client, you must not rely on this document. If, despite this warning, you nevertheless rely on it, you hereby: (i) acknowledge that you may not rely on its content and that any recommendations or opinions in it are not made or provided to you; and (ii) to the maximum extent permitted by law, (a) indemnify UBS and its associates or related entities (and their respective directors, officers, agents and advisors) (each a "Relevant Person") for any loss, damage, liability or claim any of them may incur or suffer as a result of, or in connection with, your unauthorised reliance on this document, and (b) waive any rights or remedies you may have against any Relevant Person for any loss, damage, liability or claim you may incur or suffer as a result of, or in connection with, your unauthorised reliance on this publication or document. **Korea:** Distributed in Korea by UBS Securities Pte. Ltd., Seoul Branch. This document may from time to time have been edited or contributed to by affiliates of UBS Securities Pte. Ltd., Seoul Branch. Global Wealth Management Disclaimer

You receive this document in your capacity as a client of UBS Global Wealth Management. This publication has been distributed to you by UBS Switzerland AG (regulated by FINMA in Switzerland) or its affiliates (**"UBS"**) with whom you have a banking relationship with. The full name of the distributing affiliate and its competent authority can be found in the country-specific disclaimer at the end of this document. UBS may utilise artificial intelligence tools ("AI Tools") in the preparation of this document. Notwithstanding any such use of AI Tools, this document has undergone human review.

The date and time of the first dissemination of this publication is the same as the date and time of its publication.

Risk information:

You agree that you shall not copy, revise, amend, create a derivative work, provide to any third party, or in any way commercially exploit any UBS research, and that you shall not extract data from any research or estimates, without the prior written consent of UBS.

This document is for distribution only as may be permitted by law. It is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or would subject UBS to any registration or licensing requirement within such jurisdiction.

This document is **for your information only**; it is not an advertisement nor is it a solicitation or an offer to buy or sell any financial instruments or to participate in any particular trading strategy. Nothing in this document constitutes a representation that any investment strategy or recommendation is suitable or appropriate to an investor's individual circumstances or otherwise constitutes a personal recommendation. By providing this document, none of UBS or its representatives has any responsibility or authority to provide or have provided investment advice in a fiduciary capacity or otherwise. Investments involve risks, and investors should exercise prudence and their own judgment in making their investment decisions. None of UBS or its representatives is suggesting that the recipient or any other person take a specific course of action or any action at all. By receiving this document, the recipient acknowledges and agrees with the intended purpose described above and further disclaims any expectation or belief that the information constitutes investment advice to the recipient or otherwise purports to meet the investment objectives of the recipient. The financial instruments described in the document may not be eligible for sale in all jurisdictions or to certain categories of investors.

Options, derivative products and futures are not suitable for all investors, and trading in these instruments is considered risky. Mortgage and asset-backed securities may involve a high degree of risk and may be highly volatile in response to fluctuations in interest rates or other market conditions. Foreign currency rates of exchange may adversely affect the value, price or income of any security or related instrument referred to in the document. For investment advice, trade execution or other enquiries, clients should contact their local sales representative.

The value of any investment or income may go down as well as up, and investors may not get back the full (or any) amount invested. Past performance is not necessarily a guide to future performance. Neither UBS nor any of its directors, employees or agents accepts any liability for any loss (including investment loss) or damage arising out of the use of all or any of the information (as defined below).

Prior to making any investment or financial decisions, any recipient of this document or the information should take steps to understand the risk and return of the investment and seek individualized advice from his or her personal financial, legal, tax and other professional advisors that takes into account all the particular facts and circumstances of his or her investment objectives.

Any prices stated in this document are for information purposes only and do not represent valuations for individual securities or other financial instruments. There is no representation that any transaction can or could have been effected at those prices, and any prices do not necessarily reflect UBS's internal books and records or theoretical

model-based valuations and may be based on certain assumptions. Different assumptions by UBS or any other source may yield substantially different results.

No representation or warranty, either expressed or implied, is provided in relation to the accuracy, completeness or reliability of the information contained in any materials to which this document relates (the "Information"), except with respect to Information concerning UBS. The Information is not intended to be a complete statement or summary of the securities, markets or developments referred to in the document. UBS does not undertake to update or keep current the Information. Any opinions expressed in this document may change without notice and may differ or be contrary to opinions expressed by other business areas or groups, personnel or other representative of UBS. Any statements contained in this report attributed to a third party represent UBS's interpretation of the data, information and/or opinions provided by that third party either publicly or through a subscription service, and such use and interpretation have not been reviewed by the third party. In no circumstances may this document or any of the Information (including any forecast, value, index or other calculated amount ("Values")) be used for any of the following purposes: (i) valuation or accounting purposes; (ii) to determine the amounts due or payable, the price or the value of any financial instrument or financial contract; or (iii) to measure the performance of any financial instrument including, without limitation, for the purpose of tracking the return or performance of any Value or of defining the asset allocation of portfolio or of computing performance fees.

By receiving this document and the Information you will be deemed to represent and warrant to UBS that you will not use this document or any of the Information for any of the above purposes or otherwise rely upon this document or any of the Information.

UBS has policies and procedures, which include, without limitation, independence policies and permanent information barriers, that are intended, and upon which UBS relies, to manage potential conflicts of interest and control the flow of information within divisions of UBS (including between Global Wealth Management and UBS Global Research) and among its subsidiaries, branches and affiliates. For further information on the ways in which UBS manages conflicts and maintains independence of its research products, historical performance information and certain additional disclosures concerning UBS research recommendations, please visit https://www.ubs.com/research-methodology.

Research will initiate, update and cease coverage solely at the discretion of research management, which will also have sole discretion on the timing and frequency of any published research product. The analysis contained in this document is based on numerous assumptions. Different assumptions could result in materially different results.

The analyst(s) responsible for the preparation of this document may interact with trading desk personnel, sales personnel and other parties for the purpose of gathering, applying and interpreting market information. UBS relies on information barriers to control the flow of information contained in one or more areas within UBS into other areas, units, groups or affiliates of UBS. The compensation of the analyst who prepared this document is determined exclusively by research management and senior management (not including investment banking). Analyst compensation is not based on investment banking revenues; however, compensation may relate to the revenues of UBS and/or its divisions as a whole, of which investment banking, sales and trading are a part, and UBS's subsidiaries, branches and affiliates as a whole.

For financial instruments admitted to trading on an EU regulated market: UBS AG, its affiliates or subsidiaries (excluding UBS Securities LLC) acts as a market maker or liquidity provider (in accordance with the interpretation of these terms in the UK) in the financial instruments of the issuer save that where the activity of liquidity provider is carried out in accordance with the definition given to it by the laws and regulations of any other EU jurisdictions, such information is separately disclosed in this document. For financial instruments admitted to trading on a non-EU regulated market: UBS may act as a market maker save that where this activity is carried out in the US in accordance with the definition given to it by the relevant laws and regulations, such activity will be specifically disclosed in this document. UBS may have issued a warrant the value of which is based on one or more of the financial instruments referred to in the document. UBS and its affiliates and employees may have long or short positions, trade as principal and buy and sell in instruments or derivatives identified herein; such transactions or positions may be inconsistent with the opinions expressed in this document.

Options and futures are not suitable for all investors, and trading in these instruments is considered risky and may be appropriate only for sophisticated investors. Prior to buying or selling an option, and for the complete risks relating to options, you must receive a copy of "Characteristics and Risks of Standardized Options". You may read the document at https://www.theocc.com/about/publications/character-risks.jsp or ask your financial advisor for a copy.

Investing in structured investments involves significant risks. For a detailed discussion of the risks involved in investing in any particular structured investment, you must read the relevant offering materials for that investment. Structured investments are unsecured obligations of a particular issuer with returns linked to the performance of an underlying asset. Depending on the terms of the investment, investors could lose all or a substantial portion of their investment based on the performance of the underlying asset. Investors could also lose their entire investment if the issuer becomes insolvent. UBS does not guarantee in any way the obligations or the financial condition of any issuer or the accuracy of any financial information provided by any issuer. Structured investments are not traditional investments and investing in a structured investment is not equivalent to investing directly in the underlying asset. Structured investments may have limited or no liquidity, and investors should be prepared to hold their investment to maturity. The return of structured investments may be limited by a maximum gain, participation rate or other feature. Structured investments may include call features and, if a structured investment is called early, investors would not earn any further return and may not be able to reinvest in similar investments with similar terms. Structured investments include costs and fees which are generally embedded in the price of the investment. The tax treatment of a structured investment may be complex and may differ from a direct investment in the underlying asset. UBS and its employees do not provide tax advice. Investors should consult their own tax advisor about their own tax situation before investing in any securities.

Important Information About Sustainable Investing Strategies: This terminology refers to definitions in the UBS Sustainable Investing Framework and does not refer or relate to any product specific regulatory labelling regime or naming conventions. Sustainable investing strategies aim to consider and incorporate environmental, social and governance (ESG) factors into investment process and portfolio construction. Strategies across geographies approach ESG analysis and incorporate the findings in a variety of ways. Incorporating ESG factors or sustainable investing considerations may inhibit the portfolio manager's ability to participate in certain investment opportunities that otherwise would be consistent with its investment objective and other principal investment strategies. The returns on a portfolio incorporating ESG factors or sustainable investing considerations may be lower or higher than portfolios where ESG factors, exclusions, or other sustainability issues are not considered by the portfolio manager, and the investment opportunities available to such portfolios may differ.

Within the past 12 months UBS Switzerland AG, its affiliates or subsidiaries may have received or provided investment services and activities or ancillary services as per MiFID II which may have given rise to a payment or promise of a payment in relation to these services from or to this company.

Disclosures: If you require detailed information on disclosures of interest or conflict of interest as required by Market Abuse Regulation please contact the mailbox MAR_disclosure_twopager@ubs.com. Please note that e-mail communication is unsecured.

External Asset Managers / External Financial Consultants: In case this research or publication is provided to an External Asset Manager or an External Financial Consultant, UBS expressly prohibits that it is redistributed by the External Asset Manager or the External Financial Consultant and is made available to their clients and/or third parties.

Argentina: All securities that will be offered to you by UBS are not authorized by the Argentine Securities and Exchange Commission (CNV) and are not subject to its reporting, periodic information requirements, or oversight. Furthermore, the CNV has not reviewed or endorsed the information provided in any securities offering document, nor the accuracy of any accounting, financial, economic data, or any other information disclosed therein, which remains the sole responsibility of the respective issuer and the other parties involved. **Australia:** This document is provided by UBS Switzerland AG. UBS Switzerland AG does not hold an Australian Financial Services Licence (AFSL) and relies on an exemption to provide financial services to persons in Australia. This document is intended only for distribution to wholesale clients under the Corporations Act 2001 (Cth). UBS Switzerland AG is a related body corporate of UBS AG, Australia Branch and UBS Securities Australia Limited. This document may be distributed to clients by those entities, but it is provided by UBS Switzerland AG and is not provided under any of the other entities' AFSL. The information in this document is general in nature and is not intended to address the objectives, financial situation or needs of any particular individual or entity. Each recipient should consider their own objectives, financial situation or needs before acting on the advice and obtain the relevant Product Disclosure Statement (if required) before making any decision whether to acquire any product. In Australia, UBS entities, other than UBS AG, Australia Branch, are not authorized deposit-taking institutions for the purposes of the Banking Act 1959 (Cth.) and their obligations do not represent deposits or other liabilities of UBS AG, Australia Branch. UBS AG, Australia Branch does not guarantee or otherwise provide assurance in respect of the obligations of such UBS entities or the funds. An investor is exposed to investment risk including possible delays in repayment and loss of income and principal invested, as relevant. If you do not wish to receive marketing materials from UBS, please contact your UBS representative or the contact details listed in the Australia Privacy Notice: https://www.ubs.com/global/en/legal/privacy.html. Your personal data will be processed in accordance with this notice. **Bahrain**: This report is being distributed by UBS AG, Bahrain Branch, duly licensed and regulated by the Central Bank of Bahrain (CBB) as an Investment Business Firm - Category 2 (Branch). Related financial services or products are only made available to Accredited Investors, as defined by the CBB, and are not intended for any other persons. UBS AG, Bahrain Branch is a Foreign Branch of UBS AG, Zurich/Switzerland and is located on Level 21, East Tower, Bahrain World Trade Centre, Manama, Kingdom of Bahrain. **Brazil**: This report is distributed in Brazil by UBS BB Corretora de Câmbio, Títulos e Valores Mobiliários S.A. or its affiliates ("UBS"). Pursuant to CVM Resolution No. 20/2021, of February 25, 2021, the author(s) of the report hereby certify(ies) that the views expressed in this report solely and exclusively reflect their personal opinions and have been prepared independently, including with respect to UBS. Part of the author(s)'s compensation is based on various factors, including the total revenues of the relevant UBS Group entity of which they are in employment of, but no part of the compensation has been, is, or will be related to the specific recommendations or views expressed in this report. In addition, UBS declares that: UBS has provided, and/or may in the future provide investment banking, brokerage, asset management, commercial banking and other financial services to the subject company/companies or its affiliates, for which they have received or may receive customary fees and commissions, and which constituted or may constitute relevant financial or commercial interests in relation to the subject company/companies or the subject securities. **Canada**: This publication is for your information only and is not intended as an offer, or a solicitation of an offer, to buy or sell any investment or other specific product. Although all information and opinions expressed in this publication were obtained from sources believed to be reliable and in good faith, no representation or warranty, express or implied, is made as to its accuracy or

completeness. All information and opinions as well as any figures indicated herein are subject to change without notice. At any time, UBS AG ("UBS") and other companies in the UBS group (or employees thereof) may have a long or short position, or deal as principal or agent, in relevant securities or provide advisory or other services to the issuer of relevant securities or to a company connected with an issuer. Some investments may not be readily realizable since the market in the securities is illiquid and therefore valuing the investment and identifying the risk to which you are exposed may be difficult to quantify. Past performance of investments is not a guarantee of future results, and the value of investments may fluctuate over time. There is no guarantee that investment objectives risk or return targets discussed in this publication will be received or attained. For clients and prospective clients of UBS Bank (Canada), please note that this publication has no regard to the specific investment objectives, financial situation or particular needs of any recipient. Neither UBS Bank (Canada) nor UBS Investment Management Canada Inc. is acting as an adviser or fiduciary to or for any recipient of this report unless otherwise agreed upon in writing. Not all products or services may be available at UBS Bank (Canada). Some products and services may be legally restricted for residents of certain countries. Should you have any questions, please contact UBS Bank (Canada) and ask to speak to a member of our Wealth Management Team. UBS Wealth Management is a registered trade-mark of UBS AG. UBS Bank (Canada) is a subsidiary of UBS AG. Investment advisory and portfolio management services are provided through UBS Investment Management Canada Inc., a wholly-owned subsidiary of UBS Bank (Canada). UBS Investment Management Canada Inc. is a registered portfolio manager and exempt market dealer in all the provinces with the exception of P.E.I. and the territories. This publication may not be reproduced, or copies circulated without prior authority of UBS Bank (Canada). **China**: This report and any offering material such as term sheet, research report, other product or service documentation or any other information (the "Material") sent with this report was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the material erroneously, UBS asks that you kindly delete it and inform UBS immediately. This report is prepared by UBS Switzerland AG or its offshore subsidiary or affiliate (collectively as "UBS Offshore"). UBS Offshore is an entity incorporated out of China and is not licensed, supervised or regulated in China to carry out banking or securities business. The recipient should not contact the analysts or UBS Offshore which produced this report for advice as they are not licensed to provide securities investment advice in China. UBS Investment Bank (including Research) has its own wholly independent research and views which at times may vary from the views of UBS Global Wealth Management. The recipient should not use this document or otherwise rely on any of the information contained in this report in making investment decisions and UBS takes no responsibility in this regard. **Denmark**: This publication is not intended to constitute a public offer under Danish law. It is distributed only for information purposes to clients of UBS Europe SE, Denmark Branch, filial af UBS Europe SE, with place of business at Sankt Annae Plads 13, 1250 Copenhagen, Denmark, registered with the Danish Commerce and Companies Agency, under No. 38 17 24 33. UBS Europe SE, Denmark Branch, filial af UBS Europe SE is subject to the joint supervision of the European Central Bank, the German Central Bank (Deutsche Bundesbank), the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin"), as well as of the Danish Financial Supervisory Authority (Finanstilsynet), to which this publication has not been submitted for approval. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by BaFin. **Egypt**: Securities or other investment products are not being offered or sold by UBS to the public in Egypt and they have not been and will not be registered with the Egyptian Financial Regulatory Authority (FRA). **France**: This publication is not intended to constitute a public offer under French law, it does not constitute a personal recommendation as it is distributed only for information purposes to clients of UBS Europe SE Succursale de France (a branch of UBS Europe SE), having its registered office at 39, rue du Colisée, 75008 Paris, France, registered with the "Registre du Commerce et des Sociétés" of Paris under N°844 425 629. UBS Europe SE Succursale de France is subject to the joint supervision of the European Central Bank, the German Central Bank (Deutsche Bundesbank), the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin"), as well as of the French "Autorité de contrôle prudentiel et de résolution" and "Autorité des marchés financiers", to which this publication has not been submitted for approval. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by BaFin. **Germany**: This publication is not intended to constitute a public offer under German law. It is distributed only for information purposes to clients of UBS Europe SE, Germany, with place of business at Bockenheimer Landstrasse 2-4, 60306 Frankfurt am Main. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin") and supervised jointly by the European Central Bank, the German Central Bank (Deutsche Bundesbank) and BaFin, to which this publication has not been submitted for approval. **Hong Kong SAR**: This publication is distributed to clients of UBS AG Hong Kong Branch by UBS AG Hong Kong Branch, a licensed bank under the Hong Kong Banking Ordinance and a registered institution under the Securities and Futures Ordinance. UBS AG Hong Kong Branch is incorporated in Switzerland with limited liability. The contents of this material have not been reviewed by any regulatory authority in Hong Kong. **Indonesia**: This communication and any offering material term sheet, research report, other product or service documentation or any other information (the "Material") sent with this communication was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved, endorsed, registered or filed with any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or derivatives products). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including futures contracts) nor is it an offer to buy or to sell any securities or derivatives products. The relevant investments will be subject to restrictions and obligations on transfer as set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided on and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Israel**: UBS is a premier global financial firm offering wealth management, asset management and investment banking services from its headquarters in Switzerland and its operations in over 50 countries worldwide to individual, corporate and institutional investors. This publication is intended for information only and is not intended as an offer to buy or solicitation of an offer. Furthermore, this publication is not intended as an investment advice. Nothing contrary to the above, no action has been, or will be, taken in Israel that would permit an offering of the product(s) mentioned in this document or a distribution of this document to the public in Israel. In particular, this document has not been reviewed or approved by the Israeli Securities Authority. The product(s) mentioned in this document is/are being offered to a limited number of sophisticated investors who qualify as one of the investors listed in the first supplement to the Israeli Securities Law, 5728-1968. This document may not be reproduced or used for any other purpose, nor be furnished to any other person other than those to whom copies have been sent. Anyone who purchases the product(s) mentioned herein shall do so for its own benefit and for its own account and not with the aim or intention of distributing or offering the product(s) to other parties. Anyone who purchases the product(s) shall do so in accordance with its own understanding and discretion and after it has received any relevant financial, legal, business, tax or other advice or opinion required by it in connection with such purchase(s). The word "advice" and/or any of its equivalent terms shall be read and construed in conjunction with the definition of the term "investment marketing" as defined under the Israeli Regulation of Investment Advice, Investment Marketing and Portfolio Management Law. The Swiss laws and regulations require a number of mandatory disclosures to be made in independent financial research reports or recommendations. Pursuant to the Swiss Financial Market Infrastructure Act and the Financial Market Infrastructure Ordinance-FINMA, banks must disclose the percentage of voting rights they hold in companies being researched, if these holdings are equal to or exceed the statutory thresholds. In addition, the Directives on the Independence of Financial Research, issued by the Swiss Bankers Association, mandate a number of disclosures, including the disclosure of potential conflicts of interest, the participation within previous 12 months in any securities issues on behalf of the company being researched, as well as the fact that remuneration paid to the financial analysts is based generally upon the performance of (i) the new issues department or investment banking; or (ii) securities trading performance (including proprietary trading) or sales. **Italy**: This publication is not intended to constitute a public offer under Italian law. It is distributed only for information purposes to clients of UBS Europe SE, Succursale Italia, with place of business at Via del Vecchio Politecnico, 3-20121 Milano. UBS Europe SE, Succursale Italia is subject to the joint supervision of the European Central Bank, the German Central Bank (Deutsche Bundesbank), the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin"), as well as of the Bank of Italy (Banca d'Italia) and the Italian Financial Markets Supervisory Authority (CONSOB - Commissione Nazionale per le Società e la Borsa), to which this publication has not been submitted for approval. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by BaFin. **Japan**: This report is solely distributed in Japan by UBS SuMi TRUST Wealth Management Co., Ltd, Financial Instruments Dealer, Director-General of Kanto Local Finance Bureau (Kinsho) No. 3233, a member of the Japan Securities Dealers Association, Financial Futures Association of Japan, Investment Management Association of Japan. UBS SuMi TRUST Wealth Management Co., Ltd will not distribute or forward this report outside Japan. **Jersey**: UBS AG, Jersey Branch, is regulated and authorized by the Jersey Financial Services Commission for the conduct of banking, funds and investment business. Where services are provided from outside Jersey, they will not be covered by the Jersey regulatory regime. UBS AG, Jersey Branch is a branch of UBS AG a public company limited by shares, incorporated in Switzerland whose registered offices are at Aeschenvorstadt 1, CH-4051 Basel and Bahnhofstrasse 45, CH 8001 Zurich. UBS AG, Jersey Branch's principal place of business is 1, IFC Jersey, St Helier, Jersey, JE2 3BX. **Luxembourg**: This publication is not intended to constitute a public offer under Luxembourg law. It is distributed only for information purposes to clients of UBS Europe SE, Luxembourg Branch ("UBS Luxembourg"), R.C.S. Luxembourg n° B209123, with registered office at 33A, Avenue J. F. Kennedy, L-1855 Luxembourg. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea (HRB n° 107046), with registered office at Bockenheimer Landstrasse 2-4, D-60306 Frankfurt am Main, Germany, duly authorized by the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin") and subject to the joint prudential supervision of BaFin, the European Central Bank and the central bank of Germany (Deutsche Bundesbank). UBS Luxembourg is furthermore supervised by the Luxembourg prudential supervisory authority (Commission de Surveillance du Secteur Financier), in its role as host member state authority. This publication has not been submitted for approval to any public supervisory authority. **Malaysia**: This communication and any offering material term sheet, research report, other product or service documentation or any other information (the "Material") sent with this communication was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved, endorsed, registered or filed with any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or derivatives products). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including future contracts) nor is it an offer to buy or to sell any securities or derivatives products. The relevant

investments will be subject to restrictions and obligations on transfer as set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided on and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Mexico**: This information is distributed by UBS Asesores México, S.A. de C.V. ("UBS Asesores"), an affiliate of UBS Switzerland AG, incorporated as a non-independent investment advisor under the Mexican regulation due to the relation with a Foreign Bank. UBS Asesores is registered under number 30060-001-(14115)-21/06/2016 and subject to the supervision of the Mexican Banking and Securities Commission ("CNBV") exclusively regarding the rendering of (i) portfolio management services, (ii) securities investment advisory services, analysis and issuance of individual investment recommendations, and (iii) anti-money laundering and terrorism financing matters. This UBS publication or any material related thereto is addressed only to Sophisticated or Institutional Investors located in Mexico. Research reports only reflect the views of the analysts responsible for the report. The compensation of the analyst(s) who prepared this report is determined exclusively by research management and senior management of any entity of UBS Group to which such analyst(s) render(s) services. **Monaco**: This document is not intended to constitute a public offering or a comparable solicitation under the Principality of Monaco laws, but might be made available for information purposes to clients of UBS (Monaco) S.A., a regulated bank having its registered office at 2 avenue de Grande Bretagne 98000 Monaco operating under a banking license granted by the "Autorité de Contrôle Prudentiel et de Résolution" (ACPR) and the Monegasque government which authorizes the provision of banking services in Monaco. UBS (Monaco) S.A. is also licensed by the "Commission de Contrôle des Activités Financières" (CCAF) to provide investment services in Monaco. The latter has not approved this publication. **Philippines:** This communication was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved, endorsed, registered or filed with any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or derivatives products). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including future contracts) nor is it an offer to buy or to sell any securities or derivatives products. The relevant investments will be subject to restrictions and obligations on transfer as set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided on and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Portugal**: This publication is not intended to constitute a public offer under Portuguese law. It is distributed only for information purposes by UBS Europe SE, Sucursal em Portugal (UBS Portugal), Commercial Register of Lisbon (Conservatoria do Registo comercial de Lisboa) no. 980492491, with registered office at Avenida da Liberdade, n. 0 180-A, 8.0 andar, 1250-146 Lisboa. UBS Portugal is a branch of UBS Europe SE, a credit institution constituted under German law in the form of a Societas Europaea (HRB n° 107046), with registered office at Bockenheimer Landstrasse 2-4, D-60306 Frankfurt am Main, Germany, duly authorized by the German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht – "BaFin") and subject to the joint prudential supervision of BaFin, the central bank of Germany (Deutsche Bundesbank) and the European Central Bank. UBS Portugal is furthermore supervised by the Portuguese banking and financial authorities as the "Banco de Portugal" and the "Comissão do Mercado dos Valores Mobiliários" in their role as host member state authority. This publication has not been submitted for approval to any public supervisory authority. **Qatar**: UBS Qatar LLC is licensed by the Qatar Financial Centre Authority and authorized by the QFC Regulatory Authority, with QFC no. 01169, and has its registered office at Lusail - Qatar, 14th Floor, Office No. 5 and 6, Building No. 157, Burj Alfardan, Al Majdami. This material is strictly intended for Eligible Counterparties and/or Business Customers only as classified under the QFCRA's Customer and Investor Protection Rules 2019. No other person should act upon this material. **Russia**: This document or information contained therein is for information purposes only and constitutes neither a public nor a private offering, is not an invitation to make offers, to sell, exchange or otherwise transfer any financial instruments in the Russian Federation to or for the benefit of any Russian person or entity and does not constitute an advertisement or offering of securities in the Russian Federation within the meaning of Russian securities laws. The information contained herein is not an "individual investment recommendation" as defined in Federal Law of 22 April 1996 No 39-FZ "On Securities Market" (as amended) and the financial instruments and operations specified herein may not be suitable for your investment profile or your investment goals or expectations. The determination of whether or not such financial instruments and operations are in your interests or are suitable for your investment goals, investment horizon or the acceptable risk level is your responsibility. We assume no liability for any losses connected with making any such operations or investing into any such financial instruments and we do not recommend to use such information as the only source of information for making an investment decision. **Saudi Arabia**: This material is for marketing and information purposes by UBS Saudi Arabia only. It has been distributed by UBS Saudi Arabia or reviewed and approved by UBS Saudi Arabia if it was issued by UBS Switzerland AG, by UBS AG, or any of its subsidiaries or branches. UBS Switzerland AG is a public company limited by shares, incorporated in Switzerland with its registered offices at Bahnhofstrasse 45, CH-8001 Zurich. UBS Saudi Arabia (a subsidiary of UBS AG) is a Saudi closed joint stock company incorporated in the Kingdom of Saudi Arabia with a paid capital of 110,000,000 Saudi Riyals under commercial register number 1010257812 having its registered office at Laysen Valley, P.O. Box 75724, Riyadh 11588, Kingdom of Saudi Arabia. UBS Saudi Arabia is authorized and regulated by the Capital Market Authority to conduct securities business under license number 08113-37. This document is distributed only under such circumstances as may be permitted by applicable laws and regulations. The information and – if any - opinions contained in this document have been compiled or arrived at based upon information obtained from sources believed to be reliable and in good faith, but is not guaranteed as being accurate, nor is it a complete statement or summary of the securities, markets or developments referred to in the document. All such information and opinions are subject to changes without notice. Past performance of investments (whether simulated or actual) is not necessarily an indicator of future results. Forward looking data is based on estimates that are subject to changes. Should the currency of a financial product or service not match your reference currency, performance may rise or fall due to currency fluctuations. UBS Switzerland AG and / or other members of the UBS Group may have a position in and may make a purchase and/or sale of any of the securities or other financial instruments mentioned in this document While statements that constitute "forward-looking statements", including, but not limited to, statements relating to our future business development represent UBS judgments and future expectations concerning the development of our business, a number of risks, uncertainties and other important factors could cause actual developments and results to differ materially from our expectations. This document may not be forwarded, reproduced, redistributed or republished for any purpose without the written permission of UBS Saudi Arabia. Source for all data and charts (if not indicated otherwise) is UBS Switzerland AG. **Singapore**: Where applicable, this material is distributed in Singapore by UBS AG, Singapore Branch, which is licensed by the Monetary Authority of Singapore under the Banking Act 1970 to carry on banking business. UBS AG is incorporated in Switzerland with limited liability. UBS AG has a branch registered in Singapore (UEN S98FC5560C). This material has been prepared and issued for distribution in Singapore to institutional investors, accredited investors and expert investors (each as defined under the Financial Advisers Regulations (the "FAR")) only. By virtue of your status as an institutional investor, accredited investor, or expert investor, UBS AG is exempted from complying with certain requirements under the Financial Advisers Act 2001 (the "FAA"), the FAR and the relevant Notices and Guidelines issued thereunder, in respect of any financial advisory service which UBS AG may provide to you. These include exemptions from complying with: Section 34 of the FAA (pursuant to Regulation 33(1) of the FAR); Section 36 of the FAA (pursuant to Regulation 34(1) of the FAR); and Section 45 of the FAA (pursuant to Regulation 35(1) of the FAR). Singapore recipients and clients of UBS AG, Singapore Branch should contact UBS AG, Singapore Branch for any matters arising from, or in connection with, this material. Where applicable, this communication and any offering material term sheet, research report, other product or service documentation or any other information (the "Material") sent with this communication was done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved or endorsed by any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or products or futures contracts). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including future contracts) nor is it an offer to buy or to sell any securities or products. The relevant investments will be subject to restrictions and obligations on transfer as set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided on and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Spain:** This report is distributed in Spain by UBS AG, Sucursal en España, authorized under number 1460 in the Register by the Banco de España. **Sweden**: This publication is not intended to constitute a public offer under Swedish law. It is distributed only for information purposes to clients of UBS Europe SE, Sweden Bankfilial, with place of business at Regeringsgatan 38, 11153 Stockholm, Sweden, registered with the Swedish Companies Registration Office under Reg. No 516406-1011. UBS Europe SE, Sweden Bankfilial is subject to the joint supervision of the European Central Bank, the German Central Bank (Deutsche Bundesbank), the German Federal Financial Services Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, "BaFin"), as well as of the Swedish supervisory authority (Finansinspektionen), to which this publication has not been submitted for approval. UBS Europe SE is a credit institution constituted under German law in the form of a Societas Europaea, duly authorized by BaFin. **Taiwan**: This material is provided by UBS AG, Taipei Branch in accordance with laws of Taiwan, in agreement with or at the request of clients/prospects. **Thailand**: This communication and any offering material, term sheet, research report, other product or service documentation or any other information (the "Material") sent with this communication were done so as a result of a request received by UBS from you and/or persons entitled to make the request on your behalf. Should you have received the Material erroneously, UBS asks that you kindly delete/destroy the communication and Material and inform UBS immediately. The Material, where provided, was provided for your information only and is not to be further distributed in whole or in part in or into your jurisdiction without the consent of UBS. The Material may not have been reviewed, approved, disapproved, endorsed, registered or filed with any financial or regulatory authority in your jurisdiction. UBS has not, by virtue of the Material, made available, issued any invitation to subscribe for or to purchase any investment (including securities or derivatives products). The Material is neither an offer nor a solicitation to enter into any transaction or contract (including future contracts) nor is it an offer to buy or to sell any securities or derivatives products. The relevant investments will be subject to restrictions and obligations on transfer as

set forth in the Material, and by receiving the Material you undertake to comply fully with such restrictions and obligations. You should carefully study and ensure that you understand and exercise due care and discretion in considering your investment objective, risk appetite and personal circumstances against the risk of the investment. You are advised to seek independent professional advice in case of doubt. Any and all advice provided and/or trades executed by UBS pursuant to the Material will only have been provided upon your specific request or executed upon your specific instructions, as the case may be, and may be deemed as such by UBS and you. **Türkiye**: The information in this document is not provided for the purpose of offering, marketing or sale of any capital market instrument or service in the Republic of Türkiye. Therefore, this document may not be considered as an offer made, or to be made, to residents of the Republic of Türkiye in the Republic of Türkiye. UBS Switzerland AG is not licensed by the Capital Markets Board of Türkiye (the CMB) under the provisions of the Capital Market Law (Law No. 6362). Accordingly, neither this document nor any other offering material related to the instrument/service may be utilized in connection with providing any capital market services to persons within the Republic of Türkiye without the prior approval of the CMB. However, according to article 15 (d) (ii) of the Decree No. 32 residents of the Republic of Türkiye are allowed to purchase or sell the financial instruments traded in financial markets outside of the Republic of Türkiye. Further to this, pursuant to article 9 of the Communiqué on Principles Regarding Investment Services, Activities and Ancillary Services No. III-37.1, investment services provided abroad to residents of the Republic of Türkiye based on their own initiative are not restricted. **United Arab Emirates (UAE) / DIFC / Abu Dhabi**: UBS is not licensed in the UAE by the Central Bank of the UAE nor by the Capital Market Authority of the UAE and does not undertake banking activities in the UAE. This document is provided for your information only and does not constitute financial advice. **DIFC**: UBS AG Dubai Branch is regulated by the DFSA in the DIFC. This material is strictly intended for Professional Clients and/or Market Counterparties only as classified under the DFSA rulebook. It should not be distributed to Retail Clients. The Investment Research is provided for information purposes only and is not a recommendation or offer to buy/sell/hold a particular investment. The investment research may be out of date. You should seek investment advice before acting on the basis of the Investment Research. **Abu Dhabi**: UBS AG Abu Dhabi Branch is licensed and regulated by the Financial Services Regulatory Authority ("FSRA") of the Abu Dhabi Global Market. This material is intended solely for professional clients or market counterparties, as defined in the rules of the FSRA. It is not directed at, nor intended for, retail clients or any person who does not meet the criteria of a professional client or market counterparty. **United Kingdom**: This document is issued by UBS Wealth Management, a division of UBS AG which is authorised and regulated by the Financial Market Supervisory Authority in Switzerland. In the United Kingdom, UBS AG is authorised by the Prudential Regulation Authority and is subject to regulation by the Financial Conduct Authority and limited regulation by the Prudential Regulation Authority. Details about the extent of regulation by the Prudential Regulation Authority are available from us on request. A member of the London Stock Exchange. This publication is distributed to retail clients of UBS Wealth Management. **Ukraine**: UBS is a premier global financial services firm offering wealth management services to individual, corporate and institutional investors. UBS is established in Switzerland and operates under Swiss law and in over 50 countries and from all major financial centers. UBS is not registered and licensed as a bank/financial institution under Ukrainian legislation and does not provide banking and other financial services in Ukraine. UBS has not made, and will not make, any offer of the mentioned products to the public in Ukraine. No action has been taken to authorize an offer of the mentioned products to the public in Ukraine and the distribution of this document shall not constitute financial services for the purposes of the Law of Ukraine "On Financial Services and Financial Companies" dated 14 December 2021. Any offer of the mentioned products shall not constitute an investment advice, public offer, circulation, transfer, safekeeping, holding or custody of securities in the territory of Ukraine. Accordingly, nothing in this document or any other document, information or communication related to the mentioned products shall be interpreted as containing an offer, a public offer or invitation to offer or to a public offer, or solicitation of securities in the territory of Ukraine or investment advice under Ukrainian law. Electronic communication must not be considered as an offer to enter into an electronic agreement or other electronic instrument within the meaning of the Law of Ukraine "On Electronic Commerce" dated 3 September 2015. This document is strictly for private use by its holder and may not be passed on to third parties or otherwise publicly distributed. **USA**: Distributed to US persons only by UBS Financial Services Inc. or UBS Securities LLC, subsidiaries of UBS AG. UBS Switzerland AG, UBS Europe SE, UBS Bank, S.A., UBS BB Corretora de Câmbio, Títulos e Valores Mobiliários S.A., UBS Asesores México, S.A. de C.V., UBS SuMi TRUST Wealth Management Co., Ltd., UBS Wealth Management Israel Ltd. and UBS Menkul Degerler AS are affiliates of UBS AG. **UBS Financial Services Inc. accepts responsibility for the content of a report prepared by a non-US affiliate when it distributes reports to US persons. All transactions by a US person in the securities mentioned in this report should be effected through a US-registered broker dealer affiliated with UBS, and not through a non-US affiliate. The contents of this report have not been and will not be approved by any securities or investment authority in the United States or elsewhere. UBS Financial Services Inc. is not acting as a municipal advisor to any municipal entity or obligated person within the meaning of Section 15B of the Securities Exchange Act (the "Municipal Advisor Rule") and the opinions or views contained herein are not intended to be, and do not constitute, advice within the meaning of the Municipal Advisor Rule.** For information on the ways in which UBS Securities LLC manages conflicts and maintains independence of its UBS Global Research product; historical performance information; certain additional disclosures concerning UBS Global Research recommendations; and terms and conditions for certain third party data used in research report, please visit https://www.ubs.com/disclosures.
